AN ACT relating to foster care; authorizing the storage of a firearm and ammunition on the premises of a family foster home in certain circumstances; authorizing certain persons to carry a firearm on their person while in the presence of a foster child in certain circumstances; providing that an agency which provides child welfare services is immune from liability for any injury caused by a firearm on the premises of a family foster home or that was carried in the presence of a foster child; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

- 1 Existing law requires the Division of Child and Family Services of the
- 2 Department of Health and Human Services to adopt regulations to establish
- 3 requirements for the licensure of family foster homes, specialized foster homes,
- 4 independent living foster homes and group foster homes. (NRS 424.020) Existing
- 5 regulations require all weapons on the premises of a foster home to be unstrung and

7 or rooms out of the reach of children or made inoperable. Ammunition is required
8 to be kept in a separate locked container and weapons may not be transported in a
9 vehicle in which children are riding unless the weapons are made inoperable and
10 inaccessible. (NAC 424.600) This bill authorizes a law enforcement officer or
11 person who holds a permit to carry a concealed firearm to possess the firearm or
12 ammunition on the premises of a family foster home if it is stored in a locked
13 secure storage container except when used for certain lawful purposes, when
14 carried lawfully, to clean or service the firearm or if the firearm or ammunition is
15 inoperable and solely ornamental. This bill requires any key, combination or access
16 code to the locked storage container to be kept in the reasonably secure possession
17 of an adult or in a locked combination or biometric safe. This bill also authorizes a
18 law enforcement officer or person who holds a permit to carry a concealed firearm
19 to carry a firearm on his or her person while in the presence of a foster child if the
20 person: (1) keeps the firearm in a holster or other similarly secure case; (2) carries
21 the firearm in a manner which ensures that the firearm is inaccessible to the foster
22 child and is in the possession or control of the provider or other person; and (3)
23 returns the firearm to a locked secure storage container when it is not being carried
24 or in use.

25 Finally, this bill provides that an agency which provides child welfare services
26 is immune from liability for any injury caused by a firearm that is stored on the
27 premises of a family foster home or carried by a provider of family foster care or
28 any other person who resides in a family foster home.
