HOUSE BILL No. 2393

By Committee on Federal and State Affairs

2-25

AN ACT concerning schools; relating to GASB accounting standards; relating to accounting systems; relating to the Kansas uniform financial accounting and reporting act; concerning financial publication requirements; authorizing annual compliance audits; providing penalties for noncompliance; amending K.S.A. 75-1120a and K.S.A. 2014 Supp. 72-8254 and repealing the existing sections.

1 2

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) In order to create uniformity among school district accounting systems, prior to July 1, 2016, the state board of education shall issue a request for proposals and shall select one to five accounting systems and one to five payroll systems. Any payroll system selected by the state board of education shall be required to provide Kansas public employee retirement system information and other employee benefit plan information on an individual employee basis including, but not limited to, contributions and expenditures for any defined benefit pension plan, defined contribution plan, and any other postemployment or employee benefit plans.

- (b) The state board of education shall categorize all school districts, based on enrollment size, into small, medium and large districts with each such category containing a relatively equal number of school districts. For school years 2016-2017, 2017-2018 and 2018-2019, the state board of education shall identify $^{1}/_{3}$ of such small districts, $^{1}/_{3}$ of such medium districts and $^{1}/_{3}$ of such large districts as school districts that shall implement and use one of the selected accounting systems and one of the selected payroll systems, such that every school district in this state shall have implemented and be using one of the selected accounting systems and one of the selected payroll systems on or before July 1, 2018.
- (c) The state board of education shall adopt rules and regulations necessary to carry out the provisions of this section.
- Sec. 2. K.S.A. 2014 Supp. 72-8254 is hereby amended to read as follows: 72-8254. (a) This section shall be known and may be cited as the Kansas uniform financial accounting and reporting act.
 - (b) As used in this section:
- (1) "Budget summary" means a one-page summary of the official budget adopted by the board of education of the school district, and shall

include, but is not limited to, graphs depicting the total expenditures in the budget by category, supplemental and general fund expenditures, instruction expenditures, enrollment figures, mill rates by fund and average salaries. For purposes of this section, a one-page budget at a glance format developed by the state board, and any successor format shall be deemed a budget summary, provided it complies with the requirements of this section.

- (2) "Reporting system" means the uniform reporting system, including a uniform chart of accounts, developed by the state board as required by this section.
- (3) "School district" means a unified school district organized and operated under the laws of this state.
 - (4) "State board" means the state board of education.
- (c) The state board shall develop and maintain a uniform reporting system for the receipts and expenditures of school districts. The accounting records maintained by each school district shall be coordinated with the uniform reporting system. Each school district shall record the receipts and expenditures of the district in accordance with a uniform classification of accounts or chart of accounts and reports as shall be prescribed by the state board. Each school district shall submit such reports and statements as may be required by the state board. The state board shall design, revise and direct the use of accounting records and fiscal procedures and prescribe uniform classifications for receipts and expenditures for all school districts. The reporting system shall include all funds held by a school district regardless of the source of the moneys held in such funds, including, but not limited to, all funds funded by fees or other sources of revenue not derived from tax levies. The state board shall prescribe the necessary forms to be used by school districts in connection with such uniform reporting system.
- (d) The reporting system developed by the state board shall be developed in such a manner that allows school districts to record and report any information required by state or federal law.
- (e) The reporting system shall provide records showing by funds, accounts and other pertinent classifications, the amounts appropriated, the estimated revenues, actual revenues or receipts, the amounts available for expenditure, the total and itemized expenditures, the unencumbered cash balances, excluding state aid receivable, actual balances on hand and the unencumbered balances of allotments or appropriations for each school district.
- (f) The reporting system shall allow a person to search the data and allow for the comparison of data by school district.
- (g) Each school district shall annually submit a report to the state board on all construction activity undertaken by the school district which

was financed by the issuance of bonds and which such bonds have not matured. Such report shall include all revenue receipts, all expenditures of bond proceeds authorized by law, the dates for commencement and completion of such construction activity, the estimated cost and the actual cost of such construction activity. The information provided in the report shall be in a form so as to readily identify such information with a specific construction project. Such report shall be submitted in a form and manner prescribed by the state board in accordance with the provisions of this section

- (h) From and after July 1, 2012, the board of education of each school district shall record and report the receipts and expenditures of the district in the manner prescribed by the state board in accordance with this section.
- (i) (1) On or before October 1 of each year, each school district shall annually publish on such district's internet website:
- (A) A copy of form 150, estimated legal maximum general fund budget, or any successor document containing the same or similar information, that was submitted by such district to the state board of education for the immediately preceding school year; and
- (B) the budget summary for the current school year and actual expenditures for the immediately preceding two school years showing total dollars net of transfers and dollars per pupil for each of the following:
 - (i) Function 1000, instruction;
 - (ii) function 2100, student support;
 - (iii) function 2200, instructional staff support;
 - (iv) functions 2300 through 2500, administration;
 - (v) function 2600, operation and maintenance:
 - (vi) function 2700, transportation;
- 28 (vii) function 3100, food service;
 - (viii) functions 2900, 3200 and 3300, other current spending;
- 30 (ix) function 4000, capital outlay:
 - (x) function 5100, debt service;
 - (xi) the total expenditures which is the sum of the amounts in clauses(i) through (x);
 - (xii) the spending allocated to function 1000, instruction, excluding capital outlay and debt service expenditures, as a percentage of total expenditures;
 - (xiii) the spending allocated to function 1000, instruction, excluding capital outlay and debt service expenditures, as a percentage of current spending, which is the sum of expenditures for functions 1000 through 3300 less capital outlay and debt service expenditures included in any of those functions; and
- 42 (xiv) the revenue in total dollars net of transfers both in total and 43 disaggregated to show the amount of revenue received from local, state

and federal revenue sources:

- (C) the salary, pay rate, supplemental contracts and the contributions and expenditures for any defined benefit pension plan, defined contribution plan, and any other postemployment or employee benefit plan for each individual employee of the school district;
- (D) expenditures and revenue generated for each extracurricular sport offered by the school district including, but not limited to, all salaries and supplemental contracts of coaches, assistants and staff, facilities maintenance costs and any other costs associated with the extracurricular sport;
- (E) expenditures and revenue generated for each extracurricular activity or club offered by the school district including, but not limited to, all salaries and supplemental contracts of employees associated with the extracurricular activity or club and any other costs associated with the activity or club; and
- (F) the number of buildings and facilities that the school district occupies; whether such buildings and facilities are owned or leased; and the expenditures incurred by the school district to operate each individual building and facility including, but not limited to, the individual staffing costs associated with each building and facility, cost of utilities, maintenance and all payments that are being made on each building and facility.
- (2) For purposes of subsection (i)(1)(B), all per pupil amounts shall be calculated using the full-time equivalent enrollment of the school district. All function categories and other accounting categories shall refer to those same categories as established and required for financial accounting purposes by the state board as published in the Kansas state department of education's Kansas accounting handbook for unified school districts, as published in August 2012, or later versions as established in rules and regulations adopted by the state board.
- (3) Publications required by this subsection shall be published with an easily identifiable link located on such district's website homepage.
- (4) Publications required by this subsection shall be made available to the public at every meeting held by the board of education of each school district when the board is discussing the district's budget or any other school finance matter.
- (j) (1) The department of education shall annually publish on its internet website:
 - (A) All of the publications required under subsection (i); and
- (B) the following expenditures for each school district on a per pupil basis:
 - (i) Total expenditures;
 - (ii) capital outlay expenditures;

 (iii) bond and interest expenditures; and

- (iv) all other expenditures not included in *subparagraphs* (ii) or (iii).
- (2) Publications required by this subsection shall be published with an easily identifiable link located on the department's website homepage.
- (k) (1) Beginning July 1, 2015, every school district shall conduct an annual compliance audit to determine whether the school district complies with the requirements of this section. School district compliance audits shall be conducted as part of and supplemental to the audits conducted pursuant to K.S.A. 75-1122, and amendments thereto.
- (2) Upon completion of each compliance audit, the school district shall publish a summary of its audit report with recommendations, if any, on an easily identifiable link on the district's internet website. Such summary shall contain a notice that the complete audit report may be obtained or viewed free of charge at the school district office. A copy of each such audit shall be submitted to the state board.
- (l) (1) The department of education shall receive and investigate any written complaints received by the department alleging a school district is not in compliance with the provisions of this section. Upon completion of the investigation, the department shall report any findings and conclusions to the state board and the original complainant. If the department finds that a school district is not in compliance with the provisions of this section, or if a compliance audit conducted pursuant to subsection (k) finds that a school district is in noncompliance, the state board shall notify such school district in writing of the noncompliance.
- (2) A school district that receives written notice of noncompliance from the state board shall have 30 days from the date of the receipt of such notice to cure the noncompliance and submit evidence of the subsequent compliance to the state board.
- (3) If such school district does not submit evidence of subsequent compliance within 30 days, the state board shall impose a civil penalty of \$1,000 for each day the school district remains in noncompliance with this section and each day the school district fails to provide evidence of compliance shall be counted as a day of noncompliance for purposes of calculating the civil penalty amount. Any civil penalties received by the state board shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state general fund. The state board shall adopt rules and regulations to implement and enforce the provisions of this subsection on or before July 1, 2016.
- Sec. 3. K.S.A. 75-1120a is hereby amended to read as follows: 75-1120a. (a) Except as otherwise provided in this section, the governing body of each municipality, as defined in K.S.A. 75-1117, and amendments

thereto, shall utilize accounting procedures and fiscal procedures in the preparation of financial statements and financial reports that conform to generally accepted accounting principles as promulgated by the governmental accounting standards board (GASB) and the American institute of certified public accountants and adopted by rules and regulations of the director of accounts and reports.

- (b) The governing body of any municipality, which has aggregate annual gross receipts of less than \$275,000 and which does not operate a utility, shall not be required to maintain fixed asset records.
- (c) (1) The director of accounts and reports shall waive the requirements of subsection (a) upon request therefor by the governing body of any municipality. The waiver shall be granted to the extent requested by the governing body. Prior to requesting-the such waiver provided for in this subsection, the governing body, by resolution, annually shall make a finding that financial statements and financial reports prepared in conformity with the requirements of subsection (a) are not relevant to the requirements of the cash-basis and budget laws of this state and are of no significant value to the governing body or members of the general public of the municipality. No governing body of a municipality shall request the waiver or adopt the resolution authorized under this subsection if the provisions of revenue bond ordinances or resolutions or other ordinances or resolutions of the municipality require financial statements and financial reports to be prepared in conformity with the requirements of subsection (a). The governing body of any municipality which is granted a waiver under this subsection shall cause financial statements and financial reports of the municipality to be prepared on the basis of cash receipts and disbursements as adjusted to show compliance with the cash-basis and budget laws of this state.
- (2) The provisions of this subsection do not apply to community colleges *or school districts*.
- (d) The director of accounts and reports shall waive the requirements of law relating to the preparation and maintenance of fixed asset records upon request therefor by the board of trustees of any community college. The waiver shall be granted to the extent and for the period of time requested by the board of trustees. Nothing contained in this subsection shall be construed so as to exempt any community college from compliance with the provisions of K.S.A. 71-211, and amendments thereto, which requires the use by all community colleges of a standardized and uniform chart of accounts.
- Sec. 4. K.S.A. 75-1120a and K.S.A. 2014 Supp. 72-8254 are hereby repealed.
- Sec. 5. This act shall take effect and be in force from and after its publication in the statute book.
