1 A RESOLUTION

2 To urge and request local representatives of the city-parish of Lafayette, including the
3 president of the city-parish of Lafayette, the police chief of the city of Lafayette, and
4 representatives of the Greater Southwest Louisiana Black Chamber of Commerce,
5 the North Lafayette Redevelopment Authority, and the Lafayette chapter of the
6 Magnolia State Peace Officers Association of Louisiana, to meet and discuss the

8 and to develop policy recommendations aimed at reducing crime in that portion of
9 the city and to report such policy recommendations to the governing authority of the
10 city-parish of Lafayette no later than February 1, 2016.

11 WHEREAS, Lafayette, Louisiana, is in the heart of the Acadiana region and is a
12 cultural oasis that blends the contemporary sophistication of a cosmopolitan city with a
13 unique heritage and culture hard to find anywhere else in the state of Louisiana; and

14 WHEREAS, Lafayette, Louisiana, is a city that attracts a large number of tourists
15 every year as it boasts a tantalizing selection of restaurants, which offer such Cajun and
16 Creole delicacies as seafood gumbo, crawfish étouffé, and jambalaya, and is also the site of
17 a multitude of historical attractions, including the National Park Service's Acadian Cultural
18 Center; and

1 WHEREAS, many local officials and community leaders in the city of Lafayette are
2 growing concerned about the increase in crime, particularly in the northern portion of the
3 city, as tourists and residents face increasing odds of becoming victims of crime; and

4 WHEREAS, many local officials and community leaders are seeking avenues to
5 reduce crime in the northern portion of the city as crime tends to drive away tourists, which
6 can have a negative impact on the local economy, and it forces local residents to deal with
7 the trauma of repeated victimization, which can produce family disharmony, promote a
8 pattern of escalating violence, and create an emotional atmosphere that is not conducive to
9 healthy living; and

10 WHEREAS, many local officials and community leaders are working in concert to
11 revitalize the northern portion of the city, including a proposed project in the Four Corners
12 area that will include a police substation and a public plaza and is regarded a potential
13 catalyst for bringing the community together and making the northern portion of the city a
14 safer place to live; and

15 WHEREAS, additional efforts aimed at reducing crime in the northern portion of the
16 city are needed in order to ensure that the entire city continues to be a safe place for tourists
17 to visit and residents to live.
