(1) In its findings, the office shall clearly indicate its position on any point on which there are significant conflicts among the written comments submitted to the office.

(2) If the office finds that the growth management program was adopted in accordance with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter 2, the office shall issue a certificate of consistency for the growth management program.

(3) Notwithstanding paragraph D, if a municipality or multimunicipal region requests a certificate of consistency for its growth management program, any unmodified component of that program that has previously been reviewed by the Department of Agriculture, Conservation and Forestry and has received a finding of consistency must retain that finding during program certification review by the office as long as the finding of consistency is current as defined in rules adopted by the office;

D. Provide ample opportunity for the municipality or multimunicipal region submitting a growth management program to respond to and correct any identified deficiencies in the program. A finding of inconsistency for a growth management program may be addressed within 24 months of the date of the finding without addressing any new review standards that are created during that time interval. After 24 months, the program must be resubmitted in its entirety for state review under the office's most current review standards; and

E. Provide an expedited review and certification procedure for those submissions that represent minor amendments to certified growth management programs.

The office's decision on consistency of a growth management program constitutes final agency action.

**4. Review of comprehensive plan.** In reviewing a comprehensive plan, the office shall:

A. Solicit written comments on any proposed comprehensive plan from regional councils, state agencies, all municipalities contiguous to the municipality or multimunicipal region submitting a comprehensive plan and any interested residents of the municipality or multimunicipal region or of contiguous municipalities. (3) A finding of inconsistency must identify the goals under Title 30-A, chapter 187, subchapter 2 not adequately addressed, specific sections of the rules relating to comprehensive plan review adopted by the office not adequately addressed and recommendations for resolving the inconsistency;

E. Send all written findings and comments on the comprehensive plan to the municipality or multimunicipal region and any applicable regional council; and

F. Provide ample opportunity for the municipality or multimunicipal region submitting a comprehensive plan to respond to and correct any identified deficiencies in the plan. A finding of inconsistency for a comprehensive plan may be addressed within 24 months of the date of the finding without addressing any new review standards that are created during that time interval. After 24 months, the plan must be resubmitted in its entirety for state review under the office's most current review standards.

The office's decision on consistency of a comprehensive plan constitutes final agency action.

A finding by the office pursuant to paragraph D that a comprehensive plan is consistent with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter 2 is valid for 12 years from the date of its issuance. For purposes of Title 30-A, section 4314, subsection 3 and Title 30-A, section 4352, subsection 2, expiration of a finding of consistency pursuant to this subsection does not itself make a comprehensive plan inconsistent with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter 2.

**5. Updates and amendments.** A municipality or multimunicipal region may submit proposed amendments to a comprehensive plan or growth management program to the office for review in the same manner as provided for the review of new plans and programs. A nursing home is not considered a housing project under this paragraph.

**2. State facilities.** The Department of Administrative and Financial Services, Bureau of General Services shall develop site selection criteria for state office buildings, state courts, hospitals and other quasi-public facilities and other civic buildings that serve public clients and customers, whether owned or leased by the State, that give preference to the priority locations identified in this subsection while ensuring safe, healthy, appropriate work space for employees and clients and accounting for agency requirements. On-site parking may only be required if it is necessary to meet critical program needs and to ensure reasonable access for agency clients and persons with disabilities. Employee parking that is within reasonable walking distance may be located off site. Assistance must be provided within the confines of agency policies, available resources and considerations related to overriding state interest.

**4. Preference for other state grants and investments.** Preference for other state grants and investments is governed by this subsection.

A. (1) First, to a municipality that has received a certificate of consistency for its growth management program under section 3233;

(2) Second, to a municipality that has adopted a comprehensive plan that the former State Planning Office, the municipal planning assistance unit within the Department of Agriculture, Conservation and Forestry or the office has determined is consistent with the procedures, goals and guidelines of Title 30-A, chapter 187, subchapter 2 and has adopted zoning ordinances that the former State Planning Office, the municipal planning assistance unit within the Department of Agriculture, Conservation and Forestry or the office has determined are consistent with the comprehensive plan; and

A home service provider is responsible for obtaining and maintaining a record of a customer's place of primary use. Subject to paragraph B and if the home service provider's reliance on the information provided by its customer is in good faith, the home service provider:

(1) May rely on the applicable residential or business street address supplied by the home service provider's customer; and

(2) May not be held liable for any additional taxes under this Part based on a different determination of the place of primary use.

B. If the assessor determines that the address used by a home service provider as a customer's place of primary use does not meet the definition provided by section 1752, subsection 7-E, the assessor shall notify the customer in writing of that determination and provide the customer an opportunity to demonstrate that that address is the customer's place of primary use. If the customer fails to demonstrate to the assessor's satisfaction within 30 days from the time the customer receives notice from the assessor, or within another time period as the assessor may allow, that the address in question is the customer's place of primary use, the assessor shall provide the home service provider with the proper address to be used as the customer's place of primary use. The home service provider shall begin using the address provided by the assessor as the customer's place of primary use within 30 days from the date the home service provider receives notice of the assessor's determination.

C. A home service provider is entitled to the hold harmless protections provided by Section 1 of the federal Mobile Telecommunications Sourcing Act, Public Law 106-252, 114 Stat. 626 (2000).

D. Notwithstanding any other provision of this Part, otherwise nontaxable charges that are aggregated with and not separately stated from taxable mobile telecommunications charges are subject to taxation unless the home service provider can, to the satisfaction of the assessor, reasonably identify such charges from the home service provider's books and records kept in the regular course of its business. A customer may not rely upon the nontaxability of bundled services unless the customer's home service provider separately states the otherwise nontaxable services or the home service provider elects, after receiving written notice from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of its business and that reasonably identify the nontaxable charges.

**Sec. G-47. 36 MRSA c. 358**, as amended, is repealed.

**Sec. G-48. Application.** This Part applies to sales of tangible personal property and taxable services on or after January 1, 2026.

This section may not be construed to limit a health insurance issuer's ability to use certain preferred pharmacies or develop networks of preferred pharmacies as long as a health insurance issuer's decision is not based on an entity's status as a 340B entity.
