policy that covers losses or damages to a person, other than the policyholder, who is injured on the insured property as a result of any accidental or unintentional discharge of the firearm (firearm liability insurance). Failure to maintain a firearm liability insurance policy is a civil infraction. A first offense is punishable by a minimum \$500 fine, half of which may be suspended if the person has obtained firearm liability insurance. A second offense within 5 years of a prior offense is punishable by a minimum \$1,000 fine.

The bill permits a person who was denied firearm liability insurance by 2 or more insurers or a person who is indigent and cannot afford the insurance to petition a court for an order declaring that the person is excused from the firearm liability insurance requirement. The court shall issue the order if it finds that the person is likely to behave prudently and safely in the storage, carrying, and use of a firearm and that the person has a gun safe or other secure container to store the firearm. The requirement to maintain firearm liability insurance does not apply to a person who holds a valid court order declaring the person is excused from the requirement.

The bill requires an insurer to make available to an applicant the opportunity to include in a homeowners or renters insurance policy coverage that satisfies the firearm liability insurance requirement. An insurer may deny firearm liability coverage to an applicant based on the insurer's individualized assessment of the risk related to covering the applicant.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4           (a) Beginning in the 1830s, U.S. jurisdictions enacted surety laws  
5 that required certain firearm owners to post a surety bond that would be  
6 forfeited if the firearm owner failed to keep the peace;

7           (b) Historical surety laws did not prohibit anyone from possessing  
8 or carrying arms but incentivized responsible firearm possession by  
9 requiring a surety that the owner would forfeit in the event that the owner  
10 breached the peace;

11           (c) At least ten U.S. jurisdictions enacted similar, if not identical,

1 surety laws during the nineteenth century; and

2 (d) The historical surety laws are analogous to modern liability  
3 insurance that does not prohibit firearm ownership or use.
