12 ➔Section 13. KRS 61.637 is amended to read as follows:

13 (1) A retired member who is receiving monthly retirement payments under any of the
14 provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed
15 as an employee by a participating agency prior to August 1, 1998, shall have his or
16 her retirement payments suspended for the duration of reemployment. Monthly
17 payments shall not be suspended for a retired member who is reemployed if he or
18 she anticipates that he or she will receive less than the maximum permissible
19 earnings as provided by the Federal Social Security Act in compensation as a result
20 of reemployment during the calendar year. The payments shall be suspended at the
21 beginning of the month in which the reemployment occurs.

22 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
23 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
24 except where monthly payments were not suspended as provided in subsection (1)
25 of this section or would not increase the retired member's last monthly retirement
26 allowance by at least one dollar (\$1), and the member shall be credited with
27 additional service credit.

1 (3) In the month following the termination of reemployment, retirement allowance
2 payments shall be reinstated under the plan under which the member was receiving
3 payments prior to reemployment.

4 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
5 accordance with subsection (1) of this section shall be paid retroactively to the
6 retired member, or his or her estate, if he or she does not receive more than
7 the maximum permissible earnings as provided by the Federal Social Security
8 Act in compensation from participating agencies during any calendar year of
9 reemployment.

10 (b) If the retired member is paid suspended payments retroactively in accordance
11 with this section, employee contributions deducted during his or her period of
12 reemployment, if any, shall be refunded to the retired employee, and no
13 service credit shall be earned for the period of reemployment.

14 (c) If the retired member is not eligible to be paid suspended payments for his or
15 her period of reemployment as an employee, his or her retirement allowance
16 shall be recomputed under the plan under which the member was receiving
17 payments prior to reemployment as follows:

18 1. The retired member's final compensation shall be recomputed using
19 creditable compensation for his or her period of reemployment;
20 however, the final compensation resulting from the recalculation shall
21 not be less than that of the member when his or her retirement allowance
22 was last determined;

23 2. If the retired member initially retired on or subsequent to his or her
24 normal retirement date, his or her retirement allowance shall be
25 recomputed by using the formula in KRS 61.595(1);

26 3. If the retired member initially retired prior to his or her normal
27 retirement date, his or her retirement allowance shall be recomputed

1 using the formula in KRS 61.595(2), except that the member's age used
2 in computing benefits shall be his or her age at the time of his or her
3 initial retirement increased by the number of months of service credit
4 earned for service performed during reemployment;

5 4. The retirement allowance payments resulting from the recomputation
6 under this subsection shall be payable in the month following the
7 termination of reemployment in lieu of payments under subparagraph 3.
8 of this paragraph. The member shall not receive less in benefits as a
9 result of the recomputation than he or she was receiving prior to
10 reemployment or would receive as determined under KRS 61.691; and

11 5. Any retired member who was reemployed prior to March 26, 1974, shall
12 begin making contributions to the system in accordance with the
13 provisions of this section on the first day of the month following March
14 26, 1974.

15 (5) A retired member, or his or her estate, shall pay to the retirement fund the total
16 amount of payments which are not suspended in accordance with subsection (1) of
17 this section if the member received more than the maximum permissible earnings as
18 provided by the Federal Social Security Act in compensation from participating
19 agencies during any calendar year of reemployment, except the retired member or
20 his or her estate may repay the lesser of the total amount of payments which were
21 not suspended or fifty cents (\$0.50) of each dollar earned over the maximum
22 permissible earnings during reemployment if under age sixty-five (65), or one
23 dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).

24 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
25 retired member who has been ordered reinstated by the Personnel Board under
26 authority of KRS 18A.095.

27 (b) A retired member who has been ordered reinstated by the Personnel Board

1 under authority of KRS 18A.095 or by court order or by order of the Human

4 System shall void his or her retirement by reimbursing the system in the full
5 amount of his or her retirement allowance payments received.

6 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
7 section shall no longer apply to a retired member who is reemployed in a
8 position covered by the same retirement system from which the member
9 retired. Reemployed retired members shall be treated as new members upon
10 reemployment. Any retired member whose reemployment date preceded
11 August 1, 1998, who does not elect, within sixty (60) days of notification by
12 the retirement systems, to remain under the provisions of subsections (1) to
13 (4) of this section shall be deemed to have elected to participate under this
14 subsection.

15 (b) A retired member whose disability retirement was discontinued pursuant to
16 KRS 61.615 and who is reemployed in one (1) of the systems administered by
17 the Kentucky Retirement Systems or County Employees Retirement System
18 prior to his or her normal retirement date shall have his or her accounts
19 combined upon termination for determining eligibility for benefits. If the
20 member is eligible for retirement, the member's service and creditable
21 compensation earned as a result of his or her reemployment shall be used in
22 the calculation of benefits, except that the member's final compensation shall
23 not be less than the final compensation last used in determining his or her
24 retirement allowance. The member shall not change beneficiary or payment
25 option designations. This provision shall apply to members reemployed on or
26 after August 1, 1998.

27 (8) If a retired member accepts employment or begins serving as a volunteer with an

1 employer participating in the systems administered by Kentucky Retirement
2 Systems or County Employees Retirement System within twelve (12) months of his
3 or her retirement date, the retired member shall notify the Authority and the
4 participating employer shall submit the information required or requested by the
5 Authority to confirm the individual's employment or volunteer status. The retired
6 member shall not be required to notify the Authority regarding any employment or
7 volunteer service with a participating agency that is accepted after twelve (12)
8 months following his or her retirement date.

9 (9) If the retired member is under a contract to provide services as an independent
10 contractor or leased employee to an employer participating in the systems
11 administered by Kentucky Retirement Systems or County Employees Retirement
12 System within twelve (12) months of his or her retirement date, the member shall
13 submit a copy of that contract to the Authority, and the Authority shall determine if
14 the member is an independent contractor or leased employee for purposes of
15 retirement benefits. The retired member and the participating employer shall submit
16 the information required or requested by the Authority to confirm the individual's
17 status as an independent contractor or leased employee. The retired member shall
18 not be required to notify the Authority regarding any services entered into as an
19 independent contractor or leased employee with a participating agency that the
20 employee enters into after twelve (12) months following his or her retirement date.

21 (10) If a member is receiving a retirement allowance, or has filed the forms required for
22 a retirement allowance, and is employed within one (1) month of the member's
23 initial retirement date in a position that is required to participate in the same
24 retirement system from which the member retired, the member's retirement shall be
25 voided and the member shall repay to the retirement system all benefits received.
26 The member shall contribute to the member account established for him or her prior
27 to his or her voided retirement. The retirement allowance for which the member

1 shall be eligible upon retirement shall be determined by total service and creditable
2 compensation.

3 (11) (a) If a member of the Kentucky Employees Retirement System retires from a
4 department which participates in more than one (1) retirement system and is
5 reemployed within one (1) month of his or her initial retirement date by the
6 same department in a position participating in another retirement system, the
7 retired member's retirement allowance shall be suspended for the first month
8 of his or her retirement, and the member shall repay to the retirement system
9 all benefits received for the month.

10 (b) A retired member of the County Employees Retirement System who after
11 initial retirement is hired by the county from which the member retired shall
12 be considered to have been hired by the same employer.

13 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
14 nonhazardous member who retired prior to age sixty-five (65), is reemployed
15 within six (6) months of the member's termination by the same employer, the
16 member shall obtain from his or her previous and current employers a copy of
17 the job description established by the employers for the position and a
18 statement of the duties performed by the member for the position from which
19 he or she retired and for the position in which he or she has been reemployed.

20 (b) The job descriptions and statements of duties shall be filed with the retirement
21 office.

22 (13) If the retirement system determines that the retired member has been employed in a
23 position with the same principal duties as the position from which the member
24 retired:

25 (a) The member's retirement allowance shall be suspended during the period that
26 begins on the month in which the member is reemployed and ends six (6)
27 months after the member's termination;

- 1 (b) The retired member shall repay to the retirement system all benefits paid from
2 systems administered by Kentucky Retirement Systems or County Employees
3 Retirement System under reciprocity, including medical insurance benefits,
4 that the member received after reemployment began;
- 5 (c) Upon termination, or subsequent to expiration of the six (6) month period
6 from the date of termination, the retired member's retirement allowance based
7 on his or her initial retirement account shall no longer be suspended, and the
8 member shall receive the amount to which he or she is entitled, including an
9 increase as provided by KRS 61.691;
- 10 (d) Except as provided in subsection (7) of this section, if the position in which a
11 retired member is employed after initial retirement is a regular full-time
12 position, the retired member shall contribute to a second member account
13 established for him or her in the retirement system. Service credit gained after
14 the member's date of reemployment shall be credited to the second member
15 account; and
- 16 (e) Upon termination, the retired member shall be entitled to benefits payable
17 from his or her second retirement account.
- 18 (14) (a) If the retirement system determines that the retired member has not been
19 reemployed in a position with the same principal duties as the position from
20 which he or she retired, the retired member shall continue to receive his or her
21 retirement allowance.
- 22 (b) If the position is a regular full-time position, the member shall contribute to a
23 second member account in the retirement system.
- 24 (15) (a) If a retired member is reemployed at least one (1) month after initial
25 retirement in a different position, or at least six (6) months after initial
26 retirement in the same position, and prior to normal retirement age, the retired
27 member shall contribute to a second member account in the retirement system

1 and continue to receive a retirement allowance from the first member account.

2 (b) Service credit gained after reemployment shall be credited to the second
3 member account. Upon termination, the retired member shall be entitled to
4 benefits payable from the second member account.

5 (16) A retired member who is reemployed and contributing to a second member account
6 shall not be eligible to purchase service credit under any of the provisions of KRS
7 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he or she was
8 eligible to purchase prior to his or her initial retirement.

9 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
10 section, the following shall apply to retired members who are reemployed by an
11 agency participating in one (1) of the systems administered by Kentucky
12 Retirement Systems or County Employees Retirement System on or after
13 September 1, 2008:

14 (a) If a member is receiving a retirement allowance from one (1) of the systems
15 administered by Kentucky Retirement Systems or County Employees
16 Retirement System, or has filed the forms required to receive a retirement
17 allowance from one (1) of the systems administered by Kentucky Retirement
18 Systems or County Employees Retirement System, and is employed in a
19 regular full-time position required to participate in one (1) of the systems
20 administered by Kentucky Retirement Systems or County Employees
21 Retirement System or is employed in a position that is not considered regular
22 full-time with an agency participating in one (1) of the systems administered
23 by Kentucky Retirement Systems or County Employees Retirement System
24 within one (1) month following the member's initial retirement date, the
25 member's retirement shall be voided, and the member shall repay to the
26 retirement system all benefits received, including any health insurance
27 benefits. If the member is returning to work in a regular full-time position

1 required to participate in one (1) of the systems administered by Kentucky
2 Retirement Systems:

3 1. The member shall contribute to a member account established for him or
4 her in one (1) of the systems administered by Kentucky Retirement
5 Systems or County Employees Retirement System, and employer
6 contributions shall be paid on behalf of the member by the participating
7 employer; and

8 2. Upon subsequent retirement, the member shall be eligible for a
9 retirement allowance based upon total service and creditable
10 compensation, including any additional service or creditable
11 compensation earned after his or her initial retirement was voided;

12 (b) If a member is receiving a retirement allowance from one (1) of the systems
13 administered by Kentucky Retirement Systems or County Employees
14 Retirement System and is employed in a regular full-time position required to
15 participate in one (1) of the systems administered by Kentucky Retirement
16 Systems or County Employees Retirement System after a one (1) month
17 period following the member's initial retirement date, the member may
18 continue to receive his or her retirement allowance during the period of
19 reemployment subject to the following provisions:

20 1. If a member is reemployed by a participating agency within twelve (12)
21 months of the member's retirement date, the participating agency shall
22 certify in writing on a form prescribed by the Authority that no
23 prearranged agreement existed between the employee and agency prior
24 to the employee's retirement for the employee to return to work with the
25 participating agency. If an elected official is reelected to a new term of
26 office in the same position as the elected official held prior to retirement
27 and takes office within twelve (12) months of his or her retirement date,

- 1 he or she shall be deemed by the Authority as having a prearranged
2 agreement under the provisions of this subparagraph and shall have his
3 or her retirement voided. If the participating agency fails to complete the
4 certification, the member's retirement shall be voided and the provisions
5 of paragraph (a) of this subsection shall apply to the member and the
6 employer. Employment that is accepted by the retired member after
7 twelve (12) months following the member's retirement date shall not
8 constitute a prearranged agreement under this paragraph;
- 9 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
10 the contrary, the member shall not contribute to the systems and shall
11 not earn any additional benefits for any work performed during the
12 period of reemployment;
- 13 3. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
14 except for any retiree employed as a school resource officer as defined
15 by KRS 158.441 or as a Kentucky guardian as defined in Section 1 of
16 this Act, the employer shall pay employer contributions as specified by
17 KRS 61.565, 61.702, and 78.635, as applicable, on all creditable
18 compensation earned by the employee during the period of
19 reemployment. The additional contributions paid shall be used to reduce
20 the unfunded actuarial liability of the systems; and
- 21 4. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
22 except for any retiree employed as a school resource officer as defined
23 by KRS 158.441 or as a Kentucky guardian as defined in Section 1 of
24 this Act, the employer shall be required to reimburse the systems for the
25 cost of the health insurance premium paid by the systems to provide
26 coverage for the retiree, not to exceed the cost of the single premium.
27 Effective July 1, 2015, local school boards shall not be required to pay

1 the reimbursement required by this subparagraph for retirees employed
2 by the board for eighty (80) days or less during the fiscal year;

3 (c) Notwithstanding paragraphs (a) and (b) of this subsection, a retired member
4 who qualifies as a volunteer for an employer participating in one (1) of the
5 systems administered by Kentucky Retirement Systems or County Employees
6 Retirement System and who is receiving reimbursement of actual expenses, a
7 nominal fee for his or her volunteer services, or both, shall not be considered
8 an employee of the participating employer and shall not be subject to
9 paragraphs (a) and (b) of this subsection if:

- 10 1. Prior to the retired member's most recent retirement date, he or she did
11 not receive creditable compensation from the participating employer in
12 which the retired member is performing volunteer services;
- 13 2. Any reimbursement or nominal fee received prior to the retired
14 member's most recent retirement date has not been credited as creditable
15 compensation to the member's account or utilized in the calculation of
16 the retired member's benefits;
- 17 3. The retired member has not purchased or received service credit under
18 any of the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852 for
19 service with the participating employer for which the retired member is
20 performing volunteer services; and
- 21 4. Other than the status of volunteer, the retired member does not become
