AN ACT relating to firearms; prohibiting a person who is less than 21 years of age from possessing certain firearms; making it unlawful to aid or knowingly permit a person who is less than 21 years of age to possess a firearm under certain circumstances; revising provisions relating to the storage of a firearm; revising provisions relating to the handling, possession or control of a firearm by certain children; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law prohibits a child under the age of 18 years from handling, possessing or controlling a firearm under certain circumstances. (NRS 202.300) **Section 1** of this bill makes it a gross misdemeanor for a person who is less than 21 years of age to possess or control a: (1) semiautomatic shotgun; or (2) semiautomatic centerfire rifle.

Existing law provides that a person does not aid or knowingly permit a child to handle, possess or control a firearm if the firearm was stored in a securely locked container or at a location which a reasonable person would have believed to be secure. Under existing law, a person who aids or knowingly permits a child to handle, possess or control a firearm is guilty of: (1) for the first offense, a misdemeanor; (2) for a first offense, if the person knows or has reason to know that there is a substantial risk that the child will use the firearm to commit a violent act, a category C felony; and (3) for a second or any subsequent offense, a category B felony punishable by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years. (NRS 202.300)

**Section 1:** (1) provides the same penalties for a person who aids or knowingly permits a person who is less than 21 years of age to handle, possess or control

18 certain firearms; and (2) includes similar provisions concerning the circumstances  
19 in which a person does not aid or knowingly permit a person who is less than 21  
20 years of age to handle, possess or control such firearms.

21 Existing law makes it a misdemeanor for a person to negligently store or leave  
22 a firearm at a location under his or her control if the person knows or has reason to  
23 know that there is a substantial risk that a child, who is otherwise prohibited from  
24 handling, possessing or controlling a firearm, may obtain the firearm. (NRS  
25 202.300) **Section 1** adds a similar provision imposing the same penalty for a person  
26 who negligently stores or leaves a firearm at a similar location from which a person  
27 who is less than 21 years of age may obtain the firearm.

28 Existing law authorizes a child who is 14 years of age or older and who, among  
29 other requirements, has a valid hunting license, to handle, possess or control a: (1)  
30 rifle or shotgun; or (2) firearm capable of being concealed upon the person.  
31 However, existing law provides that the rifle or shotgun must not be a fully  
32 automatic firearm. (NRS 202.300) **Section 3** of this bill prohibits a child who is 14  
33 years of age or older from handling, possessing or controlling a semiautomatic  
34 shotgun or semiautomatic centerfire rifle.

35 Under certain circumstances, existing law authorizes a child who is 14 years of  
36 age or older to handle, possess or control a rifle or shotgun that is not a fully  
37 automatic firearm at his or her residence. (NRS 202.300) **Section 3:** (1) provides  
38 that the rifle or shotgun must not be a semiautomatic shotgun or semiautomatic  
39 centerfire rifle; and (2) requires that the rifle or shotgun, while not in use, must  
40 remain unloaded and stored in a securely locked container under the possession of  
41 certain persons.

42 **Section 2** of this bill applies certain definitions prescribed by existing law to  
43 **section 1.**
