19 that the motor vehicle or vessel has been titled, inquiry of the  
20 Department of Motor Vehicles shall be made as to what the records of the  
21 department show as to who is the record owner of the motor vehicle or  
22 vessel and who, if anyone, holds any lien or security interest that  
23 affects the motor vehicle or vessel.

24 (6) If the property is a motor vehicle or vessel and is not titled  
25 in the State of Nebraska, then an attempt shall be made to ascertain the  
26 name and address of the person in whose name the motor vehicle or vessel  
27 is licensed, and if the motor vehicle or vessel is licensed in a state  
28 which has in effect a certificate of title law, inquiry of the  
29 appropriate agency of that state shall be made as to what the records of  
30 the agency show as to who is the record owner of the motor vehicle or  
31 vessel and who, if anyone, holds any lien, security interest, or other

1 instrument in the nature of a security device that affects the motor  
2 vehicle or vessel.

3 (7) If the property is of a nature that a financing statement is  
4 required by the laws of this state to be filed to perfect a security  
5 interest affecting the property and if there is any reasonable cause to  
6 believe that a financing statement covering the security interest has  
7 been filed under the laws of this state, inquiry shall be made as to what  
8 the records show as to who is the record owner of the property and who,  
9 if anyone, has filed a financing statement affecting the property.

10 (8) If the property is an aircraft or part thereof and if there is  
11 any reasonable cause to believe that an instrument in the nature of a  
12 security device affects the property, inquiry shall be made as to what  
13 the records of the Federal Aviation Administration show as to who is the  
14 record owner of the property and who, if anyone, holds an instrument in  
15 the nature of a security device which affects the property.

16 (9) If the answer to an inquiry states that the record owner of the  
17 property is any person other than the person who was in possession of it  
18 when it was seized or states that any person holds any lien, encumbrance,  
19 security interest, other interest in the nature of a security interest,  
20 mortgage, or deed of trust that affects the property, the record owner  
21 and also any lienholder, secured party, other person who holds an  
22 interest in the property in the nature of a security interest, or holder  
23 of an encumbrance, mortgage, or deed of trust that affects the property  
24 is to be named in the petition of forfeiture and is to be served with  
25 process in the same manner as in civil cases.

26 (10) If the owner of the property cannot be found and served with a  
27 copy of the petition of forfeiture or if no person was in possession of  
28 the property subject to forfeiture at the time that it was seized and the  
29 owner of the property is unknown, there shall be filed with the clerk of  
30 the court in which the proceeding is pending an affidavit to such effect,  
31 whereupon the clerk of the court shall publish notice of the hearing

1 addressed to "the Unknown Owner of ....., " filling in the blank  
2 space with a reasonably detailed description of the property subject to  
3 forfeiture. Service by publication shall be completed in the same manner  
4 as is provided in the code of civil procedure for the service of process  
5 in civil actions in the district courts of this state.

6 (11) No proceedings instituted pursuant to this section shall  
7 proceed to hearing unless the judge conducting the hearing is satisfied  
8 that this section has been complied with. Any answer received from an  
9 inquiry required by this section shall be introduced into evidence at the  
10 hearing.

11 (12)(a) An owner of property that has been seized shall file an  
12 answer within thirty days after the completion of service of process. If  
13 an answer is not filed, the court shall hear evidence that the property  
14 is subject to forfeiture and forfeit the property to the seizing law  
15 enforcement agency. If an answer is filed, a time for hearing on  
16 forfeiture shall be set within thirty days after filing the answer or at  
17 the succeeding term of court if court would not be in session within  
18 thirty days after filing the answer. The court may postpone the  
19 forfeiture hearing to a date past the time any criminal action is pending  
20 against the owner upon request of any party.

21 (b) If the owner of the property has filed an answer denying that  
22 the property is subject to forfeiture, then the burden is on the  
23 petitioner to prove that the property is subject to forfeiture. However,  
24 if an answer has not been filed by the owner of the property, the  
25 petition for forfeiture may be introduced into evidence and is prima  
26 facie evidence that the property is subject to forfeiture. The burden of  
27 proof placed upon the petitioner in regard to property forfeited under  
28 this section shall be by clear and convincing evidence.

29 (c) At the hearing any claimant of any right, title, or interest in  
30 the property may prove his or her lien, encumbrance, security interest,  
31 other interest in the nature of a security interest, mortgage, or deed of

1 trust to be bona fide and created without actual knowledge or consent  
2 that the property was to be used so as to cause the property to be  
3 subject to forfeiture.

4 (d) If it is found that the property is subject to forfeiture, then  
5 the judge shall forfeit the property. However, if proof at the hearing  
6 discloses that the interest of any bona fide lienholder, any secured  
7 party, any other person holding an interest in the property in the nature  
8 of a security interest, or any holder of a bona fide encumbrance,  
9 mortgage, or deed of trust is greater than or equal to the present value  
10 of the property, the court shall order the property released to him or  
11 her. If the interest is less than the present value of the property and  
12 if the proof shows that the property is subject to forfeiture, the court  
13 shall order the property forfeited.

14 (13) Unless otherwise provided in this section, all personal  
15 property which is forfeited under this section shall be liquidated and,  
16 after deduction of court costs and the expense of liquidation, the  
17 proceeds shall be remitted to the county treasurer of the county in which  
18 the seizure was made. The county treasurer shall remit all such proceeds  
19 from property forfeited pursuant to this section to the State Treasurer  
20 for distribution in accordance with Article VII, section 5, of the  
21 Constitution of Nebraska.

22 (14) All money forfeited under this section shall be remitted in the  
23 same manner as provided in subsection (13) of this section.

24 (15) All real estate forfeited under this section shall be sold to  
25 the highest bidder at a public auction for cash, the auction to be  
26 conducted by the county sheriff or his or her designee at such place, on  
27 such notice, and in accordance with the same procedure, as far as  
28 practicable, as is required in the case of sales of land under execution  
29 at law. The proceeds of the sale shall first be applied to the cost and  
30 expense in administering and conducting the sale, then to the  
31 satisfaction of all mortgages, deeds of trust, liens, and encumbrances of

1 record on the property. The remaining proceeds shall be remitted in the  
2 same manner as provided in subsection (13) of this section.

3 (16) The forfeiture procedure set forth in this section is the sole  
4 remedy of any claimant, and no court shall have jurisdiction to interfere  
5 therewith by replevin, by injunction, by supersedeas, or by any other  
6 manner.

7 **Sec. 9.** Section 27-1301, Reissue Revised Statutes of Nebraska, is

19 judicial or administrative proceeding. Among the issues addressed by  
20 these rules and regulations, the Supreme Court should devise procedures  
21 regarding the preparation and delivery of bills of exception containing
