BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 23-09.3-01.1 of the North Dakota Century Code is amended and reenacted as follows:

23-09.3-01.1. Moratorium on expansion of basic care bed capacity.

1. Basic care beds may not be added to the state's licensed bed capacity during the period between August 1, ~~2013~~2015, and July 31, ~~2015~~2017, except when:
 - a. A nursing facility converts nursing facility beds to basic care;

In determining whether basic care services will be readily available if an additional license is issued, preference may be given to an entity that agrees to any participation program established by the department of human services for individuals eligible for services under the medical assistance program under title XIX of the Social Security Act [42 U.S.C. 1396 et seq.]; or
 - d. The state department of health and the department of human services grant approval of new basic care beds to an entity. The approved entity shall license the beds within forty-eight months from the date of approval.
2. Transfers of basic care beds from one basic care facility to another entity is permitted. Transferred basic care beds must become licensed within forty-eight months of transfer. The entity receiving the transferred beds or any new facility may seek to participate in the basic care assistance program. 3. If an Indian tribe acquires basic care beds, the tribal facility must meet state licensing requirements for those beds within forty-eight months of acquisition. A tribal facility may seek to participate in the basic care assistance program. A nursing facility may not delicense nursing facility bed capacity, relicense nursing facility bed capacity, convert licensed nursing bed capacity to basic care bed capacity, revert licensed basic care bed capacity back to nursing facility bed capacity, or otherwise reconfigure licensed nursing facility bed capacity more than one time in a twelve-month period.

A receiving entity may transfer the received bed capacity to another entity within the forty-eight-month period originally established at the time the nursing facility first transferred the licensed nursing facility bed capacity.
