(B) If an educational service center is providing services to 31351
~~preschool special education~~ students who are preschool children 31352
with disabilities under agreement with the city, local, or 31353
exempted village school district in which the students are 31354
entitled to attend school, that district may authorize the 31355
department to transfer funds computed under this section to the 31356
service center providing those services. 31357

(C) If a county DD board is providing services to ~~preschool~~ 31358
~~special education~~ students who are preschool children with 31359
disabilities under agreement with the city, local, or exempted 31360

village school district in which the students are entitled to 31361
attend school, the department shall deduct from the district's 31362
payment computed under division (A) of this section the total 31363
amount of those funds that are attributable to the students served 31364
by the county DD board and pay that amount to that board. 31365

Sec. 3317.0214. (A) The department shall compute and pay in 31366
accordance with this section additional state aid to school 31367
districts for students in categories two through six special 31368
education ADM. If a district's costs for the fiscal year for a 31369
student in its categories two through six special education ADM 31370
exceed the threshold catastrophic cost for serving the student, 31371
the district may submit to the superintendent of public 31372
instruction documentation, as prescribed by the superintendent, of 31373
all its costs for that student. Upon submission of documentation 31374
for a student of the type and in the manner prescribed, the 31375
department shall pay to the district an amount equal to the sum of 31376
the following: 31377

(1) One-half of the district's costs for the student in 31378
excess of the threshold catastrophic cost; 31379

(2) The product of one-half of the district's costs for the 31380
student in excess of the threshold catastrophic cost multiplied by 31381
the district's state share ~~index~~ percentage. 31382

(B) For purposes of division (A) of this section, the 31383
threshold catastrophic cost for serving a student equals: 31384

(1) For a student in the school district's category two, 31385
three, four, or five special education ADM, twenty-seven thousand 31386
three hundred seventy-five dollars; 31387

(2) For a student in the district's category six special 31388
education ADM, thirty-two thousand eight hundred fifty dollars. 31389

(C) The district shall report under division (A) of this 31390

section, and the department shall pay for, only the costs of 31391
educational expenses and the related services provided to the 31392
student in accordance with the student's individualized education 31393
program. Any legal fees, court costs, or other costs associated 31394
with any cause of action relating to the student may not be 31395
included in the amount. 31396

Sec. 3317.0217. Payment of the amount calculated for a school 31397
district under this section shall be made under division (A) of 31398
section 3317.022 of the Revised Code. 31399

For purposes of the calculations under this section, "school 31400
district" shall mean a school district with a formula ADM greater 31401
than zero. 31402

(A) The department of education shall annually compute 31403
targeted assistance funds to school districts, as follows: 31404

(1) Calculate the local wealth per pupil of each school 31405
district, which equals the following sum: 31406

(a) One-half times the quotient of (i) the district's 31407
~~three-year~~ average valuation divided by (ii) its formula ADM; plus 31408

(b) One-half times the quotient of (i) the average of the 31409
total federal adjusted gross income of the school district's 31410
residents for the three years most recently reported under section 31411
3317.021 of the Revised Code divided by (ii) its formula ADM. 31412

(2) Rank all school districts in order of local wealth per 31413
pupil, from the district with the lowest local wealth per pupil to 31414
the district with the highest local wealth per pupil. 31415

(3) Compute the statewide wealth per pupil, which equals the 31416
following sum: 31417

(a) One-half times the quotient of (i) the sum of the 31418
~~three-year~~ average valuations for all school districts divided by 31419
(ii) the sum of formula ADM counts for all school districts; plus 31420

(b) One-half times the quotient of (i) the sum of the 31421
three-year average total federal adjusted gross incomes for all 31422
school districts divided by (ii) the sum of formula ADM counts for 31423
all school districts. 31424

(4) Compute each district's ~~wealth index~~ capacity measure by 31425
dividing the statewide wealth per pupil by the district's local 31426
wealth per pupil. 31427

(5) Compute the per pupil targeted assistance for each 31428
eligible school district in accordance with the following formula: 31429

(Threshold local wealth per pupil - the district's local wealth 31430
per pupil) 31431

X target millage X the district's ~~wealth index~~ capacity measure 31432

Where: 31433

(a) An "eligible school district" means a school district 31434
with a local wealth per pupil less than that of the school 31435
district with the 490th lowest local wealth per pupil. 31436

(b) "Threshold local wealth per pupil" means the local wealth 31437
per pupil of the school district with the 490th lowest local 31438
wealth per pupil. 31439

(c) "Target millage" means 0.006. 31440

If the result of the calculation for a school district under 31441
division (A)(5) of this section is less than zero, the district's 31442
targeted assistance shall be zero. 31443

(6) Calculate the aggregate amount to be paid as targeted 31444
assistance funds to each school district under division (A) of 31445
section 3317.022 of the Revised Code by multiplying the per pupil 31446
targeted assistance computed under division (A)(5) of this section 31447
by the district's net formula ADM. 31448

As used in this division, a district's "net formula ADM" 31449
means its formula ADM minus the number of community school 31450

students certified under division (B)(3)(d) of section 3317.03 of 31451
the Revised Code X 0.75, the number of internet- and 31452
computer-based community school students certified under division 31453
(B)(3)(e) of that section, the number of science, technology, 31454
engineering, and mathematics school students certified under 31455
division (B)(3)(j) of that section X 0.75, and the number of 31456
scholarship students certified under divisions (B)(3)(f), (g), and 31457
(l) of that section. 31458

(B) The department shall annually compute supplemental 31459
targeted assistance funds to school districts, as follows: 31460

(1) Compute each district's agricultural percentage as the 31461
quotient of (a) the three-year average tax valuation of real 31462
property in the district that is classified as agricultural 31463
property divided by (b) the three-year average tax valuation of 31464
all of the real property in the district. For purposes of this 31465
computation: 31466

(a) For fiscal year 2016, a district's "three-year average 31467
tax valuation" means the average of a district's tax valuation for 31468
~~fiscal tax~~ years 2012, 2013, and 2014. 31469

(b) For fiscal year 2017, a district's "three-year average 31470
tax valuation" means the average of a district's tax valuation for 31471
tax years 2013, 2014, and 2015. 31472

(2) Determine each district's agricultural targeted 31473
percentage as follows: 31474

(a) If a district's agricultural percentage is greater than 31475
or equal to 0.10, then the district's agricultural targeted 31476
percentage shall be equal to 0.40. 31477

(b) If a district's agricultural percentage is less than 31478
0.10, then the district's agricultural targeted percentage shall 31479
be equal to 4 X the district's agricultural percentage. 31480

(3) Calculate the aggregate amount to be paid as supplemental 31481
targeted assistance funds to each school district under division 31482
(A) of section 3317.022 of the Revised Code by multiplying the 31483
district's agricultural targeted percentage by the amount 31484
calculated for the district under division (A)(6) of this section. 31485

Sec. 3317.0218. The department shall annually compute 31486
capacity aid funds to school districts, as follows: 31487

under division (A)(1)(a) of section 3317.022 of the Revised Code, 31489
excluding any adjustment to that amount under division (A)(1)(b) 31490
of that section, by 0.001; 31491

(B) Determine the median amount of all of the amounts 31492
calculated under division (A) of this section; 31493

(C) Calculate each school district's capacity ratio, which 31494
equals the greater of zero or the amount calculated as follows: 31495

(The amount determined under division (B) of this section / the 31496
amount calculated for the district under division (A) of this 31497
section) - 1 31498

If the result of a calculation for a school district under 31499
division (C) of this section is greater than 2.5, the district's 31500
capacity ratio shall be 2.5. 31501

(D) Calculate the capacity aid per pupil amount, which equals 31502
the following quotient: 31503

(The amount determined under division (B) of this section) / (the 31504
average of the formula ADMs of all of the districts for which the 31505
amount calculated under division (A) of this section is less than 31506
the amount determined under division (B) of this section) 31507

(E) Calculate each school district's capacity aid, which 31508
equals the following product: 31509

The capacity aid per pupil amount calculated under division (D) of 31510

this section X the district's formula ADM X 5 X the district's 31511
capacity ratio calculated under division (C) of this section 31512

Sec. 3317.051. (A) As used in this section, "gifted unit ADM" 31513

(2) One gifted intervention specialist unit shall be 31526
allocated for every 1,100 students in a district's gifted unit 31527

subsequently determines that the remittal of moneys leaves the 31747
board with insufficient money to pay all valid expenses incurred 31748
under this section during the biennium for which the remitted 31749
money was appropriated, the board may apply to the department of 31750

state funds under this section. However, a district need not label 31762
materials, equipment, computer hardware or software, textbooks, or 31763

the state, performing essential governmental functions of this 32155
state. The carrying out of the purposes and the exercise by the 32156
Ohio school facilities commission of its powers conferred by 32157
sections 3318.01 to ~~3318.33~~ 3318.32 of the Revised Code are 32158
essential public functions and public purposes of the state. The 32159

Ohio school facilities commission may, in its own name, sue and be 32160
sued, enter into contracts, and perform all the powers and duties 32161
given to it by sections 3318.01 to ~~3318.33~~ 3318.32 of the Revised 32162
Code, but it does not have and shall not exercise the power of 32163
eminent domain. In its discretion and as it determines 32164
appropriate, the Ohio school facilities commission may delegate to 32165
any of its members, executive director, or other employees any of 32166
the Ohio school facilities commission's powers and duties to carry 32167
out its functions. 32168

(B) The Ohio school facilities commission shall consist of 32169
seven members, three of whom are voting members. The voting 32170
members of the Ohio school facilities commission shall be the 32171
director of the office of budget and management, the director of 32172
administrative services, and the superintendent of public 32173
instruction, or their designees. Of the nonvoting members, two 32174
shall be members of the senate appointed by the president of the 32175
senate, and two shall be members of the house of representatives 32176
appointed by the speaker of the house. Each of the appointees of 32177
the president, and each of the appointees of the speaker, shall be 32178
members of different political parties. 32179

Nonvoting members shall serve as members of the Ohio school 32180
facilities commission during the legislative biennium for which 32181
they are appointed, except that any such member who ceases to be a 32182
member of the legislative house from which the member was 32183
appointed shall cease to be a member of the Ohio school facilities 32184
commission. Each nonvoting member shall be appointed within 32185
thirty-one days of the end of the term of that member's 32186
predecessor. Such members may be reappointed. Vacancies of 32187
nonvoting members shall be filled in the manner provided for 32188
original appointments. 32189

Members of the Ohio school facilities commission shall serve 32190
without compensation. 32191

After the initial nonvoting members of the Ohio school facilities commission have been appointed, the Ohio school facilities commission shall meet and organize by electing voting members as the chairperson and vice-chairperson of the Ohio school facilities commission, who shall hold their offices until the next organizational meeting of the Ohio school facilities commission. Organizational meetings of the Ohio school facilities commission shall be held at the first meeting of each calendar year. At each organizational meeting, the Ohio school facilities commission shall elect from among its voting members a chairperson and vice-chairperson, who shall serve until the next annual organizational meeting. The Ohio school facilities commission shall adopt rules pursuant to section 111.15 of the Revised Code for the conduct of its internal business and shall keep a journal of its proceedings. Including the organizational meeting, the Ohio school facilities commission shall meet at least once each calendar quarter.

Two voting members of the Ohio school facilities commission constitute a quorum, and the affirmative vote of two members is necessary for approval of any action taken by the Ohio school facilities commission. A vacancy in the membership of the Ohio school facilities commission does not impair a quorum from exercising all the rights and performing all the duties of the Ohio school facilities commission. Meetings of the Ohio school facilities commission may be held anywhere in the state and shall be held in compliance with section 121.22 of the Revised Code.

(C) The Ohio school facilities commission shall file an annual report of its activities and finances with the governor, speaker of the house of representatives, president of the senate, and chairpersons of the house and senate finance committees.

Code: 32230

(b) "Acquisition of classroom facilities" means constructing, 32234
reconstructing, repairing, or making additions to classroom 32235
facilities. 32236

(B) There is hereby established the vocational school 32237

facilities commission shall provide assistance to joint vocational 32239
school districts for the acquisition of classroom facilities 32240
suitable to the vocational education programs of the districts in 32241
accordance with sections 3318.40 to 3318.45 of the Revised Code. 32242
For purposes of the program, beginning July 1, 2003, the 32243
commission annually may set aside up to two per cent of the 32244
aggregate amount appropriated to it for classroom facilities 32245
assistance projects in ~~the education facilities trust fund,~~ 32246
~~established under section 183.26 of the Revised Code;~~ the public 32247

the Revised Code that when completed will be used exclusively for 32253

an adult education program or exclusively for operation of a 32254
driver training school for instruction leading to the issuance of 32255
a commercial driver's license under Chapter 4506. of the Revised 32256

(D) The commission shall not provide assistance under 32260
sections 3318.40 to 3318.45 of the Revised Code to acquire 32261
classroom facilities for vocational educational instruction at a 32262
location under the control of a school district that is a member 32263
of a joint vocational school district. Any assistance to acquire 32264
classroom facilities for vocational educational instruction at 32265
such location shall be provided to the school district that is a 32266
member of the joint vocational school district through other 32267
provisions of this chapter when that member school district is 32268
eligible for assistance under those provisions. 32269

(E) By September 1, 2003, the commission shall assess the 32270
classroom facilities needs of at least five joint vocational 32271
school districts, according to the order of priority prescribed in 32272
division (B) of section 3318.42 of the Revised Code, and based on 32273
the results of those assessments shall determine the extent to 32274
which amendments to the specifications adopted under section 32275
3318.311 of the Revised Code are warranted. The commission, 32276
thereafter, may amend the specifications as provided in that 32277
section. 32278

(F) After the commission has conducted the assessments 32279
prescribed in division (E) of this section, the commission shall 32280
establish, by rule adopted in accordance with section 111.15 of 32281
the Revised Code, guidelines for the commission to use in deciding 32282
whether to waive compliance with the design specifications adopted 32283
under section 3318.311 of the Revised Code when determining the 32284
number of facilities and the basic project cost of projects as 32285

prescribed in division (A)(1)(a) of section 3318.41 of the Revised Code. The guidelines shall address the following situations:

(1) Under what circumstances, if any, particular classroom facilities are adequate to meet the needs of the school district even though the facilities do not comply with the specifications adopted under section 3318.311 of the Revised Code;

(2) Under what circumstances, if any, particular classroom facilities will be renovated or repaired rather than replaced by construction of new facilities.

committee structure so established by a district board shall 32420
remain in effect unless within thirty days prior to an anniversary 32421
of the date upon which the current committee structure was 32422
established, the board provides notice to all affected district 32423
employees that the committee structure is to be modified. 32424

district appointed by the district superintendent. For committees 32432
with a building-level scope, the teacher and principal members 32433

teacher members shall be elected by majority vote of the classroom 32437
teachers of the district, and the principal member shall be 32438
elected by a majority vote of the principals of the district, 32439

classroom teachers holding such a license and the principal shall 32445
be elected by all principals serving in buildings where any such 32446
teachers serve. The district superintendent shall appoint a 32447
replacement to fill any vacancy that occurs on a professional 32448

such committee shall be classroom teachers employed by the 32458
district. Any member appointed to fill a vacancy occurring prior 32459

term. 32462

The initial meeting of any professional development 32463
committee, upon election and appointment of all committee members, 32464
shall be called by a member designated by the district 32465
superintendent. At this initial meeting, the committee shall 32466
select a chairperson and such other officers the committee deems 32467
necessary, and shall adopt rules for the conduct of its meetings. 32468
Thereafter, the committee shall meet at the call of the 32469
chairperson or upon the filing of a petition with the district 32470
superintendent signed by a majority of the committee members 32471

calling for the committee to meet. 32472

(3) In the case of a school district in which an exclusive 32473
representative has been established pursuant to Chapter 4117. of 32474
the Revised Code, professional development committees shall be 32475
established in accordance with any collective bargaining agreement 32476
in effect in the district that includes provisions for such 32477
committees. 32478

If the collective bargaining agreement does not specify a 32479
different method for the selection of teacher members of the 32480
committees, the exclusive representative of the district's 32481
teachers shall select the teacher members. 32482

If the collective bargaining agreement does not specify a 32483
different structure for the committees, the board of education of 32484
the school district shall establish the structure, including the 32485
number of committees and the number of teacher and administrative 32486
members on each committee; the specific administrative members to 32487
be part of each committee; whether the scope of the committees 32488
will be district levels, building levels, or by type of grade or 32489
age levels for which educator licenses are designated; the lengths 32490
of terms for members; the manner of filling vacancies on the 32491
committees; and the frequency and time and place of meetings. 32492
However, in all cases, except as provided in division (F)(4) of 32493
this section, there shall be a majority of teacher members of any 32494
professional development committee, there shall be at least five 32495
total members of any professional development committee, and the 32496
exclusive representative shall designate replacement members in 32497
the case of vacancies among teacher members, unless the collective 32498
bargaining agreement specifies a different method of selecting 32499
such replacements. 32500

(4) Whenever an administrator's coursework plan is being 32501
discussed or voted upon, the local professional development 32502
committee shall, at the request of one of its administrative 32503

members, cause a majority of the committee to consist of 32504
administrative members by reducing the number of teacher members 32505
voting on the plan. 32506

(G)(1) The department of education, educational service 32507
centers, county boards of developmental disabilities, regional 32508
professional development centers, special education regional 32509
resource centers, college and university departments of education, 32510
head start programs, and the Ohio education computer network may 32511
establish local professional development committees to determine 32512
whether the coursework proposed by their employees who are 32513
licensed or certificated under this section or section 3319.222 of 32514
the Revised Code, or under the former version of either section as 32515
it existed prior to October 16, 2009, meet the requirements of the 32516
rules adopted under this section. They may establish local 32517
professional development committees on their own or in 32518
collaboration with a school district or other agency having 32519
authority to establish them. 32520

Local professional development committees established by 32521
county boards of developmental disabilities shall be structured in 32522
a manner comparable to the structures prescribed for school 32523
districts in divisions (F)(2) and (3) of this section, as shall 32524
the committees established by any other entity specified in 32525
division (G)(1) of this section that provides educational services 32526

licensed or certificated under this section or section 3319.222 of 32528
the Revised Code, or under the former version of either section as 32529
it existed prior to October 16, 2009. All other entities specified 32530
in division (G)(1) of this section shall structure their 32531
committees in accordance with guidelines which shall be issued by 32532
the state board. 32533

(2) Any public agency that is not specified in division 32534
(G)(1) of this section but provides educational services and 32535

employs or contracts for services of classroom teachers licensed 32536
or certificated under this section or section 3319.222 of the 32537
Revised Code, or under the former version of either section as it 32538
existed prior to October 16, 2009, may establish a local 32539
professional development committee, subject to the approval of the 32540
department of education. The committee shall be structured in 32541
accordance with guidelines issued by the state board. 32542

Where it is impractical to transport a pupil by school 32979
conveyance, a board of education may offer payment, in lieu of 32980
providing such transportation in accordance with section 3327.02 32981
of the Revised Code. 32982

A board of education shall not be required to transport 32983
elementary or high school pupils to and from a nonpublic or 32984
community school on Saturday or Sunday, unless a board of 32985
education and a nonpublic or community school have an agreement in 32986
place to do so before the first day of July 1, 2014 of the school 32987
year in which the agreement takes effect. 32988

In all city, local, and exempted village school districts, 32989
the board shall provide transportation for all children who are so 32990
disabled that they are unable to walk to and from the school for 32991
which the state board of education prescribes minimum standards 32992

pursuant to division (D) of section 3301.07 of the Revised Code 32993
and which they attend. In case of dispute whether the child is 32994
able to walk to and from the school, the health commissioner shall 32995
be the judge of such ability. In all city, exempted village, and 32996
local school districts, the board shall provide transportation to 32997
and from school or special education classes for mentally disabled 32998
children in accordance with standards adopted by the state board 32999
of education. 33000

When transportation of pupils is provided the conveyance 33001
shall be run on a time schedule that shall be adopted and put in 33002
force by the board not later than ten days after the beginning of 33003
the school term. 33004

The cost of any transportation service authorized by this 33005
section shall be paid first out of federal funds, if any, 33006
available for the purpose of pupil transportation, and secondly 33007
out of state appropriations, in accordance with regulations 33008
adopted by the state board of education. 33009

No transportation of any pupils shall be provided by any 33010
board of education to or from any school which in the selection of 33011
pupils, faculty members, or employees, practices discrimination 33012
against any person on the grounds of race, color, religion, or 33013
national origin. 33014

Sec. 3327.02. (A) After considering each of the following 33015
factors, the board of education of a city, exempted village, or 33016
local school district, or a community school governing authority 33017
providing transportation pursuant to section 3314.091 of the 33018
Revised Code, may determine that it is impractical to transport a 33019
pupil who is eligible for transportation to and from a school 33020
under section 3327.01 of the Revised Code: 33021

(1) The time and distance required to provide the 33022
transportation; 33023

| (5) Whether and to what extent the additional service unavoidably disrupts current transportation schedules; | 33029 33030 |
| (6) Whether other reimbursable types of transportation are available. | 33031 33032 |
| (B) (1) Based on its consideration of the factors established in division (A) of this section, the board <u>or governing authority</u> may pass a resolution declaring the impracticality of transportation. The resolution shall include each pupil's name and the reason for impracticality. | 33033 33034 33035 33036 33037 |

| (3) The board of education of a local school district additionally shall submit the resolution for concurrence to the educational service center that contains the local district's territory. If the educational service center governing board considers transportation by school conveyance practicable, it shall so inform the local board and transportation shall be provided by such local board. If the educational service center board agrees with the view of the local board, the local board may offer payment in lieu of transportation as provided in this section. | 33041 33042 33043 33044 33045 33046 33047 33048 33049 33050 |

(1) In accordance with guidelines established by the 33055
department of education, informing the pupil's parent, guardian, 33056
or other person in charge of the pupil of both of the following: 33057

(a) The ~~board's~~ resolution; 33058

(b) The right of the pupil's parent, guardian, or other 33059

lieu of transportation or to reject the offer and instead request 33061
the department to initiate mediation procedures. 33062

(2) Issuing the pupil's parent, guardian, or other person in 33063
charge of the pupil a contract or other form on which the parent, 33064
guardian, or other person in charge of the pupil is given the 33065
option to accept or reject the board's offer of payment in lieu of 33066
transportation. 33067

(D) If the parent, guardian, or other person in charge of the 33068
pupil accepts the offer of payment in lieu of providing 33069
transportation, the board or governing authority shall pay the 33070
parent, guardian, or other person in charge of the pupil an amount 33071
that shall be not less than the amount determined by the general 33072
assembly as the minimum for payment in lieu of transportation, and 33073
not more than the amount determined by the department of education 33074
as the average cost of pupil transportation for the previous 33075
school year. Payment may be prorated if the time period involved 33076
is only a part of the school year. 33077

(E)(1)(a) Upon the request of a parent, guardian, or other 33078
person in charge of the pupil who rejected the payment in lieu of 33079
transportation, the department shall conduct mediation procedures. 33080

(b) If the mediation does not resolve the dispute, the state 33081
board of education shall conduct a hearing in accordance with 33082
Chapter 119. of the Revised Code. The state board may approve the 33083
payment in lieu of transportation or may order the district board 33084

of education or governing authority to provide transportation. The 33085
decision of the state board is binding in subsequent years and on 33086
future parties in interest provided the facts of the determination 33087
remain comparable. 33088

(2) The school district or governing authority shall provide 33089
transportation for the pupil from the time the parent, guardian, 33090
or other person in charge of the pupil requests mediation until 33091
the matter is resolved under division (E)(1)(a) or (b) of this 33092
section. 33093

(F)(1) If the department determines that a school district 33094
board or governing authority has failed or is failing to provide 33095
transportation as required by division (E)(2) of this section or 33096
as ordered by the state board under division (E)(1)(b) of this 33097
section, the department shall order the school district board or 33098
governing authority to pay to the pupil's parent, guardian, or 33099
other person in charge of the pupil, an amount equal to the state 33100
average daily cost of transportation as determined by the state 33101
board of education for the previous year. The school district 33102
board or governing authority shall make payments on a schedule 33103
ordered by the department. 33104

(2) If the department subsequently finds that a school 33105
district board is not in compliance with an order issued under 33106
division (F)(1) of this section and the affected pupils are 33107
enrolled in a nonpublic or community school, the department shall 33108
deduct the amount that the board is required to pay under that 33109
order from any pupil transportation payments the department makes 33110
to the school district board under section 3317.0212 of the 33111
Revised Code or other provisions of law. The department shall use 33112
the moneys so deducted to make payments to the nonpublic or 33113
community school attended by the pupil. The department shall 33114
continue to make the deductions and payments required under this 33115
division until the school district board either complies with the 33116

department's order issued under division (F)(1) of this section or 33117
begins providing transportation. 33118

(G) A nonpublic or community school that receives payments 33119
from the department under division (F)(2) of this section shall do 33120
either of the following: 33121

(1) Disburse the entire amount of the payments to the parent, 33122
guardian, or other person in charge of the pupil affected by the 33123
failure of the school district of residence to provide 33124
transportation; 33125

(2) Use the entire amount of the payments to provide 33126
acceptable transportation for the affected pupil. 33127

Sec. 3328.24. A college-preparatory boarding school 33128

school's board of trustees were a district board of education. 33134

Sec. 3332.10. (A) No individual shall sell any program or 33135
solicit students therefor in this state unless the individual is 33136

whether on or off school premises, is to solicit prospective 33138
students shall first secure a permit as an agent from the state 33139
board of career colleges and schools. If the agent represents more 33140
than one school, a separate permit shall be obtained for each 33141
school represented by the agent. An agent who represents a person 33142

3332.07 of the Revised Code. 33157

(C) Each school subject to this chapter shall assume full 33158
responsibility for the actions, statements, and conduct of its 33159
agents, and shall provide them with adequate training and arrange 33160
for proper supervision of their work. The board shall hold schools 33161
liable for the actions, statements, and conduct of agents that 33162
violate any provision of this chapter, unless an agent's acts or 33163
omissions were manifestly outside the scope of the agent's 33164
employment or official responsibilities. 33165

The ~~chancellor~~ director shall adopt rules requiring institutions to provide information regarding an appeal to the ~~chancellor~~ director.

authorization pursuant to Chapter 1713. of the Revised Code. 34542

(C)(1) The ~~chancellor~~ director shall establish and administer 34543
a needs-based financial aid grants program based on the United 34544
States department of education's method of determining financial 34545
need. The program shall be known as the Ohio college opportunity 34546

provide grants to all eligible students, the ~~chancellor~~ director 34552
shall do one of the following: 34553

(2) The needs-based financial aid grant shall be paid to the 34563
eligible student through the institution in which the student is 34564

and upon the basis of information provided in conjunction with 34569

student assistance programs funded by agencies of the United States government or from financial resources of the institution of higher education. The institution shall certify that the student applicant meets the requirements set forth in division (B) of this section. No student shall be eligible to receive a grant for more than ten semesters, fifteen quarters, or the equivalent of five academic years. A grant made to an eligible student on the basis of less than full-time enrollment shall be based on the number of credit hours for which the student is enrolled and shall be computed in accordance with a formula adopted by rule issued by the ~~chancellor~~ director. No student shall receive more than one grant on the basis of less than full-time enrollment.

(D)(1) Except as provided in division (D)(4) of this section, no grant awarded under this section shall exceed the total state cost of attendance.

(2) Subject to divisions (D)(1), (3), and (4) of this section, the amount of a grant awarded to a student under this section shall equal the student's remaining state cost of attendance after the student's Pell grant and expected family contribution are applied to the instructional and general charges for the undergraduate program. However, for students enrolled in a state university or college as defined in section 3345.12 of the Revised Code or a university branch, the ~~chancellor~~ director may provide that the grant amount shall equal the student's remaining instructional and general charges for the undergraduate program after the student's Pell grant and expected family contribution have been applied to those charges, but, in no case, shall the grant amount for such a student exceed any maximum that the

~~chancellor~~ director may set by rule. 34602

(3) For a student enrolled for a semester or quarter in 34603
addition to the portion of the academic year covered by a grant 34604
under this section, the maximum grant amount shall be a percentage 34605
of the maximum specified in any table established in rules adopted 34606
by the ~~chancellor~~ director as provided in division (A) of this 34607
section. The maximum grant for a fourth quarter shall be one-third 34608
of the maximum amount so prescribed. The maximum grant for a third 34609
semester shall be one-half of the maximum amount so prescribed. 34610

(4) If a student is enrolled in a two-year institution of 34611
higher education and is eligible for an education and training 34612
voucher through the Ohio education and training voucher program 34613
that receives federal funding under the John H. Chafee foster care 34614
independence program, 42 U.S.C. 677, the amount of a grant awarded 34615
under this section may exceed the total state cost of attendance 34616
to additionally cover housing costs. 34617

(E) No grant shall be made to any student in a course of 34618
study in theology, religion, or other field of preparation for a 34619
religious profession unless such course of study leads to an 34620
accredited bachelor of arts, bachelor of science, associate of 34621
arts, or associate of science degree. 34622

(F)(1) Except as provided in division (F)(2) of this section, 34623
no grant shall be made to any student for enrollment during a 34624
fiscal year in an institution with a cohort default rate 34625

the "Higher Education Amendments of 1986," 100 Stat. 1278, 1408, 34627
20 U.S.C.A. 1085, as amended, as of the fifteenth day of June 34628
preceding the fiscal year, equal to or greater than thirty per 34629
cent for each of the preceding two fiscal years. 34630

(2) Division (F)(1) of this section does not apply in the 34631
case of either of the following: 34632

(a) The institution pursuant to federal law appeals its loss of eligibility for federal financial aid and the United States secretary of education determines its cohort default rate after recalculation is lower than the rate specified in division (F)(1) of this section or the secretary determines due to mitigating circumstances that the institution may continue to participate in federal financial aid programs. The ~~chancellor~~ director shall adopt rules requiring any such appellant to provide information to the ~~chancellor~~ director regarding an appeal.

(b) Any student who has previously received a grant pursuant to any provision of this section, including prior to the section's amendment by H.B. 1 of the 128th general assembly, effective July 17, 2009, and who meets all other eligibility requirements of this section.

(3) The ~~chancellor~~ director shall adopt rules for the notification of all institutions whose students will be ineligible to participate in the grant program pursuant to division (F)(1) of this section.

(4) A student's attendance at any institution whose students are ineligible for grants due to division (F)(1) of this section shall not affect that student's eligibility to receive a grant when enrolled in another institution.

(G) Institutions of higher education that enroll students receiving needs-based financial aid grants under this section shall report to the ~~chancellor~~ director all students who have received such needs-based financial aid grants but are no longer eligible for all or part of those grants and shall refund any moneys due the state within thirty days after the beginning of the quarter or term immediately following the quarter or term in which the student was no longer eligible to receive all or part of the student's grant. There shall be an interest charge of one per cent per month on all moneys due and payable after such thirty-day

period. The ~~chancellor~~ director shall immediately notify the 34665
office of budget and management and the legislative service 34666
commission of all refunds so received. 34667

Sec. 3333.123. (A) As used in this section: 34668

program established under section 3333.122 of the Revised Code. 34670

(2) "Rules for the Ohio college opportunity grant program" 34671
means the rules authorized in division (R) of section 3333.04 of 34672
the Revised Code for the implementation of the program. 34673

(B) In adopting rules for the Ohio college opportunity grant 34674
program, the ~~chancellor of the Ohio board of regents~~ director of 34675
higher education may include provisions that give preferential or 34676
priority funding to low-income students who in their primary and 34677
secondary school work participate in or complete rigorous academic 34678
coursework, attain passing scores on the assessments prescribed in 34679
section 3301.0710 or 3301.0712 of the Revised Code, or meet other 34680
high academic performance standards determined by the ~~chancellor~~ 34681

receipt of the certification, the director of budget and 34697

opportunity grant program reserve fund shall be used to pay grant 34701
obligations in excess of the general revenue fund appropriations 34702
made for that purpose. 34703

The director of budget and management may transfer any 34704
unencumbered balance from the Ohio college opportunity grant 34705
program reserve fund to the general revenue fund. 34706

If it is determined that general revenue fund appropriations 34707
are insufficient to meet the obligations of the Ohio college 34708
opportunity grant program in a fiscal year, the director of budget 34709
and management may transfer funds from the Ohio college 34710
opportunity grant program reserve fund to the general revenue fund 34711
in order to meet those obligations. The amount transferred is 34712
hereby appropriated. If the funds transferred from the Ohio 34713
college opportunity grant program reserve fund are not needed, the 34714
director of budget and management may transfer the unexpended 34715
balance from the general revenue fund back to the Ohio college 34716
opportunity grant program reserve fund. 34717

Sec. 3333.13. (A) Money appropriated to the ~~chancellor of the~~ 34718

director of budget and management shall include in the state 34733
budget estimates provided for in section 126.02 of the Revised 34734
Code the estimated amount of all such payments to be made during 34735
the next biennium, and this amount shall be included in the state 34736
budget to be submitted by the governor to the general assembly 34737

agreements made under division (B) of section 154.21 of the 34746
Revised Code. The certification shall state the amounts and dates 34747
of payment required therefor and the amounts to be credited 34748
pursuant to such leases and agreements to the higher education 34749
bond service trust fund and other special funds established 34750
pursuant to Chapter 154. of the Revised Code. If the director of 34751
budget and management finds such certification to be correct, the 34752
director shall promptly add the director's certification thereto 34753
and submit it to the treasurer of state. Such annual certification 34754
shall be supplemented in similar manner upon the execution of each 34755
new lease or agreement, any supplement to an existing lease or 34756
agreement, or any amendment thereof, affecting the amounts of 34757
those payments. 34758

institution as defined by the ~~chancellor~~ director. The plan of 34769
transition shall provide for the dissolution of such technical 34770
education programs either by transfer of a program's lands, 34771
buildings, and equipment to one of the above such institutions or 34772
by complete termination of the technical education program. 34773

Sec. 3333.15. If the board of trustees of a state university 34774
fails to undertake appropriate action to establish a university 34775
branch campus within one year from the enactment of a capital 34776
improvement appropriation for the development of such university 34777
branch facility, the ~~chancellor of the Ohio board of regents~~ 34778
director of higher education may act as the ~~chancellor~~ director 34779
deems necessary in place of the board of trustees, including 34780
securing the release of construction planning and construction 34781

Sec. 3333.16. As used in this section "state institution of 34788

education and transfer coursework and degrees to any other state 34796
institution of higher education without unnecessary duplication or 34797
institutional barriers. The purpose of this requirement is to 34798
allow students to attain their highest educational aspirations in 34799
the most efficient and effective manner for the students and the 34800
state. These policies and procedures shall require state 34801
institutions of higher education to make changes or modifications, 34802

equivalency for that course at any state institution of higher 34804
education. 34805

(2) Develop and implement a universal course equivalency 34806
classification system for state institutions of higher education 34807
so that the transfer of students and the transfer and articulation 34808
of equivalent courses or specified learning modules or units 34809
completed by students are not inhibited by inconsistent judgment 34810
about the application of transfer credits. Coursework completed 34811
within such a system at one state institution of higher education 34812
and transferred to another institution shall be applied to the 34813
student's degree objective in the same manner as equivalent 34814
coursework completed at the receiving institution. 34815

(3) Develop a system of transfer policies that ensure that 34816
graduates with associate degrees which include completion of 34817
approved transfer modules shall be admitted to a state institution 34818
of higher education, shall be able to compete for admission to 34819
specific programs on the same basis as students native to the 34820

institution, and shall have priority over out-of-state associate 34821
degree graduates and transfer students. To assist a student in 34822

developed by the ~~chancellor~~ director. 34826

(4) Examine the feasibility of developing a transfer 34827
marketing agenda that includes materials and interactive 34828
technology to inform the citizens of Ohio about the availability 34829
of transfer options at state institutions of higher education and 34830
to encourage adults to return to colleges and universities for 34831
additional education; 34832

(5) Study, in consultation with the state board of career 34833
colleges and schools, and in light of existing criteria and any 34834
other criteria developed by the articulation and transfer advisory 34835
council, the feasibility of credit recognition and transferability 34836
to state institutions of higher education for graduates who have 34837
received associate degrees from a career college or school with a 34838
certificate of registration from the state board of career 34839
colleges and schools under Chapter 3332. of the Revised Code. 34840

(B) All provisions of the existing articulation and transfer 34841
policy developed by the ~~Ohio board of regents~~ director shall 34842

programs. The rules shall require an articulation agreement 34857
between institutions to include all of the following: 34858

(1) The development of a transfer module for teacher 34859
education that includes introductory level courses that are 34860
evaluated as appropriate by faculty employed by the state 34861
institutions of higher education that are parties to the 34862
articulation agreement; 34863

(2) A foundation of general studies courses that have been 34864
identified as part of the transfer module for teacher education 34865
and have been evaluated as appropriate for the preparation of 34866
teachers and consistent with the academic content standards 34867
adopted under section 3301.079 of the Revised Code; 34868

(3) A clear identification of university faculty who are 34869

~~regents~~ director of higher education, in consultation with the 34877
department of education, public adult and secondary 34878
career-technical education institutions, and state institutions of 34879
higher education, shall establish criteria, policies, and 34880

procedures that enable students to transfer agreed upon technical 34881
courses completed through an adult career-technical education 34882
institution, a public secondary career-technical institution, or a 34883
state institution of higher education to a state institution of 34884
higher education without unnecessary duplication or institutional 34885
barriers. The courses to which the criteria, policies, and 34886
procedures apply shall be those that adhere to recognized industry 34887
standards and equivalent coursework common to the secondary career 34888
pathway and adult career-technical education system and regionally 34889
accredited state institutions of higher education. Where 34890
applicable, the policies and procedures shall build upon the 34891
articulation agreement and transfer initiative course equivalency 34892
system required by section 3333.16 of the Revised Code. 34893

Sec. 3333.163. (A) As used in this section, "state 34894

(1) If a student is enrolled in more than eighteen credit 38023
hours per semester, or the equivalent number of credit hours per 38024

the first cohort enrolled under the tuition guarantee program. If 38068
the board of trustees determines that economic conditions or other 38069
circumstances require an increase for the first cohort of above 38070
six per cent, the board shall submit a request to increase the 38071

such a request. Thereafter, the board of trustees may increase the 38075
guaranteed amount by up to the sum of the following above what has 38076
been charged in the previous academic year one time per subsequent 38077
cohort: 38078

items), for the previous sixty-month period; and 38082

(b) The percentage amount the general assembly restrains 38083

enact a limit on the increase of in-state undergraduate 38086
instructional and general fees, then no limit shall apply under 38087
this division for the cohort that first enrolls in any academic 38088

lower than those of other state universities, the board of 38094
trustees may submit a request to increase the amount charged to a 38095
cohort by a specified percentage to the ~~chancellor~~ director, who 38096
shall approve or disapprove such a request. 38097

(3) A benchmark by which the board sets annual increases in 38098
general and instructional fees. This benchmark and any subsequent 38099
change to the benchmark shall be subject to approval of the 38100
~~chancellor~~ director. 38101

(4) Eligibility requirements for students to participate in 38102
the program; 38103

(5) Student rights and privileges under the program; 38104

(6) Consequences to the university for students unable to 38105
complete a degree program within four years, as follows: 38106

years due to a lack of available classes or space in classes 38108
provided by the university, the university shall provide the 38109
necessary course or courses for completion to the student free of 38110
charge. 38111

years due to military service or other circumstances beyond a 38113

student's control, as determined by the board of trustees, the 38114
university shall provide the necessary course or courses for 38115
completion to the student at the student's initial cohort rate. 38116

(c) For a student who did not complete the program in four 38117
years for any other reason, as determined by the board of 38118
trustees, the university shall provide the necessary course or 38119

a method established by the board under division (B)(7) of this 38121
section. 38122

(7) Guidelines for adjusting a student's annual charges if 38123
the student, due to circumstances under the student's control, is 38124
unable to complete a degree program within four years; 38125

(8) A requirement that the rules adopted under division (B) 38126
of this section be published or posted in the university handbook, 38127
course catalog, and web site. 38128

(B) of this section to the ~~chancellor~~ director for approval before 38131
beginning implementation of the program. 38132

The ~~chancellor~~ director shall not unreasonably withhold 38133
approval of a program if the program conforms in principle with 38134
the parameters and guidelines of this section. 38135

(D) A board of trustees of a state university may establish 38136
an undergraduate tuition guarantee program for nonresident 38137
students. 38138

(E) Within five years after ~~the effective date of this~~ 38139
~~section~~ September 29, 2013, the ~~chancellor~~ director shall publish 38140

The owner or operator may request, in writing, an extension of not more than thirty days after the last day of the month to which the return applies. A request for extension may be denied. If the owner or operator submits the money late, the owner or operator shall pay a penalty of ten per cent of the amount of the money due for each month that it is late.

(4) Of the money that is submitted by a construction and demolition debris facility or a solid waste facility on a per cubic yard or per ton basis under this section, a board of health shall transmit three cents per cubic yard or six cents per ton, as applicable, to the director not later than forty-five days after the receipt of the money. (B) The board of health of a health district or the director 40552
may enter into an agreement with the owner or operator of a 40553
construction and demolition debris facility or a solid waste 40554
facility for the quarterly payment of money generated from the 40555
disposal fee as calculated in division (A)(3) of this section. The 40556
board of health shall notify the director of any such agreement. 40557

yard or up to six cents per ton of the disposal fee required to be 40615
paid by the facility under division (A)(1) of this section for the 40616
same purposes that a solid waste management district may levy a 40617
fee under division (B) of section 3734.57 of the Revised Code. 40618

The board of county commissioners may appropriate the money 40619
from the fee by adopting a resolution establishing the amount of 40620
the fee to be appropriated. Upon doing so, the board of county 40621
commissioners shall mail a certified copy of the resolution to the 40622
board of health of the health district in which the construction 40623
and demolition debris facility or the solid waste facility is 40624
located or, if the facility is located in a health district that 40625
is not on the approved list under section 3714.09 of the Revised 40626

specified in the license issued to the facility under section 40663
3714.06 of the Revised Code, are not placed within the unloading 40664

shall place each health district that is on the approved list 40755

under division (A) or (B) of section 3734.08 of the Revised Code 40756
on the approved list for the purposes of issuing permits to 40757
install and licenses under this chapter. Any survey or resurvey of 40758
any such health district conducted under section 3734.08 of the 40759
Revised Code shall also determine whether there is substantial 40760
compliance with this chapter. If the director removes any such 40761
health district from the approved list under division (B) of that 40762
section, the director shall also remove the health district from 40763
the approved list under this division and shall administer and 40764

district is placed on the approved list under division (B) of 40766
section 3734.08 of the Revised Code or division (B)(1) of this 40767
section. 40768

(B)(1) Upon the request of the board of health of a health 40769
district that is not on the approved list under division (A) or 40770
(B) of section 3734.08 of the Revised Code, the director may place 40771
the board on the approved list for the purpose of permitting and 40772
licensing construction and demolition debris facilities under this 40773
chapter if the director determines that the board is both capable 40774
of and willing to enforce all of the applicable requirements of 40775
this chapter and rules adopted under it. 40776

(2) The director shall annually survey each health district 40777
on the approved list under division (B)(1) of this section to 40778
determine whether there is substantial compliance with this 40779
chapter and rules adopted under it. Upon determining that there is 40780
substantial compliance, the director shall place the health 40781
district on the approved list under that division. The director 40782
shall make a resurvey when in the director's opinion a resurvey is 40783
necessary and shall remove from the approved list under division 40784
(B)(1) of this section any health district not substantially 40785
complying with this chapter and rules adopted under it. 40786

(3) If, after a survey or resurvey is made under division 40787

(B)(2) of this section, the director determines that a health district is not eligible to be placed on the approved list or to continue on that list, the director shall certify that fact to the board of health of the health district and shall administer and enforce this chapter and rules adopted under it in the health district until such time as the health district is placed on the approved list.

(4) Whenever the director is required to administer and enforce this chapter in any health district under division (A) or (B)(3) of this section, the director is hereby vested with all of the authority and all the duties granted to or imposed upon a board of health under this chapter and rules adopted under it within the health district. All disposal fees required to be paid to a board of health by section 3714.07 of the Revised Code and all such previous fees paid to the board, together with any money from construction and demolition debris facility license fees that were required to be paid to the board under section 3714.07 of the Revised Code as that section existed prior to April 15, 2005, that have not been expended or encumbered shall be paid to the director and deposited by the director in the state treasury to the credit of the ~~construction and demolition debris facility oversight~~ waste management fund created in section ~~3714.07~~ 3734.061 of the Revised Code.

(C) Nothing in this chapter limits the authority of the director to initiate and pursue any administrative remedy or to request the attorney general, the prosecuting attorney of the appropriate county, or the city director of law of the appropriate city to initiate and pursue any appropriate judicial remedy available under this chapter to enforce any provision of this chapter and any rules or terms or conditions of any permit or license or order adopted or issued under this chapter with respect to any construction and demolition debris facility regardless of

whether the facility is located in a health district that is on 40820
the approved list under this section. 40821

Sec. 3717.49. (A) A licensor may suspend or revoke a food 40822
service operation license on determining that the license holder 40823
is in violation of any requirement of this chapter or the rules 40824
adopted under it applicable to food service operations, including 40825
a violation evidenced by the documented failure to maintain 40826
sanitary conditions within the operation. 40827

(B) A licensor may revoke a food service operation license on 40828
determining that the license holder has three or more violations 40829
that occurred after the effective date of this amendment for 40830
failure to enforce or observe the prohibitions contained in 40831
section 3794.02 of the Revised Code within a two-year period or 40832
failure to pay a civil fine that occurred after the effective date 40833
of this amendment that is in excess of one thousand dollars 40834
associated with a violation of section 3794.02 of the Revised 40835
Code. A decision to revoke a food service operation license under 40836
this division may be appealed under division (C) or (D) of this 40837
section. 40838

(C)(1) Except in the case of a violation that presents an 40839
immediate danger to the public health, prior to initiating action 40840
to suspend or revoke a food service operation license, the 40841
licensor shall give the license holder written notice specifying 40842
each violation and a reasonable time within which each violation 40843
must be corrected to avoid suspension or revocation of the 40844
license. The licensor may extend the time specified in the notice 40845
for correcting a violation if the license holder is making a good 40846
faith effort to correct it. 40847

If the license holder fails to correct the violation in the 40848
time granted by the licensor, the licensor may initiate action to 40849
suspend or revoke the food service operation license by giving the 40850

license holder written notice of the proposed suspension or 40851
revocation. The licensor shall include in the notice a description 40852
of the procedure for appealing the proposed suspension or 40853
revocation. The license holder may appeal the proposed suspension 40854
or revocation by giving written notice to the licensor. The 40855
license holder shall specify in the notice whether a hearing is 40856
requested. The appeal shall be conducted in accordance with 40857
division ~~(B)~~(C)(3) of this section. 40858

Any action that may be taken by a licensor under division 40859
~~(B)~~(C)(1) of this section may be taken by a health commissioner or 40860
other person employed by the licensor if the person or health 40861
commissioner is authorized by the licensor to take the action. 40862

(2)(a) If actions are initiated to revoke or, except in the 40863
case of a violation that presents an immediate danger to the 40864
public health, to suspend a food service operation license, the 40865
licensor shall determine whether to revoke or suspend the license 40866
as follows: 40867

(i) If the licensor is a board of health, by a majority vote 40868
of the members of the board present at a meeting at which there is 40869
a quorum; 40870

(ii) If the director of health is acting as the licensor, by 40871
decision of the director. 40872

(b) If the licensor determines to revoke or suspend the 40873
license, the licensor shall issue an order revoking or suspending 40874
the license. 40875

(3) An appeal made under division ~~(B)~~(C)(1) of this section 40876
shall be conducted in accordance with procedures established in 40877
rules adopted by the director of health under section 3717.52 of 40878
the Revised Code. If a hearing is requested, it shall be held 40879
prior to the issuance of an order under division ~~(B)~~(C)(2) of this 40880
section, but may be conducted at the meeting at which issuance of 40881

the order is considered. 40882

~~(C)~~(D)(1) On determining that a license holder is in 40883
violation of any requirement of this chapter or the rules adopted 40884
under it applicable to food service operations and that the 40885
violation presents an immediate danger to the public health, the 40886
licensor may suspend the food service operation license without 40887
giving written notice or affording the license holder the 40888
opportunity to correct the violation. If the license holder is 40889
operating a mobile or catering food service operation, either the 40890
licensor that issued the license or the licensor for the health 40891
district in which the operation is being operated may suspend the 40892
license. 40893

A suspension under division ~~(C)~~(D)(1) of this section takes 40894
effect immediately and remains in effect until the licensor lifts 40895
the suspension. When a mobile food service operation license is 40896
suspended under this division, the licensor that suspended the 40897
license shall hold the license until the suspension is lifted and 40898
the licensor receives from the license holder written notice of 40899
the next location at which the license holder proposes to operate 40900
the food service operation. 40901

After suspending a license under division ~~(C)~~(D)(1) of this 40902
section, the licensor shall give the license holder written notice 40903
of the procedure for appealing the suspension. The license holder 40904
may appeal the suspension by giving written notice to the licensor 40905
and specifying in the notice whether a hearing is requested. The 40906
appeal shall be conducted in accordance with division ~~(C)~~(D)(2) of 40907
this section. 40908

Any action that may be taken by a licensor under division 40909
~~(C)~~(D)(1) of this section may be taken by a health commissioner if 40910
the health commissioner is authorized by the licensor to take the 40911
action. A health commissioner who suspends a license under this 40912
authority may, on determining that there is no longer an immediate 40913

danger to the public health, lift the suspension without 40914
consulting the licensor. 40915

(2)(a) If the license holder appeals a suspension under 40916
division ~~(C)~~(D)(1) of this section, the licensor shall determine 40917
whether the immediate danger to the public health continues to 40918
exist as follows: 40919

(i) If the licensor is a board of health, by majority vote of 40920
the members of the board present at a meeting at which there is a 40921
quorum; 40922

(ii) If the director of health is acting as the licensor, by 40923
decision of the director. 40924

will be located, maintained, and operated, and will undergo 41640
closure and post-closure care, in a sanitary manner so as not to 41641
create a nuisance, cause or contribute to water pollution, create 41642
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 41643
257.3-8, as amended. The rules may include, without limitation, 41644

the public health or safety or the environment. Applications for 41668
variances shall contain such detail plans, specifications, and 41669
information regarding objectives, procedures, controls, and other 41670
pertinent data as the director may require. The director shall 41671
grant a variance only if the applicant demonstrates to the 41672

director's satisfaction that construction and operation of the 41673

the environment. In granting any variance, the director shall 41677
state the specific provision or provisions whose terms are to be 41678
varied and also shall state specific terms or conditions imposed 41679
upon the applicant in place of the provision or provisions. ~~The~~ 41680

The director may hold a public hearing on an application for 41681

principal office of the environmental protection agency a current 41690
list of pending applications for variances and a current schedule 41691
of pending variance hearings. The director shall make a complete 41692
stenographic record of testimony and other evidence submitted at 41693

written determination to issue, renew, or deny the variance and 41696
shall enter the determination and the basis for it into the record 41697
of the hearing. The director shall issue, renew, or deny an 41698
application for a variance or renewal of a variance within six 41699
months of the date upon which the director receives a complete 41700
application with all pertinent information and data required. No 41701
variance shall be issued, revoked, modified, or denied until the 41702
director has considered the relative interests of the applicant, 41703
other persons and property affected by the variance, and the 41704

general public. Any variance granted under this division shall be 41705
for a period specified by the director and may be renewed from 41706

facility, without submitting an application for a permit with 41728
accompanying detail plans, specifications, and information 41729
regarding the facility and method of operation and receiving a 41730
permit issued by the director, except that no permit shall be 41731

for which the director has denied a permit for which an 41737
application was required under division (A)(3) of section 3734.05 41738
of the Revised Code, or for which the director has disapproved 41739
plans and specifications required to be filed by an order issued 41740
under division (A)(5) of that section, after the date prescribed 41741
for commencement of closure of the facility in the order issued 41742
under division (A)(6) of section 3734.05 of the Revised Code 41743
denying the permit application or approval. 41744

On and after the effective date of the rules adopted under 41745

transfer facility without first submitting an application for a 41749
permit with accompanying engineering detail plans, specifications, 41750
and information regarding the facility and its method of operation 41751
to the director and receiving a permit issued by the director. 41752

No person shall establish a new compost facility or continue 41753

(E)(1) As used in this division: 41797

(a) "On-site facility" means a facility that stores, treats, 41798
or disposes of hazardous waste that is generated on the premises 41799
of the facility. 41800

(b) "Off-site facility" means a facility that stores, treats, 41801
or disposes of hazardous waste that is generated off the premises 41802
of the facility and includes such a facility that is also an 41803
on-site facility. 41804

(c) "Satellite facility" means any of the following: 41805

(i) An on-site facility that also receives hazardous waste 41806
from other premises owned by the same person who generates the 41807
waste on the facility premises; 41808

(ii) An off-site facility operated so that all of the 41809
hazardous waste it receives is generated on one or more premises 41810
owned by the person who owns the facility; 41811

(iii) An on-site facility that also receives hazardous waste 41812
that is transported uninterruptedly and directly to the facility 41813
through a pipeline from a generator who is not the owner of the 41814
facility. 41815

(2) Except as provided in division (E)(3) of this section, no 41816
person shall establish or operate a hazardous waste facility, or 41817
use a solid waste facility for the storage, treatment, or disposal 41818
of any hazardous waste, without a hazardous waste facility 41819
installation and operation permit issued in accordance with 41820
section 3734.05 of the Revised Code and subject to the payment of 41821
an application fee not to exceed one thousand five hundred 41822
dollars, payable upon application for a hazardous waste facility 41823
installation and operation permit and upon application for a 41824
renewal permit issued under division (H) of section 3734.05 of the 41825
Revised Code, to be credited to the hazardous waste facility 41826
management fund created in section 3734.18 of the Revised Code. 41827
The term of a hazardous waste facility installation and operation 41828

permit shall not exceed ten years. 41829

In addition to the application fee, there is hereby levied an 41830
annual permit fee to be paid by the permit holder upon the 41831
anniversaries of the date of issuance of the hazardous waste 41832
facility installation and operation permit and of any subsequent 41833
renewal permits and to be credited to the hazardous waste facility 41834
management fund. Annual permit fees totaling forty thousand 41835
dollars or more for any one facility may be paid on a quarterly 41836
basis with the first quarterly payment each year being due on the 41837
anniversary of the date of issuance of the hazardous waste 41838
facility installation and operation permit and of any subsequent 41839

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment

of a part of the appropriate fee indicated by the schedule that 41893
bears the same relationship to the total fee that the number of 41894
days remaining until the next anniversary date at which payment of 41895
the annual permit fee is due bears to three hundred sixty-five. 41896

The director, by rules adopted in accordance with Chapters 41897
119. and 3745. of the Revised Code, shall prescribe procedures for 41898
collecting the annual permit fee established by this division and 41899
may prescribe other requirements necessary to carry out this 41900
division. 41901

(3) The prohibition against establishing or operating a 41902
hazardous waste facility without a hazardous waste facility 41903
installation and operation permit does not apply to either of the 41904
following: 41905

(a) A facility that is operating in accordance with a permit 41906
renewal issued under division (H) of section 3734.05 of the 41907
Revised Code, a revision issued under division (I) of that section 41908
as it existed prior to August 20, 1996, or a modification issued 41909
by the director under division (I) of that section on and after 41910
August 20, 1996; 41911

(b) Except as provided in division (J) of section 3734.05 of 41912
the Revised Code, a facility that will operate or is operating in 41913
accordance with a permit by rule, or that is not subject to permit 41914
requirements, under rules adopted by the director. In accordance 41915
with Chapter 119. of the Revised Code, the director shall adopt, 41916
and subsequently may amend, suspend, or rescind, rules for the 41917
purposes of division (E)(3)(b) of this section. Any rules so 41918
adopted shall be consistent with and equivalent to regulations 41919
pertaining to interim status adopted under the "Resource 41920
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 41921
6921, as amended, except as otherwise provided in this chapter. 41922

If a modification is requested or proposed for a facility 41923

described in division (E)(3)(a) or (b) of this section, division 41924
(I)(7) of section 3734.05 of the Revised Code applies. 41925

(F) No person shall store, treat, or dispose of hazardous 41926
waste identified or listed under this chapter and rules adopted 41927
under it, regardless of whether generated on or off the premises 41928
where the waste is stored, treated, or disposed of, or transport 41929
or cause to be transported any hazardous waste identified or 41930
listed under this chapter and rules adopted under it to any other 41931
premises, except at or to any of the following: 41932

(1) A hazardous waste facility operating under a permit 41933
issued in accordance with this chapter; 41934

(2) A facility in another state operating under a license or 41935
permit issued in accordance with the "Resource Conservation and 41936
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 41937
amended; 41938

(3) A facility in another nation operating in accordance with 41939
the laws of that nation; 41940

(4) A facility holding a permit issued pursuant to Title I of 41941
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 41942
Stat. 1052, 33 U.S.C.A. 1401, as amended; 41943

(5) A hazardous waste facility as described in division 41944
(E)(3)(a) or (b) of this section. 41945

(G) The director, by order, may exempt any person generating, 41946
collecting, storing, treating, disposing of, or transporting solid 41947
wastes, infectious wastes, or hazardous waste, or processing solid 41948
wastes that consist of scrap tires, in such quantities or under 41949
such circumstances that, in the determination of the director, are 41950
unlikely to adversely affect the public health or safety or the 41951
environment from any requirement to obtain a registration 41952
certificate, permit, or license or comply with the manifest system 41953
or other requirements of this chapter. Such an exemption shall be 41954

consistent with and equivalent to any regulations adopted by the 41955
administrator of the United States environmental protection agency 41956
under the "Resource Conservation and Recovery Act of 1976," 90 41957
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 41958
provided in this chapter. 41959

(H) No person shall engage in filling, grading, excavating, 41960
building, drilling, or mining on land where a hazardous waste 41961
facility, or a solid waste facility, was operated without prior 41962
authorization from the director, who shall establish the procedure 41963
for granting such authorization by rules adopted in accordance 41964
with Chapter 119. of the Revised Code. 41965

A public utility that has main or distribution lines above or 41966
below the land surface located on an easement or right-of-way 41967
across land where a solid waste facility was operated may engage 41968
in any such activity within the easement or right-of-way without 41969
prior authorization from the director for purposes of performing 41970
emergency repair or emergency replacement of its lines; of the 41971
poles, towers, foundations, or other structures supporting or 41972
sustaining any such lines; or of the appurtenances to those 41973
structures, necessary to restore or maintain existing public 41974
utility service. A public utility may enter upon any such easement 41975
or right-of-way without prior authorization from the director for 41976
purposes of performing necessary or routine maintenance of those 41977
portions of its existing lines; of the existing poles, towers, 41978
foundations, or other structures sustaining or supporting its 41979
lines; or of the appurtenances to any such supporting or 41980
sustaining structure, located on or above the land surface on any 41981
such easement or right-of-way. Within twenty-four hours after 41982
commencing any such emergency repair, replacement, or maintenance 41983
work, the public utility shall notify the director or the 41984
director's authorized representative of those activities and shall 41985
provide such information regarding those activities as the 41986

director or the director's representative may request. Upon 41987
completion of the emergency repair, replacement, or maintenance 41988
activities, the public utility shall restore any land of the solid 41989
waste facility disturbed by those activities to the condition 41990
existing prior to the commencement of those activities. 41991

(I) No owner or operator of a hazardous waste facility, in 41992
the operation of the facility, shall cause, permit, or allow the 41993
emission therefrom of any particulate matter, dust, fumes, gas, 41994
mist, smoke, vapor, or odorous substance that, in the opinion of 41995
the director, unreasonably interferes with the comfortable 41996
enjoyment of life or property by persons living or working in the 41997
vicinity of the facility, or that is injurious to public health. 41998
Any such action is hereby declared to be a public nuisance. 41999

(J) Notwithstanding any other provision of this chapter, in 42000
the event the director finds an imminent and substantial danger to 42001
public health or safety or the environment that creates an 42002
emergency situation requiring the immediate treatment, storage, or 42003
disposal of hazardous waste, the director may issue a temporary 42004
emergency permit to allow the treatment, storage, or disposal of 42005
the hazardous waste at a facility that is not otherwise authorized 42006
by a hazardous waste facility installation and operation permit to 42007
treat, store, or dispose of the waste. The emergency permit shall 42008
not exceed ninety days in duration and shall not be renewed. The 42009
director shall adopt, and may amend, suspend, or rescind, rules in 42010
accordance with Chapter 119. of the Revised Code governing the 42011
issuance, modification, revocation, and denial of emergency 42012
permits. 42013

(K) Except for infectious wastes generated by a person who 42014
produces fewer than fifty pounds of infectious wastes at a 42015
premises during any one month, no owner or operator of a sanitary 42016
landfill shall knowingly accept for disposal, or dispose of, any 42017
infectious wastes that have not been treated to render them 42018

noninfectious. 42019

(L) The director, in accordance with Chapter 119. of the 42020
Revised Code, shall adopt, and may amend, suspend, or rescind, 42021
rules having uniform application throughout the state establishing 42022
a training and certification program that shall be required for 42023
employees of boards of health who are responsible for enforcing 42024
the solid waste and infectious waste provisions of this chapter 42025
and rules adopted under them and for persons who are responsible 42026
for the operation of solid waste facilities or infectious waste 42027
treatment facilities. The rules shall provide all of the 42028
following, without limitation: 42029

(1) The program shall be administered by the director and 42030
shall consist of a course on new solid waste and infectious waste 42031
technologies, enforcement procedures, and rules; 42032

(2) The course shall be offered on an annual basis; 42033

(3) Those persons who are required to take the course under 42034
division (L) of this section shall do so triennially; 42035

(4) Persons who successfully complete the course shall be 42036
certified by the director; 42037

(5) Certification shall be required for all employees of 42038
boards of health who are responsible for enforcing the solid waste 42039
or infectious waste provisions of this chapter and rules adopted 42040
under them and for all persons who are responsible for the 42041
operation of solid waste facilities or infectious waste treatment 42042
facilities; 42043

(6)(a) All employees of a board of health who, on the 42044
effective date of the rules adopted under this division, are 42045
responsible for enforcing the solid waste or infectious waste 42046
provisions of this chapter and the rules adopted under them shall 42047
complete the course and be certified by the director not later 42048
than January 1, 1995; 42049

(b) All employees of a board of health who, after the 42050
effective date of the rules adopted under division (L) of this 42051
section, become responsible for enforcing the solid waste or 42052
infectious waste provisions of this chapter and rules adopted 42053
under them and who do not hold a current and valid certification 42054
from the director at that time shall complete the course and be 42055
certified by the director within two years after becoming 42056
responsible for performing those activities. 42057

No person shall fail to obtain the certification required 42058
under this division. 42059

(M) The director shall not issue a permit under section 42060
3734.05 of the Revised Code to establish a solid waste facility, 42061
or to modify a solid waste facility operating on December 21, 42062
1988, in a manner that expands the disposal capacity or geographic 42063
area covered by the facility, that is or is to be located within 42064
the boundaries of a state park established or dedicated under 42065
Chapter 1541. of the Revised Code, a state park purchase area 42066
established under section 1541.02 of the Revised Code, any unit of 42067
the national park system, or any property that lies within the 42068
boundaries of a national park or recreation area, but that has not 42069
been acquired or is not administered by the secretary of the 42070
United States department of the interior, located in this state, 42071
or any candidate area located in this state and identified for 42072
potential inclusion in the national park system in the edition of 42073
the "national park system plan" submitted under paragraph (b) of 42074
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 42075
U.S.C.A. 1a-5, as amended, current at the time of filing of the 42076
application for the permit, unless the facility or proposed 42077
facility is or is to be used exclusively for the disposal of solid 42078
wastes generated within the park or recreation area and the 42079
director determines that the facility or proposed facility will 42080
not degrade any of the natural or cultural resources of the park 42081

or recreation area. The director shall not issue a variance under 42082
division (A) of this section and rules adopted under it, or issue 42083
an exemption order under division (G) of this section, that would 42084
authorize any such establishment or expansion of a solid waste 42085
facility within the boundaries of any such park or recreation 42086
area, state park purchase area, or candidate area, other than a 42087
solid waste facility exclusively for the disposal of solid wastes 42088
generated within the park or recreation area when the director 42089
determines that the facility will not degrade any of the natural 42090
or cultural resources of the park or recreation area. 42091

(N)(1) The rules adopted under division (A) of this section, 42092
other than those governing variances, do not apply to scrap tire 42093
collection, storage, monocell, monofill, and recovery facilities. 42094
Those facilities are subject to and governed by rules adopted 42095
under sections 3734.70 to 3734.73 of the Revised Code, as 42096
applicable. 42097

(2) Division (C) of this section does not apply to scrap tire 42098
collection, storage, monocell, monofill, and recovery facilities. 42099
The establishment and modification of those facilities are subject 42100
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 42101
Code, as applicable. 42102

(3) The director may adopt, amend, suspend, or rescind rules 42103
under division (A) of this section creating an alternative system 42104
for authorizing the establishment, operation, or modification of a 42105
solid waste compost facility in lieu of the requirement that a 42106
person seeking to establish, operate, or modify a solid waste 42107
compost facility apply for and receive a permit under division (C) 42108
of this section and section 3734.05 of the Revised Code and a 42109
license under division (A)(1) of that section. The rules may 42110
include requirements governing, without limitation, the 42111
classification of solid waste compost facilities, the submittal of 42112
operating records for solid waste compost facilities, and the 42113

creation of a registration or notification system in lieu of the 42114
issuance of permits and licenses for solid waste compost 42115
facilities. The rules shall specify the applicability of divisions 42116
(A)(1), (2)(a), (3), and (4) of section 3734.05 of the Revised 42117
Code to a solid waste compost facility. 42118

(O)(1) As used in this division, "secondary aluminum waste" 42119
means waste material or byproducts, when disposed of, containing 42120
aluminum generated from secondary aluminum smelting operations and 42121
consisting of dross, salt cake, baghouse dust associated with 42122
aluminum recycling furnace operations, or dry-milled wastes. 42123

(2) The owner or operator of a sanitary landfill shall not 42124
dispose of municipal solid waste that has been commingled with 42125
secondary aluminum waste. 42126

(3) The owner or operator of a sanitary landfill may dispose 42127
of secondary aluminum waste, but only in a monocell or monofill 42128
that has been permitted for that purpose in accordance with this 42129
chapter and rules adopted under it. 42130

(P)(1) As used in divisions (P) and (Q) of this section: 42131

(a) "Natural background" means two picocuries per gram or the 42132
actual number of picocuries per gram as measured at an individual 42133
solid waste facility, subject to verification by the director of 42134
health. 42135

(b) "Drilling operation" includes a production operation as 42136
defined in section 1509.01 of the Revised Code. 42137

(2) The owner or operator of a solid waste facility shall not 42138
accept for transfer or disposal technologically enhanced naturally 42139
occurring radioactive material if that material contains or is 42140
contaminated with radium-226, radium-228, or any combination of 42141
radium-226 and radium-228 at concentrations equal to or greater 42142
than five picocuries per gram above natural background. 42143

(3) The owner or operator of a solid waste facility may 42144
receive and process for purposes other than transfer or disposal 42145
technologically enhanced naturally occurring radioactive material 42146
that contains or is contaminated with radium-226, radium-228, or 42147
any combination of radium-226 and radium-228 at concentrations 42148
equal to or greater than five picocuries per gram above natural 42149
background, provided that the owner or operator has obtained and 42150
maintains all other necessary authorizations, including any 42151
authorization required by rules adopted by the director of health 42152
under section 3748.04 of the Revised Code. 42153

(4) The director of environmental protection may adopt rules 42154
in accordance with Chapter 119. of the Revised Code governing the 42155
receipt, acceptance, processing, handling, management, and 42156
disposal by solid waste facilities of material that contains or is 42157
contaminated with radioactive material, including, without 42158
limitation, technologically enhanced naturally occurring 42159
radioactive material that contains or is contaminated with 42160
radium-226, radium-228, or any combination of radium-226 and 42161
radium-228 at concentrations less than five picocuries per gram 42162
above natural background. Rules adopted by the director may 42163
include at a minimum both of the following: 42164

(a) Requirements in accordance with which the owner or 42165
operator of a solid waste facility must monitor leachate and 42166
ground water for radium-226, radium-228, and other radionuclides; 42167

(b) Requirements in accordance with which the owner or 42168
operator of a solid waste facility must develop procedures to 42169
ensure that technologically enhanced naturally occurring 42170
radioactive material accepted at the facility neither contains nor 42171
is contaminated with radium-226, radium-228, or any combination of 42172
radium-226 and radium-228 at concentrations equal to or greater 42173
than five picocuries per gram above natural background. 42174

(Q) Notwithstanding any other provision of this section, the 42175

owner or operator of a solid waste facility shall not receive, 42176
accept, process, handle, manage, or dispose of technologically 42177
enhanced naturally occurring radioactive material associated with 42178
drilling operations without first obtaining representative 42179
analytical results to determine compliance with divisions (P)(2) 42180
and (3) of this section and rules adopted under it. 42181

Sec. 3734.021. (A) Infectious wastes shall be segregated, 42182
managed, treated, and disposed of in accordance with rules adopted 42183
under this section. 42184

(B) The director of environmental protection, in accordance 42185
with Chapter 119. of the Revised Code, shall adopt rules necessary 42186
or appropriate to protect human health or safety or the 42187
environment that do both of the following: 42188

(1) Establish standards for generators of infectious wastes 42189
that include, without limitation, the following requirements and 42190
authorizations that: 42191

(a) All generators of infectious wastes: 42192

(i) Either treat all specimen cultures and cultures of viable 42193
infectious agents on the premises where they are generated to 42194
render them noninfectious by methods, techniques, or practices 42195
prescribed by rules adopted under division (B)(2)(a) of this 42196
section before they are transported off that premises for disposal 42197
or ensure that such wastes are treated to render them 42198
noninfectious at an infectious waste treatment facility off that 42199
premises prior to disposal of the wastes; 42200

(ii) Transport and dispose of infectious wastes, if a 42201
generator produces fewer than fifty pounds of infectious wastes 42202
during any one month that are subject to and packaged and labeled 42203
in accordance with federal requirements, in the same manner as 42204
solid wastes. Such generators who treat specimen cultures and 42205

cultures of viable infectious agents on the premises where they 42206
are generated shall not be considered treatment facilities as 42207
"treatment" and "facility" are defined in section 3734.01 of the 42208
Revised Code. 42209

(iii) Dispose of infectious wastes subject to and treated in 42210
accordance with rules adopted under division (B)(1)(a)(i) of this 42211
section in the same manner as solid wastes; 42212

(iv) May take wastes generated in providing care to a patient 42213
by an emergency medical services organization, as defined in 42214
section 4765.01 of the Revised Code, to and leave them at a 42215
hospital, as defined in section 3727.01 of the Revised Code, for 42216
treatment at a treatment facility owned or operated by the 42217
hospital or, in conjunction with infectious wastes generated by 42218
the hospital, at another treatment facility regardless of whether 42219
the wastes were generated in providing care to the patient at the 42220
scene of an emergency or during the transportation of the patient 42221
to a hospital; 42222

(v) May take wastes generated by an individual for purposes 42223
of the individual's own care or treatment to and leave them at a 42224
hospital, as defined in section 3727.01 of the Revised Code, for 42225
treatment at a treatment facility owned or operated by the 42226
hospital or, in conjunction with infectious wastes generated by 42227
the hospital, at another treatment facility. 42228

(b) Each generator of fifty pounds or more of infectious 42229
wastes during any one month: 42230

(i) Register with the environmental protection agency as a 42231
generator of infectious wastes and obtain a registration 42232
certificate. The fee for issuance of a generator registration 42233
certificate is one hundred forty dollars payable at the time of 42234
application. The registration certificate applies to all the 42235
premises owned or operated by the generator in this state where 42236

infectious wastes are generated and shall list the address of each 42237
such premises. If a generator owns or operates facilities for the 42238
treatment of infectious wastes it generates, the certificate shall 42239
list the address and method of treatment used at each such 42240
facility. 42241

A generator registration certificate is valid for three years 42242
from the date of issuance and shall be renewed for a term of three 42243
years upon the generator's submission of an application for 42244
renewal and payment of a one hundred forty dollar renewal fee. 42245

The rules may establish a system of staggered renewal dates 42246
with approximately one-third of such certificates subject to 42247
renewal each year. The applicable renewal date shall be prescribed 42248
on each registration certificate. Registration fees shall be 42249
prorated according to the time remaining in the registration cycle 42250
to the nearest year. 42251

The registration and renewal fees collected under division 42252
(B)(1)(b)(i) of this section shall be ~~credited~~ deposited in the 42253
state treasury to the ~~infectious wastes management credit of the~~ 42254
waste management fund, hereby created in the state treasury 42255
section 3734.061 of the Revised Code. 42256

(ii) Segregate infectious wastes from other wastes at the 42257
point of generation. Nothing in this section and rules adopted 42258
under it prohibits a generator of infectious wastes from 42259
designating and managing any wastes, in addition to those defined 42260
as infectious wastes under section 3734.01 of the Revised Code, as 42261
infectious wastes. After designating any such other wastes as 42262
infectious, the generator shall manage those wastes in compliance 42263
with the requirements of this chapter and rules adopted under it 42264
applicable to the management of infectious wastes. 42265

(iii) Either treat the infectious wastes that it generates at 42266
a facility owned or operated by the generator by methods, 42267

techniques, or practices prescribed by rules adopted under 42268
division (B)(2)(a) of this section to render them noninfectious, 42269
or designate the wastes for treatment off that premises at an 42270
infectious waste treatment facility holding a license issued under 42271
division (B) of section 3734.05 of the Revised Code, at an 42272
infectious waste treatment facility that is located in another 42273
state that is in compliance with applicable state and federal 42274
laws, or at a treatment facility authorized by rules adopted under 42275
division (B)(2)(d) of this section, prior to disposal of the 42276
wastes. After being treated to render them noninfectious, the 42277
wastes shall be disposed of at a solid waste disposal facility 42278
holding a license issued under division (A) of section 3734.05 of 42279
the Revised Code or at a disposal facility in another state that 42280
is in compliance with applicable state and federal laws. 42281

to treatment in accordance with rules adopted under division 42283
(B)(2)(a) of this section; 42284

wastes consisting of blood, blood products, body fluids, and 42286
excreta into a disposal system, as defined in section 6111.01 of 42287
the Revised Code, unless the discharge of those wastes into a 42288
disposal system is inconsistent with the terms and conditions of 42289
the permit for the system issued under Chapter 6111. of the 42290
Revised Code; 42291

(vi) May transport or cause to be transported infectious 42292
wastes that have been treated to render them noninfectious in the 42293
same manner as solid wastes are transported. 42294

infectious waste treatment facilities that include, without 42296
limitation, the following requirements and authorizations that: 42297

of infectious waste treatment facilities. The rules adopted under 42302
division (B)(2)(b) of this section shall require that a new 42303
infectious waste incineration facility be located so that the 42304
incinerator unit and all areas where infectious wastes are handled 42305
on the premises where the facility is proposed to be located are 42306
at least three hundred feet inside the property line of the tract 42307
of land on which the facility is proposed to be located and are at 42308
least one thousand feet from any domicile, school, prison, or jail 42309

terms and conditions. The rules adopted under divisions (B)(2)(b) 42321
and (c) of this section do not apply to a facility holding such a 42322
license and permit. 42323

In adopting the rules required by divisions (B)(2)(a) to (d) 42324

established by professional and governmental organizations having 42327
expertise in the fields of infection control and infectious wastes 42328
management. 42329

(D) Membership on the advisory council does not constitute 42641
holding a public office or position of employment under the laws 42642
of this state and does not constitute grounds for removal of 42643
public officers or employees from their offices or positions of 42644
employment. 42645

(E) A member of the advisory council shall serve without 42646
compensation for attending advisory council meetings, but shall be 42647

(F) The advisory council shall do all of the following: 42650

(1) Advise and assist the director with preparation of the 42651
state solid waste management plan and periodic revisions to the 42652
plan under section 3734.50 of the Revised Code; 42653

(2) Approve or disapprove the draft state solid waste 42654

management plan; 42658

(4) Prepare and submit an annual report to the general 42659
assembly on the state's solid waste management system and efforts 42660
towards achieving the goals, restrictions, and objectives 42661
established under divisions (A) to (C) of section 3734.50 of the 42662
Revised Code. The report may recommend legislative action. 42663

(5) Triennially advise the director in conducting a review of 42664
the progress made toward achieving the objectives, restrictions, 42665
and goals established under divisions (A) to (C) of section 42666
3734.50 of the Revised Code; 42667

(6) With the approval of the director, establish criteria by 42668
which to certify, and certify, agencies of the state and political 42669

subdivisions for receipt of grants for activities or projects that 42670

established under section 3736.02 or 3736.05 of the Revised Code; 42672

(7) Advise the director on establishing and implementing 42673

council by the director; 42677

(9) Establish and develop formal and informal partnerships 42678
with other entities that foster a productive marketplace for the 42679
collection and use of recycled materials. 42680

Sec. 3734.50. The director of environmental protection, with 42681
the advice of the ~~solid waste~~ materials management advisory 42682
council created in section ~~3734.51~~ 3734.49 of the Revised Code, 42683
shall prepare a state solid waste management plan to do all of the 42684
following: 42685

(A) Reduce reliance on the use of landfills for management of 42686
solid wastes; 42687

(B) Establish objectives for solid waste reduction, 42688
recycling, reuse, and minimization and a schedule for implementing 42689
those objectives; 42690

(C) Establish restrictions on the types of solid wastes 42691
disposed of by landfilling for which alternative management 42692
methods are available, such as yard wastes, and a schedule for 42693
implementing those restrictions. The objectives under division (B) 42694
of this section and restrictions under this division need not be 42695
of uniform application throughout the state or as to categories of 42696
solid waste generators. Rather, in establishing those objectives 42697
and restrictions, the director shall take into consideration the 42698
feasibility of waste reduction, recycling, reuse, and minimization 42699

measures and landfilling restrictions in urban, suburban, and 42700
rural areas and also shall take into consideration the extent to 42701
which those measures have been implemented by specific categories 42702
of solid waste generators and political subdivisions prior to June 42703
24, 1988. 42704

(D) Establish revised general criteria for the location of 42705
solid waste facilities; 42706

(E) Examine alternative methods for disposal of fly ash and 42707
bottom ash resulting from the burning of mixed municipal solid 42708
wastes; 42709

(F) Establish a statewide strategy for managing scrap tires, 42710
which shall include identification of locations within the state 42711
that qualify as scrap tire facilities and accumulations. In 42712
developing the strategy, the director shall examine the 42713
feasibility of recycling or recovering materials or energy from 42714
scrap tires and landfilling scrap tires in abandoned coal strip 42715
mines as well as other methods for managing scrap tires. 42716

(G) Establish a strategy that contains specific 42717
recommendations for legislative and administrative action to 42718
promote markets for products containing recycled materials 42719
generally and for promoting the use by state government of 42720
products containing recycled materials; 42721

(H) Establish a program for the proper separation and 42722
disposal of hazardous waste generated by households. 42723

The director shall adopt the state solid waste management 42724
plan within one year after June 24, 1988. After completion of a 42725
draft plan, the director shall hold a public hearing on the draft 42726
plan at each of five different locations within the state. After 42727
receiving public comments on the draft plan, the director may make 42728
such revisions to it as ~~he~~ the director considers appropriate 42729
based on the comments received and shall submit the draft plan 42730

with any revisions to the advisory council for approval. If the 42731
advisory council approves the draft plan, the director shall adopt 42732
it as the state solid waste management plan. If the advisory 42733
council disapproves the draft plan, the director, with the advice 42734
of the advisory council, shall prepare a new draft plan and 42735
proceed in the same manner as for the initial draft plan to hold 42736
hearings on, revise, and submit the new draft plan to the advisory 42737
council for approval, and adopt the new draft plan. 42738

Not later than one year after adoption of the plan, the 42739
director shall adopt rules in accordance with Chapter 119. of the 42740
Revised Code establishing the objectives and restrictions of the 42741
state plan, and schedules for implementing them, under divisions 42742
(B) and (C) of this section as mandatory elements of the solid 42743
waste management plans of county and joint solid waste management 42744
districts under division (A) of section 3734.53 of the Revised 42745
Code. Within one year after adoption of the plan, the director 42746
shall adopt rules in accordance with Chapter 119. of the Revised 42747
Code, which rules are hereby deemed to constitute rules adopted 42748
under division (A) of section 3734.02 of the Revised Code, 42749
establishing revised general location criteria for solid waste 42750
facilities, other than solid waste transfer facilities, and 42751
standards for the disposal of fly ash and bottom ash resulting 42752
from the burning of mixed municipal solid waste. 42753

Triennially the director, with the advice of the advisory 42754
council, shall conduct a thorough review of the progress made 42755
toward achieving the goals set forth in divisions (A) to (H) of 42756
this section. Based upon the findings of ~~his~~ the review, the 42757
director, in accordance with the procedures of this section, may 42758
prepare and adopt a revised state solid waste management plan. If 42759
the revised plan modifies any of the objectives, restrictions, or 42760
implementation schedules established under division (B) or (C) of 42761
this section, the director, not later than one year after adoption 42762

of the revised plan, shall amend the existing rules adopted under 42763
this section in a manner consistent with those revisions. 42764

If any revision to the plan or enactment or amendment of a 42765
statute by the general assembly that takes effect on or after 42766
April 16, 1993, establishes a restriction on the landfilling or 42767
burning or other thermal processing in an incinerator or energy 42768
recovery facility of any type of solid waste with mixed municipal 42769
solid waste, or prescribes for a type of solid waste a management 42770
method alternative to landfilling or thermal processing with mixed 42771
municipal solid waste, the estimated reduction in the quantity of 42772
solid wastes being disposed of by landfilling or thermal 42773
processing that results from the implementation of the restriction 42774
or alternative management method within a county or joint solid 42775
waste management district constitutes a reduction in solid waste 42776
generation within the district for purposes of determining the 42777
district's compliance with the waste reduction objective 42778
established under division (C) of this section and any revisions 42779
thereof and the rules and amendments thereto adopted under this 42780
section to implement that objective. 42781

Sec. 3734.551. (A) The board of county commissioners of a 42782
county or board of directors of a joint solid waste management 42783
district that is ordered to implement an initial or amended solid 42784
waste management plan prepared by the director of environmental 42785
protection under section 3734.521, 3734.55, or 3734.56 of the 42786
Revised Code and that is levying fees under division (A) or (B) of 42787
section 3734.574 of the Revised Code shall reimburse the director 42788
from moneys in the special fund of the district created in 42789
division (G) of section 3734.57 of the Revised Code for the 42790
expenses incurred by the director in preparing and ordering the 42791
implementation of the plan or amended plan for all of the 42792
following purposes, as applicable: 42793

| (B) Upon ordering a district to implement a plan or amended plan under section 3734.521, 3734.55, or 3734.56 of the Revised Code, the director shall send to the board of county commissioners or directors an itemized demand for the expenses enumerated in division (A) of this section that were incurred by the director in preparing and ordering the implementation of the plan or amended plan. The board of county commissioners or directors shall pay to the director the amount stated in the demand within sixty days after receiving it. Moneys received by the director under this division shall be deposited in the state treasury to the credit of the solid waste <u>management</u> fund created in division (A) of section 3734.57 <u>3734.061</u> of the Revised Code. | 42811 42812 42813 42814 42815 42816 42817 42818 42819 42820 42821 42822 |

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under this division. In the case of solid wastes that are not taken to a solid waste transfer facility located in this state prior to being transported to a solid waste disposal facility, the fees shall be collected by the owner or operator of the solid waste disposal facility as a trustee for the state. The amount of fees required to be collected under this division at such a disposal facility shall equal the total tonnage of solid wastes received at the facility that was not previously taken to a solid waste transfer facility located in this state multiplied by the fees levied under this division. Fees levied under this division do not apply to materials separated from a mixed waste stream for recycling by a generator or materials removed from the solid waste stream through recycling, as "recycling" is defined in rules adopted under section 3734.02 of the Revised Code.

The owner or operator of a solid waste transfer facility or disposal facility, as applicable, shall prepare and file with the director of environmental protection each month a return indicating the total tonnage of solid wastes received at the facility during that month and the total amount of the fees required to be collected under this division during that month. In addition, the owner or operator of a solid waste disposal facility shall indicate on the return the total tonnage of solid wastes received from transfer facilities located in this state during that month for which the fees were required to be collected by the

transfer facilities. The monthly returns shall be filed on a form 42889
prescribed by the director. Not later than thirty days after the 42890
last day of the month to which a return applies, the owner or 42891
operator shall mail to the director the return for that month 42892
together with the fees required to be collected under this 42893
division during that month as indicated on the return or may 42894
submit the return and fees electronically in a manner approved by 42895
the director. If the return is filed and the amount of the fees 42896
due is paid in a timely manner as required in this division, the 42897
owner or operator may retain a discount of three-fourths of one 42898
per cent of the total amount of the fees that are required to be 42899
paid as indicated on the return. 42900

The owner or operator may request an extension of not more 42901
than thirty days for filing the return and remitting the fees, 42902
provided that the owner or operator has submitted such a request 42903
in writing to the director together with a detailed description of 42904
why the extension is requested, the director has received the 42905
request not later than the day on which the return is required to 42906
be filed, and the director has approved the request. If the fees 42907
are not remitted within thirty days after the last day of the 42908
month to which the return applies or are not remitted by the last 42909
day of an extension approved by the director, the owner or 42910
operator shall not retain the three-fourths of one per cent 42911
discount and shall pay an additional ten per cent of the amount of 42912
the fees for each month that they are late. For purposes of 42913
calculating the late fee, the first month in which fees are late 42914
begins on the first day after the deadline has passed for timely 42915
submitting the return and fees, and one additional month shall be 42916
counted every thirty days thereafter. 42917

The owner or operator of a solid waste facility may request a 42918
refund or credit of fees levied under this division and remitted 42919
to the director that have not been paid to the owner or operator. 42920

Such a request shall be made only if the fees have not been 42921
collected by the owner or operator, have become a debt that has 42922
become worthless or uncollectable for a period of six months or 42923
more, and may be claimed as a deduction, including a deduction 42924
claimed if the owner or operator keeps accounts on an accrual 42925
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 42926
U.S.C. 166, as amended, and regulations adopted under it. Prior to 42927
making a request for a refund or credit, an owner or operator 42928
shall make reasonable efforts to collect the applicable fees. A 42929
request for a refund or credit shall not include any costs 42930
resulting from those efforts to collect unpaid fees. 42931

A request for a refund or credit of fees shall be made in 42932
writing, on a form prescribed by the director, and shall be 42933
supported by evidence that may be required in rules adopted by the 42934
director under this chapter. After reviewing the request, and if 42935
the request and evidence submitted with the request indicate that 42936
a refund or credit is warranted, the director shall grant a refund 42937
to the owner or operator or shall permit a credit to be taken by 42938
the owner or operator on a subsequent monthly return submitted by 42939
the owner or operator. The amount of a refund or credit shall not 42940
exceed an amount that is equal to ninety days' worth of fees owed 42941
to an owner or operator by a particular debtor of the owner or 42942
operator. A refund or credit shall not be granted by the director 42943
to an owner or operator more than once in any twelve-month period 42944
for fees owed to the owner or operator by a particular debtor. 42945

If, after receiving a refund or credit from the director, an 42946
owner or operator receives payment of all or part of the fees, the 42947
owner or operator shall remit the fees with the next monthly 42948
return submitted to the director together with a written 42949
explanation of the reason for the submittal. 42950

For purposes of computing the fees levied under this division 42951
or division (B) of this section, any solid waste transfer or 42952

disposal facility that does not use scales as a means of 42953
determining gate receipts shall use a conversion factor of three 42954
cubic yards per ton of solid waste or one cubic yard per ton for 42955
baled waste, as applicable. 42956

The fees levied under this division and divisions (B) and (C) 42957
of this section are in addition to all other applicable fees and 42958
taxes and shall be paid by the customer or a political subdivision 42959
to the owner or operator of a solid waste transfer or disposal 42960
facility. In the alternative, the fees shall be paid by a customer 42961
or political subdivision to a transporter of waste who 42962
subsequently transfers the fees to the owner or operator of such a 42963
facility. The fees shall be paid notwithstanding the existence of 42964
any provision in a contract that the customer or a political 42965
subdivision may have with the owner or operator or with a 42966
transporter of waste to the facility that would not require or 42967
allow such payment regardless of whether the contract was entered 42968
prior to or after October 16, 2009. For those purposes, "customer" 42969
means a person who contracts with, or utilizes the solid waste 42970
services of, the owner or operator of a solid waste transfer or 42971
disposal facility or a transporter of solid waste to such a 42972
facility. 42973

(B) For the purposes specified in division (G) of this 42974
section, the solid waste management policy committee of a county 42975
or joint solid waste management district may levy fees upon the 42976
following activities: 42977

(1) The disposal at a solid waste disposal facility located 42978
in the district of solid wastes generated within the district; 42979

(2) The disposal at a solid waste disposal facility within 42980
the district of solid wastes generated outside the boundaries of 42981
the district, but inside this state; 42982

(3) The disposal at a solid waste disposal facility within 42983

the district of solid wastes generated outside the boundaries of 42984
this state. 42985

The solid waste management plan of the county or joint 42986
district approved under section 3734.521 or 3734.55 of the Revised 42987
Code and any amendments to it, or the resolution adopted under 42988
this division, as appropriate, shall establish the rates of the 42989
fees levied under divisions (B)(1), (2), and (3) of this section, 42990
if any, and shall specify whether the fees are levied on the basis 42991
of tons or cubic yards as the unit of measurement. A solid waste 42992
management district that levies fees under this division on the 42993
basis of cubic yards shall do so in accordance with division (A) 42994
of this section. 42995

The fee levied under division (B)(1) of this section shall be 42996
not less than one dollar per ton nor more than two dollars per 42997
ton, the fee levied under division (B)(2) of this section shall be 42998
not less than two dollars per ton nor more than four dollars per 42999
ton, and the fee levied under division (B)(3) of this section 43000
shall be not more than the fee levied under division (B)(1) of 43001
this section. 43002

Prior to the approval of the solid waste management plan of a 43003
district under section 3734.55 of the Revised Code, the solid 43004
waste management policy committee of a district may levy fees 43005
under this division by adopting a resolution establishing the 43006
proposed amount of the fees. Upon adopting the resolution, the 43007
committee shall deliver a copy of the resolution to the board of 43008
county commissioners of each county forming the district and to 43009
the legislative authority of each municipal corporation and 43010
township under the jurisdiction of the district and shall prepare 43011
and publish the resolution and a notice of the time and location 43012
where a public hearing on the fees will be held. Upon adopting the 43013
resolution, the committee shall deliver written notice of the 43014
adoption of the resolution; of the amount of the proposed fees; 43015

and of the date, time, and location of the public hearing to the 43016
director and to the fifty industrial, commercial, or institutional 43017
generators of solid wastes within the district that generate the 43018
largest quantities of solid wastes, as determined by the 43019
committee, and to their local trade associations. The committee 43020
shall make good faith efforts to identify those generators within 43021
the district and their local trade associations, but the 43022
nonprovision of notice under this division to a particular 43023
generator or local trade association does not invalidate the 43024
proceedings under this division. The publication shall occur at 43025
least thirty days before the hearing. After the hearing, the 43026
committee may make such revisions to the proposed fees as it 43027
considers appropriate and thereafter, by resolution, shall adopt 43028
the revised fee schedule. Upon adopting the revised fee schedule, 43029
the committee shall deliver a copy of the resolution doing so to 43030
the board of county commissioners of each county forming the 43031
district and to the legislative authority of each municipal 43032
corporation and township under the jurisdiction of the district. 43033
Within sixty days after the delivery of a copy of the resolution 43034
adopting the proposed revised fees by the policy committee, each 43035
such board and legislative authority, by ordinance or resolution, 43036
shall approve or disapprove the revised fees and deliver a copy of 43037
the ordinance or resolution to the committee. If any such board or 43038
legislative authority fails to adopt and deliver to the policy 43039
committee an ordinance or resolution approving or disapproving the 43040
revised fees within sixty days after the policy committee 43041
delivered its resolution adopting the proposed revised fees, it 43042
shall be conclusively presumed that the board or legislative 43043
authority has approved the proposed revised fees. The committee 43044
shall determine if the resolution has been ratified in the same 43045
manner in which it determines if a draft solid waste management 43046
plan has been ratified under division (B) of section 3734.55 of 43047
the Revised Code. 43048

The committee may amend the schedule of fees levied pursuant 43049
to a resolution adopted and ratified under this division by 43050
adopting a resolution establishing the proposed amount of the 43051
amended fees. The committee may repeal the fees levied pursuant to 43052
such a resolution by adopting a resolution proposing to repeal 43053
them. Upon adopting such a resolution, the committee shall proceed 43054
to obtain ratification of the resolution in accordance with this 43055
division. 43056

Not later than fourteen days after declaring the new fees to 43057
be ratified or the fees to be repealed under this division, the 43058
committee shall notify by certified mail the owner or operator of 43059
each solid waste disposal facility that is required to collect the 43060
fees of the ratification and the amount of the fees or of the 43061
repeal of the fees. Collection of any fees shall commence or 43062
collection of repealed fees shall cease on the first day of the 43063
second month following the month in which notification is sent to 43064
the owner or operator. 43065

Fees levied under this division also may be established, 43066
amended, or repealed by a solid waste management policy committee 43067
through the adoption of a new district solid waste management 43068
plan, the adoption of an amended plan, or the amendment of the 43069
plan or amended plan in accordance with sections 3734.55 and 43070
3734.56 of the Revised Code or the adoption or amendment of a 43071
district plan in connection with a change in district composition 43072
under section 3734.521 of the Revised Code. 43073

Not later than fourteen days after the director issues an 43074
order approving a district's solid waste management plan, amended 43075
plan, or amendment to a plan or amended plan that establishes, 43076
amends, or repeals a schedule of fees levied by the district, the 43077
committee shall notify by certified mail the owner or operator of 43078
each solid waste disposal facility that is required to collect the 43079
fees of the approval of the plan or amended plan, or the amendment 43080

to the plan, as appropriate, and the amount of the fees, if any. 43081
In the case of an initial or amended plan approved under section 43082
3734.521 of the Revised Code in connection with a change in 43083
district composition, other than one involving the withdrawal of a 43084
county from a joint district, the committee, within fourteen days 43085
after the change takes effect pursuant to division (G) of that 43086
section, shall notify by certified mail the owner or operator of 43087
each solid waste disposal facility that is required to collect the 43088
fees that the change has taken effect and of the amount of the 43089
fees, if any. Collection of any fees shall commence or collection 43090
of repealed fees shall cease on the first day of the second month 43091
following the month in which notification is sent to the owner or 43092
operator. 43093

If, in the case of a change in district composition involving 43094
the withdrawal of a county from a joint district, the director 43095
completes the actions required under division (G)(1) or (3) of 43096
section 3734.521 of the Revised Code, as appropriate, forty-five 43097
days or more before the beginning of a calendar year, the policy 43098
committee of each of the districts resulting from the change that 43099
obtained the director's approval of an initial or amended plan in 43100
connection with the change, within fourteen days after the 43101
director's completion of the required actions, shall notify by 43102
certified mail the owner or operator of each solid waste disposal 43103
facility that is required to collect the district's fees that the 43104
change is to take effect on the first day of January immediately 43105
following the issuance of the notice and of the amount of the fees 43106
or amended fees levied under divisions (B)(1) to (3) of this 43107
section pursuant to the district's initial or amended plan as so 43108
approved or, if appropriate, the repeal of the district's fees by 43109
that initial or amended plan. Collection of any fees set forth in 43110
such a plan or amended plan shall commence on the first day of 43111
January immediately following the issuance of the notice. If such 43112
an initial or amended plan repeals a schedule of fees, collection 43113

of the fees shall cease on that first day of January. 43114

If, in the case of a change in district composition involving 43115
the withdrawal of a county from a joint district, the director 43116
completes the actions required under division (G)(1) or (3) of 43117
section 3734.521 of the Revised Code, as appropriate, less than 43118
forty-five days before the beginning of a calendar year, the 43119
director, on behalf of each of the districts resulting from the 43120
change that obtained the director's approval of an initial or 43121
amended plan in connection with the change proceedings, shall 43122
notify by certified mail the owner or operator of each solid waste 43123
disposal facility that is required to collect the district's fees 43124
that the change is to take effect on the first day of January 43125
immediately following the mailing of the notice and of the amount 43126
of the fees or amended fees levied under divisions (B)(1) to (3) 43127
of this section pursuant to the district's initial or amended plan 43128
as so approved or, if appropriate, the repeal of the district's 43129
fees by that initial or amended plan. Collection of any fees set 43130
forth in such a plan or amended plan shall commence on the first 43131
day of the second month following the month in which notification 43132
is sent to the owner or operator. If such an initial or amended 43133
plan repeals a schedule of fees, collection of the fees shall 43134
cease on the first day of the second month following the month in 43135
which notification is sent to the owner or operator. 43136

If the schedule of fees that a solid waste management 43137
district is levying under divisions (B)(1) to (3) of this section 43138
is amended or repealed, the fees in effect immediately prior to 43139
the amendment or repeal shall continue to be collected until 43140
collection of the amended fees commences or collection of the 43141
repealed fees ceases, as applicable, as specified in this 43142
division. In the case of a change in district composition, money 43143
so received from the collection of the fees of the former 43144
districts shall be divided among the resulting districts in 43145

accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management

authority has been formed under section 343.011 of the Revised 43178
Code, to the board of trustees of that regional authority, the 43179
owner or operator of each solid waste disposal facility in the 43180
municipal corporation or township that is required to collect the 43181
fee by the ordinance or resolution, and the director of 43182
environmental protection. Although the fees levied under this 43183
division are levied on the basis of tons as the unit of 43184
measurement, the legislative authority, in its ordinance or 43185
resolution levying the fees under this division, may direct that 43186
the fees be levied on the basis of cubic yards as the unit of 43187
measurement based upon a conversion factor of three cubic yards 43188
per ton generally or one cubic yard per ton for baled wastes. 43189

Not later than five days after enacting an ordinance or 43190
adopting a resolution under this division, the legislative 43191
authority shall so notify by certified mail the owner or operator 43192
of each solid waste disposal facility that is required to collect 43193
the fee. Collection of any fee levied on or after March 24, 1992, 43194
shall commence on the first day of the second month following the 43195
month in which notification is sent to the owner or operator. 43196

(D)(1) The fees levied under divisions (A), (B), and (C) of 43197
this section do not apply to the disposal of solid wastes that: 43198

(a) Are disposed of at a facility owned by the generator of 43199
the wastes when the solid waste facility exclusively disposes of 43200
solid wastes generated at one or more premises owned by the 43201
generator regardless of whether the facility is located on a 43202
premises where the wastes are generated; 43203

(b) Are generated from the combustion of coal, or from the 43204
combustion of primarily coal, regardless of whether the disposal 43205
facility is located on the premises where the wastes are 43206
generated; 43207

(c) Are asbestos or asbestos-containing materials or products 43208

disposed of at a construction and demolition debris facility that 43209
is licensed under Chapter 3714. of the Revised Code or at a solid 43210
waste facility that is licensed under this chapter. 43211

(2) Except as provided in section 3734.571 of the Revised 43212
Code, any fees levied under division (B)(1) of this section apply 43213
to solid wastes originating outside the boundaries of a county or 43214
joint district that are covered by an agreement for the joint use 43215
of solid waste facilities entered into under section 343.02 of the 43216
Revised Code by the board of county commissioners or board of 43217
directors of the county or joint district where the wastes are 43218
generated and disposed of. 43219

(3) When solid wastes, other than solid wastes that consist 43220
of scrap tires, are burned in a disposal facility that is an 43221
incinerator or energy recovery facility, the fees levied under 43222
divisions (A), (B), and (C) of this section shall be levied upon 43223
the disposal of the fly ash and bottom ash remaining after burning 43224
of the solid wastes and shall be collected by the owner or 43225
operator of the sanitary landfill where the ash is disposed of. 43226

(4) When solid wastes are delivered to a solid waste transfer 43227
facility, the fees levied under divisions (B) and (C) of this 43228
section shall be levied upon the disposal of solid wastes 43229
transported off the premises of the transfer facility for disposal 43230
and shall be collected by the owner or operator of the solid waste 43231
disposal facility where the wastes are disposed of. 43232

(5) The fees levied under divisions (A), (B), and (C) of this 43233
section do not apply to sewage sludge that is generated by a waste 43234
water treatment facility holding a national pollutant discharge 43235
elimination system permit and that is disposed of through 43236
incineration, land application, or composting or at another 43237
resource recovery or disposal facility that is not a landfill. 43238

(6) The fees levied under divisions (A), (B), and (C) of this 43239

section do not apply to solid wastes delivered to a solid waste 43240
composting facility for processing. When any unprocessed solid 43241
waste or compost product is transported off the premises of a 43242
composting facility and disposed of at a landfill, the fees levied 43243
under divisions (A), (B), and (C) of this section shall be 43244
collected by the owner or operator of the landfill where the 43245
unprocessed waste or compost product is disposed of. 43246

(7) When solid wastes that consist of scrap tires are 43247
processed at a scrap tire recovery facility, the fees levied under 43248
divisions (A), (B), and (C) of this section shall be levied upon 43249
the disposal of the fly ash and bottom ash or other solid wastes 43250
remaining after the processing of the scrap tires and shall be 43251
collected by the owner or operator of the solid waste disposal 43252
facility where the ash or other solid wastes are disposed of. 43253

(8) The director of environmental protection may issue an 43254
order exempting from the fees levied under this section solid 43255
wastes, including, but not limited to, scrap tires, that are 43256
generated, transferred, or disposed of as a result of a contract 43257
providing for the expenditure of public funds entered into by the 43258
administrator or regional administrator of the United States 43259
environmental protection agency, the director of environmental 43260
protection, or the director of administrative services on behalf 43261
of the director of environmental protection for the purpose of 43262
remediating conditions at a hazardous waste facility, solid waste 43263
facility, or other location at which the administrator or regional 43264
administrator or the director of environmental protection has 43265
reason to believe that there is a substantial threat to public 43266
health or safety or the environment or that the conditions are 43267
causing or contributing to air or water pollution or soil 43268
contamination. An order issued by the director of environmental 43269
protection under division (D)(8) of this section shall include a 43270
determination that the amount of the fees not received by a solid 43271

waste management district as a result of the order will not 43272
adversely impact the implementation and financing of the 43273
district's approved solid waste management plan and any approved 43274
amendments to the plan. Such an order is a final action of the 43275
director of environmental protection. 43276

(E) The fees levied under divisions (B) and (C) of this 43277
section shall be collected by the owner or operator of the solid 43278
waste disposal facility where the wastes are disposed of as a 43279
trustee for the county or joint district and municipal corporation 43280
or township where the wastes are disposed of. Moneys from the fees 43281
levied under division (B) of this section shall be forwarded to 43282
the board of county commissioners or board of directors of the 43283
district in accordance with rules adopted under division (H) of 43284
this section. Moneys from the fees levied under division (C) of 43285
this section shall be forwarded to the treasurer or such other 43286
officer of the municipal corporation as, by virtue of the charter, 43287
has the duties of the treasurer or to the fiscal officer of the 43288
township, as appropriate, in accordance with those rules. 43289

(F) Moneys received by the treasurer or other officer of the 43290
municipal corporation under division (E) of this section shall be 43291
paid into the general fund of the municipal corporation. Moneys 43292
received by the fiscal officer of the township under that division 43293
shall be paid into the general fund of the township. The treasurer 43294
or other officer of the municipal corporation or the township 43295
fiscal officer, as appropriate, shall maintain separate records of 43296
the moneys received from the fees levied under division (C) of 43297
this section. 43298

(G) Moneys received by the board of county commissioners or 43299
board of directors under division (E) of this section or section 43300
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 43301
shall be paid to the county treasurer, or other official acting in 43302
a similar capacity under a county charter, in a county district or 43303

to the county treasurer or other official designated by the board 43304
of directors in a joint district and kept in a separate and 43305
distinct fund to the credit of the district. If a regional solid 43306
waste management authority has been formed under section 343.011 43307
of the Revised Code, moneys received by the board of trustees of 43308
that regional authority under division (E) of this section shall 43309
be kept by the board in a separate and distinct fund to the credit 43310
of the district. Moneys in the special fund of the county or joint 43311
district arising from the fees levied under division (B) of this 43312
section and the fee levied under division (A) of section 3734.573 43313
of the Revised Code shall be expended by the board of county 43314
commissioners or directors of the district in accordance with the 43315
district's solid waste management plan or amended plan approved 43316
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 43317
exclusively for the following purposes: 43318

(1) Preparation of the solid waste management plan of the 43319
district under section 3734.54 of the Revised Code, monitoring 43320
implementation of the plan, and conducting the periodic review and 43321
amendment of the plan required by section 3734.56 of the Revised 43322
Code by the solid waste management policy committee; 43323

(2) Implementation of the approved solid waste management 43324
plan or amended plan of the district, including, without 43325
limitation, the development and implementation of solid waste 43326
recycling or reduction programs; 43327

(3) Providing financial assistance to boards of health within 43328
the district, if solid waste facilities are located within the 43329
district, for enforcement of this chapter and rules, orders, and 43330
terms and conditions of permits, licenses, and variances adopted 43331
or issued under it, other than the hazardous waste provisions of 43332
this chapter and rules adopted and orders and terms and conditions 43333
of permits issued under those provisions; 43334

(4) Providing financial assistance to each county within the 43335

district to defray the added costs of maintaining roads and other 43336
public facilities and of providing emergency and other public 43337
services resulting from the location and operation of a solid 43338
waste facility within the county under the district's approved 43339
solid waste management plan or amended plan; 43340

(5) Pursuant to contracts entered into with boards of health 43341
within the district, if solid waste facilities contained in the 43342
district's approved plan or amended plan are located within the 43343
district, for paying the costs incurred by those boards of health 43344
for collecting and analyzing samples from public or private water 43345
wells on lands adjacent to those facilities; 43346

(6) Developing and implementing a program for the inspection 43347
of solid wastes generated outside the boundaries of this state 43348
that are disposed of at solid waste facilities included in the 43349
district's approved solid waste management plan or amended plan; 43350

(7) Providing financial assistance to boards of health within 43351
the district for the enforcement of section 3734.03 of the Revised 43352
Code or to local law enforcement agencies having jurisdiction 43353
within the district for enforcing anti-littering laws and 43354
ordinances; 43355

(8) Providing financial assistance to boards of health of 43356
health districts within the district that are on the approved list 43357
under section 3734.08 of the Revised Code to defray the costs to 43358
the health districts for the participation of their employees 43359
responsible for enforcement of the solid waste provisions of this 43360
chapter and rules adopted and orders and terms and conditions of 43361
permits, licenses, and variances issued under those provisions in 43362
the training and certification program as required by rules 43363
adopted under division (L) of section 3734.02 of the Revised Code; 43364

(9) Providing financial assistance to individual municipal 43365
corporations and townships within the district to defray their 43366

added costs of maintaining roads and other public facilities and 43367
of providing emergency and other public services resulting from 43368
the location and operation within their boundaries of a 43369
composting, energy or resource recovery, incineration, or 43370
recycling facility that either is owned by the district or is 43371
furnishing solid waste management facility or recycling services 43372
to the district pursuant to a contract or agreement with the board 43373
of county commissioners or directors of the district; 43374

(10) Payment of any expenses that are agreed to, awarded, or 43375
ordered to be paid under section 3734.35 of the Revised Code and 43376
of any administrative costs incurred pursuant to that section. In 43377
the case of a joint solid waste management district, if the board 43378
of county commissioners of one of the counties in the district is 43379
negotiating on behalf of affected communities, as defined in that 43380
section, in that county, the board shall obtain the approval of 43381
the board of directors of the district in order to expend moneys 43382
for administrative costs incurred. 43383

Prior to the approval of the district's solid waste 43384
management plan under section 3734.55 of the Revised Code, moneys 43385
in the special fund of the district arising from the fees shall be 43386
expended for those purposes in the manner prescribed by the solid 43387
waste management policy committee by resolution. 43388

Notwithstanding division (G)(6) of this section as it existed 43389
prior to October 29, 1993, or any provision in a district's solid 43390
waste management plan prepared in accordance with division 43391
(B)(2)(e) of section 3734.53 of the Revised Code as it existed 43392
prior to that date, any moneys arising from the fees levied under 43393
division (B)(3) of this section prior to January 1, 1994, may be 43394
expended for any of the purposes authorized in divisions (G)(1) to 43395
(10) of this section. 43396

(H) The director shall adopt rules in accordance with Chapter 43397
119. of the Revised Code prescribing procedures for collecting and 43398

forwarding the fees levied under divisions (B) and (C) of this 43399
section to the boards of county commissioners or directors of 43400
county or joint solid waste management districts and to the 43401
treasurers or other officers of municipal corporations and the 43402
fiscal officers of townships. The rules also shall prescribe the 43403
dates for forwarding the fees to the boards and officials and may 43404
prescribe any other requirements the director considers necessary 43405
or appropriate to implement and administer divisions (A), (B), and 43406
(C) of this section. 43407

Sec. 3734.822. (A) There is hereby created in the state 43408
treasury the scrap tire grant fund, consisting of moneys 43409

environment or to the health, safety, or welfare of the public. 43561

(G) Nothing in this section confers immunity on persons from 43562
enforcement that is based on information that is obtained by the 43563

(2) A municipal corporation that has a population of not more than seven thousand five hundred;

(3) A fire district, joint fire district, or fire and ambulance district that shares territory exclusively with townships or municipal corporations that meet the conditions of division (A)(1) or (2) of this section.

(B) The state fire marshal shall administer a small government fire department services revolving loan program under which the state fire marshal makes loans to qualifying small governments for the following purposes:

(1) To expedite purchases of major equipment for fire fighting, ambulance, emergency medical, or rescue services;

(2) To expedite projects for the construction or renovation of fire department buildings.

A loan for either purpose under the small government fire department services revolving loan program is not to carry interest, and is to be repaid within a term of not longer than twenty years. A qualifying small government is not eligible to receive a loan for a project or purchase under the program unless the qualifying small government contributes to the project or purchase an amount equal to at least five per cent of the loan amount.

(C) A qualifying small government may apply to the state fire marshal for a loan under the small government fire department services revolving loan program. In its application, the

qualifying small government shall explain how it qualifies for the 43612
loan, describe the project or purchase for which it is requesting 43613
a loan, state the amount of the loan it requests, and state the 43614
amount it is prepared to contribute to the project or purchase. 43615
The qualifying small government shall provide additional 43616

program as requested by the state fire marshal. 43618

(D) The state fire marshal, in accordance with Chapter 119. 43619
of the Revised Code, shall adopt rules for the administration of 43620
the small government fire department services revolving loan 43621
program. 43622

(E) There is hereby created in the state treasury the small 43623
government fire department services revolving loan fund, into 43624
which shall be deposited repayments by qualifying small 43625

shall consist of appropriated money. Investment earnings on money 43627
in the fund shall be credited to the fund. The state fire marshal 43628
shall use the money credited to the fund to make loans to 43629
qualifying small governments as described in this section. The 43630
state fire marshal may loan money from repaid loans credited to 43631
the fund at any time to qualifying small governments in accordance 43632
with this section. 43633

Sec. 3745.015. There is hereby created in the state treasury 43634
the environmental protection fund consisting of money credited to 43635
the fund under division (A)(3) of section 3734.57 of the Revised 43636
Code. The environmental protection agency shall use money in the 43637
fund to pay the agency's costs associated with administering and 43638
enforcing, or otherwise conducting activities under, this chapter 43639
and Chapters 3704., 3734., 3746., 3747., 3748., 3750., 3751., 43640
3752., 3753., 5709., 6101., 6103., 6105., 6109., 6111., 6112., 43641
6113., 6115., 6117., and 6119. and sections 122.65 and 1521.19 of 43642

to the environmental protection agency for each such issuance and 43649
each application for an issuance as provided by this section. No 43650
fee shall be charged for any issuance for which no application has 43651
been submitted to the director. 43652

shall pay the fees set forth in this division. For the purposes of 43657
this division, total emissions of air contaminants may be 43658
calculated using engineering calculations, emissions factors, 43659
material balance calculations, or performance testing procedures, 43660
as authorized by the director. 43661

The following fees shall be assessed on the total actual 43662
emissions from a source in tons per year of the regulated 43663
pollutants particulate matter, sulfur dioxide, nitrogen oxides, 43664
organic compounds, and lead: 43665

(1) Fifteen dollars per ton on the total actual emissions of 43666
each such regulated pollutant during the period July through 43667
December 1993, to be collected no sooner than July 1, 1994; 43668

(2) Twenty dollars per ton on the total actual emissions of 43669
each such regulated pollutant during calendar year 1994, to be 43670
collected no sooner than April 15, 1995; 43671

(3) Twenty-five dollars per ton on the total actual emissions 43672

of each such regulated pollutant in calendar year 1995, and each 43673
subsequent calendar year, to be collected no sooner than the 43674
fifteenth day of April of the year next succeeding the calendar 43675
year in which the emissions occurred. 43676

The fees levied under this division do not apply to that 43677
portion of the emissions of a regulated pollutant at a facility 43678
that exceed four thousand tons during a calendar year. 43679

(C)(1) The fees assessed under division (B) of this section 43680
are for the purpose of providing funding for the Title V permit 43681
program. 43682

(2) The fees assessed under division (B) of this section do 43683
not apply to emissions from any electric generating unit 43684
designated as a Phase I unit under Title IV of the federal Clean 43685
Air Act prior to calendar year 2000. Those fees shall be assessed 43686
on the emissions from such a generating unit commencing in 43687
calendar year 2001 based upon the total actual emissions from the 43688
generating unit during calendar year 2000 and shall continue to be 43689
assessed each subsequent calendar year based on the total actual 43690
emissions from the generating unit during the preceding calendar 43691
year. 43692

(3) The director shall issue invoices to owners or operators 43693
of air contaminant sources who are required to pay a fee assessed 43694
under division (B) or (D) of this section. Any such invoice shall 43695
be issued no sooner than the applicable date when the fee first 43696
may be collected in a year under the applicable division, shall 43697
identify the nature and amount of the fee assessed, and shall 43698
indicate that the fee is required to be paid within thirty days 43699
after the issuance of the invoice. 43700

(D)(1) Except as provided in division (D)(3) of this section, 43701
from January 1, 1994, through December 31, 2003, each person who 43702
owns or operates an air contaminant source; who is required to 43703

apply for a permit to operate pursuant to rules adopted under 43704
division (G), or a variance pursuant to division (H), of section 43705
3704.03 of the Revised Code; and who is not required to apply for 43706
and obtain a Title V permit under section 3704.036 of the Revised 43707
Code shall pay a single fee based upon the sum of the actual 43708
annual emissions from the facility of the regulated pollutants 43709
particulate matter, sulfur dioxide, nitrogen oxides, organic 43710
compounds, and lead in accordance with the following schedule: 43711

| Total tons per year | | | 43712 |

beginning January 1, 2004, each person who owns or operates an air 43719
contaminant source; who is required to apply for a permit to 43720
operate pursuant to rules adopted under division (G), or a 43721
variance pursuant to division (H), of section 3704.03 of the 43722
Revised Code; and who is not required to apply for and obtain a 43723
Title V permit under section 3704.03 of the Revised Code shall pay 43724
a single fee based upon the sum of the actual annual emissions 43725
from the facility of the regulated pollutants particulate matter, 43726
sulfur dioxide, nitrogen oxides, organic compounds, and lead in 43727
accordance with the following schedule: 43728

| Total tons per year | | | 43729 |

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2016~~ 2018, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

than the fifteenth day of April, commencing in 2000. The fees 43769
assessed under division (D) of this section in a calendar year 43770
shall be based upon the sum of the actual emissions of those 43771
regulated pollutants during the preceding calendar year. For the 43772
purpose of division (D) of this section, emissions of air 43773
contaminants may be calculated using engineering calculations, 43774
emission factors, material balance calculations, or performance 43775
testing procedures, as authorized by the director. The director, 43776
by rule, may require persons who are required to pay the fees 43777
assessed under division (D) of this section to pay those fees 43778
biennially rather than annually. 43779

(E)(1) Consistent with the need to cover the reasonable costs 43780
of the Title V permit program, the director annually shall 43781
increase the fees prescribed in division (B) of this section by 43782
the percentage, if any, by which the consumer price index for the 43783
most recent calendar year ending before the beginning of a year 43784
exceeds the consumer price index for calendar year 1989. Upon 43785
calculating an increase in fees authorized by division (E)(1) of 43786
this section, the director shall compile revised fee schedules for 43787
the purposes of division (B) of this section and shall make the 43788
revised schedules available to persons required to pay the fees 43789
assessed under that division and to the public. 43790

(2) For the purposes of division (E)(1) of this section: 43791

(a) The consumer price index for any year is the average of 43792
the consumer price index for all urban consumers published by the 43793
United States department of labor as of the close of the 43794
twelve-month period ending on the thirty-first day of August of 43795
that year. 43796

(b) If the 1989 consumer price index is revised, the director 43797
shall use the revision of the consumer price index that is most 43798
consistent with that for calendar year 1989. 43799

(F) Each person who is issued a permit to install pursuant to 43800
rules adopted under division (F) of section 3704.03 of the Revised 43801
Code on or after July 1, 2003, shall pay the fees specified in the 43802
following schedules: 43803

exceptions: 44613

(i) Except as provided in division (Y)(2)(d) of this section, 44614
a sewage sludge facility that treats or disposes of exceptional 44615
quality sludge shall pay a minimum annual sewage sludge fee of one 44616
hundred dollars. 44617

(ii) A sewage sludge facility that treats or disposes of 44618
exceptional quality sludge shall not be required to pay the annual 44619
sludge fee for treatment or disposal in this state of exceptional 44620
quality sludge generated outside of this state and contained in 44621
bags or other containers not greater than one hundred pounds in 44622
capacity. 44623

A thirty-five per cent reduction for exceptional quality 44624
sludge applies to the maximum annual fees established under 44625
division (Y)(3) of this section. 44626

(c) A sewage sludge facility that transfers sewage sludge to 44627
another sewage sludge facility in this state for further treatment 44628
prior to disposal in this state shall not be required to pay the 44629
annual sludge fee for the tons of sewage sludge that have been 44630
transferred. In such a case, the sewage sludge facility that 44631
disposes of the sewage sludge shall pay the annual sludge fee. 44632
However, the facility transferring the sewage sludge shall pay the 44633
one-hundred-dollar minimum fee required under division (Y)(2)(a) 44634
of this section. 44635

In the case of a sewage sludge facility that treats sewage 44636
sludge in this state and transfers it out of this state to another 44637
entity for disposal, the sewage sludge facility in this state 44638
shall be required to pay the annual sludge fee for the tons of 44639
sewage sludge that have been transferred. 44640

(d) A sewage sludge facility that generates sewage sludge 44641
resulting from an average daily discharge flow of less than five 44642
thousand gallons per day is not subject to the fees assessed under 44643

division (Y) of this section. 44644

(3) No sewage sludge facility required to pay the annual 44645
sludge fee shall be required to pay more than the maximum annual 44646
fee for each disposal method that the sewage sludge facility uses. 44647
The maximum annual fee does not include the additional amount that 44648
may be charged under division (Y)(5) of this section for late 44649
payment of the annual sludge fee. The maximum annual fee for the 44650
following methods of disposal of sewage sludge is as follows: 44651

(a) Incineration: five thousand dollars; 44652

(b) Preexisting land reclamation project or disposal in a 44653
landfill: five thousand dollars; 44654

any other disposal method not specified in division (Y)(3)(a) or 44656
(b) of this section: twenty thousand dollars. 44657

(4)(a) In the case of an entity that generates sewage sludge 44658
or a sewage sludge facility that treats sewage sludge and 44659
transfers the sewage sludge to an incineration facility for 44660
disposal, the incineration facility, and not the entity generating 44661
the sewage sludge or the sewage sludge facility treating the 44662
sewage sludge, shall pay the annual sludge fee for the tons of 44663
sewage sludge that are transferred. However, the entity or 44664
facility generating or treating the sewage sludge shall pay the 44665
one-hundred-dollar minimum fee required under division (Y)(2)(a) 44666
of this section. 44667

(b) In the case of an entity that generates sewage sludge and 44668
transfers the sewage sludge to a landfill for disposal or to a 44669
sewage sludge facility for land reclamation or surface disposal, 44670
the entity generating the sewage sludge, and not the landfill or 44671
sewage sludge facility, shall pay the annual sludge fee for the 44672
tons of sewage sludge that are transferred. 44673

(5) Not later than the first day of April of the calendar 44674

year following March 17, 2000, and each first day of April 44675
thereafter, the director shall issue invoices to persons who are 44676
required to pay the annual sludge fee. The invoice shall identify 44677
the nature and amount of the annual sludge fee assessed and state 44678
the first day of May as the deadline for receipt by the director 44679
of objections regarding the amount of the fee and the first day of 44680
July as the deadline for payment of the fee. 44681

Not later than the first day of May following receipt of an 44682
invoice, a person required to pay the annual sludge fee may submit 44683
objections to the director concerning the accuracy of information 44684
regarding the number of dry tons of sewage sludge used to 44685
calculate the amount of the annual sludge fee or regarding whether 44686
the sewage sludge qualifies for the exceptional quality sludge 44687
discount established in division (Y)(2)(b) of this section. The 44688
director may consider the objections and adjust the amount of the 44689
fee to ensure that it is accurate. 44690

If the director does not adjust the amount of the annual 44691
sludge fee in response to a person's objections, the person may 44692
appeal the director's determination in accordance with Chapter 44693
119. of the Revised Code. 44694

Not later than the first day of June, the director shall 44695
notify the objecting person regarding whether the director has 44696
found the objections to be valid and the reasons for the finding. 44697
If the director finds the objections to be valid and adjusts the 44698
amount of the annual sludge fee accordingly, the director shall 44699
issue with the notification a new invoice to the person 44700
identifying the amount of the annual sludge fee assessed and 44701
stating the first day of July as the deadline for payment. 44702

Not later than the first day of July, any person who is 44703
required to do so shall pay the annual sludge fee. Any person who 44704
is required to pay the fee, but who fails to do so on or before 44705
that date shall pay an additional amount that equals ten per cent 44706

of the required annual sludge fee. 44707

(6) The director shall transmit all moneys collected under 44708
division (Y) of this section to the treasurer of state for deposit 44709
into the surface water protection fund created in section 6111.038 44710
of the Revised Code. The moneys shall be used to defray the costs 44711
of administering and enforcing provisions in Chapter 6111. of the 44712
Revised Code and rules adopted under it that govern the use, 44713
storage, treatment, or disposal of sewage sludge. 44714

(7) Beginning in fiscal year 2001, and every two years 44715
thereafter, the director shall review the total amount of moneys 44716
generated by the annual sludge fees to determine if that amount 44717
exceeded six hundred thousand dollars in either of the two 44718
preceding fiscal years. If the total amount of moneys in the fund 44719
exceeded six hundred thousand dollars in either fiscal year, the 44720
director, after review of the fee structure and consultation with 44721
affected persons, shall issue an order reducing the amount of the 44722
fees levied under division (Y) of this section so that the 44723
estimated amount of moneys resulting from the fees will not exceed 44724
six hundred thousand dollars in any fiscal year. 44725

If, upon review of the fees under division (Y)(7) of this 44726
section and after the fees have been reduced, the director 44727
determines that the total amount of moneys collected and 44728
accumulated is less than six hundred thousand dollars, the 44729
director, after review of the fee structure and consultation with 44730
affected persons, may issue an order increasing the amount of the 44731
fees levied under division (Y) of this section so that the 44732
estimated amount of moneys resulting from the fees will be 44733
approximately six hundred thousand dollars. Fees shall never be 44734
increased to an amount exceeding the amount specified in division 44735
(Y)(7) of this section. 44736

Notwithstanding section 119.06 of the Revised Code, the 44737
director may issue an order under division (Y)(7) of this section 44738

without the necessity to hold an adjudicatory hearing in 44739
connection with the order. The issuance of an order under this 44740
division is not an act or action for purposes of section 3745.04 44741
of the Revised Code. 44742

rules and conditions under which horse racing may be conducted and 44928
may issue, deny, suspend, diminish, or revoke permits to conduct 44929
horse racing as authorized by sections 3769.01 to 3769.14 of the 44930
Revised Code. The commission may impose, in addition to any other 44931
penalty imposed by the commission, fines in an amount not to 44932

person who violates the rules or orders of the commission. The 44934
commission may prescribe the forms of wagering that are 44935
permissible, the number of races, the procedures on wagering, and 44936
the wagering information to be provided to the public. 44937

The commission may require totalizator equipment to display 44938
the amount of wagering in each wagering pool. The commission shall 44939
initiate safeguards as necessary to account for the amount of 44940
money wagered at each track in each wagering pool. It may require 44941
permit holders to install equipment that will provide a complete 44942
check and analysis of the functioning of any computers and require 44943
safeguards on their performance. The commission shall require all 44944
permit holders, except those holding state fair, county fair, or 44945
other fair permits, to provide a photographic recording, approved 44946
by the commission, of the entire running of all races conducted by 44947
the permit holder. 44948

The state racing commission may issue, deny, suspend, or 44949
revoke licenses to those persons engaged in racing and to those 44950
employees of permit holders as is in the public interest for the 44951
purpose of maintaining a proper control over horse-racing 44952
meetings. The commission, as is in the public interest for the 44953
purpose of maintaining proper control over horse-racing meetings, 44954

also may rule any person off a permit holder's premises. License 44955
fees shall include registration fees and shall be set by the 44956
commission. Each license issued by the commission, unless revoked 44957
for cause, shall be for the period of one year from the first day 44958
of January of the year in which it is issued, except as otherwise 44959
provided in section 3769.07 of the Revised Code. Applicants for 44960
licenses issued by the commission shall submit their fingerprints 44961
to the commission, and the commission may forward the fingerprints 44962
to the federal bureau of investigation or to any other agency, or 44963
to both, for examination. 44964

There is hereby created in the state treasury the state 44965
racing commission operating fund. All license fees established and 44966
collected by the commission pursuant to this section, and the 44967
amounts specified in divisions (B) and (C) of section 3769.08 and 44968
division (A)~~(6)~~(5) of section 3769.087 of the Revised Code, shall 44969
be paid into the state treasury to the credit of the fund. Moneys 44970
in the fund shall be expended by the commission to defray its 44971
operating costs, salaries and expenses, and the cost of 44972
administering and enforcing this chapter. 44973

The commission may deny a permit to any permit holder that 44974
has defaulted in payments to the public, employees, or the 44975
horsemen and may deny a permit to any successor purchaser of a 44976
track for as long as any of those defaults have not been satisfied 44977
by either the seller or purchaser. 44978

The commission shall deny a permit to any permit holder that 44979
has defaulted in payments to the state or has defaulted in 44980
payments required under section 3769.089 or 3769.0810 of the 44981
Revised Code and shall deny a permit to any successor purchaser of 44982
a track for as long as those defaults have not been satisfied by 44983
either the seller or purchaser. 44984

Any violation of this chapter, of any rule of racing adopted 44985
by the commission, or of any law or rule with respect to racing in 44986

any jurisdiction shall be sufficient reason for a refusal to issue 44987
a license, or a suspension or revocation of any license issued, 44988
pursuant to this section. 44989

With respect to the issuance, denial, suspension, or 44990
revocation of a license to a participant in horse racing, the 44991
action of the commission shall be subject to Chapter 119. of the 44992
Revised Code. 44993

The commission may sue and be sued in its own name. Any 44994
action against the commission shall be brought in the court of 44995
common pleas of Franklin county. Any appeal from a determination 44996
or decision of the commission rendered in the exercise of its 44997
powers and duties under this chapter shall be brought in the court 44998
of common pleas of Franklin county. 44999

The commission, biennially, shall make a full report to the 45000
governor of its proceedings for the two-year period ending with 45001
the thirty-first day of December preceding the convening of the 45002
general assembly and shall include its recommendations in the 45003
report. The commission, semiannually, on the thirtieth day of June 45004
and on the thirty-first day of December of each year, shall make a 45005
report and accounting to the governor. 45006

Sec. 3769.08. (A) Any person holding a permit to conduct a 45007
horse-racing meeting may provide a place in the race meeting 45008
grounds or enclosure at which the permit holder may conduct and 45009
supervise the pari-mutuel system of wagering by patrons of legal 45010
age on the live racing programs and simulcast racing programs 45011
conducted by the permit holder. 45012

The pari-mutuel method of wagering upon the live racing 45013
programs and simulcast racing programs held at or conducted within 45014
such race track, and at the time of such horse-racing meeting, or 45015
at other times authorized by the state racing commission, shall 45016
not be unlawful. No other place, except that provided and 45017

designated by the permit holder and except as provided in section 45018
3769.26 of the Revised Code, nor any other method or system of 45019
betting or wagering on live racing programs and simulcast racing 45020
programs, except the pari-mutuel system, shall be used or 45021
permitted by the permit holder; nor, except as provided in section 45022
3769.089 or 3769.26 of the Revised Code, shall the pari-mutuel 45023
system of wagering be conducted by the permit holder on any races 45024
except the races at the race track, grounds, or enclosure for 45025
which the person holds a permit. Each permit holder may retain as 45026
a commission an amount not to exceed eighteen per cent of the 45027
total of all moneys wagered on live racing programs and simulcast 45028
racing programs. 45029

The pari-mutuel wagering authorized by this section is 45030
subject to sections 3769.25 to 3769.28 of the Revised Code. 45031

(B) At the close of each racing day, each permit holder 45032
authorized to conduct thoroughbred racing, out of the amount 45033
retained on that day by the permit holder, shall pay in the manner 45034
prescribed under section 3769.103 of the Revised Code, as a tax, a 45035
sum equal to the following percentages of the total of all moneys 45036
wagered on live racing programs on that day and shall separately 45037
compute and pay in the manner prescribed under section 3769.103 of 45038
the Revised Code, as a tax, a sum equal to the following 45039
percentages of the total of all money wagered on simulcast racing 45040
programs on that day: 45041

(1) One per cent of the first two hundred thousand dollars 45042
wagered, or any part of that amount; 45043

(2) Two per cent of the next one hundred thousand dollars 45044
wagered, or any part of that amount; 45045

(3) Three per cent of the next one hundred thousand dollars 45046
wagered, or any part of that amount; 45047

(4) Four per cent of all sums over four hundred thousand 45048

dollars wagered. 45049

Except as otherwise provided in section 3769.089 of the 45050
Revised Code, each permit holder authorized to conduct 45051
thoroughbred racing shall use for purse money a sum equal to fifty 45052
per cent of the pari-mutuel revenues retained by the permit holder 45053
as a commission after payment of the state tax. This fifty per 45054
cent payment shall be in addition to the purse distribution from 45055
breakage specified in this section. 45056

Subject to division (M) of this section, from the moneys paid 45057
to the tax commissioner by thoroughbred racing permit holders, 45058
one-half of one per cent of the total of all moneys so wagered on 45059
a racing day shall be paid into the Ohio fairs fund created by 45060
section 3769.082 of the Revised Code, one and one-eighth per cent 45061
of the total of all moneys so wagered on a racing day shall be 45062
paid into the Ohio thoroughbred race fund created by section 45063
3769.083 of the Revised Code, and one-quarter of one per cent of 45064
the total of all moneys wagered on a racing day by each permit 45065
holder shall be paid into the state racing commission operating 45066
fund created by section 3769.03 of the Revised Code. The required 45067
payment to the state racing commission operating fund does not 45068
apply to county and independent fairs and agricultural societies. 45069
The remaining moneys may be retained by the permit holder, except 45070
as provided in this section with respect to the odd cents 45071
redistribution. Amounts paid into the nursing home franchise 45072
permit fee fund pursuant to this section and section 3769.26 of 45073
the Revised Code shall be used solely for the support of the 45074
PASSPORT program as determined in appropriations made by the 45075
general assembly. If the PASSPORT program is abolished, the amount 45076
that would have been paid to the nursing home franchise permit fee 45077
fund under this chapter shall be paid to the general revenue fund 45078
of the state. As used in this chapter, "PASSPORT program" has the 45079
same meaning as in section 173.51 of the Revised Code. 45080

The total amount paid to the Ohio thoroughbred race fund 45081
under this section and division (A) of section 3769.087 of the 45082
Revised Code shall not exceed by more than six per cent the total 45083
amount paid to this fund under this section and division (A) of 45084
that section during the immediately preceding calendar year. 45085

Each year, the total amount calculated for payment into the 45086
Ohio fairs fund under this division, division (C) of this section, 45087
and division (A) of section 3769.087 of the Revised Code shall be 45088
an amount calculated using the percentages specified in this 45089
division, division (C) of this section, and division (A) of 45090
section 3769.087 of the Revised Code. 45091

A permit holder may contract with a thoroughbred horsemen's 45092
organization for the organization to act as a representative of 45093
all thoroughbred owners and trainers participating in a 45094
horse-racing meeting conducted by the permit holder. A 45095
"thoroughbred horsemen's organization" is any corporation or 45096
association that represents, through membership or otherwise, more 45097
than one-half of the aggregate of all thoroughbred owners and 45098
trainers who were licensed and actively participated in racing 45099
within this state during the preceding calendar year. Except as 45100
otherwise provided in this paragraph, any moneys received by a 45101
thoroughbred horsemen's organization shall be used exclusively for 45102
the benefit of thoroughbred owners and trainers racing in this 45103
state through the administrative purposes of the organization, 45104
benevolent activities on behalf of the horsemen, promotion of the 45105
horsemen's rights and interests, and promotion of equine research. 45106
A thoroughbred horsemen's organization may expend not more than an 45107
aggregate of five per cent of its annual gross receipts, or a 45108
larger amount as approved by the organization, for dues, 45109
assessments, and other payments to all other local, national, or 45110
international organizations having as their primary purposes the 45111
promotion of thoroughbred horse racing, thoroughbred horsemen's 45112

rights, and equine research. 45113

(C) Except as otherwise provided in division (B) of this 45114
section, at the close of each racing day, each permit holder 45115
authorized to conduct harness or quarter horse racing, out of the 45116
amount retained that day by the permit holder, shall pay in the 45117
manner prescribed under section 3769.103 of the Revised Code, as a 45118
tax, a sum equal to the following percentages of the total of all 45119
moneys wagered on live racing programs and shall separately 45120
compute and pay in the manner prescribed under section 3769.103 of 45121
the Revised Code, as a tax, a sum equal to the following 45122
percentages of the total of all money wagered on simulcast racing 45123
programs on that day: 45124

(1) One per cent of the first two hundred thousand dollars 45125
wagered, or any part of that amount; 45126

(2) Two per cent of the next one hundred thousand dollars 45127
wagered, or any part of that amount; 45128

(3) Three per cent of the next one hundred thousand dollars 45129
wagered, or any part of that amount; 45130

(4) Four per cent of all sums over four hundred thousand 45131
dollars wagered. 45132

Except as otherwise provided in division (B) and subject to 45133
division (M) of this section, from the moneys paid to the tax 45134
commissioner by permit holders authorized to conduct harness or 45135
quarter horse racing, one-half of one per cent of all moneys 45136
wagered on that racing day shall be paid into the Ohio fairs fund; 45137
from the moneys paid to the tax commissioner by permit holders 45138
authorized to conduct harness racing, five-eighths of one per cent 45139
of all moneys wagered on that racing day shall be paid into the 45140
Ohio standardbred development fund; and from the moneys paid to 45141
the tax commissioner by permit holders authorized to conduct 45142
quarter horse racing, five-eighths of one per cent of all moneys 45143

wagered on that racing day shall be paid into the Ohio 45144
thoroughbred race fund to support quarter horse development ~~fund~~ 45145
and purses. 45146

(D) In addition, subject to division (M) of this section, 45147
beginning on January 1, 1996, from the money paid to the tax 45148
commissioner as a tax under this section and division (A) of 45149
section 3769.087 of the Revised Code by harness horse permit 45150
holders, one-half of one per cent of the amount wagered on a 45151
racing day shall be paid into the Ohio standardbred development 45152
fund. Beginning January 1, 1998, the payment to the Ohio 45153
standardbred development fund required under this division does 45154
not apply to county agricultural societies or independent 45155
agricultural societies. 45156

The total amount paid to the Ohio standardbred development 45157
fund under this division, division (C) of this section, and 45158
division (A) of section 3769.087 of the Revised Code and the total 45159
amount paid to the Ohio thoroughbred race fund to support quarter 45160
horse development ~~fund~~ and purses under this division and division 45161
(A) of that section shall not exceed by more than six per cent the 45162
total amount paid into the fund under this division, division (C) 45163
of this section, and division (A) of section 3769.087 of the 45164
Revised Code in the immediately preceding calendar year. 45165

(E) Subject to division (M) of this section, from the money 45166
paid as a tax under this chapter by harness and quarter horse 45167
permit holders, one-quarter of one per cent of the total of all 45168
moneys wagered on a racing day by each permit holder shall be paid 45169
into the state racing commission operating fund created by section 45170
3769.03 of the Revised Code. This division does not apply to 45171
county and independent fairs and agricultural societies. 45172

(F) Except as otherwise provided in section 3769.089 of the 45173
Revised Code, each permit holder authorized to conduct harness 45174
racing shall pay to the harness horsemen's purse pool a sum equal 45175

to fifty per cent of the pari-mutuel revenues retained by the 45176
permit holder as a commission after payment of the state tax. This 45177
fifty per cent payment is to be in addition to the purse 45178
distribution from breakage specified in this section. 45179

(G) In addition, each permit holder authorized to conduct 45180
harness racing shall be allowed to retain the odd cents of all 45181
redistribution to be made on all mutual contributions exceeding a 45182
sum equal to the next lowest multiple of ten. 45183

Forty per cent of that portion of that total sum of such odd 45184
cents shall be used by the permit holder for purse money for Ohio 45185
sired, bred, and owned colts, for purse money for Ohio bred 45186
horses, and for increased purse money for horse races. Upon the 45187
formation of the corporation described in section 3769.21 of the 45188
Revised Code to establish a harness horsemen's health and 45189
retirement fund, twenty-five per cent of that portion of that 45190
total sum of odd cents shall be paid at the close of each racing 45191
day by the permit holder to that corporation to establish and fund 45192
the health and retirement fund. Until that corporation is formed, 45193
that twenty-five per cent shall be paid at the close of each 45194
racing day by the permit holder to the tax commissioner or the tax 45195
commissioner's agent in the county seat of the county in which the 45196
permit holder operates race meetings. The remaining thirty-five 45197
per cent of that portion of that total sum of odd cents shall be 45198
retained by the permit holder. 45199

(H) In addition, each permit holder authorized to conduct 45200
thoroughbred racing shall be allowed to retain the odd cents of 45201
all redistribution to be made on all mutuel contributions 45202
exceeding a sum equal to the next lowest multiple of ten. Twenty 45203
per cent of that portion of that total sum of such odd cents shall 45204
be used by the permit holder for increased purse money for horse 45205
races. Upon the formation of the corporation described in section 45206
3769.21 of the Revised Code to establish a thoroughbred horsemen's 45207

health and retirement fund, forty-five per cent of that portion of 45208
that total sum of odd cents shall be paid at the close of each 45209
racing day by the permit holder to that corporation to establish 45210
and fund the health and retirement fund. Until that corporation is 45211
formed, that forty-five per cent shall be paid by the permit 45212
holder to the tax commissioner or the tax commissioner's agent in 45213
the county seat of the county in which the permit holder operates 45214
race meetings, at the close of each racing day. The remaining 45215
thirty-five per cent of that portion of that total sum of odd 45216
cents shall be retained by the permit holder. 45217

(I) In addition, each permit holder authorized to conduct 45218
quarter horse racing shall be allowed to retain the odd cents of 45219
all redistribution to be made on all mutuel contributions 45220
exceeding a sum equal to the next lowest multiple of ten, subject 45221
to a tax of twenty-five per cent on that portion of the total sum 45222
of such odd cents that is in excess of two thousand dollars during 45223
a calendar year, which tax shall be paid at the close of each 45224
racing day by the permit holder to the tax commissioner or the tax 45225
commissioner's agent in the county seat of the county within which 45226
the permit holder operates race meetings. Forty per cent of that 45227
portion of that total sum of such odd cents shall be used by the 45228
permit holder for increased purse money for horse races. The 45229
remaining thirty-five per cent of that portion of that total sum 45230
of odd cents shall be retained by the permit holder. 45231

(J)(1) To encourage the improvement of racing facilities for 45232
the benefit of the public, breeders, and horse owners, and to 45233
increase the revenue to the state from the increase in pari-mutuel 45234
wagering resulting from those improvements, the taxes paid by a 45235
permit holder to the state as provided for in this chapter shall 45236
be reduced by three-fourths of one per cent of the total amount 45237
wagered for those permit holders who make capital improvements to 45238
existing race tracks or construct new race tracks. The percentage 45239

of the reduction that may be taken each racing day shall equal 45240
seventy-five per cent of the taxes levied under divisions (B) and 45241
(C) of this section and section 3769.087 of the Revised Code, and 45242
division (F)(2) of section 3769.26 of the Revised Code, as 45243
applicable, divided by the calculated amount each fund should 45244
receive under divisions (B) and (C) of this section and section 45245
3769.087 of the Revised Code, and division (F)(2) of section 45246
3769.26 of the Revised Code and the reduction provided for in this 45247
division. If the resulting percentage is less than one, that 45248
percentage shall be multiplied by the amount of the reduction 45249
provided for in this division. Otherwise, the permit holder shall 45250
receive the full reduction provided for in this division. The 45251
amount of the allowable reduction not received shall be carried 45252
forward and applied against future tax liability. After any 45253
reductions expire, any reduction carried forward shall be treated 45254
as a reduction as provided for in this division. 45255

If more than one permit holder is authorized to conduct 45256
racing at the facility that is being built or improved, the cost 45257
of the new race track or capital improvement shall be allocated 45258
between or among all the permit holders in the ratio that the 45259
permit holders' number of racing days bears to the total number of 45260
racing days conducted at the facility. 45261

A reduction for a new race track or a capital improvement 45262
shall start from the day racing is first conducted following the 45263
date actual construction of the new race track or each capital 45264
improvement is completed and the construction cost has been 45265
approved by the racing commission, unless otherwise provided in 45266
this section. A reduction for a new race track or a capital 45267
improvement shall continue for a period of twenty-five years for 45268
new race tracks and for fifteen years for capital improvements if 45269
the construction of the capital improvement or new race track 45270
commenced prior to March 29, 1988, and for a period of ten years 45271

for new race tracks or capital improvements if the construction of 45272
the capital improvement or new race track commenced on or after 45273
March 29, 1988, but before June 6, 2001, or until the total tax 45274
reduction reaches seventy per cent of the approved cost of the new 45275
race track or capital improvement, as allocated to each permit 45276
holder, whichever occurs first. A reduction for a new race track 45277
or a capital improvement approved after June 6, 2001, shall 45278
continue until the total tax reduction reaches one hundred per 45279
cent of the approved cost of the new race track or capital 45280
improvement, as allocated to each permit holder. 45281

A reduction granted for a new race track or a capital 45282
improvement, the application for which was approved by the racing 45283
commission after March 29, 1988, but before June 6, 2001, shall 45284
not commence nor shall the ten-year period begin to run until all 45285
prior tax reductions with respect to the same race track have 45286
ended. The total tax reduction because of capital improvements 45287
shall not during any one year exceed for all permit holders using 45288
any one track three-fourths of one per cent of the total amount 45289
wagered, regardless of the number of capital improvements made. 45290
Several capital improvements to a race track may be consolidated 45291
in an application if the racing commission approved the 45292
application prior to March 29, 1988. No permit holder may receive 45293
a tax reduction for a capital improvement approved by the racing 45294
commission on or after March 29, 1988, at a race track until all 45295
tax reductions have ended for all prior capital improvements 45296
approved by the racing commission under this section or section 45297
3769.20 of the Revised Code at that race track. If there are two 45298
or more permit holders operating meetings at the same track, they 45299
may consolidate their applications. The racing commission shall 45300
notify the tax commissioner when the reduction of tax begins and 45301
when it ends. 45302

Each fiscal year the racing commission shall submit a report 45303

to the tax commissioner, the office of budget and management, and 45304
the legislative service commission. The report shall identify each 45305
capital improvement project undertaken under this division and in 45306
progress at each race track, indicate the total cost of each 45307
project, state the tax reduction that resulted from each project 45308
during the immediately preceding fiscal year, estimate the tax 45309
reduction that will result from each project during the current 45310
fiscal year, state the total tax reduction that resulted from all 45311
such projects at all race tracks during the immediately preceding 45312
fiscal year, and estimate the total tax reduction that will result 45313
from all such projects at all race tracks during the current 45314
fiscal year. 45315

(2) In order to qualify for the reduction in tax, a permit 45316
holder shall apply to the racing commission in such form as the 45317
commission may require and shall provide full details of the new 45318
race track or capital improvement, including a schedule for its 45319
construction and completion, and set forth the costs and expenses 45320
incurred in connection with it. The racing commission shall not 45321
approve an application unless the permit holder shows that a 45322
contract for the new race track or capital improvement has been 45323
let under an unrestricted competitive bidding procedure, unless 45324
the contract is exempted by the controlling board because of its 45325
unusual nature. In determining whether to approve an application, 45326
the racing commission shall consider whether the new race track or 45327
capital improvement will promote the safety, convenience, and 45328
comfort of the racing public and horse owners and generally tend 45329
towards the improvement of racing in this state. 45330

(3) If a new race track or capital improvement is approved by 45331
the racing commission and construction has started, the tax 45332
reduction may be authorized by the commission upon presentation of 45333
copies of paid bills in excess of one hundred thousand dollars or 45334
ten per cent of the approved cost, whichever is greater. After the 45335

initial authorization, the permit holder shall present copies of 45336
paid bills. If the permit holder is in substantial compliance with 45337
the schedule for construction and completion of the new race track 45338
or capital improvement, the racing commission may authorize the 45339
continuation of the tax reduction upon the presentation of the 45340
additional paid bills. The total amount of the tax reduction 45341
authorized shall not exceed the percentage of the approved cost of 45342
the new race track or capital improvement specified in division 45343
(J)(1) of this section. The racing commission may terminate any 45344
tax reduction immediately if a permit holder fails to complete the 45345
new race track or capital improvement, or to substantially comply 45346
with the schedule for construction and completion of the new race 45347
track or capital improvement. If a permit holder fails to complete 45348
a new race track or capital improvement, the racing commission 45349
shall order the permit holder to repay to the state the total 45350
amount of tax reduced. The normal tax paid by the permit holder 45351
shall be increased by three-fourths of one per cent of the total 45352
amount wagered until the total amount of the additional tax 45353
collected equals the total amount of tax reduced. 45354

(4) As used in this section: 45355

(a) "Capital improvement" means an addition, replacement, or 45356
remodeling of a structural unit of a race track facility costing 45357
at least one hundred thousand dollars, including, but not limited 45358
to, the construction of barns used exclusively for the race track 45359
facility, backstretch facilities for horsemen, paddock facilities, 45360
new pari-mutuel and totalizator equipment and appurtenances to 45361
that equipment purchased by the track, new access roads, new 45362
parking areas, the complete reconstruction, reshaping, and 45363
leveling of the racing surface and appurtenances, the installation 45364
of permanent new heating or air conditioning, roof replacement or 45365
restoration, installations of a permanent nature forming a part of 45366
the track structure, and construction of buildings that are 45367

located on a permit holder's premises. "Capital improvement" does 45368
not include the cost of replacement of equipment that is not 45369
permanently installed, ordinary repairs, painting, and maintenance 45370
required to keep a race track facility in ordinary operating 45371
condition. 45372

(b) "New race track" includes the reconstruction of a race 45373
track damaged by fire or other cause that has been declared by the 45374
racing commission, as a result of the damage, to be an inadequate 45375
facility for the safe operation of horse racing. 45376

(c) "Approved cost" includes all debt service and interest 45377
costs that are associated with a capital improvement or new race 45378
track and that the racing commission approves for a tax reduction 45379
under division (J) of this section. 45380

(5) The racing commission shall not approve an application 45381
for a tax reduction under this section if it has reasonable cause 45382
to believe that the actions or negligence of the permit holder 45383
substantially contributed to the damage suffered by the track due 45384
to fire or other cause. The racing commission shall obtain any 45385
data or information available from a fire marshal, law enforcement 45386
official, or insurance company concerning any fire or other damage 45387
suffered by a track, prior to approving an application for a tax 45388
reduction. 45389

(6) The approved cost to which a tax reduction applies shall 45390
be determined by generally accepted accounting principles and 45391
verified by an audit of the permit holder's records upon 45392
completion of the project by the racing commission, or by an 45393
independent certified public accountant selected by the permit 45394
holder and approved by the commission. 45395

(K) No other license or excise tax or fee, except as provided 45396
in sections 3769.01 to 3769.14 of the Revised Code, shall be 45397
assessed or collected from such licensee by any county, township, 45398

district, municipal corporation, or other body having power to 45399
assess or collect a tax or fee. That portion of the tax paid under 45400
this section by permit holders for racing conducted at and during 45401
the course of an agricultural exposition or fair, and that portion 45402
of the tax that would have been paid by eligible permit holders 45403
into the nursing home franchise permit fee fund as a result of 45404
racing conducted at and during the course of an agricultural 45405
exposition or fair, shall be deposited into the state treasury to 45406
the credit of the horse racing tax fund, which is hereby created 45407
for the use of the agricultural societies of the several counties 45408
in which the taxes originate. The state racing commission shall 45409
determine eligible permit holders for purposes of the preceding 45410
sentence, taking into account the breed of horse, the racing 45411
dates, the geographic proximity to the fair, and the best 45412
interests of Ohio racing. On the first day of any month on which 45413
there is money in the fund, the tax commissioner shall provide for 45414
payment to the treasurer of each agricultural society the amount 45415
of the taxes collected under this section upon racing conducted at 45416
and during the course of any exposition or fair conducted by the 45417
society. 45418

(L) From the tax paid under this section by harness track 45419
permit holders, the tax commissioner shall pay into the Ohio 45420
thoroughbred race fund a sum equal to a percentage of the amount 45421
wagered upon which the tax is paid. The percentage shall be 45422
determined by the tax commissioner and shall be rounded to the 45423
nearest one-hundredth. The percentage shall be such that, when 45424
multiplied by the amount wagered upon which tax was paid by the 45425
harness track permit holders in the most recent year for which 45426
final figures are available, it results in a sum that 45427
substantially equals the same amount of tax paid by the tax 45428
commissioner during that year into the Ohio fairs fund from taxes 45429
paid by thoroughbred permit holders. This division does not apply 45430
to county and independent fairs and agricultural societies. 45431

(M) Twenty-five per cent of the taxes levied on thoroughbred 45432
racing permit holders, harness racing permit holders, and quarter 45433
horse racing permit holders under this section, division (A) of 45434
section 3769.087 of the Revised Code, and division (F)(2) of 45435
section 3769.26 of the Revised Code shall be paid into the nursing 45436
home franchise permit fee fund. The tax commissioner shall pay any 45437
money remaining, after the payment into the nursing home franchise 45438
permit fee fund and the reductions provided for in division (J) of 45439
this section and in section 3769.20 of the Revised Code, into the 45440
Ohio fairs fund, Ohio thoroughbred race fund, Ohio standardbred 45441
development fund, ~~Ohio quarter horse fund~~, and state racing 45442
commission operating fund as prescribed in this section and 45443
division (A) of section 3769.087 of the Revised Code. The tax 45444
commissioner shall thereafter use and apply the balance of the 45445
money paid as a tax by any permit holder to cover any shortage in 45446
the accounts of such funds resulting from an insufficient payment 45447
as a tax by any other permit holder. Subject to section 3769.101 45448
of the Revised Code, the moneys received by the tax commissioner 45449
shall be deposited monthly and paid by the tax commissioner into 45450
the funds to cover the total aggregate amount due from all permit 45451
holders to the funds, as calculated under this section and 45452
division (A) of section 3769.087 of the Revised Code, as 45453
applicable. If, after the payment into the nursing home franchise 45454
permit fee fund, sufficient funds are not available from the tax 45455
deposited by the tax commissioner to pay the required amounts into 45456
the Ohio fairs fund, Ohio standardbred development fund, Ohio 45457
thoroughbred race fund, ~~Ohio quarter horse fund~~, and the state 45458
racing commission operating fund, the tax commissioner shall 45459
prorate on a proportional basis the amount paid to each of the 45460
funds. Any shortage to the funds as a result of a proration shall 45461
be applied against future deposits for the same calendar year when 45462
funds are available. After this application, the tax commissioner 45463
shall pay any remaining money paid as a tax by all permit holders 45464

into the nursing home franchise permit fee fund. This division 45465
does not apply to permit holders conducting racing at the course 45466
of an agricultural exposition or fair as described in division (K) 45467
of this section. 45468

Sec. 3769.083. (A) As used in this section: 45469

conceived in this state and born in this state which is both of 45471
the following: 45472

(a) Born of a mare that is domiciled in this state at the 45473
time of the horse's conception, that remains continuously in the 45474
state through the date on which the horse is born, and that is 45475
registered as required by the rules of the state racing 45476
commission; 45477

(b) By a stallion that stands for breeding purposes only in 45478

required by the rules of the state racing commission which is 45482

(a) A horse born of a mare that enters this state before 45484
foaling and remains continuously in this state until the horse is 45485
born; 45486

(b) A thoroughbred foal produced within the state by any 45487
broodmare shipped into the state to foal and be bred to a 45488
registered Ohio stallion. To qualify this foal as an Ohio foaled 45489
horse, the broodmare shall remain in this state one year 45490
continuously after foaling or continuously through foaling to the 45491
cover of the Ohio stallion, whichever is sooner. All horses 45492
previously registered as Ohio conceived and foaled shall be 45493
considered as Ohio foaled horses effective January 1, 1976. 45494

Any thoroughbred mare may leave this state for periods of 45495
time for purposes of activities such as veterinary treatment or 45496
surgery, sales purposes, breeding purposes, racing purposes, and 45497
similar activities if permission is granted by the state racing 45498
commission and the mare is returned to this state immediately upon 45499
the conclusion of the requested activity. 45500

(3) "Horse," "stallion," "mare," or "foal" means a horse of 45501
the thoroughbred breed as distinguished from a horse of the 45502
standard breed or any other breed, and "race" means a race for 45503
thoroughbred horses conducted by a permit holder of the state 45504
racing commission. 45505

(4) "Horse" includes animals of all ages and of both sexes. 45506

(B) There is hereby created in the state treasury the Ohio 45507
thoroughbred race fund, to consist of moneys paid into it pursuant 45508
to sections 3769.08 and 3769.087 of the Revised Code. All 45509
investment earnings on the cash balances in the fund shall be 45510
credited to it. Moneys to the credit of the fund shall be 45511
distributed on order of the state racing commission. The 45512
commission, with the advice and assistance of the Ohio 45513
thoroughbred racing advisory committee, shall use the fund, except 45514
as provided in divisions (C)(2) and (3) and (D) of this section, 45515
to promote races and provide purses for races for horses in the 45516
following classes: 45517

(1) Accredited Ohio thoroughbred horses; 45518

(2) Ohio foaled horses. 45519

Not less than ten nor more than twenty-five per cent of the 45520
total money to be paid from the fund for all types of races shall 45521
be allocated to races restricted to accredited Ohio thoroughbred 45522
horses. The commission may combine the classes of horses described 45523
in divisions (B)(1) and (2) of this section in one race, except in 45524
stakes races. 45525

(C)(1) Each permit holder conducting thoroughbred races shall 45526
schedule races each week for horses in the classes named in 45527
division (B) of this section; the number of the races shall be 45528
prescribed by the state racing commission. The commission, 45529
pursuant to division (B) of this section, shall prescribe the 45530
class or classes of the races to be held by each permit holder 45531
and, with the advice of the Ohio thoroughbred racing advisory 45532
committee, shall fix the dates and conditions of the races and the 45533
amount of moneys to be paid from the Ohio thoroughbred race fund 45534
to be added in each race to the minimum purse established by the 45535
permit holder for the class of race held. 45536

(2) The commission, with the advice of the Ohio thoroughbred 45537
racing advisory committee, may provide for stakes races to be run 45538
each year, and fix the number of stakes races and the time, place, 45539
and conditions under which each shall be run. The commission shall 45540
fix the amount of moneys to be paid from the Ohio thoroughbred 45541
race fund to be added to the purse provided for each stakes race 45542
by the permit holder, except that, in at least four stakes races 45543
each year, the commission shall require, if four stakes races can 45544
be arranged, that the permit holder conducting the stakes race 45545
provide no less than fifteen thousand dollars for the purse for 45546
the stakes race, and the commission shall provide moneys from the 45547
fund to be added to the purse in an amount equal to or greater 45548
than the amount provided by the permit holder. The commission may 45549
require a nominating, sustaining, and entry fee not to exceed one 45550
per cent of the money added from the fund for each horse in any 45551
stakes race, which fee shall be added to the purse for the race. 45552

Stakes races where money is added from the Ohio thoroughbred 45553
race fund shall be open only to accredited Ohio thoroughbred 45554
horses and Ohio foaled horses. Twenty-five per cent of the total 45555
moneys to be paid from the fund for stakes races shall be 45556
allocated to races for only accredited Ohio thoroughbred horses. 45557

The commission may require a nominating, sustaining, and entry fee, not to exceed one per cent of the money added from the fund, for each horse in any of these stakes races. These fees shall be accumulated by the commission and shall be paid out by the commission at its discretion as part of the purse money for additional races.

(3) The commission may pay from the Ohio thoroughbred race fund to the breeder of a horse of class (1) or (2) of division (B) of this section winning first, second, or third prize money of a purse for a thoroughbred race an amount not to exceed fifteen per cent of the first, second, or third prize money of the purse. For the purposes of this division, the term "breeder" shall be defined by rule of the commission.

The commission also may provide for stallion owners' awards in an amount equal to not less than three nor more than ten per cent of the first, second, or third place share of the purse. The award shall be paid to the owner of the stallion, provided that the stallion was standing in this state as provided in division (A)(1)(b) of this section at the time the horse placing first, second, or third was conceived.

(D) The state racing commission may provide for the expenditure of moneys from the Ohio thoroughbred race fund in an amount not to exceed in any one calendar year ten per cent of the total amount received in the account that year to provide for research projects directed toward improving the breeding, raising, racing, and health and soundness of thoroughbred horses in the state and toward education or promotion of the industry. Research for which the moneys from the fund may be used may include, but shall not be limited to, studies of pre-race blood testing, post-race testing, improvement of the breed, and nutrition.

(E) The state racing commission shall appoint qualified personnel as may be required to supervise registration of horses

under the terms of this section, to determine the eligibility of 45590
horses for accredited Ohio thoroughbred races, Ohio foaled races, 45591
and the stakes races authorized by division (C)(2) of this 45592
section, and to assist the Ohio thoroughbred racing advisory 45593
committee and the commission in determining the conditions, class, 45594
and quality of the race program to be established under this 45595
section so as to carry out the purposes of this section. The 45596
personnel shall serve at the pleasure of the commission, and 45597
compensation shall be fixed by the commission. The compensation of 45598
the personnel and necessary expenses shall be paid out of the Ohio 45599
thoroughbred race fund. 45600

The commission shall adopt rules as are necessary to carry 45601
out this section and shall administer the stakes race program and 45602
other races supported by the Ohio thoroughbred race fund in a 45603
manner best designed to aid in the development of the thoroughbred 45604
horse industry in the state, to upgrade the quality of horse 45605
racing in the state, and to improve the quality of horses 45606
conceived and foaled in the state. 45607

(F) The state racing commission shall adopt rules regarding 45608
the maintenance and use of money collected for quarter horse 45609
development and purses under division (C) of section 3769.08 and 45610
division (A) of section 3769.087 of the Revised Code. 45611

3769.08 of the Revised Code, each permit holder shall retain an 45614
additional amount equal to four per cent of the total of all 45615
moneys wagered on each racing day on all wagering pools other than 45616

except as otherwise provided in section 3769.089 of the Revised 45645
Code, racing permit holders shall use one-half for purse money and 45646

racing commission shall direct through rule that a percentage of 45669
the lottery sales agent's commission as determined by the state 45670
lottery commission for conducting video lottery terminal gaming on 45671
behalf of the state be paid to the state racing commission for the 45672
benefit of breeding and racing in this state. The percentage so 45673
determined shall not be less than nine per cent or more than 45674
eleven per cent of the video lottery terminal income, and shall be 45675

the video lottery sales agent's facility. The aggregate of one 45677

to one-half of one per cent of such a lottery sales agent's 45697
commission for that purpose. 45698

Sec. 3769.101. (A) For the purposes of receiving, 45699
distributing, and accounting for revenue received from the taxes 45700
levied by sections 3769.08, 3769.087, and 3769.26 of the Revised 45701
Code, there is hereby created in the state treasury the 45702
horse-racing tax revenue fund. 45703

(B) All moneys collected from the taxes imposed by sections 45704
3769.08, 3769.087, and 3769.26 of the Revised Code shall be 45705
deposited into the horse-racing tax revenue fund. 45706

(C) On or before the fifteenth day of each month, the tax 45707
commissioner shall pay into the nursing home franchise permit fee 45708
fund, Ohio fairs fund, Ohio thoroughbred race fund, Ohio 45709
standardbred development fund, ~~Ohio quarter horse fund~~, and state 45710
racing commission operating fund created under this chapter the 45711
amounts required by sections 3769.08, 3769.087, and 3769.26 of the 45712
Revised Code based on amounts received in the preceding month. 45713

Sec. 3769.21. (A) A corporation may be formed pursuant to 45714
Chapter 1702. of the Revised Code to establish a thoroughbred 45715
horsemen's health and retirement fund and a corporation may be 45716
formed pursuant to Chapter 1702. of the Revised Code to establish 45717
a harness horsemen's health and retirement fund to be administered 45718
for the benefit of horsemen. As used in this section, "horsemen" 45719
includes any person involved in the owning, breeding, training, 45720
grooming, or racing of horses which race in Ohio, except for the 45721
owners or managers of race tracks. For purposes of the 45722
thoroughbred horsemen's health and retirement fund, "horsemen" 45723
also does not include trainers and grooms who are not members of 45724
the thoroughbred horsemen's organization in this state. No more 45725
than one corporation to establish a thoroughbred horsemen's health 45726
and retirement fund and no more than one corporation to establish 45727
a harness horsemen's health and retirement fund may be established 45728
in Ohio pursuant to this section. The trustees of the corporation 45729
formed to establish a thoroughbred horsemen's health and 45730
retirement fund shall have the discretion to determine which 45731
horsemen shall benefit from such fund. 45732

(B) The articles of incorporation of both of the corporations 45733
described in division (A) of this section shall provide for at 45734
least the following: 45735

(1) The corporation shall be governed by, and the health and 45736
retirement fund shall be administered by, a board of three 45737
trustees appointed pursuant to division (C) of this section for 45738
staggered three-year terms. 45739

(2) The board of trustees shall adopt and administer a plan 45740
to provide health benefits, retirement benefits, or both to either 45741
thoroughbred or harness horsemen. 45742

(3) The sum paid to the corporation pursuant to division (G) 45743
or (H) of section 3769.08 of the Revised Code and the video 45744

lottery terminal revenue paid to the corporation pursuant to 45745
section 3769.087 of the Revised Code shall be used exclusively to 45746
establish and administer the health and retirement fund, and to 45747
finance benefits paid to horsemen pursuant to the plan adopted 45748
under division (B)(2) of this section. 45749

(4) The articles of incorporation and code of regulations of 45750
the corporation may be amended at any time by the board of 45751
trustees pursuant to the method set forth in the articles of 45752
incorporation and code of regulations, except that no amendment 45753
shall be adopted which is inconsistent with this section. 45754

(C) Within sixty days after the formation of each of the 45755
corporations described in division (A) of this section, the state 45756
racing commission shall appoint the members of the board of 45757
trustees of that corporation. Vacancies shall be filled by the 45758
state racing commission in the same manner as initial 45759
appointments. Each trustee of the thoroughbred horsemen's health 45760
and retirement fund appointed by the commission shall be active as 45761
a thoroughbred horseman while serving a term as a trustee and 45762
shall have been active as a thoroughbred horseman for at least 45763
five years immediately prior to the commencement of any such term. 45764
Each trustee of the harness horsemen's health and retirement fund 45765
appointed by the commission shall be active as a harness horseman 45766
while serving a term as a trustee and shall have been active as a 45767
harness horseman for at least five years immediately prior to the 45768
commencement of any such term. The incorporators of either such 45769
corporation may serve as initial trustees until the state racing 45770
commission acts pursuant to this section to make these 45771
appointments. 45772

(D) The intent of the general assembly in enacting this 45773
section pursuant to Amended House Bill No. 639 of the 115th 45774
general assembly was to fulfill a legitimate government 45775
responsibility in a manner that would be more cost efficient and 45776

effective than direct state agency administration by permitting 45777
nonprofit corporations to be formed to establish health and 45778
retirement funds for the benefit of harness and thoroughbred 45779
horsemen, as it was determined that such persons were in need of 45780
such benefits. 45781

Sec. 3770.01. (A) There is hereby created the state lottery 45782
commission consisting of nine members appointed by the governor 45783
with the advice and consent of the senate. No more than five 45784
members of the commission shall be members of the same political 45785
party. Of the additional and new appointments made to the 45786
commission pursuant to the amendment of August 1, 1980, three 45787
shall be for terms ending August 1, 1981, three shall be for terms 45788
ending August 1, 1982, and three shall be for terms ending August 45789
1, 1983. Thereafter, terms of office shall be for three years, 45790
each term ending on the same day of the same month of the year as 45791
did the term which it succeeds. 45792

(B) Each member shall hold office from the date of 45793
appointment until the end of the term for which the member was 45794
appointed. Any member appointed to fill a vacancy occurring prior 45795
to the expiration of the term for which the member's predecessor 45796
was appointed shall hold office for the remainder of that term. 45797
Any member shall continue in office subsequent to the expiration 45798
date of the member's term until the member's successor takes 45799
office, or until a period of sixty days has elapsed, whichever 45800
occurs first. 45801

(C) All members of the commission shall be citizens of the 45802
United States and residents of this state. The members of the 45803

administrator's duties. 47506

(B) The administrator is responsible for the management of 47507
the bureau and for the discharge of all administrative duties 47508
imposed upon the administrator in this chapter and Chapters 4123., 47509
4125., 4127., 4131., and 4167. of the Revised Code, and in the 47510
discharge thereof shall do all of the following: 47511

and vested in the bureau of workers' compensation board of 47517
directors or the industrial commission pursuant to those chapters. 47518
The treasurer of state shall honor all warrants signed by the 47519
administrator, or by one or more of the administrator's employees, 47520

facsimile signature of the administrator or such employee under 47522
sections 4123.42 and 4123.44 of the Revised Code. 47523

(2) Employ, direct, and supervise all employees required in 47524
connection with the performance of the duties assigned to the 47525
bureau by this chapter and Chapters 4123., 4125., 4127., 4131., 47526
and 4167. of the Revised Code, including an actuary, and may 47527

establish job classification plans and compensation for all 47528
employees of the bureau provided that this grant of authority 47529
shall not be construed as affecting any employee for whom the 47530
state employment relations board has established an appropriate 47531
bargaining unit under section 4117.06 of the Revised Code. All 47532
positions of employment in the bureau are in the classified civil 47533
service except those employees the administrator may appoint to 47534
serve at the administrator's pleasure in the unclassified civil 47535
service pursuant to section 124.11 of the Revised Code. The 47536
administrator shall fix the salaries of employees the 47537

to provide adequate compensation for other staff attorneys. 47543

The administrator may appoint a person who holds a certified 47544
position in the classified service within the bureau to a position 47545
in the unclassified service within the bureau. A person appointed 47546
pursuant to this division to a position in the unclassified 47547
service shall retain the right to resume the position and status 47548
held by the person in the classified service immediately prior to 47549
the person's appointment in the unclassified service, regardless 47550
of the number of positions the person held in the unclassified 47551
service. An employee's right to resume a position in the 47552
classified service may only be exercised when the administrator 47553
demotes the employee to a pay range lower than the employee's 47554
current pay range or revokes the employee's appointment to the 47555
unclassified service. An employee forfeits the right to resume a 47556
position in the classified service when the employee is removed 47557
from the position in the unclassified service due to incompetence, 47558
inefficiency, dishonesty, drunkenness, immoral conduct, 47559
insubordination, discourteous treatment of the public, neglect of 47560

duty, violation of this chapter or Chapter 124., 4123., 4125., 47561

of the director of administrative services or the administrator, 47563
any other failure of good behavior, any other acts of misfeasance, 47564
malfeasance, or nonfeasance in office, or conviction of a felony. 47565
An employee also forfeits the right to resume a position in the 47566
classified service upon transfer to a different agency. 47567

Reinstatement to a position in the classified service shall 47568
be to a position substantially equal to that position in the 47569
classified service held previously, as certified by the department 47570
of administrative services. If the position the person previously 47571
held in the classified service has been placed in the unclassified 47572
service or is otherwise unavailable, the person shall be appointed 47573
to a position in the classified service within the bureau that the 47574
director of administrative services certifies is comparable in 47575
compensation to the position the person previously held in the 47576
classified service. Service in the position in the unclassified 47577
service shall be counted as service in the position in the 47578
classified service held by the person immediately prior to the 47579
person's appointment in the unclassified service. When a person is 47580
reinstated to a position in the classified service as provided in 47581
this division, the person is entitled to all rights, status, and 47582
benefits accruing to the position during the person's time of 47583
service in the position in the unclassified service. 47584

(3) Reorganize the work of the bureau, its sections, 47585
departments, and offices to the extent necessary to achieve the 47586
most efficient performance of its functions and to that end may 47587

duties and responsibilities of every employee of the bureau. All 47589
persons employed by the commission in positions that, after 47590
November 3, 1989, are supervised and directed by the administrator 47591
under this section are transferred to the bureau in their 47592

respective classifications but subject to reassignment and 47593
reclassification of position and compensation as the administrator 47594
determines to be in the interest of efficient administration. The 47595
civil service status of any person employed by the commission is 47596
not affected by this section. Personnel employed by the bureau or 47597
the commission who are subject to Chapter 4117. of the Revised 47598
Code shall retain all of their rights and benefits conferred 47599
pursuant to that chapter as it presently exists or is hereafter 47600
amended and nothing in this chapter or Chapter 4123. of the 47601
Revised Code shall be construed as eliminating or interfering with 47602
Chapter 4117. of the Revised Code or the rights and benefits 47603
conferred under that chapter to public employees or to any 47604
bargaining unit. 47605

the workers' compensation funds and shall obtain the statistical 47621
and other information required by section 4123.19 of the Revised 47622
Code. 47623

administrator by section 4123.44 of the Revised Code in accordance 47625
with the investment policy approved by the board pursuant to 47626
section 4121.12 of the Revised Code and in consultation with the 47627
chief investment officer of the bureau of workers' compensation. 47628

applicant requests a designation of the motor vehicle in 49389
beneficiary form so that upon the death of the owner of the motor 49390
vehicle, ownership of the motor vehicle will pass to a designated 49391
transfer-on-death beneficiary or beneficiaries, the applicant may 49392
do so as provided in section 2131.13 of the Revised Code. A person 49393
who establishes ownership of a motor vehicle that is transferable 49394

on death in accordance with section 2131.13 of the Revised Code 49395
may terminate that type of ownership or change the designation of 49396
the transfer-on-death beneficiary or beneficiaries by applying for 49397
a certificate of title pursuant to this section. The clerk shall 49398
retain the evidence of title presented by the applicant and on 49399
which the certificate of title is issued, except that, if an 49400
application for a certificate of title is filed electronically by 49401
an electronic motor vehicle dealer on behalf of the purchaser of a 49402
motor vehicle, the clerk shall retain the completed electronic 49403
record to which the dealer converted the certificate of title 49404
application and other required documents. The registrar, after 49405
consultation with the attorney general, shall adopt rules that 49406
govern the location at which, and the manner in which, are stored 49407
the actual application and all other documents relating to the 49408
sale of a motor vehicle when an electronic motor vehicle dealer 49409
files the application for a certificate of title electronically on 49410
behalf of the purchaser. Not later than December 31, 2011, the 49411
registrar shall enable all electronic motor vehicle dealers to 49412
file applications for certificates of title on behalf of 49413
purchasers of motor vehicles electronically directly with the 49414
registrar and not through a third party. 49415

The clerk shall use reasonable diligence in ascertaining 49416
whether or not the facts in the application for a certificate of 49417
title are true by checking the application and documents 49418
accompanying it or the electronic record to which a dealer 49419
converted the application and accompanying documents with the 49420
records of motor vehicles in the clerk's office. If the clerk is 49421
satisfied that the applicant is the owner of the motor vehicle and 49422
that the application is in the proper form, the clerk, within five 49423
business days after the application is filed and except as 49424
provided in section 4505.021 of the Revised Code, shall issue a 49425
physical certificate of title over the clerk's signature and 49426
sealed with the clerk's seal, unless the applicant specifically 49427

requests the clerk not to issue a physical certificate of title 49428
and instead to issue an electronic certificate of title. For 49429
purposes of the transfer of a certificate of title, if the clerk 49430
is satisfied that the secured party has duly discharged a lien 49431
notation but has not canceled the lien notation with a clerk, the 49432
clerk may cancel the lien notation on the automated title 49433
processing system and notify the clerk of the county of origin. 49434

(4) In the case of the sale of a motor vehicle to a general 49435
buyer or user by a dealer, by a motor vehicle leasing dealer 49436
selling the motor vehicle to the lessee or, in a case in which the 49437
leasing dealer subleased the motor vehicle, the sublessee, at the 49438
end of the lease agreement or sublease agreement, or by a 49439
manufactured housing broker, the certificate of title shall be 49440
obtained in the name of the buyer by the dealer, leasing dealer, 49441
or manufactured housing broker, as the case may be, upon 49442
application signed by the buyer. The certificate of title shall be 49443
issued, or the process of entering the certificate of title 49444
application information into the automated title processing system 49445
if a physical certificate of title is not to be issued shall be 49446
completed, within five business days after the application for 49447
title is filed with the clerk. If the buyer of the motor vehicle 49448
previously leased the motor vehicle and is buying the motor 49449
vehicle at the end of the lease pursuant to that lease, the 49450
certificate of title shall be obtained in the name of the buyer by 49451
the motor vehicle leasing dealer who previously leased the motor 49452
vehicle to the buyer or by the motor vehicle leasing dealer who 49453
subleased the motor vehicle to the buyer under a sublease 49454
agreement. 49455

In all other cases, except as provided in section 4505.032 49456
and division (D)(2) of section 4505.11 of the Revised Code, such 49457
certificates shall be obtained by the buyer. 49458

(5)(a)(i) If the certificate of title is being obtained in 49459

the name of the buyer by a motor vehicle dealer or motor vehicle 49460
leasing dealer and there is a security interest to be noted on the 49461
certificate of title, the dealer or leasing dealer shall submit 49462
the application for the certificate of title and payment of the 49463
applicable tax to a clerk within seven business days after the 49464
later of the delivery of the motor vehicle to the buyer or the 49465
date the dealer or leasing dealer obtains the manufacturer's or 49466
importer's certificate, or certificate of title issued in the name 49467
of the dealer or leasing dealer, for the motor vehicle. Submission 49468
of the application for the certificate of title and payment of the 49469
applicable tax within the required seven business days may be 49470
indicated by postmark or receipt by a clerk within that period. 49471

(ii) Upon receipt of the certificate of title with the 49472
security interest noted on its face, the dealer or leasing dealer 49473
shall forward the certificate of title to the secured party at the 49474
location noted in the financing documents or otherwise specified 49475
by the secured party. 49476

(iii) A motor vehicle dealer or motor vehicle leasing dealer 49477
is liable to a secured party for a late fee of ten dollars per day 49478
for each certificate of title application and payment of the 49479
applicable tax that is submitted to a clerk more than seven 49480
business days but less than twenty-one days after the later of the 49481
delivery of the motor vehicle to the buyer or the date the dealer 49482
or leasing dealer obtains the manufacturer's or importer's 49483
certificate, or certificate of title issued in the name of the 49484
dealer or leasing dealer, for the motor vehicle and, from then on, 49485
twenty-five dollars per day until the application and applicable 49486
tax are submitted to a clerk. 49487

(b) In all cases of transfer of a motor vehicle except the 49488
transfer of a manufactured home or mobile home, the application 49489
for certificate of title shall be filed within thirty days after 49490
the assignment or delivery of the motor vehicle. 49491

(c) An application for a certificate of title for a new manufactured home shall be filed within thirty days after the delivery of the new manufactured home to the purchaser. The date of the delivery shall be the date on which an occupancy permit for the manufactured home is delivered to the purchaser of the home by the appropriate legal authority.

(d) An application for a certificate of title for a used manufactured home or a used mobile home shall be filed as follows:

(i) If a certificate of title for the used manufactured home or used mobile home was issued to the motor vehicle dealer prior to the sale of the manufactured or mobile home to the purchaser, the application for certificate of title shall be filed within thirty days after the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority.

(ii) If the motor vehicle dealer has been designated by a secured party to display the manufactured or mobile home for sale, or to sell the manufactured or mobile home under section 4505.20 of the Revised Code, but the certificate of title has not been transferred by the secured party to the motor vehicle dealer, and the dealer has complied with the requirements of division (A) of section 4505.181 of the Revised Code, the application for certificate of title shall be filed within thirty days after the date on which the motor vehicle dealer obtains the certificate of title for the home from the secured party or the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority, whichever occurs later.

(6) If an application for a certificate of title is not filed within the period specified in division (A)(5)(b), (c), or (d) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be

required from a motor vehicle salvage dealer, as defined in 49524
division (A) of section 4738.01 of the Revised Code, who 49525
immediately surrenders the certificate of title for cancellation. 49526
The fee shall be in addition to all other fees established by this 49527
chapter, and shall be retained by the clerk. The registrar shall 49528
provide, on the certificate of title form prescribed by section 49529
4505.07 of the Revised Code, language necessary to give evidence 49530
of the date on which the assignment or delivery of the motor 49531
vehicle was made. 49532

(7) As used in division (A) of this section, "lease 49533
agreement," "lessee," and "sublease agreement" have the same 49534
meanings as in section 4505.04 of the Revised Code and "new 49535
manufactured home," "used manufactured home," and "used mobile 49536
home" have the same meanings as in section 5739.0210 of the 49537
Revised Code. 49538

(B)(1) The clerk, except as provided in this section, shall 49539
refuse to accept for filing any application for a certificate of 49540
title and shall refuse to issue a certificate of title unless the 49541
dealer or the applicant, in cases in which the certificate shall 49542
be obtained by the buyer, submits with the application payment of 49543
the tax levied by or pursuant to Chapters 5739. and 5741. of the 49544
Revised Code based on the purchaser's county of residence. Upon 49545
payment of the tax in accordance with division (E) of this 49546
section, the clerk shall issue a receipt prescribed by the 49547
registrar and agreed upon by the tax commissioner showing payment 49548
of the tax or a receipt issued by the commissioner showing the 49549
payment of the tax. When submitting payment of the tax to the 49550
clerk, a dealer shall retain any discount to which the dealer is 49551
entitled under section 5739.12 of the Revised Code. 49552

(2) For receiving and disbursing such taxes paid to the clerk 49553
by a resident of the clerk's county, the clerk may retain a 49554
poundage fee of one and one one-hundredth per cent, and the clerk 49555

shall pay the poundage fee into the certificate of title 49556
administration fund created by section 325.33 of the Revised Code. 49557
The clerk shall not retain a poundage fee from payments of taxes 49558
by persons who do not reside in the clerk's county. 49559

A clerk, however, may retain from the taxes paid to the clerk 49560
an amount equal to the poundage fees associated with certificates 49561
of title issued by other clerks of courts of common pleas to 49562
applicants who reside in the first clerk's county. The registrar, 49563
in consultation with the tax commissioner and the clerks of the 49564
courts of common pleas, shall develop a report from the automated 49565
title processing system that informs each clerk of the amount of 49566
the poundage fees that the clerk is permitted to retain from those 49567
taxes because of certificates of title issued by the clerks of 49568
other counties to applicants who reside in the first clerk's 49569
county. 49570

(3) In the case of casual sales of motor vehicles, as defined 49571
in section 4517.01 of the Revised Code, the price for the purpose 49572
of determining the tax shall be the purchase price on the assigned 49573
certificate of title executed by the seller and filed with the 49574
clerk by the buyer on a form to be prescribed by the registrar, 49575
which shall be prima-facie evidence of the amount for the 49576
determination of the tax. 49577

(4) Each county clerk shall forward to the treasurer of state 49578
all sales and use tax collections resulting from sales of motor 49579
vehicles, off-highway motorcycles, and all-purpose vehicles during 49580
a calendar week on or before the Friday following the close of 49581
that week. If, on any Friday, the offices of the clerk of courts 49582
or the state are not open for business, the tax shall be forwarded 49583
to the treasurer of state on or before the next day on which the 49584
offices are open. Every remittance of tax under division (B)(4) of 49585
this section shall be accompanied by a remittance report in such 49586
form as the tax commissioner prescribes. Upon receipt of a tax 49587

remittance and remittance report, the treasurer of state shall 49588
date stamp the report and forward it to the tax commissioner. If 49589
the tax due for any week is not remitted by a clerk of courts as 49590
required under division (B)(4) of this section, the commissioner 49591
may require the clerk to forfeit the poundage fees for the sales 49592
made during that week. The treasurer of state may require the 49593
clerks of courts to transmit tax collections and remittance 49594
reports electronically. 49595

(C)(1) If the transferor indicates on the certificate of 49596
title that the odometer reflects mileage in excess of the designed 49597
mechanical limit of the odometer, the clerk shall enter the phrase 49598
"exceeds mechanical limits" following the mileage designation. If 49599
the transferor indicates on the certificate of title that the 49600
odometer reading is not the actual mileage, the clerk shall enter 49601
the phrase "nonactual: warning - odometer discrepancy" following 49602
the mileage designation. The clerk shall use reasonable care in 49603
transferring the information supplied by the transferor, but is 49604
not liable for any errors or omissions of the clerk or those of 49605
the clerk's deputies in the performance of the clerk's duties 49606
created by this chapter. 49607

The registrar shall prescribe an affidavit in which the 49608
transferor shall swear to the true selling price and, except as 49609
provided in this division, the true odometer reading of the motor 49610
vehicle. The registrar may prescribe an affidavit in which the 49611
seller and buyer provide information pertaining to the odometer 49612
reading of the motor vehicle in addition to that required by this 49613
section, as such information may be required by the United States 49614
secretary of transportation by rule prescribed under authority of 49615
subchapter IV of the "Motor Vehicle Information and Cost Savings 49616
Act," 86 Stat. 961 (1972), 15 U.S.C. 1981. 49617

(2) Division (C)(1) of this section does not require the 49618
giving of information concerning the odometer and odometer reading 49619

of a motor vehicle when ownership of a motor vehicle is being 49620
transferred as a result of a bequest, under the laws of intestate 49621
succession, to a survivor pursuant to section 2106.18, 2131.12, or 49622
4505.10 of the Revised Code, to a transfer-on-death beneficiary or 49623
beneficiaries pursuant to section 2131.13 of the Revised Code, in 49624
connection with the creation of a security interest or for a 49625
vehicle with a gross vehicle weight rating of more than sixteen 49626
thousand pounds. 49627

(D) When the transfer to the applicant was made in some other 49628
state or in interstate commerce, the clerk, except as provided in 49629
this section, shall refuse to issue any certificate of title 49630
unless the tax imposed by or pursuant to Chapter 5741. of the 49631
Revised Code based on the purchaser's county of residence has been 49632
paid as evidenced by a receipt issued by the tax commissioner, or 49633
unless the applicant submits with the application payment of the 49634
tax. Upon payment of the tax in accordance with division (E) of 49635
this section, the clerk shall issue a receipt prescribed by the 49636
registrar and agreed upon by the tax commissioner, showing payment 49637
of the tax. 49638

For receiving and disbursing such taxes paid to the clerk by 49639
a resident of the clerk's county, the clerk may retain a poundage 49640
fee of one and one one-hundredth per cent. The clerk shall not 49641
retain a poundage fee from payments of taxes by persons who do not 49642
reside in the clerk's county. 49643

A clerk, however, may retain from the taxes paid to the clerk 49644
an amount equal to the poundage fees associated with certificates 49645
of title issued by other clerks of courts of common pleas to 49646
applicants who reside in the first clerk's county. The registrar, 49647
in consultation with the tax commissioner and the clerks of the 49648
courts of common pleas, shall develop a report from the automated 49649
title processing system that informs each clerk of the amount of 49650
the poundage fees that the clerk is permitted to retain from those 49651

taxes because of certificates of title issued by the clerks of 49652
other counties to applicants who reside in the first clerk's 49653
county. 49654

When the vendor is not regularly engaged in the business of 49655
selling motor vehicles, the vendor shall not be required to 49656
purchase a vendor's license or make reports concerning those 49657
sales. 49658

(E) The clerk shall accept any payment of a tax in cash, or 49659
by cashier's check, certified check, draft, money order, or teller 49660
check issued by any insured financial institution payable to the 49661
clerk and submitted with an application for a certificate of title 49662
under division (B) or (D) of this section. The clerk also may 49663
accept payment of the tax by corporate, business, or personal 49664
check, credit card, electronic transfer or wire transfer, debit 49665
card, or any other accepted form of payment made payable to the 49666
clerk. The clerk may require bonds, guarantees, or letters of 49667
credit to ensure the collection of corporate, business, or 49668
personal checks. Any service fee charged by a third party to a 49669
clerk for the use of any form of payment may be paid by the clerk 49670
from the certificate of title administration fund created in 49671
section 325.33 of the Revised Code, or may be assessed by the 49672
clerk upon the applicant as an additional fee. Upon collection, 49673
the additional fees shall be paid by the clerk into that 49674
certificate of title administration fund. 49675

The clerk shall make a good faith effort to collect any 49676
payment of taxes due but not made because the payment was returned 49677
or dishonored, but the clerk is not personally liable for the 49678
payment of uncollected taxes or uncollected fees. The clerk shall 49679
notify the tax commissioner of any such payment of taxes that is 49680
due but not made and shall furnish the information to the 49681
commissioner that the commissioner requires. The clerk shall 49682
deduct the amount of taxes due but not paid from the clerk's 49683

periodic remittance of tax payments, in accordance with procedures 49684
agreed upon by the tax commissioner. The commissioner may collect 49685
taxes due by assessment in the manner provided in section 5739.13 49686
of the Revised Code. 49687

Any person who presents payment that is returned or 49688
dishonored for any reason is liable to the clerk for payment of a 49689
penalty over and above the amount of the taxes due. The clerk 49690
shall determine the amount of the penalty, and the penalty shall 49691
be no greater than that amount necessary to compensate the clerk 49692
for banking charges, legal fees, or other expenses incurred by the 49693
clerk in collecting the returned or dishonored payment. The 49694
remedies and procedures provided in this section are in addition 49695
to any other available civil or criminal remedies. Subsequently 49696
collected penalties, poundage fees, and title fees, less any title 49697
fee due the state, from returned or dishonored payments collected 49698
by the clerk shall be paid into the certificate of title 49699
administration fund. Subsequently collected taxes, less poundage 49700
fees, shall be sent by the clerk to the treasurer of state at the 49701
next scheduled periodic remittance of tax payments, with 49702
information as the commissioner may require. The clerk may abate 49703
all or any part of any penalty assessed under this division. 49704

(F) In the following cases, the clerk shall accept for filing 49705
an application and shall issue a certificate of title without 49706
requiring payment or evidence of payment of the tax: 49707

(1) When the purchaser is this state or any of its political 49708
subdivisions, a church, or an organization whose purchases are 49709

the affidavit provided by that section, and a copy of the 49722
exemption certificate provided by section 5739.03 of the Revised 49723
Code. 49724

(G) An application, as prescribed by the registrar and agreed 49725
to by the tax commissioner, shall be filled out and sworn to by 49726

shall contain the following notice in bold lettering: "WARNING TO 49728

division (H) of section 4505.11 of the Revised Code and for each 49748
certificate of title issued upon transfer of ownership of the 49749

telephone conference call may be used for reviewing the 51222

constitutes grounds for refusing to issue a certificate to 51243
practice under section 4730.25 of the Revised Code to which the 51244
applicant has pleaded guilty, of which the applicant has been 51245
found guilty, or for which the applicant has been found eligible 51246

assistant. 51249

(B) To be eligible for renewal, a physician assistant shall 51250
certify to the board both of the following: 51251

(C) The board shall adopt rules in accordance with Chapter 51264
119. of the Revised Code specifying the types of continuing 51265
medical education that must be completed to fulfill the board's 51266

requirements under division (B)(2) of this section. Except when 51267
additional continuing medical education is required to renew a 51268
certificate to prescribe, as specified in section 4730.49 of the 51269
Revised Code, the board shall not adopt rules that require a 51270
physician assistant to complete in any certification period more 51271
than one hundred hours of continuing medical education acceptable 51272
to the board. In fulfilling the board's requirements, a physician 51273
assistant may use continuing medical education courses or programs 51274
completed to maintain certification by the national commission on 51275
certification of physician assistants or a successor organization 51276
that is recognized by the board if the standards for acceptable 51277
courses and programs of the commission or its successor are at 51278

national commission on certification of physician assistants or a 51286
successor organization that is recognized by the board and 51287
completion of the required number of hours of continuing medical 51288
education. 51289

(F) The board shall provide for pro rata reductions by month 51290
of the number of hours of continuing education that must be 51291
completed for individuals who are in their first certification 51292
period, who have been disabled due to illness or accident, or who 51293
have been absent from the country. The board shall adopt rules, in 51294
accordance with Chapter 119. of the Revised Code, as necessary to 51295
implement this division. 51296

requirement. The board's finding shall be made pursuant to an 51337
adjudication under Chapter 119. of the Revised Code and by an 51338
affirmative vote of not fewer than six members. 51339

A civil penalty imposed under this division may be in 51340

Pursuant to section 4730.25 of the Revised Code, the board 51346
may suspend an individual's certificate to practice as a physician 51347
assistant for failure to renew the certificate and comply with 51348
this section. If an individual continues to practice after 51349
suspension, that activity constitutes practicing in violation of 51350

shall reinstate a certificate to practice as a physician assistant 51353
for failure to renew on an applicant's submission of a renewal 51354
application, the biennial renewal fee, and the applicable monetary 51355

applicant's submission of a restoration application, the biennial 51360
renewal fee, and the applicable monetary penalty and compliance 51361
with sections 4776.01 to 4776.04 of the Revised Code. The board 51362

shall not restore an applicant's certificate to practice as a 51363
physician assistant unless the board decides that the results of 51364
the criminal records check do not make the applicant ineligible 51365
for a certificate issued pursuant to section 4730.12 of the 51366
Revised Code. 51367

The monetary penalty for reinstatement is fifty dollars. The 51368
monetary penalty for restoration is one hundred dollars. 51369

Amounts received from payment of civil penalties and monetary 51370
penalties imposed under this division shall be deposited in 51371
accordance with section 4731.24 of the Revised Code. 51372

Sec. 4730.252. (A)(1) If a physician assistant violates any 51373
section of this chapter other than section 4730.14 of the Revised 51374

guidelines adopted under division (A)(2) of this section. The 51380
civil penalty may be in addition to any other action the board may 51381
take under section 4730.25 of the Revised Code. 51382

(2) The board shall adopt and may amend guidelines regarding 51383
the amounts of civil penalties to be imposed under this section. 51384
Adoption or amendment of the guidelines requires the approval of 51385

(B) A certificate to practice a limited branch of medicine 51418
issued by the state medical board is valid for a two-year period, 51419
except when an initial certificate is issued for a shorter period 51420
or when division (C)(2) of this section is applicable. The 51421
certificate may be renewed in accordance with division (C) of this 51422
section. 51423

(C)(1) Except as provided in division (C)(2) of this section, 51424
all of the following apply with respect to the renewal of 51425
certificates to practice a limited branch of medicine: 51426

(a) Each person seeking to renew a certificate to practice a 51427
limited branch of medicine shall apply for biennial registration 51428
with the state medical board on a renewal application form 51429
prescribed by the board. An applicant for renewal shall pay a 51430

the board written notice of any change of address. The notice 51444
shall be submitted to the board not later than thirty days after 51445

(E) A certificate to practice a limited branch of medicine 51447
shall be automatically suspended if the certificate holder fails 51448
to renew the certificate in accordance with division (C) of this 51449
section. Continued practice after the suspension of the 51450
certificate to practice shall be considered as practicing in 51451
violation of sections 4731.34 and 4731.41 of the Revised Code. 51452

If a certificate to practice has been suspended pursuant to 51453
this division for two years or less, it may be reinstated. The 51454

accordance with Chapter 119. of the Revised Code. The penalty for 51463
reinstatement shall be twenty-five dollars. 51464

application, the biennial registration fee, and the applicable 51469
monetary penalty and compliance with sections 4776.01 to 4776.04 51470
of the Revised Code. The board shall not restore to an applicant a 51471

decides that the results of the criminal records check do not make 51473
the applicant ineligible for a certificate issued pursuant to 51474
section 4731.17 of the Revised Code. The penalty for restoration 51475
is fifty dollars. 51476

Sec. 4731.22. (A) The state medical board, by an affirmative 51477

one or more of the following reasons: 51493

(1) Permitting one's name or one's certificate to practice or 51494

professional confidence" does not include providing any 51510

to the employer of the employee as described in division (B) of 51519
section 2305.33 of the Revised Code. Nothing in this division 51520

division, "employee," "employer," and "physician" have the same 51524

certificate to practice or certificate of registration issued by 51531
the board. 51532

As used in this division, "false, fraudulent, deceptive, or 51533
misleading statement" means a statement that includes a 51534
misrepresentation of fact, is likely to mislead or deceive because 51535
of a failure to disclose material facts, is intended or is likely 51536
to create false or unjustified expectations of favorable results, 51537

probability will cause an ordinarily prudent person to 51539
misunderstand or be deceived. 51540

(6) A departure from, or the failure to conform to, minimal 51541
standards of care of similar practitioners under the same or 51542

51575
51576
51577
- (18) Subject to section 4731.226 of the Revised Code, 51578

violation of any provision of a code of ethics of the American 51579
medical association, the American osteopathic association, the 51580
American podiatric medical association, or any other national 51581
professional organizations that the board specifies by rule. The 51582
state medical board shall obtain and keep on file current copies 51583
of the codes of ethics of the various national professional 51584
organizations. The individual whose certificate is being suspended 51585
or revoked shall not be found to have violated any provision of a 51586
code of ethics of an organization not appropriate to the 51587
individual's profession. 51588

For purposes of this division, a "provision of a code of 51589
ethics of a national professional organization" does not include 51590
any provision that would preclude the making of a report by a 51591
physician of an employee's use of a drug of abuse, or of a 51592
condition of an employee other than one involving the use of a 51593
drug of abuse, to the employer of the employee as described in 51594
division (B) of section 2305.33 of the Revised Code. Nothing in 51595
this division affects the immunity from civil liability conferred 51596
by that section upon a physician who makes either type of report 51597
in accordance with division (B) of that section. As used in this 51598
division, "employee," "employer," and "physician" have the same 51599
meanings as in section 2305.33 of the Revised Code. 51600

(19) Inability to practice according to acceptable and 51601
prevailing standards of care by reason of mental illness or 51602
physical illness, including, but not limited to, physical 51603
deterioration that adversely affects cognitive, motor, or 51604
perceptive skills. 51605

In enforcing this division, the board, upon a showing of a 51606
possible violation, may compel any individual authorized to 51607
practice by this chapter or who has submitted an application 51608
pursuant to this chapter to submit to a mental examination, 51609
physical examination, including an HIV test, or both a mental and 51610

a physical examination. The expense of the examination is the 51611
responsibility of the individual compelled to be examined. Failure 51612
to submit to a mental or physical examination or consent to an HIV 51613
test ordered by the board constitutes an admission of the 51614
allegations against the individual unless the failure is due to 51615
circumstances beyond the individual's control, and a default and 51616
final order may be entered without the taking of testimony or 51617
presentation of evidence. If the board finds an individual unable 51618
to practice because of the reasons set forth in this division, the 51619
board shall require the individual to submit to care, counseling, 51620
or treatment by physicians approved or designated by the board, as 51621
a condition for initial, continued, reinstated, or renewed 51622
authority to practice. An individual affected under this division 51623
shall be afforded an opportunity to demonstrate to the board the 51624
ability to resume practice in compliance with acceptable and 51625
prevailing standards under the provisions of the individual's 51626
certificate. For the purpose of this division, any individual who 51627
applies for or receives a certificate to practice under this 51628
chapter accepts the privilege of practicing in this state and, by 51629
so doing, shall be deemed to have given consent to submit to a 51630
mental or physical examination when directed to do so in writing 51631
by the board, and to have waived all objections to the 51632
admissibility of testimony or examination reports that constitute 51633
a privileged communication. 51634

(20) Except when civil penalties are imposed under section 51635
4731.225 or ~~4731.281~~ 4731.282 of the Revised Code, and subject to 51636
section 4731.226 of the Revised Code, violating or attempting to 51637
violate, directly or indirectly, or assisting in or abetting the 51638
violation of, or conspiring to violate, any provisions of this 51639
chapter or any rule promulgated by the board. 51640

This division does not apply to a violation or attempted 51641
violation of, assisting in or abetting the violation of, or a 51642

conspiracy to violate, any provision of this chapter or any rule 51643
adopted by the board that would preclude the making of a report by 51644
a physician of an employee's use of a drug of abuse, or of a 51645
condition of an employee other than one involving the use of a 51646
drug of abuse, to the employer of the employee as described in 51647
division (B) of section 2305.33 of the Revised Code. Nothing in 51648
this division affects the immunity from civil liability conferred 51649
by that section upon a physician who makes either type of report 51650
in accordance with division (B) of that section. As used in this 51651
division, "employee," "employer," and "physician" have the same 51652
meanings as in section 2305.33 of the Revised Code. 51653

(21) The violation of section 3701.79 of the Revised Code or 51654
of any abortion rule adopted by the public health council pursuant 51655
to section 3701.341 of the Revised Code; 51656

(22) Any of the following actions taken by an agency 51657
responsible for authorizing, certifying, or regulating an 51658
individual to practice a health care occupation or provide health 51659
care services in this state or another jurisdiction, for any 51660
reason other than the nonpayment of fees: the limitation, 51661
revocation, or suspension of an individual's license to practice; 51662
acceptance of an individual's license surrender; denial of a 51663
license; refusal to renew or reinstate a license; imposition of 51664
probation; or issuance of an order of censure or other reprimand; 51665

(23) The violation of section 2919.12 of the Revised Code or 51666
the performance or inducement of an abortion upon a pregnant woman 51667
with actual knowledge that the conditions specified in division 51668
(B) of section 2317.56 of the Revised Code have not been satisfied 51669
or with a heedless indifference as to whether those conditions 51670
have been satisfied, unless an affirmative defense as specified in 51671
division (H)(2) of that section would apply in a civil action 51672
authorized by division (H)(1) of that section; 51673

(24) The revocation, suspension, restriction, reduction, or 51674

termination of clinical privileges by the United States department 51675
of defense or department of veterans affairs or the termination or 51676
suspension of a certificate of registration to prescribe drugs by 51677
the drug enforcement administration of the United States 51678
department of justice; 51679

(25) Termination or suspension from participation in the 51680
medicare or medicaid programs by the department of health and 51681
human services or other responsible agency for any act or acts 51682
that also would constitute a violation of division (B)(2), (3), 51683
(6), (8), or (19) of this section; 51684

(26) Impairment of ability to practice according to 51685
acceptable and prevailing standards of care because of habitual or 51686
excessive use or abuse of drugs, alcohol, or other substances that 51687
impair ability to practice. 51688

For the purposes of this division, any individual authorized 51689
to practice by this chapter accepts the privilege of practicing in 51690
this state subject to supervision by the board. By filing an 51691
application for or holding a certificate to practice under this 51692
chapter, an individual shall be deemed to have given consent to 51693
submit to a mental or physical examination when ordered to do so 51694
by the board in writing, and to have waived all objections to the 51695
admissibility of testimony or examination reports that constitute 51696
privileged communications. 51697

If it has reason to believe that any individual authorized to 51698
practice by this chapter or any applicant for certification to 51699
practice suffers such impairment, the board may compel the 51700
individual to submit to a mental or physical examination, or both. 51701
The expense of the examination is the responsibility of the 51702
individual compelled to be examined. Any mental or physical 51703
examination required under this division shall be undertaken by a 51704
treatment provider or physician who is qualified to conduct the 51705
examination and who is chosen by the board. 51706

Failure to submit to a mental or physical examination ordered 51707
by the board constitutes an admission of the allegations against 51708
the individual unless the failure is due to circumstances beyond 51709
the individual's control, and a default and final order may be 51710
entered without the taking of testimony or presentation of 51711
evidence. If the board determines that the individual's ability to 51712
practice is impaired, the board shall suspend the individual's 51713
certificate or deny the individual's application and shall require 51714
the individual, as a condition for initial, continued, reinstated, 51715
or renewed certification to practice, to submit to treatment. 51716

Before being eligible to apply for reinstatement of a 51717
certificate suspended under this division, the impaired 51718
practitioner shall demonstrate to the board the ability to resume 51719
practice in compliance with acceptable and prevailing standards of 51720
care under the provisions of the practitioner's certificate. The 51721
demonstration shall include, but shall not be limited to, the 51722
following: 51723

(a) Certification from a treatment provider approved under 51724
section 4731.25 of the Revised Code that the individual has 51725
successfully completed any required inpatient treatment; 51726

(b) Evidence of continuing full compliance with an aftercare 51727
contract or consent agreement; 51728

(c) Two written reports indicating that the individual's 51729
ability to practice has been assessed and that the individual has 51730
been found capable of practicing according to acceptable and 51731
prevailing standards of care. The reports shall be made by 51732
individuals or providers approved by the board for making the 51733
assessments and shall describe the basis for their determination. 51734

The board may reinstate a certificate suspended under this 51735
division after that demonstration and after the individual has 51736
entered into a written consent agreement. 51737

When the impaired practitioner resumes practice, the board 51738
shall require continued monitoring of the individual. The 51739
monitoring shall include, but not be limited to, compliance with 51740
the written consent agreement entered into before reinstatement or 51741
with conditions imposed by board order after a hearing, and, upon 51742
termination of the consent agreement, submission to the board for 51743
at least two years of annual written progress reports made under 51744
penalty of perjury stating whether the individual has maintained 51745
sobriety. 51746

(27) A second or subsequent violation of section 4731.66 or 51747
4731.69 of the Revised Code; 51748

(28) Except as provided in division (N) of this section: 51749

(a) Waiving the payment of all or any part of a deductible or 51750
copayment that a patient, pursuant to a health insurance or health 51751
care policy, contract, or plan that covers the individual's 51752
services, otherwise would be required to pay if the waiver is used 51753
as an enticement to a patient or group of patients to receive 51754
health care services from that individual; 51755

(b) Advertising that the individual will waive the payment of 51756
all or any part of a deductible or copayment that a patient, 51757
pursuant to a health insurance or health care policy, contract, or 51758
plan that covers the individual's services, otherwise would be 51759
required to pay. 51760

(29) Failure to use universal blood and body fluid 51761
precautions established by rules adopted under section 4731.051 of 51762
the Revised Code; 51763

(30) Failure to provide notice to, and receive acknowledgment 51764
of the notice from, a patient when required by section 4731.143 of 51765
the Revised Code prior to providing nonemergency professional 51766
services, or failure to maintain that notice in the patient's 51767
file; 51768

(48) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual

under division (B) of this section for a second or subsequent plea 51861
of guilty to, or judicial finding of guilt of, a violation of 51862
section 2919.123 of the Revised Code, the disciplinary action 51863
shall consist of a suspension of the individual's certificate to 51864
practice for a period of at least one year or, if determined 51865
appropriate by the board, a more serious sanction involving the 51866
individual's certificate to practice. Any consent agreement 51867
entered into under this division with an individual that pertains 51868
to a second or subsequent plea of guilty to, or judicial finding 51869
of guilt of, a violation of that section shall provide for a 51870
suspension of the individual's certificate to practice for a 51871
period of at least one year or, if determined appropriate by the 51872
board, a more serious sanction involving the individual's 51873
certificate to practice. 51874

(D) For purposes of divisions (B)(10), (12), and (14) of this 51875
section, the commission of the act may be established by a finding 51876
by the board, pursuant to an adjudication under Chapter 119. of 51877
the Revised Code, that the individual committed the act. The board 51878
does not have jurisdiction under those divisions if the trial 51879
court renders a final judgment in the individual's favor and that 51880
judgment is based upon an adjudication on the merits. The board 51881
has jurisdiction under those divisions if the trial court issues 51882
an order of dismissal upon technical or procedural grounds. 51883

(E) The sealing of conviction records by any court shall have 51884
no effect upon a prior board order entered under this section or 51885
upon the board's jurisdiction to take action under this section 51886
if, based upon a plea of guilty, a judicial finding of guilt, or a 51887
judicial finding of eligibility for intervention in lieu of 51888
conviction, the board issued a notice of opportunity for a hearing 51889
prior to the court's order to seal the records. The board shall 51890
not be required to seal, destroy, redact, or otherwise modify its 51891
records to reflect the court's sealing of conviction records. 51892

(F)(1) The board shall investigate evidence that appears to 51893
show that a person has violated any provision of this chapter or 51894
any rule adopted under it. Any person may report to the board in a 51895
signed writing any information that the person may have that 51896
appears to show a violation of any provision of this chapter or 51897
any rule adopted under it. In the absence of bad faith, any person 51898
who reports information of that nature or who testifies before the 51899
board in any adjudication conducted under Chapter 119. of the 51900
Revised Code shall not be liable in damages in a civil action as a 51901
result of the report or testimony. Each complaint or allegation of 51902
a violation received by the board shall be assigned a case number 51903
and shall be recorded by the board. 51904

(2) Investigations of alleged violations of this chapter or 51905
any rule adopted under it shall be supervised by the supervising 51906
member elected by the board in accordance with section 4731.02 of 51907
the Revised Code and by the secretary as provided in section 51908
4731.39 of the Revised Code. The president may designate another 51909
member of the board to supervise the investigation in place of the 51910
supervising member. No member of the board who supervises the 51911
investigation of a case shall participate in further adjudication 51912
of the case. 51913

(3) In investigating a possible violation of this chapter or 51914
any rule adopted under this chapter, or in conducting an 51915
inspection under division (E) of section 4731.054 of the Revised 51916
Code, the board may question witnesses, conduct interviews, 51917
administer oaths, order the taking of depositions, inspect and 51918
copy any books, accounts, papers, records, or documents, issue 51919
subpoenas, and compel the attendance of witnesses and production 51920
of books, accounts, papers, records, documents, and testimony, 51921
except that a subpoena for patient record information shall not be 51922
issued without consultation with the attorney general's office and 51923
approval of the secretary and supervising member of the board. 51924

(a) Before issuance of a subpoena for patient record 51925
information, the secretary and supervising member shall determine 51926
whether there is probable cause to believe that the complaint 51927
filed alleges a violation of this chapter or any rule adopted 51928
under it and that the records sought are relevant to the alleged 51929
violation and material to the investigation. The subpoena may 51930
apply only to records that cover a reasonable period of time 51931
surrounding the alleged violation. 51932

(b) On failure to comply with any subpoena issued by the 51933
board and after reasonable notice to the person being subpoenaed, 51934
the board may move for an order compelling the production of 51935
persons or records pursuant to the Rules of Civil Procedure. 51936

(c) A subpoena issued by the board may be served by a 51937
sheriff, the sheriff's deputy, or a board employee designated by 51938
the board. Service of a subpoena issued by the board may be made 51939
by delivering a copy of the subpoena to the person named therein, 51940
reading it to the person, or leaving it at the person's usual 51941
place of residence, usual place of business, or address on file 51942
with the board. When serving a subpoena to an applicant for or the 51943
holder of a certificate issued under this chapter, service of the 51944
subpoena may be made by certified mail, return receipt requested, 51945
and the subpoena shall be deemed served on the date delivery is 51946
made or the date the person refuses to accept delivery. If the 51947
person being served refuses to accept the subpoena or is not 51948
located, service may be made to an attorney who notifies the board 51949
that the attorney is representing the person. 51950

(d) A sheriff's deputy who serves a subpoena shall receive 51951
the same fees as a sheriff. Each witness who appears before the 51952
board in obedience to a subpoena shall receive the fees and 51953
mileage provided for under section 119.094 of the Revised Code. 51954

(4) All hearings, investigations, and inspections of the 51955
board shall be considered civil actions for the purposes of 51956

section 2305.252 of the Revised Code. 51957

(5) A report required to be submitted to the board under this 51958
chapter, a complaint, or information received by the board 51959
pursuant to an investigation or pursuant to an inspection under 51960
division (E) of section 4731.054 of the Revised Code is 51961
confidential and not subject to discovery in any civil action. 51962

The board shall conduct all investigations or inspections and 51963
proceedings in a manner that protects the confidentiality of 51964
patients and persons who file complaints with the board. The board 51965
shall not make public the names or any other identifying 51966
information about patients or complainants unless proper consent 51967
is given or, in the case of a patient, a waiver of the patient 51968
privilege exists under division (B) of section 2317.02 of the 51969
Revised Code, except that consent or a waiver of that nature is 51970
not required if the board possesses reliable and substantial 51971
evidence that no bona fide physician-patient relationship exists. 51972

The board may share any information it receives pursuant to 51973
an investigation or inspection, including patient records and 51974
patient record information, with law enforcement agencies, other 51975
licensing boards, and other governmental agencies that are 51976
prosecuting, adjudicating, or investigating alleged violations of 51977
statutes or administrative rules. An agency or board that receives 51978
the information shall comply with the same requirements regarding 51979
confidentiality as those with which the state medical board must 51980
comply, notwithstanding any conflicting provision of the Revised 51981
Code or procedure of the agency or board that applies when it is 51982
dealing with other information in its possession. In a judicial 51983
proceeding, the information may be admitted into evidence only in 51984
accordance with the Rules of Evidence, but the court shall require 51985
that appropriate measures are taken to ensure that confidentiality 51986
is maintained with respect to any part of the information that 51987
contains names or other identifying information about patients or 51988

complainants whose confidentiality was protected by the state 51989
medical board when the information was in the board's possession. 51990
Measures to ensure confidentiality that may be taken by the court 51991
include sealing its records or deleting specific information from 51992
its records. 51993

(6) On a quarterly basis, the board shall prepare a report 51994
that documents the disposition of all cases during the preceding 51995
three months. The report shall contain the following information 51996
for each case with which the board has completed its activities: 51997

(a) The case number assigned to the complaint or alleged 51998
violation; 51999

(b) The type of certificate to practice, if any, held by the 52000
individual against whom the complaint is directed; 52001

(c) A description of the allegations contained in the 52002
complaint; 52003

(d) The disposition of the case. 52004

The report shall state how many cases are still pending and 52005
shall be prepared in a manner that protects the identity of each 52006
person involved in each case. The report shall be a public record 52007
under section 149.43 of the Revised Code. 52008

(G) If the secretary and supervising member determine both of 52009
the following, they may recommend that the board suspend an 52010
individual's certificate to practice without a prior hearing: 52011

(1) That there is clear and convincing evidence that an 52012
individual has violated division (B) of this section; 52013

(2) That the individual's continued practice presents a 52014
danger of immediate and serious harm to the public. 52015

Written allegations shall be prepared for consideration by 52016
the board. The board, upon review of those allegations and by an 52017
affirmative vote of not fewer than six of its members, excluding 52018

the secretary and supervising member, may suspend a certificate 52019
without a prior hearing. A telephone conference call may be 52020
utilized for reviewing the allegations and taking the vote on the 52021
summary suspension. 52022

The board shall issue a written order of suspension by 52023
certified mail or in person in accordance with section 119.07 of 52024
the Revised Code. The order shall not be subject to suspension by 52025
the court during pendency of any appeal filed under section 119.12 52026
of the Revised Code. If the individual subject to the summary 52027
suspension requests an adjudicatory hearing by the board, the date 52028
set for the hearing shall be within fifteen days, but not earlier 52029
than seven days, after the individual requests the hearing, unless 52030
otherwise agreed to by both the board and the individual. 52031

Any summary suspension imposed under this division shall 52032
remain in effect, unless reversed on appeal, until a final 52033
adjudicative order issued by the board pursuant to this section 52034
and Chapter 119. of the Revised Code becomes effective. The board 52035
shall issue its final adjudicative order within seventy-five days 52036
after completion of its hearing. A failure to issue the order 52037
within seventy-five days shall result in dissolution of the 52038
summary suspension order but shall not invalidate any subsequent, 52039
final adjudicative order. 52040

(H) If the board takes action under division (B)(9), (11), or 52041
(13) of this section and the judicial finding of guilt, guilty 52042
plea, or judicial finding of eligibility for intervention in lieu 52043
of conviction is overturned on appeal, upon exhaustion of the 52044
criminal appeal, a petition for reconsideration of the order may 52045
be filed with the board along with appropriate court documents. 52046
Upon receipt of a petition of that nature and supporting court 52047
documents, the board shall reinstate the individual's certificate 52048
to practice. The board may then hold an adjudication under Chapter 52049
119. of the Revised Code to determine whether the individual 52050

committed the act in question. Notice of an opportunity for a 52051
hearing shall be given in accordance with Chapter 119. of the 52052
Revised Code. If the board finds, pursuant to an adjudication held 52053
under this division, that the individual committed the act or if 52054
no hearing is requested, the board may order any of the sanctions 52055
identified under division (B) of this section. 52056

(I) The certificate to practice issued to an individual under 52057
this chapter and the individual's practice in this state are 52058
automatically suspended as of the date of the individual's second 52059
or subsequent plea of guilty to, or judicial finding of guilt of, 52060
a violation of section 2919.123 of the Revised Code, or the date 52061
the individual pleads guilty to, is found by a judge or jury to be 52062
guilty of, or is subject to a judicial finding of eligibility for 52063
intervention in lieu of conviction in this state or treatment or 52064
intervention in lieu of conviction in another jurisdiction for any 52065
of the following criminal offenses in this state or a 52066
substantially equivalent criminal offense in another jurisdiction: 52067
aggravated murder, murder, voluntary manslaughter, felonious 52068
assault, kidnapping, rape, sexual battery, gross sexual 52069
imposition, aggravated arson, aggravated robbery, or aggravated 52070
burglary. Continued practice after suspension shall be considered 52071
practicing without a certificate. 52072

The board shall notify the individual subject to the 52073
suspension by certified mail or in person in accordance with 52074
section 119.07 of the Revised Code. If an individual whose 52075
certificate is automatically suspended under this division fails 52076
to make a timely request for an adjudication under Chapter 119. of 52077
the Revised Code, the board shall do whichever of the following is 52078
applicable: 52079

(1) If the automatic suspension under this division is for a 52080
second or subsequent plea of guilty to, or judicial finding of 52081
guilt of, a violation of section 2919.123 of the Revised Code, the 52082

board shall enter an order suspending the individual's certificate 52083
to practice for a period of at least one year or, if determined 52084
appropriate by the board, imposing a more serious sanction 52085
involving the individual's certificate to practice. 52086

(2) In all circumstances in which division (I)(1) of this 52087
section does not apply, enter a final order permanently revoking 52088
the individual's certificate to practice. 52089

(J) If the board is required by Chapter 119. of the Revised 52090
Code to give notice of an opportunity for a hearing and if the 52091
individual subject to the notice does not timely request a hearing 52092
in accordance with section 119.07 of the Revised Code, the board 52093
is not required to hold a hearing, but may adopt, by an 52094
affirmative vote of not fewer than six of its members, a final 52095
order that contains the board's findings. In that final order, the 52096
board may order any of the sanctions identified under division (A) 52097
or (B) of this section. 52098

(K) Any action taken by the board under division (B) of this 52099
section resulting in a suspension from practice shall be 52100
accompanied by a written statement of the conditions under which 52101
the individual's certificate to practice may be reinstated. The 52102
board shall adopt rules governing conditions to be imposed for 52103
reinstatement. Reinstatement of a certificate suspended pursuant 52104
to division (B) of this section requires an affirmative vote of 52105
not fewer than six members of the board. 52106

(L) When the board refuses to grant a certificate to an 52107
applicant, revokes an individual's certificate to practice, 52108
refuses to register an applicant, or refuses to reinstate an 52109
individual's certificate to practice, the board may specify that 52110
its action is permanent. An individual subject to a permanent 52111
action taken by the board is forever thereafter ineligible to hold 52112
a certificate to practice and the board shall not accept an 52113
application for reinstatement of the certificate or for issuance 52114

of a new certificate. 52115

(M) Notwithstanding any other provision of the Revised Code, 52116
all of the following apply: 52117

(1) The surrender of a certificate issued under this chapter 52118
shall not be effective unless or until accepted by the board. A 52119
telephone conference call may be utilized for acceptance of the 52120
surrender of an individual's certificate to practice. The 52121
telephone conference call shall be considered a special meeting 52122
under division (F) of section 121.22 of the Revised Code. 52123
Reinstatement of a certificate surrendered to the board requires 52124
an affirmative vote of not fewer than six members of the board. 52125

(2) An application for a certificate made under the 52126
provisions of this chapter may not be withdrawn without approval 52127
of the board. 52128

(3) Failure by an individual to renew a certificate of 52129
registration in accordance with this chapter shall not remove or 52130
limit the board's jurisdiction to take any disciplinary action 52131
under this section against the individual. 52132

(4) At the request of the board, a certificate holder shall 52133
immediately surrender to the board a certificate that the board 52134
has suspended, revoked, or permanently revoked. 52135

(N) Sanctions shall not be imposed under division (B)(28) of 52136
this section against any person who waives deductibles and 52137
copayments as follows: 52138

(1) In compliance with the health benefit plan that expressly 52139
allows such a practice. Waiver of the deductibles or copayments 52140
shall be made only with the full knowledge and consent of the plan 52141
purchaser, payer, and third-party administrator. Documentation of 52142
the consent shall be made available to the board upon request. 52143

(2) For professional services rendered to any other person 52144

authorized to practice pursuant to this chapter, to the extent 52145
allowed by this chapter and rules adopted by the board. 52146

(0) Under the board's investigative duties described in this 52147
section and subject to division (F) of this section, the board 52148
shall develop and implement a quality intervention program 52149
designed to improve through remedial education the clinical and 52150
communication skills of individuals authorized under this chapter 52151
to practice medicine and surgery, osteopathic medicine and 52152
surgery, and podiatric medicine and surgery. In developing and 52153
implementing the quality intervention program, the board may do 52154
all of the following: 52155

(1) Offer in appropriate cases as determined by the board an 52156
educational and assessment program pursuant to an investigation 52157
the board conducts under this section; 52158

(2) Select providers of educational and assessment services, 52159
including a quality intervention program panel of case reviewers; 52160

(3) Make referrals to educational and assessment service 52161
providers and approve individual educational programs recommended 52162
by those providers. The board shall monitor the progress of each 52163
individual undertaking a recommended individual educational 52164
program. 52165

(4) Determine what constitutes successful completion of an 52166
individual educational program and require further monitoring of 52167
the individual who completed the program or other action that the 52168
board determines to be appropriate; 52169

(5) Adopt rules in accordance with Chapter 119. of the 52170
Revised Code to further implement the quality intervention 52171
program. 52172

An individual who participates in an individual educational 52173
program pursuant to this division shall pay the financial 52174
obligations arising from that educational program. 52175

chapter, the board may, pursuant to an adjudication under Chapter 52241
119. of the Revised Code and an affirmative vote of not fewer than 52242
six of its members, impose a civil penalty. The amount of the 52243
civil penalty shall be determined by the board in accordance with 52244

desired, and give such other information as the superintendent 53212
requires in the form of application prescribed by the 53213
superintendent. 53214

If the applicant is a partnership, limited liability company, 53215
limited liability partnership, or association, the names of all 53216
the members also shall be stated, and, if the applicant is a 53217
corporation, the names of its president and of each of its 53218
officers also shall be stated. The superintendent has the right to 53219
reject the application of any partnership, association, limited 53220
liability company, limited liability partnership, or corporation 53221
if the name proposed to be used by such partnership, association, 53222
limited liability company, limited liability partnership, or 53223
corporation is likely to mislead the public or if the name is not 53224
such as to distinguish it from the name of any existing 53225
partnership, association, limited liability company, limited 53226
liability partnership, or corporation licensed under this chapter, 53227
unless there is filed with the application the written consent of 53228

authorized representative of it, permitting the use of the name of 53231
such existing partnership, association, limited liability company, 53232
limited liability partnership, or corporation. 53233

(B) A fee of one hundred dollars shall accompany the 53234
application for a real estate broker's license. The initial 53235
licensing period commences at the time the license is issued and 53236
ends on the applicant's first birthday thereafter. However, if the 53237
applicant was an inactive or active salesperson immediately 53238
preceding application for a broker's license, then the initial 53239
licensing period shall commence at the time the broker's license 53240
is issued and ends on the date the licensee's continuing education 53241
is due as set when the applicant was a salesperson. The 53242
application fee shall be nonrefundable. A fee of one hundred 53243

dollars shall be charged by the superintendent for each successive 53244
application made by an applicant. In the case of issuance of a 53245
three-year license, upon passing the examination, or upon waiver 53246
of the examination requirement, if the superintendent determines 53247
it is necessary, the applicant shall submit an additional fee 53248
determined by the superintendent based upon the number of years 53249
remaining in a real estate salesperson's licensing period. 53250

(C) One dollar of each application fee for a real estate 53251
broker's license shall be credited to the real estate education 53252
and research fund, which is hereby created in the state treasury. 53253
The Ohio real estate commission may use the fund in discharging 53254
the duties prescribed in divisions (E), (F), (G), and (H) of 53255
section 4735.03 of the Revised Code and shall use it in the 53256
advancement of education and research in real estate at any 53257
institution of higher education in the state, or in contracting 53258
with any such institution or a trade organization for a particular 53259
research or educational project in the field of real estate, or in 53260
advancing loans, not exceeding two thousand dollars, to applicants 53261
for salesperson licenses, to defray the costs of satisfying the 53262
educational requirements of division (F) of section 4735.09 of the 53263
Revised Code. Such loans shall be made according to rules 53264
established by the commission under the procedures of Chapter 119. 53265
of the Revised Code, and they shall be repaid to the fund within 53266
three years of the time they are made. No more than ~~ten~~ 53267
twenty-five thousand dollars shall be lent from the fund in any 53268
one fiscal year. 53269

The governor may appoint a representative from the executive 53270
branch to be a member ex officio of the commission for the purpose 53271
of advising on research requests or educational projects. The 53272
commission shall report to the general assembly on the third 53273
Tuesday after the third Monday in January of each year setting 53274
forth the total amount contained in the fund and the amount of 53275

each research grant that it has authorized and the amount of each 53276
research grant requested. A copy of all research reports shall be 53277
submitted to the state library of Ohio and the library of the 53278
legislative service commission. 53279

(D) If the superintendent, with the consent of the 53280
commission, enters into an agreement with a national testing 53281
service to administer the real estate broker's examination, 53282
pursuant to division (A) of section 4735.07 of the Revised Code, 53283
the superintendent may require an applicant to pay the testing 53284
service's examination fee directly to the testing service. If the 53285
superintendent requires the payment of the examination fee 53286
directly to the testing service, each applicant shall submit to 53287
the superintendent a processing fee in an amount determined by the 53288
Ohio real estate commission pursuant to division (A)(2) of section 53289
4735.10 of the Revised Code. 53290

Sec. 4735.13. (A) Every real estate broker licensed under 53291
this chapter shall have and maintain a definite place of business 53292
in this state. A post office box address is not a definite place 53293
of business for purposes of this section. The license of a real 53294
estate broker shall be prominently displayed in the office or 53295
place of business of the broker, and no license shall authorize 53296
the licensee to do business except from the location specified in 53297
it. If the broker maintains more than one place of business within 53298
the state, the broker shall apply for and procure a duplicate 53299
license for each branch office maintained by the broker. Each 53300
branch office shall be in the charge of a licensed broker or 53301
salesperson. The branch office license shall be prominently 53302
displayed at the branch office location. 53303

(B) The license of each real estate salesperson shall be 53304
mailed to and remain in the possession of the licensed broker with 53305
whom the salesperson is or is to be associated until the licensee 53306

places the license on inactive or resigned status or until the 53307
salesperson leaves the brokerage or is terminated. The broker 53308
shall keep each salesperson's license in a way that it can, and 53309
shall on request, be made immediately available for public 53310
inspection at the office or place of business of the broker. 53311
Except as provided in divisions (G) and (H) of this section, 53312
immediately upon the salesperson's leaving the association or 53313
termination of the association of a real estate salesperson with 53314
the broker, the broker shall return the salesperson's license to 53315
the superintendent of real estate. 53316

The failure of a broker to return the license of a real 53317
estate salesperson or broker who leaves or who is terminated, via 53318
certified mail return receipt requested, within three business 53319
days of the receipt of a written request from the superintendent 53320
for the return of the license, is prima-facie evidence of 53321
misconduct under division (A)(6) of section 4735.18 of the Revised 53322
Code. 53323

(C) A licensee shall notify the superintendent in writing 53324
within fifteen days of any of the following occurrences: 53325

(1) The licensee is convicted of a felony. 53326

(2) The licensee is convicted of a crime involving moral 53327
turpitude. 53328

(3) The licensee is found to have violated any federal, 53329
state, or municipal civil rights law pertaining to discrimination 53330
in housing. 53331

(4) The licensee is found to have engaged in a discriminatory 53332
practice pertaining to housing accommodations described in 53333
division (H) of section 4112.02 of the Revised Code. 53334

(5) The licensee is the subject of an order by the department 53335
of commerce, the department of insurance, or the department of 53336
agriculture revoking or permanently surrendering any professional 53337

license, certificate, or registration. 53338

(6) The licensee is the subject of an order by any government 53339
agency concerning real estate, financial matters, or the 53340
performance of fiduciary duties with respect to any license, 53341
certificate, or registration. 53342

If a licensee fails to notify the superintendent within the 53343
required time, the superintendent immediately may suspend the 53344
license of the licensee. 53345

Any court that convicts a licensee of a violation of any 53346
municipal civil rights law pertaining to housing discrimination 53347
also shall notify the Ohio civil rights commission within fifteen 53348
days of the conviction. 53349

(D) In case of any change of business location, a broker 53350
shall give notice to the superintendent, on a form prescribed by 53351
the superintendent, within thirty days after the change of 53352
location, whereupon the superintendent shall issue new licenses 53353
for the unexpired period without charge. If a broker changes a 53354
business location without giving the required notice and without 53355
receiving new licenses that action is prima-facie evidence of 53356
misconduct under division (A)(6) of section 4735.18 of the Revised 53357
Code. 53358

(E) If a real estate broker desires to associate with another 53359
real estate broker in the capacity of a real estate salesperson, 53360
the broker shall apply to the superintendent to deposit the 53361
broker's real estate broker's license with the superintendent and 53362
for the issuance of a real estate salesperson's license. The 53363
application shall be made on a form prescribed by the 53364
superintendent and shall be accompanied by the recommendation of 53365
the real estate broker with whom the applicant intends to become 53366
associated and a fee of twenty-five dollars for the real estate 53367
salesperson's license. One dollar of the fee shall be credited to 53368

the real estate education and research fund. If the superintendent 53369
is satisfied that the applicant is honest, truthful, and of good 53370
reputation, has not been convicted of a felony or a crime 53371
involving moral turpitude, and has not been finally adjudged by a 53372
court to have violated any municipal, state, or federal civil 53373
rights laws relevant to the protection of purchasers or sellers of 53374
real estate, and that the association of the real estate broker 53375
and the applicant will be in the public interest, the 53376
superintendent shall grant the application and issue a real estate 53377
salesperson's license to the applicant. Any license so deposited 53378
with the superintendent shall be subject to this chapter. A broker 53379
who intends to deposit the broker's license with the 53380
superintendent, as provided in this section, shall give written 53381
notice of this fact in a format prescribed by the superintendent 53382
to all salespersons associated with the broker when applying to 53383
place the broker's license on deposit. 53384

(F) If a real estate broker desires to become a member or 53385
officer of a partnership, association, limited liability company, 53386
limited liability partnership, or corporation that is or intends 53387
to become a licensed real estate broker, the broker shall notify 53388
the superintendent of the broker's intentions. The notice of 53389
intention shall be on a form prescribed by the superintendent and 53390
shall be accompanied by a fee of twenty-five dollars. One dollar 53391
of the fee shall be credited to the real estate education and 53392
research fund. 53393

A licensed real estate broker who is a member or officer of a 53394
partnership, association, limited liability company, limited 53395
liability partnership, or corporation shall only act as a real 53396
estate broker for such partnership, association, limited liability 53397
company, limited liability partnership, or corporation. 53398

(G)(1) If a real estate broker or salesperson enters the 53399
armed forces, the broker or salesperson may place the broker's or 53400

salesperson's license on deposit with the Ohio real estate 53401
commission. The licensee shall not be required to renew the 53402
license until the renewal date that follows the date of discharge 53403
from the armed forces. Any license deposited with the commission 53404
shall be subject to this chapter. ~~Any~~ 53405

Any licensee whose license is on deposit under this division 53406
and who fails to meet the continuing education requirements of 53407
section 4735.141 of the Revised Code because the licensee is in 53408
the armed forces shall satisfy the commission that the licensee 53409
has complied with the continuing education requirements within 53410
twelve months of the licensee's first birthday after discharge or 53411
within the amount of time equal to the total number of months the 53412
licensee spent on active duty, whichever is greater. The licensee 53413
shall submit proper documentation of active duty service and the 53414
length of that active duty service to the superintendent. The 53415
extension shall not exceed the total number of months that the 53416
licensee served in active duty. The superintendent shall notify 53417
the licensee of the licensee's obligations under section 4735.141 53418
of the Revised Code at the time the licensee applies for 53419
reactivation of the licensee's license. 53420

(2) If a licensee is a spouse of a member of the armed forces 53421
and the spouse's service resulted in the licensee's absence from 53422
this state, both of the following apply: 53423

(a) The licensee shall not be required to renew the license 53424
until the renewal date that follows the date of the spouse's 53425
discharge from the armed forces. 53426

(b) If the licensee fails to meet the continuing education 53427
requirements of section 4735.141 of the Revised Code, the licensee 53428
shall satisfy the commission that the licensee has complied with 53429
the continuing education requirements within twelve months after 53430
the licensee's first birthday after the spouse's discharge or 53431
within the amount of time equal to the total number of months the 53432

licensee's spouse spent on active duty, whichever is greater. The 53433
licensee shall submit proper documentation of the spouse's active 53434
duty service and the length of that active duty service. This 53435
extension shall not exceed the total number of months that the 53436
licensee's spouse served in active duty. 53437

(3) In the case of a licensee as described in division (G)(2) 53438
of this section, who holds the license through a reciprocity 53439
agreement with another state, the spouse's service shall have 53440
resulted in the licensee's absence from the licensee's state of 53441
residence for the provisions of that division to apply. 53442

(4) As used in this division, "armed forces" means the armed 53443
forces of the United States or reserve component of the armed 53444
forces of the United States including the Ohio national guard or 53445
the national guard of any other state. 53446

(H) If a licensed real estate salesperson submits an 53447
application to the superintendent to leave the association of one 53448
broker to associate with a different broker, the broker possessing 53449
the licensee's license need not return the salesperson's license 53450
to the superintendent. The superintendent may process the 53451
application regardless of whether the licensee's license is 53452
returned to the superintendent. 53453

Sec. 4735.141. (A) Except as otherwise provided in this 53454
division and in section 4735.13 of the Revised Code and except for 53455
a licensee who has placed the licensee's license in resigned 53456
status pursuant to section 4735.142 of the Revised Code, each 53457
person licensed under section 4735.07 or 4735.09 of the Revised 53458
Code shall submit proof satisfactory to the superintendent of real 53459
estate that the licensee has satisfactorily completed thirty hours 53460
of continuing education, as prescribed by the Ohio real estate 53461
commission pursuant to section 4735.10 of the Revised Code, on or 53462
before the licensee's birthday occurring three years after the 53463

licensee's date of initial licensure, and on or before the 53464
licensee's birthday every three years thereafter. 53465

Persons licensed as real estate salespersons who subsequently 53466
become licensed real estate brokers shall continue to submit proof 53467
of continuing education in accordance with the time period 53468
established in this section. 53469

The requirements of this section shall not apply to any 53470
disabled licensee as provided in division (E) of this section. 53471

Each licensee who is seventy years of age or older, within a 53472
continuing education reporting period, shall submit proof 53473
satisfactory to the superintendent of real estate that the 53474
licensee has satisfactorily completed a total of nine classroom 53475
hours of continuing education, including instruction in Ohio real 53476
estate law; recently enacted state and federal laws affecting the 53477
real estate industry; municipal, state, and federal civil rights 53478
law; and canons of ethics for the real estate industry as adopted 53479
by the commission. The required proof of completion shall be 53480
submitted on or before the licensee's birthday that falls in the 53481
third year of that continuing education reporting period. A 53482
licensee who is seventy years of age or older whose license is in 53483
an inactive status is exempt from the continuing education 53484
requirements specified in this section. The commission shall adopt 53485
reasonable rules in accordance with Chapter 119. of the Revised 53486
Code to carry out the purposes of this paragraph. 53487

(B) The continuing education requirements of this section 53488
shall be completed in schools, seminars, and educational 53489
institutions approved by the commission. Such approval shall be 53490
given according to rules established by the commission under the 53491
procedures of Chapter 119. of the Revised Code, and shall not be 53492
limited to institutions providing two-year or four-year degrees. 53493
Each school, seminar, or educational institution approved under 53494
this division shall be open to all licensees on an equal basis. 53495

(C) If the requirements of this section are not met by a 53496
licensee within the period specified, the licensee's license shall 53497
be suspended automatically without the taking of any action by the 53498
superintendent. The superintendent shall notify the licensee of 53499
the license suspension, and such notification shall be sent by 53500
regular mail to the personal residence address of the licensee 53501
that is on file with the division. Any license so suspended shall 53502
remain suspended until it is reactivated by the superintendent. No 53503
such license shall be reactivated until it is established, to the 53504
satisfaction of the superintendent, that the requirements of this 53505
section have been met. If the requirements of this section are not 53506
met within twelve months from the date the license was suspended, 53507
the license shall be revoked automatically without the taking of 53508
any action by the superintendent. 53509

(D) If the license of a real estate broker is suspended 53510
pursuant to division (C) of this section, the license of a real 53511
estate salesperson associated with that broker correspondingly is 53512
suspended pursuant to division (H) of section 4735.20 of the 53513
Revised Code. A sole broker shall notify affiliated salespersons 53514
of the suspension in writing within three days of receiving the 53515
notice required by division (C) of this section. 53516

(1) The suspended license of the associated real estate 53517
salesperson shall be reactivated and no fee shall be charged or 53518
collected for that reactivation if that broker subsequently 53519
submits proof to the superintendent that the broker has complied 53520
with the requirements of this section and requests that the 53521
broker's license as a real estate broker be reactivated, and the 53522
superintendent then reactivates the broker's license as a real 53523
estate broker. 53524

(2) If the real estate salesperson submits an application to 53525
leave the association of the suspended broker in order to 53526
associate with a different broker, the suspended license of the 53527

associated real estate salesperson shall be reactivated and no fee 53528
shall be charged or collected for that reactivation. The 53529
superintendent may process the application regardless of whether 53530
the licensee's license is returned to the superintendent. 53531

Any person whose license is reactivated pursuant to this 53532
division shall comply with the requirements of this section and 53533
otherwise be in compliance with this chapter. 53534

(E) Any licensee who is a disabled licensee at any time 53535
during the last three months of the third year of the licensee's 53536
continuing education reporting period may receive an extension of 53537
time as deemed appropriate by the superintendent to submit proof 53538
to the superintendent that the licensee has satisfactorily 53539
completed the required thirty hours of continuing education. To 53540
receive an extension of time, the licensee shall submit a request 53541
to the division of real estate for the extension and proof 53542
satisfactory to the commission that the licensee was a disabled 53543
licensee at some time during the last three months of the 53544
three-year reporting period. The proof shall include, but is not 53545
limited to, a signed statement by the licensee's attending 53546
physician describing the disability, certifying that the 53547
licensee's disability is of such a nature as to prevent the 53548
licensee from attending any instruction lasting at least three 53549
hours in duration, and stating the expected duration of the 53550
disability. The licensee shall request the extension and provide 53551
the physician's statement to the division no later than one month 53552
prior to the end of the licensee's three-year continuing education 53553
reporting period, unless the disability did not arise until the 53554
last month of the three-year reporting period, in which event the 53555
licensee shall request the extension and provide the physician's 53556
statement as soon as practical after the occurrence of the 53557
disability. A licensee granted an extension pursuant to this 53558
division who is no longer a disabled licensee and who submits 53559

proof of completion of the continuing education during the 53560
extension period, shall submit, for future continuing education 53561
reporting periods, proof of completion of the continuing education 53562
requirements according to the schedule established in division (A) 53563
of this section. 53564

(F) The superintendent shall not renew a license if the 53565
licensee fails to comply with this section, and the licensee shall 53566
be required to pay the penalty fee provided in section 4735.14 of 53567
the Revised Code. 53568

(G) A licensee shall submit proof of completion of the 53569
required continuing education with the licensee's notice of 53570
renewal. The proof shall be submitted in the manner provided by 53571
the superintendent. 53572

Sec. 4736.12. (A) The state board of sanitarian registration 53573
shall charge the following fees: 53574

(1) To apply as a sanitarian-in-training, eighty dollars; 53575

(2) For sanitarians-in-training to apply for registration as 53576
sanitarians, eighty dollars. The applicant shall pay this fee only 53577
once regardless of the number of times the applicant takes an 53578
examination required under section 4736.08 of the Revised Code. 53579

(3) For persons other than sanitarians-in-training to apply 53580
for registration as sanitarians, including persons meeting the 53581
requirements of section 4736.16 of the Revised Code, one hundred 53582
sixty dollars. The applicant shall pay this fee only once 53583
regardless of the number of times the applicant takes an 53584
examination required under section 4736.08 of the Revised Code. 53585

(4) The renewal fee for registered sanitarians shall be 53586
~~eighty~~ ninety dollars. 53587

(5) The renewal fee for sanitarians-in-training shall be 53588

(6) For late application for renewal, an additional ~~fifty~~ 53590

The board of sanitarian registration, with the approval of 53592
the controlling board, may establish fees in excess of the amounts 53593
provided in this section, provided that such fees do not exceed 53594
the amounts permitted by this section by more than fifty per cent. 53595

(B) The board of sanitarian registration shall charge 53596
separate fees for examinations as required by section 4736.08 of 53597
the Revised Code, provided that the fees are not in excess of the 53598
actual cost to the board of conducting the examinations. 53599

(C) The board of sanitarian registration may adopt rules 53600
establishing fees for all of the following: 53601

(1) Application for the registration of a training agency 53602
approved under rules adopted by the board pursuant to section 53603
4736.11 of the Revised Code and for the annual registration 53604
renewal of an approved training agency; 53605

(B) If a residential customer to whom notice has been given 54658
under this section will be unable to obtain reasonable and 54659

obtain reasonable and comparatively priced voice service upon the 54667
withdrawal or abandonment of basic local exchange service, that 54668
customer shall be treated as though the customer filed a timely 54669

(2) Except as provided in division (B)(2) of this section, an 54687
order adopted under division (B)(1)(b) of this section shall not 54688

section, the public utilities commission shall evaluate, during 54691
the twelve-month period in which the order is effective, whether 54692
an alternative reasonable and comparatively priced voice service 54693
is found to exist for the affected customer. If no such voice 54694
service is available, the public utilities commission may extend 54695
the order for one additional twelve-month period. If, at the end 54696
of the second twelve-month period, no alternative reasonable and 54697
comparatively priced voice service is available, the public 54698
utilities commission may order the withdrawing or abandoning 54699

functionalities. 54709

section and section 4927.10 of the Revised Code, an incumbent 54727
local exchange carrier shall provide basic local exchange service 54728

apartments, condominiums, subdivisions, office buildings, or 54736

(2) A carrier not obligated to construct facilities and 54753
provide basic local exchange service pursuant to division (B)(1) 54754
of this section shall notify the public utilities commission of 54755
that fact within one hundred twenty days of receiving knowledge 54756
thereof. 54757

(3) The commission by rule may establish a process for 54758
determining a necessary successor telephone company to provide 54759
service to real estate described in division (B)(1) of this 54760
section when the circumstances described in that division cease to 54761
exist. 54762

(4) An incumbent local exchange carrier that receives a 54763
request from any person or entity to provide service under the 54764
circumstances described in division (B)(1) of this section shall, 54765
within fifteen days of such receipt, provide notice to the person 54766
or entity specifying whether the carrier will provide the 54767
requested service. If the carrier provides notice that it will not 54768
serve the person or entity, the notice shall describe the person's 54769
or entity's right to file a complaint with the commission under 54770
section 4927.21 of the Revised Code within thirty days after 54771

for the requested waiver, the number of persons or entities who 54783
would be impacted by the waiver, and the alternatives that would 54784
be available to those persons or entities if the waiver were 54785
granted. The incumbent local exchange carrier applying for the 54786
waiver shall publish notice of the waiver application one time in 54787
a newspaper of general circulation throughout the service area 54788
identified in the application and shall provide additional notice 54789
to affected persons or entities as required by the commission in 54790
rules adopted under this division. The commission's rules shall 54791
define "affected" for purposes of this division. The commission 54792
shall afford such persons or entities a reasonable opportunity to 54793
comment to the commission on the application. This opportunity 54794
shall include a public hearing conducted in accordance with rules 54795
adopted under this division and conducted in the service area 54796
identified in the application. After a reasonable opportunity to 54797
comment has been provided, but not later than one hundred twenty 54798

issue an order granting the waiver if, upon investigation, it 54800
finds the waiver to be just, reasonable, and not contrary to the 54801
public interest, and that the applicant demonstrates a financial 54802
hardship or an unusual technical limitation, or shall issue an 54803
order denying the waiver based on a failure to meet those 54804
standards and specifying the reasons for the denial. The 54805
commission shall adopt rules to implement division (C) of this 54806

be in addition to any upward rate alteration made under section 54841
4927.12 of the Revised Code. 54842

specified on the license is the maximum number of children in each 56778
age category that may be cared for in the center, type A home, or 56779
licensed type B home at one time. 56780

The center or type A home licensee shall notify the director 56781
when the administrator of the center or home changes. The director 56782

application and may not be appealed under division (H) of this 56801
section. 56802

(H) ~~All~~ (1) Except as provided in division (H)(2) of this 56803

such certifications were issued by county departments prior to 56825
January 1, 2014, that the county department revoked that 56826
certification within the immediately preceding five years, that 56827
the revocation was based on the applicant's refusal or inability 56828
to comply with the criteria for certification, and that the 56829
refusal or inability resulted in a risk to the health or safety of 56830
children. 56831

section 5104.02 of the Revised Code, the department shall 56971
investigate the center or type A home and may inspect the areas 56972

~~days prior to making any official, public announcement that the~~ 60008
~~governor intends to close one or more developmental centers, the~~ 60009

~~governor shall notify the general assembly in writing that the 60010
governor intends to close one or more developmental centers. The 60011
governor shall notify the general assembly in writing of the prior 60012
announcement and that the governor intends to close the center 60013
identified in the prior announcement, and the notification to the 60014
general assembly shall constitute, for purposes of this section, 60015
the governor's official, public announcement that the governor 60016
intends to close that center. 60017~~

~~The notice required by this division shall identify by name 60018
each developmental center that the governor intends to close or, 60019
if the governor has not determined any specific developmental 60020

legislative service commission promptly shall conduct an 60024
independent study of the developmental centers of the department 60025
of developmental disabilities and of the department's operation of 60026
the centers, and the study shall address relevant criteria and 60027
factors, including, but not limited to, all of the following If 60028

closure. 60036~~

notice under this section, the officials who are to appoint 60038
members of the commission under division (D) of this section, 60039
shall appoint the members. As soon as possible after the 60040
appointments, the commission shall meet and commence 60041~~

deliberations. Not later than thirty days after the governor 60042
provides the notice, the commission shall provide to the general 60043
assembly, the governor, and the department a report of its 60044
recommendation concerning the developmental center. The commission 60045
may recommend closure for expenditure reductions or budget cuts 60046
only if the anticipated savings to be obtained by the closure are 60047
approximately the same as the anticipated savings specified in the 60048
governor's notice. If the governor gave notice of the proposed 60049
closure of more than one developmental center, the report shall 60050
list them in order of the commission's preference for closure. 60051

(3) On receipt of a report that recommends closure of a 60052
developmental center, the governor may close the developmental 60053
center. Except as otherwise provided in this division, the 60054

commission's preference as specified in the recommendation. If the 60058
governor determines that it is not feasible to implement the 60059
recommendation because there has been a significant change in 60060
circumstances, the governor may call for a new commission 60061
regarding the developmental center. The new commission shall be 60062
created and function in accordance with this section. 60063

represents a pattern of serious noncompliance or creates a 60373
substantial risk to the health or safety of an individual who 60374
receives or would receive supported living from the provider; 60375

(c) If the order will suspend the provider's authority to 60376

determination under division (D)(1)(b) of this section and the 60389
probate court does not issue an order authorizing the county board 60390

individualized service plan developed for the individual under 60392
section 5126.31 of the Revised Code. 60393

referee or examiner does not receive the transcript or no such 60420
transcript is made, the date that the referee or examiner closes 60421
the record of the hearing, shall submit to the director a written 60422

approving the surgery or experimental procedure, the court shall 61323
notify the Ohio protection and advocacy system created by section 61324
5123.60 of the Revised Code, and shall notify the resident of the 61325
resident's rights to consult with counsel, to have counsel 61326
appointed by the court if the resident is indigent, and to contest 61327
the recommendation of the chief medical officer. 61328

(D) If, in the judgment of two licensed physicians, delay in 61329
obtaining consent for surgery would create a grave danger to the 61330
health of a resident, emergency surgery may be performed without 61331
the consent of the resident if the necessary information is 61332
provided to the resident's guardian, including an agency providing 61333
guardianship services under contract with the department of 61334
developmental disabilities under sections 5123.55 to 5123.59 of 61335
the Revised Code, or to the resident's spouse or next of kin to 61336
enable that person or agency to give an informed, intelligent, and 61337
knowing written consent. 61338

If the guardian, spouse, or next of kin cannot be contacted 61339
through exercise of reasonable diligence, or if the guardian, 61340
spouse, or next of kin is contacted, but refuses to consent, then 61341
the emergency surgery may be performed upon the written 61342
authorization of the chief medical officer and after court 61343
approval has been obtained. However, if delay in obtaining court 61344
approval would create a grave danger to the life of the resident, 61345
the chief medical officer may authorize surgery, in writing, 61346
without court approval. If the surgery is authorized without court 61347
approval, the chief medical officer who made the authorization and 61348
the physician who performed the surgery shall each execute an 61349
affidavit describing the circumstances constituting the emergency 61350
and warranting the surgery and the circumstances warranting their 61351
not obtaining prior court approval. The affidavit shall be filed 61352
with the court with which the request for prior approval would 61353
have been filed within five court days after the surgery, and a 61354

copy of the affidavit shall be placed in the resident's file and 61355
shall be given to the guardian, spouse, or next of kin of the 61356
resident, to the hospital at which the surgery was performed, and 61357
to the Ohio protection and advocacy system created by section 61358
5123.60 of the Revised Code. 61359

~~(E)(1) If it is the judgment of two licensed physicians, as 61360
described in division (E)(2) of this section, that a medical 61361
emergency exists and delay in obtaining convulsive therapy creates 61362
a grave danger to the life of a resident who is both mentally 61363
retarded and mentally ill, convulsive therapy may be administered 61364
without the consent of the resident if the resident is physically 61365
or mentally unable to receive the information required for 61366
convulsive therapy and if the necessary information is provided to 61367
the resident's natural or court appointed guardian, including an 61368
agency providing guardianship services under contract with the 61369
department of developmental disabilities under sections 5123.55 to 61370
5123.59 of the Revised Code, or to the resident's spouse or next 61371
of kin to enable that person or agency to give an informed, 61372
intelligent, and knowing written consent. If neither the 61373
resident's guardian, spouse, nor next of kin can be contacted 61374
through exercise of reasonable diligence, or if the guardian, 61375
spouse, or next of kin is contacted, but refuses to consent, then 61376
convulsive therapy may be performed upon the written authorization 61377
of the chief medical officer and after court approval has been 61378
obtained. 61379~~

~~(2) The two licensed physicians referred to in division 61380
(E)(1) of this section shall not be associated with each other in 61381
the practice of medicine or surgery by means of a partnership or 61382
corporate arrangement, other business arrangement, or employment. 61383
At least one of the physicians shall be a psychiatrist as defined 61384
in division (E) of section 5122.01 of the Revised Code. 61385~~

~~(F) Major aversive interventions shall not be used unless a 61386~~

~~resident continues to engage in behavior destructive to self or 61387
others after other forms of therapy have been attempted. Major 61388
aversive interventions shall not be applied to a voluntary 61389
resident without the informed, intelligent, and knowing written 61390
consent of the resident or the resident's guardian, including an 61391
agency providing guardianship services under contract with the 61392
department of developmental disabilities under sections 5123.55 to 61393
5123.59 of the Revised Code. 61394~~

~~(G)(1) This chapter does not authorize any form of compulsory 61395
medical or psychiatric treatment of any resident who is being 61396
treated by spiritual means through prayer alone in accordance with 61397
a recognized religious method of healing. 61398~~

~~(2) For purposes of this section, "convulsive therapy" does 61399
not include defibrillation. 61400~~

ICF/IID on or after that date, may file with the department of 61404
developmental disabilities a cost report covering the period 61405
specified in division (B) of this section if the following applies 61406
to the ICF/IID: 61407

partially converted ICF/IID: 61411

first three full months of operation as a downsized ICF/IID or 61435
partially converted ICF/IID. 61436

the Revised Code, the provider fails to file the cost report with 61446
the department not later than ninety days after the last day of 61447
the period the cost report covers; 61448

(2) The cost report is incomplete or inadequate. 61449

(D) If the department accepts a cost report filed under 61450
division (A) of this section, the department shall use that cost 61451

pursuant to section 5124.17, 5124.19, 5124.21, or 5124.23 of the 61453
Revised Code, to determine the ICF/IID's medicaid payment rate in 61454

partially converted ICF/IID if that day is the first day of a 61461
month; 61462

(ii) The first day of the month immediately following the 61463
month that the ICF/IID becomes a downsized ICF/IID or partially 61464
converted ICF/IID if division (D)(1)(a)(i) of this section does 61465
not apply. 61466

(b) In the case of a new ICF/IID, the day that the ICF/IID's 61467
provider agreement takes effect. 61468

(2) The period ends on the last day of the fiscal year that 61469
immediately precedes the fiscal year for which the ICF/IID begins 61470
to be paid a rate determined using a cost report that division (E) 61471
of this section requires be filed in accordance with division (A) 61472
of section 5124.10 of the Revised Code. 61473

(E)(1) If the department accepts a cost report filed under 61474
division (A) of this section for an ICF/IID that becomes a 61475

downsized ICF/IID or partially converted ICF/IID on or before the 61476
first day of October of a calendar year, or for a new ICF/IID that 61477
has a provider agreement that takes effect on or before that date, 61478
the provider also shall file a cost report for the ICF/IID in 61479
accordance with division (A) of section 5124.10 of the Revised 61480
Code for the portion of that calendar year that the ICF/IID 61481
operated as a downsized ICF/IID or partially converted ICF/IID or, 61482
in the case of a new ICF/IID, for the portion that the provider 61483
agreement was in effect. 61484

(2) If the department accepts a cost report filed under 61485
division (A) of this section for an ICF/IID that becomes a 61486

provider agreement that takes effect ~~on or~~ after that date, the 61489
provider is not required to file a cost report for that calendar 61490
year in accordance with division (A) of section 5124.10 of the 61491
Revised Code. The provider shall file a cost report for the 61492
ICF/IID in accordance with division (A) of section 5124.10 of the 61493
Revised Code for the immediately following calendar year. 61494

(F) If the department accepts a cost report filed under 61495
division (A) of this section, the following modifications shall be 61496
made for the purpose of determining the medicaid payment rate for 61497
ICF/IID services the ICF/IID provides during the period specified 61498
in division (D) of this section: 61499

providing ICF/IID services to providing home and community-based 61579
services pursuant to section 5124.60 or 5124.61 of the Revised 61580
Code. 61581

Sec. 5124.60. (A) For the purpose of increasing the number of 61582

(3) If the operator intends to convert all of the ICF/IID's 61594
beds, the operator notifies each of the ICF/IID's residents that 61595
the ICF/IID is to cease providing ICF/IID services and inform each 61596
resident that the resident may do either of the following: 61597

services and a slot for the services is available to the resident. 61619

(5) The operator meets the requirements for providing home 61620

61652
61653

(b) Reduce the ICF/IID's medicaid-certified capacity by the number of beds being converted if the notice specifies that some but not all of the beds are to be converted. 61654
61655

Sec. 5160.37. (A) A medical assistance recipient's enrollment 62387
in a medical assistance program gives an automatic right of 62388
recovery to the department of medicaid and a county department of 62389
job and family services against the liability of a third party for 62390
the cost of medical assistance paid on behalf of the recipient. 62391
When an action or claim is brought against a third party by a 62392
medical assistance recipient, any payment, settlement or 62393
compromise of the action or claim, or any court award or judgment, 62394
is subject to the recovery right of the department of medicaid or 62395
county department. Except in the case of a medical assistance 62396
recipient who receives medical assistance through a medicaid 62397
managed care organization, the department's or county department's 62398
claim shall not exceed the amount of medical assistance paid by 62399
the department or county department on behalf of the recipient. A 62400
payment, settlement, compromise, judgment, or award that excludes 62401
the cost of medical assistance paid for by the department or 62402
county department shall not preclude a department from enforcing 62403
its rights under this section. 62404

(B) In the case of a medical assistance recipient who 62405
receives medical assistance through a medicaid managed care 62406
organization, the amount of the department's or county 62407
department's claim shall be the amount the medicaid managed care 62408
organization pays for medical assistance rendered to the 62409
recipient, even if that amount is more than the amount the 62410
department or county department pays to the medicaid managed care 62411
organization for the recipient's medical assistance. 62412

(C) A medical assistance recipient, and the recipient's 62413
attorney, if any, shall cooperate with the departments. In 62414
furtherance of this requirement, the medical assistance recipient, 62415
or the recipient's attorney, if any, shall, not later than thirty 62416

days after initiating informal recovery activity or filing a legal 62417
recovery action against a third party, provide written notice of 62418
the activity or action to the department of medicaid or county 62419
department if it has paid for medical assistance under a medical 62420
assistance program. 62421

(D) The written notice that must be given under division (C) 62422
of this section shall disclose the identity and address of any 62423
third party against whom the medical assistance recipient has or 62424
may have a right of recovery. 62425

(E) No settlement, compromise, judgment, or award or any 62426
recovery in any action or claim by a medical assistance recipient 62427
where the department or county department has a right of recovery 62428
shall be made final without first giving the department or county 62429
department written notice as described in division (C) of this 62430
section and a reasonable opportunity to perfect its rights of 62431
recovery. If the department or county department is not given the 62432
appropriate written notice, the medical assistance recipient and, 62433
if there is one, the recipient's attorney, are liable to reimburse 62434
the department or county department for the recovery received to 62435
the extent of medical assistance payments made by the department 62436
or county department. 62437

(F) The department or county department shall be permitted to 62438
enforce its recovery rights against the third party even though it 62439
accepted prior payments in discharge of its rights under this 62440
section if, at the time the department or county department 62441
received such payments, it was not aware that additional medical 62442
expenses had been incurred but had not yet been paid by the 62443
department or county department. The third party becomes liable to 62444
the department or county department as soon as the third party is 62445
notified in writing of the valid claims for recovery under this 62446
section. 62447

(G)(1) Subject to division (G)(2) of this section, the right 62448

of recovery of the department or county department does not apply 62449
to that portion of any judgment, award, settlement, or compromise 62450
of a claim, to the extent of attorneys' fees, costs, or other 62451
expenses incurred by a medical assistance recipient in securing 62452
the judgment, award, settlement, or compromise, or to the extent 62453
of medical, surgical, and hospital expenses paid by such recipient 62454
from the recipient's own resources. 62455

(2) Reasonable attorneys' fees, not to exceed one-third of 62456
the total judgment, award, settlement, or compromise, plus costs 62457
and other expenses incurred by the medical assistance recipient in 62458
securing the judgment, award, settlement, or compromise, shall 62459
first be deducted from the total judgment, award, settlement, or 62460
compromise. After fees, costs, and other expenses are deducted 62461
from the total judgment, award, settlement, or compromise, there 62462
shall be a rebuttable presumption that the department of medicaid 62463
or county department shall receive no less than one-half of the 62464
remaining amount, or the actual amount of medical assistance paid, 62465
whichever is less. Any party may rebut this presumption by a 62466
showing of clear and convincing evidence that a different 62467
allocation is warranted. The allocation of medical expenses 62468
pursuant to a settlement agreement between a medical assistance 62469
recipient and the third party may be considered by the department 62470
or county department but is not binding on either. 62471

(H) A right of recovery created by this section may be 62472
enforced separately or jointly by the department of medicaid or 62473
county department. To enforce its recovery rights, the department 62474
or county department may do any of the following: 62475

(1) Intervene or join in any action or proceeding brought by 62476
the medical assistance recipient or on the recipient's behalf 62477
against any third party who may be liable for the cost of medical 62478
assistance paid; 62479

(2) Institute and pursue legal proceedings against any third 62480

party who may be liable for the cost of medical assistance paid; 62481

(3) Initiate legal proceedings in conjunction with any 62482
injured, diseased, or disabled medical assistance recipient or the 62483
recipient's attorney or representative. 62484

(I) A medical assistance recipient shall not assess attorney 62485
fees, costs, or other expenses against the department of medicaid 62486
or a county department when the department or county department 62487
enforces its right of recovery created by this section. 62488

(J) The right of recovery given to the department under this 62489
section includes payments made by a third party under contract 62490
with a person having a duty to support. 62491

(K) The department of medicaid may assign to a medical 62492
assistance provider the right of recovery given to the department 62493
under this section with respect to any claim for which the 62494
department has notified the provider that the department intends 62495
to recoup the department's prior payment for the claim. 62496

Sec. 5160.401. (A) A payment made by a third party under 62497
division (A)(4) of section 5160.40 of the Revised Code on a claim 62498
for payment of a medical item or service provided to a medical 62499
assistance recipient is final on the date that is two years after 62500
the payment was made to the department of medicaid or the 62501
applicable medicaid managed care organization. After a claim is 62502
final, the claim is subject to adjustment only if an action for 62503
recovery of an overpayment was commenced under division (B) of 62504
this section before the date the claim became final and the 62505
recovery is agreed to by the department or medicaid managed care 62506
organization under division (C) of this section. 62507

(B) If a third party determines that it overpaid a claim for 62508
payment, the third party may seek to recover all or part of the 62509
overpayment by filing a notice of its intent to seek recovery with 62510

the department or medicaid managed care organization, as 62511
applicable. The notice of recovery must be filed in writing before 62512
the date the payment is final. The notice must specify all of the 62513
following: 62514

(1) The full name of the medical assistance recipient who 62515
received the medical item or service that is the subject of the 62516
claim; 62517

(2) The date or dates on which the medical item or service 62518
was provided; 62519

(3) The amount allegedly overpaid and the amount the third 62520
party seeks to recover; 62521

(4) The claim number and any other number the department or 62522
medicaid managed care organization has assigned to the claim; 62523

(5) The third party's rationale for seeking recovery; 62524

(6) The date the third party made the payment and the method 62525
of payment used; 62526

(7) If payment was made by check, the check number; 62527

(8) Whether the third party would prefer to receive the 62528
amount being sought by obtaining a payment from the department or 62529
medicaid managed care organization, either by check or electronic 62530
means, or by offsetting the amount from a future payment to be 62531
made to the department or medicaid managed care organization. 62532

(C) If the department or appropriate medicaid managed care 62533
organization determines that a notice of recovery was filed before 62534
the claim for payment is final and agrees to the amount sought by 62535
the third party, the department or medicaid managed care 62536
organization, as applicable, shall notify the third party in 62537
writing of its determination and agreement. Recovery of the amount 62538
shall proceed in accordance with the method specified by the third 62539
party pursuant to division (B)(8) of this section. 62540
