5 (5) (a) Prior to the payment of any matching grant funds under the provisions
6 of Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide and expend
7 matching funds as specified. No part of a grantee's matching fund may be provided, either
8 directly or indirectly, from funds of the State, whether appropriated or unappropriated.
9 Except as otherwise provided, no part of the fund may consist of real property, in kind
10 contributions, or funds expended prior to the effective date of this Act. In case of any dispute
11 as to what money or assets may qualify as matching funds, the Board of Public Works shall
12 determine the matter, and the Board's decision is final. Grantees have until June 1, 2023,
13 to present evidence satisfactory to the Board of Public Works that the matching fund will
14 be provided. If satisfactory evidence is presented, the Board shall certify this fact to the
15 State Treasurer and the proceeds of the loan shall be expended for the purposes provided in
16 this Act. If this evidence is not presented by June 1, 2023, the proceeds of the loan shall be
17 applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article.

18 (b) It is further provided that when an equal and matching fund is specified
19 in Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide a matching fund
20 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the
21 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,
22 the Board shall certify this fact and the amount of the matching fund to the State Treasurer
23 and the proceeds of the loan equal to the amount of the matching fund shall be expended for
24 the purposes provided in this Act. If this evidence is not presented by June 1, 2023, the
25 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State
26 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the
27 matching fund certified by the Board of Public Works shall also be applied to the purposes
28 authorized in § 8–129 of the State Finance and Procurement Article.

29 (6) (a) Prior to approval by the Board of Public Works of an expenditure of bond
30 proceeds authorized under Section 1(3) Items ZA00 through ZB02 of this Act, the grantee
31 shall grant and convey to the Maryland Historical Trust a historic preservation easement
32 on the property where the capital project assisted by the bond proceeds is located if the
33 Director of the Trust determines that the capital project impacts real property that is
34 individually listed in, or eligible for individual listing in, the Maryland Register of Historic
35 Properties, unless the Director of the Trust also determines that the real property:

36 (i) Is a type that is already adequately represented among the
37 Trust's existing easement properties;

38 (ii) Is already subject to adequate protections of historic preservation
39 law or instrument; or

40 (iii) Has conditions peculiar to it that make requiring an easement

1 impractical.

2 (b) If the grantee holds a lease on the property, the Trust may accept an
3 easement on the leasehold interest.

4 (c) The easement must be in form, substance, and duration acceptable to
5 the Director of the Trust.

6 (d) (i) A recipient may administratively appeal to the Maryland
7 Historical Trust Board of Trustees a determination made by the Director of the Trust under
8 subparagraph (a) of this paragraph.

9 (ii) The decision made by the Maryland Historical Trust Board of
10 Trustees on an appeal is final and is not subject to further administrative appeal or judicial
11 review.

12 (7) The proceeds of the loan must be expended or encumbered by the Board of
13 Public Works for the purposes provided in this Act no later than June 1, 2028. If any funds
14 authorized by this Act remain unexpended or unencumbered after June 1, 2028, the amount
15 of the unexpended or unencumbered authorization shall be canceled and be of no further
16 force and effect. If bonds have been issued for the loan, the amount of unexpended or
17 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State
18 Finance and Procurement Article.

19 (8) Multiple grants provided to the same organization in this Section are in
20 addition to one another. Unless otherwise provided, any matching fund requirements apply
21 to each individual grant.

22 (9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of
23 Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 of
24 this Act, notwithstanding technical differences in:

25 (i) The name of the grantee or the description of the project, provided
26 that the proposed use of funds is consistent with the public purpose of the original
27 appropriation; or

28 (ii) The location of the project, provided that the proposed location is
29 within the county specified in the original appropriation.

30 (b) The Department of Budget and Management shall notify the Office of
31 Policy Analysis within the Department of Legislative Services in writing of:

32 (i) The technical differences between an appropriation in Section
33 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

34 (ii) The justification that the proposed use of the funds is consistent
35 with the public purpose of the appropriation.

1 (c) (i) The Office of Policy Analysis shall have 45 days to review and
2 comment on the proposed use of the funds.

3 (ii) If the Office of Policy Analysis does not submit written objections
4 within 45 days, the Department of Budget and Management shall provide certification in
5 writing to the Board of Public Works that the proposed use of funds may be approved
6 notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00
7 through ZB02 of this Act.
