#### Sec. 28. CONVEYANCE OF STATE LAND; HENNEPIN COUNTY.

Subdivision 1. Conveyance authorized. Notwithstanding Minnesota Statutes, sections 16A.695 and 16B.281 to 16B.287, or other law, administrative rule, or commissioner's order to the contrary, the commissioner of administration may convey to Hennepin County for no consideration the real property described in subdivision 3. The commissioner of administration may add conditions to the conveyance of the property deemed to be in the interest of the state. Notwithstanding any provision of this section to the contrary, the real property shall continue to be considered state bond financed property after the conveyance of the real property to Hennepin County and until all the requirements are satisfied for the real property to no longer be considered state bond financed property. Hennepin County must operate the state bond financed property in compliance with Minnesota Statutes, section 16A.695, and all applicable state and federal laws, and in a manner that will not cause the interest on the state general obligation bonds to be subject to federal income taxation for any reason.

Subd. 2. **Form.** The conveyance shall be in a form approved by the attorney general. The attorney general may make changes to the legal description to correct errors and ensure accuracy.

Subd. 3. **Description.** The real property to be conveyed is located in Hennepin County and is described as: Lots 12, 13, and 14, Block 2, BISCHOFF 1ST ADDITION, Hennepin County, Minnesota.

Subd. 4. **Determination by commissioner.** The commissioner has determined that the real property described in subdivision 3 is no longer needed for any state purpose and that the state's land management interests are best served if the land is conveyed to and used by Hennepin County for community-based services.
