Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals, and other usual and customary expenses associated with legislative affairs. Each member of the house is entitled, when authorized by the speaker of the house, to the legislative business per diem allowance for every day the member is engaged in official business. The speaker shall authorize the legislative business per diem allowance to be consistent with law and house rules.

Each member of the senate is entitled, when authorized by the president pro tempore of the senate, to the legislative business per diem allowance for every day the member is engaged in official business. The president pro tempore of the senate shall authorize the legislative business per diem allowance to be consistent with law and senate rules.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service for each mile necessarily traveled from the member's usual place of residence to the state capitol. However, if the member traveled by a means other than by motor vehicle, and the member's usual place of residence is more than one hundred (100) miles from the state capitol, the member is entitled to reimbursement in an amount equal to the lowest air travel cost incurred in traveling from the usual place of residence to the state capitol. During the period the general assembly is convened in regular or special session, the mileage allowance shall be limited to one (1) round

trip each week per member.

Any member of the general assembly who is appointed by the governor, speaker of the house, president or president pro tempore of the senate, house or senate minority floor leader, or Indiana legislative council to serve on any research, study, or survey committee or commission, or who attends any meetings authorized or convened under the auspices of the Indiana legislative council, including pre-session conferences and federal-state relations conferences, is entitled, when authorized by the legislative council, to receive the legislative business per diem allowance for each day the member is in actual attendance and is also entitled to a mileage allowance, at the rate specified above, for each mile necessarily traveled from the member's usual place of residence to the state capitol, or other in-state site of the committee, commission, or conference. The per diem allowance and the mileage allowance permitted under this paragraph shall be paid from the legislative council appropriation for legislator and lay member travel unless the member is attending an out-of-state meeting, as authorized by the speaker of the house of representatives or the president pro tempore of the senate, in which case the member is entitled to receive:

(1) the legislative business per diem allowance for each day the member is engaged in approved out-of-state travel; and

(2) reimbursement for traveling expenses actually incurred in connection with the member's duties, as provided in the state travel policies and procedures established by the legislative council.

Notwithstanding the provisions of this or any other statute, the legislative council may adopt, by resolution, travel policies and procedures that apply only to members of the general assembly or to the staffs of the house of representatives, senate, and legislative services agency, or both members and staffs. The legislative council may apply these travel policies and procedures to lay members serving on research, study, or survey committees or commissions that are under the jurisdiction of the legislative council. Notwithstanding any other law, rule, or policy, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency do not apply to members of the general assembly, to the staffs of the house of representatives, senate, or legislative services agency, or to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council (if the legislative council applies its travel policies and procedures to lay members under the authority of this SECTION), except that, until the legislative council adopts travel policies and procedures, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency apply to members of the general assembly, to the staffs of the house of representatives, senate, and legislative services agency, and to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative council. The state comptroller shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated for the house and senate expenses and legislative salaries are insufficient

to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. 3 the proceeds derived from the settlement of any claim for the loss shall be deposited  
4 in the state treasury, and the amount deposited is hereby reappropriated to the  
5 institution or department for the purpose of replacing the loss. If it is determined  
6 that the loss shall not be replaced, any funds received from the settlement of a claim  
7 shall be deposited into the state general fund.  
8

9 SECTION 19. [EFFECTIVE JULY 1, 2025]  
10

11 If an agency has computer equipment in excess of the needs of that agency, then  
12 the excess computer equipment may be sold under the provisions of surplus property  
13 sales, and the proceeds of the sale or sales shall be deposited in the state treasury.  
14 The amount so deposited is hereby reappropriated to that agency for other operating  
15 expenses of the current year, if approved by the director of the budget agency.  
16

17 SECTION 20. [EFFECTIVE JULY 1, 2025]  
18

19 This act does not authorize any rehabilitation and repairs to any state buildings,  
20 nor does it allow that any obligations be incurred for lands and structures, without  
21 the prior approval of the budget director or the director's designee. This SECTION  
22 does not apply to contracts for the state universities supported in whole or in part  
23 by state funds.  
24

25 SECTION 21. [EFFECTIVE JULY 1, 2025]  
26

27 If an agency has an annual appropriation fixed by law, and if the agency also receives  
28 an appropriation in this act for the same function or program, the appropriation in  
29 this act supersedes any other appropriations and is the total appropriation for the  
30 agency for that program or function.  
31

32 SECTION 22. [EFFECTIVE JULY 1, 2025]  
33

34 The balance of any appropriation or funds heretofore placed or remaining to the  
35 credit of any division of the state of Indiana, and any appropriation or funds provided  
36 in this act placed to the credit of any division of the state of Indiana, the powers,  
37 duties, and functions whereof are assigned and transferred to any department for  
38 salaries, maintenance, operation, construction, or other expenses in the exercise  
39 of such powers, duties, and functions, shall be transferred to the credit of the  
40 department to which such assignment and transfer is made, and the same shall be  
41 available for the objects and purposes for which appropriated originally.  
42

43 SECTION 23. [EFFECTIVE JULY 1, 2025]  
44

45 The director of the division of procurement of the Indiana department of administration,  
46 or any other person or agency authorized to make purchases of equipment, shall not  
47 honor any requisition for the purchase of an automobile that is to be paid for from any  
48 appropriation made by this act or any other act, unless the following facts are shown  
49 to the satisfaction of the commissioner of the Indiana department of administration or

1 the commissioner's designee:

2 (1) In the case of an elected state officer, it shall be shown that the duties of the  
3 office require driving about the state of Indiana in the performance of official duty.

4 (2) In the case of department or commission heads, it shall be shown that the statutory  
5 duties imposed in the discharge of the office require traveling a greater distance  
6 than one thousand (1,000) miles each month or that they are subject to official duty  
7 call at all times.

8 (3) In the case of employees, it shall be shown that the major portion of the duties  
9 assigned to the employee require travel on state business in excess of one thousand  
10 (1,000) miles each month, or that the vehicle is identified by the agency as an integral  
11 part of the job assignment.

12  
13 In computing the number of miles required to be driven by a department head or an  
14 employee, the distance between the individual's home and office or designated official  
15 station is not to be considered as a part of the total. Department heads shall annually  
16 submit justification for the continued assignment of each vehicle in their department,  
17 which shall be reviewed by the commissioner of the Indiana department of administration,  
18 or the commissioner's designee. There shall be an insignia permanently affixed on each  
19 side of all state owned cars, designating the cars as being state owned. However, this  
20 requirement does not apply to state owned cars driven by elected state officials or to  
21 cases where the commissioner of the Indiana department of administration or the  
22 commissioner's designee determines that affixing insignia on state owned cars would  
23 hinder or handicap the persons driving the cars in the performance of their official  
24 duties.

25  
26 **SECTION 24. [EFFECTIVE JULY 1, 2025]**

27  
28 When budget agency approval or review is required under this act, the budget agency  
29 may refer to the budget committee any budgetary or fiscal matter for an advisory  
30 recommendation. The budget committee may hold hearings and take any actions authorized  
31 by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

32  
33 **SECTION 25. [EFFECTIVE JULY 1, 2025]**

34  
35 Except as provided for under IC 4-12-18, the governor of the state of Indiana is  
36 solely authorized to accept on behalf of the state any and all federal funds available  
37 to the state of Indiana. Federal funds received under this SECTION are appropriated  
38 for purposes specified by the federal government, subject to allotment by the budget  
39 agency. The provisions of this SECTION and all other SECTIONS concerning the  
40 acceptance, disbursement, review, and approval of any grant, loan, or gift made by  
41 the federal government or any other source to the state or its agencies and political  
42 subdivisions shall apply, notwithstanding any other law.

43  
44 **SECTION 26. [EFFECTIVE JULY 1, 2025]**

45  
46 Except as provided for under IC 4-12-18, federal funds received as revenue by a state  
47 agency or department are not available to the agency or department for expenditure  
48 until allotment has been made by the budget agency under IC 4-12-1-12(d).

**SECTION 27. [EFFECTIVE JULY 1, 2025]**

**A contract or an agreement for personal services or other services may not be entered into by any agency or department of state government without the approval of the budget agency or the designee of the budget director.**

**SECTION 28. [EFFECTIVE JULY 1, 2025]**

**Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the state comptroller shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.**

**SECTION 31. [EFFECTIVE JULY 1, 2025]**

The budget agency may employ one (1) or more architects or engineers to inspect construction, rehabilitation, and repair projects covered by the appropriations in this act or previous acts.

**SECTION 32. [EFFECTIVE UPON PASSAGE]**

If any part of a construction or rehabilitation and repair appropriation made by this act or any previous acts has not been allotted or encumbered before the expiration of the biennium, the budget agency may determine that the balance of the appropriation is not available for allotment. The appropriation may be terminated, and the balance may revert to the fund from which the original appropriation was made.

**SECTION 33. [EFFECTIVE JULY 1, 2025]**

The budget agency may retain balances in the mental health fund at the end of any fiscal year to ensure there are sufficient funds to meet the service needs of the developmentally disabled and the mentally ill in any year.

**SECTION 34. [EFFECTIVE JULY 1, 2025]**

If the budget director determines at any time during the biennium that the executive branch of state government cannot meet its statutory obligations due to insufficient funds in the general fund, then notwithstanding IC 4-10-18, the budget agency, with the approval of the governor and after review by the budget committee, may transfer from the counter-cyclical revenue and economic stabilization fund to the general fund any additional amount necessary to maintain a positive balance in the general fund.

SECTION 35. IC 2-5-3.2-1, AS AMENDED BY P.L.9-2024, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 1. (a) As used in this section, "tax incentive" means a benefit provided through a state or local tax that is intended to alter, reward, or subsidize a particular action or behavior by the tax incentive recipient, including a benefit intended to encourage economic

1 development. The term includes the following:

2 (1) An exemption, deduction, credit, preferential rate, or other tax benefit that:

3 (A) reduces the amount of a tax that would otherwise be due to the state;

4 (B) results in a tax refund in excess of any tax due; or

5 (C) reduces the amount of property taxes that would otherwise be due to a political subdivision  
6 of the state.

7 (2) The dedication of revenue by a political subdivision to provide improvements or to retire bonds  
8 issued to pay for improvements in an economic or sports development area, a community  
9 revitalization area, an enterprise zone, a tax increment financing district, or any other similar area  
10 or district.

11 (b) The general assembly intends that each tax incentive effectuate the purposes for which it was  
12 enacted and that the cost of tax incentives should be included more readily in the biennial budgeting  
13 process. To provide the general assembly with the information it needs to make informed policy choices  
14 about the efficacy of each tax incentive, the legislative services agency shall conduct a regular review,  
15 analysis, and evaluation of all tax incentives according to a schedule developed by the legislative services  
16 agency.

17 (c) The legislative services agency shall conduct a systematic and comprehensive review, analysis, and  
18 evaluation of each tax incentive scheduled for review. The review, analysis, and evaluation must include  
19 information about each tax incentive that is necessary to achieve the goals described in subsection (b),  
20 which may include any of the following:

21 (1) The basic attributes and policy goals of the tax incentive, including the statutory and  
22 programmatic goals of the tax incentive, the economic parameters of the tax incentive, the original  
23 scope and purpose of the tax incentive, and how the scope or purpose has changed over time.

24 (2) The tax incentive's equity, simplicity, competitiveness, public purpose, adequacy, and extent of  
25 conformance with the original purposes of the legislation enacting the tax incentive.

26 (3) The types of activities on which the tax incentive is based and how effective the tax incentive  
27 has been in promoting these targeted activities and in assisting recipients of the tax incentive.

28 (4) The count of the following:

29 (A) Applicants for the tax incentive.

30 (B) Applicants that qualify for the tax incentive.

31 (C) Qualified applicants that, if applicable, are approved to receive the tax incentive.

32 (D) Taxpayers that actually claim the tax incentive.

33 (E) Taxpayers that actually receive the tax incentive.

34 (5) The dollar amount of the tax incentive benefits that has been actually claimed by all taxpayers  
35 over time, including the following:

36 (A) The dollar amount of the tax incentive, listed by the North American Industrial Classification  
37 System (NAICS) Code associated with the tax incentive recipients, if an NAICS Code is  
38 available.

39 (B) The dollar amount of income tax credits that can be carried forward for the next five (5) state  
40 fiscal years.

41 (6) An estimate of the economic impact of the tax incentive, including the following:

42 (A) A return on investment calculation for the tax incentive. For purposes of this clause, "return  
43 on investment calculation" means analyzing the cost to the state or political subdivision of  
44 providing the tax incentive, analyzing the benefits realized by the state or political subdivision  
45 from providing the tax incentive.

46 (B) A cost-benefit comparison of the state and local revenue foregone and property taxes shifted  
47 to other taxpayers as a result of allowing the tax incentive, compared to tax revenue generated

by the taxpayer receiving the incentive, including direct taxes applied to the taxpayer and taxes applied to the taxpayer's employees.

(C) An estimate of the number of jobs that were the direct result of the tax incentive.

(D) For any tax incentive that is reviewed or approved by the Indiana economic development corporation, a statement by the chief executive officer of the Indiana economic development corporation as to whether the statutory and programmatic goals of the tax incentive are being met, with obstacles to these goals identified, if possible.

(7) The methodology and assumptions used in carrying out the reviews, analyses, and evaluations required under this subsection.

(8) The estimated cost to the state to administer the tax incentive.

(9) An estimate of the extent to which benefits of the tax incentive remained in Indiana or flowed outside Indiana.

(10) Whether the effectiveness of the tax incentive could be determined more definitively if the general assembly were to clarify or modify the tax incentive's goals and intended purpose.

(11) Whether measuring the economic impact is significantly limited due to data constraints and whether any changes in statute would facilitate data collection in a way that would allow for better review, analysis, or evaluation.

(12) An estimate of the indirect economic benefit or activity stimulated by the tax incentive.

(13) Any additional review, analysis, or evaluation that the legislative services agency considers advisable, including comparisons with tax incentives offered by other states if those comparisons would add value to the review, analysis, and evaluation.

The legislative services agency may request a state or local official or a state agency, a political subdivision, a body corporate and politic, or a county or municipal redevelopment commission to furnish information necessary to complete the tax incentive review, analysis, and evaluation required by this section. An official or entity presented with a request from the legislative services agency under this subsection shall cooperate with the legislative services agency in providing the requested information. An official or entity may require that the legislative services agency adhere to the provider's rules, if any, that concern the confidential nature of the information.

(d) The legislative services agency shall, before October 1 of each year, submit a report to the legislative council, in an electronic format under IC 5-14-6, and to the interim study committee on fiscal policy established by IC 2-5-1.3-4 containing the results of the legislative services agency's review, analysis, and evaluation. ~~The report must include at least the following:~~

~~(1) A detailed description of the review, analysis, and evaluation for each tax incentive reviewed;~~

~~(2) Information to be used by the general assembly to determine whether a reviewed tax incentive should be continued, modified, or terminated; the basis for the recommendation; and the expected impact of the recommendation on the state's economy;~~

~~(3) Information to be used by the general assembly to better align a reviewed tax incentive with the original intent of the legislation that enacted the tax incentive;~~

The report required by this subsection must not disclose any proprietary or otherwise confidential taxpayer information.

(e) The interim study committee on fiscal policy shall do the following:

(1) Hold at least one (1) public hearing after September 30 and before November 1 of each year at which:

(A) the legislative services agency presents the review, analysis, and evaluation of tax incentives; and

(B) the interim study committee receives information concerning tax incentives.

(2) Submit to the legislative council, in an electronic format under IC 5-14-6, any recommendations

made by the interim study committee that are related to the legislative services agency's review, analysis, and evaluation of tax incentives prepared under this section.

(f) The general assembly shall use the legislative services agency's report under this section and the interim study committee on fiscal policy's recommendations under this section to determine whether a particular tax incentive:

(1) is successful;

(2) is provided at a cost that can be accommodated by the state's biennial budget; and

(3) should be continued, amended, or repealed.

(g) The legislative services agency shall establish and maintain a system for making available to the public information about the amount and effectiveness of tax incentives.

(h) The legislative services agency shall develop and publish on the general assembly's website a multi-year schedule that lists all tax incentives and indicates the year when the report will be published for each tax incentive reviewed. The legislative services agency may revise the schedule as long as ~~the legislative services agency provides for a systematic review, analysis, and evaluation of all tax incentives and that each tax incentive is reviewed at least once. every seven (7) years.~~

(i) This section expires December 31, ~~2025.~~ **2030.**

SECTION 36. IC 4-8.1-2-7, AS AMENDED BY P.L.9-2024, SECTION 57, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 7. (a) Except as otherwise specified in this section, the treasurer of state may not pay any money out of the state treasury except upon warrant of the state comptroller **or upon check drawn against a financial institution** based on an approved claim.

(b) The treasurer of state may transfer money invested or on deposit in a public depository to any deposit account in the same or a different public depository. A transfer between deposit accounts may be made by warrant, check, or electronic funds transfer.

(c) If a political subdivision (as defined in IC 36-1-2-13) elects to receive distributions from the state or if a state employee elects to have wages deposited directly in a financial institution under IC 4-15-5.9-2 by means of an electronic transfer of funds, the treasurer of state shall have the funds transferred electronically.

(d) Notwithstanding any other law, if:

(1) a vendor or claimant requests that one (1) or more payments be made by means of an electronic funds transfer; and

(2) the state comptroller and the treasurer of state agree that payment by electronic funds transfer is advantageous to the state;

the state comptroller may elect to authorize an electronic funds transfer method of payment. If authorized by the state comptroller, the treasurer of state may pay money from the state treasury by electronic funds transfer.

(e) With regard to electronic funds transfer, a record of each transfer authorization shall be made by the treasurer of state immediately following the authorization and shall be made in a form which conforms to accounting systems approved by the state board of accounts.

(f) As used in this section, "electronic funds transfer" means any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, that is initiated through an electronic terminal, telephone, or computer or magnetic tape for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account.

27 SECTION 39. IC 4-13-2-1.5, AS AMENDED BY P.L.85-2017, SECTION 6, IS AMENDED TO  
28 READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 1.5. (a) Notwithstanding section 1 of this

35 and politic.

36 SECTION 40. IC 4-13-2-18, AS AMENDED BY P.L.9-2024, SECTION 89, IS AMENDED TO  
37 READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 18. (a) For the purpose of the administration  
38 of the allotment system provided by this section, each fiscal year shall be divided into four (4) quarterly  
39 allotment periods, beginning respectively on the first day of July, October, January, and April. In any case  
40 where the quarterly allotment period is impracticable, the budget director may prescribe a different period  
41 suited to the circumstances but not extending beyond the end of any fiscal year.

42 (b) Except as otherwise expressly provided in this section, the provisions of this chapter relating to the  
43 allotment system and to the encumbering of funds shall apply to appropriations and funds of all kinds,  
44 including standing or annual appropriations and dedicated funds, from which expenditures are to be made  
45 from time to time by or under the authority of any state agency. The provisions relating to the allotment  
46 system shall not apply to money made available for the purpose of conducting a post-audit of financial  
47 transactions of any state agency. Likewise, appropriations for construction or for the acquisition of real

1 estate for public purposes may be exempted from the allotment system by the budget director. The budget  
2 director shall prescribe regulations as will ensure the proper application and encumbering of those funds.

3 (c) No appropriation to any state agency shall become available for expenditure until:

4 (1) the state agency shall have submitted to the budget agency a request for allotment, the request  
5 for allotment to consist of an estimate of the amount required for each activity and each purpose for  
6 which money is to be expended during the applicable allotment period; and

7 (2) the estimate contained in the request for allotment shall have been approved, increased, or  
8 decreased by the budget director and funds allotted as provided.

9 The form of a request for allotment, including a request by hand, mail, facsimile transmission, or other  
10 electronic transmission, shall be prescribed by the budget agency with the approval of the state  
11 comptroller and shall be submitted to them at least twenty-five (25) days prior to the beginning of the  
12 allotment period.

13 (d) **Subject to subsection (k)**, each request for allotment shall be reviewed by the budget agency and  
14 respective amounts shall be allotted for expenditure if:

15 (1) the estimate is within the terms of the appropriation as to amount and purpose, having due regard  
16 for the probable future needs of the state agency for the remainder of the fiscal year or other term  
17 for which the appropriation was made; and

18 (2) the agency contemplates expenditure of the allotment during the period.

19 Otherwise the budget agency shall modify the estimate to conform with the terms of the appropriation and  
20 the prospective needs of the state agency, and shall reduce the amount to be allotted accordingly. The  
21 budget agency shall act promptly upon all requests for allotment and shall notify every state agency of  
22 its allotments at least five (5) days before the beginning of each allotment period. The total amount  
23 allotted to any agency for the fiscal year or other term for which the appropriation was made shall not  
24 exceed the amount appropriated for the year or term.

25 (e) The budget director shall also have authority at any time to modify or amend any allotment  
26 previously made by the budget director.

27 (f) In case the budget director shall discover at any time that:

28 (1) the probable receipts from taxes or other sources for any fund will be less than were anticipated;  
29 and

30 (2) as a consequence the amount available for the remainder of the term of the appropriation or for  
31 any allotment period will be less than the amount estimated or allotted;

32 the budget director shall, with the approval of the governor, and after notice to the state agency or  
33 agencies concerned, reduce the amount or amounts allotted or to be allotted to prevent a deficit.

34 (g) The budget agency shall promptly transmit records of all allotments and modifications to the state  
35 comptroller.

36 (h) The state comptroller shall maintain as a part of the central accounting system for the state, as  
37 provided, records showing at all times, by funds, accounts, and other pertinent classifications, the amounts  
38 appropriated, the estimated revenues, the actual revenues or receipts; the amounts allotted and available  
39 for expenditure, the total expenditures, the unliquidated obligations, actual balances on hand, and the  
40 unencumbered balances of the allotments for each state agency.

41 (i) No payment shall be made from any fund, allotment, or appropriation unless the state comptroller  
42 shall first certify that there is a sufficient unencumbered balance in the fund, allotment, or appropriation,  
43 after taking into consideration all previous expenditures to meet the same. In the case of an obligation to  
44 be paid from federal funds, a notice of a federal grant award shall be considered an appropriation against  
45 which obligations may be incurred, funds may be allotted, and encumbrances may be made.

46 (j) Every expenditure or obligation authorized or incurred in violation of the provisions of this chapter  
47 shall be void. Every payment made in violation of the provisions of this chapter shall be illegal, and every

1 official authorizing or making a void payment, or taking part in a void payment, and every person

(28) Add an amount equal to the remainder of:

(A) the amount allowable as a deduction under Section 274(n) of the Internal Revenue Code; minus

17 otherwise determined under this section minus the amount in clause (B).

18 (D) Any reallocation of modifications between taxable years under clauses (B) and (C) shall be  
19 first allocated to the modification under subdivision (15), then to the modification under  
20 subdivision (17).

21 (30) Add an amount equal to the amount excluded from federal gross income under Section  
22 108(f)(5) of the Internal Revenue Code. For purposes of this subdivision:

23 (A) if an amount excluded under Section 108(f)(5) of the Internal Revenue Code would be

25 108(a)(1)(B) of the Internal Revenue Code shall take precedence; and

26 (B) if an amount would have been excludible under Section 108(f)(5) of the Internal Revenue

34 (B) included in the taxpayer's taxable income under the Internal Revenue Code.

35 (7) Add an amount equal to any income not included in gross income as a result of the deferral of  
36 income arising from business indebtedness discharged in connection with the reacquisition after  
37 December 31, 2008, and before January 1, 2011, of an applicable debt instrument, as provided in  
38 Section 108(i) of the Internal Revenue Code. Subtract from the adjusted gross income of any  
39 taxpayer that added an amount to adjusted gross income in a previous year the amount necessary to  
40 offset the amount included in federal gross income as a result of the deferral of income arising from  
41 business indebtedness discharged in connection with the reacquisition after December 31, 2008, and  
42 before January 1, 2011, of an applicable debt instrument, as provided in Section 108(i) of the  
43 Internal Revenue Code.

44 (8) Add the amount excluded from federal gross income under Section 103 of the Internal Revenue  
45 Code for interest received on an obligation of a state other than Indiana, or a political subdivision  
46 of such a state, that is acquired by the taxpayer after December 31, 2011. For purposes of this  
47 subdivision:

- (A) if the taxpayer receives interest from a pass through entity, a regulated investment company, a hedge fund, or similar arrangement, the taxpayer will be considered to have acquired the obligation on the date the entity acquired the obligation;
- (B) if ownership of the obligation occurs by means other than a purchase, the date of acquisition of the obligation shall be the date ownership of the obligation was transferred, except to the extent provided in clause (A), and if a portion of the obligation is acquired on multiple dates, the date of acquisition shall be considered separately for each portion of the obligation; and
- (C) if ownership of the obligation occurred as the result of a refinancing of another obligation, the acquisition date shall be the date on which the obligation was refinanced.
- (9) For taxable years beginning after December 25, 2016, add an amount equal to:
- (A) the amount reported by the taxpayer on IRC 965 Transition Tax Statement, line 1;
- (B) if the taxpayer deducted an amount under Section 965(c) of the Internal Revenue Code in determining the taxpayer's taxable income for purposes of the federal income tax, the amount deducted under Section 965(c) of the Internal Revenue Code; and
- (C) with regard to any amounts of income under Section 965 of the Internal Revenue Code distributed by the taxpayer, the deduction under Section 965(c) of the Internal Revenue Code attributable to such distributed amounts and not reported to the beneficiary.
- For purposes of this article, the amount required to be added back under clause (B) is not considered to be distributed or distributable to a beneficiary of the estate or trust for purposes of Sections 651 and 661 of the Internal Revenue Code.
- (10) Subtract any interest expense paid or accrued in the current taxable year but not deducted as a result of the limitation imposed under Section 163(j)(1) of the Internal Revenue Code. Add any interest expense paid or accrued in a previous taxable year but allowed as a deduction under Section 163 of the Internal Revenue Code in the current taxable year. For purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under Section 163 of the Internal Revenue Code if the limitation under Section 163(j)(1) of the Internal Revenue Code did not exist.
- (11) Add an amount equal to the deduction for qualified business income that was claimed by the taxpayer for the taxable year under Section 199A of the Internal Revenue Code.
- (12) Subtract the amount that would have been excluded from gross income but for the enactment of Section 118(b)(2) of the Internal Revenue Code for taxable years ending after December 22, 2017.
- (13) Add an amount equal to the remainder of:
- (A) the amount allowable as a deduction under Section 274(n) of the Internal Revenue Code; minus
- (B) the amount otherwise allowable as a deduction under Section 274(n) of the Internal Revenue Code, if Section 274(n)(2)(D) of the Internal Revenue Code was not in effect for amounts paid or incurred after December 31, 2020.
- (14) For taxable years beginning after December 31, 2017, and before January 1, 2021, add an amount equal to the excess business loss of the taxpayer as defined in Section 461(l)(3) of the Internal Revenue Code. In addition:
- (A) If a taxpayer has an excess business loss under this subdivision and also has modifications under subdivisions (3) and (5) for property placed in service during the taxable year, the taxpayer shall treat a portion of the taxable year modifications for that property as occurring in the taxable year the property is placed in service and a portion of the modifications as occurring in the immediately following taxable year.
- (B) The portion of the modifications under subdivisions (3) and (5) for property placed in service during the taxable year treated as occurring in the taxable year in which the property is placed

1 in service equals:  
2 (i) the modification for the property otherwise determined under this section; minus  
3 (ii) the excess business loss disallowed under this subdivision;  
4 but not less than zero (0).  
5 (C) The portion of the modifications under subdivisions (3) and (5) for property placed in service  
6 during the taxable year treated as occurring in the taxable year immediately following the taxable  
7 year in which the property is placed in service equals the modification for the property otherwise  
8 determined under this section minus the amount in clause (B).  
9 (D) Any reallocation of modifications between taxable years under clauses (B) and (C) shall be  
10 first allocated to the modification under subdivision (3), then to the modification under  
11 subdivision (5).  
12 (15) For taxable years ending after March 12, 2020, subtract an amount equal to the deduction  
13 disallowed pursuant to:  
14 (A) Section 2301(e) of the CARES Act (Public Law 116-136), as modified by Sections 206 and  
15 207 of the Taxpayer Certainty and Disaster Relief Tax Act (Division EE of Public Law 116-260);  
16 and  
17 (B) Section 3134(e) of the Internal Revenue Code.  
18 (16) For taxable years beginning after December 31, 2022, subtract an amount equal to the  
19 deduction disallowed under Section 280C(h) of the Internal Revenue Code.  
20 (17) Except as provided in subsection (c), for taxable years beginning after December 31, 2022, add  
21 an amount equal to any deduction or deductions allowed or allowable in determining taxable income  
22 under Section 641(b) of the Internal Revenue Code for taxes based on or measured by income and  
23 levied at the state level by any state of the United States.  
24 (18) For taxable years beginning after December 31, 2021, add or subtract amounts related to  
25 specified research or experimental procedures as required under IC 6-3-2-29.  
26 (19) Add or subtract any other amounts the taxpayer is:  
27 (A) required to add or subtract; or  
28 (B) entitled to deduct;  
29 under IC 6-3-2.  
30 (g) For purposes of IC 6-3-2.1, IC 6-3-4-12, IC 6-3-4-13, and IC 6-3-4-15 for taxable years beginning  
31 after December 31, 2022, "adjusted gross income" of a pass through entity means the items of ordinary  
32 income and loss in the case of a partnership or a corporation described in IC 6-3-2-2.8(2), or distributions  
33 subject to tax for state and federal income tax for beneficiaries in the case of a trust or estate, whichever  
34 is applicable, for the taxable year modified as follows:  
35 (1) Add the separately stated items of income and gains, or the equivalent items that must be  
36 considered separately by a beneficiary, as determined for federal purposes, attributed to the partners,  
37 shareholders, or beneficiaries of the pass through entity, determined without regard to whether the  
38 owner is permitted to exclude all or part of the income or gain or deduct any amount against the  
39 income or gain.  
40 (2) Subtract the separately stated items of deductions or losses or items that must be considered  
41 separately by beneficiaries, as determined for federal purposes, attributed to partners, shareholders,  
42 or beneficiaries of the pass through entity and that are deductible by an individual in determining  
43 adjusted gross income as defined under Section 62 of the Internal Revenue Code:  
44 (A) limited as if the partners, shareholders, and beneficiaries deducted the maximum allowable  
45 loss or deduction allowable for the taxable year prior to any amount deductible from the pass  
46 through entity; but  
47 (B) not considering any disallowance of deductions resulting from federal basis limitations for

the partner, shareholder, or beneficiary.

(3) Add or subtract any modifications to adjusted gross income that would be required both for individuals under subsection (a) and corporations under subsection (b) to the extent otherwise provided in those subsections, including amounts that are allowable for which such modifications are necessary to account for separately stated items in subdivision (1) or (2).

(h) Subsections (a)(36), (b)(22), (d)(20), (e)(20), or (f)(19) may not be construed to require an add back or allow a deduction or exemption more than once for a particular add back, deduction, or exemption.

(i) For taxable years beginning after December 25, 2016, if:

- (1) a taxpayer is a shareholder, either directly or indirectly, in a corporation that is an E&P deficit foreign corporation as defined in Section 965(b)(3)(B) of the Internal Revenue Code, and the earnings and profit deficit, or a portion of the earnings and profit deficit, of the E&P deficit foreign corporation is permitted to reduce the federal adjusted gross income or federal taxable income of the taxpayer, the deficit, or the portion of the deficit, shall also reduce the amount taxable under this section to the extent permitted under the Internal Revenue Code, however, in no case shall this permit a reduction in the amount taxable under Section 965 of the Internal Revenue Code for purposes of this section to be less than zero (0); and
- (2) the Internal Revenue Service issues guidance that such an income or deduction is not reported directly on a federal tax return or is to be reported in a manner different than specified in this section, this section shall be construed as if federal adjusted gross income or federal taxable income included the income or deduction.

(j) If a partner is required to include an item of income, a deduction, or another tax attribute in the partner's adjusted gross income tax return pursuant to IC 6-3-4.5, such item shall be considered to be includible in the partner's federal adjusted gross income or federal taxable income, regardless of whether such item is actually required to be reported by the partner for federal income tax purposes. For purposes of this subsection:

- (1) items for which a valid election is made under IC 6-3-4.5-6, IC 6-3-4.5-8, or IC 6-3-4.5-9 shall not be required to be included in the partner's adjusted gross income or taxable income; and
- (2) items for which the partnership did not make an election under IC 6-3-4.5-6, IC 6-3-4.5-8, or IC 6-3-4.5-9, but for which the partnership is required to remit tax pursuant to IC 6-3-4.5-18, shall be included in the partner's adjusted gross income or taxable income.

(k) The following apply for purposes of this section:

- (1) For purposes of subsections (b) and (f), if a taxpayer is an organization that has more than one (1) trade or business subject to the provisions of Section 512(a)(6) of the Internal Revenue Code, the following rules apply for taxable years beginning after December 31, 2017:
  - (A) If a trade or business has federal unrelated business taxable income of zero (0) or greater for a taxable year, the unrelated business taxable income and modifications required under this section shall be combined in determining the adjusted gross income of the taxpayer and shall not be treated as being subject to the provisions of Section 512(a)(6) of the Internal Revenue Code if one (1) or more trades or businesses have negative Indiana adjusted gross income after adjustments.
  - (B) If a trade or business has federal unrelated business taxable income of less than zero (0) for a taxable year, the taxpayer shall apply the modifications under this section for the taxable year against the net operating loss in the manner required under IC 6-3-2-2.5 and IC 6-3-2-2.6 for separately stated net operating losses. However, if the application of modifications required under IC 6-3-2-2.5 or IC 6-3-2-2.6 results in the separately stated net operating loss for the trade or business being zero (0), the modifications that increase adjusted gross income under this section

1 and remain after the calculations to adjust the separately stated net operating loss to zero (0) that  
2 result from the trade or business must be treated as modifications to which clause (A) applies for  
3 the taxable year.

4 (C) If a trade or business otherwise described in Section 512(a)(6) of the Internal Revenue Code  
5 incurred a net operating loss for a taxable year beginning after December 31, 2017, and before  
6 January 1, 2021, and the net operating loss was carried back for federal tax purposes:

7 (i) if the loss was carried back to a taxable year for which the requirements under Section  
8 512(a)(6) of the Internal Revenue Code did not apply, the portion of the loss and modifications  
9 attributable to the loss shall be treated as adjusted gross income of the taxpayer for the first  
10 taxable year of the taxpayer beginning after December 31, 2022, and shall be treated as part  
11 of the adjusted gross income attributable to clause (A), unless, and to the extent, the loss and  
12 modifications were applied to adjusted gross income for a previous taxable year, as determined  
13 under this article; and

14 (ii) if the loss was carried back to a taxable year for which the requirements under Section  
15 512(a)(6) of the Internal Revenue Code applied, the portion of the loss and modifications  
16 attributable to the loss shall be treated as adjusted gross income of the taxpayer for the first  
17 taxable year of the taxpayer beginning after December 31, 2022, and for purposes of this  
18 clause, the inclusion of losses and modifications shall be in the same manner as provided in  
19 clause (B), unless, and to the extent, the loss and modifications were applied to adjusted gross  
20 income for a previous taxable year, as determined under this article.

21 (D) Notwithstanding any provision in this subdivision, if a taxpayer computed its adjusted gross  
22 income for a taxable year beginning before January 1, 2023, based on a reasonable interpretation  
23 of this article, the taxpayer shall be permitted to compute its adjusted gross income for those  
24 taxable years based on that interpretation. However, a taxpayer must continue to report any tax  
25 attributes for taxable years beginning after December 31, 2022, in a manner consistent with its  
26 previous interpretation.

27 (2) In the case of a corporation, other than a captive real estate investment trust, for which the  
28 adjusted gross income under this article is determined after a deduction for dividends paid under the  
29 Internal Revenue Code, the modifications required under this section shall be applied in ratio to the  
30 corporation's taxable income (as defined in Section 63 of the Internal Revenue Code) after  
31 deductions for dividends paid under the Internal Revenue Code compared to the corporation's  
32 taxable income (as defined in Section 63 of the Internal Revenue Code) before the deduction for  
33 dividends paid under the Internal Revenue Code.

34 (3) In the case of a trust or estate, the trust or estate is required to include only the portion of the  
35 modifications not passed through to beneficiaries.

36 (4) In the case of a taxpayer for which modifications are required to be applied against a separately  
37 stated net operating loss under IC 6-3-2-2.5 or IC 6-3-2-2.6, the modifications required under this  
38 section must be adjusted to reflect the required application of the modifications against a separately  
39 stated net operating loss, in order to avoid the application of a particular modification multiple times.

40 SECTION 50. IC 6-3-5-5, AS ADDED BY P.L.135-2022, SECTION 6, IS AMENDED TO READ AS  
41 FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 5. (a) If the Indiana economic  
42 development corporation established by IC 5-28-3-1 enters into an agreement with a taxpayer for an  
43 economic development for a growing economy tax credit under IC 6-3.1-13, and the taxpayer elects to  
44 forgo claiming the credit against any state tax liability for that taxable year and requests the department  
45 to remit to the taxpayer an amount equal to the credit for the taxable year as set forth under  
46 IC 6-3.1-13-20(b), the provisions of this section shall apply.

47 (b) Before making a payment to a taxpayer under this section, the taxpayer shall provide to the

1 department:

2 (1) a copy of the taxpayer's agreement with the Indiana economic development corporation;

3 (2) the credit awarded to the taxpayer for that taxable year; and

4 (3) any other information required by the department.

5 (c) A payment by the department cannot exceed the actual incremental income tax withholdings  
6 collected by the department as a result of the employment of new employees subject to an agreement  
7 entered into under IC 6-3.1-13.

8 (d) In the case of a credit awarded under IC 6-3.1-13 to a taxpayer that is a pass through entity, the:

9 (1) pass through entity has the authority to make the election with regard to the credit;

10 (2) shareholders, partners, members, and beneficiaries of the pass through entity may not make an  
11 election separate from the pass through entity with regard to the credit;

12 (3) pass through entity is entitled to the payment allowable under this section; and

13 (4) pass through entity may not pass through any portion of the credit for which the pass through  
14 entity requests payment as a tax credit to the shareholders, partners, members, or beneficiaries of  
15 the pass through entity.

16 (e) If a payment under this section is included in the federal adjusted gross income of an individual  
17 or the federal taxable income of any other entity, the payment must be treated as:

18 (1) adjusted gross income from Indiana sources under this article and IC 6-5.5;

19 (2) business income for purposes of this article; and

20 (3) a receipt from Indiana sources for apportionment purposes under IC 6-3-2 and IC 6-5.5-4.

21 (f) For purposes of offsetting refunds and overpayments, a payment under this section is treated as an  
22 overpayment of tax under this article and IC 6-5.5 for purposes of IC 6-8.1-9-2, IC 6-8.1-9.5, and  
23 IC 6-8.1-9.7.

24 (g) A payment under this section is subject to IC 6-3.1-13-22 in the same manner as if the payment had  
25 been claimed as a credit.

26 (h) If all or a portion of a payment under this section is determined to have been made in error or is  
27 subject to assessment under IC 6-3.1-13-22, the department may issue an assessment for repayment of  
28 such amount before the later of:

29 (1) ten (10) years from the date of the payment; or

30 (2) three (3) years from the date the Indiana economic development corporation notifies the  
31 department of the taxpayer's noncompliance pursuant to IC 6-3.1-13-22.

32 (i) An assessment for repayment shall be treated as a proposed assessment for purposes of  
33 administrative review and judicial appeal under IC 6-8.1-5. However, review of the Indiana economic  
34 development corporation's determination of noncompliance shall be limited to an abuse of discretion by  
35 the Indiana economic development corporation.

36 (j) For purposes of this section, an election for payment in lieu of claiming the credit under IC 6-3.1-13  
37 for a taxable year is not allowed if:

38 (1) the taxpayer has claimed all or part of the credit for the taxable year;

39 (2) in the case of a taxpayer who is a pass through entity, the taxpayer passes through all or part of  
40 the credit as a tax credit, regardless of whether the pass through entity subsequently provides  
41 information to the department, the Indiana economic development corporation, or any other affected  
42 person or entity, that the credit should not be passed through as a tax credit or whether the credit  
43 otherwise has been claimed as a tax credit; or

44 (3) the taxpayer makes the election after the due date of the taxpayer's return under IC 6-3, IC 6-5.5,  
45 IC 6-8-15, or IC 27-1-18-2, determined without regard to extensions, on which it would have  
46 claimed the credit for which the taxpayer is requesting payment under this section.

47 (k) The amount needed to make a payment under this section shall be paid from funds appropriated

1 to the Indiana economic development corporation for business promotion and innovation. ~~or from the~~  
2 ~~statewide innovation development district fund established by IC 36-7-32.5-20.~~ Payments made under  
3 this section are subject to available funding.

4 SECTION 51. IC 6-3.1-13-20, AS AMENDED BY P.L.135-2022, SECTION 9, IS AMENDED TO  
5 READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 20. (a) Except as  
6 provided in subsection (b), a taxpayer claiming a credit under this chapter must claim the credit on the  
7 taxpayer's annual state tax return or returns in the manner prescribed by the department of state revenue.  
8 The taxpayer shall submit to the department of state revenue all information that the department  
9 determines necessary for the calculation of the credit provided by this chapter and the determination of  
10 whether the credit was properly claimed.

11 (b) Notwithstanding subsection (a), if a taxpayer is entitled to a credit under this chapter, the taxpayer  
12 may, with the approval of the corporation, elect to forgo claiming the credit against any state tax liability  
13 and submit the credit to the department with a request to receive a payment from the corporation, to be  
14 paid from funds appropriated to the corporation for business promotion and innovation ~~or from the~~  
15 ~~statewide innovation development district fund established by IC 36-7-32.5-20;~~ that is equal to the credit  
16 for that taxable year as provided in IC 6-3-5-5.

17 SECTION 52. IC 6-3.1-33.5 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO  
18 READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]:

19 **Chapter 33.5. Rural Fund Capital Investment Tax Credit**

20 **Sec. 1. The state tax credit provided by this chapter applies to taxable years beginning after**

24 (1) "Affiliate" means an entity that directly, or indirectly through one (1) or more  
25 intermediaries, controls, or is controlled by, or is under the common control with, another  
26 entity. An entity is controlled by another entity if the controlling entity holds, directly or

28 over day-to-day operations of the controlled entity by contract or by law.

29 (2) "Applicable percentage" means zero percent (0%) for the first two (2) credit allowance

32 (A) is acquired after June 30, 2025, at its original issuance solely in exchange for cash;

33 (B) has one hundred percent (100%) of its cash purchase price used by the rural fund to  
34 make qualified investments in eligible businesses located in Indiana by the third  
35 anniversary of the initial credit allowance date; and

36 (C) is designated by the rural fund as a capital investment that is certified by the  
37 corporation under sections 3 through 5 of this chapter, including any capital investment

41 IC 5-28-3-1.

3 Any business classified as an eligible business at the time of the initial investment in the  
4 business by a rural fund shall remain classified as an eligible business and may receive  
5 follow-on investments from any rural fund. The follow-on investments shall be qualified  
6 investments even though the business may not meet the definition of an "eligible business" at  
7 the time of the follow-on investment.

8 (8) "Principal business operations" means the location where at least sixty percent (60%) of  
9 a business's employees work or where employees who are paid at least sixty percent (60%) of  
10 the business's payroll work. A business that has agreed to relocate employees using the  
11 proceeds of a qualified investment to establish its principal business operations in a new  
12 location shall be deemed to have its principal business operations in the new location if it  
13 satisfied the requirements of this subdivision not later than one hundred eighty (180) days  
14 after receiving a qualified investment.

15 (9) "Purchase price" means the amount paid to the rural fund that issues a capital investment,

19 eligible business with a stated maturity date of at least one (1) year after the date of issuance,  
20 excluding revolving lines of credit and senior-secured debt unless the chief executive or similar  
21 officer of the eligible business certifies that the eligible business sought and was denied similar  
22 financing from a depository institution or by a rural fund unless, with respect to any one (1)  
23 eligible business, the maximum amount of investments made in the business by one (1) or more

27 exclusive of investments made with repaid or redeemed investments or interest or profits  
28 realized on those investments.

29 (11) "Rural area" means:

30 (A) an area other than a municipality with a population of more than fifty thousand  
31 (50,000) or an urban area contiguous and adjacent to the municipality;

44 (B) IC 27-1-20-12 (the insurance premiums retaliatory tax);

45 as computed after the application of the credits that under IC 6-3.1-1-2 are to be applied  
46 before the credit provided by this chapter. An insurance company claiming a credit against  
47 the taxes listed in this subdivision is not required to pay any additional retaliatory tax in

1 Indiana as a result of claiming the credit.

2 (16) "Taxpayer" means an entity that has state tax liability.

3 Sec. 3. (a) A rural fund that seeks to have an equity investment certified as a capital investment  
4 eligible for a credit allowed under this chapter must apply to the corporation. The corporation shall

6 (b) The application must include each of the following:

7 (1) The amount of capital investment requested.

8 (2) A copy of the applicant's or an affiliate of the applicant's license as a rural business  
9 investment company under 7 U.S.C. 2009cc or as a small business investment company under  
10 15 U.S.C. 681 and a certificate executed by an executive officer of the applicant attesting that  
11 the license remains in effect and has not been revoked.

12 (3) Evidence that, as of the date the application is submitted, the applicant or affiliates of the  
13 applicant have invested at least one hundred million dollars (\$100,000,000) in nonpublic  
14 companies located in counties within the United States with a population of less than  
15 seventy-five thousand (75,000) according to the 2020 federal decennial census. The evidence  
16 may be in the form of a list containing the names of the companies, the location of the  
17 companies, and the amounts invested by the applicant or affiliates of the applicant. However,  
18 an officer of the applicant must certify the list.

19 (4) A business plan that includes a revenue impact assessment projecting state and local tax  
20 revenue to be generated by the applicant's proposed qualified investments, prepared by a  
21 nationally recognized, third party, independent economic forecasting firm using a dynamic  
22 economic forecasting model that analyzes the applicant's business plan over the ten (10) years  
23 following the date the application is submitted to the corporation. The plan must include an  
24 estimate of the number of jobs created and jobs retained in Indiana as a result of the  
25 applicant's qualified investments.

26 (5) A nonrefundable application fee of five thousand dollars (\$5,000) payable to the  
27 corporation.

28 Sec. 4. (a) Within thirty (30) days after the receipt of a completed application, the corporation  
29 shall grant or deny the application in full or in part. The corporation shall deny the application if  
30 any of the following apply:

31 (1) The applicant does not satisfy all the criteria set forth in section 3 of this chapter.

32 (2) The revenue impact assessment submitted with the application does not demonstrate that  
33 the applicant's business plan will result in a positive fiscal impact on Indiana over a ten (10)  
34 year period that exceeds the cumulative amount of credits that would be issued to the applicant  
35 if the application were approved.

36 (3) The corporation has already approved the maximum amount of capital investment  
37 authority allowed under section 6 of this chapter.

38 (b) If the corporation denies any part of the application, it shall inform the applicant of the  
39 grounds for the denial. If the applicant provides any additional information required by the  
40 corporation or otherwise completes its application within fifteen (15) days of the notice of denial,  
41 the application shall be considered complete as of the original date of submission. If the applicant  
42 fails to provide the information or fails to complete its application within the fifteen (15) day period,  
43 the application shall remain denied and must be resubmitted with a new submission date and a new  
44 application fee.

45 Sec. 5. (a) Upon approval of an application, the corporation shall provide a certification of the  
46 proposed equity investment as a capital investment eligible for credits under this chapter, subject  
47 to the limitations set forth in section 6 of this chapter. The corporation shall provide written notice

1 of the certification to the applicant, which must include the amount of the applicant's capital  
2 investment authority and a schedule of credits by year and amount related to the capital investment  
3 authority.

4 (b) The corporation shall certify proposed capital investments in the order that the applications  
5 are received by the corporation. Applications received on the same day shall be deemed to have  
6 been received simultaneously. For applications that are complete and received on the same day, the  
7 corporation shall certify applications in proportionate percentages based upon the ratio of the  
8 amount of capital investment authority requested in all applications.

9 Sec. 6. (a) The corporation may not certify capital investment authority under this chapter in  
10 an amount that exceeds fifteen million dollars (\$15,000,000) in credits to be claimed against state  
11 tax liability in any calendar year, excluding any credit amounts carried forward under section 7 of  
12 this chapter.

13 (b) Within ninety (90) days of the applicant receiving notice of certification, the rural fund shall  
14 issue the capital investment to and receive cash in the amount of the certified amount from a rural  
15 investor. At least ten percent (10%) of the rural investor's capital investment shall be composed of  
16 capital raised by the rural investor directly or indirectly from sources including directors,  
17 members, employees, officers, and affiliates of the rural investor, other than the amount invested  
18 by the allocatee claiming the credits in exchange for the allocation of credits. The rural fund shall  
19 provide the corporation with evidence of the receipt of the cash investment within ninety-five (95)  
20 days of the applicant receiving notice of certification.

21 (c) If the rural fund does not receive the cash investment and issue the capital investment within  
22 the time period following receipt of the certification set forth in section 5(a) of this chapter, the  
23 certification shall lapse and the rural fund shall not issue the capital investment without reapplying  
24 to the corporation for certification. Lapsed certifications shall revert to the corporation and shall  
25 be reissued on a pro rata basis to applicants whose capital investment allocations were reduced in  
26 accordance with the application process set forth in section 5 of this chapter.

27 Sec. 7. (a) Upon making a capital investment in a rural fund, a rural investor is entitled to a  
28 vested credit against the taxpayer's state tax liability that may be used on each credit allowance  
29 date of the capital investment in an amount equal to:

30 (1) the applicable percentage for the credit allowance date; multiplied by

31 (2) the purchase price paid to the rural fund for the capital investment.

32 (b) The amount of the credit claimed by a taxpayer shall not exceed the amount of the taxpayer's  
33 state tax liability for the tax year for which the credit is claimed. Any amount of credit that a  
34 taxpayer is prohibited from claiming in a tax year as a result of this section may be carried forward  
35 for use in any of the five (5) subsequent tax years.

36 (c) The credit shall not be carried back and is not refundable.

37 Sec. 8. No credit claimed under this chapter shall be refundable or saleable on the open market.  
38 Credits may be transferred to affiliates of a taxpayer. Credits earned by or allocated to a  
39 partnership, limited liability company, or S corporation may be allocated to the partners, members,  
40 or shareholders of such an entity for their use in accordance with the provisions of any agreement  
41 among such partners, members, or shareholders, and a rural fund shall notify the department of  
42 taxpayers that are eligible to utilize credits and transfers upon such allocation, change, or transfer.  
43 Such allocations shall not be considered a sale for the purpose of this section.

44 Sec. 9. To apply a credit under this chapter against the taxpayer's state tax liability, a taxpayer  
45 must claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed  
46 by the department. The taxpayer must attach the certification provided by the corporation in  
47 accordance with section 5(a) of this chapter and any additional information that the department

determines is necessary for the department to determine whether the taxpayer is eligible for the credit.

**Sec. 10. (a) A credit is subject to recapture if any of the following circumstances apply:**

**(1) The rural fund does not invest:**

**(A) at least sixty percent (60%) of its capital investment authority in qualified investments in Indiana within two (2) years of the credit allowance date; and**

**(B) one hundred percent (100%) of its capital investment authority in qualified investments in Indiana within three (3) years of the credit allowance date.**

**(2) The rural fund fails to maintain qualified investments equal to one hundred percent (100%) of its capital investment authority from the third anniversary until the sixth anniversary of the credit allowance date. For purposes of this subdivision, a qualified investment is considered maintained even if the qualified investment was sold or repaid as long as the rural fund reinvests an amount equal to the capital returned or recovered or repaid by the rural fund from the original investment, exclusive of any profits realized, in other qualified investments in Indiana within twelve (12) months of receipt of the capital. Amounts received periodically by a rural fund shall be treated as maintained in qualified investments if the amounts are reinvested in one (1) or more qualified investments by the end of the following calendar year. A rural fund is not required to reinvest capital returned from qualified investments after the fifth anniversary of the credit allowance date, and the qualified investments shall be considered maintained by the rural fund through the sixth anniversary of the credit allowance date.**

**(3) Before the earlier of:**

**(A) exiting the program in accordance with this chapter; or**

**(B) thirty (30) days after the sixth anniversary of the credit allowance date;**

**the rural fund makes a distribution or payment that results in the rural fund having less than one hundred percent (100%) of its capital investment authority invested in qualified investments in Indiana or held in cash or other marketable securities.**

**(4) The rural fund violates section 11 of this chapter, in which case the corporation may recapture an amount equal to the amount of the rural fund's capital investment authority found to be in violation of those provisions.**

**(b) Recaptured credits and related capital investment authority shall revert to the corporation and shall be reissued on a pro rata basis to applicants whose capital investment allocations were reduced in accordance with sections 3 through 5 of this chapter.**

**(c) No recapture shall occur until the rural fund has been given notice of noncompliance and afforded six (6) months from the date of the notice to cure the noncompliance.**

**(d) A rural fund, before making a qualified investment, may request from the corporation a written opinion as to whether the business in which it proposes to invest is an eligible business. The corporation, not later than fifteen (15) business days after the date of receipt of the request, shall notify the rural fund of its determination. If the corporation fails to notify the rural fund of its determination by the twentieth business day, the business in which the rural fund proposes to invest shall be deemed an eligible business.**

**Sec. 11. No eligible business that receives a qualified investment under this chapter or any affiliates of the eligible business shall directly or indirectly:**

**(1) own or have the right to acquire an ownership interest in a rural fund or in a member or affiliate of a rural fund including, but not limited to, a holder of a capital investment issued by a rural fund; or**

**(2) lend to or invest in a rural fund or any member or affiliate of a rural fund including, but**

not limited to, a holder of capital investment issued by a rural fund, where the proceeds of the loan or investment are directly or indirectly used to fund or refinance the purchase of capital investments under this chapter.

Sec. 12. (a) A rural fund shall submit a report to the corporation by June 30 of each calendar year during the credit allowance period.

(b) The report following the second anniversary of the initial credit allowance date shall provide documentation as to the investment of at least sixty percent (60%) of the purchase price of such capital investment in qualified investments.

(c) The report following the third anniversary of the initial credit allowance date shall provide documentation as to the investment of one hundred percent (100%) of the purchase price of such capital investment in qualified investments. Unless previously reported under this section, the report must also include the following information:

(1) The name and location of each eligible business receiving a qualified investment.

(2) Bank statements of the rural fund evidencing each qualified investment.

(3) A copy of the written opinion of the corporation, as provided in section 10(d) of this chapter, or evidence that the business was an eligible business at the time of the qualified investment, as applicable.

(4) The number of jobs created and jobs retained as a result of each qualified investment.

(5) The average salary of the jobs described in subdivision (4).

(6) Any other information required by the corporation.

(d) For all subsequent years, a rural fund shall submit an annual report to the corporation by June 30 of each calendar year during the credit allowance period, which must include the following information:

(1) The number of jobs created and jobs retained as a result of qualified investments.

(2) The average annual salary of jobs described in subdivision (1).

(3) Any other information required by the corporation.

Sec. 13. On or after the sixth anniversary of the credit allowance date, a rural fund may apply to the corporation to exit the program and no longer be subject to the requirements established under this chapter. The corporation shall respond to the exit application within fifteen (15) days of receipt. In evaluating the exit application, the fact that no credits have been recaptured and that the rural fund has not received a notice of recapture that has not been cured as allowed under section 10(c) of this chapter shall be sufficient evidence to prove that the rural fund is eligible for exit. The corporation shall not unreasonably deny an exit application submitted under this section. If an exit application is denied, the notice shall include the reasons for the determination.

4 the chronological order in which the claims are filed in the state fiscal year.

4 reduction equals the amount of the excess.

5       ~~(n)~~ (o) The amount of the reduction described in subsection ~~(m)~~ (n) for a particular recipient is equal  
6 to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of

8 this section. The denominator of the fraction is the total amount that would be distributed as credential  
9 completion grants to all recipients if a reduction were not made under this section.

10       SECTION 80. IC 20-43-10-3.5, AS AMENDED BY P.L.93-2024, SECTION 147, IS AMENDED TO  
11 READ AS FOLLOWS [EFFECTIVE JUNE 29, 2025]: Sec. 3.5. (a) As used in this section, "school"  
12 means a school corporation, charter school, and a virtual charter school.

13       (b) Subject to the requirements of this section, a school qualifies for a teacher appreciation grant as  
14 provided in this section for a state fiscal year if one (1) or more licensed teachers:

15           (1) employed in the classroom by the school; or

16           (2) directly providing virtual education;

17 were rated as effective or as highly effective, using the most recently completed teacher ratings.

18       (c) A school may not receive a teacher appreciation grant under this section unless:

19           (1) the school has in the state fiscal year in which the teacher appreciation grants are made under  
20 this section:

21               (A) adopted an annual policy concerning the distribution of teacher appreciation grants; and

22               (B) submitted the policy to the department for approval; and

23           (2) the department has approved the policy.

24 The department shall specify the date by which a policy described in subdivision (1) must be submitted  
25 to the department.

26       (d) The amount of a teacher appreciation grant for a qualifying school corporation or virtual charter  
27 school is equal to:

28           (1) thirty-seven dollars and fifty-cents (\$37.50); multiplied by

29           (2) the school's current ADM.

30 However, the grant amount for a virtual charter school may not exceed the statewide average grant  
31 amount.

32       (e) The following apply to the distribution of teacher appreciation grants:

33           (1) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
34 exceeds the amount appropriated by the general assembly for teacher appreciation grants for that  
35 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools shall be  
36 proportionately reduced so that the total reduction equals the amount of the excess. The amount of  
37 the reduction for a particular school is equal to the total amount of the excess multiplied by a  
38 fraction. The numerator of the fraction is the amount of the teacher appreciation grant that the school  
39 would have received if a reduction were not made under this section. The denominator of the  
40 fraction is the total amount that would be distributed as teacher appreciation grants to all schools if  
41 a reduction were not made under this section.

42           (2) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
43 is less than the amount appropriated by the general assembly for teacher appreciation grants for that  
44 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools for that  
45 particular state fiscal year shall be proportionately increased so that the total amount to be  
46 distributed equals the amount of the appropriation for that particular state fiscal year.

47       (f) The annual teacher appreciation grant to which a school is entitled for a state fiscal year shall be

distributed to the school before December 5 of that state fiscal year.

(g) The following apply to a school's policy under subsection (c) concerning the distribution of teacher appreciation grants:

(1) The governing body shall differentiate between a teacher rated as a highly effective teacher and a teacher rated as an effective teacher. The policy must provide that the amount of a stipend awarded to a teacher rated as a highly effective teacher must be at least twenty-five percent (25%) more than the amount of a stipend awarded to a teacher rated as an effective teacher.

(2) The governing body of a school may differentiate between school buildings.

(3) A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. The governing body may provide that an amount not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary is not subject to collective bargaining.

(h) A teacher appreciation grant received by a school shall be allocated among and used only to pay cash stipends to all licensed teachers employed in the classroom who are rated as effective or as highly effective and employed by the school as of December 1.
