- 7 (ii) The estimated increase to the political subdivision's debt
- 8 service levy and rate that will result if the political
- 9 subdivision issues the bonds or enters into the lease.
- 10 (iii) The estimated amount of the political subdivision's debt
- 11 service levy and rate that will result during the following ten
- 12 (10) years if the political subdivision issues the bonds or
- 13 enters into the lease, after also considering any changes that
- 14 will occur to the debt service levy and rate during that
- 15 period on account of any outstanding bonds or lease
- 16 obligations that will mature or terminate during that period.
- 17 (I) The information specified in subdivision (1)(A) through
- 18 (1)(B).
- 19 (4) After notice is given, a petition requesting the application of
- 20 a petition and remonstrance process may be filed by the lesser of:
- 21 (A) five hundred (500) persons who are either owners of
- 22 property within the political subdivision or registered voters
- 23 residing within the political subdivision; or
- 24 (B) five percent (5%) of the registered voters residing within
- 25 the political subdivision.
- 26 (5) The state board of accounts shall design and, upon request by
- 27 the county voter registration office, deliver to the county voter
- 28 registration office or the county voter registration office's
- 29 designated printer the petition forms to be used solely in the
- 30 petition process described in this section. The county voter
- 31 registration office shall issue to an owner or owners of property
- 32 within the political subdivision or a registered voter residing
- 33 within the political subdivision the number of petition forms
- 34 requested by the owner or owners or the registered voter. Each
- 35 form must be accompanied by instructions detailing the
- 36 requirements that:
- 37 (A) the carrier and signers must be owners of property or
- 38 registered voters;
- 39 (B) the carrier must be a signatory on at least one (1) petition;
- 40 (C) after the signatures have been collected, the carrier must
- 41 swear or affirm before a notary public that the carrier
- 42 witnessed each signature; and

- 1 (D) govern the closing date for the petition period.
 2 Persons requesting forms may be required to identify themselves
 3 as owners of property or registered voters and may be allowed to
 4 pick up additional copies to distribute to other owners of property
 5 or registered voters. Each person signing a petition must indicate
 6 whether the person is signing the petition as a registered voter
 7 within the political subdivision or is signing the petition as the
 8 owner of property within the political subdivision. A person who
 9 signs a petition as a registered voter must indicate the address at
 10 which the person is registered to vote. A person who signs a
 11 petition as an owner of property must indicate the address of the
 12 property owned by the person in the political subdivision.
- 13 (6) Each petition must be verified under oath by at least one (1)
 14 qualified petitioner in a manner prescribed by the state board of
 15 accounts before the petition is filed with the county voter
 16 registration office under subdivision (7).
- 17 (7) Each petition must be filed with the county voter registration
 18 office not more than thirty (30) days after publication under
 19 subdivision (2) of the notice of the preliminary determination.
- 20 (8) The county voter registration office shall determine whether
 21 each person who signed the petition is a registered voter.
 22 However, after the county voter registration office has determined
 23 that at least five hundred twenty-five (525) persons who signed
 24 the petition are registered voters within the political subdivision,
 25 the county voter registration office is not required to verify
 26 whether the remaining persons who signed the petition are
 27 registered voters. If the county voter registration office does not
 28 determine that at least five hundred twenty-five (525) persons
 29 who signed the petition are registered voters, the county voter
 30 registration office shall, not more than fifteen (15) business days
 31 after receiving a petition, forward a copy of the petition to the
 32 county auditor. Not more than ten (10) business days after
 33 receiving the copy of the petition, the county auditor shall provide
 34 to the county voter registration office a statement verifying:
- 35 (A) whether a person who signed the petition as a registered
 36 voter but is not a registered voter, as determined by the county
 37 voter registration office, is the owner of property in the
 38 political subdivision; and
- 39 (B) whether a person who signed the petition as an owner of
 40 property within the political subdivision does in fact own
 41 property within the political subdivision.
- 42 (9) The county voter registration office, not more than ten (10)

1 business days after determining that at least five hundred
2 twenty-five (525) persons who signed the petition are registered
3 voters or receiving the statement from the county auditor under
4 subdivision (8), as applicable, shall make the final determination
5 of the number of petitioners that are registered voters in the
6 political subdivision and, based on the statement provided by the
7 county auditor, the number of petitioners that own property within
8 the political subdivision. Whenever the name of an individual
9 who signs a petition form as a registered voter contains a minor
10 variation from the name of the registered voter as set forth in the
11 records of the county voter registration office, the signature is
12 presumed to be valid, and there is a presumption that the
13 individual is entitled to sign the petition under this section. Except
14 as otherwise provided in this chapter, in determining whether an
15 individual is a registered voter, the county voter registration office
16 shall apply the requirements and procedures used under IC 3 to
17 determine whether a person is a registered voter for purposes of
18 voting in an election governed by IC 3. However, an individual is
19 not required to comply with the provisions concerning providing
20 proof of identification to be considered a registered voter for
21 purposes of this chapter. A person is entitled to sign a petition
22 only one (1) time in a particular petition and remonstrance
23 process under this chapter, regardless of whether the person owns
24 more than one (1) parcel of real property, mobile home assessed
25 as personal property, or manufactured home assessed as personal
26 property, or a combination of those types of property within the
27 subdivision and regardless of whether the person is both a
28 registered voter in the political subdivision and the owner of
29 property within the political subdivision. Notwithstanding any
30 other provision of this section, if a petition is presented to the
31 county voter registration office within forty-five (45) days before
32 an election, the county voter registration office may defer acting
33 on the petition, and the time requirements under this section for
34 action by the county voter registration office do not begin to run
35 until five (5) days after the date of the election.

36 (10) The county voter registration office must file a certificate and
37 each petition with:

38 (A) the township trustee, if the political subdivision is a
39 township, who shall present the petition or petitions to the
40 township board; or

41 (B) the body that has the authority to authorize the issuance of
42 the bonds or the execution of a lease, if the political

1 subdivision is not a township;
2 within thirty-five (35) business days of the filing of the petition
3 requesting a petition and remonstrance process. The certificate
4 must state the number of petitioners that are owners of property
5 within the political subdivision and the number of petitioners who
6 are registered voters residing within the political subdivision.
7 If a sufficient petition requesting a petition and remonstrance process
8 is not filed by owners of property or registered voters as set forth in this
9 section, the political subdivision may issue bonds or enter into a lease
10 by following the provisions of law relating to the bonds to be issued or
11 lease to be entered into.

12 (c) A political subdivision may not divide a controlled project in
13 order to avoid the requirements of this section and section 3.2 of this
14 chapter. A person that owns property within a political subdivision or
15 a person that is a registered voter residing within a political subdivision
16 may file a petition with the department of local government finance
17 objecting that the political subdivision has divided a controlled project
18 in order to avoid the requirements of this section and section 3.2 of this
19 chapter. The petition must be filed not more than ten (10) days after the
20 political subdivision gives notice of the political subdivision's decision
21 to issue bonds or enter into leases for a capital project that the person
22 believes is the result of a division of a controlled project that is
23 prohibited by this subsection. If the department of local government
24 finance receives a petition under this subsection, the department shall
25 not later than thirty (30) days after receiving the petition make a final
26 determination on the issue of whether the political subdivision divided
27 a controlled project in order to avoid the requirements of this section
28 and section 3.2 of this chapter. If the department of local government
29 finance determines that a political subdivision divided a controlled
30 project in order to avoid the requirements of this section and section
31 3.2 of this chapter and the political subdivision continues to desire to
32 proceed with the project, the political subdivision shall fulfill the
33 requirements of this section and section 3.2 of this chapter, if
34 applicable, regardless of the cost of the project in dispute. A political
35 subdivision shall be considered to have divided a capital project in
36 order to avoid the requirements of this section and section 3.2 of this
37 chapter if the result of one (1) or more of the subprojects cannot
38 reasonably be considered an independently desirable end in itself
39 without reference to another capital project. This subsection does not
40 prohibit a political subdivision from undertaking a series of capital
41 projects in which the result of each capital project can reasonably be
42 considered an independently desirable end in itself without reference

1 to another capital project.

2 SECTION 5. IC 6-1.1-20-3.2, AS AMENDED BY P.L.246-2017,
 3 SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 4 JULY 1, 2026]: Sec. 3.2. (a) Subject to section 3.5(a)(1)(C) of this
 5 chapter, this section applies only to controlled projects described in
 6 section 3.1(a) of this chapter.

7 (b) If a sufficient petition requesting the application of a petition and
 8 remonstrance process has been filed as set forth in section 3.1 of this
 9 chapter, a political subdivision may not impose property taxes to pay
 10 debt service on bonds or lease rentals on a lease for a controlled project
 11 without completing the following procedures:

12 (1) The proper officers of the political subdivision shall give
 13 notice of the applicability of the petition and remonstrance
 14 process by:

15 (A) publication in accordance with IC 5-3-1; and
 16 (B) first class mail to the circuit court clerk. ~~and to the~~
 17 ~~organizations described in section 3.1(b)(1) of this chapter.~~

18 A notice under this subdivision must include a statement that any
 19 owners of property within the political subdivision or registered
 20 voters residing within the political subdivision who want to
 21 petition in favor of or remonstrate against the proposed debt
 22 service or lease payments must file petitions and remonstrances
 23 in compliance with subdivisions (2) through (4) not earlier than
 24 thirty (30) days or later than sixty (60) days after publication in
 25 accordance with IC 5-3-1.

26 (2) Not earlier than thirty (30) days or later than sixty (60) days
 27 after the notice under subdivision (1) is given:

28 (A) petitions (described in subdivision (3)) in favor of the
 29 bonds or lease; and
 30 (B) remonstrances (described in subdivision (3)) against the
 31 bonds or lease;

32 may be filed by an owner or owners of property within the
 33 political subdivision or a registered voter residing within the
 34 political subdivision. Each signature on a petition must be dated,
 35 and the date of signature may not be before the date on which the
 36 petition and remonstrance forms may be issued under subdivision
 37 (3). A petition described in clause (A) or a remonstrance
 38 described in clause (B) must be verified in compliance with
 39 subdivision (4) before the petition or remonstrance is filed with
 40 the county voter registration office under subdivision (4).

41 (3) The state board of accounts shall design and, upon request by
 42 the county voter registration office, deliver to the county voter

1 registration office or the county voter registration office's
 2 designated printer the petition and remonstrance forms to be used
 3 solely in the petition and remonstrance process described in this
 4 section. The county voter registration office shall issue to an
 5 owner or owners of property within the political subdivision or a
 6 registered voter residing within the political subdivision the
 7 number of petition or remonstrance forms requested by the owner
 8 or owners or the registered voter. Each form must be
 9 accompanied by instructions detailing the requirements that:

10 (A) the carrier and signers must be owners of property or
 11 registered voters;

12 (B) the carrier must be a signatory on at least one (1) petition;

13 (C) after the signatures have been collected, the carrier must
 14 swear or affirm before a notary public that the carrier
 15 witnessed each signature;

16 (D) govern the closing date for the petition and remonstrance
 17 period; and

18 (E) apply to the carrier under section 10 of this chapter.

19 Persons requesting forms may be required to identify themselves
 20 as owners of property or registered voters and may be allowed to
 21 pick up additional copies to distribute to other owners of property
 22 or registered voters. Each person signing a petition or
 23 remonstrance must indicate whether the person is signing the
 24 petition or remonstrance as a registered voter within the political
 25 subdivision or is signing the petition or remonstrance as the
 26 owner of property within the political subdivision. A person who
 27 signs a petition or remonstrance as a registered voter must
 28 indicate the address at which the person is registered to vote. A
 29 person who signs a petition or remonstrance as an owner of
 30 property must indicate the address of the property owned by the
 31 person in the political subdivision. The county voter registration
 32 office may not issue a petition or remonstrance form earlier than
 33 twenty-nine (29) days after the notice is given under subdivision
 34 (1). The county voter registration office shall certify the date of
 35 issuance on each petition or remonstrance form that is distributed
 36 under this subdivision.

37 (4) The petitions and remonstrances must be verified in the
 38 manner prescribed by the state board of accounts and filed with
 39 the county voter registration office within the sixty (60) day
 40 period described in subdivision (2) in the manner set forth in
 41 section 3.1 of this chapter relating to requests for a petition and
 42 remonstrance process.

1 (5) The county voter registration office shall determine whether
 2 each person who signed the petition or remonstrance is a
 3 registered voter. The county voter registration office shall not
 4 more than fifteen (15) business days after receiving a petition or
 5 remonstrance forward a copy of the petition or remonstrance to
 6 the county auditor. Not more than ten (10) business days after
 7 receiving the copy of the petition or remonstrance, the county
 8 auditor shall provide to the county voter registration office a
 9 statement verifying:

10 (A) whether a person who signed the petition or remonstrance
 11 as a registered voter but is not a registered voter, as
 12 determined by the county voter registration office, is the owner
 13 of property in the political subdivision; and

14 (B) whether a person who signed the petition or remonstrance
 15 as an owner of property within the political subdivision does
 16 in fact own property within the political subdivision.

17 (6) The county voter registration office shall not more than ten
 18 (10) business days after receiving the statement from the county
 19 auditor under subdivision (5) make the final determination of:

20 (A) the number of registered voters in the political subdivision
 21 that signed a petition and, based on the statement provided by
 22 the county auditor, the number of owners of property within
 23 the political subdivision that signed a petition; and

24 (B) the number of registered voters in the political subdivision
 25 that signed a remonstrance and, based on the statement
 26 provided by the county auditor, the number of owners of
 27 property within the political subdivision that signed a
 28 remonstrance.

29 Whenever the name of an individual who signs a petition or
 30 remonstrance as a registered voter contains a minor variation from
 31 the name of the registered voter as set forth in the records of the
 32 county voter registration office, the signature is presumed to be
 33 valid, and there is a presumption that the individual is entitled to
 34 sign the petition or remonstrance under this section. Except as
 35 otherwise provided in this chapter, in determining whether an
 36 individual is a registered voter, the county voter registration office
 37 shall apply the requirements and procedures used under IC 3 to
 38 determine whether a person is a registered voter for purposes of
 39 voting in an election governed by IC 3. However, an individual is
 40 not required to comply with the provisions concerning providing
 41 proof of identification to be considered a registered voter for
 42 purposes of this chapter. A person is entitled to sign a petition or

1 remonstrance only one (1) time in a particular petition and
2 remonstrance process under this chapter, regardless of whether
3 the person owns more than one (1) parcel of real property, mobile
4 home assessed as personal property, or manufactured home
5 assessed as personal property or a combination of those types of
6 property within the subdivision and regardless of whether the
7 person is both a registered voter in the political subdivision and
8 the owner of property within the political subdivision.
9 Notwithstanding any other provision of this section, if a petition
10 or remonstrance is presented to the county voter registration
11 office within forty-five (45) days before an election, the county
12 voter registration office may defer acting on the petition or
13 remonstrance, and the time requirements under this section for
14 action by the county voter registration office do not begin to run
15 until five (5) days after the date of the election.

16 (7) The county voter registration office must file a certificate and
17 the petition or remonstrance with the body of the political
18 subdivision charged with issuing bonds or entering into leases
19 within thirty-five (35) business days of the filing of a petition or
20 remonstrance under subdivision (4), whichever applies,
21 containing ten thousand (10,000) signatures or less. The county
22 voter registration office may take an additional five (5) days to
23 review and certify the petition or remonstrance for each additional
24 five thousand (5,000) signatures up to a maximum of sixty (60)
25 days. The certificate must state the number of petitioners and
26 remonstrators that are owners of property within the political
27 subdivision and the number of petitioners who are registered
28 voters residing within the political subdivision.

29 (8) If a greater number of persons who are either owners of
30 property within the political subdivision or registered voters
31 residing within the political subdivision sign a remonstrance than
32 the number that signed a petition, the bonds petitioned for may
33 not be issued or the lease petitioned for may not be entered into.
34 The proper officers of the political subdivision may not make a
35 preliminary determination to issue bonds or enter into a lease for
36 the controlled project defeated by the petition and remonstrance
37 process under this section or any other controlled project that is
38 not substantially different within one (1) year after the date of the
39 county voter registration office's certificate under subdivision (7).
40 Withdrawal of a petition carries the same consequences as a
41 defeat of the petition.

42 (9) After a political subdivision has gone through the petition and

1 remonstrance process set forth in this section, the political
2 subdivision is not required to follow any other remonstrance or
3 objection procedures under any other law (including section 5 of
4 this chapter) relating to bonds or leases designed to protect
5 owners of property within the political subdivision from the
6 imposition of property taxes to pay debt service or lease rentals.
7 However, the political subdivision must still receive the approval
8 of the department of local government finance if required by:

9 (A) IC 6-1.1-18.5-8; or

10 (B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

11 SECTION 6. IC 6-1.1-20-4.2, AS ADDED BY P.L.136-2024,
12 SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
13 JULY 1, 2026]: Sec. 4.2. (a) This section applies only if, with respect
14 to a particular controlled project that fulfilled the petition and
15 remonstrance process under sections 3.1 and 3.2 of this chapter, the
16 political subdivision subsequently changes the scope of the controlled
17 project beyond that initially presented.

18 (b) Notwithstanding any other provision in this chapter, if at least
19 ten (10) persons who are either owners of property within the political
20 subdivision or registered voters residing within the political
21 subdivision file a petition with the proper officers of the political
22 subdivision contending that the scope of a controlled project has
23 changed from how it was initially presented, the proper officers of the
24 political subdivision shall hold a public hearing to determine whether
25 any change in scope is significant enough to warrant a new petition and
26 remonstrance process. A petition under this subsection must be filed
27 not later than one (1) year after the controlled project received final
28 approval.

29 (c) Notwithstanding any other provision in this chapter, if it is
30 determined at the hearing described in subsection (b) that the political
31 subdivision has subsequently changed the scope of a controlled project
32 beyond that initially presented as described in subsection (a), the
33 political subdivision must complete the following procedures under this
34 section:

35 (1) The proper officers of the political subdivision shall give
36 notice of the applicability of the petition and remonstrance
37 process by:

38 (A) publication in accordance with IC 5-3-1; and

39 (B) first class mail to the circuit court clerk. ~~and to the~~
40 ~~organizations described in section 3.1(b)(1) of this chapter.~~

41 A notice under this subdivision must include a statement that any
42 owners of property within the political subdivision or registered

1 voters residing within the political subdivision who want to
 2 petition in favor of or remonstrate against the proposed debt
 3 service or lease payments must file petitions and remonstrances
 4 in compliance with subdivisions (2) through (4) not earlier than
 5 thirty (30) days or later than sixty (60) days after publication in
 6 accordance with IC 5-3-1.

7 (2) Not earlier than thirty (30) days or later than sixty (60) days
 8 after the notice under subdivision (1) is given:

9 (A) petitions (described in subdivision (3)) in favor of the
 10 bonds or lease; and

11 (B) remonstrances (described in subdivision (3)) against the
 12 bonds or lease;

13 may be filed by an owner or owners of property within the
 14 political subdivision or a registered voter residing within the
 15 political subdivision. Each signature on a petition must be dated,
 16 and the date of signature may not be before the date on which the
 17 petition and remonstrance forms may be issued under subdivision
 18 (3). A petition described in clause (A) or a remonstrance
 19 described in clause (B) must be verified in compliance with
 20 subdivision (4) before the petition or remonstrance is filed with
 21 the county voter registration office under subdivision (4).

22 (3) The state board of accounts shall design and, upon request by
 23 the county voter registration office, deliver to the county voter
 24 registration office or the county voter registration office's
 25 designated printer the petition and remonstrance forms to be used
 26 solely in the petition and remonstrance process described in this
 27 section. The county voter registration office shall issue to an
 28 owner or owners of property within the political subdivision or a
 29 registered voter residing within the political subdivision the
 30 number of petition or remonstrance forms requested by the owner
 31 or owners or the registered voter. Each form must be
 32 accompanied by instructions detailing the requirements that:

33 (A) the carrier and signers must be owners of property or
 34 registered voters;

35 (B) the carrier must be a signatory on at least one (1) petition;

36 (C) after the signatures have been collected, the carrier must
 37 swear or affirm before a notary public that the carrier
 38 witnessed each signature;

39 (D) govern the closing date for the petition and remonstrance
 40 period; and

41 (E) apply to the carrier under section 10 of this chapter.

42 Persons requesting forms may be required to identify themselves

1 as owners of property or registered voters and may be allowed to
 2 pick up additional copies to distribute to other owners of property
 3 or registered voters. Each person signing a petition or
 4 remonstrance must indicate whether the person is signing the
 5 petition or remonstrance as a registered voter within the political
 6 subdivision or is signing the petition or remonstrance as the
 7 owner of property within the political subdivision. A person who
 8 signs a petition or remonstrance as a registered voter must
 9 indicate the address at which the person is registered to vote. A
 10 person who signs a petition or remonstrance as an owner of
 11 property must indicate the address of the property owned by the
 12 person in the political subdivision. The county voter registration
 13 office may not issue a petition or remonstrance form earlier than
 14 twenty-nine (29) days after the notice is given under subdivision
 15 (1). The county voter registration office shall certify the date of
 16 issuance on each petition or remonstrance form that is distributed
 17 under this subdivision.

18 (4) The petitions and remonstrances must be verified in the
 19 manner prescribed by the state board of accounts and filed with
 20 the county voter registration office within the sixty (60) day
 21 period described in subdivision (2) in the manner set forth in
 22 section 3.1 of this chapter relating to requests for a petition and
 23 remonstrance process.

24 (5) The county voter registration office shall determine whether
 25 each person who signed the petition or remonstrance is a
 26 registered voter. The county voter registration office shall not
 27 more than fifteen (15) business days after receiving a petition or
 28 remonstrance forward a copy of the petition or remonstrance to
 29 the county auditor. Not more than ten (10) business days after
 30 receiving the copy of the petition or remonstrance, the county
 31 auditor shall provide to the county voter registration office a
 32 statement verifying:

33 (A) whether a person who signed the petition or remonstrance
 34 as a registered voter but is not a registered voter, as
 35 determined by the county voter registration office, is the owner
 36 of property in the political subdivision; and

37 (B) whether a person who signed the petition or remonstrance
 38 as an owner of property within the political subdivision does
 39 in fact own property within the political subdivision.

40 (6) The county voter registration office shall not more than ten
 41 (10) business days after receiving the statement from the county
 42 auditor under subdivision (5) make the final determination of:

1 (A) the number of registered voters in the political subdivision
 2 that signed a petition and, based on the statement provided by
 3 the county auditor, the number of owners of property within
 4 the political subdivision that signed a petition; and
 5 (B) the number of registered voters in the political subdivision
 6 that signed a remonstrance and, based on the statement
 7 provided by the county auditor, the number of owners of
 8 property within the political subdivision that signed a
 9 remonstrance.

10 Whenever the name of an individual who signs a petition or
 11 remonstrance as a registered voter contains a minor variation from
 12 the name of the registered voter as set forth in the records of the
 13 county voter registration office, the signature is presumed to be
 14 valid, and there is a presumption that the individual is entitled to
 15 sign the petition or remonstrance under this section. Except as
 16 otherwise provided in this chapter, in determining whether an
 17 individual is a registered voter, the county voter registration office
 18 shall apply the requirements and procedures used under IC 3 to
 19 determine whether a person is a registered voter for purposes of
 20 voting in an election governed by IC 3. However, an individual is
 21 not required to comply with the provisions concerning providing
 22 proof of identification to be considered a registered voter for
 23 purposes of this chapter. A person is entitled to sign a petition or
 24 remonstrance only one (1) time in a particular petition and
 25 remonstrance process under this chapter, regardless of whether
 26 the person owns more than one (1) parcel of real property, mobile
 27 home assessed as personal property, or manufactured home
 28 assessed as personal property or a combination of those types of
 29 property within the subdivision and regardless of whether the
 30 person is both a registered voter in the political subdivision and
 31 the owner of property within the political subdivision.
 32 Notwithstanding any other provision of this section, if a petition
 33 or remonstrance is presented to the county voter registration
 34 office within forty-five (45) days before an election, the county
 35 voter registration office may defer acting on the petition or
 36 remonstrance, and the time requirements under this section for
 37 action by the county voter registration office do not begin to run
 38 until five (5) days after the date of the election.

39 (7) The county voter registration office must file a certificate and
 40 the petition or remonstrance with the body of the political
 41 subdivision within thirty-five (35) business days of the filing of a
 42 petition or remonstrance under subdivision (4), whichever

 3 days to review and certify the petition or remonstrance for each
 4 additional five thousand (5,000) signatures up to a maximum of
 5 sixty (60) days. The certificate must state the number of
 6 petitioners and remonstrators that are owners of property within
 7 the political subdivision and the number of petitioners who are
 8 registered voters residing within the political subdivision.

9 (8) If a greater number of persons who are either owners of
 10 property within the political subdivision or registered voters

 13 not proceed with the changed scope of the controlled project. In
 14 that case, the political subdivision may either:

15 (A) proceed with the controlled project as it was initially
 16 presented; or

17 (B) terminate the controlled project as it was initially
 18 presented and initiate procedures for the controlled project that
 19 reflects the change in scope.

20 Withdrawal of a petition carries the same consequences as a
 21 defeat of the petition.

22 (9) After a political subdivision has gone through the petition and
 23 remonstrance process set forth in this section, the political
 24 subdivision is not required to follow any other remonstrance or
 25 objection procedures under any other law (including section 5 of
 26 this chapter) relating to bonds or leases designed to protect
 27 owners of property within the political subdivision from the
 28 imposition of property taxes to pay debt service or lease rentals.
 29 However, the political subdivision must still receive the approval
 30 of the department of local government finance if required by:

- 30 SECTION 50. IC 20-26-5-10, AS AMENDED BY P.L.9-2024,
 31 SECTION 389, IS AMENDED TO READ AS FOLLOWS
 32 [EFFECTIVE JULY 1, 2026]: Sec. 10. (a) This section applies to a:
- 33 (1) school corporation;
- 34 (2) charter school; or
- 35 (3) nonpublic school that employs one (1) or more employees.
- 36 (b) A school corporation, a charter school, and a nonpublic school
 37 shall adopt a policy concerning criminal history information for
 38 individuals who:
- 39 (1) apply for:
- 40 (A) employment with the school corporation, charter school,
 41 or nonpublic school; or
- 42 (B) employment with an entity with which the school

4 corporation, charter school, or nonpublic school; or
- 5 (3) are employed by an entity that seeks to enter into a contract to
6 provide services to the school corporation, charter school, or
7 nonpublic school;
- 8 if the individuals are likely to have direct, ongoing contact with
9 children within the scope of the individuals' employment.
- 10 (c) Except as provided in subsections (f) and (g), a school
11 corporation, a charter school, and a nonpublic school shall administer
12 a policy adopted under this section uniformly for all individuals to
13 whom the policy applies.
- 14 (d) A policy adopted under this section must require that the school
15 corporation, charter school, or nonpublic school conduct an expanded
16 criminal history check concerning each applicant for employment who
17 is likely to have direct, ongoing contact with children within the scope
18 of the individual's employment before or not later than thirty (30) days
19 after the start date of the applicant's employment by the school
20 corporation, charter school, or nonpublic school. If a vendor providing
21 an expanded criminal history check offers more than one (1) type of
22 expanded criminal history check, the policy shall require that the
23 school corporation, charter school, or nonpublic school evaluate all
24 available types of criminal history checks and determine whether a
25 more comprehensive expanded criminal history check would better
26 protect the students.
- 27 (e) A policy adopted under this section:
- 28 (1) must require that the school corporation, charter school, or
29 nonpublic school conduct an Indiana expanded child protection
30 index check; and
- 31 (2) may require that the school corporation, charter school, or
32 nonpublic school conduct an expanded child protection index
33 check in other states;
- 34 concerning each applicant for employment who is likely to have direct,
35 ongoing contact with children within the scope of the individual's
36 employment. An Indiana expanded child protection index check must
37 be completed before or not later than sixty (60) days after the start date
38 of the applicant's employment by the school corporation, charter
39 school, or nonpublic school.
- 40 (f) A policy adopted under this section must state that the school
41 corporation, charter school, or nonpublic school requires an expanded
42 criminal history check concerning an employee of the school

1 corporation, charter school, or nonpublic school who is likely to have
2 direct, ongoing contact with children within the scope of the
3 employee's employment. The checks must be conducted every five (5)
4 years. A school corporation, charter school, or nonpublic school may
5 adopt a policy to require an employee to obtain an expanded child
6 protection index check every five (5) years.

7 (g) In implementing subsection (f), and subject to subsection (j), a
8 school corporation, charter school, or nonpublic school may update the
9 checks required under subsection (f) for employees who are employed
10 by the school corporation, charter school, or nonpublic school as of
11 July 1, 2017, over a period not to exceed five (5) years by annually
12 conducting updated expanded criminal history checks and expanded
13 child protection index checks for at least one-fifth (1/5) of the number
14 of employees who are employed by the school corporation, charter
15 school, or nonpublic school on July 1, 2017.

16 (h) An applicant or employee may be required to provide a written
17 consent for the school corporation, charter school, or nonpublic school
18 to request an expanded criminal history check and an expanded child
19 protection index check concerning the individual before the

21 nonpublic school. The school corporation, charter school, or nonpublic
22 school may require the individual to provide a set of fingerprints and

29 protection index check is being conducted;

30 to answer questions concerning the individual's expanded criminal
31 history check and expanded child protection index check. The failure
32 to answer honestly questions asked under this subsection is grounds for
33 termination of the employee's employment.

34 (i) An applicant is responsible for all costs associated with obtaining
35 the expanded criminal history check and expanded child protection
36 index check unless the school corporation, charter school, or nonpublic
37 school agrees to pay the costs. A school corporation, charter school, or
38 nonpublic school may agree to pay the costs associated with obtaining
39 an expanded criminal history background check for an employee. An
40 employee of a school corporation, charter school, or nonpublic school
41 may not be required to pay the costs of an expanded child protection
42 index check.

1 (j) An applicant or employee may not be required by a school
 2 corporation, charter school, or nonpublic school to obtain an expanded
 3 criminal history check more than one (1) time during a five (5) year
 4 period. However, a school corporation, charter school, or nonpublic
 5 school may obtain an expanded criminal history check or an expanded
 6 child protection index check at any time if the school corporation,
 7 charter school, or nonpublic school has reason to believe that the

 12 11.2(b) of this chapter or ~~IC 20-28-5-8(c)~~: **IC 20-28-5-8(b)**.

13 (k) As used in this subsection, "offense requiring license revocation"
 14 means an offense listed in ~~IC 20-28-5-8(c)~~: **IC 20-28-5-8(b)**. A policy
 15 adopted under this section must prohibit a school corporation, charter
 16 school, or nonpublic school from:

COMMITTEE REPORT

Mr. President: The Senate Committee on Education and Career Development, to which was referred House Bill No. 1004, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be AMENDED as follows:

Page 5, between lines 13 and 14, begin a new paragraph and insert:

"SECTION 4. IC 6-1.1-20-3.1, AS AMENDED BY P.L.68-2025, SECTION 66, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 3.1. (a) Subject to section 3.5(a)(1)(C) of this chapter, this section applies only to the following:

(1) A controlled project (as defined in section 1.1 of this chapter as in effect June 30, 2008) for which the proper officers of a political subdivision make a preliminary determination in the manner described in subsection (b) before July 1, 2008.

(2) An elementary school building, middle school building, high school building, or other school building for academic instruction that:

(A) is a controlled project;

(B) will be used for any combination of kindergarten through grade 12; and

(C) will not cost more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after

December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one billion dollars (\$1,000,000,000), or ten million dollars (\$10,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one billion dollars (\$1,000,000,000).

(3) Any other controlled project that:

(A) is not a controlled project described in subdivision (1) or (2); and

(B) will not cost the political subdivision more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is twelve million dollars (\$12,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under

IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000), or one million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars (\$100,000,000).

(4) A controlled project funded by debt service if the scope of the project changes from the purpose of the project initially advertised to taxpayers as determined under section 4.2(c) of this chapter.

(5) This subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.

Any other controlled project if both of the following apply:

(A) The political subdivision's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but less than eighty cents (\$0.80) per one hundred dollars (\$100) of assessed value.

(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.

This subdivision expires December 31, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service levy approved by voters.

(6) Any other controlled project if the following apply:

(A) An ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for the project is adopted after June 30, 2025.

(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.

(C) In the case of a:

(i) school corporation, the school corporation's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but not more than seventy cents (\$0.70) per one hundred dollars (\$100) of assessed value;

(ii) city, county, or town, the city's, county's, or town's total

debt service tax rate is more than twenty-five cents (\$0.25) per one hundred dollars (\$100) of assessed value, but not more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; or

(iii) political subdivision not described in item (i) or (ii), the political subdivision's total debt service tax rate is more than five cents (\$0.05) per one hundred dollars (\$100) of assessed value, but not more than ten cents (\$0.10) per one hundred dollars (\$100) of assessed value.

However, this subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk ~~and to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease~~ and shall conduct at least two (2) public hearings on a preliminary determination before adoption of the resolution or ordinance. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the

political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(H).

(2) When the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease for a controlled project, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk. ~~and to the organizations described in subdivision (1).~~

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease for a controlled project must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to initiate a petition and remonstrance process against the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.

(F) With respect to bonds issued or a lease entered into to open:

(i) a new school facility; or

(ii) an existing facility that has not been used for at least three (3) years and that is being reopened to provide additional classroom space;

the estimated costs the school corporation expects to incur annually to operate the facility.

(G) A statement of whether the school corporation expects to appeal for a new facility adjustment (as defined in IC 20-45-1-16 (repealed) before January 1, 2009) for an increased maximum permissible tuition support levy to pay the estimated costs described in clause (F).

(H) The following information:

(i) The political subdivision's current debt service levy and

rate.

(ii) The estimated increase to the political subdivision's debt service levy and rate that will result if the political subdivision issues the bonds or enters into the lease.

(iii) The estimated amount of the political subdivision's debt service levy and rate that will result during the following ten (10) years if the political subdivision issues the bonds or enters into the lease, after also considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period.

(I) The information specified in subdivision (1)(A) through (1)(B).

(4) After notice is given, a petition requesting the application of a petition and remonstrance process may be filed by the lesser of:

(A) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or

(B) five percent (5%) of the registered voters residing within the political subdivision.

(5) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition forms to be used solely in the petition process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition must indicate

whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least five hundred twenty-five (525) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least five hundred twenty-five (525) persons who signed the petition are registered voters, the county voter registration office shall, not more than fifteen (15) business days after receiving a petition, forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) The county voter registration office, not more than ten (10) business days after determining that at least five hundred twenty-five (525) persons who signed the petition are registered voters or receiving the statement from the county auditor under subdivision (8), as applicable, shall make the final determination of the number of petitioners that are registered voters in the

political subdivision and, based on the statement provided by the county auditor, the number of petitioners that own property within the political subdivision. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property, or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who

are registered voters residing within the political subdivision. If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision shall fulfill the requirements of this section and section 3.2 of this chapter, if applicable, regardless of the cost of the project in dispute. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.2 of this chapter if the result of one (1) or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

SECTION 5. IC 6-1.1-20-3.2, AS AMENDED BY P.L.246-2017, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 3.2. (a) Subject to section 3.5(a)(1)(C) of this chapter, this section applies only to controlled projects described in

section 3.1(a) of this chapter.

(b) If a sufficient petition requesting the application of a petition and remonstrance process has been filed as set forth in section 3.1 of this chapter, a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk. ~~and to the organizations described in section 3.1(b)(1) of this chapter.~~

A notice under this subdivision must include a statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county voter registration office under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a

registered voter residing within the political subdivision the number of petition or remonstrance forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

- (A) the carrier and signers must be owners of property or registered voters;
- (B) the carrier must be a signatory on at least one (1) petition;
- (C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;
- (D) govern the closing date for the petition and remonstrance period; and
- (E) apply to the carrier under section 10 of this chapter.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition or remonstrance must indicate whether the person is signing the petition or remonstrance as a registered voter within the political subdivision or is signing the petition or remonstrance as the owner of property within the political subdivision. A person who signs a petition or remonstrance as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition or remonstrance as an owner of property must indicate the address of the property owned by the person in the political subdivision. The county voter registration office may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county voter registration office shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county voter registration office within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county voter registration office shall determine whether each person who signed the petition or remonstrance is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition or remonstrance forward a copy of the petition or remonstrance to

the county auditor. Not more than ten (10) business days after receiving the copy of the petition or remonstrance, the county auditor shall provide to the county voter registration office a statement verifying:

- (A) whether a person who signed the petition or remonstrance as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and
 - (B) whether a person who signed the petition or remonstrance as an owner of property within the political subdivision does in fact own property within the political subdivision.
- (6) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (5) make the final determination of:
- (A) the number of registered voters in the political subdivision that signed a petition and, based on the statement provided by the county auditor, the number of owners of property within the political subdivision that signed a petition; and
 - (B) the number of registered voters in the political subdivision that signed a remonstrance and, based on the statement provided by the county auditor, the number of owners of property within the political subdivision that signed a remonstrance.

Whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition or remonstrance under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition or remonstrance only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of

property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition or remonstrance is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition or remonstrance, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(7) The county voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(8) If a greater number of persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county voter registration office's certificate under subdivision (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

(9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of property within the political subdivision from the

imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance if required by:

- (A) IC 6-1.1-18.5-8; or
- (B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

SECTION 6. IC 6-1.1-20-4.2, AS ADDED BY P.L.136-2024, SECTION 26, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2026]: Sec. 4.2. (a) This section applies only if, with respect to a particular controlled project that fulfilled the petition and remonstrance process under sections 3.1 and 3.2 of this chapter, the political subdivision subsequently changes the scope of the controlled project beyond that initially presented.

(b) Notwithstanding any other provision in this chapter, if at least ten (10) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision file a petition with the proper officers of the political subdivision contending that the scope of a controlled project has changed from how it was initially presented, the proper officers of the political subdivision shall hold a public hearing to determine whether any change in scope is significant enough to warrant a new petition and remonstrance process. A petition under this subsection must be filed not later than one (1) year after the controlled project received final approval.

(c) Notwithstanding any other provision in this chapter, if it is determined at the hearing described in subsection (b) that the political subdivision has subsequently changed the scope of a controlled project beyond that initially presented as described in subsection (a), the political subdivision must complete the following procedures under this section:

(1) The proper officers of the political subdivision shall give notice of the applicability of the petition and remonstrance process by:

- (A) publication in accordance with IC 5-3-1; and
- (B) first class mail to the circuit court clerk. ~~and to the organizations described in section 3.1(b)(1) of this chapter.~~

A notice under this subdivision must include a statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to petition in favor of or remonstrate against the proposed debt service or lease payments must file petitions and remonstrances in compliance with subdivisions (2) through (4) not earlier than thirty (30) days or later than sixty (60) days after publication in

accordance with IC 5-3-1.

(2) Not earlier than thirty (30) days or later than sixty (60) days after the notice under subdivision (1) is given:

(A) petitions (described in subdivision (3)) in favor of the bonds or lease; and

(B) remonstrances (described in subdivision (3)) against the bonds or lease;

may be filed by an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision. Each signature on a petition must be dated, and the date of signature may not be before the date on which the petition and remonstrance forms may be issued under subdivision (3). A petition described in clause (A) or a remonstrance described in clause (B) must be verified in compliance with subdivision (4) before the petition or remonstrance is filed with the county voter registration office under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county voter registration office, deliver to the county voter registration office or the county voter registration office's designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county voter registration office shall issue to an owner or owners of property within the political subdivision or a registered voter residing within the political subdivision the number of petition or remonstrance forms requested by the owner or owners or the registered voter. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of property or registered voters;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;

(D) govern the closing date for the petition and remonstrance period; and

(E) apply to the carrier under section 10 of this chapter.

Persons requesting forms may be required to identify themselves as owners of property or registered voters and may be allowed to pick up additional copies to distribute to other owners of property or registered voters. Each person signing a petition or remonstrance must indicate whether the person is signing the petition or remonstrance as a registered voter within the political

subdivision or is signing the petition or remonstrance as the owner of property within the political subdivision. A person who signs a petition or remonstrance as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition or remonstrance as an owner of property must indicate the address of the property owned by the person in the political subdivision. The county voter registration office may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county voter registration office shall certify the date of issuance on each petition or remonstrance form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county voter registration office within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county voter registration office shall determine whether each person who signed the petition or remonstrance is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition or remonstrance forward a copy of the petition or remonstrance to the county auditor. Not more than ten (10) business days after receiving the copy of the petition or remonstrance, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition or remonstrance as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition or remonstrance as an owner of property within the political subdivision does in fact own property within the political subdivision.

(6) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (5) make the final determination of:

(A) the number of registered voters in the political subdivision that signed a petition and, based on the statement provided by the county auditor, the number of owners of property within the political subdivision that signed a petition; and

(B) the number of registered voters in the political subdivision

that signed a remonstrance and, based on the statement provided by the county auditor, the number of owners of property within the political subdivision that signed a remonstrance.

Whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition or remonstrance under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition or remonstrance only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition or remonstrance is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition or remonstrance, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(7) The county voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision within thirty-five (35) business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of

petitioners and remonstrators that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

(8) If a greater number of persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the political subdivision may not proceed with the changed scope of the controlled project. In that case, the political subdivision may either:

(A) proceed with the controlled project as it was initially presented; or

(B) terminate the controlled project as it was initially presented and initiate procedures for the controlled project that reflects the change in scope.

Withdrawal of a petition carries the same consequences as a defeat of the petition.

(9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance if required by:
