

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Aristide offered the following:

Amendment

Between lines 1974 and 1975, insert:

Section 46. From the recurring general revenue funds, \$50,000,000 shall be allocated to the State University System, the Florida College System, career centers, and charter technical centers to provide workforce training in in-demand fields likely to be affected by immigration reform policy, such as agriculture, construction, and other trades.
