the facility as defined in rules promulgated by the department of 491
rehabilitation and correction or, if the facility is a local 492
correctional institution, that the contractor provide a written 493
report of all unusual incidents at the facility to the governing 494

correctional institution designated department of rehabilitation 516
and correction staff members be allowed access to the facility in 517
accordance with rules promulgated by the department; 518

(11) A requirement that the contractor provide internal and 519
perimeter security as agreed upon in the contract; 520

(12) If the facility is a state correctional institution, a 521
requirement that the contractor impose discipline on inmates 522
housed in the facility only in accordance with rules promulgated 523
by the department of rehabilitation and correction; 524

(13) A requirement that the facility be staffed at all times 525

appropriate. If a fine is imposed, the public entity may reduce 551
the payment owed to the contractor pursuant to any invoice in the 552
amount of the imposed fine. 553

(18) A statement that all services provided or goods produced 554
at the facility shall be subject to the same regulations, and the 555

nature that normally is worn outside the facility by non-inmates, 571
that the contractor require all inmates housed in the facility to 572
wear the clothing so provided, and that the contractor not permit 573
any inmate, while inside or on the premises of the facility or 574
while being transported to or from the facility, to wear any 575

inmate release and parole eligibility dates and recommending the 584
granting or denying of parole, although the contractor may submit 585

certifying whether the amounts reserved conform to the 1130
requirements of this division, are computed in accordance with 1131
accepted loss reserving standards, and are fairly stated in 1132

and maintained, within ninety days after the last day of the 1134
fiscal year of the entity for which the report is provided for 1135
that fiscal year, in the office of the program administrator 1136
described in division (C)(3) of this section. 1137

The report required by division (C)(1) of this section shall 1138

of insurance or any self-insurance program, or both, among the 1163
funds or accounts established under this division on the basis of 1164

relative exposure and loss experience. 1165

(3) A contract may be awarded, without the necessity of 1166
competitive bidding, to any person, political subdivision, 1167
nonprofit corporation organized under Chapter 1702. of the Revised 1168
Code, or regional council of governments created under Chapter 1169
167. of the Revised Code for purposes of administration of an 1170

joint self-insurance programs. 1210

(8) A political subdivision is not liable under a joint 1211
self-insurance program for any amount in excess of amounts payable 1212
pursuant to the written agreement for the participation of the 1213
political subdivision in the joint self-insurance program. Under a 1214
joint self-insurance program agreement, a political subdivision 1215
may, to the extent permitted under the written agreement, assume 1216
the risks of any other political subdivision. A joint 1217
self-insurance program established under this section is deemed a 1218
separate legal entity for the public purpose of enabling the 1219
members of the joint self-insurance program to obtain insurance or 1220

authority or other governing body for the purpose of providing 1229
funds to pay expenses associated with the settlement of claims, 1230
whether by way of a reserve or otherwise, and to pay the political 1231
subdivision's portion of the cost of establishing and maintaining 1232
an individual or joint self-insurance program or to provide for 1233
the reserve in the special fund authorized by division (C)(2) of 1234
this section. 1235

In its ordinance or resolution authorizing bonds or notes 1236
under this section, a political subdivision may elect to issue 1237
such bonds or notes under the procedures set forth in Chapter 133. 1238
of the Revised Code. In the event of such an election, 1239
notwithstanding Chapter 133. of the Revised Code, the maturity of 1240
the bonds may be for any period authorized in the ordinance or 1241
resolution not exceeding twenty years, which period shall be the 1242
maximum maturity of the bonds for purposes of section 133.22 of 1243
the Revised Code. 1244

Bonds and notes issued under this section shall not be 1245
considered in calculating the net indebtedness of the political 1246
subdivision under sections 133.04, 133.05, 133.06, and 133.07 of 1247

whom a criminal records check is to be conducted under this 2592
section. Any person for whom a records check is to be conducted 2593
under this section shall obtain the fingerprint impressions at a 2594
county sheriff's office, municipal police department, or any other 2595
entity with the ability to make fingerprint impressions on the 2596
standard impression sheets prescribed by the superintendent. The 2597
office, department, or entity may charge the person a reasonable 2598
fee for making the impressions. The standard impression sheets the 2599
superintendent prescribes pursuant to this division may be in a 2600
tangible format, in an electronic format, or in both tangible and 2601
electronic formats. 2602

(3) Subject to division (D) of this section, the 2603
superintendent shall prescribe and charge a reasonable fee for 2604
providing a criminal records check under this section. The person 2605
requesting the criminal records check shall pay the fee prescribed 2606
pursuant to this division. In the case of a request under section 2607
1121.23, 1155.03, 1163.05, 1315.141, 1733.47, 1761.26, 2151.33, 2608
2151.412, or 5164.34 of the Revised Code, the fee shall be paid in 2609
the manner specified in that section. 2610

(4) The superintendent of the bureau of criminal 2611
identification and investigation may prescribe methods of 2612
forwarding fingerprint impressions and information necessary to 2613
conduct a criminal records check, which methods shall include, but 2614
not be limited to, an electronic method. 2615

(D) The results of a criminal records check conducted under 2616
this section, other than a criminal records check specified in 2617
division (A)(7) of this section, are valid for the person who is 2618
the subject of the criminal records check for a period of one year 2619
from the date upon which the superintendent completes the criminal 2620
records check. If during that period the superintendent receives 2621
another request for a criminal records check to be conducted under 2622
this section for that person, the superintendent shall provide the 2623
results from the previous criminal records check of the person at 2624
a lower fee than the fee prescribed for the initial criminal 2625
records check. 2626

(E) When the superintendent receives a request for 2627
information from a registered private provider, the superintendent 2628
shall proceed as if the request was received from a school 2629
district board of education under section 3319.39 of the Revised 2630
Code. The superintendent shall apply division (A)(1)(c) of this 2631
section to any such request for an applicant who is a teacher. 2632

(F)(1) All information regarding the results of a criminal 2633
records check conducted under this section that the superintendent 2634
reports or sends under division (A)(7) or (9) of this section to 2635
the director of public safety, the treasurer of state, or the 2636
person, board, or entity that made the request for the criminal 2637
records check shall relate to the conviction of the subject 2638
person, or the subject person's plea of guilty to, a criminal 2639
offense. 2640

(2) Division (F)(1) of this section does not limit, restrict, 2641
or preclude the superintendent's release of information that 2642
relates to the arrest of a person who is eighteen years of age or 2643
older, to an adjudication of a child as a delinquent child, or to 2644
a criminal conviction of a person under eighteen years of age in 2645
circumstances in which a release of that nature is authorized 2646
under division (E)(2), (3), or (4) of section 109.57 of the 2647

Revised Code pursuant to a rule adopted under division (E)(1) of 2648
that section. 2649

(G) As used in this section: 2650

(1) "Criminal records check" means any criminal records check 2651
conducted by the superintendent of the bureau of criminal 2652
identification and investigation in accordance with division (B) 2653
of this section. 2654

(2) "Minor drug possession offense" has the same meaning as 2655
in section 2925.01 of the Revised Code. 2656

(3) "OVI or OVUAC violation" means a violation of section 2657
4511.19 of the Revised Code or a violation of an existing or 2658
former law of this state, any other state, or the United States 2659
that is substantially equivalent to section 4511.19 of the Revised 2660
Code. 2661

(4) "Registered private provider" means a nonpublic school or 2662
entity registered with the superintendent of public instruction 2663
under section 3310.41 of the Revised Code to participate in the 2664
autism scholarship program or section 3310.58 of the Revised Code 2665
to participate in the Jon Peterson special needs scholarship 2666
program. 2667

Sec. 113.07. The treasurer of state may enter into a contract 2668
with any financial institution under which the financial 2669
institution, in accordance with the terms of the contract, 2670
receives tax and fee payments at a post office box, opens the mail 2671
delivered to that box, processes the checks and other payments 2672
received in such mail and deposits them into the treasurer of 2673
state's account, and provides the treasurer of state daily receipt 2674
information with respect to such payments. The contract shall not 2675
be entered into unless: 2676

(A) There is attached to the contract a certification by the 2677

auditor of state that the financial institution and the treasurer 2678
of state have given assurances satisfactory to the auditor of 2679
state that the records of the financial institution which relate 2680
to tax and fee payments covered by the contract, and only such 2681
records, shall be subject to audit by the auditor of state to the 2682
same extent as if the services which the financial institution has 2683
agreed to perform were being performed by the treasurer of state; 2684

(B) The contract is awarded in accordance with ~~section 125.07~~ 2685
Chapter 125. of the Revised Code; 2686

(C) The treasurer of state's surety bond includes within its 2687
coverage any loss that may occur as the result of the contract; 2688

(D) The contract does not conflict with the requirements for 2689
accounting and financial reporting for public offices prescribed 2690
by the auditor of state. 2691

Sec. 117.11. (A) Except as otherwise provided in this 2692
division and in sections 117.112, 117.113, and 117.114 of the 2693
Revised Code, the auditor of state shall audit each public office 2694
at least once every two fiscal years. The auditor of state shall 2695
audit a public office each fiscal year if that public office is 2696
required to be audited on an annual basis pursuant to "The Single 2697
Audit Act of 1984," 98 Stat. 2327, 31 U.S.C.A. 7501 et seq., as 2698
amended. In the annual or biennial audit, inquiry shall be made 2699
into the methods, accuracy, and legality of the accounts, 2700
financial reports, records, files, and reports of the office, 2701
whether the laws, rules, ordinances, and orders pertaining to the 2702
office have been observed, and whether the requirements and rules 2703
of the auditor of state have been complied with. Except as 2704
otherwise provided in this division or where auditing standards or 2705
procedures dictate otherwise, each audit shall cover at least one 2706
fiscal year. If a public office is audited only once every two 2707
fiscal years, the audit shall cover both fiscal years. 2708

(B) In addition to the annual or biennial audit provided for 2709
in division (A) of this section or in section 117.114 of the 2710
Revised Code, the auditor of state may conduct an audit of a 2711
public office at any time when so requested by the public office 2712
or upon the auditor of state's own initiative if the auditor of 2713
state has reasonable cause to believe that an additional audit is 2714
in the public interest. The auditor of state shall not conduct an 2715
additional audit of a state entity for compliance with Chapter 2716
149. of the Revised Code. The auditor of state shall not accept 2717
for filing or review complaints regarding an alleged violation of 2718
that chapter by a state entity, issue a report to the complainant 2719
as to whether a state entity violated that chapter, or issue a 2720
noncompliance citation to a state entity as a result of the filing 2721
of such a complaint. 2722

As used in this division, "state entity" means a public 2723
office that is a state agency, a statewide elected office, the 2724
general assembly, and the supreme court. 2725

(C)(1) The auditor of state shall identify any public office 2726
in which the auditor of state will be unable to conduct an audit 2727
at least once every two fiscal years as required by division (A) 2728
of this section and shall provide immediate written notice to the 2729
clerk of the legislative authority or governing board of the 2730
public office so identified. Within six months of the receipt of 2731
such notice, the legislative authority or governing board may 2732
engage an independent certified public accountant to conduct an 2733
audit pursuant to section 117.12 of the Revised Code. 2734

(2) When the chief fiscal officer of a public office notifies 2735
the auditor of state that an audit is required at a time prior to 2736
the next regularly scheduled audit by the auditor of state, the 2737
auditor of state shall either cause an earlier audit to be made by 2738
the auditor of state or authorize the legislative authority or 2739
governing board of the public office to engage an independent 2740

certified public accountant to conduct the required audit. The 2741
scope of the audit shall be as authorized by the auditor of state. 2742

(3) The auditor of state shall approve the scope of an audit 2743
under division (C)(1) or (2) of this section as set forth in the 2744
contract for the proposed audit before the contract is executed on 2745
behalf of the public office that is to be audited. The independent 2746
accountant conducting an audit under division (C)(1) or (2) of 2747
this section shall be paid by the public office. 2748

(4) The contract for attest services with an independent 2749
accountant employed pursuant to this section or section 115.56 of 2750
the Revised Code may include binding arbitration provisions, 2751
provisions of Chapter 2711. of the Revised Code, or any other 2752
alternative dispute resolution procedures to be followed in the 2753
event a dispute remains between the state or public office and the 2754
independent accountant concerning the terms of or services under 2755
the contract, or a breach of the contract, after the 2756
administrative provisions of the contract have been exhausted. 2757

(D) If a uniform accounting network is established under 2758
section 117.101 of the Revised Code, the auditor of state or a 2759
certified public accountant employed pursuant to this section or 2760
section 115.56 or 117.112 of the Revised Code shall, to the extent 2761
practicable, utilize services offered by the network in order to 2762
conduct efficient and economical audits of public offices. 2763

(E) The auditor of state, in accordance with division (A)(3) 2764
of section 9.65 of the Revised Code and this section, may audit an 2765
annuity program for volunteer fire fighters established by a 2766
political subdivision under section 9.65 of the Revised Code. As 2767
used in this section, "volunteer fire fighters" and "political 2768
subdivision" have the same meanings as in division (C) of section 2769
9.65 of the Revised Code. 2770

Sec. 118.04. (A) The existence of a fiscal emergency 2771

condition constitutes a fiscal emergency. The existence of fiscal 2772
emergency conditions shall be determined by the auditor of state. 2773
Such determination, for purposes of this chapter, may be made only 2774
upon the filing with the auditor of state of a written request for 2775
such a determination by the governor, by the county budget 2776
commission, by the mayor of the municipal corporation, or by the 2777
presiding officer of the legislative authority of the municipal 2778
corporation when authorized by a majority of the members of such 2779
legislative authority, by the board of county commissioners, or by 2780
the board of township trustees, or upon initiation by the auditor 2781
of state. The request may designate in general or specific terms, 2782
but without thereby limiting the determination thereto, the 2783
condition or conditions to be examined to determine whether they 2784
constitute fiscal emergency conditions. Promptly upon receipt of 2785
such written request, or upon initiation by the auditor of state, 2786
the auditor of state shall transmit copies of such request or a 2787
written notice of such initiation to the mayor and the presiding 2788
officer of the legislative authority of the municipal corporation 2789
or to the board of county commissioners or the board of township 2790
trustees by personal service or certified mail. Such 2791
determinations shall be set forth in written reports and 2792
supplemental reports, which shall be filed with the mayor, fiscal 2793
officer, and presiding officer of the legislative authority of the 2794
municipal corporation, or with the board of county commissioners 2795
or the board of township trustees, and with the treasurer of 2796
state, secretary of state, governor, director of budget and 2797
management, and county budget commission, within thirty days after 2798
the request. The auditor of state shall so file an initial report 2799
immediately upon determining the existence of any fiscal emergency 2800
condition. 2801

(B) In making such determination, the auditor of state may 2802
rely on reports or other information filed or otherwise made 2803
available by the municipal corporation, county, or township, 2804

accountants' reports, or other sources and data the auditor of 2805
state considers reliable for such purpose. As to the status of 2806
funds or accounts, a determination that the amounts stated in 2807
section 118.03 of the Revised Code are exceeded may be made 2808
without need for determination of the specific amount of the 2809
excess. The auditor of state may engage the services of 2810
independent certified or registered public accountants, including 2811
public accountants engaged or previously engaged by the municipal 2812
corporation, county, or township, to conduct audits or make 2813
reports or render such opinions as the auditor of state considers 2814
desirable with respect to any aspect of the determinations to be 2815
made by the auditor of state. 2816

(C) A determination by the auditor of state under this 2817
section that a fiscal emergency condition does not exist is final 2818
and conclusive and not appealable. A determination by the auditor 2819
of state under this section that a fiscal emergency exists is 2820
final, except that the mayor of any municipal corporation affected 2821
by a determination of the existence of a fiscal emergency 2822
condition under this section, when authorized by a majority of the 2823
members of the legislative authority, or the board of county 2824
commissioners or board of township trustees, may appeal the 2825
determination of the existence of a fiscal emergency condition to 2826
the court of appeals having territorial jurisdiction over the 2827
municipal corporation, county, or township. The appeal shall be 2828
heard expeditiously by the court of appeals and for good cause 2829
shown shall take precedence over all other civil matters except 2830
earlier matters of the same character. Notice of such appeal must 2831
be filed with the auditor of state and such court within thirty 2832
days after certification by the auditor of state to the mayor and 2833
presiding officer of the legislative authority of the municipal 2834
corporation or to the board of county commissioners or board of 2835
township trustees as provided for in division (A) of this section. 2836
In such appeal, determinations of the auditor of state shall be 2837

presumed to be valid and the municipal corporation, county, or township shall have the burden of proving, by clear and convincing evidence, that each of the determinations made by the auditor of state as to the existence of a fiscal emergency condition under section 118.03 of the Revised Code was in error. If the municipal corporation, county, or township fails, upon presentation of its case, to prove by clear and convincing evidence that each such determination by the auditor of state was in error, the court shall dismiss the appeal. The municipal corporation, county, or township and the auditor of state may introduce any evidence relevant to the existence or nonexistence of such fiscal emergency conditions at the times indicated in the applicable provisions of divisions (A) and (B) of section 118.03 of the Revised Code. The pendency of any such appeal shall not affect or impede the operations of this chapter; no restraining order, temporary injunction, or other similar restraint upon actions consistent with this chapter shall be imposed by the court or any court pending determination of such appeal; and all things may be done under this chapter that may be done regardless of the pendency of any such appeal. Any action taken or contract executed pursuant to this chapter during the pendency of such appeal is valid and enforceable among all parties, notwithstanding the decision in such appeal. If the court of appeals reverses the determination of the existence of a fiscal emergency condition by the auditor of state, the determination no longer has any effect, and any procedures undertaken as a result of the determination shall be terminated.

(D) All expenses incurred by the auditor of state relating to a determination or termination of a fiscal emergency under this section, a fiscal watch under section 118.021 of the Revised Code, or a fiscal caution under section 118.025 of the Revised Code, including providing technical and support services, or for conducting a performance audit under section 118.041 of the

Revised Code, shall be reimbursed from an appropriation for that 2871
purpose. If necessary, the controlling board may provide 2872
sufficient funds for these purposes. 2873

Sec. 118.041. The auditor of state, on the auditor of state's 2874
initiative, may conduct a performance audit of a municipal 2875
corporation, county, or township that is under a fiscal caution, a 2876
fiscal watch, or a fiscal emergency. 2877

Sec. 119.12. Any party adversely affected by any order of an 2878
agency issued pursuant to an adjudication denying an applicant 2879
admission to an examination, or denying the issuance or renewal of 2880
a license or registration of a licensee, or revoking or suspending 2881
a license, or allowing the payment of a forfeiture under section 2882
4301.252 of the Revised Code may appeal from the order of the 2883
agency to the court of common pleas of the county in which the 2884
place of business of the licensee is located or the county in 2885
which the licensee is a resident, except that appeals from 2886
decisions of the liquor control commission, the Ohio casino 2887
control commission, the state medical board, the state 2888
chiropractic board, and the board of nursing shall be to the court 2889
of common pleas of Franklin county. If any party appealing from 2890
the order is not a resident of and has no place of business in 2891
this state, the party may appeal to the court of common pleas of 2892
Franklin county. 2893

Any party adversely affected by any order of an agency issued 2894
pursuant to any other adjudication may appeal to the court of 2895
common pleas of Franklin county, except that appeals from orders 2896
of the fire marshal issued under Chapter 3737. of the Revised Code 2897
may be to the court of common pleas of the county in which the 2898
building of the aggrieved person is located and except that 2899
appeals under division (B) of section 124.34 of the Revised Code 2900
from a decision of the state personnel board of review or a 2901

municipal or civil service township civil service commission shall 2902
be taken to the court of common pleas of the county in which the 2903
appointing authority is located or, in the case of an appeal by 2904
the department of rehabilitation and correction, to the court of 2905
common pleas of Franklin county. 2906

This section does not apply to appeals from the department of 2907
taxation. 2908

Any party desiring to appeal shall file a notice of appeal 2909
with the agency setting forth the order appealed from and stating 2910
that the agency's order is not supported by reliable, probative, 2911
and substantial evidence and is not in accordance with law. The 2912
notice of appeal may, but need not, set forth the specific grounds 2913
of the party's appeal beyond the statement that the agency's order 2914
is not supported by reliable, probative, and substantial evidence 2915
and is not in accordance with law. The notice of appeal shall also 2916
be filed by the appellant with the court. In filing a notice of 2917
appeal with the agency or court, the notice that is filed may be 2918
either the original notice or a copy of the original notice. 2919
Unless otherwise provided by law relating to a particular agency, 2920
notices of appeal shall be filed within fifteen days after the 2921
mailing of the notice of the agency's order as provided in this 2922
section. For purposes of this paragraph, an order includes a 2923
determination appealed pursuant to division (C) of section 119.092 2924
of the Revised Code. The amendments made to this paragraph by Sub. 2925
H.B. 215 of the 128th general assembly are procedural, and this 2926
paragraph as amended by those amendments shall be applied 2927
retrospectively to all appeals pursuant to this paragraph filed 2928
before ~~the effective date of those amendments~~ September 13, 2010, 2929
but not earlier than May 7, 2009, which was the date the supreme 2930
court of Ohio released its opinion and judgment in *Medcorp, Inc.* 2931
v. Ohio Dep't. of Job and Family Servs. (2009), 121 Ohio St.3d 2932
622. 2933

The filing of a notice of appeal shall not automatically operate as a suspension of the order of an agency. If it appears to the court that an unusual hardship to the appellant will result from the execution of the agency's order pending determination of the appeal, the court may grant a suspension and fix its terms. If an appeal is taken from the judgment of the court and the court has previously granted a suspension of the agency's order as provided in this section, the suspension of the agency's order shall not be vacated and shall be given full force and effect until the matter is finally adjudicated. No renewal of a license or permit shall be denied by reason of the suspended order during the period of the appeal from the decision of the court of common pleas. In the case of an appeal from the Ohio casino control commission, the state medical board, or the state chiropractic board, the court may grant a suspension and fix its terms if it appears to the court that an unusual hardship to the appellant will result from the execution of the agency's order pending determination of the appeal and the health, safety, and welfare of the public will not be threatened by suspension of the order. This provision shall not be construed to limit the factors the court may consider in determining whether to suspend an order of any other agency pending determination of an appeal.

The final order of adjudication may apply to any renewal of a license or permit which has been granted during the period of the appeal.

Notwithstanding any other provision of this section, any order issued by a court of common pleas or a court of appeals suspending the effect of an order of the liquor control commission issued pursuant to Chapter 4301. or 4303. of the Revised Code that suspends, revokes, or cancels a permit issued under Chapter 4303. of the Revised Code or that allows the payment of a forfeiture under section 4301.252 of the Revised Code shall terminate not

more than six months after the date of the filing of the record of 2966
the liquor control commission with the clerk of the court of 2967
common pleas and shall not be extended. The court of common pleas, 2968
or the court of appeals on appeal, shall render a judgment in that 2969
matter within six months after the date of the filing of the 2970
record of the liquor control commission with the clerk of the 2971
court of common pleas. A court of appeals shall not issue an order 2972
suspending the effect of an order of the liquor control commission 2973
that extends beyond six months after the date on which the record 2974
of the liquor control commission is filed with a court of common 2975
pleas. 2976

Notwithstanding any other provision of this section, any 2977
order issued by a court of common pleas or a court of appeals 2978
suspending the effect of an order of the Ohio casino control 2979
commission issued under Chapter 3772. of the Revised Code that 2980
limits, conditions, restricts, suspends, revokes, denies, not 2981
renews, fines, or otherwise penalizes an applicant, licensee, or 2982
person excluded or ejected from a casino facility in accordance 2983
with section 3772.031 of the Revised Code shall terminate not more 2984
than six months after the date of the filing of the record of the 2985
Ohio casino control commission with the clerk of the court of 2986
common pleas and shall not be extended. The court of common pleas, 2987
or the court of appeals on appeal, shall render a judgment in that 2988
matter within six months after the date of the filing of the 2989
record of the Ohio casino control commission with the clerk of the 2990
court of common pleas. A court of appeals shall not issue an order 2991
suspending the effect of an order of the Ohio casino control 2992
commission that extends beyond six months after the date on which 2993
the record of the Ohio casino control commission is filed with the 2994
clerk of a court of common pleas. 2995

Notwithstanding any other provision of this section, any 2996
order issued by a court of common pleas suspending the effect of 2997

an order of the state medical board or state chiropractic board 2998
that limits, revokes, suspends, places on probation, or refuses to 2999
register or reinstate a certificate issued by the board or 3000
reprimands the holder of the certificate shall terminate not more 3001
than fifteen months after the date of the filing of a notice of 3002
appeal in the court of common pleas, or upon the rendering of a 3003
final decision or order in the appeal by the court of common 3004
pleas, whichever occurs first. 3005

Within thirty days after receipt of a notice of appeal from 3006
an order in any case in which a hearing is required by sections 3007
119.01 to 119.13 of the Revised Code, the agency shall prepare and 3008
certify to the court a complete record of the proceedings in the 3009
case. Failure of the agency to comply within the time allowed, 3010
upon motion, shall cause the court to enter a finding in favor of 3011
the party adversely affected. Additional time, however, may be 3012
granted by the court, not to exceed thirty days, when it is shown 3013
that the agency has made substantial effort to comply. The record 3014
shall be prepared and transcribed, and the expense of it shall be 3015
taxed as a part of the costs on the appeal. The appellant shall 3016
provide security for costs satisfactory to the court of common 3017
pleas. Upon demand by any interested party, the agency shall 3018
furnish at the cost of the party requesting it a copy of the 3019
stenographic report of testimony offered and evidence submitted at 3020
any hearing and a copy of the complete record. 3021

Notwithstanding any other provision of this section, any 3022
party desiring to appeal an order or decision of the state 3023
personnel board of review shall, at the time of filing a notice of 3024
appeal with the board, provide a security deposit in an amount and 3025
manner prescribed in rules that the board shall adopt in 3026
accordance with this chapter. In addition, the board is not 3027
required to prepare or transcribe the record of any of its 3028
proceedings unless the appellant has provided the deposit 3029

described above. The failure of the board to prepare or transcribe 3030
a record for an appellant who has not provided a security deposit 3031
shall not cause a court to enter a finding adverse to the board. 3032

Unless otherwise provided by law, in the hearing of the 3033
appeal, the court is confined to the record as certified to it by 3034
the agency. Unless otherwise provided by law, the court may grant 3035
a request for the admission of additional evidence when satisfied 3036
that the additional evidence is newly discovered and could not 3037

give preference to all proceedings under sections 119.01 to 119.13 3041
of the Revised Code, over all other civil cases, irrespective of 3042
the position of the proceedings on the calendar of the court. An 3043

earliest possible time and takes precedence over all other 3051
actions. The hearing in the court of common pleas shall proceed as 3052

rights of the parties in accordance with the laws applicable to a 3054
civil action. At the hearing, counsel may be heard on oral 3055
argument, briefs may be submitted, and evidence may be introduced 3056
if the court has granted a request for the presentation of 3057
additional evidence. 3058

The court may affirm the order of the agency complained of in 3059
the appeal if it finds, upon consideration of the entire record 3060
and any additional evidence the court has admitted, that the order 3061

is supported by reliable, probative, and substantial evidence and 3062
is in accordance with law. In the absence of this finding, it may 3063
reverse, vacate, or modify the order or make such other ruling as 3064
is supported by reliable, probative, and substantial evidence and 3065
is in accordance with law. The court shall award compensation for 3066

prevailing party, other than an agency, in an appeal filed 3068
pursuant to this section. 3069

unless reversed, vacated, or modified on appeal. These appeals may 3071
be taken either by the party or the agency, shall proceed as in 3072
the case of appeals in civil actions, and shall be pursuant to the 3073
Rules of Appellate Procedure and, to the extent not in conflict 3074
with those rules, Chapter 2505. of the Revised Code. An appeal by 3075
the agency shall be taken on questions of law relating to the 3076
constitutionality, construction, or interpretation of statutes and 3077
rules of the agency, and, in the appeal, the court may also review 3078
and determine the correctness of the judgment of the court of 3079
common pleas that the order of the agency is not supported by any 3080
reliable, probative, and substantial evidence in the entire 3081
record. 3082

The court shall certify its judgment to the agency or take 3083
any other action necessary to give its judgment effect. 3084

only at a regular or special meeting for the sole purpose of the 3257
consideration of any of the following matters: 3258

(2) To consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

office; 3307

(7) In the case of a county hospital operated pursuant to 3308
Chapter 339. of the Revised Code, a joint township hospital 3309
operated pursuant to Chapter 513. of the Revised Code, or a 3310

techniques, trade secrets, or personal financial statements of an 3316
applicant for economic development assistance, or to negotiations 3317
with other political subdivisions respecting requests for economic 3318
development assistance, provided that both of the following 3319
conditions apply: 3320

1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 3324

the Revised Code, or that involves public infrastructure 3326
improvements or the extension of utility services that are 3327
directly related to an economic development project. 3328

~~(2)~~(b) A unanimous quorum of the public body determines, by a 3329
roll call vote, that the executive session is necessary to protect 3330
the interests of the applicant or the possible investment or 3331

expenditure of public funds to be made in connection with the 3332
economic development project. 3333

If a public body holds an executive session to consider any 3334
of the matters listed in divisions (G)(2) to (8) of this section, 3335
the motion and vote to hold that executive session shall state 3336
which one or more of the approved matters listed in those 3337
divisions are to be considered at the executive session. 3338

A public body specified in division (B)(1)(c) of this section 3339
shall not hold an executive session when meeting for the purposes 3340
specified in that division. 3341

(H) A resolution, rule, or formal action of any kind is 3342
invalid unless adopted in an open meeting of the public body. A 3343
resolution, rule, or formal action adopted in an open meeting that 3344
results from deliberations in a meeting not open to the public is 3345
invalid unless the deliberations were for a purpose specifically 3346
authorized in division (G) or (J) of this section and conducted at 3347
an executive session held in compliance with this section. A 3348
resolution, rule, or formal action adopted in an open meeting is 3349
invalid if the public body that adopted the resolution, rule, or 3350
formal action violated division (F) of this section. 3351

(I)(1) Any person may bring an action to enforce this 3352
section. An action under division (I)(1) of this section shall be 3353
brought within two years after the date of the alleged violation 3354
or threatened violation. Upon proof of a violation or threatened 3355
violation of this section in an action brought by any person, the 3356
court of common pleas shall issue an injunction to compel the 3357
members of the public body to comply with its provisions. 3358

(2)(a) If the court of common pleas issues an injunction 3359
pursuant to division (I)(1) of this section, the court shall order 3360
the public body that it enjoins to pay a civil forfeiture of five 3361
hundred dollars to the party that sought the injunction and shall 3362

award to that party all court costs and, subject to reduction as 3363
described in division (I)(2) of this section, reasonable 3364
attorney's fees. The court, in its discretion, may reduce an award 3365
of attorney's fees to the party that sought the injunction or not 3366
award attorney's fees to that party if the court determines both 3367
of the following: 3368

(i) That, based on the ordinary application of statutory law 3369
and case law as it existed at the time of violation or threatened 3370
violation that was the basis of the injunction, a well-informed 3371
public body reasonably would believe that the public body was not 3372
violating or threatening to violate this section; 3373

(ii) That a well-informed public body reasonably would 3374
believe that the conduct or threatened conduct that was the basis 3375
of the injunction would serve the public policy that underlies the 3376
authority that is asserted as permitting that conduct or 3377
threatened conduct. 3378

(b) If the court of common pleas does not issue an injunction 3379
pursuant to division (I)(1) of this section and the court 3380
determines at that time that the bringing of the action was 3381
frivolous conduct, as defined in division (A) of section 2323.51 3382
of the Revised Code, the court shall award to the public body all 3383
court costs and reasonable attorney's fees, as determined by the 3384
court. 3385

(3) Irreparable harm and prejudice to the party that sought 3386
the injunction shall be conclusively and irrebuttably presumed 3387
upon proof of a violation or threatened violation of this section. 3388

(4) A member of a public body who knowingly violates an 3389
injunction issued pursuant to division (I)(1) of this section may 3390
be removed from office by an action brought in the court of common 3391
pleas for that purpose by the prosecuting attorney or the attorney 3392
general. 3393

(J)(1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(c) Reviewing matters relating to an applicant's request for financial assistance under sections 5901.01 to 5901.15 of the Revised Code.

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

Sec. 121.372. (A) As used in this section, "substitute care provider" means any of the following:

(1) A community addiction services provider ~~subject to certification under section 5119.36,~~ as defined in section 5119.01

(3) A residential facility subject to licensure under section 3427
5119.34 of the Revised Code; 3428

(4) A residential facility subject to licensure under section 3429

an agreement to establish an office to perform the duties 3434
prescribed by division (C) of this section. The agreement shall 3435
specify one of the departments represented on the council as the 3436
department responsible for housing and supervising the office. The 3437
agreement shall include the recommendation of the council for 3438
funding the office. 3439

(C) The office established pursuant to the agreement entered 3440
into under this section shall review rules governing the 3441
certification and licensure of substitute care providers and 3442
determine which of the rules can be made substantively identical 3443
or more similar in order to minimize the number of differing 3444
certification and licensure standards and simplify the 3445
certification or licensure process for substitute care providers 3446
seeking certification or licensure from two or more of the 3447
departments represented on the council. The office shall provide 3448
county family and children first councils, substitute care 3449
providers, and persons interested in substitute care providers the 3450
opportunity to help the office with the review and determination. 3451
The office shall report its findings to the council. Each of the 3452
departments represented on the council that has adopted rules 3453
governing the certification or licensure of substitute care 3454

providers shall review the report and amend the rules as that 3455
department considers appropriate, except that no rule shall be 3456
amended so as to make it inconsistent with substitute care 3457
provider certification or licensure procedures and standards 3458
established by federal or state law. A department shall give 3459
priority to amendments that will not increase the department's 3460
administrative costs. In amending a rule, a department shall 3461
comply with Chapter 119. or section 111.15 of the Revised Code, as 3462
required by the Revised Code section governing the adoption of the 3463
particular rule. 3464

(D) In accordance with section 124.27 of the Revised Code, 3465
the council shall select a coordinator to oversee the office 3466
established pursuant to the agreement entered into under this 3467

shall not issue any grant before July 1, 2013. 3651

(B) If the director of development services approves an 3652
application for a local organizing committee, endorsing 3653
municipality, or endorsing county and that local organizing 3654
committee, endorsing municipality, or endorsing county enters into 3655
a joinder agreement with a site selection organization, the local 3656
organizing committee, endorsing municipality, or endorsing county 3657
shall file a copy of the joinder agreement with the director. The 3658
grant shall be used exclusively by the local organizing committee, 3659

(E) Within thirty days after the game, the local organizing 3689
committee, endorsing municipality, or endorsing county shall 3690
report to the director of development services about the economic 3691
impact of the game. The report shall be in the form and substance 3692
required by the director, including, but not limited to, a final 3693

judgment, the incremental increase in receipts from the tax 3699
imposed under section 5739.02 of the Revised Code directly 3700

such receipts is less than the projected incremental increase in 3702
receipts, the director may require the local organizing committee, 3703
endorsing municipality, or endorsing county to refund to the state 3704
all or a portion of the grant. 3705

(F) No disbursement may be made under this section if the 3706
director of development services determines that it would be used 3707
for the purpose of soliciting the relocation of a professional 3708
sports franchise located in this state. 3709

(G) This section may not be construed as creating or 3710
requiring a state guarantee of obligations imposed on an endorsing 3711
municipality or endorsing county under a game support contract or 3712
any other agreement relating to hosting one or more games in this 3713
state. 3714

(H) The director may make grants under this section from the 3715
major sporting events site selection fund created in section 3716

~~payroll of at least thirty-five million dollars for the entire~~ 4354
~~term of the credit.~~ 4355

(5) A requirement that the taxpayer annually report to the 4356
director of development services ~~employment, tax withholding~~ 4357
full-time equivalent employees, Ohio employee payroll, capital 4358
investment, and other information the director needs to perform 4359
the director's duties under this section. 4360

(6) A requirement that the director of development services 4361
annually review the annual reports of the taxpayer to verify the 4362
information reported under division (E)(5) of this section and 4363

compliance with the agreement. Upon verification, the director 4364
shall issue a certificate to the taxpayer stating that the 4365
information has been verified and identifying the amount of the 4366
credit for the taxable year or calendar year that includes the tax 4367
period. In determining the number of full-time equivalent 4368
employees, no position shall be counted that is filled by an 4369
employee who is included in the calculation of a tax credit under 4370
section 122.17 of the Revised Code. 4371

(7) A provision providing that the taxpayer may not relocate 4372
a substantial number of employment positions from elsewhere in 4373
this state to the project site unless the director of development 4374
services determines that the taxpayer notified the legislative 4375
authority of the county, township, or municipal corporation from 4376
which the employment positions would be relocated. 4377

For purposes of this section, the movement of an employment 4378
position from one political subdivision to another political 4379
subdivision shall be considered a relocation of an employment 4380
position unless the movement is confined to the project site. The 4381
transfer of an employment position from one political subdivision 4382
to another political subdivision shall not be considered a 4383
relocation of an employment position if the employment position in 4384
the first political subdivision is replaced by another employment 4385
position. 4386

(8) A waiver by the taxpayer of any limitations periods 4387
relating to assessments or adjustments resulting from the 4388
taxpayer's failure to comply with the agreement. 4389

(F) If a taxpayer fails to meet or comply with any condition 4390
or requirement set forth in a tax credit agreement, the tax credit 4391
authority may amend the agreement to reduce the percentage or term 4392
of the credit. The reduction of the percentage or term may take 4393
effect in the current taxable or calendar year. 4394

(G) Financial statements and other information submitted to 4395
the department of development services or the tax credit authority 4396
by an applicant for or recipient of a tax credit under this 4397
section, and any information taken for any purpose from such 4398
statements or information, are not public records subject to 4399
section 149.43 of the Revised Code. However, the chairperson of 4400
the authority may make use of the statements and other information 4401
for purposes of issuing public reports or in connection with court 4402
proceedings concerning tax credit agreements under this section. 4403
Upon the request of the tax commissioner, or the superintendent of 4404
insurance in the case of an insurance company, the chairperson of 4405
the authority shall provide to the commissioner or superintendent 4406
any statement or other information submitted by an applicant for 4407
or recipient of a tax credit in connection with the credit. The 4408
commissioner or superintendent shall preserve the confidentiality 4409
of the statement or other information. 4410

(H) A taxpayer claiming a tax credit under this section shall 4411
submit to the tax commissioner or, in the case of an insurance 4412
company, to the superintendent of insurance, a copy of the 4413
director of development services' certificate of verification 4414
under division (E)(6) of this section with the taxpayer's tax 4415
report or return for the taxable year or for the calendar year 4416
that includes the tax period. Failure to submit a copy of the 4417
certificate with the report or return does not invalidate a claim 4418
for a credit if the taxpayer submits a copy of the certificate to 4419
the commissioner or superintendent within ~~sixty~~ thirty days after 4420
the commissioner or superintendent requests it. 4421

(I) For the purposes of this section, a taxpayer may include 4422
a partnership, a corporation that has made an election under 4423
subchapter S of chapter one of subtitle A of the Internal Revenue 4424
Code, or any other business entity through which income flows as a 4425
distributive share to its owners. A partnership, S-corporation, or 4426

other such business entity may elect to pass the credit received 4427
under this section through to the persons to whom the income or 4428
profit of the partnership, S-corporation, or other entity is 4429
distributed. The election shall be made on the annual report 4430
required under division (E)(5) of this section. The election 4431
applies to and is irrevocable for the credit for which the report 4432
is submitted. If the election is made, the credit shall be 4433
apportioned among those persons in the same proportions as those 4434
in which the income or profit is distributed. 4435

(J)(1) If the director of development services determines 4436
that a taxpayer that received a certificate under division (E)(6) 4437
of this section is not complying with the ~~requirement under~~ 4438
~~division (E)(3) of this section~~ requirements of the agreement, the 4439
director shall notify the tax credit authority of the 4440
noncompliance. After receiving such a notice, and after giving the 4441
taxpayer an opportunity to explain the noncompliance, the 4442
authority may terminate the agreement and require the taxpayer, or 4443
any related member or members that claimed the tax credit under 4444
division (N) of this section, to refund to the state all or a 4445
portion of the credit claimed in previous years, as follows: 4446

~~(1)~~(a) If the taxpayer fails to comply with the requirement 4447
under division (E)(3) of this section, an amount determined in 4448
accordance with the following: 4449

(i) If the taxpayer maintained operations at the project site 4450
for less than or equal to the term of the credit, an amount not to 4451
exceed one hundred per cent of the sum of any tax credits allowed 4452
and received under this section. 4453

~~(2)~~(ii) If the taxpayer maintained operations at the project 4454
site longer than the term of the credit, but less than the greater 4455
of ~~(a)~~ seven years or the term of the credit plus three years, ~~or~~ 4456
~~(b) seven years~~, the amount required to be refunded shall not 4457
exceed seventy-five per cent of the sum of any tax credits allowed 4458

and received under this section. 4459

(b) If the taxpayer fails to substantially maintain both the number of full-time equivalent employees and the amount of Ohio employee payroll required under the agreement at any time during the term of the agreement or during the post-term reporting period, an amount determined at the discretion of the authority. 4460
4461
4462
4463
4464

(2) If a taxpayer files for bankruptcy and fails as described in division (J)(1)(a) or (b) of this section, the director may immediately commence an action to recoup an amount not exceeding one hundred per cent of the sum of any credits received by the taxpayer under this section. 4465
4466
4467
4468
4469

(3) In determining the portion of the credit to be refunded to this state, the authority shall consider the effect of market conditions on the taxpayer's project and whether the taxpayer continues to maintain other operations in this state. After making the determination, the authority shall certify the amount to be refunded to the tax commissioner or the superintendent of insurance. If the taxpayer, or any related member or members who claimed the tax credit under division (N) of this section, is not an insurance company, the commissioner shall make an assessment for that amount against the taxpayer under Chapter 5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the taxpayer, or any related member or members that claimed the tax credit under division (N) of this section, is an insurance company, the superintendent of insurance shall make an assessment under section 5725.222 or 5729.102 of the Revised Code. The time limitations on assessments under those chapters and sections do not apply to an assessment under this division, but the commissioner or superintendent shall make the assessment within one year after the date the authority certifies to the commissioner or superintendent the amount to be refunded. 4470

(K) The director of development services, after consultation 4490

with the tax commissioner and the superintendent of insurance and 4491
in accordance with Chapter 119. of the Revised Code, shall adopt 4492
rules necessary to implement this section. The rules may provide 4493
for recipients of tax credits under this section to be charged 4494
fees to cover administrative costs of the tax credit program. The 4495
fees collected shall be credited to the business assistance fund 4496
created in section 122.174 of the Revised Code. At the time the 4497
director gives public notice under division (A) of section 119.03 4498
of the Revised Code of the adoption of the rules, the director 4499
shall submit copies of the proposed rules to the chairpersons of 4500
the standing committees on economic development in the senate and 4501
the house of representatives. 4502

(L) On or before the first day of August of each year, the 4503
director of development services shall submit a report to the 4504
governor, the president of the senate, and the speaker of the 4505
house of representatives on the tax credit program under this 4506
section. The report shall include information on the number of 4507
agreements that were entered into under this section during the 4508
preceding calendar year, a description of the project that is the 4509
subject of each such agreement, and an update on the status of 4510
projects under agreements entered into before the preceding 4511
calendar year. 4512

(M)~~(1)~~ The aggregate amount of nonrefundable tax credits 4513
issued under ~~division (B)(1)~~ of this section during any calendar 4514
year for capital investment projects reviewed and approved by the 4515
tax credit authority may not exceed the following amounts: 4516

~~(a)~~(1) For 2010, thirteen million dollars; 4517

~~(b)~~(2) For 2011 through 2023, the amount of the limit for the 4518
preceding calendar year plus thirteen million dollars; 4519

~~(c)~~(3) For 2024 and each year thereafter, one hundred 4520
ninety-five million dollars. 4521

~~(2) The aggregate amount of tax credits authorized under 4522
divisions (B)(2) and (3) of this section and allowed to be claimed 4523
by taxpayers in any calendar year for capital improvement projects 4524
reviewed and approved by the tax credit authority in 2011, 2012, 4525
and 2013 combined shall not exceed twenty five million dollars. An 4526
amount equal to the aggregate amount of credits first authorized 4527
in calendar year 2011, 2012, and 2013 may be claimed over the 4528
ensuing period up to fifteen years, subject to the terms of 4529
individual tax credit agreements. 4530~~

The limitations in division (M) of this section do not apply 4531
to credits for capital investment projects approved by the tax 4532
credit authority before July 1, 2009. 4533

(N) This division applies only to an eligible business that 4534
is part of an affiliated group that includes a diversified savings 4535
and loan holding company or a grandfathered unitary savings and 4536
loan holding company, as those terms are defined in section 4537
5726.01 of the Revised Code. Notwithstanding any contrary 4538
provision of the agreement between such an eligible business and 4539
the tax credit authority, any credit granted under this section 4540
against the tax imposed by section 5725.18, 5729.03, 5733.06, 4541
5747.02, or 5751.02 of the Revised Code to the eligible business, 4542
at the election of the eligible business and without any action by 4543
the tax credit authority, may be shared with any member or members 4544
of the affiliated group that includes the eligible business, which 4545
member or members may claim the credit against the taxes imposed 4546
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02 4547
of the Revised Code. Credits shall be claimed by the eligible 4548
business in sequential order, as applicable, first claiming the 4549
credits to the fullest extent possible against the tax that the 4550
certificate holder is subject to, then against the tax imposed by, 4551
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 4552
lastly 5726.02 of the Revised Code. The credits may be allocated 4553

among the members of the affiliated group in such manner as the 4554
eligible business elects, but subject to the sequential order 4555
required under this division. This division applies to credits 4556
granted before, on, or after March 27, 2013, the effective date of 4557
H.B. 510 of the 129th general assembly. Credits granted before 4558
that effective date that are shared and allocated under this 4559
division may be claimed in those calendar years in which the 4560
remaining taxable years specified in the agreement end. 4561

As used in this division, "affiliated group" means a group of 4562
two or more persons with fifty per cent or greater of the value of 4563
each person's ownership interests owned or controlled directly, 4564
indirectly, or constructively through related interests by common 4565
owners during all or any portion of the taxable year, and the 4566
common owners. "Affiliated group" includes, but is not limited to, 4567
any person eligible to be included in a consolidated elected 4568
taxpayer group under section 5751.011 of the Revised Code or a 4569
combined taxpayer group under section 5751.012 of the Revised 4570
Code. 4571

(0) Upon the request of a taxpayer subject to an agreement 4572
approved under this section before the effective date of this 4573
division, the tax credit authority shall amend the agreement as 4574
follows: 4575

(1) The percentage of income tax revenue allowed as the 4576
amount of the credit shall be decreased by the same percentage 4577
that the income tax rates prescribed by section 5747.02 of the 4578
Revised Code have decreased since June 30, 2013, or the effective 4579
date of the agreement, whichever is later. The tax credit 4580
percentage shall thereafter be annually adjusted to account for 4581
any decreases in such income tax rates applicable to subsequent 4582
taxable years. 4583

(2) If the agreement requires the taxpayer to attain a 4584
threshold level of income tax revenue, as that term was defined in 4585

this section before its amendment by H.B. 64 of the 131st general assembly, the threshold shall be decreased by the same percentage that the income tax rates prescribed by section 5747.02 of the Revised Code have decreased since June 30, 2013, or the effective date of the agreement, whichever is later. The threshold shall thereafter be annually adjusted to account for any decreases in such income tax rates applicable to subsequent taxable years.

Agreements amended under this division shall otherwise remain subject to this section as it existed before its amendment by H.B. 64 of the 131st general assembly. Amendments authorized under this division apply to taxable years and calendar years ending on or after the effective date of the amendment.

Sec. 122.174. There is hereby created in the state treasury the business assistance fund. The fund shall consist of any amounts appropriated to it and money credited to the fund pursuant to division (I) of section 121.17, division (K) of section 122.171, division (K) of section 122.175, division (G)(2) of section 122.85, division (C) of section 3735.672, and division (C) of section 5709.68 of the Revised Code. The director of development services shall use money in the fund to pay expenses related to the administration of the business services division of the development services agency.

(5) "Eligible computer data center" means a computer data 4642
center that satisfies all of the following requirements: 4643

(a) One or more taxpayers operating a computer data center 4644
business at the project site will, in the aggregate, make payments 4645

for a capital investment project of at least one hundred million 4646
dollars at the project site during a period of three consecutive 4647
calendar years; 4648

(b) One or more taxpayers operating a computer data center 4649
business at the project site will, in the aggregate, pay annual 4650
compensation that is subject to the withholding obligation imposed 4651

Revised Code the sale, storage, use, or other consumption of 4666
computer data center equipment used or to be used at an eligible 4667
computer data center. Any such exemption shall extend to charges 4668
for the delivery, installation, or repair of the computer data 4669
center equipment subject to the exemption under this section. 4670

(C) A taxpayer that proposes a capital improvement project 4671
for an eligible computer data center in this state may apply to 4672
the tax credit authority to enter into an agreement under this 4673
section authorizing a complete or partial exemption from the taxes 4674
imposed under Chapters 5739. and 5741. of the Revised Code on 4675
computer data center equipment purchased by the applicant or any 4676

other taxpayer that operates a computer data center business at 4677
the project site and used or to be used at the eligible computer 4678
data center. The director of development services shall prescribe 4679
the form of the application. After receipt of an application, the 4680
authority shall forward copies of the application to the director 4681
of budget and management, and the tax commissioner, ~~and the~~ 4682
~~director of development services,~~ each of whom shall review the 4683
application to determine the economic impact that the proposed 4684
eligible computer data center would have on the state and any 4685

summary of their determinations ~~and recommendations.~~ The authority 4687
shall also forward a copy of the application to the director of 4688
development services who shall review the application to determine 4689
the economic impact that the proposed eligible computer data 4690
center would have on the state and the affected political 4691
subdivisions and shall submit a summary of their determinations 4692
and recommendations to the authority. 4693

(D) Upon review and consideration of such determinations and 4694
recommendations, the tax credit authority may enter into an 4695
agreement with the applicant and any other taxpayer that operates 4696
a computer data center business at the project site for a complete 4697
or partial exemption from the taxes imposed under Chapters 5739. 4698
and 5741. of the Revised Code on computer data center equipment 4699
used or to be used at an eligible computer data center if the 4700
authority determines all of the following: 4701

(1) The capital investment project for the eligible computer 4702

to be withheld from employee compensation pursuant to section 4704
5747.06 of the Revised Code. 4705

(2) The applicant is economically sound and has the ability 4706
to complete or effect the completion of the proposed capital 4707
investment project. 4708

(3) The applicant intends to and has the ability to maintain operations at the project site for the term of the agreement.

(4) Receiving the exemption is a major factor in the applicant's decision to begin, continue with, or complete the capital investment project.

(E) An agreement entered into under this section shall include all of the following:

(1) A detailed description of the capital investment project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the annual compensation to be paid by each taxpayer subject to the agreement to its employees at the project site, and the anticipated amount of income taxes to be withheld from employee compensation pursuant to section 5747.06 of the Revised Code.

(2) The percentage of the exemption from the taxes imposed under Chapters 5739. and 5741. of the Revised Code for the computer data center equipment used or to be used at the eligible computer data center, the length of time the computer data center equipment will be exempted, and the first date on which the exemption applies.

(3) A requirement that the computer data center remain an eligible computer data center during the term of the agreement and that the applicant maintain operations at the eligible computer data center during that term. An applicant does not violate the requirement described in division (E)(3) of this section if the applicant ceases operations at the eligible computer data center during the term of the agreement but resumes those operations within eighteen months after the date of cessation. The agreement shall provide that, in such a case, the applicant and any other taxpayer that operates a computer data center business at the

project site shall not claim the tax exemption authorized in the 4740
agreement for any purchase of computer data center equipment made 4741
during the period in which the applicant did not maintain 4742
operations at the eligible computer data center. 4743

(4) A requirement that, for each year of the term of the 4744
agreement beginning on or after the first day of the twenty-fifth 4745
month after the date the agreement was entered into, one or more 4746
taxpayers operating a computer data center business at the project 4747
site will, in the aggregate, pay annual compensation that is 4748
subject to the withholding obligation imposed under section 4749
5747.06 of the Revised Code of at least one million five hundred 4750
thousand dollars to employees at the eligible computer data 4751
center. 4752

(5) A requirement that each taxpayer subject to the agreement 4753
annually report to the director of development services 4754
employment, tax withholding, capital investment, and other 4755
information required by the director to perform the director's 4756
duties under this section. 4757

(6) A requirement that the director of development services 4758
annually review the annual reports of each taxpayer subject to the 4759
agreement to verify the information reported under division (E)(5) 4760
of this section and compliance with the agreement. Upon 4761
verification, the director shall issue a certificate to each such 4762
taxpayer stating that the information has been verified and that 4763
the taxpayer remains eligible for the exemption specified in the 4764
agreement. 4765

(7) A provision providing that the taxpayers subject to the 4766
agreement may not relocate a substantial number of employment 4767
positions from elsewhere in this state to the project site unless 4768
the director of development services determines that the 4769
appropriate taxpayer notified the legislative authority of the 4770
county, township, or municipal corporation from which the 4771

employment positions would be relocated. For purposes of this 4772
paragraph, the movement of an employment position from one 4773
political subdivision to another political subdivision shall be 4774
considered a relocation of an employment position unless the 4775
movement is confined to the project site. The transfer of an 4776
employment position from one political subdivision to another 4777
political subdivision shall not be considered a relocation of an 4778
employment position if the employment position in the first 4779
political subdivision is replaced by another employment position. 4780

(8) A waiver by each taxpayer subject to the agreement of any 4781
limitations periods relating to assessments or adjustments 4782
resulting from the taxpayer's failure to comply with the 4783
agreement. 4784

(F) The term of an agreement under this section shall be 4785
determined by the tax credit authority, and the amount of the 4786
exemption shall not exceed one hundred per cent of such taxes that 4787
would otherwise be owed in respect to the exempted computer data 4788
center equipment. 4789

(G) If any taxpayer subject to an agreement under this 4790
section fails to meet or comply with any condition or requirement 4791
set forth in the agreement, the tax credit authority may amend the 4792
agreement to reduce the percentage of the exemption or term during 4793
which the exemption applies to the computer data center equipment 4794
used or to be used by the noncompliant taxpayer at an eligible 4795
computer data center. The reduction of the percentage or term may 4796
take effect in the current calendar year. 4797

(H) Financial statements and other information submitted to 4798
the department of development services or the tax credit authority 4799
by an applicant for or recipient of an exemption under this 4800
section, and any information taken for any purpose from such 4801
statements or information, are not public records subject to 4802
section 149.43 of the Revised Code. However, the chairperson of 4803

the authority may make use of the statements and other information 4804
for purposes of issuing public reports or in connection with court 4805
proceedings concerning tax exemption agreements under this 4806
section. Upon the request of the tax commissioner, the chairperson 4807
of the authority shall provide to the tax commissioner any 4808
statement or other information submitted by an applicant for or 4809
recipient of an exemption under this section. The tax commissioner 4810
shall preserve the confidentiality of the statement or other 4811
information. 4812

(I) The tax commissioner shall issue a direct payment permit 4813
under section 5739.031 of the Revised Code to each taxpayer 4814
subject to an agreement under this section. Such direct payment 4815
permit shall authorize the taxpayer to pay any sales and use taxes 4816
due on purchases of computer data center equipment used or to be 4817
used in an eligible computer data center and to pay any sales and 4818
use taxes due on purchases of tangible personal property or 4819
taxable services other than computer data center equipment used or 4820
to be used in an eligible computer data center directly to the tax 4821
commissioner. Each such taxpayer shall pay pursuant to such direct 4822
payment permit all sales tax levied on such purchases under 4823
sections 5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of 4824
the Revised Code and all use tax levied on such purchases under 4825
sections 5741.02, 5741.021, 5741.022, ~~and 5741.023,~~ and 5741.024 4826
of the Revised Code, consistent with the terms of the agreement 4827
entered into under this section. 4828

During the term of an agreement under this section each 4829
taxpayer subject to the agreement shall submit to the tax 4830
commissioner a return that shows the amount of computer data 4831
center equipment purchased for use at the eligible computer data 4832
center, the amount of tangible personal property and taxable 4833
services other than computer data center equipment purchased for 4834
use at the eligible computer data center, the amount of tax under 4835

Chapter 5739. or 5741. of the Revised Code that would be due in 4836
the absence of the agreement under this section, the exemption 4837
percentage for computer data center equipment specified in the 4838
agreement, and the amount of tax due under Chapter 5739. or 5741. 4839
of the Revised Code as a result of the agreement under this 4840
section. Each such taxpayer shall pay the tax shown on the return 4841
to be due in the manner and at the times as may be further 4842
prescribed by the tax commissioner. Each such taxpayer shall 4843
include a copy of the director of development services' 4844
certificate of verification issued under division (E)(6) of this 4845
section. Failure to submit a copy of the certificate with the 4846
return does not invalidate the claim for exemption if the taxpayer 4847
submits a copy of the certificate to the tax commissioner within 4848
sixty days after the tax commissioner requests it. 4849

(J) If the director of development services determines that 4850
one or more taxpayers received an exemption from taxes due on the 4851
purchase of computer data center equipment purchased for use at a 4852
computer data center that no longer complies with the requirement 4853
under division (E)(3) of this section, the director shall notify 4854
the tax credit authority and, if applicable, the taxpayer that 4855
applied to enter the agreement for the exemption under division 4856
(C) ~~if~~ of this section of the noncompliance. After receiving such 4857
a notice, and after giving each taxpayer subject to the agreement 4858
an opportunity to explain the noncompliance, the authority may 4859
terminate the agreement and require each such taxpayer to pay to 4860
the state all or a portion of the taxes that would have been owed 4861
in regards to the exempt equipment in previous years, all as 4862
determined under rules adopted pursuant to division (K) of this 4863
section. In determining the portion of the taxes that would have 4864
been owed on the previously exempted equipment to be paid to this 4865
state by a taxpayer, the authority shall consider the effect of 4866
market conditions on the eligible computer data center, whether 4867
the taxpayer continues to maintain other operations in this state, 4868

and, with respect to agreements involving multiple taxpayers, the taxpayer's level of responsibility for the noncompliance. After making the determination, the authority shall certify to the tax commissioner the amount to be paid by each taxpayer subject to the agreement. The tax commissioner shall make an assessment for that amount against each such taxpayer under Chapter 5739. or 5741. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the tax commissioner shall make the assessment within one year after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the business assistance fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the first day of August of each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax exemption authorized under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the eligible computer data center that is the subject of each such agreement, and an

update on the status of eligible computer data centers under 4901
agreements entered into before the preceding calendar year. 4902

(M) A taxpayer may be made a party to an existing agreement 4903
entered into under this section by the tax credit authority and 4904
another taxpayer or group of taxpayers. In such a case, the 4905
taxpayer shall be entitled to all benefits and bound by all 4906
obligations contained in the agreement and all requirements 4907
described in this section. When an agreement includes multiple 4908
taxpayers, each taxpayer shall be entitled to a direct payment 4909
permit as authorized in division (I) of this section. 4910

Sec. 122.177. (A) As used in this section: 4911

the Revised Code. 4914

(2) "Career exploration internship" means a paid employment 4915
relationship between a student intern and a business in which the 4916
student intern acquires education, instruction, and experience 4917
relevant to the student intern's career aspirations. 4918

(3) "Student intern" means an individual who, at the time the 4919
business applies for a grant under division (B) of this section, 4920
meets both of the following criteria: 4921

(a) The individual is entitled to attend school in this 4922
state. 4923

(b) The individual is either between sixteen and eighteen 4924
years of age or is enrolled in grade eleven or twelve. 4925

(B) There is hereby created in the development services 4926
agency the career exploration internship program to award grants 4927
to businesses that employ a student intern in a career exploration 4928
internship. To qualify for a grant under the program, the career 4929
exploration internship shall be at least twenty weeks in duration 4930

and include at least two hundred hours of paid work and 4931
instruction in this state. To obtain a grant, the business shall 4932
apply to the development services agency before the starting date 4933
of the career exploration internship. The application shall 4934
include all of the following: 4935

(1) A brief description of the career exploration internship; 4936

(2) A signed statement by the student intern briefly 4937
describing the student intern's career aspirations and how the 4938
student intern believes this career exploration internship may 4939
help achieve those aspirations; 4940

(3) A signed statement by a principal or guidance counselor 4941
at the student intern's school or, in the case of a home schooled 4942

division (E) of this section; 4947

(4) The name, address, and telephone number of the business; 4948

does not have substantial operations in this state. The agency may 4958
not otherwise deny an application unless the application is 4959
incomplete, the proposed employment relationship does not qualify 4960
as a career exploration internship for which a grant may be 4961

awarded under this section, the business is ineligible to receive 4962
a grant under division (D)(1) of this section, or the agency 4963
determines that approving the application would cause the amount 4964
that could be awarded to exceed the amount of money in the career 4965
exploration internship fund. 4966

(2) The agency shall send written notice of its determination 4967
to the applicant within thirty days after receiving the 4968
application. If the agency determines that the application shall 4969
not be approved, the notice shall include the reasons for such 4970
determination. 4971

(3) The agency's determination is final and may not be 4972
appealed for any reason. A business may submit a new or amended 4973
application under division (B) of this section at any time before 4974
or after receiving notice under division (C)(2) of this section. 4975

shall not award grants under this section to any business that has 4977
received grants for three career exploration internships in that 4978
calendar year. The agency shall not award a grant to a business 4979
unless the agency receives a report from the business within 4980
thirty days after the end of the career exploration internship or 4981
thirteen months after the approval of the application, whichever 4982
comes first, that includes all of the following: 4983

(a) The date the student intern began the internship; 4984

(b) The date the internship ended or a statement that the 4985
student will continue to be employed by the business; 4986

describing the duties performed during the internship and the 4992
skills and experiences gained throughout the internship; 4993

(f) Any other information required by the agency. 4994

(2) If the agency receives the report and determines that it 4995
contains all of the information and the statement required by 4996
division (D)(1) of this section and that the career exploration 4997
internship described in the report complies with all the 4998
provisions of this section, the agency shall award a grant to the 4999
business. The amount of the grant shall equal the lesser of the 5000
following: 5001

(a) Fifty per cent of the wages paid by the business to the 5002
student intern for the first twelve months following the date the 5003
application was approved; 5004

in division (B)(3) of this section shall meet at least once in the 5008
thirty days following the end of the career exploration internship 5009
or in the thirteenth month following the start of the career 5010
exploration internship, whichever comes first. The purpose of the 5011
meeting is to discuss the student intern's experiences during the 5012
career exploration internship, consider the practical applications 5013
of these experiences to the student intern's career aspirations, 5014
and to establish or confirm goals for the student intern. If 5015
practicable, the meeting shall be in person. Otherwise, the 5016
meeting may be conducted over the telephone. 5017

(F) A business that receives a grant under this section may 5018
submit a new application under division (B) of this section for 5019
another career exploration internship with the same student 5020
intern. Such an application does not have to include the 5021
statements otherwise required by divisions (B)(2) and (3) of this 5022

section. 5023

(G) Annually, ~~before on~~ the ~~seventh~~ first day of January 5024
August until ~~the January of the third year that follows the year~~ 5025

compile a report indicating the number of career exploration 5028
internships approved by the agency under this section, the 5029
statements issued by the student interns under divisions (B)(2) 5030
and (D)(1)(e) of this section, the number of student interns that 5031
continued employment with the business after the termination of 5032
the career exploration internship, and the total amount of grants 5033
awarded under this section. The report shall not disclose any 5034
student interns' personally identifiable information. The agency 5035
shall provide copies of the report to the governor, the speaker 5036
and minority leader of the house of representatives, and the 5037
president and minority leader of the senate. 5038

(H) The development services agency may adopt rules necessary 5039
to administer this section in accordance with Chapter 119. of the 5040
Revised Code. 5041

(I) The career exploration internship fund is hereby created 5042
in the state treasury. The fund shall consist of a portion of the 5043
proceeds from the upfront license fees paid for the casino 5044
facilities authorized under Section 6(C) of Article XV, Ohio 5045
Constitution. Money in the fund shall be used by the development 5046
services agency to provide grants under this section. 5047

| (C)(1) A motion picture company whose motion picture has been | 5175 |

certified as a tax credit-eligible production may apply to the 5176

consultation with the tax commissioner shall prescribe the form 5180
and manner of the application and the information or documentation 5181
required to be submitted with the application. 5182

The credit is determined as follows: 5183

(a) If the total budgeted eligible production expenditures 5184
stated in the application submitted under division (B) of this 5185
section or the actual eligible production expenditures as finally 5186
determined under division (D) of this section, whichever is least, 5187
is less than or equal to three hundred thousand dollars, no credit 5188
is allowed; 5189

(b) If the total budgeted eligible production expenditures 5190
stated in the application submitted under division (B) of this 5191
section or the actual eligible production expenditures as finally 5192
determined under division (D) of this section, whichever is least, 5193
is greater than three hundred thousand dollars, the credit equals 5194
the sum of the following, subject to the limitation in division 5195
(C)(4) of this section: 5196

(i) Twenty-five per cent of the least of such budgeted or 5197
actual eligible expenditure amounts excluding budgeted or actual 5198
eligible expenditures for resident cast and crew wages; 5199

(ii) Thirty-five per cent of budgeted or actual eligible 5200
expenditures for resident cast and crew wages. 5201

(2) Except as provided in division (C)(4) of this section, if 5202
the director of development services approves a motion picture 5203
company's application for a credit, the director shall issue a tax 5204
credit certificate to the company. The director in consultation 5205
with the tax commissioner shall prescribe the form and manner of 5206

issuing certificates. The director shall assign a unique 5207
identifying number to each tax credit certificate and shall record 5208
the certificate in a register devised and maintained by the 5209
director for that purpose. The certificate shall state the amount 5210
of the eligible production expenditures on which the credit is 5211
based and the amount of the credit. Upon the issuance of a 5212
certificate, the director shall certify to the tax commissioner 5213
the name of the applicant, the amount of eligible production 5214
expenditures shown on the certificate, and any other information 5215
required by the rules adopted to administer this section. 5216

(3) The amount of eligible production expenditures for which 5217
a tax credit may be claimed is subject to inspection and 5218
examination by the tax commissioner or employees of the 5219
commissioner under section 5703.19 of the Revised Code and any 5220
other applicable law. Once the eligible production expenditures 5221
are finally determined under section 5703.19 of the Revised Code 5222
and division (D) of this section, the credit amount is not subject 5223
to adjustment unless the director determines an error was 5224
committed in the computation of the credit amount. 5225

(4) No tax credit certificate may be issued before the 5226
completion of the tax credit-eligible production. Not more than 5227
forty million dollars of tax credit may be allowed per fiscal 5228
biennium beginning on or after July 1, 2011, and not more than 5229
twenty million dollars may be allowed in the first year of the 5230
biennium. At any time, not more than five million dollars of tax 5231
credit may be allowed per tax credit-eligible production. 5232

(D) A motion picture company whose motion picture has been 5233
certified as a tax credit-eligible production shall engage, at the 5234
company's expense, an independent certified public accountant to 5235
examine the company's production expenditures to identify the 5236
expenditures that qualify as eligible production expenditures. The 5237
certified public accountant shall issue a report to the company 5238

and to the director of development services certifying the 5239
company's eligible production expenditures and any other 5240
information required by the director. Upon receiving and examining 5241
the report, the director may disallow any expenditure the director 5242
determines is not an eligible production expenditure. If the 5243
director disallows an expenditure, the director shall issue a 5244
written notice to the motion picture production company stating 5245
that the expenditure is disallowed and the reason for the 5246
disallowance. Upon examination of the report and disallowance of 5247
any expenditures, the director shall determine finally the lesser 5248
of the total budgeted eligible production expenditures stated in 5249
the application submitted under division (B) of this section or 5250
the actual eligible production expenditures for the purpose of 5251
computing the amount of the credit. 5252

manager of the facility provides contractual commitments from a 5695
national or international professional tennis organization in a 5696
form acceptable to the Ohio facilities construction commission 5697
that assures that one or more sanctioned professional tennis 5698
events will be presented at the facility during each year that the 5699
bonds remain outstanding. 5700

Sec. 124.14. (A)(1) The director of administrative services 5701
shall establish, and may modify or rescind, ~~by rule,~~ a job 5702
classification plan for all positions, offices, and employments in 5703
the service of the state. The director shall group jobs within a 5704
classification so that the positions are similar enough in duties 5705
and responsibilities to be described by the same title, to have 5706
the same pay assigned with equity, and to have the same 5707
qualifications for selection applied. The director shall, ~~by rule,~~ 5708
assign a classification title to each classification within the 5709
classification plan. However, the director shall consider in 5710
establishing classifications, including classifications with 5711
parenthetical titles, and assigning pay ranges such factors as 5712
duties performed only on one shift, special skills in short supply 5713
in the labor market, recruitment problems, separation rates, 5714
comparative salary rates, the amount of training required, and 5715
other conditions affecting employment. The director shall describe 5716
the duties and responsibilities of the class, establish the 5717
qualifications for being employed in each position in the class, 5718
and file with the secretary of state a copy of specifications for 5719
all of the classifications. The director shall file new, 5720
additional, or revised specifications with the secretary of state 5721
before they are used. 5722

The director shall, ~~by rule,~~ assign each classification, 5723
either on a statewide basis or in particular counties or state 5724
institutions, to a pay range established under section 124.15 or 5725
section 124.152 of the Revised Code. The director may assign a 5726
classification to a pay range on a temporary basis for a period of 5727
six months. The director may establish, ~~by rule adopted under~~ 5728
~~Chapter 119. of the Revised Code,~~ experimental classification 5729
plans for some or all employees paid directly by warrant of the 5730
director of budget and management. The rule Any such experimental 5731
classification plan shall include specifications for each 5732

classification within the plan and shall specifically address 5733
compensation ranges, and methods for advancing within the ranges, 5734
for the classifications, which may be assigned to pay ranges other 5735
than the pay ranges established under section 124.15 or 124.152 of 5736
the Revised Code. 5737

(2) The director of administrative services may reassign to a 5738
proper classification those positions that have been assigned to 5739
an improper classification. If the compensation of an employee in 5740
such a reassigned position exceeds the maximum rate of pay for the 5741
employee's new classification, the employee shall be placed in pay 5742
step X and shall not receive an increase in compensation until the 5743
maximum rate of pay for that classification exceeds the employee's 5744
compensation. 5745

(3) The director may reassign an exempt employee, as defined 5746
in section 124.152 of the Revised Code, to a bargaining unit 5747
classification if the director determines that the bargaining unit 5748
classification is the proper classification for that employee. 5749
Notwithstanding Chapter 4117. of the Revised Code or instruments 5750
and contracts negotiated under it, these placements are at the 5751
director's discretion. 5752

(4) The director shall, ~~by rule,~~ assign related 5753
classifications, which form a career progression, to a 5754
classification series. The director shall, ~~by rule,~~ assign each 5755
classification in the classification plan a five-digit number, the 5756
first four digits of which shall denote the classification series 5757
to which the classification is assigned. When a career progression 5758
encompasses more than ten classifications, the director shall, ~~by~~ 5759
~~rule,~~ identify the additional classifications belonging to a 5760
classification series. The additional classifications shall be 5761
part of the classification series, notwithstanding the fact that 5762
the first four digits of the number assigned to the additional 5763
classifications do not correspond to the first four digits of the 5764

numbers assigned to other classifications in the classification series. 5765
5766

(2) When the director proposes to reclassify any employee in the service of the state so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range, and salary. Upon the request of any classified employee in the service of the state who is not serving in a probationary period, the director shall perform a job audit to review the classification of the employee's position to determine whether the position is properly classified. An employee or appointing authority desiring a hearing shall file a written request for the hearing with the state personnel board of review within thirty days after receiving the notice. The board shall set the matter for a hearing and notify the employee and appointing authority of the time and place of the hearing. The employee, the appointing authority, or any authorized representative of the employee who wishes to submit facts for the consideration of the board shall be afforded reasonable opportunity to do so. After the hearing, the board shall consider anew the reclassification and may order the reclassification of the employee and require the director to assign the employee to such appropriate classification as the facts and evidence warrant. As provided in division (A)(1) of section 124.03 of the Revised Code, the board may determine the most appropriate classification for the position of any employee coming before the board, with or without a job audit. The board shall disallow any reclassification or reassignment classification of any employee when it finds that changes have been made in the duties and responsibilities of any particular employee for political, religious, or other unjust reasons.

(E)(1) Employees of each county department of job and family

services shall be paid a salary or wage established by the board 5828
of county commissioners. The provisions of section 124.18 of the 5829
Revised Code concerning the standard work week apply to employees 5830

(a) Notwithstanding any other section of the Revised Code, 5833
supplement the sick leave, vacation leave, personal leave, and 5834
other benefits of any employee of the county department of job and 5835
family services of that county, if the employee is eligible for 5836
the supplement under a written policy providing for the 5837
supplement; 5838

(b) Notwithstanding any other section of the Revised Code, 5839
establish alternative schedules of sick leave, vacation leave, 5840
personal leave, or other benefits for employees not inconsistent 5841
with the provisions of a collective bargaining agreement covering 5842
the affected employees. 5843

(2) Division (E)(1) of this section does not apply to 5844
employees for whom the state employment relations board 5845
establishes appropriate bargaining units pursuant to section 5846
4117.06 of the Revised Code, except in either of the following 5847
situations: 5848

(a) The employees for whom the state employment relations 5849
board establishes appropriate bargaining units elect no 5850
representative in a board-conducted representation election. 5851

(b) After the state employment relations board establishes 5852
appropriate bargaining units for such employees, all employee 5853
organizations withdraw from a representation election. 5854

(F)(1) Notwithstanding any contrary provision of sections 5855
124.01 to 124.64 of the Revised Code, the board of trustees of 5856
each state university or college, as defined in section 3345.12 of 5857
the Revised Code, shall carry out all matters of governance 5858

involving the officers and employees of the university or college, 5859
including, but not limited to, the powers, duties, and functions 5860
of the department of administrative services and the director of 5861
administrative services specified in this chapter. Officers and 5862
employees of a state university or college shall have the right of 5863
appeal to the state personnel board of review as provided in this 5864
chapter. 5865

(2) Each board of trustees shall adopt rules under section 5866
111.15 of the Revised Code to carry out the matters of governance 5867
described in division (F)(1) of this section. Until the board of 5868
trustees adopts those rules, a state university or college shall 5869
continue to operate pursuant to the applicable rules adopted by 5870
the director of administrative services under this chapter. 5871

(G)(1) Each board of county commissioners may, by a 5872
resolution adopted by a majority of its members, establish a 5873
county personnel department to exercise the powers, duties, and 5874
functions specified in division (G) of this section. As used in 5875
division (G) of this section, "county personnel department" means 5876
a county personnel department established by a board of county 5877
commissioners under division (G)(1) of this section. 5878

(2)(a) Each board of county commissioners, by a resolution 5879
adopted by a majority of its members, may designate the county 5880
personnel department of the county to exercise the powers, duties, 5881
and functions specified in sections 124.01 to 124.64 and Chapter 5882
325. of the Revised Code with regard to employees in the service 5883
of the county, except for the powers and duties of the state 5884
personnel board of review, which powers and duties shall not be 5885
construed as having been modified or diminished in any manner by 5886
division (G)(2) of this section, with respect to the employees for 5887
whom the board of county commissioners is the appointing authority 5888
or co-appointing authority. 5889

(b) Nothing in division (G)(2) of this section shall be 5890

construed to limit the right of any employee who possesses the 5891
right of appeal to the state personnel board of review to continue 5892
to possess that right of appeal. 5893

(c) Any board of county commissioners that has established a 5894
county personnel department may contract with the department of 5895
administrative services, in accordance with division (H) of this 5896
section, another political subdivision, or an appropriate public 5897
or private entity to provide competitive testing services or other 5898
appropriate services. 5899

(3) After the county personnel department of a county has 5900
been established as described in division (G)(2) of this section, 5901
any elected official, board, agency, or other appointing authority 5902
of that county, upon written notification to the county personnel 5903
department, may elect to use the services and facilities of the 5904
county personnel department. Upon receipt of the notification by 5905
the county personnel department, the county personnel department 5906
shall exercise the powers, duties, and functions as described in 5907
division (G)(2) of this section with respect to the employees of 5908
that elected official, board, agency, or other appointing 5909
authority. 5910

(4) Each board of county commissioners, by a resolution 5911
adopted by a majority of its members, may disband the county 5912
personnel department. 5913

(5) Any elected official, board, agency, or appointing 5914
authority of a county may end its involvement with a county 5915
personnel department upon actual receipt by the department of a 5916
certified copy of the notification that contains the decision to 5917
no longer participate. 5918

(6) A county personnel department, in carrying out its 5919
duties, shall adhere to merit system principles with regard to 5920
employees of county departments of job and family services, child 5921

support enforcement agencies, and public child welfare agencies so 5922
that there is no threatened loss of federal funding for these 5923
agencies, and the county is financially liable to the state for 5924
any loss of federal funds due to the action or inaction of the 5925
county personnel department. 5926

(H) County agencies may contract with the department of 5927
administrative services for any human resources services, 5928
including, but not limited to, establishment and modification of 5929
job classification plans, competitive testing services, and 5930
periodic audits and reviews of the county's uniform application of 5931
the powers, duties, and functions specified in sections 124.01 to 5932
124.64 and Chapter 325. of the Revised Code with regard to 5933
employees in the service of the county. Nothing in this division 5934
modifies the powers and duties of the state personnel board of 5935
review with respect to employees in the service of the county. 5936
Nothing in this division limits the right of any employee who 5937
possesses the right of appeal to the state personnel board of 5938
review to continue to possess that right of appeal. 5939

(I) The director of administrative services shall establish 5940
the rate and method of compensation for all employees who are paid 5941
directly by warrant of the director of budget and management and 5942
who are serving in positions that the director of administrative 5943
services has determined impracticable to include in the state job 5944
classification plan. This division does not apply to elected 5945
officials, legislative employees, employees of the legislative 5946
service commission, employees who are in the unclassified civil 5947

office of the secretary of state, auditor of state, treasurer of 5949
state, and attorney general, employees of the courts, employees of 5950
the bureau of workers' compensation whose compensation the 5951
administrator of workers' compensation establishes under division 5952
(B) of section 4121.121 of the Revised Code, or employees of an 5953

appointing authority authorized by law to fix the compensation of 5954
those employees. 5955

(J) The director of administrative services shall set the 5956
rate of compensation for all intermittent, seasonal, temporary, 5957
emergency, and casual employees in the service of the state who 5958
are not considered public employees under section 4117.01 of the 5959
Revised Code. Those employees are not entitled to receive employee 5960
benefits. This rate of compensation shall be equitable in terms of 5961
the rate of employees serving in the same or similar 5962
classifications. This division does not apply to elected 5963
officials, legislative employees, employees of the legislative 5964
service commission, employees who are in the unclassified civil 5965

of the Revised Code, or employees of an appointing authority 5971
authorized by law to fix the compensation of those employees. 5972

(B) The pay schedule of all employees shall be on a biweekly 6083

basis, with amounts computed on an hourly basis. 6084

(C) Part-time employees shall be compensated on an hourly 6085
basis for time worked, at the rates shown in division (A) of this 6086
section or in section 124.152 of the Revised Code. 6087

(D) The salary and wage rates in division (A) of this section 6088
or in section 124.152 of the Revised Code represent base rates of 6089
compensation and may be augmented by the provisions of section 6090
124.181 of the Revised Code. In those cases where lodging, meals, 6091
laundry, or other personal services are furnished an employee in 6092
the service of the state, the actual costs or fair market value of 6093
the personal services shall be paid by the employee in such 6094
amounts and manner as determined by the director of administrative 6095
services and approved by the director of budget and management, 6096
and those personal services shall not be considered as a part of 6097
the employee's compensation. An appointing authority that appoints 6098
employees in the service of the state, with the approval of the 6099
director of administrative services and the director of budget and 6100
management, may establish payments to employees for uniforms, 6101
tools, equipment, and other requirements of the department and 6102
payments for the maintenance of them. 6103

The director of administrative services may review collective 6104
bargaining agreements entered into under Chapter 4117. of the 6105
Revised Code that cover employees in the service of the state and 6106
determine whether certain benefits or payments provided to the 6107
employees covered by those agreements should also be provided to 6108
employees in the service of the state who are exempt from 6109
collective bargaining coverage and are paid in accordance with 6110
section 124.152 of the Revised Code or are listed in division 6111
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 6112
the review, the director of administrative services, with the 6113
approval of the director of budget and management, may provide to 6114
some or all of these employees any payment or benefit, except for 6115

salary, contained in such a collective bargaining agreement even 6116
if it is similar to a payment or benefit already provided by law 6117
to some or all of these employees. Any payment or benefit so 6118
provided shall not exceed the highest level for that payment or 6119
benefit specified in such a collective bargaining agreement. The 6120
director of administrative services shall not provide, and the 6121
director of budget and management shall not approve, any payment 6122
or benefit to such an employee under this division unless the 6123
payment or benefit is provided pursuant to a collective bargaining 6124
agreement to a state employee who is in a position with similar 6125
duties as, is supervised by, or is employed by the same appointing 6126
authority as, the employee to whom the benefit or payment is to be 6127
provided. 6128

As used in this division, "payment or benefit already 6129
provided by law" includes, but is not limited to, bereavement, 6130
personal, vacation, administrative, and sick leave, disability 6131
benefits, holiday pay, and pay supplements provided under the 6132
Revised Code, but does not include wages or salary. 6133

(E) New employees paid in accordance with schedule B of 6134
division (A) of this section or schedule E-1 of section 124.152 of 6135
the Revised Code shall be employed at the minimum rate established 6136
for the range unless otherwise provided. Employees with 6137
qualifications that are beyond the minimum normally required for 6138
the position and that are determined by the director to be 6139
exceptional may be employed in, or may be transferred or promoted 6140
to, a position at an advanced step of the range. Further, in time 6141
of a serious labor market condition when it is relatively 6142
impossible to recruit employees at the minimum rate for a 6143
particular classification, the entrance rate may be set at an 6144
advanced step in the range by the director of administrative 6145
services. This rate may be limited to geographical regions of the 6146
state. Appointments made to an advanced step under the provision 6147

regarding exceptional qualifications shall not affect the step 6148
assignment of employees already serving. However, anytime the 6149
hiring rate of an entire classification is advanced to a higher 6150
step, all incumbents of that classification being paid at a step 6151
lower than that being used for hiring, shall be advanced beginning 6152
at the start of the first pay period thereafter to the new hiring 6153
rate, and any time accrued at the lower step will be used to 6154
calculate advancement to a succeeding step. If the hiring rate of 6155
a classification is increased for only a geographical region of 6156
the state, only incumbents who work in that geographical region 6157
shall be advanced to a higher step. When an employee in the 6158
unclassified service changes from one state position to another or 6159
is appointed to a position in the classified service, or if an 6160
employee in the classified service is appointed to a position in 6161
the unclassified service, the employee's salary or wage in the new 6162
position shall be determined in the same manner as if the employee 6163
were an employee in the classified service. When an employee in 6164
the unclassified service who is not eligible for step increases is 6165
appointed to a classification in the classified service under 6166
which step increases are provided, future step increases shall be 6167
based on the date on which the employee last received a pay 6168
increase. If the employee has not received an increase during the 6169
previous year, the date of the appointment to the classified 6170
service shall be used to determine the employee's annual step 6171
advancement eligibility date. In reassigning any employee to a 6172
classification resulting in a pay range increase or to a new pay 6173
range as a result of a promotion, an increase pay range 6174
adjustment, or other classification change resulting in a pay 6175
range increase, the director shall assign such employee to the 6176
step in the new pay range that will provide an increase of 6177
approximately four per cent if the new pay range can accommodate 6178
the increase. When an employee is being assigned to a 6179
classification or new pay range as the result of a class plan 6180

change, if the employee has completed a probationary period, the 6181
employee shall be placed in a step no lower than step two of the 6182
new pay range. If the employee has not completed a probationary 6183
period, the employee may be placed in step one of the new pay 6184
range. Such new salary or wage shall become effective on such date 6185
as the director determines. 6186

(F) If employment conditions and the urgency of the work 6187
require such action, the director of administrative services may, 6188
upon the application of a department head, authorize payment at 6189
any rate established within the range for the class of work, for 6190
work of a casual or intermittent nature or on a project basis. 6191
Payment at such rates shall not be made to the same individual for 6192
more than three calendar months in any one calendar year. Any such 6193
action shall be subject to the approval of the director of budget 6194
and management as to the availability of funds. This section and 6195
sections 124.14 and 124.152 of the Revised Code do not repeal any 6196
authority of any department or public official to contract with or 6197
fix the compensation of professional persons who may be employed 6198
temporarily for work of a casual nature or for work on a project 6199
basis. 6200

(G)(1) Except as provided in divisions (G)(2) and (3) of this 6201
section, each state employee paid in accordance with schedule B of 6202
this section or schedule E-1 of section 124.152 of the Revised 6203
Code shall be eligible for advancement to succeeding steps in the 6204
range for the employee's class or grade according to the schedule 6205
established in this division. Beginning on the first day of the 6206
pay period within which the employee completes the prescribed 6207
probationary period in the employee's classification with the 6208
state, each employee shall receive an automatic salary adjustment 6209
equivalent to the next higher step within the pay range for the 6210
employee's class or grade. 6211

Except as provided in divisions (G)(2) and (3) of this 6212

section, each employee paid in accordance with schedule E-1 of 6213
section 124.152 of the Revised Code shall be eligible to advance 6214
to the next higher step until the employee reaches the top step in 6215
the range for the employee's class or grade, if the employee has 6216
maintained satisfactory performance in accordance with criteria 6217
established by the employee's appointing authority. Those step 6218
advancements shall not occur more frequently than once in any 6219
twelve-month period. 6220

When an employee is promoted, the step entry date shall be 6221
set to account for a probationary period. When an employee is 6222
reassigned to a higher pay range, the step entry date shall be set 6223
to allow an employee who is not at the highest step of the range 6224
to receive a step advancement one year from the reassignment date. 6225
Step advancement shall not be affected by demotion. A promoted 6226
employee shall advance to the next higher step of the pay range on 6227
the first day of the pay period in which the required probationary 6228
period is completed. Step advancement shall become effective at 6229
the beginning of the pay period within which the employee attains 6230
the necessary length of service. Time spent on authorized leave of 6231
absence shall be counted for this purpose. 6232

If determined to be in the best interest of the state 6233
service, the director of administrative services may, either 6234
statewide or in selected agencies, adjust the dates on which 6235
annual step advancements are received by employees paid in 6236
accordance with schedule E-1 of section 124.152 of the Revised 6237
Code. 6238

(2)(a) There shall be a moratorium on annual step 6239
advancements under division (G)(1) of this section beginning June 6240
21, 2009, through June 20, 2011. Step advancements shall resume 6241
with the pay period beginning June 21, 2011. Upon the resumption 6242
of step advancements, there shall be no retroactive step 6243
advancements for the period the moratorium was in effect. The 6244

moratorium shall not affect an employee's performance evaluation schedule. 6245
6246

An employee who begins a probationary period before June 21, 2009, shall advance to the next step in the employee's pay range at the end of probation, and then become subject to the moratorium. An employee who is hired, promoted, or reassigned to a higher pay range between June 21, 2009, through June 20, 2011, shall not advance to the next step in the employee's pay range until the next anniversary of the employee's date of hire, promotion, or reassignment that occurs on or after June 21, 2011. 6247

(H) Employees in appointive managerial or professional positions paid in accordance with schedule C of this section or schedule E-2 of section 124.152 of the Revised Code may be appointed at any rate within the appropriate pay range. This rate of pay may be adjusted higher or lower within the respective pay range at any time the appointing authority so desires as long as the adjustment is based on the employee's ability to successfully administer those duties assigned to the employee. Salary adjustments shall not be made more frequently than once in any six-month period under this provision to incumbents holding the same position and classification. 6266

the employee may be compensated, upon request of the department 6278
head and with the approval of the director of administrative 6279
services, at a rate not to exceed fifty per cent in excess of the 6280
employee's current base rate for the period of time spent on that 6281
duty. 6282

(J) Unless compensation for members of a board or commission 6283
is otherwise specifically provided by law, the director of 6284
administrative services shall establish the rate and method of 6285
payment for members of boards and commissions pursuant to the pay 6286
schedules listed in section 124.152 of the Revised Code. 6287

(K) Regular full-time employees in positions assigned to 6288
classes within the instruction and education administration series 6289
under the ~~rules~~ job classification plans of the director of 6290
administrative services, except certificated employees on the 6291
instructional staff of the state school for the blind or the state 6292
school for the deaf, whose positions are scheduled to work on the 6293
basis of an academic year rather than a full calendar year, shall 6294
be paid according to the pay range assigned by ~~such rules~~ the 6295
applicable job classification plan, but only during those pay 6296
periods included in the academic year of the school where the 6297
employee is located. 6298

(1) Part-time or substitute teachers or those whose period of 6299
employment is other than the full academic year shall be 6300
compensated for the actual time worked at the rate established by 6301
this section. 6302

(2) Employees governed by this division are exempt from 6303
sections 124.13 and 124.19 of the Revised Code. 6304

(3) Length of service for the purpose of determining 6305
eligibility for step advancements as provided by division (G) of 6306
this section and for the purpose of determining eligibility for 6307

longevity pay supplements as provided by division (E) of section 6308
124.181 of the Revised Code shall be computed on the basis of one 6309
full year of service for the completion of each academic year. 6310

(L) The superintendent of the state school for the deaf and 6311
the superintendent of the state school for the blind shall, 6312
subject to the approval of the superintendent of public 6313
instruction, carry out both of the following: 6314

(1) Annually, between the first day of April and the last day 6315
of June, establish for the ensuing fiscal year a schedule of 6316
hourly rates for the compensation of each certificated employee on 6317
the instructional staff of that superintendent's respective school 6318
constructed as follows: 6319

(a) Determine for each level of training, experience, and 6320
other professional qualification for which an hourly rate is set 6321
forth in the current schedule, the per cent that rate is of the 6322
rate set forth in such schedule for a teacher with a bachelor's 6323
degree and no experience. If there is more than one such rate for 6324
such a teacher, the lowest rate shall be used to make the 6325
computation. 6326

(b) Determine which six city, local, and exempted village 6327
school districts with territory in Franklin county have in effect 6328
on, or have adopted by, the first day of April for the school year 6329
that begins on the ensuing first day of July, teacher salary 6330
schedules with the highest minimum salaries for a teacher with a 6331
bachelor's degree and no experience; 6332

(c) Divide the sum of such six highest minimum salaries by 6333
ten thousand five hundred sixty; 6334

(d) Multiply each per cent determined in division (L)(1)(a) 6335
of this section by the quotient obtained in division (L)(1)(c) of 6336
this section; 6337

(e) One hundred five per cent of each product thus obtained 6338

shall be the hourly rate for the corresponding level of training, 6339
experience, or other professional qualification in the schedule 6340
for the ensuing fiscal year. 6341

(2) Annually, assign each certificated employee on the 6342
instructional staff of the superintendent's respective school to 6343
an hourly rate on the schedule that is commensurate with the 6344
employee's training, experience, and other professional 6345
qualifications. 6346

If an employee is employed on the basis of an academic year, 6347
the employee's annual salary shall be calculated by multiplying 6348
the employee's assigned hourly rate times one thousand seven 6349
hundred sixty. If an employee is not employed on the basis of an 6350
academic year, the employee's annual salary shall be calculated in 6351
accordance with the following formula: 6352

(a) Multiply the number of days the employee is required to 6353
work pursuant to the employee's contract by eight; 6354

(b) Multiply the product of division (L)(2)(a) of this 6355
section by the employee's assigned hourly rate. 6356

Each employee shall be paid an annual salary in biweekly 6357
installments. The amount of each installment shall be calculated 6358
by dividing the employee's annual salary by the number of biweekly 6359
installments to be paid during the year. 6360

Sections 124.13 and 124.19 of the Revised Code do not apply 6361
to an employee who is paid under this division. 6362

As used in this division, "academic year" means the number of 6363
days in each school year that the schools are required to be open 6364
for instruction with pupils in attendance. Upon completing an 6365
academic year, an employee paid under this division shall be 6366
deemed to have completed one year of service. An employee paid 6367
under this division is eligible to receive a pay supplement under 6368
division (L)(1), (2), or (3) of section 124.181 of the Revised 6369

Code for which the employee qualifies, but is not eligible to 6370
receive a pay supplement under division (L)(4) or (5) of that 6371
section. An employee paid under this division is eligible to 6372
receive a pay supplement under division (L)(6) of section 124.181 6373
of the Revised Code for which the employee qualifies, except that 6374
the supplement is not limited to a maximum of five per cent of the 6375
employee's regular base salary in a calendar year. 6376

(M) Division (A) of this section does not apply to "exempt 6377
employees," as defined in section 124.152 of the Revised Code, who 6378
are paid under that section. 6379

Notwithstanding any other provisions of this chapter, when an 6380
employee transfers between bargaining units or transfers out of or 6381
into a bargaining unit, the director of administrative services 6382
shall establish the employee's compensation and adjust the maximum 6383
leave accrual schedule as the director deems equitable. 6384

Sec. 124.181. (A) Except as provided in divisions (M) and (P) 6385
of this section, any employee paid in accordance with schedule B 6386
of section 124.15 or schedule E-1 or schedule E-1 for step seven 6387
only of section 124.152 of the Revised Code is eligible for the 6388
pay supplements provided in this section upon application by the 6389
appointing authority substantiating the employee's qualifications 6390
for the supplement and with the approval of the director of 6391
administrative services except as provided in division (E) of this 6392
section. 6393

(B)(1) Except as provided in section 124.183 of the Revised 6394
Code, in computing any of the pay supplements provided in this 6395
section for an employee paid in accordance with schedule B of 6396
section 124.15 of the Revised Code, the classification salary base 6397
shall be the minimum hourly rate of the pay range, provided in 6398
that section, in which the employee is assigned at the time of 6399
computation. 6400

(2) Except as provided in section 124.183 of the Revised Code, in computing any of the pay supplements provided in this section for an employee paid in accordance with schedule E-1 of section 124.152 of the Revised Code, the classification salary base shall be the minimum hourly rate of the pay range, provided in that section, in which the employee is assigned at the time of computation.

(3) Except as provided in section 124.183 of the Revised Code, in computing any of the pay supplements provided in this section for an employee paid in accordance with schedule E-1 for step seven only of section 124.152 of the Revised Code, the classification salary base shall be the minimum hourly rate in the corresponding pay range, provided in schedule E-1 of that section, to which the employee is assigned at the time of the computation.

(C) The effective date of any pay supplement, except as provided in section 124.183 of the Revised Code or unless otherwise provided in this section, shall be determined by the director.

(D) The director shall, by rule, establish standards regarding the administration of this section.

(E)(1) Except as otherwise provided in this division, beginning on the first day of the pay period within which the employee completes five years of total service with the state government or any of its political subdivisions, each employee in positions paid in accordance with schedule B of section 124.15 of the Revised Code or in accordance with schedule E-1 or schedule E-1 for step seven only of section 124.152 of the Revised Code shall receive an automatic salary adjustment equivalent to two and one-half per cent of the classification salary base, to the nearest whole cent. Each employee shall receive thereafter an annual adjustment equivalent to one-half of one per cent of the employee's classification salary base, to the nearest whole cent,

for each additional year of qualified employment until a maximum 6433
of ten per cent of the employee's classification salary base is 6434
reached. The granting of longevity adjustments shall not be 6435
affected by promotion, demotion, or other changes in 6436
classification held by the employee, nor by any change in pay 6437
range for the employee's class or grade. Longevity pay adjustments 6438
shall become effective at the beginning of the pay period within 6439
which the employee completes the necessary length of service, 6440
except that when an employee requests credit for prior service, 6441
the effective date of the prior service credit and of any 6442
longevity adjustment shall be the first day of the pay period 6443
following approval of the credit by the director of administrative 6444
services. No employee, other than an employee who submits proof of 6445
prior service within ninety days after the date of the employee's 6446
hiring, shall receive any longevity adjustment for the period 6447
prior to the director's approval of a prior service credit. Time 6448
spent on authorized leave of absence shall be counted for this 6449
purpose. 6450

(2) An employee who has retired in accordance with the 6451
provisions of any retirement system offered by the state and who 6452
is employed by the state or any political subdivision of the state 6453
on or after June 24, 1987, shall not have prior service with the 6454
state or any political subdivision of the state counted for the 6455
purpose of determining the amount of the salary adjustment 6456
provided under this division. 6457

(3) There shall be a moratorium on employees' receipt under 6458
this division of credit for service with the state government or 6459
any of its political subdivisions during the period from July 1, 6460
2003, through June 30, 2005. In calculating the number of years of 6461
total service under this division, no credit shall be included for 6462
service during the moratorium. The moratorium shall apply to the 6463
employees of the secretary of state, the auditor of state, the 6464

treasurer of state, and the attorney general, who are subject to 6465
this section unless the secretary of state, the auditor of state, 6466
the treasurer of state, or the attorney general decides to exempt 6467
the office's employees from the moratorium and so notifies the 6468
director of administrative services in writing on or before July 6469
1, 2003. 6470

If an employee is exempt from the moratorium, receives credit 6471
for a period of service during the moratorium, and takes a 6472
position with another entity in the state government or any of its 6473
political subdivisions, either during or after the moratorium, and 6474
if that entity's employees are or were subject to the moratorium, 6475
the employee shall continue to retain the credit. However, if the 6476
moratorium is in effect upon the taking of the new position, the 6477
employee shall cease receiving additional credit as long as the 6478
employee is in the position, until the moratorium expires. 6479

(F) When an exceptional condition exists that creates a 6480
temporary or a permanent hazard for one or more positions in a 6481
class paid in accordance with schedule B of section 124.15 of the 6482
Revised Code or in accordance with schedule E-1 or schedule E-1 6483
for step seven only of section 124.152 of the Revised Code, a 6484

with respect to net indebtedness limitations as, the general 9176
obligation bonds that are refunded. 9177

(4) Issue sales tax supported securities to fund or refund 9178

pursuant to division (A)(6) of this section shall be payable as to 9199
principal at such times and in such installments as determined by 9200
the taxing authority consistent with division (E) of section 9201

proceeds shall be used as determined by the taxing authority 9208
consistent with their purpose. That use may include the payment of 9209
the outstanding principal amount of, any redemption premium on, 9210
and any interest to redemption or maturity on, the securities 9211
being funded or refunded, and any expenses relating to the funding 9212

or refunding or the issuance of the refunding bonds, including 9213

used to provide additional money for the purpose or purposes for 9216
which the securities being funded or refunded, or which they 9217
funded or refunded, were issued, but section 133.21 of the Revised 9218
Code is applicable to any such portion of general obligation 9219
securities. 9220

(C) Securities may be issued and other moneys may be applied 9221
pursuant to this section to fund or refund all or any portion of 9222
the outstanding securities, and whether or not the securities to 9223
be funded or refunded were issued subject to call or redemption 9224
prior to maturity or are the original securities or are themselves 9225
refunding securities. 9226

(D) Moneys derived from the proceeds of securities issued 9227
pursuant to this section to fund or refund general obligation 9228
bonds, or moneys from other sources, and required for the purpose 9229
shall, under an escrow agreement or otherwise, to the extent 9230

agreement or otherwise, to the extent required by the legislation, 9236
be placed in an escrow fund that may be in the sinking fund or 9237
bond retirement fund, and in either case are pledged for the 9238
purpose of funding or refunding the refunded general obligation 9239
bonds and shall be used, together with any other available funds 9240
as provided in this section, for that purpose. Pending that use, 9241
the moneys in escrow shall be invested in direct obligations of or 9242
obligations guaranteed as to payment by the United States that 9243
mature or are subject to redemption by and at the option of the 9244

holder not later than the date or dates when the moneys, together 9245
with interest or other investment income accrued on those moneys, 9246
will be required for that use. Any moneys in the escrow fund 9247
derived from the issuance of revenue or mortgage revenue or sales 9248
tax supported securities that will not be needed to pay debt 9249
charges on the funded or refunded general obligation bonds may be 9250
used for and pledged to the payment of debt charges on the 9251
refunding securities and on any securities issued on a parity with 9252
the refunding securities. Any moneys in the escrow fund derived 9253
from the proceeds of refunding general obligation securities and 9254
that will not be needed to pay debt charges on the refunded 9255
general obligation bonds shall be transferred to the bond 9256
retirement fund. When the subdivision has placed in escrow moneys, 9257
derived from proceeds of refunding obligations or otherwise, or 9258
those direct or guaranteed obligations of the United States, or a 9259
combination of both, determined by an independent public 9260
accounting firm to be sufficient, with the interest or other 9261
investment income accruing on those direct or guaranteed 9262
obligations, for the payment of debt charges on the funded or 9263
refunded general obligation bonds, the funded or refunded general 9264
obligation bonds shall no longer be considered to be outstanding, 9265
shall not be considered for purposes of determining any 9266
limitation, direct or indirect, on the indebtedness or net 9267
indebtedness of the subdivision, and the levy of taxes or other 9268
charges for the payment of debt charges on the funded or refunded 9269
general obligation bonds under this chapter, Chapter 5705., or 9270
other provisions of the Revised Code, shall not be required. For 9271

(E) The authority granted by this section is in addition to 9280
and not a limitation on any other authorizations granted by or 9281
pursuant to law or the Ohio Constitution for the same or similar 9282
purposes, and does not limit or restrict the authority of 9283
municipal corporations to issue, under authority of Article XVIII, 9284

or refund either general obligation securities or other revenue or 9286

section 2929.01 of the Revised Code. 9988

(10) "Post-release control sanction" has the same meaning as 9989
in section 2967.01 of the Revised Code. 9990

(11) "Redaction" means obscuring or deleting any information 9991
that is exempt from the duty to permit public inspection or 9992

copying from an item that otherwise meets the definition of a 9993
"record" in section 149.011 of the Revised Code. 9994

(12) "Designee" and "elected official" have the same meanings 9995
as in section 109.43 of the Revised Code. 9996

(B)(1) Upon request and subject to division (B)(8) of this 9997
section, all public records responsive to the request shall be 9998
promptly prepared and made available for inspection to any person 9999
at all reasonable times during regular business hours. Subject to 10000
division (B)(8) of this section, upon request, a public office or 10001
person responsible for public records shall make copies of the 10002
requested public record available at cost and within a reasonable 10003
period of time. If a public record contains information that is 10004
exempt from the duty to permit public inspection or to copy the 10005
public record, the public office or the person responsible for the 10006
public record shall make available all of the information within 10007
the public record that is not exempt. When making that public 10008
record available for public inspection or copying that public 10009
record, the public office or the person responsible for the public 10010
record shall notify the requester of any redaction or make the 10011
redaction plainly visible. A redaction shall be deemed a denial of 10012
a request to inspect or copy the redacted information, except if 10013
federal or state law authorizes or requires a public office to 10014
make the redaction. 10015

(2) To facilitate broader access to public records, a public 10016
office or the person responsible for public records shall organize 10017
and maintain public records in a manner that they can be made 10018
available for inspection or copying in accordance with division 10019
(B) of this section. A public office also shall have available a 10020
copy of its current records retention schedule at a location 10021
readily available to the public. If a requester makes an ambiguous 10022
or overly broad request or has difficulty in making a request for 10023
copies or inspection of public records under this section such 10024

that the public office or the person responsible for the requested 10025
public record cannot reasonably identify what public records are 10026
being requested, the public office or the person responsible for 10027
the requested public record may deny the request but shall provide 10028
the requester with an opportunity to revise the request by 10029
informing the requester of the manner in which records are 10030
maintained by the public office and accessed in the ordinary 10031
course of the public office's or person's duties. 10032

(3) If a request is ultimately denied, in part or in whole, 10033
the public office or the person responsible for the requested 10034
public record shall provide the requester with an explanation, 10035
including legal authority, setting forth why the request was 10036
denied. If the initial request was provided in writing, the 10037
explanation also shall be provided to the requester in writing. 10038
The explanation shall not preclude the public office or the person 10039
responsible for the requested public record from relying upon 10040
additional reasons or legal authority in defending an action 10041
commenced under division (C) of this section. 10042

(4) Unless specifically required or authorized by state or 10043
federal law or in accordance with division (B) of this section, no 10044
public office or person responsible for public records may limit 10045
or condition the availability of public records by requiring 10046
disclosure of the requester's identity or the intended use of the 10047
requested public record. Any requirement that the requester 10048
disclose the requestor's identity or the intended use of the 10049
requested public record constitutes a denial of the request. 10050

(5) A public office or person responsible for public records 10051
may ask a requester to make the request in writing, may ask for 10052
the requester's identity, and may inquire about the intended use 10053
of the information requested, but may do so only after disclosing 10054
to the requester that a written request is not mandatory and that 10055
the requester may decline to reveal the requester's identity or 10056

the intended use and when a written request or disclosure of the 10057
identity or intended use would benefit the requester by enhancing 10058
the ability of the public office or person responsible for public 10059
records to identify, locate, or deliver the public records sought 10060
by the requester. 10061

(6) If any person chooses to obtain a copy of a public record 10062
in accordance with division (B) of this section, the public office 10063
or person responsible for the public record may require that 10064
person to pay in advance the cost involved in providing the copy 10065
of the public record in accordance with the choice made by the 10066
person seeking the copy under this division. The public office or 10067
the person responsible for the public record shall permit that 10068
person to choose to have the public record duplicated upon paper, 10069
upon the same medium upon which the public office or person 10070
responsible for the public record keeps it, or upon any other 10071
medium upon which the public office or person responsible for the 10072
public record determines that it reasonably can be duplicated as 10073
an integral part of the normal operations of the public office or 10074
person responsible for the public record. When the person seeking 10075
the copy makes a choice under this division, the public office or 10076
person responsible for the public record shall provide a copy of 10077
it in accordance with the choice made by the person seeking the 10078
copy. Nothing in this section requires a public office or person 10079
responsible for the public record to allow the person seeking a 10080
copy of the public record to make the copies of the public record. 10081

(7) Upon a request made in accordance with division (B) of 10082
this section and subject to division (B)(6) of this section, a 10083
public office or person responsible for public records shall 10084
transmit a copy of a public record to any person by United States 10085
mail or by any other means of delivery or transmission within a 10086
reasonable period of time after receiving the request for the 10087
copy. The public office or person responsible for the public 10088

record may require the person making the request to pay in advance 10089
the cost of postage if the copy is transmitted by United States 10090
mail or the cost of delivery if the copy is transmitted other than 10091
by United States mail, and to pay in advance the costs incurred 10092
for other supplies used in the mailing, delivery, or transmission. 10093

Any public office may adopt a policy and procedures that it 10094
will follow in transmitting, within a reasonable period of time 10095
after receiving a request, copies of public records by United 10096
States mail or by any other means of delivery or transmission 10097
pursuant to this division. A public office that adopts a policy 10098
and procedures under this division shall comply with them in 10099
performing its duties under this division. 10100

In any policy and procedures adopted under this division, a 10101
public office may limit the number of records requested by a 10102
person that the office will transmit by United States mail to ten 10103
per month, unless the person certifies to the office in writing 10104
that the person does not intend to use or forward the requested 10105
records, or the information contained in them, for commercial 10106
purposes. For purposes of this division, "commercial" shall be 10107
narrowly construed and does not include reporting or gathering 10108
news, reporting or gathering information to assist citizen 10109
oversight or understanding of the operation or activities of 10110
government, or nonprofit educational research. 10111

(8) A public office or person responsible for public records 10112
is not required to permit a person who is incarcerated pursuant to 10113
a criminal conviction or a juvenile adjudication to inspect or to 10114
obtain a copy of any public record concerning a criminal 10115
investigation or prosecution or concerning what would be a 10116
criminal investigation or prosecution if the subject of the 10117
investigation or prosecution were an adult, unless the request to 10118
inspect or to obtain a copy of the record is for the purpose of 10119
acquiring information that is subject to release as a public 10120

record under this section and the judge who imposed the sentence 10121
or made the adjudication with respect to the person, or the 10122
judge's successor in office, finds that the information sought in 10123
the public record is necessary to support what appears to be a 10124
justiciable claim of the person. 10125

(9)(a) Upon written request made and signed by a journalist 10126
on or after December 16, 1999, a public office, or person 10127
responsible for public records, having custody of the records of 10128
the agency employing a specified peace officer, parole officer, 10129
probation officer, bailiff, prosecuting attorney, assistant 10130
prosecuting attorney, correctional employee, community-based 10131
correctional facility employee, youth services employee, 10132
firefighter, EMT, or investigator of the bureau of criminal 10133
identification and investigation shall disclose to the journalist 10134
the address of the actual personal residence of the peace officer, 10135
parole officer, probation officer, bailiff, prosecuting attorney, 10136
assistant prosecuting attorney, correctional employee, 10137
community-based correctional facility employee, youth services 10138
employee, firefighter, EMT, or investigator of the bureau of 10139
criminal identification and investigation and, if the peace 10140
officer's, parole officer's, probation officer's, bailiff's, 10141
prosecuting attorney's, assistant prosecuting attorney's, 10142
correctional employee's, community-based correctional facility 10143
employee's, youth services employee's, firefighter's, EMT's, or 10144
investigator of the bureau of criminal identification and 10145
investigation's spouse, former spouse, or child is employed by a 10146
public office, the name and address of the employer of the peace 10147
officer's, parole officer's, probation officer's, bailiff's, 10148
prosecuting attorney's, assistant prosecuting attorney's, 10149
correctional employee's, community-based correctional facility 10150
employee's, youth services employee's, firefighter's, EMT's, or 10151
investigator of the bureau of criminal identification and 10152
investigation's spouse, former spouse, or child. The request shall 10153

include the journalist's name and title and the name and address 10154
of the journalist's employer and shall state that disclosure of 10155
the information sought would be in the public interest. 10156

(b) Division (B)(9)(a) of this section also applies to 10157
journalist requests for customer information maintained by a 10158
municipally owned or operated public utility, other than social 10159
security numbers and any private financial information such as 10160
credit reports, payment methods, credit card numbers, and bank 10161
account information. 10162

(c) As used in division (B)(9) of this section, "journalist" 10163
means a person engaged in, connected with, or employed by any news 10164
medium, including a newspaper, magazine, press association, news 10165
agency, or wire service, a radio or television station, or a 10166
similar medium, for the purpose of gathering, processing, 10167
transmitting, compiling, editing, or disseminating information for 10168
the general public. 10169

(C)(1) If a person allegedly is aggrieved by the failure of a 10170
public office or the person responsible for public records to 10171
promptly prepare a public record and to make it available to the 10172
person for inspection in accordance with division (B) of this 10173
section or by any other failure of a public office or the person 10174
responsible for public records to comply with an obligation in 10175
accordance with division (B) of this section, the person allegedly 10176
aggrieved may commence a mandamus action to obtain a judgment that 10177
orders the public office or the person responsible for the public 10178
record to comply with division (B) of this section, that awards 10179
court costs and reasonable attorney's fees to the person that 10180
instituted the mandamus action, and, if applicable, that includes 10181
an order fixing statutory damages under division (C)(1) of this 10182
section. The mandamus action may be commenced in the court of 10183
common pleas of the county in which division (B) of this section 10184
allegedly was not complied with, in the supreme court pursuant to 10185

its original jurisdiction under Section 2 of Article IV, Ohio Constitution, or in the court of appeals for the appellate district in which division (B) of this section allegedly was not complied with pursuant to its original jurisdiction under Section 3 of Article IV, Ohio Constitution.

If a requestor transmits a written request by hand delivery or certified mail to inspect or receive copies of any public record in a manner that fairly describes the public record or class of public records to the public office or person responsible for the requested public records, except as otherwise provided in this section, the requestor shall be entitled to recover the amount of statutory damages set forth in this division if a court determines that the public office or the person responsible for public records failed to comply with an obligation in accordance with division (B) of this section.

The amount of statutory damages shall be fixed at one hundred dollars for each business day during which the public office or person responsible for the requested public records failed to comply with an obligation in accordance with division (B) of this section, beginning with the day on which the requester files a mandamus action to recover statutory damages, up to a maximum of one thousand dollars. The award of statutory damages shall not be construed as a penalty, but as compensation for injury arising from lost use of the requested information. The existence of this injury shall be conclusively presumed. The award of statutory damages shall be in addition to all other remedies authorized by this section.

The court may reduce an award of statutory damages or not award statutory damages if the court determines both of the following:

(a) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or

threatened conduct of the public office or person responsible for 10218
the requested public records that allegedly constitutes a failure 10219
to comply with an obligation in accordance with division (B) of 10220
this section and that was the basis of the mandamus action, a 10221
well-informed public office or person responsible for the 10222
requested public records reasonably would believe that the conduct 10223
or threatened conduct of the public office or person responsible 10224
for the requested public records did not constitute a failure to 10225
comply with an obligation in accordance with division (B) of this 10226
section; 10227

(b) That a well-informed public office or person responsible 10228
for the requested public records reasonably would believe that the 10229
conduct or threatened conduct of the public office or person 10230
responsible for the requested public records would serve the 10231
public policy that underlies the authority that is asserted as 10232
permitting that conduct or threatened conduct. 10233

(2)(a) If the court issues a writ of mandamus that orders the 10234
public office or the person responsible for the public record to 10235
comply with division (B) of this section and determines that the 10236
circumstances described in division (C)(1) of this section exist, 10237
the court shall determine and award to the relator all court 10238
costs. 10239

(b) If the court renders a judgment that orders the public 10240
office or the person responsible for the public record to comply 10241
with division (B) of this section, the court may award reasonable 10242
attorney's fees subject to reduction as described in division 10243
(C)(2)(c) of this section. The court shall award reasonable 10244
attorney's fees, subject to reduction as described in division 10245
(C)(2)(c) of this section when either of the following applies: 10246

(i) The public office or the person responsible for the 10247
public records failed to respond affirmatively or negatively to 10248
the public records request in accordance with the time allowed 10249

under division (B) of this section. 10250

(ii) The public office or the person responsible for the 10251
public records promised to permit the relator to inspect or 10252
receive copies of the public records requested within a specified 10253
period of time but failed to fulfill that promise within that 10254
specified period of time. 10255

(c) Court costs and reasonable attorney's fees awarded under 10256
this section shall be construed as remedial and not punitive. 10257
Reasonable attorney's fees shall include reasonable fees incurred 10258
to produce proof of the reasonableness and amount of the fees and 10259
to otherwise litigate entitlement to the fees. The court may 10260
reduce an award of attorney's fees to the relator or not award 10261
attorney's fees to the relator if the court determines both of the 10262
following: 10263

(i) That, based on the ordinary application of statutory law 10264
and case law as it existed at the time of the conduct or 10265
threatened conduct of the public office or person responsible for 10266
the requested public records that allegedly constitutes a failure 10267
to comply with an obligation in accordance with division (B) of 10268
this section and that was the basis of the mandamus action, a 10269
well-informed public office or person responsible for the 10270
requested public records reasonably would believe that the conduct 10271
or threatened conduct of the public office or person responsible 10272
for the requested public records did not constitute a failure to 10273
comply with an obligation in accordance with division (B) of this 10274
section; 10275

(ii) That a well-informed public office or person responsible 10276
for the requested public records reasonably would believe that the 10277
conduct or threatened conduct of the public office or person 10278
responsible for the requested public records as described in 10279
division (C)(2)(c)(i) of this section would serve the public 10280
policy that underlies the authority that is asserted as permitting 10281

that conduct or threatened conduct. 10282

(D) Chapter 1347. of the Revised Code does not limit the 10283
provisions of this section. 10284

(E)(1) To ensure that all employees of public offices are 10285
appropriately educated about a public office's obligations under 10286
division (B) of this section, all elected officials or their 10287
appropriate designees shall attend training approved by the 10288
attorney general as provided in section 109.43 of the Revised 10289
Code. In addition, all public offices shall adopt a public records 10290
policy in compliance with this section for responding to public 10291
records requests. In adopting a public records policy under this 10292
division, a public office may obtain guidance from the model 10293
public records policy developed and provided to the public office 10294
by the attorney general under section 109.43 of the Revised Code. 10295
Except as otherwise provided in this section, the policy may not 10296
limit the number of public records that the public office will 10297
make available to a single person, may not limit the number of 10298
public records that it will make available during a fixed period 10299
of time, and may not establish a fixed period of time before it 10300
will respond to a request for inspection or copying of public 10301
records, unless that period is less than eight hours. 10302

(2) The public office shall distribute the public records 10303
policy adopted by the public office under division (E)(1) of this 10304
section to the employee of the public office who is the records 10305
custodian or records manager or otherwise has custody of the 10306
records of that office. The public office shall require that 10307
employee to acknowledge receipt of the copy of the public records 10308
policy. The public office shall create a poster that describes its 10309
public records policy and shall post the poster in a conspicuous 10310
place in the public office and in all locations where the public 10311
office has branch offices. The public office may post its public 10312
records policy on the internet web site of the public office if 10313

the public office maintains an internet web site. A public office 10314
that has established a manual or handbook of its general policies 10315
and procedures for all employees of the public office shall 10316
include the public records policy of the public office in the 10317
manual or handbook. 10318

(F)(1) The bureau of motor vehicles may adopt rules pursuant 10319
to Chapter 119. of the Revised Code to reasonably limit the number 10320
of bulk commercial special extraction requests made by a person 10321
for the same records or for updated records during a calendar 10322
year. The rules may include provisions for charges to be made for 10323
bulk commercial special extraction requests for the actual cost of 10324
the bureau, plus special extraction costs, plus ten per cent. The 10325
bureau may charge for expenses for redacting information, the 10326
release of which is prohibited by law. 10327

(2) As used in division (F)(1) of this section: 10328

(a) "Actual cost" means the cost of depleted supplies, 10329
records storage media costs, actual mailing and alternative 10330
delivery costs, or other transmitting costs, and any direct 10331
equipment operating and maintenance costs, including actual costs 10332
paid to private contractors for copying services. 10333

(b) "Bulk commercial special extraction request" means a 10334
request for copies of a record for information in a format other 10335
than the format already available, or information that cannot be 10336
extracted without examination of all items in a records series, 10337
class of records, or database by a person who intends to use or 10338
forward the copies for surveys, marketing, solicitation, or resale 10339
for commercial purposes. "Bulk commercial special extraction 10340
request" does not include a request by a person who gives 10341
assurance to the bureau that the person making the request does 10342
not intend to use or forward the requested copies for surveys, 10343
marketing, solicitation, or resale for commercial purposes. 10344

(c) "Commercial" means profit-seeking production, buying, or selling of any good, service, or other product. 10345
10346

(d) "Special extraction costs" means the cost of the time spent by the lowest paid employee competent to perform the task, the actual amount paid to outside private contractors employed by the bureau, or the actual cost incurred to create computer programs to make the special extraction. "Special extraction costs" include any charges paid to a public agency for computer or records services. 10347

10351
10352
10353

(3) For purposes of divisions (F)(1) and (2) of this section, "surveys, marketing, solicitation, or resale for commercial purposes" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research. 10354

Sec. 153.08. On the day and at the place named in the notice provided for in section 153.06 of the Revised Code, the owner referred to in section 153.01 of the Revised Code shall open the bids and shall publicly, with the assistance of the architect or engineer, immediately proceed to tabulate the bids ~~upon duplicate sheets.~~ For a bid filed electronically, the public bid opening may be broadcast by electronic means pursuant to rules established by the Ohio facilities construction commission. A bid shall be invalid and not considered unless a bid guaranty meeting the requirements of section 153.54 of the Revised Code and in the form approved by the commission is filed with such bid. For a bid that is not filed electronically, the bid and bid guaranty shall be filed in one sealed envelope. If the bid and bid guaranty are filed electronically, they must be received electronically before the deadline published pursuant to section 153.06 of the Revised Code. the public bid opening, which may be achieved by means of an 10377
electronic verification and security system established under 10378
rules adopted by the Ohio facilities construction commission under 10379
Chapter 119. of the Revised Code. After investigation, which shall 10380
be completed within thirty days, the contract shall be awarded by 10381
such owner to the lowest responsive and responsible bidder in 10382
accordance with section 9.312 of the Revised Code. 10383

No contract shall be entered into until the industrial 10384
commission has certified that the person so awarded the contract 10385
has complied with sections 4123.01 to 4123.94 of the Revised Code, 10386
until, if the bidder so awarded the contract is a foreign 10387
corporation, the secretary of state has certified that such 10388
corporation is authorized to do business in this state, until, if 10389
the bidder so awarded the contract is a person nonresident of this 10390
state, such person has filed with the secretary of state a power 10391
of attorney designating the secretary of state as its agent for 10392
the purpose of accepting service of summons in any action brought 10393
under section 153.05 of the Revised Code or under sections 4123.01 10394
to 4123.94 of the Revised Code, and until the contract and bond, 10395
if any, are submitted to the attorney general and the attorney 10396
general's approval certified thereon. 10397

No contract shall be entered into unless the bidder possesses 10398
a valid certificate of compliance with affirmative action programs 10399
issued pursuant to section 9.47 of the Revised Code and dated no 10400
earlier than one hundred eighty days prior to the date fixed for 10401
the opening of bids for a particular project. 10402

Sec. 153.70. (A) Except for any person providing professional 10403
design services of a research or training nature, any person 10404
rendering professional design services to a public authority or to 10405
a design-build firm, including a criteria architect or engineer 10406

and person performing architect or engineer of record services, 10407
shall have and maintain, or be covered by, during the period the 10408
services are rendered, a professional liability insurance policy 10409
or policies with a company or companies that are authorized to do 10410
business in this state and that afford professional liability 10411
coverage for the professional design services rendered. The 10412
insurance shall be in an amount considered sufficient by the 10413
public authority. At the public authority's discretion, the 10414
design-build firm shall carry contractor's professional liability 10415
insurance and any other insurance the public authority considers 10416
appropriate. 10417

the director's discretion, pay the claim less any expenses and 10631
costs incurred by the state in securing full title and ownership 10632

operation of the center. Except as provided in division (H) of 11289
this section, the contracting counties and municipal corporations 11290
shall form a corrections commission to oversee the administration 11291
of the center. Members of the commission shall consist of the 11292
sheriff of each participating county, a member of the board of 11293

officer's place on the corrections commission. The standards and 11298
procedures shall be formulated and agreed to by the commission and 11299
may be amended at any time during the life of the contract by 11300

shall have all the powers of police officers that are necessary 11309
for the proper performance of the duties relating to their 11310
positions at the center. 11311

(B)(1) Upon the establishment of a corrections commission 11312
under division (A) of this section, the judges specified in this 11313
division shall form a judicial advisory board for the purpose of 11314
making recommendations to the corrections commission on issues of 11315
bed allocation, expansion of the center that the corrections 11316
commission oversees, and other issues concerning the 11317
administration of sentences or any other matter determined to be 11318
appropriate by the board. The judges who shall form the judicial 11319
advisory board for a corrections commission are the administrative 11320
judge of the general division of the court of common pleas of each 11321

county participating in the corrections center, the presiding 11322
judge of the municipal court of each municipal corporation 11323
participating in the corrections center, and the presiding judge 11324
of each county court of each county participating in the 11325
corrections center. If the number of the foregoing members of the 11326
board is even, the county auditor or the county auditor of the 11327
most populous county if the board serves more than one county 11328
shall also be a member of the board. Any of the foregoing judges 11329
may appoint a designee to serve in the judge's place on the 11330
judicial advisory board, provided that the designee shall be a 11331
judge of the same court as the judge who makes the appointment. 11332
The judicial advisory board for a corrections commission shall 11333
meet with the corrections commission at least once each year. 11334

(2) Each board of county commissioners that enters a contract 11335
under division (A) of this section may appoint a building 11336
commission pursuant to section 153.21 of the Revised Code. If any 11337
commissions are appointed, they shall function jointly in the 11338
construction of a multicounty or multicounty-municipal 11339
correctional center with all the powers and duties authorized by 11340
law. 11341

(C) Prior to the acceptance for custody and rehabilitation 11342
into a center established under this section of any persons who 11343
are designated by the department of rehabilitation and correction, 11344
who plead guilty to or are convicted of a felony of the fourth or 11345
fifth degree, and who satisfy the other requirements listed in 11346
section 5120.161 of the Revised Code, the corrections commission 11347
of a center established under this section shall enter into an 11348
agreement with the department of rehabilitation and correction 11349
under section 5120.161 of the Revised Code for the custody and 11350
rehabilitation in the center of persons who are designated by the 11351
department, who plead guilty to or are convicted of a felony of 11352
the fourth or fifth degree, and who satisfy the other requirements 11353

listed in that section, in exchange for a per diem fee per person. 11354
Persons incarcerated in the center pursuant to an agreement 11355
entered into under this division shall be subject to supervision 11356
and control in the manner described in section 5120.161 of the 11357
Revised Code. This division does not affect the authority of a 11358
court to directly sentence a person who is convicted of or pleads 11359
guilty to a felony to the center in accordance with section 11360
2929.16 of the Revised Code. 11361

(D) Pursuant to section 2929.37 of the Revised Code, each 11362
board of county commissioners and the legislative authority of 11363
each municipal corporation that enters into a contract under 11364
division (A) of this section may require a person who was 11365
convicted of an offense, who is under the charge of the sheriff of 11366
their county or of the officer or officers of the contracting 11367
municipal corporation or municipal corporations having charge of 11368
persons incarcerated in the municipal jail, workhouse, or other 11369
correctional facility, and who is confined in the multicounty, 11370
municipal-county, or multicounty-municipal correctional center as 11371
provided in that division, to reimburse the applicable county or 11372
municipal corporation for its expenses incurred by reason of the 11373
person's confinement in the center. 11374

(E) Notwithstanding any contrary provision in this section or 11375
section 2929.18, 2929.28, or 2929.37 of the Revised Code, the 11376
corrections commission of a center may establish a policy that 11377
complies with section 2929.38 of the Revised Code and that 11378
requires any person who is not indigent and who is confined in the 11379
multicounty, municipal-county, or multicounty-municipal 11380
correctional center to pay a reception fee, a fee for medical 11381
treatment or service requested by and provided to that person, or 11382
the fee for a random drug test assessed under division (E) of 11383
section 341.26 of the Revised Code. 11384

(F)(1) The corrections commission of a center established 11385

under this section may establish a commissary for the center. The 11386
commissary may be established either in-house or by another 11387
arrangement. If a commissary is established, all persons 11388
incarcerated in the center shall receive commissary privileges. A 11389
person's purchases from the commissary shall be deducted from the 11390
person's account record in the center's business office. The 11391
commissary shall provide for the distribution to indigent persons 11392
incarcerated in the center of necessary hygiene articles and 11393
writing materials. 11394

(2) If a commissary is established, the corrections 11395
commission of a center established under this section shall 11396
establish a commissary fund for the center. The management of 11397
funds in the commissary fund shall be strictly controlled in 11398
accordance with procedures adopted by the auditor of state. 11399
Commissary fund revenue over and above operating costs and reserve 11400
shall be considered profits. All profits from the commissary fund 11401
shall be used to purchase supplies and equipment for the benefit 11402
of persons incarcerated in the center and to pay salary and 11403
benefits for employees of the center, or for any other persons, 11404
who work in or are employed for the sole purpose of providing 11405
service to the commissary. The corrections commission shall adopt 11406
rules and regulations for the operation of any commissary fund it 11407
establishes. 11408

(G) In lieu of forming a corrections commission to administer 11409
a multicounty correctional center or a municipal-county or 11410
multicounty-municipal correctional center, the boards of county 11411
commissioners and the legislative authorities of the municipal 11412
corporations contracting to establish the center may also agree to 11413
contract for the private operation and management of the center as 11414
provided in section 9.06 of the Revised Code, ~~but only if the~~ 11415
~~center houses only misdemeanor inmates.~~ In order to enter into a 11416
contract under section 9.06 of the Revised Code, all the boards 11417

and legislative authorities establishing the center shall approve 11418
and be parties to the contract. 11419

(H) If a person who is convicted of or pleads guilty to an 11420
offense is sentenced to a term in a multicounty correctional 11421
center or a municipal-county or multicounty-municipal correctional 11422
center or is incarcerated in the center in the manner described in 11423
division (C) of this section, or if a person who is arrested for 11424
an offense, and who has been denied bail or has had bail set and 11425
has not been released on bail is confined in a multicounty 11426
correctional center or a municipal-county or multicounty-municipal 11427
correctional center pending trial, at the time of reception and at 11428
other times the officer, officers, or other person in charge of 11429
the operation of the center determines to be appropriate, the 11430
officer, officers, or other person in charge of the operation of 11431
the center may cause the convicted or accused offender to be 11432
examined and tested for tuberculosis, HIV infection, hepatitis, 11433
including but not limited to hepatitis A, B, and C, and other 11434
contagious diseases. The officer, officers, or other person in 11435
charge of the operation of the center may cause a convicted or 11436
accused offender in the center who refuses to be tested or treated 11437
for tuberculosis, HIV infection, hepatitis, including but not 11438
limited to hepatitis A, B, and C, or another contagious disease to 11439
be tested and treated involuntarily. 11440

(I) As used in this section, "multicounty-municipal" means 11441
more than one county and a municipal corporation, or more than one 11442
municipal corporation and a county, or more than one municipal 11443
corporation and more than one county. 11444

Sec. 319.63. (A) During the first thirty days of each 11445

state all amounts that the county recorder collected as housing 11447
trust fund fees pursuant to section 317.36 of the Revised Code 11448

during the previous calendar quarter. If payment is made to the treasurer of state within the first thirty days of the quarter, the county auditor may retain an administrative fee of one per cent of the amount of the trust fund fees collected during the previous calendar quarter.

(B) The treasurer of state shall deposit the first fifty million dollars of housing trust fund fees received each year pursuant to this section into the low- and moderate-income housing trust fund, created under section 174.02 of the Revised Code, ~~and~~. The treasurer of state shall deposit any amounts received each year in excess of fifty million dollars into the housing trust reserve fund created under section 174.09 of the Revised Code, unless the cash balance of the housing trust reserve fund is greater than fifteen million dollars. In that event, the treasurer of state shall deposit any amounts received each year in excess of fifty million dollars into the state general revenue fund.

(C) The county auditor shall deposit the administrative fee that the auditor is permitted to retain pursuant to division (A) of this section into the county general fund for the county recorder to use in administering the trust fund fee.

Sec. 339.06. (A) The board of county hospital trustees, upon completion of construction or leasing and equipping of a county hospital, shall assume and continue the operation of the hospital.

(B) The board of county hospital trustees shall have the entire management and control of the county hospital. The board may in writing delegate its management and control of the county hospital to the administrator of the county hospital employed under section 339.07 of the Revised Code. The board shall establish such rules for the hospital's government, management, control, and the admission of persons as are expedient.

(C) The board of county hospital trustees has control of the 11479
property of the county hospital, including management and disposal 11480
of surplus property other than real estate or an interest in real 11481
estate. 11482

(D) With respect to the use of funds by the board of county 11483
hospital trustees and its accounting for the use of funds, all of 11484
the following apply: 11485

(1) The board of county hospital trustees has control of all 11486

commissioners as provided for in section 5705.22 of the Revised 11491
Code. 11492

(2) Of the funds used in the county hospital's operation, all 11493
or part of any amount determined not to be necessary to meet 11494
current demands on the hospital may be invested by the board of 11495
county hospital trustees or its designee in any classifications of 11496
securities and obligations eligible for deposit or investment of 11497
county moneys pursuant to section 135.35 of the Revised Code, 11498
subject to the approval of the board's written investment policy 11499
by the county investment advisory committee established pursuant 11500
to section 135.341 of the Revised Code. If a county hospital is 11501
based in a county that has adopted a charter under Section 3 of 11502
Article X, Ohio Constitution, such funds may be invested by the 11503
board of county hospital trustees as provided in this division or 11504

fiscal year to the board of county commissioners for that board's 11512
review. The board of county commissioners shall review and approve 11513
the proposed budget by the first day of the fiscal year to which 11514
the budget applies. If the board of county commissioners has not 11515

leasing, or construction of permanent improvements to county 11534
hospital property; or for making a donation authorized by division 11535
(E) of this section. Each disbursement of funds shall be made on a 11536
voucher signed by signatories designated and approved by the board 11537
of county hospital trustees. 11538

required to file an estimate of contemplated revenue and 11540
expenditures for the ensuing fiscal year under section 5705.28 of 11541

tax for the county hospital, or such a tax is proposed, or the board of county hospital trustees desires that the board of county commissioners make an appropriation to the county hospital for the ensuing fiscal year.

(7) All moneys appropriated by the board of county commissioners or from special levies by the board of county commissioners for the operation of the hospital, when collected shall be paid to the board of county hospital trustees on a warrant of the county auditor and approved by the board of county commissioners.

following requirements: 11577

(a) The term of the contract does not exceed one year, except 11578
that the contract may provide for the automatic renewal of the 11579

transaction device issuer or other guarantor of payment in the 12544
transaction, the underlying obligation shall survive and the 12545
township shall retain all remedies for enforcement that would have 12546
applied if the transaction had not occurred. 12547

(I) A township official or employee who accepts a financial 12548
transaction device payment in accordance with this section and any 12549
applicable state or local policies or rules is immune from 12550
personal liability for the final collection of such payments. 12551

Sec. 505.101. The board of township trustees of any township 12552
may, by resolution, enter into a contract, without advertising or 12553
bidding, for the purchase or sale of motor vehicles, materials, 12554
equipment, or supplies from or to any department, agency, or 12555
political subdivision of the state, for the purchase of services 12556
with a soil and water conservation district established under 12557

Chapter 1515. of the Revised Code, for the purchase of supplies, 12558
services, materials, and equipment with a regional planning 12559
commission pursuant to division (D) of section 713.23 of the 12560
Revised Code, or for the purchase of services from an educational 12561
service center under section 3313.846 of the Revised Code. The 12562
resolution shall: 12563

(A) Set forth the maximum amount to be paid as the purchase 12564
price for the motor vehicles, materials, equipment, supplies, or 12565
services; 12566

(B) Describe the type of motor vehicles, materials, 12567
equipment, supplies, or services that are to be purchased; 12568

(C) Appropriate sufficient funds to pay the purchase price 12569
for the motor vehicles, materials, equipment, supplies, or 12570
services, except that no such appropriation is necessary if funds 12571
have been previously appropriated for the purpose and remain 12572
unencumbered at the time the resolution is adopted. 12573

Sec. 505.1010. A board of township trustees may purchase real 12574
or personal property at public auction by adopting a resolution to 12575
designate an individual, officer, or employee to represent the 12576
board and tender bids at the auction. Any purchase made at a 12577
public auction shall be subject to a maximum purchase price 12578
established by resolution of the board or an appraisal obtained 12579
before the auction and approved by the board of township trustees. 12580
A purchase made under this section shall comply with division (D) 12581
of section 5705.41 of the Revised Code. 12582

Sec. 718.01. Any term used in this chapter that is not 12583
otherwise defined in this chapter has the same meaning as when 12584
used in a comparable context in laws of the United States relating 12585
to federal income taxation or in Title LVII of the Revised Code, 12586
unless a different meaning is clearly required. If a term used in 12587

this chapter that is not otherwise defined in this chapter is used 12588
in a comparable context in both the laws of the United States 12589
relating to federal income tax and in Title LVII of the Revised 12590
Code and the use is not consistent, then the use of the term in 12591
the laws of the United States relating to federal income tax shall 12592
control over the use of the term in Title LVII of the Revised 12593
Code. 12594

As used in this chapter: 12595

(A)(1) "Municipal taxable income" means the following: 12596

(a) For a person other than an individual, income reduced by 12597
exempt income to the extent otherwise included in income and then, 12598
as applicable, apportioned or situated to the municipal corporation 12599
under section 718.02 of the Revised Code, and further reduced by 12600
any pre-2017 net operating loss carryforward available to the 12601
person for the municipal corporation. 12602

(b)(i) For an individual who is a resident of a municipal 12603
corporation other than a qualified municipal corporation, income 12604
reduced by exempt income to the extent otherwise included in 12605
income, then reduced as provided in division (A)(2) of this 12606
section, and further reduced by any pre-2017 net operating loss 12607
carryforward available to the individual for the municipal 12608
corporation. 12609

(ii) For an individual who is a resident of a qualified 12610
municipal corporation, Ohio adjusted gross income reduced by 12611
income exempted, and increased by deductions excluded, by the 12612
qualified municipal corporation from the qualified municipal 12613
corporation's tax ~~on or before December 31, 2013~~. If a qualified 12614
municipal corporation, on or before December 31, 2013, exempts 12615
income earned by individuals who are not residents of the 12616
qualified municipal corporation and net profit of persons that are 12617
not wholly located within the qualified municipal corporation, 12618

such individual or person shall have no municipal taxable income 12619
for the purposes of the tax levied by the qualified municipal 12620
corporation and may be exempted by the qualified municipal 12621
corporation from the requirements of section 718.03 of the Revised 12622
Code. 12623

(c) For an individual who is a nonresident of a municipal 12624
corporation, income reduced by exempt income to the extent 12625

or situated to the municipal corporation under section 718.02 of 12627
the Revised Code, then reduced as provided in division (A)(2) of 12628
this section, and further reduced by any pre-2017 net operating 12629
loss carryforward available to the individual for the municipal 12630
corporation. 12631

(2) In computing the municipal taxable income of a taxpayer 12632
who is an individual, the taxpayer may subtract, as provided in 12633
division (A)(1)(b)(i) or (c) of this section, the amount of the 12634
individual's employee business expenses reported on the 12635
individual's form 2106 that the individual deducted for federal 12636
income tax purposes for the taxable year, subject to the 12637
limitation imposed by section 67 of the Internal Revenue Code. For 12638
the municipal corporation in which the taxpayer is a resident, the 12639
taxpayer may deduct all such expenses allowed for federal income 12640
tax purposes. For a municipal corporation in which the taxpayer is 12641
not a resident, the taxpayer may deduct such expenses only to the 12642
extent the expenses are related to the taxpayer's performance of 12643
personal services in that nonresident municipal corporation. 12644

(B) "Income" means the following: 12645

(1)(a) For residents, all income, salaries, qualifying wages, 12646
commissions, and other compensation from whatever source earned or 12647
received by the resident, including the resident's distributive 12648
share of the net profit of pass-through entities owned directly or 12649
indirectly by the resident and any net profit of the resident. 12650

(b) For the purposes of division (B)(1)(a) of this section: 12651

(i) Any net operating loss of the resident incurred in the 12652
taxable year and the resident's distributive share of any net 12653
operating loss generated in the same taxable year and attributable 12654
to the resident's ownership interest in a pass-through entity 12655
shall be allowed as a deduction, for that taxable year and the 12656
following five taxable years, against any other net profit of the 12657
resident or the resident's distributive share of any net profit 12658
attributable to the resident's ownership interest in a 12659
pass-through entity until fully utilized, subject to division 12660
(B)(1)(d) of this section; 12661

(ii) The resident's distributive share of the net profit of 12662
each pass-through entity owned directly or indirectly by the 12663
resident shall be calculated without regard to any net operating 12664
loss that is carried forward by that entity from a prior taxable 12665
year and applied to reduce the entity's net profit for the current 12666
taxable year. 12667

(c) Division (B)(1)(b) of this section does not apply with 12668
respect to any net profit or net operating loss attributable to an 12669
ownership interest in an S corporation unless shareholders' 12670
distributive shares of net profits from S corporations are subject 12671
to tax in the municipal corporation as provided in division 12672
(C)(14)(b) or (c) of this section. 12673

(d) Any amount of a net operating loss used to reduce a 12674
taxpayer's net profit for a taxable year shall reduce the amount 12675
of net operating loss that may be carried forward to any 12676
subsequent year for use by that taxpayer. In no event shall the 12677
cumulative deductions for all taxable years with respect to a 12678
taxpayer's net operating loss exceed the original amount of that 12679
net operating loss available to that taxpayer. 12680

(2) In the case of nonresidents, all income, salaries, 12681

qualifying wages, commissions, and other compensation from 12682
whatever source earned or received by the nonresident for work 12683
done, services performed or rendered, or activities conducted in 12684
the municipal corporation, including any net profit of the 12685
nonresident, but excluding the nonresident's distributive share of 12686
the net profit or loss of only pass-through entities owned 12687
directly or indirectly by the nonresident. 12688

(3) For taxpayers that are not individuals, net profit of the 12689
taxpayer; 12690

(4) Lottery, sweepstakes, gambling and sports winnings, 12691
winnings from games of chance, and prizes and awards. If the 12692
taxpayer is a professional gambler for federal income tax 12693
purposes, the taxpayer may deduct related wagering losses and 12694
expenses to the extent authorized under the Internal Revenue Code 12695
and claimed against such winnings. 12696

(C) "Exempt income" means all of the following: 12697

(1) The military pay or allowances of members of the armed 12698
forces of the United States or members of their reserve 12699

income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 12704
116th general assembly, may continue to tax that type of income if 12705
a majority of the electors of the municipal corporation voting on 12706
the question of whether to permit the taxation of that type of 12707
intangible income after 1988 voted in favor thereof at an election 12708
held on November 8, 1988. 12709

(3) Social security benefits, railroad retirement benefits, 12710
unemployment compensation, pensions, retirement benefit payments, 12711
payments from annuities, and similar payments made to an employee 12712

or to the beneficiary of an employee under a retirement program or 12713
plan, disability payments received from private industry or local, 12714
state, or federal governments or from charitable, religious or 12715
educational organizations, and the proceeds of sickness, accident, 12716
or liability insurance policies. As used in division (C)(3) of 12717
this section, "unemployment compensation" does not include 12718
supplemental unemployment compensation described in section 12719
3402(o)(2) of the Internal Revenue Code. 12720

(4) The income of religious, fraternal, charitable, 12721
scientific, literary, or educational institutions to the extent 12722
such income is derived from tax-exempt real estate, tax-exempt 12723
tangible or intangible property, or tax-exempt activities. 12724

(5) Compensation paid under section 3501.28 or 3501.36 of the 12725
Revised Code to a person serving as a precinct election official 12726
to the extent that such compensation does not exceed one thousand 12727
dollars for the taxable year. Such compensation in excess of one 12728
thousand dollars for the taxable year may be subject to taxation 12729
by a municipal corporation. A municipal corporation shall not 12730
require the payer of such compensation to withhold any tax from 12731
that compensation. 12732

(6) Dues, contributions, and similar payments received by 12733
charitable, religious, educational, or literary organizations or 12734
labor unions, lodges, and similar organizations; 12735

(7) Alimony and child support received; 12736

(8) Compensation for personal injuries or for damages to 12737
property from insurance proceeds or otherwise, excluding 12738
compensation paid for lost salaries or wages or compensation from 12739
punitive damages; 12740

(9) Income of a public utility when that public utility is 12741
subject to the tax levied under section 5727.24 or 5727.30 of the 12742

(2) of section 5733.05 of the Revised Code if the S corporation 12783
were a corporation subject to taxes imposed under Chapter 5733. of 12784
the Revised Code, the municipal corporation may continue to impose 12785
the tax on such distributive shares to the extent such shares 12786
would be so allocated or apportioned to this state only until 12787

voted in favor of the question, the municipal corporation may 12792
continue after December 31, 2004, to impose the tax on such 12793

(d) A municipal corporation shall be deemed to have elected 12796

of this section. The municipal corporation shall specify by 12801
resolution or ordinance that the tax applies to the distributive 12802
share of a shareholder of an S corporation in the hands of the 12803

qualifying wages are not subject to withholding for the municipal 12812
corporation under either of those divisions. 12813

(b) The exemption provided in division (C)(16)(a) of this 12814
section does not apply with respect to the municipal corporation 12815

to withhold under division (D)(2) of section 718.011 of the 12820
Revised Code. 12821

(d) The exemption provided in division (C)(16)(a) of this 12822

following conditions apply: 12824

(i) For qualifying wages described in division (B)(1) of 12825
section 718.011 of the Revised Code, the employee's employer 12826

For purposes of division (C)(17)(b)(ii) of this section, 12850

figure" have the same meanings as in section 718.011 of the 12852
Revised Code. 12853

(c) Compensation to which division (C)(17) of this section 12854
applies shall be treated as earned or received at the individual's 12855
base of operation. If the individual does not have a base of 12856
operation, the compensation shall be treated as earned or received 12857
where the individual is domiciled. 12858

(d) For purposes of division (C)(17) of this section, "base 12859
of operation" means the location where an individual owns or rents 12860
an office, storefront, or similar facility to which the individual 12861
regularly reports and at which the individual regularly performs 12862
personal services for compensation. 12863

(18) Compensation paid to a person for personal services 12864
performed for a political subdivision on property owned by the 12865

subdivision, if the property on which services are performed is 12869
annexed to a municipal corporation pursuant to section 709.023 of 12870
the Revised Code on or after March 27, 2013, unless the person is 12871

section, the net operating loss carried forward shall be 12888
calculated and deducted in the same manner as provided in division 12889
(E)(8) of this section. 12890

(3) For the purposes of this chapter, and notwithstanding 12891

the disregarded entity. 12895

(E) "Adjusted federal taxable income," for a person required 12896

determined under the Internal Revenue Code, adjusted as follows: 12899

- (1) Deduct intangible income to the extent included in 12900

- (2) Add an amount equal to five per cent of intangible income 12904
deducted under division (E)(1) of this section, but excluding that 12905

1221 or 1231 of the Internal Revenue Code; 12917
- (b) Division (E)(4)(a) of this section does not apply to the 12918
extent the income or gain is income or gain described in section 12919
1245 or 1250 of the Internal Revenue Code. 12920
- (5) Add taxes on or measured by net income allowed as a 12921
deduction in the computation of federal taxable income; 12922
- (6) In the case of a real estate investment trust or 12923
regulated investment company, add all amounts with respect to 12924
dividends to, distributions to, or amounts set aside for or 12925
credited to the benefit of investors and allowed as a deduction in 12926
the computation of federal taxable income; 12927
- (7) Deduct, to the extent not otherwise deducted or excluded 12928
in computing federal taxable income, any income derived from a 12929
transfer agreement or from the enterprise transferred under that 12930

(8)(a) Except as limited by divisions (E)(8)(b), (c), and (d) 12932
of this section, deduct any net operating loss incurred by the 12933
person in a taxable year beginning on or after January 1, 2017. 12934

The amount of such net operating loss shall be deducted from 12935
net profit that is reduced by exempt income to the extent 12936
necessary to reduce municipal taxable income to zero, with any 12937
remaining unused portion of the net operating loss carried forward 12938
to not more than five consecutive taxable years following the 12939
taxable year in which the loss was incurred, but in no case for 12940
more years than necessary for the deduction to be fully utilized. 12941

(b) No person shall use the deduction allowed by division 12942
(E)(8) of this section to offset qualifying wages. 12943

(c)(i) For taxable years beginning in 2018, 2019, 2020, 2021, 12944
or 2022, a person may not deduct, for purposes of an income tax 12945
levied by a municipal corporation that levies an income tax before 12946
January 1, 2016, more than fifty per cent of the amount of the 12947

administrator may request, and the taxpayer shall provide, any 13379
information, statements, or documents required by the municipal 13380
corporation to determine and verify the taxpayer's municipal 13381
income tax liability. The requirements imposed under division (F) 13382

If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(c) An extension of time to file under this division (G)(2) of this section is not an extension of the time to pay any tax due unless the tax administrator grants an extension of that date.

(3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state

income tax return. 13428

(4) If the tax administrator considers it necessary in order 13429
to ensure the payment of the tax imposed by the municipal 13430
corporation in accordance with this chapter, the tax administrator 13431
may require taxpayers to file returns and make payments otherwise 13432
than as provided in this section, including taxpayers not 13433
otherwise required to file annual returns. 13434

(5) To the extent that any provision in this division 13435
conflicts with any provision in section 718.052 of the Revised 13436
Code, the provision in that section prevails. 13437

(H)(1) For taxable years beginning after 2015, a municipal 13438
corporation shall not require a taxpayer to remit tax with respect 13439
to net profits if the amount due is less than ten dollars. 13440

Revised Code. 13447

(1) If any report, claim, statement, or other document 13448
required to be filed, or any payment required to be made, within a 13449
prescribed period or on or before a prescribed date under this 13450
chapter is delivered after that period or that date by United 13451
States mail to the tax administrator or other municipal official 13452
with which the report, claim, statement, or other document is 13453
required to be filed, or to which the payment is required to be 13454
made, the date of the postmark stamped on the cover in which the 13455
report, claim, statement, or other document, or payment is mailed 13456
shall be deemed to be the date of delivery or the date of payment. 13457
"The date of postmark" means, in the event there is more than one 13458

date on the cover, the earliest date imprinted on the cover by the 13459
postal service. 13460

transfer, the payment is considered to be made when the payment is 13462
credited to an account designated by the tax administrator for the 13463
receipt of tax payments, except that, when a payment made by 13464
electronic funds transfer is delayed due to circumstances not 13465
under the control of the taxpayer, the payment is considered to be 13466
made when the taxpayer submitted the payment. 13467

(J) The amounts withheld by an employer, the agent of an 13468
employer, or an other payer as described in section 718.03 of the 13469
Revised Code shall be allowed to the recipient of the compensation 13470
as credits against payment of the tax imposed on the recipient by 13471
the municipal corporation, unless the amounts withheld were not 13472
remitted to the municipal corporation and the recipient colluded 13473
with the employer, agent, or other payer in connection with the 13474
failure to remit the amounts withheld. 13475

(K) Each return required by a municipal corporation to be 13476
filed in accordance with this section shall include a box that the 13477
taxpayer may check to authorize another person, including a tax 13478
return preparer who prepared the return, to communicate with the 13479
tax administrator about matters pertaining to the return. The 13480
return or instructions accompanying the return shall indicate that 13481
by checking the box the taxpayer authorizes the tax administrator 13482
to contact the preparer or other person concerning questions that 13483
arise during the examination or other review of the return and 13484
authorizes the preparer or other person only to provide the tax 13485
administrator with information that is missing from the return, to 13486
contact the tax administrator for information about the 13487
examination or other review of the return or the status of the 13488
taxpayer's refund or payments, and to respond to notices about 13489
mathematical errors, offsets, or return preparation that the 13490

taxpayer has received from the tax administrator and has shown to 13491
the preparer or other person. 13492

(L) The tax administrator of a municipal corporation shall 13493
accept for filing a generic form of any income tax return, report, 13494
or document required by the municipal corporation in accordance 13495
with this chapter, provided that the generic form, once completed 13496
and filed, contains all of the information required by ordinance, 13497
resolution, or rules adopted by the municipal corporation or tax 13498
administrator, and provided that the taxpayer or tax return 13499
preparer filing the generic form otherwise complies with the 13500
provisions of this chapter and of the municipal corporation 13501
ordinance or resolution governing the filing of returns, reports, 13502
or documents. 13503

(M) When income tax returns, reports, or other documents 13504

| permit to operate if either of the following applies: | 14185 |
| (1) The permit application contains misleading or false | 14186 |

| (2) The manure management plan or insect and rodent control | 14188 |
| plan fails to conform to best management practices. | 14189 |
| Additional grounds for the denial of a permit to operate | 14190 |
| shall be those established in this chapter and in rules. | 14191 |
| (E) The director shall issue general permits to operate for | 14192 |
| categories of concentrated animal feeding facilities that will | 14193 |
| apply in lieu of individual permits to operate, provided that each | 14194 |

director shall require the submission of an application for an 14206
individual permit to operate. 14207

(F) A permit to operate shall be valid for a period of five 14208

under this section and by rules, including requirements pertaining 14215
to public notice and participation. 14216

(H) The director may modify, suspend, or revoke a permit to 14217

rules by the director of agriculture, both of the following apply: 14224
14225

concentrated animal feeding facility, including the land 14227

application of manure or the removal of manure from a manure 14228
storage or treatment facility, shall be conducted only by or under 14229
the supervision of a person holding a livestock manager 14230
certification issued under this section. A person managing or 14231
handling manure who is acting under the instructions and control 14232
of a person holding a livestock manager certification is 14233
considered to be under the supervision of the certificate holder 14234
if the certificate holder is responsible for the actions of the 14235
person and is available when needed even though the certificate 14236
holder is not physically present at the time of the manure 14237
management or handling. 14238

manager certification issued under this section. 14243

(B) The director shall issue a livestock manager 14244
certification to a person who has submitted a complete application 14245
for certification on a form prescribed and provided by the 14246
director, together with the appropriate application fee, and who 14247
has completed successfully the required training and has passed 14248
the required examination. The director may suspend or revoke a 14249
livestock manager certification and may reinstate a suspended or 14250
revoked livestock manager certification in accordance with rules. 14251

(C) Information required to be included in an application for 14252
a livestock manager certification, the amount of the application 14253

director's representative shall mail notice of the issuance of a 14263
draft permit to the applicant and shall publish the notice once in 14264
a newspaper of general circulation in the county in which the 14265
concentrated animal feeding facility or discharger is located or 14266
proposed to be located. The director shall mail notice of the 14267
issuance of a draft permit and a copy of the draft permit to the 14268
board of county commissioners of the county and the board of 14269
township trustees of the township in which the concentrated animal 14270
feeding facility or discharger is located or proposed to be 14271
located. The director or the director's representative also shall 14272
provide notice of the issuance of a draft NPDES permit to any 14273
other persons that are entitled to notice under the Federal Water 14274
Pollution Control Act. Notice of the issuance of a draft permit to 14275
install, permit to operate, or NPDES permit shall include the 14276
address where written comments concerning the draft permit may be 14277
submitted and the period of time during which comments will be 14278
accepted as established by rule. 14279

If the director receives written comments in an amount that 14280
demonstrates significant public interest, as defined by rule, in 14281
the draft permit, the director shall schedule one public meeting 14282
to provide information to the public and to hear comments 14283
pertinent to the draft permit. The notice of the public meeting 14284
shall be provided in the same manner as the notice of the issuance 14285
of the draft permit. 14286

install and a permit to operate, including any permit to operate 14288
with NPDES provisions, and public meetings are required for both 14289
permits, the public meetings for the permits shall be combined. 14290

(C) The director shall apply the antidegradation policy 14291
adopted under section 6111.12 of the Revised Code to permits 14292
issued under this chapter to the same degree and under the same 14293
circumstances as it applies to permits issued under Chapter 6111. 14294
of the Revised Code. The director shall hold one public meeting to 14295
consider antidegradation issues when such a meeting is required by 14296
the antidegradation policy. When allowed by the antidegradation 14297
policy, the director shall hold the public meeting on 14298
antidegradation issues concurrently with any public meeting held 14299
for the draft permit. 14300

(D) The director or the director's representative shall 14301
publish notice of the issuance of a final permit to install, 14302
permit to operate, or NPDES permit once in a newspaper of general 14303

facility or discharger is located. 14305

(E) Notice or a public meeting is not required for the 14306
modification of a permit made with the consent of the permittee 14307
for the correction of typographical errors. 14308

(F) The denial, modification, suspension, or revocation of a 14309
permit to install, permit to operate, or NPDES permit without the 14310

with respect to the permit and the reasons for it. 14313

The director shall mail to the applicant or the permittee 14314
notice of the director's proposed action to deny, modify, suspend, 14315
or revoke a permit to install, permit to operate, or NPDES permit. 14316

action to deny, modify, suspend, or revoke a permit to install, 14330
permit to operate, or NPDES permit shall include the address where 14331
written comments concerning the director's proposed action may be 14332
submitted and the period of time during which comments will be 14333
accepted as established by rule. If the director receives written 14334
comments in an amount that demonstrates significant public 14335
interest, as defined by rule, the director shall schedule one 14336
public meeting to provide information to the public and to hear 14337
comments pertinent to the proposed action. The notice of the 14338
public meeting shall be provided in the same manner as the notice 14339
of the director's proposed action. 14340

The director shall not issue an order that makes the proposed 14341
action final until the applicant or permittee has had an 14342
opportunity for an adjudication hearing in accordance with Chapter 14343
119. of the Revised Code, except that section 119.12 of the 14344
Revised Code does not apply. An order of the director that 14345
finalizes the proposed action or an order issuing a permit without 14346
a prior proposed action may be appealed to the environmental 14347
review appeals commission under sections 3745.04 to 3745.06 of the 14348
Revised Code. 14349

concentrated animal feeding facility is in compliance with best 14687
management practices established in the installation permit, or 14688
permit to operate, ~~or review compliance certificate~~ issued for the 14689
concentrated animal feeding facility and the agricultural 14690

nuisances. 14692

Sec. 903.16. (A) The director of agriculture may propose to 14693
require corrective actions and assess a civil penalty against an 14694
owner or operator of a concentrated animal feeding facility if the 14695
director or the director's authorized representative determines 14696
that the owner or operator is not in compliance with section 14697

(D), ~~(E)~~, or ~~(J)~~(I) of section 903.10 of the Revised Code. 14704

deficiencies resulting in noncompliance, the actions that the 14708
owner or operator must take to correct the deficiencies, and the 14709
time period within which the owner or operator must correct the 14710
deficiencies and attain compliance. 14711

(2) After the time period specified in the notice has 14712
elapsed, the director or the director's duly authorized 14713
representative has inspected the concentrated animal feeding 14714
facility, determined that the owner or operator is still not in 14715
compliance, and issued a notice of an adjudication hearing. 14716

(3) The director affords the owner or operator an opportunity 14717
for an adjudication hearing under Chapter 119. of the Revised Code 14718
to challenge the director's determination that the owner or 14719
operator is not in compliance or the imposition of the civil 14720

penalty, or both. However, the owner or operator may waive the right to an adjudication hearing.

(B) If the opportunity for an adjudication hearing is waived or if, after an adjudication hearing, the director determines that a violation has occurred or is occurring, the director may issue an order requiring compliance and assess the civil penalty. The order and the assessment of the civil penalty may be appealed in accordance with section 119.12 of the Revised Code.

writing, to bring an action for a civil penalty in a court of 14763
competent jurisdiction against any person that has violated or is 14764

violating section 903.02, or 903.03, ~~or 903.04~~ of the Revised 14773
Code, rules adopted under division (A), (B), (C), (D), ~~(E)~~, or 14774
~~(J)~~(I) of section 903.10 of the Revised Code, or an order issued 14775
under division (B) of this section or division (B) of section 14776

of not more than ten thousand dollars per violation. Each day that 14781
a violation continues constitutes a separate violation. 14782

(E) In addition to any other penalties imposed under this 14783

section, the director may impose an administrative penalty against 14784
an owner or operator of a concentrated animal feeding facility if 14785
the director or the director's authorized representative 14786
determines that the owner or operator is not in compliance with 14787
best management practices that are established in rules adopted 14788
under division (B) or (C) ~~or (D)~~ of section 903.10 of the Revised 14789

Revised Code to challenge the director's determination under this 14795
division, the director's imposition of an administrative penalty 14796
under this division, or both. The director's determination and the 14797
imposition of the administrative penalty may be appealed in 14798
accordance with section 119.12 of the Revised Code. 14799

Sec. 903.17. (A) The director of agriculture may propose to 14800
require corrective actions and assess a civil penalty against an 14801

(B) If the opportunity for an adjudication hearing is waived or if, after an adjudication hearing, the director determines that a violation has occurred or is occurring, the director may issue an order and assess a civil penalty of not more than ten thousand dollars per violation against the violator. For purposes of determining the civil penalty, each day that a violation continues constitutes a separate and distinct violation. The order and the assessment of the civil penalty may be appealed in accordance with section 119.12 of the Revised Code.

(C) To the extent consistent with the Federal Water Pollution Control Act, the director shall consider technical feasibility and economic costs in issuing orders under this section.

If a dog warden has reason to believe that a dog is being 14953
treated inhumanely on the premises of its owner, keeper, or 14954
harborer, the warden shall apply to the court of common pleas for 14955
the county in which the premises are located for an order to enter 14956

under this chapter or one licensed under Chapter 956. of the 14980
Revised Code or on the premises of an institution or organization 14981

Revised Code, if such society whose agents are so employed owns or 15153
controls a suitable place for keeping and destroying dogs. 15154

Sec. 955.20. The registration fees provided for in sections 15155

known as "the dog and kennel fund." The fees shall be deposited by 15157
the county auditor in the county treasury daily as collected. 15158

Money in the fund shall be used for the purpose of defraying the 15159
cost of furnishing all blanks, records, tags, nets, and other 15160

expenses incurred by the county auditor as authorized by division 15174
~~(F)~~(E)(3) of section 955.14 of the Revised Code. 15175

If the funds so appropriated in any calendar year are found 15176
by the board to be insufficient to defray the necessary cost and 15177
expense of the county dog warden in enforcing sections 955.01 to 15178
955.27 of the Revised Code, the board, by resolution so provided, 15179
~~after setting aside a sum equal to the total amount of animal~~ 15180
~~claims filed in that calendar year, or an amount equal to the~~ 15181
~~total amount of animal claims paid or allowed the preceding year,~~ 15182

employed pursuant to law, may pay to the treasurer of the society, 15201
upon warrant of the county auditor, all such excess as the board 15202
deems necessary for the uses and purposes of the society. 15203

~~As used in this section, "animal" has the same meaning as in~~ 15204
~~section 955.51 of the Revised Code.~~ 15205

regular mail, of a drilling permit application to the clerk of the 16001
legislative authority of the municipal corporation or to the clerk 16002
of the township in which the well or proposed well is or is to be 16003
located if the legislative authority of the municipal corporation 16004

for expedited review is filed under this section. However, the 16013
chief shall issue a permit within twenty-one days of the filing of 16014
the application unless the chief denies the application by order. 16015

(2) If the location of a well or proposed well will be or is 16016
within an urbanized area, the chief shall not issue a permit for 16017
at least eighteen days after the date of filing of the application 16018
for the permit unless, upon reasonable cause shown, the chief 16019
waives that period or the chief at the chief's discretion grants a 16020

request for an expedited review. However, the chief shall issue a permit for a well or proposed well within an urbanized area within thirty days of the filing of the application unless the chief denies the application by order.

(D) An applicant may file a request with the chief for expedited review of a permit application if the well is not or is not to be located in a gas storage reservoir or reservoir protective area, as "reservoir protective area" is defined in section 1571.01 of the Revised Code. If the well is or is to be located in a coal bearing township, the application shall be accompanied by the affidavit of the landowner prescribed in section 1509.08 of the Revised Code.

In addition to a complete application for a permit that meets the requirements of this section and the permit fee prescribed by this section, a request for expedited review shall be accompanied by a separate nonrefundable filing fee of two hundred fifty dollars. Upon the filing of a request for expedited review, the chief shall cause the county engineer of the county in which the well is or is to be located to be notified of the filing of the permit application and the request for expedited review by telephone or other means that in the judgment of the chief will provide timely notice of the application and request. The chief shall issue a permit within seven days of the filing of the request unless the chief denies the application by order. Notwithstanding the provisions of this section governing expedited review of permit applications, the chief may refuse to accept requests for expedited review if, in the chief's judgment, the acceptance of the requests would prevent the issuance, within twenty-one days of their filing, of permits for which applications are pending.

(E) A well shall be drilled and operated in accordance with the plans, sworn statements, and other information submitted in

the approved application. 16053

(F) The chief shall issue an order denying a permit if the 16054

will result in violations of this chapter or rules adopted under 16056
it that will present an imminent danger to public health or safety 16057
or damage to the environment, provided that where the chief finds 16058
that terms or conditions to the permit can reasonably be expected 16059
to prevent such violations, the chief shall issue the permit 16060
subject to those terms or conditions, including, if applicable, 16061
terms and conditions regarding subjects identified in rules 16062
adopted under section 1509.03 of the Revised Code. The issuance of 16063
a permit shall not be considered an order of the chief. 16064

The chief shall post notice of each permit that has been 16065
approved under this section on the division's web site not later 16066
than two business days after the application for a permit has been 16067
approved. 16068

(G) Each application for a permit required by section 1509.05 16069

determined using the most recent federal decennial census. 16087

Each application for the revision or reissuance of a permit 16088
shall be accompanied by a nonrefundable fee of two hundred fifty 16089
dollars. 16090

(H)(1) Prior to the commencement of well pad construction and 16091
prior to the issuance of a permit to drill a proposed horizontal 16092
well or a proposed well that is to be located in an urbanized 16093
area, the division shall conduct a site review to identify and 16094
evaluate any site-specific terms and conditions that may be 16095
attached to the permit. At the site review, a representative of 16096
the division shall consider fencing, screening, and landscaping 16097

which the well is proposed to be located. The terms and conditions 16099
that are attached to the permit shall include the establishment of 16100
fencing, screening, and landscaping requirements for the surface 16101

(D) Failure to comply with this section is a strict liability offense, and section 2901.20 of the Revised Code does not apply. The designation of that failure as a strict liability offense shall not be construed to imply that any other offense, for which there is no specified degree of culpability, is not a strict liability offense. 16278

Sec. 1509.27. ~~If a tract of land is~~ or tracts are of 16284
insufficient size or shape to meet the requirements for drilling a 16285
proposed well thereon as provided in section 1509.24 or 1509.25 of 16286
the Revised Code, whichever is applicable, and the owner ~~of the~~ 16287
~~tract who also is the owner of the mineral interest~~ has been 16288
unable to form a drilling unit under agreement as provided in 16289
section 1509.26 of the Revised Code, on a just and equitable 16290
basis, ~~such an~~ the owner may make application to the division of 16291
oil and gas resources management for a mandatory pooling order. 16292

The application shall include information as shall be 16293
reasonably required by the chief of the division of oil and gas 16294
resources management and shall be accompanied by an application 16295
for a permit as required by section 1509.05 of the Revised Code. 16296
The chief shall notify all mineral rights owners of ~~land~~ tracts 16297
within the area proposed to be pooled by an order and included 16298

within the drilling unit of the filing of the application and of 16299
their right to a hearing. After the hearing or after the 16300
expiration of thirty days from the date notice of application was 16301
mailed to such owners, the chief, if satisfied that the 16302
application is proper in form and that mandatory pooling is 16303
necessary to protect correlative rights and to provide effective 16304
development, use, and conservation of oil and gas, shall issue a 16305
drilling permit and a mandatory pooling order complying with the 16306
requirements for drilling a well as provided in section 1509.24 or 16307
1509.25 of the Revised Code, whichever is applicable. The 16308
mandatory pooling order shall: 16309

(A) Designate the boundaries of the drilling unit within 16310
which the well shall be drilled; 16311

(B) Designate the proposed production site; 16312

(C) Describe each separately owned tract or part thereof 16313
pooled by the order; 16314

(D) Allocate on a surface acreage basis a pro rata portion of 16315
the production to ~~the owner of~~ each tract pooled by the order. The 16316
pro rata portion shall be in the same proportion that the 16317
percentage of the ~~owner's~~ tract's acreage is to the state minimum 16318
acreage requirements established in rules adopted under this 16319
chapter for a drilling unit unless the applicant demonstrates to 16320
the chief using geological evidence that the geologic structure 16321
containing the oil or gas is larger than the minimum acreage 16322
requirement in which case the pro rata portion shall be in the 16323
same proportion that the percentage of the ~~owner's~~ tract's acreage 16324
is to the geologic structure. 16325

(E) Specify the basis upon which each mineral rights owner of 16326
a tract pooled by the order shall share all reasonable costs and 16327
expenses of drilling and producing if the mineral rights owner 16328
elects to participate in the drilling and operation of the well; 16329

(F) Designate the person to whom the permit shall be issued. 16330

A person shall not submit more than five applications for 16331
mandatory pooling orders per year under this section unless 16332
otherwise approved by the chief. 16333

No surface operations or disturbances to the surface of the 16334
land shall occur on a tract pooled by an order without the written 16335
consent of or a written agreement with the surface rights owner of 16336
the tract that approves the operations or disturbances. 16337

If ~~an~~ a mineral rights owner of a tract pooled by the order 16338
does not elect to participate in the risk and cost of the drilling 16339
and operation of a well, the mineral rights owner shall be 16340
designated as a nonparticipating owner in the drilling and 16341
operation of the well on a limited or carried basis and is subject 16342
to terms and conditions determined by the chief to be just and 16343
reasonable. In addition, if ~~an~~ a mineral rights owner is 16344
designated as a nonparticipating owner, the mineral rights owner 16345
is not liable for actions or conditions associated with the 16346
drilling or operation of the well. If the applicant bears the 16347
costs of drilling, equipping, and operating a well for the benefit 16348
of a nonparticipating owner, as provided for in the pooling order, 16349
then the applicant shall be entitled to the share of production 16350
from the drilling unit accruing to the interest of that 16351
nonparticipating owner, exclusive of the nonparticipating owner's 16352
proportionate share of the royalty interest until there has been 16353
received the share of costs charged to that nonparticipating owner 16354
plus such additional percentage of the share of costs as the chief 16355
shall determine. The total amount receivable hereunder shall in no 16356
event exceed two hundred per cent of the share of costs charged to 16357
that nonparticipating owner. After receipt of that share of costs 16358
by such an applicant, a nonparticipating owner shall receive a 16359
proportionate share of the working interest in the well in 16360
addition to a proportionate share of the royalty interest, if any. 16361

If there is a dispute as to costs of drilling, equipping, or 16362
operating a well, the chief shall determine those costs. 16363

Sec. 1509.33. (A) Whoever violates sections 1509.01 to 16364
1509.31 of the Revised Code, or any rules adopted or orders or 16365
terms or conditions of a permit or registration certificate issued 16366
pursuant to these sections for which no specific penalty is 16367
provided in this section, shall pay a civil penalty of not more 16368
than ~~four~~ ten thousand dollars for each offense. 16369

(B) Whoever violates section 1509.221 of the Revised Code or 16370
any rules adopted or orders or terms or conditions of a permit 16371
issued thereunder shall pay a civil penalty of not more than ~~two~~ 16372
ten thousand ~~five hundred~~ dollars for each violation. 16373

(C) Whoever violates division (D) of section 1509.22 or 16374
division (A)(1) of section 1509.222 of the Revised Code shall pay 16375
a civil penalty of not less than two thousand five hundred dollars 16376
nor more than twenty thousand dollars for each violation. 16377

(D) Whoever violates division (A) of section 1509.22 of the 16378
Revised Code shall pay a civil penalty of not less than two 16379
thousand five hundred dollars nor more than ten thousand dollars 16380
for each violation. 16381

(E) Whoever violates division (A) of section 1509.223 of the 16382
Revised Code shall pay a civil penalty of not more than ten 16383
thousand dollars for each violation. 16384

(F) Whoever violates section 1509.072 of the Revised Code or 16385
any rules adopted or orders issued to administer, implement, or 16386
enforce that section shall pay a civil penalty of not more than 16387
five thousand dollars for each violation. 16388

(G) In addition to any other penalties provided in this 16389
chapter, whoever violates section 1509.05, section 1509.21, 16390
division (B) of section 1509.22, or division (A)(1) of section 16391

1509.222 of the Revised Code or a term or condition of a permit or 16392
an order issued by the chief of the division of oil and gas 16393
resources management under this chapter or knowingly violates 16394
division (A) of section 1509.223 of the Revised Code is liable for 16395
any damage or injury caused by the violation and for the actual 16396
cost of rectifying the violation and conditions caused by the 16397
violation. If two or more persons knowingly violate one or more of 16398
those divisions in connection with the same event, activity, or 16399
transaction, they are jointly and severally liable under this 16400
division. 16401

(H) The attorney general, upon the request of the chief of 16402
the division of oil and gas resources management, shall commence 16403
an action under this section against any person who violates 16404
sections 1509.01 to 1509.31 of the Revised Code, or any rules 16405
adopted or orders or terms or conditions of a permit or 16406
registration certificate issued pursuant to these sections. Any 16407
action under this section is a civil action, governed by the Rules 16408
of Civil Procedure and other rules of practice and procedure 16409
applicable to civil actions. The remedy provided in this division 16410
is cumulative and concurrent with any other remedy provided in 16411
this chapter, and the existence or exercise of one remedy does not 16412
prevent the exercise of any other, except that no person shall be 16413
subject to both a civil penalty under division (A), (B), (C), or 16414
(D) of this section and a ~~criminal penalty under~~ fine established 16415
in section 1509.99 of the Revised Code for the same offense. 16416

(I) For purposes of this section, each day of violation 16417
constitutes a separate offense. 16418

Sec. 1513.07. (A)(1) No operator shall conduct a coal mining 16419
operation without a permit for the operation issued by the chief 16420
of the division of mineral resources management. 16421

(2) All permits issued pursuant to this chapter shall be 16422

issued for a term not to exceed five years, except that, if the 16423
applicant demonstrates that a specified longer term is reasonably 16424
needed to allow the applicant to obtain necessary financing for 16425
equipment and the opening of the operation and if the application 16426
is full and complete for the specified longer term, the chief may 16427
grant a permit for the longer term. A successor in interest to a 16428
permittee who applies for a new permit within thirty days after 16429
succeeding to the interest and who is able to obtain the 16430
performance security of the original permittee may continue coal 16431
mining and reclamation operations according to the approved mining 16432
and reclamation plan of the original permittee until the 16433
successor's application is granted or denied. 16434

(3) A permit shall terminate if the permittee has not 16435
commenced the coal mining operations covered by the permit within 16436
three years after the issuance of the permit, except that the 16437
chief may grant reasonable extensions of the time upon a showing 16438
that the extensions are necessary by reason of litigation 16439
precluding the commencement or threatening substantial economic 16440
loss to the permittee or by reason of conditions beyond the 16441
control and without the fault or negligence of the permittee, and 16442
except that with respect to coal to be mined for use in a 16443
synthetic fuel facility or specified major electric generating 16444
facility, the permittee shall be deemed to have commenced coal 16445
mining operations at the time construction of the synthetic fuel 16446
or generating facility is initiated. 16447

(4)(a) Any permit issued pursuant to this chapter shall carry 16448
with it the right of successive renewal upon expiration with 16449
respect to areas within the boundaries of the permit. The holders 16450
of the permit may apply for renewal and the renewal shall be 16451
issued unless the chief determines by written findings, subsequent 16452
to fulfillment of the public notice requirements of this section 16453
and section 1513.071 of the Revised Code through demonstrations by 16454

opponents of renewal or otherwise, that one or more of the 16455
following circumstances exists: 16456

(i) The terms and conditions of the existing permit are not 16457
being satisfactorily met. 16458

(ii) The present coal mining and reclamation operation is not 16459
in compliance with the environmental protection standards of this 16460
chapter. 16461

(iii) The renewal requested substantially jeopardizes the 16462
operator's continuing responsibilities on existing permit areas. 16463

(iv) The applicant has not provided evidence that the 16464
performance security in effect for the operation will continue in 16465
effect for any renewal requested in the application. 16466

(v) Any additional, revised, or updated information required 16467
by the chief has not been provided. Prior to the approval of any 16468
renewal of a permit, the chief shall provide notice to the 16469
appropriate public authorities as prescribed by rule of the chief. 16470

(b) If an application for renewal of a valid permit includes 16471
a proposal to extend the mining operation beyond the boundaries 16472
authorized in the existing permit, the portion of the application 16473
for renewal of a valid permit that addresses any new land areas 16474
shall be subject to the full standards applicable to new 16475
applications under this chapter. 16476

(c) A permit renewal shall be for a term not to exceed the 16477
period of the original permit established by this chapter. 16478
Application for permit renewal shall be made at least one hundred 16479
twenty days prior to the expiration of the valid permit. 16480

(5) A permit issued pursuant to this chapter does not 16481
eliminate the requirements for obtaining a permit to install or 16482
modify a disposal system or any part thereof or to discharge 16483
sewage, industrial waste, or other wastes into the waters of the 16484

state in accordance with Chapter 6111. of the Revised Code. 16485

(B)(1) The permit application shall be submitted in a manner 16486
satisfactory to the chief and shall contain, among other things, 16487
all of the following: 16488

anticipated mining in the area upon the hydrology of the area and 16581
particularly upon water availability, but this determination shall 16582
not be required until hydrologic information of the general area 16583
prior to mining is made available from an appropriate federal or 16584
state agency; however, the permit shall not be approved until the 16585

immediately underneath the coal to be mined, except that this 16642
division may be waived by the chief with respect to the specific 16643
application by a written determination that its requirements are 16644
unnecessary. If the test borings or core samplings from the permit 16645
area indicate the existence of potentially acid forming or toxic 16646
forming quantities of sulfur in the coal or overburden to be 16647
disturbed by mining, the application also shall include a 16648

agriculture in order to confirm the exact location of the prime 16658
farmlands, if any; 16659

(q) A certificate issued by an insurance company authorized 16660
to do business in this state certifying that the applicant has a 16661
public liability insurance policy in force for the coal mining and 16662
reclamation operations for which the permit is sought or evidence 16663
that the applicant has satisfied other state self-insurance 16664
requirements. The policy shall provide for personal injury and 16665
property damage protection in an amount adequate to compensate any 16666
persons damaged as a result of coal mining and reclamation 16667
operations, including the use of explosives, and entitled to 16668
compensation under the applicable provisions of state law. The 16669
policy shall be maintained in effect during the term of the permit 16670
or any renewal, including the length of all reclamation 16671
operations. The insurance company shall give prompt notice to the 16672
permittee and the chief if the public liability insurance policy 16673

lapses for any reason including the nonpayment of insurance 16674
premiums. Upon the lapse of the policy, the chief may suspend the 16675
permit and all other outstanding permits until proper insurance 16676
coverage is obtained. 16677

(r) The business telephone number of the applicant; 16678

(s) If the applicant seeks an authorization under division 16679
(E)(7) of this section to conduct coal mining and reclamation 16680
operations on areas to be covered by the permit that were affected 16681
by coal mining operations before August 3, 1977, that have 16682
resulted in continuing water pollution from or on the previously 16683
mined areas, such additional information pertaining to those 16684
previously mined areas as may be required by the chief, including, 16685
without limitation, maps, plans, cross sections, data necessary to 16686
determine existing water quality from or on those areas with 16687

to pH, iron, and manganese. 16690

(2) Information pertaining to coal seams, test borings, core 16691
samplings, or soil samples as required by this section shall be 16692
made available by the chief to any person with an interest that is 16693
or may be adversely affected, except that information that 16694
pertains only to the analysis of the chemical and physical 16695
properties of the coal, excluding information regarding mineral or 16696
elemental content that is potentially toxic in the environment, 16697
shall be kept confidential and not made a matter of public record. 16698

(3)(a) If the chief finds that the probable total annual 16699
production at all locations of any operator will not exceed three 16700
hundred thousand tons, the following activities, upon the written 16701
request of the operator in connection with a permit application, 16702
shall be performed by a qualified public or private laboratory or 16703
another public or private qualified entity designated by the 16704
chief, and the cost of the activities shall be assumed by the 16705

(2) With regard to requests for an exemption from the 16838
requirements of this chapter for coal extraction incidental to the 16839
extraction of other minerals, as described in division (H)(1)(a) 16840
of section 1513.01 of the Revised Code, confidential information 16841
includes and is limited to information concerning trade secrets or 16842
privileged commercial or financial information relating to the 16843
competitive rights of the persons intending to conduct the 16844
extraction of minerals. 16845

(E)(1) Upon the basis of a complete mining application and 16846
reclamation plan or a revision or renewal thereof, as required by 16847
this chapter, and information obtained as a result of public 16848
notification and public hearing, if any, as provided by section 16849
1513.071 of the Revised Code, the chief shall grant, require 16850
modification of, or deny the application for a permit and notify 16851
the applicant in writing in accordance with division (I)(3) of 16852
this section. An application is deemed to be complete as submitted 16853
to the chief unless the chief, within fourteen days of the 16854
submission, identifies deficiencies in the application in writing 16855
and subsequently submits a copy of a written list of deficiencies 16856
to the applicant. An application shall not be considered 16857
incomplete or denied by reason of right of entry documentation, 16858
provided that the applicant documents the applicant's legal right 16859

to enter and mine at least sixty-seven per cent of the total area 16860
for which coal mining operations are proposed. 16861

A decision of the chief denying a permit shall state in 16862
writing the specific reasons for the denial. 16863

The applicant for a permit or revision of a permit has the 16864
burden of establishing that the application is in compliance with 16865
all the requirements of this chapter. Within ten days after the 16866
granting of a permit, the chief shall notify the boards of 16867
township trustees and county commissioners, the mayor, and the 16868
legislative authority in the township, county, and municipal 16869
corporation in which the area of land to be affected is located 16870
that a permit has been issued and shall describe the location of 16871
the land. However, failure of the chief to notify the local 16872
officials shall not affect the status of the permit. 16873

(2) No permit application or application for revision of an 16874
existing permit shall be approved unless the application 16875
affirmatively demonstrates and the chief finds in writing on the 16876
basis of the information set forth in the application or from 16877
information otherwise available, which shall be documented in the 16878
approval and made available to the applicant, all of the 16879
following: 16880

(a) The application is accurate and complete and all the 16881
requirements of this chapter have been complied with. 16882

(b) The applicant has demonstrated that the reclamation 16883
required by this chapter can be accomplished under the reclamation 16884
plan contained in the application. 16885

(c)(i) Assessment of the probable cumulative impact of all 16886
anticipated mining in the general and adjacent area on the 16887
hydrologic balance specified in division (B)(1)(k) of this section 16888
has been made by the chief, and the proposed operation has been 16889
designed to prevent material damage to hydrologic balance outside 16890

the permit area. 16891

(ii) There shall be an ongoing process conducted by the chief 16892
in cooperation with other state and federal agencies to review all 16893
assessments of probable cumulative impact of coal mining in light 16894
of post-mining data and any other hydrologic information as it 16895
becomes available to determine if the assessments were realistic. 16896
The chief shall take appropriate action as indicated in the review 16897
process. 16898

(d) The area proposed to be mined is not included within an 16899
area designated unsuitable for coal mining pursuant to section 16900
1513.073 of the Revised Code or is not within an area under study 16901
for such designation in an administrative proceeding commenced 16902
pursuant to division (A)(3)(c) or (B) of section 1513.073 of the 16903
Revised Code unless in an area as to which an administrative 16904
proceeding has commenced pursuant to division (A)(3)(c) or (B) of 16905
section 1513.073 of the Revised Code, the operator making the 16906
permit application demonstrates that, prior to January 1, 1977, 16907
the operator made substantial legal and financial commitments in 16908
relation to the operation for which a permit is sought. 16909

(e) In cases where the private mineral estate has been 16910
severed from the private surface estate and surface disturbance 16911
will result from the applicant's proposed use of a strip mining 16912
method, the applicant has submitted to the chief one of the 16913
following: 16914

(i) The written consent of the surface owner to the surface 16915
disturbance that will result from the extraction of coal by the 16916
applicant's proposed strip mining method; 16917

(ii) A conveyance that expressly grants or reserves the right 16918
to extract the coal by strip mining methods that cause surface 16919
disturbance; 16920

(iii) If the conveyance does not expressly grant the right to 16921

extract coal by strip mining methods that cause surface 16922
disturbance, the surface-subsurface legal relationship concerning 16923
surface disturbance shall be determined under the law of this 16924
state. This chapter does not authorize the chief to adjudicate 16925
property rights disputes. 16926

(3)(a) The applicant shall file with the permit application a 16927
schedule listing all notices of violations of any law, rule, or 16928
regulation of the United States or of any department or agency 16929
thereof or of any state pertaining to air or water environmental 16930
protection incurred by the applicant in connection with any coal 16931
mining operation during the three-year period prior to the date of 16932
application. The schedule also shall indicate the final resolution 16933
of such a notice of violation. Upon receipt of an application, the 16934
chief shall provide a schedule listing all notices of violations 16935
of this chapter pertaining to air or water environmental 16936
protection incurred by the applicant during the three-year period 16937
prior to receipt of the application and the final resolution of 16938
all such notices of violation. The chief shall provide this 16939
schedule to the applicant for filing by the applicant with the 16940
application filed for public review, as required by division 16941
(B)(5) of this section. When the schedule or other information 16942
available to the chief indicates that any coal mining operation 16943
owned or controlled by the applicant is currently in violation of 16944
such laws, the permit shall not be issued until the applicant 16945
submits proof that the violation has been corrected or is in the 16946
process of being corrected to the satisfaction of the regulatory 16947
authority, department, or agency that has jurisdiction over the 16948
violation and that any civil penalties owed to the state for a 16949
violation and not the subject of an appeal have been paid. No 16950
permit shall be issued to an applicant after a finding by the 16951
chief that the applicant or the operator specified in the 16952
application controls or has controlled mining operations with a 16953
demonstrated pattern of willful violations of this chapter of a 16954

nature and duration to result in irreparable damage to the 16955
environment as to indicate an intent not to comply with or a 16956
disregard of this chapter. 16957

(b) For the purposes of division (E)(3)(a) of this section, 16958
any violation resulting from an unanticipated event or condition 16959
at a surface coal mining operation on lands eligible for remining 16960
under a permit held by the person submitting an application for a 16961
coal mining permit under this section shall not prevent issuance 16962
of that permit. As used in this division, "unanticipated event or 16963
condition" means an event or condition encountered in a remining 16964
operation that was not contemplated by the applicable surface coal 16965
mining and reclamation permit. 16966

(4)(a) In addition to finding the application in compliance 16967
with division (E)(2) of this section, if the area proposed to be 16968
mined contains prime farmland as determined pursuant to division 16969
(B)(1)(p) of this section, the chief, after consultation with the 16970
secretary of the United States department of agriculture and 16971
pursuant to regulations issued by the secretary of the interior 16972
with the concurrence of the secretary of agriculture, may grant a 16973
permit to mine on prime farmland if the chief finds in writing 16974
that the operator has the technological capability to restore the 16975
mined area, within a reasonable time, to equivalent or higher 16976
levels of yield as nonmined prime farmland in the surrounding area 16977
under equivalent levels of management and can meet the soil 16978
reconstruction standards in section 1513.16 of the Revised Code. 16979

(b) Division (E)(4)(a) of this section does not apply to a 16980
permit issued prior to August 3, 1977, or revisions or renewals 16981
thereof. 16982

(5) The chief shall issue an order denying a permit after 16983
finding that the applicant has misrepresented or omitted any 16984
material fact in the application for the permit. 16985

(6) The chief may issue an order denying a permit after 16986
finding that the applicant, any partner, if the applicant is a 16987
partnership, any officer, principal shareholder, or director, if 16988
the applicant is a corporation, or any other person who has a 16989
right to control or in fact controls the management of the 16990
applicant or the selection of officers, directors, or managers of 16991
the applicant has been a sole proprietor or partner, officer, 16992
director, principal shareholder, or person having the right to 16993
control or has in fact controlled the management of or the 16994
selection of officers, directors, or managers of a business entity 16995
that ever has had a coal mining license or permit issued by this 16996
or any other state or the United States suspended or revoked, ever 16997
has forfeited a coal or surface mining bond, performance security, 16998
or similar security deposited in lieu of bond in this or any other 16999
state or with the United States, or ever has substantially or 17000
materially failed to comply with this chapter. 17001

(7) When issuing a permit under this section, the chief may 17002
authorize an applicant to conduct coal mining and reclamation 17003
operations on areas to be covered by the permit that were affected 17004
by coal mining operations before August 3, 1977, that have 17005
resulted in continuing water pollution from or on the previously 17006
mined areas for the purpose of potentially reducing the pollution 17007
loadings of pH, iron, and manganese from discharges from or on the 17008
previously mined areas. Following the chief's authorization to 17009
conduct such operations on those areas, the areas shall be 17010
designated as pollution abatement areas for the purposes of this 17011
chapter. 17012

The chief shall not grant an authorization under division 17013
(E)(7) of this section to conduct coal mining and reclamation 17014
operations on any such previously mined areas unless the applicant 17015
demonstrates to the chief's satisfaction that all of the following 17016
conditions are met: 17017

(a) The applicant's pollution abatement plan for mining and reclaiming the previously mined areas represents the best available technology economically achievable.

(b) Implementation of the plan will potentially reduce pollutant loadings of pH, iron, and manganese resulting from discharges of surface waters or ground water from or on the previously mined areas within the permit area.

(c) Implementation of the plan will not cause any additional degradation of surface water quality off the permit area with respect to pH, iron, and manganese.

(d) Implementation of the plan will not cause any additional degradation of ground water.

(e) The plan meets the requirements governing mining and reclamation of such previously mined pollution abatement areas established by the chief in rules adopted under section 1513.02 of the Revised Code.

(f) Neither the applicant; any partner, if the applicant is a partnership; any officer, principal shareholder, or director, if the applicant is a corporation; any other person who has a right to control or in fact controls the management of the applicant or the selection of officers, directors, or managers of the applicant; nor any contractor or subcontractor of the applicant, has any of the following:

(i) Responsibility or liability under this chapter or rules adopted under it as an operator for treating the discharges of water pollutants from or on the previously mined areas for which the authorization is sought;

(ii) Any responsibility or liability under this chapter or rules adopted under it for reclaiming the previously mined areas for which the authorization is sought;

(iii) During the eighteen months prior to submitting the permit application requesting an authorization under division (E)(7) of this section, had a coal mining and reclamation permit suspended or revoked under division (D)(3) of section 1513.02 of the Revised Code for violating this chapter or Chapter 6111. of the Revised Code or rules adopted under them with respect to water quality, effluent limitations, or surface or ground water monitoring;

(iv) Ever forfeited a coal or surface mining bond, performance security, or similar security deposited in lieu of a bond in this or any other state or with the United States.

(8) In the case of the issuance of a permit that involves a conflict of results between various methods of calculating potential acidity and neutralization potential for purposes of assessing the potential for acid mine drainage to occur at a mine site, the permit shall include provisions for monitoring and record keeping to identify the creation of unanticipated acid water at the mine site. If the monitoring detects the creation of acid water at the site, the permit shall impose on the permittee additional requirements regarding mining practices and site reclamation to prevent the discharge of acid mine drainage from the mine site. As used in division (E)(8) of this section, "potential acidity" and "neutralization potential" have the same meanings as in section 1513.075 of the Revised Code.

(F)(1) During the term of the permit, the permittee may submit an application for a revision of the permit, together with a revised reclamation plan, to the chief.

(2) An application for a revision of a permit shall not be approved unless the chief finds that reclamation required by this chapter can be accomplished under the revised reclamation plan. The revision shall be approved or disapproved within ninety days after receipt of a complete revision application. The chief shall

establish, by rule, criteria for determining the extent to which 17080
all permit application information requirements and procedures, 17081
including notice and hearings, shall apply to the revision 17082
request, except that any revisions that propose significant 17083
alterations in the reclamation plan, at a minimum, shall be 17084
subject to notice and hearing requirements. 17085

(3) Any extensions to the area covered by the permit except 17086
incidental boundary revisions shall be made by application for a 17087
permit. 17088

(4) Documents or a notarized statement that form the basis of 17089
the applicant's legal right to enter and commence coal mining 17090
operations on land that is located within an area covered by the 17091
permit and that was legally acquired subsequent to the issuance of 17092
the permit for the area shall be submitted with an application for 17093
a revision of the permit. 17094

(G) No transfer, assignment, or sale of the rights granted 17095
under a permit issued pursuant to this chapter shall be made 17096
without the written approval of the chief. 17097

(H) The chief, within a time limit prescribed in the chief's 17098
rules, shall review outstanding permits and may require reasonable 17099
revision or modification of a permit. A revision or modification 17100
shall be based upon a written finding and subject to notice and 17101
hearing requirements established by rule of the chief. 17102

(I)(1) If an informal conference has been held pursuant to 17103
section 1513.071 of the Revised Code, the chief shall issue and 17104
furnish the applicant for a permit, persons who participated in 17105
the informal conference, and persons who filed written objections 17106
pursuant to division (B) of section 1513.071 of the Revised Code, 17107
with the written finding of the chief granting or denying the 17108
permit in whole or in part and stating the reasons therefor within 17109
sixty days of the conference, provided that the chief shall comply 17110

with the time frames established in division (I)(3) of this section. 17111
17112

(2) If there has been no informal conference held pursuant to section 1513.071 of the Revised Code, the chief shall submit to the applicant for a permit the written finding of the chief granting or denying the permit in whole or in part and stating the reasons therefor within the time frames established in division (I)(3) of this section. 17113

Any time during which the applicant is making revisions to an application or providing additional information requested by the chief regarding an application shall not be included in the two hundred forty days. If the chief determines that a permit cannot be granted or denied within the two-hundred-forty-day time frame, the chief, not later than two hundred ten days after the submission of a complete application for the permit, shall provide the applicant with written notice of the expected delay. 17119

(4) If the application is approved, the permit shall be issued. However, the permit shall prohibit the commencement of coal mining operations on any land that is located within an area covered by the permit if the permittee has not provided to the chief documents that form the basis of the permittee's legal right to enter and conduct coal mining operations on that land. If the application is disapproved, specific reasons therefor shall be set forth in the notification. Within thirty days after the applicant is notified of the final decision of the chief on the permit application, the applicant or any person with an interest that is or may be adversely affected may appeal the decision to the reclamation commission pursuant to section 1513.13 of the Revised Code. 17130

(5) Any applicant or any person with an interest that is or
may be adversely affected who has participated in the
administrative proceedings as an objector and is aggrieved by the
decision of the reclamation commission, or if the commission fails
to act within the time limits specified in this chapter, may
appeal in accordance with section 1513.14 of the Revised Code.

Sec. 1513.16. (A) Any permit issued under this chapter to
conduct coal mining operations shall require that the operations
meet all applicable performance standards of this chapter and such
other requirements as the chief of the division of mineral
resources management shall adopt by rule. General performance
standards shall apply to all coal mining and reclamation
operations and shall require the operator at a minimum to do all
of the following:

(1) Conduct coal mining operations so as to maximize the
utilization and conservation of the solid fuel resource being
recovered so that re-affecting the land in the future through coal
mining can be minimized;

(2) Restore the land affected to a condition capable of
supporting the uses that it was capable of supporting prior to any
mining, or higher or better uses of which there is reasonable
likelihood, so long as the uses do not present any actual or
probable hazard to public health or safety or pose any actual or
probable threat of diminution or pollution of the waters of the
state, and the permit applicants' declared proposed land uses
following reclamation are not considered to be impractical or
unreasonable, to be inconsistent with applicable land use policies
and plans, to involve unreasonable delay in implementation, or to
violate federal, state, or local law;

(3) Except as provided in division (B) of this section, with
respect to all coal mining operations, backfill, compact where

advisable to ensure stability or to prevent leaching of toxic 17174
materials, and grade in order to restore the approximate original 17175
contour of the land with all highwalls, spoil piles, and 17176
depressions eliminated unless small depressions are needed in 17177
order to retain moisture to assist revegetation or as otherwise 17178
authorized pursuant to this chapter, provided that if the operator 17179
demonstrates that due to volumetric expansion the amount of 17180
overburden and the spoil and waste materials removed in the course 17181
of the mining operation are more than sufficient to restore the 17182
approximate original contour, the operator shall backfill, grade, 17183
and compact the excess overburden and other spoil and waste 17184
materials to attain the lowest grade, but not more than the angle 17185
of repose, and to cover all acid-forming and other toxic materials 17186
in order to achieve an ecologically sound land use compatible with 17187
the surrounding region in accordance with the approved mining 17188
plan. The overburden or spoil shall be shaped and graded in such a 17189
way as to prevent slides, erosion, and water pollution and shall 17190
be revegetated in accordance with this chapter. 17191

(4) Stabilize and protect all surface areas, including spoil 17192
piles affected by the coal mining and reclamation operation, to 17193
control erosion and attendant air and water pollution effectively; 17194

(5) Remove the topsoil from the land in a separate layer, 17195
replace it on the backfill area, or, if not utilized immediately, 17196
segregate it in a separate pile from the spoil, and when the 17197
topsoil is not replaced on a backfill area within a time short 17198
enough to avoid deterioration of the topsoil, maintain a 17199
successful cover by quick-growing plants or other means thereafter 17200
so that the topsoil is preserved from wind and water erosion, 17201
remains free of any contamination by acid or other toxic material, 17202
and is in a usable condition for sustaining vegetation when 17203
restored during reclamation. If the topsoil is of insufficient 17204
quantity or of poor quality for sustaining vegetation or if other 17205

strata can be shown to be more suitable for vegetation 17206
requirements, the operator shall remove, segregate, and preserve 17207
in a like manner such other strata as are best able to support 17208
vegetation. 17209

(6) Restore the topsoil or the best available subsoil that is 17210
best able to support vegetation; 17211

(7) For all prime farmlands as identified in division 17212
(B)(1)(p) of section 1513.07 of the Revised Code to be mined and 17213
reclaimed, perform soil removal, storage, replacement, and 17214
reconstruction in accordance with specifications established by 17215
the secretary of the United States department of agriculture under 17216
the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 17217
445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be 17218
required to do all of the following: 17219

(a) Segregate the A horizon of the natural soil, except where 17220
it can be shown that other available soil materials will create a 17221
final soil having a greater productive capacity, and, if not 17222
utilized immediately, stockpile this material separately from the 17223
spoil and provide needed protection from wind and water erosion or 17224
contamination by acid or other toxic material; 17225

(b) Segregate the B horizon of the natural soil, or 17226
underlying C horizons or other strata, or a combination of such 17227
horizons or other strata that are shown to be both texturally and 17228
chemically suitable for plant growth and that can be shown to be 17229
equally or more favorable for plant growth than the B horizon, in 17230
sufficient quantities to create in the regraded final soil a root 17231
zone of comparable depth and quality to that which existed in the 17232
natural soil, and, if not utilized immediately, stockpile this 17233
material separately from the spoil and provide needed protection 17234
from wind and water erosion or contamination by acid or other 17235
toxic material; 17236

- (c) Replace and regrade the root zone material described in 17237
division (A)(7)(b) of this section with proper compaction and 17238
uniform depth over the regraded spoil material; 17239
- (d) Redistribute and grade in a uniform manner the surface 17240
soil horizon described in division (A)(7)(a) of this section. 17241
- (8) Create, if authorized in the approved mining and 17242
reclamation plan and permit, permanent impoundments of water on 17243
mining sites as part of reclamation activities only when it is 17244
adequately demonstrated by the operator that all of the following 17245
conditions will be met: 17246
- (a) The size of the impoundment is adequate for its intended 17247
purposes. 17248
- (b) The impoundment dam construction will be so designed as 17249
to achieve necessary stability with an adequate margin of safety 17250
compatible with that of structures constructed under the 17251
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 17252
(1954), 16 U.S.C. 1001, as amended. 17253
- (c) The quality of impounded water will be suitable on a 17254
permanent basis for its intended use and discharges from the 17255
impoundment will not degrade the water quality below water quality 17256
standards established pursuant to applicable federal and state law 17257
in the receiving stream. 17258
- (d) The level of water will be reasonably stable. 17259
- (e) Final grading will provide adequate safety and access for 17260
proposed water users. 17261
- (f) The water impoundments will not result in the diminution 17262
of the quality or quantity of water utilized by adjacent or 17263
surrounding landowners for agricultural, industrial, recreational, 17264
or domestic uses. 17265
- (9) Conduct any augering operation associated with strip 17266

mining in a manner to maximize recoverability of mineral reserves 17267
remaining after the operation and reclamation are complete and 17268
seal all auger holes with an impervious and noncombustible 17269
material in order to prevent drainage, except where the chief 17270
determines that the resulting impoundment of water in such auger 17271
holes may create a hazard to the environment or the public health 17272
or safety. The chief may prohibit augering if necessary to 17273
maximize the utilization, recoverability, or conservation of the 17274
solid fuel resources or to protect against adverse water quality 17275
impacts. 17276

(10) Minimize the disturbances to the prevailing hydrologic 17277
balance at the mine site and in associated offsite areas and to 17278
the quality and quantity of water in surface and ground water 17279
systems both during and after coal mining operations and during 17280
reclamation by doing all of the following: 17281

(a) Avoiding acid or other toxic mine drainage by such 17282
measures as, but not limited to: 17283

(i) Preventing or removing water from contact with toxic 17284
producing deposits; 17285

(ii) Treating drainage to reduce toxic content that adversely 17286
affects downstream water upon being released to water courses in 17287
accordance with rules adopted by the chief in accordance with 17288
section 1513.02 of the Revised Code; 17289

(iii) Casing, sealing, or otherwise managing boreholes, 17290
shafts, and wells, and keeping acid or other toxic drainage from 17291
entering ground and surface waters. 17292

(b)(i) Conducting coal mining operations so as to prevent, to 17293
the extent possible using the best technology currently available, 17294
additional contributions of suspended solids to streamflow or 17295
runoff outside the permit area, but in no event shall 17296
contributions be in excess of requirements set by applicable state 17297

or federal laws; 17298

(ii) Constructing any siltation structures pursuant to 17299
division (A)(10)(b)(i) of this section prior to commencement of 17300
coal mining operations. The structures shall be certified by 17301
persons approved by the chief to be constructed as designed and as 17302
approved in the reclamation plan. 17303

(c) Cleaning out and removing temporary or large settling 17304
ponds or other siltation structures from drainways after disturbed 17305
areas are revegetated and stabilized, and depositing the silt and 17306
debris at a site and in a manner approved by the chief; 17307

(d) Restoring recharge capacity of the mined area to 17308
approximate premining conditions; 17309

(e) Avoiding channel deepening or enlargement in operations 17310
requiring the discharge of water from mines; 17311

(f) Such other actions as the chief may prescribe. 17312

(11) With respect to surface disposal of mine wastes, 17313
tailings, coal processing wastes, and other wastes in areas other 17314
than the mine working areas or excavations, stabilize all waste 17315
piles in designated areas through construction in compacted 17316
layers, including the use of noncombustible and impervious 17317
materials if necessary, and ensure that the final contour of the 17318
waste pile will be compatible with natural surroundings and that 17319
the site can and will be stabilized and revegetated according to 17320
this chapter; 17321

(12) Refrain from coal mining within five hundred feet of 17322
active and abandoned underground mines in order to prevent 17323
breakthroughs and to protect the health or safety of miners. The 17324
chief shall permit an operator to mine near, through, or partially 17325
through an abandoned underground mine or closer than five hundred 17326
feet to an active underground mine if both of the following 17327
conditions are met: 17328

- (a) The nature, timing, and sequencing of the approximate coincidence of specific strip mine activities with specific underground mine activities are approved by the chief.
- (b) The operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.
- (13) Design, locate, construct, operate, maintain, enlarge, modify, and remove or abandon, in accordance with the standards and criteria developed pursuant to rules adopted by the chief, all existing and new coal mine waste piles consisting of mine wastes, tailings, coal processing wastes, or other liquid and solid wastes, and used either temporarily or permanently as dams or embankments;
- (14) Ensure that all debris, acid-forming materials, toxic materials, or materials constituting a fire hazard are treated or buried and compacted or otherwise disposed of in a manner designed to prevent contamination of ground or surface waters and that contingency plans are developed to prevent sustained combustion;
- (15) Ensure that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable with the coal mining operations, except that where the applicant proposes to combine strip mining operations with underground mining operations to ensure maximum practical recovery of the mineral resources, the chief may grant a variance for specific areas within the reclamation plan from the requirement that reclamation efforts proceed as contemporaneously as practicable to permit underground mining operations prior to reclamation if:
- (a) The chief finds in writing that:
- (i) The applicant has presented, as part of the permit application, specific, feasible plans for the proposed underground

mining operations. 17360

(ii) The proposed underground mining operations are necessary 17361
or desirable to ensure maximum practical recovery of the mineral 17362
resource and will avoid multiple disturbance of the surface. 17363

(iii) The applicant has satisfactorily demonstrated that the 17364
plan for the underground mining operations conforms to 17365
requirements for underground mining in this state and that permits 17366
necessary for the underground mining operations have been issued 17367
by the appropriate authority. 17368

(iv) The areas proposed for the variance have been shown by 17369
the applicant to be necessary for the implementing of the proposed 17370
underground mining operations. 17371

(v) No substantial adverse environmental damage, either 17372
on-site or off-site, will result from the delay in completion of 17373
reclamation as required by this chapter. 17374

(vi) Provisions for the off-site storage of spoil will comply 17375
with division (A)(21) of this section. 17376

(b) The chief has adopted specific rules to govern the 17377
granting of such variances in accordance with this division and 17378
has imposed such additional requirements as the chief considers 17379
necessary. 17380

(c) Variances granted under this division shall be reviewed 17381
by the chief not more than three years from the date of issuance 17382
of the permit. 17383

(d) Liability under the performance security filed by the 17384
applicant with the chief pursuant to section 1513.08 of the 17385
Revised Code shall be for the duration of the underground mining 17386
operations and until the requirements of this section and section 17387
1513.08 of the Revised Code have been fully complied with. 17388

(16) Ensure that the construction, maintenance, and 17389

postmining conditions of access roads into and across the site of 17390
operations will control or prevent erosion and siltation, 17391
pollution of water, and damage to fish or wildlife or their 17392
habitat, or to public or private property; 17393

(17) Refrain from the construction of roads or other access 17394
ways up a stream bed or drainage channel or in such proximity to 17395
the channel as to seriously alter the normal flow of water; 17396

(18) Establish, on the regraded areas and all other lands 17397
affected, a diverse, effective, and permanent vegetative cover of 17398
the same seasonal variety native to the area of land to be 17399
affected and capable of self-regeneration and plant succession at 17400
least equal in extent of cover to the natural vegetation of the 17401
area, except that introduced species may be used in the 17402
revegetation process where desirable and necessary to achieve the 17403
approved postmining land use plan; 17404

(19)(a) Assume the responsibility for successful 17405
revegetation, as required by division (A)(18) of this section, for 17406
a period of five full years after the last year of augmented 17407
seeding, fertilizing, irrigation, or other work in order to ensure 17408
compliance with that division, except that when the chief approves 17409
a long-term intensive agricultural postmining land use, the 17410
applicable five-year period of responsibility for revegetation 17411
shall commence at the date of initial planting for that long-term 17412
intensive agricultural postmining land use, and except that when 17413
the chief issues a written finding approving a long-term intensive 17414
agricultural postmining land use as part of the mining and 17415
reclamation plan, the chief may grant an exception to division 17416
(A)(18) of this section; 17417

(b) On lands eligible for remining, assume the responsibility 17418
for successful revegetation, as required by division (A)(18) of 17419
this section, for a period of two full years after the last year 17420
of augmented seeding, fertilizing, irrigation, or other work in 17421

order to ensure compliance with that division. 17422

(20) Protect off-site areas from slides or damage occurring 17423
during the coal mining and reclamation operations and not deposit 17424
spoil material or locate any part of the operations or waste 17425
accumulations outside the permit area; 17426

(21) Place all excess spoil material resulting from coal 17427
mining and reclamation operations in such a manner that all of the 17428
following apply: 17429

(a) Spoil is transported and placed in a controlled manner in 17430
position for concurrent compaction and in such a way as to ensure 17431
mass stability and to prevent mass movement. 17432

(b) The areas of disposal are within the permit areas for 17433
which performance security has been provided. All organic matter 17434
shall be removed immediately prior to spoil placement except in 17435
the zoned concept method. 17436

(c) Appropriate surface and internal drainage systems and 17437
diversion ditches are used so as to prevent spoil erosion and mass 17438
movement. 17439

(d) The disposal area does not contain springs, natural 17440
watercourses, or wet weather seeps unless lateral drains are 17441
constructed from the wet areas to the main underdrains in such a 17442
manner that filtration of the water into the spoil pile will be 17443
prevented unless the zoned concept method is used. 17444

(e) If placed on a slope, the spoil is placed upon the most 17445
moderate slope among those slopes upon which, in the judgment of 17446
the chief, the spoil could be placed in compliance with all the 17447
requirements of this chapter and is placed, where possible, upon, 17448
or above, a natural terrace, bench, or berm if that placement 17449
provides additional stability and prevents mass movement. 17450

(f) Where the toe of the spoil rests on a downslope, a rock 17451

toe buttress of sufficient size to prevent mass movement is 17452
constructed. 17453

(g) The final configuration is compatible with the natural 17454
drainage pattern and surroundings and suitable for intended uses. 17455

(h) Design of the spoil disposal area is certified by a 17456
qualified registered professional engineer in conformance with 17457
professional standards. 17458

(i) All other provisions of this chapter are met. 17459

(22) Meet such other criteria as are necessary to achieve 17460
reclamation in accordance with the purpose of this chapter, taking 17461
into consideration the physical, climatological, and other 17462
characteristics of the site; 17463

(23) To the extent possible, using the best technology 17464
currently available, minimize disturbances and adverse impacts of 17465
the operation on fish, wildlife, and related environmental values, 17466
and achieve enhancement of such resources where practicable; 17467

(24) Provide for an undisturbed natural barrier beginning at 17468
the elevation of the lowest coal seam to be mined and extending 17469
from the outslope for such distance as the chief shall determine 17470
to be retained in place as a barrier to slides and erosion; 17471

(25) Restore on the permit area streams and wetlands affected 17472
by mining operations unless the chief approves restoration off the 17473
permit area without a permit required by section 1513.07 or 17474
1513.074 of the Revised Code, instead of restoration on the permit 17475
area, of a stream or wetland or a portion of a stream or wetland, 17476
provided that the chief first makes all of the following written 17477
determinations: 17478

(a) A hydrologic and engineering assessment of the affected 17479
lands, submitted by the operator, demonstrates that restoration on 17480
the permit area is not possible. 17481

(b) The proposed mitigation plan under which mitigation activities described in division (A)(25)(c) of this section will be conducted is limited to a stream or wetland, or a portion of a stream or wetland, for which restoration on the permit area is not possible. 17482
17483
17484
17485
17486

(c) Mitigation activities off the permit area, including mitigation banking and payment of in-lieu mitigation fees, will be performed pursuant to a permit issued under sections 401 and 404 of the "Federal Water Pollution Control Act" as defined in section 6111.01 of the Revised Code or an isolated wetland permit issued under Chapter 6111. of the Revised Code or pursuant to a no-cost reclamation contract for the restoration of water resources affected by past mining activities pursuant to section 1513.37 of the Revised Code. 17487
17488
17489
17490
17491
17492
17493
17494
17495

(d) The proposed mitigation plan and mitigation activities comply with the standards established in this section. 17496
17497

If the chief approves restoration off the permit area in accordance with this division, the operator shall complete all mitigation construction or other activities required by the mitigation plan. 17498
17499
17500
17501

Performance security for reclamation activities on the permit area shall be released pursuant to division (F) of this section, except that the release of the remaining portion of performance security under division (F)(3)(c) of this section shall not be approved prior to the construction of required mitigation activities off the permit area. 17502
17503
17504
17505
17506
17507

(B)(1) The chief may permit mining operations for the purposes set forth in division (B)(3) of this section. 17508
17509

(2) When an applicant meets the requirements of divisions (B)(3) and (4) of this section, a permit without regard to the requirement to restore to approximate original contour known as 17510
17511
17512

mountain top removal set forth in divisions (A)(3) or (C)(2) and 17513
(3) of this section may be granted for the mining of coal where 17514
the mining operation will remove an entire coal seam or seams 17515
running through the upper fraction of a mountain, ridge, or hill, 17516
except as provided in division (B)(4)(a) of this section, by 17517
removing all of the overburden and creating a level plateau or a 17518
gently rolling contour with no highwalls remaining, and capable of 17519
supporting postmining uses in accordance with this division. 17520

(3) In cases where an industrial, commercial, agricultural, 17521
residential, or public facility use, including recreational 17522
facilities, is proposed for the postmining use of the affected 17523
land, the chief may grant a permit for a mining operation of the 17524
nature described in division (B)(2) of this section when all of 17525
the following apply: 17526

(a) After consultation with the appropriate land use planning 17527
agencies, if any, the proposed postmining land use is considered 17528
to constitute an equal or better economic or public use of the 17529
affected land, as compared with premining use. 17530

(b) The applicant presents specific plans for the proposed 17531
postmining land use and appropriate assurances that the use will 17532
be all of the following: 17533

(i) Compatible with adjacent land uses; 17534

(ii) Obtainable according to data regarding expected need and 17535
market; 17536

(iii) Assured of investment in necessary public facilities; 17537

(iv) Supported by commitments from public agencies where 17538
appropriate; 17539

(v) Practicable with respect to private financial capability 17540
for completion of the proposed use; 17541

(vi) Planned pursuant to a schedule attached to the 17542

reclamation plan so as to integrate the mining operation and 17543
reclamation with the postmining land use; 17544

(vii) Designed by a registered engineer in conformity with 17545
professional standards established to ensure the stability, 17546
drainage, and configuration necessary for the intended use of the 17547
site. 17548

(c) The proposed use is consistent with adjacent land uses 17549
and existing state and local land use plans and programs. 17550

(d) The chief provides the governing body of the unit of 17551
general-purpose local government in which the land is located, and 17552
any state or federal agency that the chief, in the chief's 17553
discretion, determines to have an interest in the proposed use, an 17554
opportunity of not more than sixty days to review and comment on 17555
the proposed use. 17556

(e) All other requirements of this chapter will be met. 17557

(4) In granting a permit pursuant to this division, the chief 17558
shall require that each of the following is met: 17559

(a) The toe of the lowest coal seam and the overburden 17560
associated with it are retained in place as a barrier to slides 17561
and erosion. 17562

(b) The reclaimed area is stable. 17563

(c) The resulting plateau or rolling contour drains inward 17564
from the outslopes except at specified points. 17565

(d) No damage will be done to natural watercourses. 17566

(e) Spoil will be placed on the mountaintop bench as is 17567
necessary to achieve the planned postmining land use, except that 17568
all excess spoil material not retained on the mountaintop bench 17569
shall be placed in accordance with division (A)(21) of this 17570
section. 17571

(f) Stability of the spoil retained on the mountaintop bench 17572

is ensured and the other requirements of this chapter are met. 17573

(5) The chief shall adopt specific rules to govern the 17574
granting of permits in accordance with divisions (B)(1) to (4) of 17575
this section and may impose such additional requirements as the 17576
chief considers necessary. 17577

(6) All permits granted under divisions (B)(1) to (4) of this 17578
section shall be reviewed not more than three years from the date 17579
of issuance of the permit unless the applicant affirmatively 17580
demonstrates that the proposed development is proceeding in 17581
accordance with the terms of the approved schedule and reclamation 17582
plan. 17583

(C) All of the following performance standards apply to 17584
steep-slope coal mining and are in addition to those general 17585
performance standards required by this section, except that this 17586
division does not apply to those situations in which an operator 17587
is mining on flat or gently rolling terrain on which an occasional 17588
steep slope is encountered through which the mining operation is 17589
to proceed, leaving a plain or predominantly flat area, or where 17590
an operator is in compliance with division (B) of this section: 17591

(1) The operator shall ensure that when performing coal 17592
mining on steep slopes, no debris, abandoned or disabled 17593
equipment, spoil material, or waste mineral matter is placed on 17594
the downslope below the bench or mining cut. Spoil material in 17595
excess of that required for the reconstruction of the approximate 17596
original contour under division (A)(3) or (C)(2) of this section 17597
shall be permanently stored pursuant to division (A)(21) of this 17598
section. 17599

(2) The operator shall complete backfilling with spoil 17600
material to cover completely the highwall and return the site to 17601
the approximate original contour, which material will maintain 17602
stability following mining and reclamation. 17603

(3) The operator shall not disturb land above the top of the highwall unless the chief finds that the disturbance will facilitate compliance with the environmental protection standards of this section, except that any such disturbance involving land above the highwall shall be limited to that amount of land necessary to facilitate compliance.

(D)(1) The chief may permit variances for the purposes set forth in division (D)(3) of this section, provided that the watershed control of the area is improved and that complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(2) Where an applicant meets the requirements of divisions (D)(3) and (4) of this section, a variance from the requirement to restore to approximate original contour set forth in division (C)(2) of this section may be granted for the mining of coal when the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities, in accordance with divisions (D)(3) and (4) of this section.

(3) A variance pursuant to division (D)(2) of this section may be granted if:

(a) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land is considered to constitute an equal or better economic or public use.

(b) The postmining land condition is designed and certified by a registered professional engineer in conformity with professional standards established to ensure the stability,

drainage, and configuration necessary for the intended use of the site. 17635
17636

(c) After approval of the appropriate state environmental agencies, the watershed of the affected land is considered to be improved. 17637
17638
17639

(4) In granting a variance pursuant to division (D) of this section, the chief shall require that only such amount of spoil will be placed off the mine bench as is necessary to achieve the planned postmining land use, ensure stability of the spoil retained on the bench, and meet all other requirements of this chapter. All spoil placement off the mine bench shall comply with division (A)(21) of this section. 17640
17641
17642
17643
17644
17645
17646

(5) The chief shall adopt specific rules to govern the granting of variances under division (D) of this section and may impose such additional requirements as the chief considers necessary. 17647
17648
17649
17650

(6) All variances granted under division (D) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan. 17651
17652
17653
17654
17655

(E) The chief shall establish standards and criteria regulating the design, location, construction, operation, maintenance, enlargement, modification, removal, and abandonment of new and existing coal mine waste piles referred to in division (A)(13) of this section and division (A)(5) of section 1513.35 of the Revised Code. The standards and criteria shall conform to the standards and criteria used by the chief of the United States army corps of engineers to ensure that flood control structures are safe and effectively perform their intended function. In addition to engineering and other technical specifications, the standards 17656
17657
17658
17659
17660
17661
17662
17663
17664
17665

and criteria developed pursuant to this division shall include 17666
provisions for review and approval of plans and specifications 17667
prior to construction, enlargement, modification, removal, or 17668
abandonment; performance of periodic inspections during 17669
construction; issuance of certificates of approval upon completion 17670
of construction; performance of periodic safety inspections; and 17671
issuance of notices for required remedial or maintenance work. 17672

(F)(1) The permittee may file a request with the chief for 17673
release of a part of a performance security under division (F)(3) 17674
of this section. Within thirty days after any request for 17675
performance security release under this section has been filed 17676
with the chief, the operator shall submit a copy of an 17677
advertisement placed at least once a week for four successive 17678
weeks in a newspaper of general circulation in the locality of the 17679
coal mining operation. The advertisement shall be considered part 17680
of any performance security release application and shall contain 17681
a notification of the precise location of the land affected, the 17682
number of acres, the permit number and the date approved, the 17683
amount of the performance security filed and the portion sought to 17684
be released, the type and appropriate dates of reclamation work 17685
performed, and a description of the results achieved as they 17686
relate to the operator's approved reclamation plan and, if 17687
applicable, the operator's pollution abatement plan. In addition, 17688
as part of any performance security release application, the 17689
applicant shall submit copies of the letters sent to adjoining 17690
property owners, local governmental bodies, planning agencies, and 17691
sewage and water treatment authorities or water companies in the 17692
locality in which the coal mining and reclamation activities took 17693
place, notifying them of the applicant's intention to seek release 17694
from the performance security. 17695

(2) Upon receipt of a copy of the advertisement and request 17696
for release of a performance security under division (F)(3)(c) of 17697

this section, the chief, within thirty days, shall conduct an 17698
inspection and evaluation of the reclamation work involved. The 17699
evaluation shall consider, among other things, the degree of 17700
difficulty to complete any remaining reclamation, whether 17701
pollution of surface and subsurface water is occurring, the 17702
probability of continuation or future occurrence of the pollution, 17703
and the estimated cost of abating the pollution. The chief shall 17704
notify the permittee in writing of the decision to release or not 17705
to release all or part of the performance security within sixty 17706
days after the filing of the request if no public hearing is held 17707
pursuant to division (F)(6) of this section or, if there has been 17708
a public hearing held pursuant to division (F)(6) of this section, 17709
within thirty days thereafter. 17710

(3) The chief may release the performance security if the 17711
reclamation covered by the performance security or portion thereof 17712
has been accomplished as required by this chapter and rules 17713
adopted under it according to the following schedule: 17714

(a) When the operator completes the backfilling, regrading, 17715
and drainage control of an area for which performance security has 17716
been provided in accordance with the approved reclamation plan, 17717
and, if the area covered by the performance security is one for 17718
which an authorization was made under division (E)(7) of section 17719
1513.07 of the Revised Code, the operator has complied with the 17720
approved pollution abatement plan and all additional requirements 17721
established by the chief in rules adopted under section 1513.02 of 17722
the Revised Code governing coal mining and reclamation operations 17723
on pollution abatement areas, the chief shall grant a release of 17724
fifty per cent of the performance security for the applicable 17725
permit area. 17726

(b) After resoiling and revegetation have been established on 17727
the regraded mined lands in accordance with the approved 17728
reclamation plan, the chief shall grant a release in an amount not 17729

exceeding thirty-five per cent of the original performance 17730
security for all or part of the affected area under the permit. 17731
When determining the amount of performance security to be released 17732
after successful revegetation has been established, the chief 17733
shall retain that amount of performance security for the 17734
revegetated area that would be sufficient for a third party to 17735
cover the cost of reestablishing revegetation for the period 17736
specified for operator responsibility in this section for 17737
reestablishing revegetation. No part of the performance security 17738
shall be released under this division so long as the lands to 17739
which the release would be applicable are contributing suspended 17740
solids to streamflow or runoff outside the permit area in excess 17741
of the requirements of this section or until soil productivity for 17742
prime farmlands has returned to equivalent levels of yield as 17743
nonmined land of the same soil type in the surrounding area under 17744
equivalent management practices as determined from the soil survey 17745
performed pursuant to section 1513.07 of the Revised Code. If the 17746
area covered by the performance security is one for which an 17747
authorization was made under division (E)(7) of section 1513.07 of 17748
the Revised Code, no part of the performance security shall be 17749
released under this division until the operator has complied with 17750
the approved pollution abatement plan and all additional 17751
requirements established by the chief in rules adopted under 17752
section 1513.02 of the Revised Code governing coal mining and 17753
reclamation operations on pollution abatement areas. Where a silt 17754
dam is to be retained as a permanent impoundment pursuant to 17755
division (A)(10) of this section, the portion of performance 17756
security may be released under this division so long as provisions 17757
for sound future maintenance by the operator or the landowner have 17758
been made with the chief. 17759

(c) When the operator has completed successfully all coal 17760
mining and reclamation activities, including, if applicable, all 17761
additional requirements established in the pollution abatement 17762

plan approved under division (E)(7) of section 1513.07 of the Revised Code and all additional requirements established by the chief in rules adopted under section 1513.02 of the Revised Code governing coal mining and reclamation operations on pollution abatement areas, the chief shall release all or any of the remaining portion of the performance security for all or part of the affected area under a permit, but not before the expiration of the period specified for operator responsibility in this section, except that the chief may adopt rules for a variance to the operator period of responsibility considering vegetation success and probability of continued growth and consent of the landowner, provided that no performance security shall be fully released until all reclamation requirements of this chapter are fully met.

(4) If the chief disapproves the application for release of the performance security or portion thereof, the chief shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to secure the release, and allowing the opportunity for a public adjudicatory hearing.

(5) When any application for total or partial performance security release is filed with the chief under this section, the chief shall notify the municipal corporation in which the coal mining operation is located by certified mail at least thirty days prior to the release of all or a portion of the performance security.

(6) A person with a valid legal interest that might be adversely affected by release of a performance security under this section or the responsible officer or head of any federal, state, or local government agency that has jurisdiction by law or special expertise with respect to any environmental, social, or economic impact involved in the operation or is authorized to develop and enforce environmental standards with respect to such operations

may file written objections to the proposed release from the 17795
performance security with the chief within thirty days after the 17796
last publication of the notice required by division (F)(1) of this 17797
section. If written objections are filed and an informal 17798
conference is requested, the chief shall inform all interested 17799
parties of the time and place of the conference. The date, time, 17800
and location of the informal conference shall be advertised by the 17801
chief in a newspaper of general circulation in the locality of the 17802
coal mining operation proposed for performance security release 17803
for at least once a week for two consecutive weeks. The informal 17804
conference shall be held in the locality of the coal mining 17805
operation proposed for performance security release or in Franklin 17806
county, at the option of the objector, within thirty days after 17807
the request for the conference. An electronic or stenographic 17808
record shall be made of the conference proceeding unless waived by 17809
all parties. The record shall be maintained and shall be 17810
accessible to the parties until final release of the performance 17811
security at issue. In the event all parties requesting the 17812
informal conference stipulate agreement prior to the requested 17813
informal conference and withdraw their request, the informal 17814
conference need not be held. 17815

(7) If an informal conference has been held pursuant to 17816
division (F)(6) of this section, the chief shall issue and furnish 17817
the applicant and persons who participated in the conference with 17818
the written decision regarding the release within sixty days after 17819
the conference. Within thirty days after notification of the final 17820
decision of the chief regarding the performance security release, 17821
the applicant or any person with an interest that is or may be 17822
adversely affected by the decision may appeal the decision to the 17823
reclamation commission pursuant to section 1513.13 of the Revised 17824
Code. 17825

(8)(a) If the chief determines that a permittee is 17826

responsible for mine drainage that requires water treatment after 17827
reclamation is completed under the terms of the permit or that a 17828
permittee must provide an alternative water supply after 17829
reclamation is completed under the terms of the permit, the 17830
permittee shall provide alternative financial security in an 17831
amount determined by the chief prior to the release of the 17832
remaining portion of performance security under division (F)(3)(c) 17833
of this section. The alternative financial security shall be in an 17834
amount that is equal to or greater than the present value of the 17835
estimated cost over time to develop and implement mine drainage 17836
plans and provide water treatment or in an amount that is 17837
necessary to provide and maintain an alternative water supply, as 17838
applicable. The alternative financial security shall include a 17839
contract, trust, or other agreement or mechanism that is 17840
enforceable under law to provide long-term water treatment or a 17841
long-term alternative water supply, or both. The contract, trust, 17842
or other agreement or mechanism included with the alternative 17843
financial security may provide for the funding of the alternative 17844
financial security incrementally over a period of time, not to 17845
exceed five years, with reliance on guarantees or other collateral 17846
provided by the permittee and approved by the chief for the 17847
balance of the alternative financial security required until the 17848
alternative financial security has been fully funded by the 17849
permittee. 17850

(b) The chief shall adopt rules in accordance with Chapter 17851
119. of the Revised Code that are necessary for the administration 17852
of division (F)(8)(a) of this section. 17853

(c) If the chief determines that a permittee must provide 17854
alternative financial security under division (F)(8)(a) of this 17855
section and the performance security for the permit was provided 17856
under division (C)(2) of section 1513.08 of the Revised Code, the 17857
permittee may fund the alternative financial security 17858

incrementally over a period of time, not to exceed five years, 17859
with reliance on the reclamation forfeiture fund created in 17860
section 1513.18 of the Revised Code for the balance of the 17861
alternative financial security required until the alternative 17862
financial security has been fully funded by the permittee. The 17863
permittee semiannually shall pay to the division of mineral 17864
resources management a fee that is equal to seven and one-half per 17865
cent of the average balance of the alternative financial security 17866
that is being provided by reliance on the reclamation forfeiture 17867
fund over the previous six months. All money received from the fee 17868
shall be credited to the reclamation forfeiture fund. 17869

(9) Final release of the performance security in accordance 17870
with division (F)(3)(c) of this section terminates the 17871
jurisdiction of the chief under this chapter over the reclaimed 17872
site of a surface coal mining and reclamation operation or 17873
applicable portion of an operation. However, the chief shall 17874
reassert jurisdiction over such a site if the release was based on 17875
fraud, collusion, or misrepresentation of a material fact and the 17876
chief, in writing, demonstrates evidence of the fraud, collusion, 17877
or misrepresentation. Any person with an interest that is or may 17878
be adversely affected by the chief's determination may appeal the 17879
determination to the reclamation commission in accordance with 17880
section 1513.13 of the Revised Code. 17881

(G) The chief shall adopt rules governing the criteria for 17882
forfeiture of performance security, the method of determining the 17883
forfeited amount, and the procedures to be followed in the event 17884
of forfeiture. Cash received as the result of such forfeiture is 17885
the property of the state. 17886

Sec. 1531.35. The wildlife boater angler fund is hereby 17887
created in the state treasury. The fund shall consist of money 17888
credited to the fund pursuant to section 5735.051 of the Revised 17889

Code and other money contributed to the division of wildlife for 17890
the purposes of the fund. The fund shall be used for boating 17891
access construction, improvements, ~~and~~ maintenance and repair of 17892
dams and impoundments, and acquisitions, including lands and 17893
facilities for boating access, and to pay for equipment and 17894
personnel costs involved with those activities, on ~~lakes~~ waters on 17895
which the operation of gasoline-powered watercraft is permissible. 17896
However, not more than ~~two~~ five hundred thousand dollars of the 17897
annual expenditures from the fund may be used to pay for the 17898
equipment and personnel costs. 17899

Sec. 1533.10. Except as provided in this section or division 17900
(A)(2) of section 1533.12 or section 1533.73 or 1533.731 of the 17901
Revised Code, no person shall hunt any wild bird or wild quadruped 17902
without a hunting license. Each day that any person hunts within 17903
the state without procuring such a license constitutes a separate 17904
offense. Except as otherwise provided in this section, every 17905
applicant for a hunting license who is a resident of the state and 17906
eighteen years of age or more shall procure a resident hunting 17907
license or an apprentice resident hunting license, the fee for 17908
which shall be eighteen dollars unless the rules adopted under 17909
division (B) of section 1533.12 of the Revised Code provide for 17910
issuance of a resident hunting license to the applicant free of 17911
charge. Except as provided in rules adopted under division (B)(2) 17912
of that section, each applicant who is a resident of this state 17913
and who at the time of application is sixty-six years of age or 17914
older shall procure a special senior hunting license, the fee for 17915
which shall be one-half of the regular hunting license fee. Every 17916
applicant who is under the age of eighteen years shall procure a 17917
special youth hunting license or an apprentice youth hunting 17918
license, the fee for which shall be one-half of the regular 17919
hunting license fee. 17920

A resident of this state who owns lands in the state and the 17921

owner's children of any age and grandchildren under eighteen years 17922
of age may hunt on the lands without a hunting license. A resident 17923
of any other state who owns real property in this state, and the 17924
spouse and children living with the property owner, may hunt on 17925
that property without a license, provided that the state of 17926
residence of the real property owner allows residents of this 17927
state owning real property in that state, and the spouse and 17928
children living with the property owner, to hunt without a 17929
license. If the owner of land in this state is a limited liability 17930
company or a limited liability partnership that consists of three 17931
or fewer individual members or partners, as applicable, an 17932
individual member or partner who is a resident of this state and 17933
the member's or partner's children of any age and grandchildren 17934
under eighteen years of age may hunt on the land owned by the 17935
limited liability company or limited liability partnership without 17936
a hunting license. In addition, if the owner of land in this state 17937
is a trust that has a total of three or fewer trustees and 17938
beneficiaries, an individual who is a trustee or beneficiary and 17939
who is a resident of this state and the individual's children of 17940
any age and grandchildren under eighteen years of age may hunt on 17941
the land owned by the trust without a hunting license. The tenant 17942
and children of the tenant, residing on lands in the state, may 17943
hunt on them without a hunting license. 17944

Except as otherwise provided in division (A)(1) of section 17945
1533.12 of the Revised Code, every applicant for a hunting license 17946
who is a nonresident of the state and who is eighteen years of age 17947
or older shall procure a nonresident hunting license or an 17948
apprentice nonresident hunting license, the fee for which shall be 17949
one hundred ~~twenty-four~~ forty-nine dollars unless the applicant is 17950
a resident of a state that is a party to an agreement under 17951
section 1533.91 of the Revised Code, in which case the fee shall 17952
be eighteen dollars. Apprentice resident hunting licenses, 17953
apprentice youth hunting licenses, and apprentice nonresident 17954

hunting licenses are subject to the requirements established under 17955
section 1533.102 of the Revised Code and rules adopted pursuant to 17956
it. 17957

The chief of the division of wildlife may issue a small game 17958
hunting license expiring three days from the effective date of the 17959
license to a nonresident of the state, the fee for which shall be 17960
thirty-nine dollars. No person shall take or possess deer, wild 17961
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 17962
animal while possessing only a small game hunting license. A small 17963
game hunting license or an apprentice nonresident hunting license 17964
does not authorize the taking or possessing of ducks, geese, or 17965
brant without having obtained, in addition to the small game 17966
hunting license or the apprentice nonresident hunting license, a 17967
wetlands habitat stamp as provided in section 1533.112 of the 17968
Revised Code. A small game hunting license or an apprentice 17969
nonresident hunting license does not authorize the taking or 17970
possessing of deer, wild turkeys, or fur-bearing animals. A 17971
nonresident of the state who wishes to take or possess deer, wild 17972
turkeys, or fur-bearing animals in this state shall procure, 17973
respectively, a deer or wild turkey permit as provided in section 17974
1533.11 of the Revised Code or a fur taker permit as provided in 17975
section 1533.111 of the Revised Code in addition to a nonresident 17976
hunting license, an apprentice nonresident hunting license, a 17977
special youth hunting license, or an apprentice youth hunting 17978
license, as applicable, as provided in this section. 17979

No person shall procure or attempt to procure a hunting 17980
license by fraud, deceit, misrepresentation, or any false 17981
statement. 17982

This section does not authorize the taking and possessing of 17983
deer or wild turkeys without first having obtained, in addition to 17984
the hunting license required by this section, a deer or wild 17985
turkey permit as provided in section 1533.11 of the Revised Code 17986

or the taking and possessing of ducks, geese, or brant without 17987
first having obtained, in addition to the hunting license required 17988
by this section, a wetlands habitat stamp as provided in section 17989
1533.112 of the Revised Code. 17990

This section does not authorize the hunting or trapping of 17991
fur-bearing animals without first having obtained, in addition to 17992
a hunting license required by this section, a fur taker permit as 17993
provided in section 1533.111 of the Revised Code. 17994

No hunting license shall be issued unless it is accompanied 17995
by a written explanation of the law in section 1533.17 of the 17996
Revised Code and the penalty for its violation, including a 17997
description of terms of imprisonment and fines that may be 17998
imposed. 17999

No hunting license, other than an apprentice hunting license, 18000
shall be issued unless the applicant presents to the agent 18001
authorized to issue the license a previously held hunting license 18002
or evidence of having held such a license in content and manner 18003
approved by the chief, a certificate of completion issued upon 18004
completion of a hunter education and conservation course approved 18005
by the chief, or evidence of equivalent training in content and 18006
manner approved by the chief. A previously held apprentice hunting 18007
license does not satisfy the requirement concerning the 18008
presentation of a previously held hunting license or evidence of 18009
it. 18010

No person shall issue a hunting license, except an apprentice 18011
hunting license, to any person who fails to present the evidence 18012
required by this section. No person shall purchase or obtain a 18013
hunting license, other than an apprentice hunting license, without 18014
presenting to the issuing agent the evidence required by this 18015
section. Issuance of a hunting license in violation of the 18016
requirements of this section is an offense by both the purchaser 18017
of the illegally obtained hunting license and the clerk or agent 18018

who issued the hunting license. Any hunting license issued in 18019
violation of this section is void. 18020

The chief, with approval of the wildlife council, shall adopt 18021
rules prescribing a hunter education and conservation course for 18022
first-time hunting license buyers, other than buyers of apprentice 18023
hunting licenses, and for volunteer instructors. The course shall 18024
consist of subjects including, but not limited to, hunter safety 18025
and health, use of hunting implements, hunting tradition and 18026
ethics, the hunter and conservation, the law in section 1533.17 of 18027
the Revised Code along with the penalty for its violation, 18028
including a description of terms of imprisonment and fines that 18029
may be imposed, and other law relating to hunting. Authorized 18030
personnel of the division or volunteer instructors approved by the 18031
chief shall conduct such courses with such frequency and at such 18032
locations throughout the state as to reasonably meet the needs of 18033
license applicants. The chief shall issue a certificate of 18034
completion to each person who successfully completes the course 18035
and passes an examination prescribed by the chief. 18036

Sec. 1533.11. (A)(1) Except as provided in this section or 18037

watercraft, one watercraft trailer, one outboard motor, or one of 18260
each to the decedent's surviving spouse as provided in section 18261

Sec. 1711.15. In any county in which there is a duly organized county agricultural society, the board of county commissioners or the county agricultural society itself may purchase or lease, for a term of not less than twenty years, real estate on which to hold fairs under the management and control of the county agricultural society, and may erect suitable buildings on the real estate and otherwise improve it.

In counties in which there is a county agricultural society that has purchased, or leased, for a term of not less than twenty years, real estate as a site on which to hold fairs, ~~or in which~~ if the title to the site is vested in fee in the county, the board of county commissioners may erect or repair buildings or otherwise improve the site and pay the rental of it, or contribute to or pay any other form of indebtedness of the society, if the director of agriculture has certified to the board that the county agricultural society is complying with all laws and rules governing the operation of county agricultural societies. The board may appropriate from the county's general fund or permanent improvement fund, and may appropriate revenue from a tax levied under division (L) of section 5739.09 of the Revised Code, any amount that it considers necessary for any of those purposes, provided that an appropriation of revenue from that tax may be

expended only for the purposes provided in the resolution levying 18979
that tax. 18980

Sec. 1711.151. A board of county commissioners that levies 18981
the tax authorized by division (L) of section 5739.09 of the 18982
Revised Code, by resolution, may anticipate the proceeds of the 18983
levy and issue tax anticipation bonds, and notes anticipating the 18984
proceeds or the bonds, in the principal amount that, in the 18985
opinion of the board, are necessary for the purpose of paying the 18986
cost of permanent improvements as authorized under that division, 18987
with the interest on them, be paid over the term of the issue, or 18988
in the case of notes anticipating bonds over the term of the 18989
bonds, by the estimated amount of the tax anticipated thereby. A 18990
board, at any time, may issue renewal tax anticipation notes, 18991
issue tax anticipation bonds to pay such notes, and, whenever it 18992
considers refunding expedient, refund any tax anticipation bonds 18993
by the issuance of tax anticipation refunding bonds whether the 18994
bonds to be refunded have or have not matured, and issue tax 18995
anticipation bonds partly to refund bonds then outstanding and 18996
partly for any other authorized purpose. The refunding bonds shall 18997
be sold and the proceeds needed for such purpose applied in the 18998
manner provided in the bond proceedings to the purchase, 18999
redemption, or payment of the bonds to be refunded. 19000

Every issue of outstanding tax anticipation bonds shall be 19001
payable out of the proceeds of the tax anticipated and other 19002
revenues of the board that are pledged for such payment. The 19003
pledge shall be valid and binding from the time the pledge is 19004
made, and the anticipated taxes and revenues so pledged and 19005
thereafter received by the board immediately shall be subject to 19006
the lien of that pledge without any physical delivery of those 19007
taxes and revenues or further act. The lien of any pledge is valid 19008
and binding as against all parties having claims of any kind in 19009
tort, contract, or otherwise against the board, whether or not 19010

such parties have notice of the lien. Neither the resolution nor 19011
any trust agreement by which a pledge is created need be filed or 19012
recorded except in the board's records. 19013

Whether or not the bonds or notes are of such form and 19014
character as to be negotiable instruments under Title XIII of the 19015
Revised Code, the bonds or notes shall have all the qualities and 19016
incidents of negotiable instruments, subject only to their 19017
provisions for registration, if any. 19018

The tax anticipation bonds shall bear such date or dates, and 19019
shall mature at such time or times, in the case of any such notes 19020
or any renewals of such notes not exceeding twenty years from the 19021
date of issue of such original notes and in the case of any such 19022
bonds or any refunding bonds not exceeding forty years from the 19023
date of the original issue of notes or bonds for the purpose, and 19024
shall be executed in the manner that the resolution authorizing 19025
the bonds may provide. The tax anticipation bonds shall bear 19026
interest at such rates, or at variable rate or rates changing from 19027
time to time, in accordance with provisions provided in the 19028
authorizing resolution, be in such denominations and form, either 19029
coupon or registered, carry such registration privileges, be 19030
payable in such medium of payment and at such place or places, and 19031
be subject to such terms of redemption, as the board may authorize 19032
or provide. The tax anticipation bonds may be sold at public or 19033
private sale, and at, or at not less than, the price or prices as 19034
the board determines. If any officer whose signature or a 19035
facsimile of whose signature appears on any bonds or coupons 19036
ceases to be such officer before delivery of the bonds, the 19037
signature or facsimile shall nevertheless be sufficient for all 19038
purposes as if the officer had remained in office until delivery 19039
of the bonds, and in case the seal of the board has been changed 19040
after a facsimile has been imprinted on the bonds, the facsimile 19041
seal will continue to be sufficient for all purposes. 19042

Any resolution or resolutions authorizing any tax anticipation bonds or any issue of tax anticipation bonds may contain provisions, subject to any agreements with bondholders as may then exist, which provisions shall be a part of the contract with the holders of the bonds, as to the pledging of any or all of the board's anticipated taxes and revenues to secure the payment of the bonds or of any issue of the bonds; the use and disposition of revenues of the board; the crediting of the proceeds of the sale of bonds to and among the funds referred to or provided for in the resolution; limitations on the purpose to which the proceeds of sale of the bonds may be applied and the pledging of portions of such proceeds to secure the payment of the bonds or of any issue of the bonds; as to notes issued in anticipation of the issuance of bonds, the agreement of the board to do all things necessary for the authorization, issuance, and sale of such bonds in such amounts as may be necessary for the timely retirement of such notes; limitations on the issuance of additional bonds; the terms upon which additional bonds may be issued and secured; the refunding of outstanding bonds; the procedure, if any, by which the terms of any contract with bondholders may be amended, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given; securing any bonds by a trust agreement; any other matters, of like or different character, that in any way affect the security or protection of the bonds. The taxes anticipated by the bonds, including bonds anticipated by notes, shall not be subject to diminution by initiative or referendum or by law while the bonds or notes remain outstanding in accordance with their terms, unless provision is made by law or by the board for an adequate substitute therefor reasonably satisfactory to the trustee, if a trust agreement secures the bonds.

Neither the commissioners of the board nor any person executing the bonds shall be liable personally on the bonds or be

subject to any personal liability or accountability by reason of 19076
the issuance thereof. 19077

In the discretion of the board, any bonds or notes issued 19078
under this chapter may be secured by a trust agreement between the 19079
board and a corporate trustee, which trustee may be any trust 19080
company or bank having the powers of a trust company within or 19081
without the state. 19082

Any such trust agreement may pledge or assign any of the 19083
excise tax authorized by division (L) of section 5739.09 of the 19084
Revised Code. Any such trust agreement or any resolution providing 19085
for the issuance of such bonds or notes may contain such 19086
provisions for protecting and enforcing the rights and remedies of 19087
the bondholders or noteholders as are reasonable and proper and 19088
not in violation of law. Any bank or trust company incorporated 19089
under the laws of this state that may act as depository of the 19090
proceeds of bonds or notes may furnish such indemnifying bonds or 19091
may pledge such securities as are required by the board. Any such 19092
trust agreement may set forth the rights and remedies of the 19093
bondholders and noteholders and of the trustee, and may restrict 19094
the individual right of action by bondholders and noteholders as 19095
is customary in trust agreements or trust indentures securing 19096
similar bonds. Such trust agreement may contain such other 19097
provisions as the board determines reasonable and proper for the 19098
security of the bondholders or noteholders. 19099

Sec. 1711.16. When the control and management of a fairground 19100
is in a county agricultural society, and the board of county 19101
commissioners has appropriated an amount for the aid of the 19102
society as provided in section 1711.15 of the Revised Code, the 19103
society, with the consent of the board, may contract for the 19104
erection or repair of buildings or otherwise improve the 19105
fairground, to the extent that the payment for the improvement is 19106

provided by the board. 19107

When the appropriation is made by the board, the county 19108
auditor shall place the proceeds in a special fund, designated the 19109
"county agricultural society fund," indicating the purpose for 19110
which it is available, provided that an appropriation of revenue 19111
from a tax levied by the board under division (L) of section 19112
5739.09 of the Revised Code may be expended only for the purposes 19113
provided in the resolution levying that tax. On application of the 19114
treasurer of the society, the auditor shall issue an order for the 19115
amount of the appropriation to the treasurer of the society, if 19116
the society has secured the certificate required under section 19117
1711.05 of the Revised Code, on the treasurer's filing with the 19118
auditor a bond in double the amount collected, with good and 19119
sufficient sureties approved by the auditor, conditioned for the 19120
satisfactory paying over and accounting of the funds for the 19121
purposes for which they were provided. The funds shall remain in 19122
the special fund in which they are placed by the auditor until 19123
they are applied ~~or~~ for by the treasurer of the society and the 19124
bond is given, or until they are expended by the board for the 19125
purposes for which the fund was created. If the society ceases to 19126
exist or releases the fund as not required for the purposes for 19127
which the fund was created, the board may by resolution transfer 19128
the fund to the general fund of the county. 19129

proceeding resulting from a report submitted pursuant to this 20234
section. 20235

or proceeding brought pursuant to division (M) of this section 20253
against a person who is alleged to have violated division (A)(1) 20254

this section and the child who is the subject of the report dies 20271
for any reason at any time after the report is made, but before 20272
the child attains eighteen years of age, the public children 20273
services agency or municipal or county peace officer to which the 20274
report was made or referred, on the request of the child fatality 20275
review board or the director of health pursuant to guidelines 20276
established under section 3701.70 of the Revised Code, shall 20277
submit a summary sheet of information providing a summary of the 20278

interagency agreement entered into under section 2151.428 of the 20297
Revised Code, in writing of the disposition of the investigation. 20298
The agency shall not provide to the person any information that 20299
identifies the person who made the report, statements of 20300
witnesses, or police or other investigative reports. 20301

(I) Any report that is required by this section, other than a 20302
report that is made to the state highway patrol as described in 20303
section 5120.173 of the Revised Code, shall result in protective 20304
services and emergency supportive services being made available by 20305
the public children services agency on behalf of the children 20306
about whom the report is made, in an effort to prevent further 20307

dismissal of any charges or complaint arising from any reported 20351
case of abuse or neglect or the suppression of any evidence 20352
obtained as a result of any reported child abuse or child neglect 20353

(1) If the violation of division (A) of this section is a felony of the first, second, or third degree, the court shall impose upon the offender the mandatory fine specified for the offense under division (B)(1) of section 2929.18 of the Revised Code unless, as specified in that division, the court determines that the offender is indigent. Except as otherwise provided in division (H)(1) of this section, a mandatory fine or any other fine imposed for a violation of this section is subject to division (F) of this section. If a person is charged with a violation of this section that is a felony of the first, second, or third degree, posts bail, and forfeits the bail, the clerk of the court shall pay the forfeited bail pursuant to divisions (D)(1) and (F) of this section, as if the forfeited bail was a fine imposed for a violation of this section. If any amount of the forfeited bail remains after that payment and if a fine is imposed under division (H)(1) of this section, the clerk of the court shall pay the remaining amount of the forfeited bail pursuant to divisions (H)(2) and (3) of this section, as if that remaining

amount was a fine imposed under division (H)(1) of this section. 22512

(2) The court shall suspend the driver's or commercial 22513

substance, the jury, or the court trying the accused, shall 22521
determine the amount of the controlled substance involved at the 22522
time of the offense and, if a guilty verdict is returned, shall 22523
return the findings as part of the verdict. In any such case, it 22524
is unnecessary to find and return the exact amount of the 22525
controlled substance involved, and it is sufficient if the finding 22526
and return is to the effect that the amount of the controlled 22527
substance involved is the requisite amount, or that the amount of 22528
the controlled substance involved is less than the requisite 22529
amount. 22530

(F)(1) Notwithstanding any contrary provision of section 22531

making the arrest of, and in prosecuting, the offender. However, 22541
the clerk shall not pay a mandatory fine so imposed to a law 22542
enforcement agency unless the agency has adopted a written 22543

internal control policy under division (F)(2) of this section that 22544
addresses the use of the fine moneys that it receives. Each agency 22545
shall use the mandatory fines so paid to subsidize the agency's 22546
law enforcement efforts that pertain to drug offenses, in 22547
accordance with the written internal control policy adopted by the 22548
recipient agency under division (F)(2) of this section. 22549

(2) Prior to receiving any fine moneys under division (F)(1) 22550
of this section or division (B) of section 2925.42 of the Revised 22551
Code, a law enforcement agency shall adopt a written internal 22552
control policy that addresses the agency's use and disposition of 22553
all fine moneys so received and that provides for the keeping of 22554
detailed financial records of the receipts of those fine moneys, 22555
the general types of expenditures made out of those fine moneys, 22556
and the specific amount of each general type of expenditure. The 22557
policy shall not provide for or permit the identification of any 22558
specific expenditure that is made in an ongoing investigation. All 22559

the specific amount of each general type of expenditure by an 22562
agency are public records open for inspection under section 149.43 22563
of the Revised Code. Additionally, a written internal control 22564
policy adopted under this division is such a public record, and 22565
the agency that adopted it shall comply with it. 22566

(3) As used in division (F) of this section: 22567

of the Revised Code. 22571

(G) When required under division (D)(2) of this section or 22572
any other provision of this chapter, the court shall suspend for 22573
not less than six months or more than five years the driver's or 22574

commercial driver's license or permit of any person who is 22575
convicted of or pleads guilty to any violation of this section or 22576
any other specified provision of this chapter. If an offender's 22577
driver's or commercial driver's license or permit is suspended 22578
pursuant to this division, the offender, at any time after the 22579
expiration of two years from the day on which the offender's 22580
sentence was imposed or from the day on which the offender finally 22581
was released from a prison term under the sentence, whichever is 22582
later, may file a motion with the sentencing court requesting 22583
termination of the suspension; upon the filing of such a motion 22584
and the court's finding of good cause for the termination, the 22585
court may terminate the suspension. 22586

(H)(1) In addition to any prison term authorized or required 22587
by division (C) of this section and sections 2929.13 and 2929.14 22588
of the Revised Code, in addition to any other penalty or sanction 22589
imposed for the offense under this section or sections 2929.11 to 22590
2929.18 of the Revised Code, and in addition to the forfeiture of 22591
property in connection with the offense as prescribed in Chapter 22592
2981. of the Revised Code, the court that sentences an offender 22593
who is convicted of or pleads guilty to a violation of division 22594
(A) of this section may impose upon the offender an additional 22595
fine specified for the offense in division (B)(4) of section 22596
2929.18 of the Revised Code. A fine imposed under division (H)(1) 22597
of this section is not subject to division (F) of this section and 22598
shall be used solely for the support of one or more eligible 22599
community addiction services ~~provider~~ providers in accordance with 22600
divisions (H)(2) and (3) of this section. 22601

(2) The court that imposes a fine under division (H)(1) of 22602
this section shall specify in the judgment that imposes the fine 22603
one or more eligible community addiction services ~~provider~~ 22604
providers for the support of which the fine money is to be used. 22605
No community addiction services provider shall receive or use 22606

money paid or collected in satisfaction of a fine imposed under 22607
division (H)(1) of this section unless the services provider is 22608
specified in the judgment that imposes the fine. No community 22609
addiction services provider shall be specified in the judgment 22610
unless the services provider is an eligible community addiction 22611
services provider and, except as otherwise provided in division 22612
(H)(2) of this section, unless the services provider is located in 22613
the county in which the court that imposes the fine is located or 22614
in a county that is immediately contiguous to the county in which 22615
that court is located. If no eligible community addiction services 22616
provider is located in any of those counties, the judgment may 22617
specify an eligible community addiction services provider that is 22618
located anywhere within this state. 22619

(3) Notwithstanding any contrary provision of section 3719.21 22620
of the Revised Code, the clerk of the court shall pay any fine 22621
imposed under division (H)(1) of this section to the eligible 22622
community addiction services provider specified pursuant to 22623
division (H)(2) of this section in the judgment. The eligible 22624
community addiction services provider that receives the fine 22625
moneys shall use the moneys only for the alcohol and drug 22626
addiction services identified in the application for certification 22627
of services under section 5119.36 of the Revised Code or in the 22628
application for a license under section 5119.391 of the Revised 22629
Code filed with the department of mental health and addiction 22630
services by the community addiction services provider specified in 22631
the judgment. 22632

(4) Each community addiction services provider that receives 22633
in a calendar year any fine moneys under division (H)(3) of this 22634
section shall file an annual report covering that calendar year 22635
with the court of common pleas and the board of county 22636
commissioners of the county in which the services provider is 22637
located, with the court of common pleas and the board of county 22638

commissioners of each county from which the services provider 22639
received the moneys if that county is different from the county in 22640
which the services provider is located, and with the attorney 22641
general. The community addiction services provider shall file the 22642
report no later than the first day of March in the calendar year 22643
following the calendar year in which the services provider 22644
received the fine moneys. The report shall include statistics on 22645
the number of persons served by the community addiction services 22646
provider, identify the types of alcohol and drug addiction 22647
services provided to those persons, and include a specific 22648
accounting of the purposes for which the fine moneys received were 22649
used. No information contained in the report shall identify, or 22650
enable a person to determine the identity of, any person served by 22651
the community addiction services provider. Each report received by 22652
a court of common pleas, a board of county commissioners, or the 22653
attorney general is a public record open for inspection under 22654
section 149.43 of the Revised Code. 22655

(5) As used in divisions (H)(1) to (5) of this section: 22656

~~section 5119.36, as defined in section 5119.01~~ of the Revised 22662
Code, or a community addiction services provider that maintains a 22663
methadone treatment program licensed under section 5119.391 of the 22664
Revised Code ~~by the department of mental health and addiction~~ 22665
~~services.~~ 22666

(I) As used in this section, "drug" includes any substance 22667
that is represented to be a drug. 22668

(J) It is an affirmative defense to a charge of trafficking 22669

in a controlled substance analog under division (C)(8) of this 22670
section that the person charged with violating that offense sold 22671
or offered to sell, or prepared for shipment, shipped, 22672
transported, delivered, prepared for distribution, or distributed 22673
an item described in division (HH)(2)(a), (b), or (c) of section 22674
3719.01 of the Revised Code. 22675

Sec. 2929.13. (A) Except as provided in division (E), (F), or 22676
(G) of this section and unless a specific sanction is required to 22677
be imposed or is precluded from being imposed pursuant to law, a 22678
court that imposes a sentence upon an offender for a felony may 22679
impose any sanction or combination of sanctions on the offender 22680
that are provided in sections 2929.14 to 2929.18 of the Revised 22681
Code. 22682

If the offender is eligible to be sentenced to community 22683
control sanctions, the court shall consider the appropriateness of 22684
imposing a financial sanction pursuant to section 2929.18 of the 22685
Revised Code or a sanction of community service pursuant to 22686
section 2929.17 of the Revised Code as the sole sanction for the 22687
offense. Except as otherwise provided in this division, if the 22688
court is required to impose a mandatory prison term for the 22689
offense for which sentence is being imposed, the court also shall 22690
impose any financial sanction pursuant to section 2929.18 of the 22691
Revised Code that is required for the offense and may impose any 22692
other financial sanction pursuant to that section but may not 22693
impose any additional sanction or combination of sanctions under 22694
section 2929.16 or 2929.17 of the Revised Code. 22695

If the offender is being sentenced for a fourth degree felony 22696
OVI offense or for a third degree felony OVI offense, in addition 22697
to the mandatory term of local incarceration or the mandatory 22698
prison term required for the offense by division (G)(1) or (2) of 22699
this section, the court shall impose upon the offender a mandatory 22700

fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(1) For a fourth degree felony OVI offense for which sentence is imposed under division (G)(1) of this section, an additional community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code. If the court imposes upon the offender a community control sanction and the offender violates any condition of the community control sanction, the court may take any action prescribed in division (B) of section 2929.15 of the Revised Code relative to the offender, including imposing a prison term on the offender pursuant to that division.

(2) For a third or fourth degree felony OVI offense for which sentence is imposed under division (G)(2) of this section, an additional prison term as described in division (B)(4) of section 2929.14 of the Revised Code or a community control sanction as described in division (G)(2) of this section.

(B)(1)(a) Except as provided in division (B)(1)(b) of this section, if an offender is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense, the court shall sentence the offender to a community control sanction of at least one year's duration if all of the following apply:

(i) The offender previously has not been convicted of or pleaded guilty to a felony offense.

(ii) The most serious charge against the offender at the time of sentencing is a felony of the fourth or fifth degree.

(iii) If the court made a request of the department of rehabilitation and correction pursuant to division (B)(1)(c) of this section, the department, within the forty-five-day period

specified in that division, provided the court with the names of, 22732
contact information for, and program details of one or more 22733
community control sanctions of at least one year's duration that 22734
are available for persons sentenced by the court. 22735

(iv) The offender previously has not been convicted of or 22736
pleaded guilty to a misdemeanor offense of violence that the 22737
offender committed within two years prior to the offense for which 22738
sentence is being imposed. 22739

(b) The court has discretion to impose a prison term upon an 22740
offender who is convicted of or pleads guilty to a felony of the 22741
fourth or fifth degree that is not an offense of violence or that 22742
is a qualifying assault offense if any of the following apply: 22743

(i) The offender committed the offense while having a firearm 22744
on or about the offender's person or under the offender's control. 22745

(ii) If the offense is a qualifying assault offense, the 22746
offender caused serious physical harm to another person while 22747
committing the offense, and, if the offense is not a qualifying 22748
assault offense, the offender caused physical harm to another 22749
person while committing the offense. 22750

(iii) The offender violated a term of the conditions of bond 22751
as set by the court. 22752

(iv) The court made a request of the department of 22753
rehabilitation and correction pursuant to division (B)(1)(c) of 22754
this section, and the department, within the forty-five-day period 22755
specified in that division, did not provide the court with the 22756
name of, contact information for, and program details of any 22757
community control sanction of at least one year's duration that is 22758
available for persons sentenced by the court. 22759

(v) The offense is a sex offense that is a fourth or fifth 22760
degree felony violation of any provision of Chapter 2907. of the 22761
Revised Code. 22762

(vi) In committing the offense, the offender attempted to 22763
cause or made an actual threat of physical harm to a person with a 22764
deadly weapon. 22765

(vii) In committing the offense, the offender attempted to 22766
cause or made an actual threat of physical harm to a person, and 22767
the offender previously was convicted of an offense that caused 22768
physical harm to a person. 22769

(viii) The offender held a public office or position of 22770
trust, and the offense related to that office or position; the 22771
offender's position obliged the offender to prevent the offense or 22772
to bring those committing it to justice; or the offender's 22773
professional reputation or position facilitated the offense or was 22774
likely to influence the future conduct of others. 22775

(ix) The offender committed the offense for hire or as part 22776
of an organized criminal activity. 22777

(x) The offender at the time of the offense was serving, or 22778
the offender previously had served, a prison term. 22779

(xi) The offender committed the offense while under a 22780
community control sanction, while on probation, or while released 22781
from custody on a bond or personal recognizance. 22782

(c) If a court that is sentencing an offender who is 22783
convicted of or pleads guilty to a felony of the fourth or fifth 22784
degree that is not an offense of violence or that is a qualifying 22785
assault offense believes that no community control sanctions are 22786
available for its use that, if imposed on the offender, will 22787
adequately fulfill the overriding principles and purposes of 22788
sentencing, the court shall contact the department of 22789
rehabilitation and correction and ask the department to provide 22790
the court with the names of, contact information for, and program 22791
details of one or more community control sanctions of at least one 22792
year's duration that are available for persons sentenced by the 22793

court. Not later than forty-five days after receipt of a request 22794
from a court under this division, the department shall provide the 22795
court with the names of, contact information for, and program 22796
details of one or more community control sanctions of at least one 22797
year's duration that are available for persons sentenced by the 22798
court, if any. Upon making a request under this division that 22799
relates to a particular offender, a court shall defer sentencing 22800
of that offender until it receives from the department the names 22801
of, contact information for, and program details of one or more 22802
community control sanctions of at least one year's duration that 22803
are available for persons sentenced by the court or for forty-five 22804
days, whichever is the earlier. 22805

If the department provides the court with the names of, 22806
contact information for, and program details of one or more 22807
community control sanctions of at least one year's duration that 22808
are available for persons sentenced by the court within the 22809
forty-five-day period specified in this division, the court shall 22810
impose upon the offender a community control sanction under 22811
division (B)(1)(a) of this section, except that the court may 22812
impose a prison term under division (B)(1)(b) of this section if a 22813
factor described in division (B)(1)(b)(i) or (ii) of this section 22814
applies. If the department does not provide the court with the 22815
names of, contact information for, and program details of one or 22816
more community control sanctions of at least one year's duration 22817
that are available for persons sentenced by the court within the 22818
forty-five-day period specified in this division, the court may 22819
impose upon the offender a prison term under division 22820
(B)(1)(b)(iv) of this section. 22821

(d) A sentencing court may impose an additional penalty under 22822
division (B) of section 2929.15 of the Revised Code upon an 22823
offender sentenced to a community control sanction under division 22824
(B)(1)(a) of this section if the offender violates the conditions 22825

of the community control sanction, violates a law, or leaves the 22826
state without the permission of the court or the offender's 22827
probation officer. 22828

(2) If division (B)(1) of this section does not apply, except 22829
as provided in division (E), (F), or (G) of this section, in 22830
determining whether to impose a prison term as a sanction for a 22831
felony of the fourth or fifth degree, the sentencing court shall 22832
comply with the purposes and principles of sentencing under 22833
section 2929.11 of the Revised Code and with section 2929.12 of 22834
the Revised Code. 22835

(C) Except as provided in division (D), (E), (F), or (G) of 22836
this section, in determining whether to impose a prison term as a 22837
sanction for a felony of the third degree or a felony drug offense 22838
that is a violation of a provision of Chapter 2925. of the Revised 22839
Code and that is specified as being subject to this division for 22840
purposes of sentencing, the sentencing court shall comply with the 22841
purposes and principles of sentencing under section 2929.11 of the 22842
Revised Code and with section 2929.12 of the Revised Code. 22843

(D)(1) Except as provided in division (E) or (F) of this 22844
section, for a felony of the first or second degree, for a felony 22845
drug offense that is a violation of any provision of Chapter 22846
2925., 3719., or 4729. of the Revised Code for which a presumption 22847
in favor of a prison term is specified as being applicable, and 22848
for a violation of division (A)(4) or (B) of section 2907.05 of 22849
the Revised Code for which a presumption in favor of a prison term 22850
is specified as being applicable, it is presumed that a prison 22851
term is necessary in order to comply with the purposes and 22852
principles of sentencing under section 2929.11 of the Revised 22853
Code. Division (D)(2) of this section does not apply to a 22854
presumption established under this division for a violation of 22855
division (A)(4) of section 2907.05 of the Revised Code. 22856

(2) Notwithstanding the presumption established under 22857

division (D)(1) of this section for the offenses listed in that 22858
division other than a violation of division (A)(4) or (B) of 22859
section 2907.05 of the Revised Code, the sentencing court may 22860
impose a community control sanction or a combination of community 22861
control sanctions instead of a prison term on an offender for a 22862
felony of the first or second degree or for a felony drug offense 22863
that is a violation of any provision of Chapter 2925., 3719., or 22864
4729. of the Revised Code for which a presumption in favor of a 22865
prison term is specified as being applicable if it makes both of 22866
the following findings: 22867

(a) A community control sanction or a combination of 22868
community control sanctions would adequately punish the offender 22869
and protect the public from future crime, because the applicable 22870
factors under section 2929.12 of the Revised Code indicating a 22871
lesser likelihood of recidivism outweigh the applicable factors 22872
under that section indicating a greater likelihood of recidivism. 22873

(b) A community control sanction or a combination of 22874
community control sanctions would not demean the seriousness of 22875
the offense, because one or more factors under section 2929.12 of 22876
the Revised Code that indicate that the offender's conduct was 22877
less serious than conduct normally constituting the offense are 22878
applicable, and they outweigh the applicable factors under that 22879
section that indicate that the offender's conduct was more serious 22880
than conduct normally constituting the offense. 22881

(E)(1) Except as provided in division (F) of this section, 22882
for any drug offense that is a violation of any provision of 22883
Chapter 2925. of the Revised Code and that is a felony of the 22884
third, fourth, or fifth degree, the applicability of a presumption 22885
under division (D) of this section in favor of a prison term or of 22886
division (B) or (C) of this section in determining whether to 22887
impose a prison term for the offense shall be determined as 22888
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 22889

2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

(b) The imprisonment of the offender for the violation is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code.

(3) A court that sentences an offender for a drug abuse offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes treatment and recovery support services authorized by division (A)(11) of section 3793.02 340.03 of the Revised Code. If the court imposes treatment and recovery support services as a community control sanction, the court shall direct the level and type of treatment and recovery support services after considering the assessment and recommendation of ~~treatment and recovery support services~~ community addiction services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender completed the rape that was attempted, the offender would have been guilty of a violation of division (A)(1)(b) of section 2907.02 of the Revised Code and would be sentenced under section 2971.03 of the Revised Code;

(3) Gross sexual imposition or sexual battery, if the victim is less than thirteen years of age and if any of the following applies:

(a) Regarding gross sexual imposition, the offender previously was convicted of or pleaded guilty to rape, the former offense of felonious sexual penetration, gross sexual imposition, or sexual battery, and the victim of the previous offense was less than thirteen years of age;

(b) Regarding gross sexual imposition, the offense was committed on or after August 3, 2006, and evidence other than the testimony of the victim was admitted in the case corroborating the violation.

(c) Regarding sexual battery, either of the following

applies: 22952

(i) The offense was committed prior to August 3, 2006, the 22953
offender previously was convicted of or pleaded guilty to rape, 22954
the former offense of felonious sexual penetration, or sexual 22955
battery, and the victim of the previous offense was less than 22956
thirteen years of age. 22957

(ii) The offense was committed on or after August 3, 2006. 22958

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 22959
2903.11, 2903.12, 2903.13, 2905.32, or 2907.07 of the Revised Code 22960
if the section requires the imposition of a prison term; 22961

(5) A first, second, or third degree felony drug offense for 22962
which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 22963
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 22964
4729.99 of the Revised Code, whichever is applicable regarding the 22965
violation, requires the imposition of a mandatory prison term; 22966

(6) Any offense that is a first or second degree felony and 22967
that is not set forth in division (F)(1), (2), (3), or (4) of this 22968
section, if the offender previously was convicted of or pleaded 22969
guilty to aggravated murder, murder, any first or second degree 22970
felony, or an offense under an existing or former law of this 22971
state, another state, or the United States that is or was 22972
substantially equivalent to one of those offenses; 22973

(7) Any offense that is a third degree felony and either is a 22974
violation of section 2903.04 of the Revised Code or an attempt to 22975
commit a felony of the second degree that is an offense of 22976
violence and involved an attempt to cause serious physical harm to 22977
a person or that resulted in serious physical harm to a person if 22978
the offender previously was convicted of or pleaded guilty to any 22979
of the following offenses: 22980

(G) Notwithstanding divisions (A) to (E) of this section, if 23054
an offender is being sentenced for a fourth degree felony OVI 23055
offense or for a third degree felony OVI offense, the court shall 23056
impose upon the offender a mandatory term of local incarceration 23057
or a mandatory prison term in accordance with the following: 23058

(1) If the offender is being sentenced for a fourth degree 23059
felony OVI offense and if the offender has not been convicted of 23060
and has not pleaded guilty to a specification of the type 23061
described in section 2941.1413 of the Revised Code, the court may 23062
impose upon the offender a mandatory term of local incarceration 23063
of sixty days or one hundred twenty days as specified in division 23064
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 23065
not reduce the term pursuant to section 2929.20, 2967.193, or any 23066
other provision of the Revised Code. The court that imposes a 23067
mandatory term of local incarceration under this division shall 23068
specify whether the term is to be served in a jail, a 23069
community-based correctional facility, a halfway house, or an 23070
alternative residential facility, and the offender shall serve the 23071
term in the type of facility specified by the court. A mandatory 23072
term of local incarceration imposed under division (G)(1) of this 23073
section is not subject to any other Revised Code provision that 23074
pertains to a prison term except as provided in division (A)(1) of 23075
this section. 23076

(2) If the offender is being sentenced for a third degree 23077
felony OVI offense, or if the offender is being sentenced for a 23078
fourth degree felony OVI offense and the court does not impose a 23079
mandatory term of local incarceration under division (G)(1) of 23080
this section, the court shall impose upon the offender a mandatory 23081
prison term of one, two, three, four, or five years if the 23082
offender also is convicted of or also pleads guilty to a 23083
specification of the type described in section 2941.1413 of the 23084
Revised Code or shall impose upon the offender a mandatory prison 23085
term of sixty days or one hundred twenty days as specified in 23086
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 23087
if the offender has not been convicted of and has not pleaded 23088
guilty to a specification of that type. Subject to divisions (C) 23089
to (I) of section 2967.19 of the Revised Code, the court shall not 23090
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 23091
any other provision of the Revised Code. The offender shall serve 23092
the one-, two-, three-, four-, or five-year mandatory prison term 23093
consecutively to and prior to the prison term imposed for the 23094
underlying offense and consecutively to any other mandatory prison 23095
term imposed in relation to the offense. In no case shall an 23096
offender who once has been sentenced to a mandatory term of local 23097
incarceration pursuant to division (G)(1) of this section for a 23098
fourth degree felony OVI offense be sentenced to another mandatory 23099
term of local incarceration under that division for any violation 23100
of division (A) of section 4511.19 of the Revised Code. In 23101
addition to the mandatory prison term described in division (G)(2) 23102
of this section, the court may sentence the offender to a 23103
community control sanction under section 2929.16 or 2929.17 of the 23104
Revised Code, but the offender shall serve the prison term prior 23105
to serving the community control sanction. The department of 23106
rehabilitation and correction may place an offender sentenced to a 23107
mandatory prison term under this division in an intensive program 23108
prison established pursuant to section 5120.033 of the Revised 23109

Code if the department gave the sentencing judge prior notice of 23110
its intent to place the offender in an intensive program prison 23111
established under that section and if the judge did not notify the 23112
department that the judge disapproved the placement. Upon the 23113
establishment of the initial intensive program prison pursuant to 23114
section 5120.033 of the Revised Code that is privately operated 23115
and managed by a contractor pursuant to a contract entered into 23116
under section 9.06 of the Revised Code, both of the following 23117
apply: 23118

(a) The department of rehabilitation and correction shall 23119
make a reasonable effort to ensure that a sufficient number of 23120
offenders sentenced to a mandatory prison term under this division 23121
are placed in the privately operated and managed prison so that 23122
the privately operated and managed prison has full occupancy. 23123

(b) Unless the privately operated and managed prison has full 23124
occupancy, the department of rehabilitation and correction shall 23125
not place any offender sentenced to a mandatory prison term under 23126
this division in any intensive program prison established pursuant 23127
to section 5120.033 of the Revised Code other than the privately 23128
operated and managed prison. 23129

(H) If an offender is being sentenced for a sexually oriented 23130
offense or child-victim oriented offense that is a felony 23131
committed on or after January 1, 1997, the judge shall require the 23132
offender to submit to a DNA specimen collection procedure pursuant 23133
to section 2901.07 of the Revised Code. 23134

(I) If an offender is being sentenced for a sexually oriented 23135
offense or a child-victim oriented offense committed on or after 23136
January 1, 1997, the judge shall include in the sentence a summary 23137
of the offender's duties imposed under sections 2950.04, 2950.041, 23138
2950.05, and 2950.06 of the Revised Code and the duration of the 23139
duties. The judge shall inform the offender, at the time of 23140
sentencing, of those duties and of their duration. If required 23141

under division (A)(2) of section 2950.03 of the Revised Code, the 23142
judge shall perform the duties specified in that section, or, if 23143
required under division (A)(6) of section 2950.03 of the Revised 23144
Code, the judge shall perform the duties specified in that 23145
division. 23146

(J)(1) Except as provided in division (J)(2) of this section, 23147
when considering sentencing factors under this section in relation 23148
to an offender who is convicted of or pleads guilty to an attempt 23149
to commit an offense in violation of section 2923.02 of the 23150
Revised Code, the sentencing court shall consider the factors 23151
applicable to the felony category of the violation of section 23152
2923.02 of the Revised Code instead of the factors applicable to 23153
the felony category of the offense attempted. 23154

(2) When considering sentencing factors under this section in 23155
relation to an offender who is convicted of or pleads guilty to an 23156
attempt to commit a drug abuse offense for which the penalty is 23157
determined by the amount or number of unit doses of the controlled 23158
substance involved in the drug abuse offense, the sentencing court 23159
shall consider the factors applicable to the felony category that 23160
the drug abuse offense attempted would be if that drug abuse 23161
offense had been committed and had involved an amount or number of 23162
unit doses of the controlled substance that is within the next 23163
lower range of controlled substance amounts than was involved in 23164
the attempt. 23165

(K) As used in this section: 23166

(1) "Community addiction services provider" has the same 23167
meaning as in section 5119.01 of the Revised Code. 23168

(2) "Drug abuse offense" has the same meaning as in section 23169
2925.01 of the Revised Code. 23170

~~(2)~~(3) "Qualifying assault offense" means a violation of 23171
section 2903.13 of the Revised Code for which the penalty 23172

provision in division (C)(8)(b) or (C)(9)(b) of that section 23173
applies. 23174

(L) At the time of sentencing an offender for any sexually 23175
oriented offense, if the offender is a tier III sex 23176
offender/child-victim offender relative to that offense and the 23177
offender does not serve a prison term or jail term, the court may 23178
require that the offender be monitored by means of a global 23179
positioning device. If the court requires such monitoring, the 23180
cost of monitoring shall be borne by the offender. If the offender 23181
is indigent, the cost of compliance shall be paid by the crime 23182
victims reparations fund. 23183

Sec. 2929.18. (A) Except as otherwise provided in this 23184
division and in addition to imposing court costs pursuant to 23185
section 2947.23 of the Revised Code, the court imposing a sentence 23186
upon an offender for a felony may sentence the offender to any 23187
financial sanction or combination of financial sanctions 23188
authorized under this section or, in the circumstances specified 23189
in section 2929.32 of the Revised Code, may impose upon the 23190
offender a fine in accordance with that section. Financial 23191
sanctions that may be imposed pursuant to this section include, 23192
but are not limited to, the following: 23193

(1) Restitution by the offender to the victim of the 23194
offender's crime or any survivor of the victim, in an amount based 23195
on the victim's economic loss. If the court imposes restitution, 23196
the court shall order that the restitution be made to the victim 23197
in open court, to the adult probation department that serves the 23198
county on behalf of the victim, to the clerk of courts, or to 23199
another agency designated by the court. If the court imposes 23200
restitution, at sentencing, the court shall determine the amount 23201
of restitution to be made by the offender. If the court imposes 23202
restitution, the court may base the amount of restitution it 23203

orders on an amount recommended by the victim, the offender, a 23204
presentence investigation report, estimates or receipts indicating 23205
the cost of repairing or replacing property, and other 23206
information, provided that the amount the court orders as 23207
restitution shall not exceed the amount of the economic loss 23208
suffered by the victim as a direct and proximate result of the 23209
commission of the offense. If the court decides to impose 23210
restitution, the court shall hold a hearing on restitution if the 23211
offender, victim, or survivor disputes the amount. All restitution 23212
payments shall be credited against any recovery of economic loss 23213
in a civil action brought by the victim or any survivor of the 23214
victim against the offender. 23215

If the court imposes restitution, the court may order that 23216
the offender pay a surcharge of not more than five per cent of the 23217
amount of the restitution otherwise ordered to the entity 23218
responsible for collecting and processing restitution payments. 23219

The victim or survivor may request that the prosecutor in the 23220
case file a motion, or the offender may file a motion, for 23221
modification of the payment terms of any restitution ordered. If 23222
the court grants the motion, it may modify the payment terms as it 23223
determines appropriate. 23224

(2) Except as provided in division (B)(1), (3), or (4) of 23225
this section, a fine payable by the offender to the state, to a 23226
political subdivision, or as described in division (B)(2) of this 23227
section to one or more law enforcement agencies, with the amount 23228
of the fine based on a standard percentage of the offender's daily 23229
income over a period of time determined by the court and based 23230
upon the seriousness of the offense. A fine ordered under this 23231
division shall not exceed the maximum conventional fine amount 23232
authorized for the level of the offense under division (A)(3) of 23233
this section. 23234

(3) Except as provided in division (B)(1), (3), or (4) of 23235

(b) If the offender is sentenced to a sanction of confinement 23269
pursuant to section 2929.14 or 2929.16 of the Revised Code that is 23270
to be served in a facility operated by a board of county 23271

Code, the board, legislative authority, or other local 23276
governmental entity requires prisoners to reimburse the county, 23277
municipal corporation, or other entity for its expenses incurred 23278
by reason of the prisoner's confinement, and if the court does not 23279
impose a financial sanction under division (A)(5)(a)(ii) of this 23280
section, confinement costs may be assessed pursuant to section 23281
2929.37 of the Revised Code. In addition, the offender may be 23282
required to pay the fees specified in section 2929.38 of the 23283
Revised Code in accordance with that section. 23284

(c) Reimbursement by the offender for costs pursuant to 23285
section 2929.71 of the Revised Code. 23286

(B)(1) For a first, second, or third degree felony violation 23287
of any provision of Chapter 2925., 3719., or 4729. of the Revised 23288
Code, the sentencing court shall impose upon the offender a 23289
mandatory fine of at least one-half of, but not more than, the 23290
maximum statutory fine amount authorized for the level of the 23291
offense pursuant to division (A)(3) of this section. If an 23292
offender alleges in an affidavit filed with the court prior to 23293
sentencing that the offender is indigent and unable to pay the 23294
mandatory fine and if the court determines the offender is an 23295
indigent person and is unable to pay the mandatory fine described 23296
in this division, the court shall not impose the mandatory fine 23297

upon the offender. 23298

(2) Any mandatory fine imposed upon an offender under 23299
division (B)(1) of this section and any fine imposed upon an 23300
offender under division (A)(2) or (3) of this section for any 23301
fourth or fifth degree felony violation of any provision of 23302
Chapter 2925., 3719., or 4729. of the Revised Code shall be paid 23303

(G)(1)(d) or (e) of section 4511.19 of the Revised Code, whichever 23309
is applicable. The mandatory fine so imposed shall be disbursed as 23310
provided in the division pursuant to which it is imposed. 23311

(4) Notwithstanding any fine otherwise authorized or required 23312
to be imposed under division (A)(2) or (3) or (B)(1) of this 23313
section or section 2929.31 of the Revised Code for a violation of 23314
section 2925.03 of the Revised Code, in addition to any penalty or 23315
sanction imposed for that offense under section 2925.03 or 23316
sections 2929.11 to 2929.18 of the Revised Code and in addition to 23317
the forfeiture of property in connection with the offense as 23318
prescribed in Chapter 2981. of the Revised Code, the court that 23319
sentences an offender for a violation of section 2925.03 of the 23320
Revised Code may impose upon the offender a fine in addition to 23321
any fine imposed under division (A)(2) or (3) of this section and 23322
in addition to any mandatory fine imposed under division (B)(1) of 23323
this section. The fine imposed under division (B)(4) of this 23324
section shall be used as provided in division (H) of section 23325
2925.03 of the Revised Code. A fine imposed under division (B)(4) 23326
of this section shall not exceed whichever of the following is 23327
applicable: 23328

(a) The total value of any personal or real property in which 23329

intended for use in the course of, derived from, or realized 23331
through conduct in violation of section 2925.03 of the Revised 23332
Code, including any property that constitutes proceeds derived 23333
from that offense; 23334

(b) If the offender has no interest in any property of the 23335
type described in division (B)(4)(a) of this section or if it is 23336
not possible to ascertain whether the offender has an interest in 23337
any property of that type in which the offender may have an 23338
interest, the amount of the mandatory fine for the offense imposed 23339
under division (B)(1) of this section or, if no mandatory fine is 23340
imposed under division (B)(1) of this section, the amount of the 23341
fine authorized for the level of the offense imposed under 23342
division (A)(3) of this section. 23343

(5) Prior to imposing a fine under division (B)(4) of this 23344
section, the court shall determine whether the offender has an 23345
interest in any property of the type described in division 23346
(B)(4)(a) of this section. Except as provided in division (B)(6) 23347
or (7) of this section, a fine that is authorized and imposed 23348
under division (B)(4) of this section does not limit or affect the 23349
imposition of the penalties and sanctions for a violation of 23350
section 2925.03 of the Revised Code prescribed under those 23351
sections or sections 2929.11 to 2929.18 of the Revised Code and 23352

hearing if ordered to do so by the court. Upon receipt of a copy 23727
of the journal entry containing the order, the head of the state 23728
correctional institution in which the eligible offender is 23729
incarcerated shall deliver the eligible offender to the sheriff of 23730
the county in which the hearing is to be held. The sheriff shall 23731
convey the eligible offender to and from the hearing. 23732

(I) At the hearing on a motion for judicial release under 23733
this section, the court shall afford the eligible offender and the 23734
eligible offender's attorney an opportunity to present written 23735
and, if present, oral information relevant to the motion. The 23736
court shall afford a similar opportunity to the prosecuting 23737

attorney, the victim or the victim's representative, and any other 23738
person the court determines is likely to present additional 23739
relevant information. The court shall consider any statement of a 23740
victim made pursuant to section 2930.14 or 2930.17 of the Revised 23741
Code, any victim impact statement prepared pursuant to section 23742
2947.051 of the Revised Code, and any report made under division 23743
(G) of this section. The court may consider any written statement 23744
of any person submitted to the court pursuant to division (L) of 23745
this section. After ruling on the motion, the court shall notify 23746
the victim of the ruling in accordance with sections 2930.03 and 23747
2930.16 of the Revised Code. 23748

(J)(1) A court shall not grant a judicial release under this 23749
section to an eligible offender who is imprisoned for a felony of 23750
the first or second degree, or to an eligible offender who 23751
committed an offense under Chapter 2925. or 3719. of the Revised 23752
Code and for whom there was a presumption under section 2929.13 of 23753
the Revised Code in favor of a prison term, unless the court, with 23754
reference to factors under section 2929.12 of the Revised Code, 23755
finds both of the following: 23756

(a) That a sanction other than a prison term would adequately 23757
punish the offender and protect the public from future criminal 23758
violations by the eligible offender because the applicable factors 23759
indicating a lesser likelihood of recidivism outweigh the 23760
applicable factors indicating a greater likelihood of recidivism; 23761

(b) That a sanction other than a prison term would not demean 23762
the seriousness of the offense because factors indicating that the 23763
eligible offender's conduct in committing the offense was less 23764
serious than conduct normally constituting the offense outweigh 23765
factors indicating that the eligible offender's conduct was more 23766
serious than conduct normally constituting the offense. 23767

(2) A court that grants a judicial release to an eligible 23768
offender under division (J)(1) of this section shall specify on 23769

the record both findings required in that division and also shall 23770
list all the factors described in that division that were 23771
presented at the hearing. 23772

(K) If the court grants a motion for judicial release under 23773
this section, the court shall order the release of the eligible 23774
offender, shall place the eligible offender under an appropriate 23775
community control sanction, under appropriate conditions, and 23776
under the supervision of the department of probation serving the 23777
court and shall reserve the right to reimpose the sentence that it 23778
reduced if the offender violates the sanction. If the court 23779
reimposes the reduced sentence, it may do so either concurrently 23780
with, or consecutive to, any new sentence imposed upon the 23781
eligible offender as a result of the violation that is a new 23782
offense. ~~The~~ Except as provided in division (R)(2) of this 23783
section, the period of community control shall be no longer than 23784
five years. The court, in its discretion, may reduce the period of 23785
community control by the amount of time the eligible offender 23786
spent in jail or prison for the offense and in prison. If the 23787
court made any findings pursuant to division (J)(1) of this 23788
section, the court shall serve a copy of the findings upon counsel 23789
for the parties within fifteen days after the date on which the 23790
court grants the motion for judicial release. 23791

If the court grants a motion for judicial release, the court 23792
shall notify the appropriate person at the department of 23793
rehabilitation and correction, and the department shall post 23794
notice of the release on the database it maintains pursuant to 23795
section 5120.66 of the Revised Code. The court also shall notify 23796
the prosecuting attorney of the county in which the eligible 23797
offender was indicted that the motion has been granted. Unless the 23798
victim or the victim's representative has requested pursuant to 23799
division (B)(2) of section 2930.03 of the Revised Code that the 23800
victim or victim's representative not be provided the notice, the 23801

prosecuting attorney shall notify the victim or the victim's 23802
representative of the judicial release in any manner, and in 23803
accordance with the same procedures, pursuant to which the 23804
prosecuting attorney is authorized to provide notice of the 23805
hearing pursuant to division (E)(2) of this section. If the notice 23806
is based on an offense committed prior to March 22, 2013, the 23807
notice to the victim or victim's representative also shall include 23808
the opt-out information described in division (D)(1) of section 23809
2930.16 of the Revised Code. 23810

(L) In addition to and independent of the right of a victim 23811
to make a statement pursuant to section 2930.14, 2930.17, or 23812
2946.051 of the Revised Code and any right of a person to present 23813
written information or make a statement pursuant to division (I) 23814
of this section, any person may submit to the court, at any time 23815
prior to the hearing on the offender's motion for judicial 23816
release, a written statement concerning the effects of the 23817
offender's crime or crimes, the circumstances surrounding the 23818
crime or crimes, the manner in which the crime or crimes were 23819
perpetrated, and the person's opinion as to whether the offender 23820
should be released. 23821

(M) The changes to this section that are made on September 23822
30, 2011, apply to any judicial release decision made on or after 23823
September 30, 2011, for any eligible offender. 23824

(N) Notwithstanding the eligibility requirements specified in 23825
division (A) of this section and the filing time frames specified 23826
in division (C) of this section and notwithstanding the findings 23827
required under division (J) of this section, the sentencing court, 23828
upon the court's own motion and after considering whether the 23829
release of the offender into society would create undue risk to 23830
public safety, may grant a judicial release to an offender who is 23831
not serving a life sentence at any time during the offender's 23832
imposed sentence when the director of rehabilitation and 23833

correction certifies to the sentencing court through the chief 23834
medical officer for the department of rehabilitation and 23835
correction that the offender is in imminent danger of death, is 23836
medically incapacitated, or is suffering from a terminal illness. 23837

(O) The director of rehabilitation and correction shall not 23838
certify any offender under division (N) of this section who is 23839
serving a death sentence. 23840

(P) A motion made by the court under division (N) of this 23841
section is subject to the notice, hearing, and other procedural 23842
requirements specified in divisions (D), (E), (G), (H), (I), (K), 23843
and (L) of this section, except for the following: 23844

(1) The court may waive the offender's appearance at any 23845
hearing scheduled by the court if the offender's condition makes 23846
it impossible for the offender to participate meaningfully in the 23847
proceeding. 23848

(2) The court may grant the motion without a hearing, 23849
provided that the prosecuting attorney and victim or victim's 23850
representative to whom notice of the hearing was provided under 23851
division (E) of this section indicate that they do not wish to 23852
participate in the hearing or present information relevant to the 23853
motion. 23854

(Q) The court may request health care records from the 23855
department of rehabilitation and correction to verify the 23856
certification made under division (N) of this section. 23857

(R)(1) If the court grants judicial release under division 23858
(N) of this section, the court shall do all of the following: 23859

(a) Order the release of the offender; 23860

(b) Place the offender under an appropriate community control 23861
sanction, under appropriate conditions; 23862

(c) Place the offender under the supervision of the 23863

department of probation serving the court or under the supervision 23864
of the adult parole authority. 23865

(2) The court, in its discretion, may revoke the judicial 23866
release if the offender violates the community control sanction 23867
described in division (R)(1) of this section. The period of that 23868
community control is not subject to the five-year limitation 23869
described in division (K) of this section and shall not expire 23870
earlier than the date on which all of the offender's mandatory 23871
prison terms expire. 23872

(S) If the health of an offender who is released under 23873
division (N) of this section improves so that the offender is no 23874
longer terminally ill, medically incapacitated, or in imminent 23875
danger of death, the court shall, upon the court's own motion, 23876
revoke the judicial release. The court shall not grant the motion 23877
without a hearing unless the offender waives a hearing. If a 23878
hearing is held, the court shall afford the offender and the 23879
offender's attorney an opportunity to present written and, if the 23880
offender or the offender's attorney is present, oral information 23881
relevant to the motion. The court shall afford a similar 23882
opportunity to the prosecuting attorney, the victim or the 23883
victim's representative, and any other person the court determines 23884
is likely to present additional relevant information. A court that 23885
grants a motion under this division shall specify its findings on 23886
the record. 23887

Sec. 2935.33. (A) If a person charged with a misdemeanor is 23888
taken before a judge of a court of record and if it appears to the 23889
judge that the person is an alcoholic or is suffering from acute 23890
alcohol intoxication and that the person would benefit from 23891
services provided by a community addiction services provider 23892
~~certified under Chapter 5119. of the Revised Code~~, the judge may 23893
place the person temporarily ~~in~~ with a community addiction 23894

services provider ~~certified under that chapter~~ in the area in 23895
which the court has jurisdiction for inpatient care and treatment 23896
for an indefinite period not exceeding five days. The commitment 23897
does not limit the right to release on bail. The judge may dismiss 23898
a charge of a violation of division (B) of section 2917.11 of the 23899
Revised Code or of a municipal ordinance substantially equivalent 23900
to that division if the defendant complies with all the conditions 23901
of treatment ordered by the court. 23902

The court may order that any fines or court costs collected 23903
by the court from defendants who have received inpatient care from 23904
a community addiction services provider be paid, for the benefit 23905
of the program, to the board of alcohol, drug addiction, and 23906
mental health services of the alcohol, drug addiction, and mental 23907
health service district in which the community addiction services 23908
provider is located or to the director of mental health and 23909
addiction services. 23910

(B) If a person is being sentenced for a violation of 23911
division (B) of section 2917.11 or section 4511.19 of the Revised 23912
Code, a misdemeanor violation of section 2919.25 of the Revised 23913
Code, a misdemeanor violation of section 2919.27 of the Revised 23914
Code involving a protection order issued or consent agreement 23915
approved pursuant to section 2919.26 or 3113.31 of the Revised 23916
Code, or a violation of a municipal ordinance substantially 23917
equivalent to that division or any of those sections and if it 23918
appears to the judge at the time of sentencing that the person is 23919
an alcoholic or is suffering from acute alcohol intoxication and 23920
that, in lieu of imprisonment, the person would benefit from 23921
services provided by a community addiction services provider 23922
~~certified under Chapter 5119. of the Revised Code~~, the court may 23923
commit the person to close supervision in any facility in the area 23924
in which the court has jurisdiction that is, or is operated by, 23925
such a services provider. Such close supervision may include 23926

outpatient services and part-time release, except that a person 23927
convicted of a violation of division (A) of section 4511.19 of the 23928
Revised Code shall be confined to the facility for at least three 23929
days and except that a person convicted of a misdemeanor violation 23930
of section 2919.25 of the Revised Code, a misdemeanor violation of 23931
section 2919.27 of the Revised Code involving a protection order 23932
issued or consent agreement approved pursuant to section 2919.26 23933
or 3113.31 of the Revised Code, or a violation of a substantially 23934
equivalent municipal ordinance shall be confined to the facility 23935
in accordance with the order of commitment. A commitment of a 23936
person to a facility for purposes of close supervision shall not 23937
exceed the maximum term for which the person could be imprisoned. 23938

(C) A law enforcement officer who finds a person subject to 23939
prosecution for violation of division (B) of section 2917.11 of 23940
the Revised Code or a municipal ordinance substantially equivalent 23941
to that division and who has reasonable cause to believe that the 23942
person is an alcoholic or is suffering from acute alcohol 23943
intoxication and would benefit from immediate treatment 23944
immediately may place the person ~~in~~ with a community addiction 23945
services provider ~~certified under Chapter 5119. of the Revised~~ 23946
~~Code~~ in the area in which the person is found, for emergency 23947
treatment, in lieu of other arrest procedures, for a maximum 23948
period of forty-eight hours. During that time, if the person 23949
desires to leave such custody, the person shall be released 23950
forthwith. 23951

(D) As used in this section: 23952

(1) "Alcoholic" ~~has~~ and "community addiction services 23953
provider" have the same ~~meaning~~ meanings as in section 5119.01 of 23954
the Revised Code; 23955

(2) "Acute alcohol intoxication" means a heavy consumption of 23956
alcohol over a relatively short period of time, resulting in 23957
dysfunction of the brain centers controlling behavior, speech, and 23958

memory and causing characteristic withdrawal symptoms. 23959

Sec. 2951.041. (A)(1) If an offender is charged with a 23960
criminal offense, including but not limited to a violation of 23961
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 23962
the Revised Code, and the court has reason to believe that drug or 23963
alcohol usage by the offender was a factor leading to the criminal 23964
offense with which the offender is charged or that, at the time of 23965
committing that offense, the offender had a mental illness, was a 23966
person with intellectual disability, or was a victim of a 23967
violation of section 2905.32 of the Revised Code and that the 23968
mental illness, status as a person with intellectual disability, 23969
or fact that the offender was a victim of a violation of section 23970
2905.32 of the Revised Code was a factor leading to the offender's 23971
criminal behavior, the court may accept, prior to the entry of a 23972
guilty plea, the offender's request for intervention in lieu of 23973
conviction. The request shall include a statement from the 23974
offender as to whether the offender is alleging that drug or 23975
alcohol usage by the offender was a factor leading to the criminal 23976
offense with which the offender is charged or is alleging that, at 23977
the time of committing that offense, the offender had a mental 23978
illness, was a person with intellectual disability, or was a 23979
victim of a violation of section 2905.32 of the Revised Code and 23980
that the mental illness, status as a person with intellectual 23981
disability, or fact that the offender was a victim of a violation 23982
of section 2905.32 of the Revised Code was a factor leading to the 23983
criminal offense with which the offender is charged. The request 23984
also shall include a waiver of the defendant's right to a speedy 23985
trial, the preliminary hearing, the time period within which the 23986
grand jury may consider an indictment against the offender, and 23987
arraignment, unless the hearing, indictment, or arraignment has 23988
already occurred. The court may reject an offender's request 23989
without a hearing. If the court elects to consider an offender's 23990

request, the court shall conduct a hearing to determine whether 23991
the offender is eligible under this section for intervention in 23992
lieu of conviction and shall stay all criminal proceedings pending 23993
the outcome of the hearing. If the court schedules a hearing, the 23994
court shall order an assessment of the offender for the purpose of 23995
determining the offender's eligibility for intervention in lieu of 23996
conviction and recommending an appropriate intervention plan. 23997

If the offender alleges that drug or alcohol usage by the 23998
offender was a factor leading to the criminal offense with which 23999
the offender is charged, the court may order that the offender be 24000
assessed by ~~an~~ a community addiction services provider ~~certified~~ 24001
~~pursuant to section 5119.36 of the Revised Code~~ or a properly 24002
credentialed professional for the purpose of determining the 24003
offender's eligibility for intervention in lieu of conviction and 24004
recommending an appropriate intervention plan. The community 24005
addiction services provider or the properly credentialed 24006
professional shall provide a written assessment of the offender to 24007
the court. 24008

(2) The victim notification provisions of division (C) of 24009
section 2930.08 of the Revised Code apply in relation to any 24010
hearing held under division (A)(1) of this section. 24011

(B) An offender is eligible for intervention in lieu of 24012
conviction if the court finds all of the following: 24013

(1) The offender previously has not been convicted of or 24014
pleaded guilty to a felony offense of violence or previously has 24015
been convicted of or pleaded guilty to any felony that is not an 24016
offense of violence and the prosecuting attorney recommends that 24017
the offender be found eligible for participation in intervention 24018
in lieu of treatment under this section, previously has not been 24019
through intervention in lieu of conviction under this section or 24020
any similar regimen, and is charged with a felony for which the 24021
court, upon conviction, would impose a community control sanction 24022

on the offender under division (B)(2) of section 2929.13 of the Revised Code or with a misdemeanor.

(2) The offense is not a felony of the first, second, or third degree, is not an offense of violence, is not a violation of division (A)(1) or (2) of section 2903.06 of the Revised Code, is not a violation of division (A)(1) of section 2903.08 of the Revised Code, is not a violation of division (A) of section 4511.19 of the Revised Code or a municipal ordinance that is substantially similar to that division, and is not an offense for which a sentencing court is required to impose a mandatory prison term, a mandatory term of local incarceration, or a mandatory term of imprisonment in a jail.

(3) The offender is not charged with a violation of section 2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged with a violation of section 2925.03 of the Revised Code that is a felony of the first, second, third, or fourth degree, and is not charged with a violation of section 2925.11 of the Revised Code that is a felony of the first, second, or third degree.

(4) If an offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court has ordered that the offender be assessed by ~~an~~ a community addiction services provider ~~certified pursuant to section 5119.36 of the Revised Code~~ or a properly credentialed professional for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan, the offender has been assessed by ~~an~~ a community addiction services provider of that nature or a properly credentialed professional in accordance with the court's order, and the community addiction services provider or properly credentialed professional has filed the written assessment of the offender with the court.

(5) If an offender alleges that, at the time of committing

the criminal offense with which the offender is charged, the 24055
offender had a mental illness, was a person with intellectual 24056
disability, or was a victim of a violation of section 2905.32 of 24057
the Revised Code and that the mental illness, status as a person 24058
with intellectual disability, or fact that the offender was a 24059
victim of a violation of section 2905.32 of the Revised Code was a 24060
factor leading to that offense, the offender has been assessed by 24061
a psychiatrist, psychologist, independent social worker, licensed 24062
professional clinical counselor, or independent marriage and 24063
family therapist for the purpose of determining the offender's 24064
eligibility for intervention in lieu of conviction and 24065
recommending an appropriate intervention plan. 24066

(6) The offender's drug usage, alcohol usage, mental illness, 24067
or intellectual disability, or the fact that the offender was a 24068
victim of a violation of section 2905.32 of the Revised Code, 24069
whichever is applicable, was a factor leading to the criminal 24070
offense with which the offender is charged, intervention in lieu 24071
of conviction would not demean the seriousness of the offense, and 24072
intervention would substantially reduce the likelihood of any 24073
future criminal activity. 24074

(7) The alleged victim of the offense was not sixty-five 24075
years of age or older, permanently and totally disabled, under 24076
thirteen years of age, or a peace officer engaged in the officer's 24077
official duties at the time of the alleged offense. 24078

(8) If the offender is charged with a violation of section 24079
2925.24 of the Revised Code, the alleged violation did not result 24080
in physical harm to any person, and the offender previously has 24081
not been treated for drug abuse. 24082

(9) The offender is willing to comply with all terms and 24083
conditions imposed by the court pursuant to division (D) of this 24084
section. 24085

(10) The offender is not charged with an offense that would result in the offender being disqualified under Chapter 4506. of the Revised Code from operating a commercial motor vehicle or would subject the offender to any other sanction under that chapter.

(C) At the conclusion of a hearing held pursuant to division (A) of this section, the court shall enter its determination as to whether the offender is eligible for intervention in lieu of conviction and as to whether to grant the offender's request. If the court finds under division (B) of this section that the offender is eligible for intervention in lieu of conviction and grants the offender's request, the court shall accept the offender's plea of guilty and waiver of the defendant's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the offender, and arraignment, unless the hearing, indictment, or arraignment has already occurred. In addition, the court then may stay all criminal proceedings and order the offender to comply with all terms and conditions imposed by the court pursuant to division (D) of this section. If the court finds that the offender is not eligible or does not grant the offender's request, the criminal proceedings against the offender shall proceed as if the offender's request for intervention in lieu of conviction had not been made.

(D) If the court grants an offender's request for intervention in lieu of conviction, the court shall place the offender under the general control and supervision of the county probation department, the adult parole authority, or another appropriate local probation or court services agency, if one exists, as if the offender was subject to a community control sanction imposed under section 2929.15, 2929.18, or 2929.25 of the Revised Code. The court shall establish an intervention plan for

the offender. The terms and conditions of the intervention plan 24118
shall require the offender, for at least one year from the date on 24119
which the court grants the order of intervention in lieu of 24120
conviction, to abstain from the use of illegal drugs and alcohol, 24121
to participate in treatment and recovery support services, and to 24122
submit to regular random testing for drug and alcohol use and may 24123
include any other treatment terms and conditions, or terms and 24124
conditions similar to community control sanctions, which may 24125
include community service or restitution, that are ordered by the 24126
court. 24127

(E) If the court grants an offender's request for 24128
intervention in lieu of conviction and the court finds that the 24129
offender has successfully completed the intervention plan for the 24130
offender, including the requirement that the offender abstain from 24131
using illegal drugs and alcohol for a period of at least one year 24132
from the date on which the court granted the order of intervention 24133
in lieu of conviction, the requirement that the offender 24134
participate in treatment and recovery support services, and all 24135
other terms and conditions ordered by the court, the court shall 24136
dismiss the proceedings against the offender. Successful 24137
completion of the intervention plan and period of abstinence under 24138
this section shall be without adjudication of guilt and is not a 24139
criminal conviction for purposes of any disqualification or 24140
disability imposed by law and upon conviction of a crime, and the 24141
court may order the sealing of records related to the offense in 24142
question in the manner provided in sections 2953.31 to 2953.36 of 24143
the Revised Code. 24144

(F) If the court grants an offender's request for 24145
intervention in lieu of conviction and the offender fails to 24146
comply with any term or condition imposed as part of the 24147
intervention plan for the offender, the supervising authority for 24148
the offender promptly shall advise the court of this failure, and 24149

the court shall hold a hearing to determine whether the offender 24150

representatives of the offender, the clerk of the court of claims 24257
shall pay the money remaining in the separate account in 24258

in accordance with division (C)~~(2)~~(1) or ~~(3)~~(2) of section 2929.18 24291
of the Revised Code, to cover the costs of the confinement. If 24292
more than one county or municipal corporation operated a facility 24293
in which the offender was confined, the clerk shall equitably 24294
apportion the money among each of those counties and municipal 24295
corporations. If any money remains in the separate account after 24296
the payment of the costs of the confinement pursuant to this 24297
division, the clerk shall pay the remaining money in accordance 24298
with divisions (B)~~(3)~~(2) and ~~(5)~~(4) of this section. 24299~~

required to be paid under division (B)(1) ~~or (2)~~ of this section, 24303

subdivisions. If any money remains in the separate account after 24322
the payment of the costs of the imprisonment or incarceration 24323
under this division, the clerk shall pay the remaining money in 24324
accordance with division (B)~~(5)~~(4) of this section. 24325

~~(5)~~(4) If any money remains in the separate account after 24326

clerk shall distribute the amount of the money remaining in the 24330
separate account as otherwise provided by law for the distribution 24331
of money paid in satisfaction of a fine, as if that amount was a 24332

Sec. 2981.12. (A) Unclaimed or forfeited property in the 24334
custody of a law enforcement agency, other than property described 24335

may be incorporated into any other official vehicle. Parts that do 24387
not bear vehicle identification numbers or derivatives of them may 24388
be sold or disposed of as provided by rules of the director of 24389
public safety. Parts from which a vehicle identification number or 24390
derivative of it has been removed, defaced, covered, altered, or 24391

enforcement agency in possession of it. If it is not used by the 24406
agency, it may be sold without appraisal at a public auction to 24407
the highest bidder for cash or disposed of in another manner that 24408
the court considers proper. 24409

general revenue fund of the state, or the general fund of the 24414
county, the township, or the municipal corporation of which the 24415

(C) of this section. 24431

Each services provider that receives in any calendar year 24432
forfeited money under this division shall file an annual report 24433
for that year with the attorney general and with the court of 24434
common pleas and board of county commissioners of the county in 24435

year with the attorney general and with the court of common pleas 24451
and board of county commissioners of the county in which the 24452
services provider is located and of any other county from which 24453
the services provider received the money. The services provider 24454
shall file the report on or before the first day of March in the 24455
calendar year following the year in which the services provider 24456

treatment services provided, and specifically account for how the 24459
money was used. No information in the report shall identify or 24460
enable a person to determine the identity of anyone served by the 24461
services provider. 24462

As used in this division, "juvenile-related forfeiture order" 24463
means any forfeiture order issued by a juvenile court under 24464
section 2981.04 or 2981.05 of the Revised Code and any disposal of 24465
property ordered by a court under section 2981.11 of the Revised 24466

a juvenile court. 24469

(F) Each board of county commissioners that recognizes a 24470
citizens' reward program under section 9.92 of the Revised Code 24471
shall notify each law enforcement agency of that county and of a 24472
township or municipal corporation wholly located in that county of 24473
the recognition by filing a copy of its resolution conferring that 24474
recognition with each of those agencies. When the board recognizes 24475
a citizens' reward program and the county includes a part, but not 24476

county contains the highest percentage of the municipal 24480
corporation's population. 24481

Upon being so notified, each law enforcement agency shall pay 24482
twenty-five per cent of any forfeited proceeds or cash derived 24483
from each sale of property disposed of pursuant to this section to 24484
the citizens' reward program for use exclusively to pay rewards. 24485

receives funds under this section, the funds shall be used to pay 24489
rewards only for tips and information to law enforcement agencies 24490
concerning offenses committed in the county from which the funds 24491
were received. 24492

Revised Code does not make the citizens' reward program a 24494

governmental unit or public office for purposes of section 149.43 24495
of the Revised Code. 24496

(G) Any property forfeited under this chapter shall not be 24497

tools, or other property seized because the personal effects, 24502
tools, or other property were used in the commission of a 24503
violation of section 2905.32, 2907.21, or 2907.22 of the Revised 24504
Code or derived from the proceeds of the commission of a violation 24505
of section 2905.32, 2907.21, or 2907.22 of the Revised Code and 24506
disposed of pursuant to this section shall be placed in the 24507
victims of human trafficking fund created by section 5101.87 of 24508
the Revised Code. 24509

Sec. 2981.13. (A) Except as otherwise provided in this 24510
section, property ordered forfeited as contraband, proceeds, or an 24511
instrumentality pursuant to this chapter shall be disposed of, 24512
used, or sold pursuant to section 2981.12 of the Revised Code. If 24513
the property is to be sold under that section, the prosecutor 24514
shall cause notice of the proposed sale to be given in accordance 24515
with law. 24516

(B) If the contraband or instrumentality forfeited under this 24517
chapter is sold, any moneys acquired from a sale and any proceeds 24518
forfeited under this chapter shall be applied in the following 24519
order: 24520

per cent, and if the forfeiture was ordered in a court other than 24536
a juvenile court, one hundred per cent to the law enforcement 24537
trust fund of the prosecutor and to the following fund supporting 24538
the law enforcement agency that substantially conducted the 24539

sheriff, municipal corporation, township, or park district created 24541
under section 511.18 or 1545.01 of the Revised Code; the state 24542

(F) Any failure of a law enforcement officer or agency, 24710

basis for suppressing any evidence resulting from the seizure, 24714
provided the seizure itself was lawful. 24715

legal separation; 24728

(b) If the court determines that the use of either or both of 24729
the dates specified in division (A)(2)(a) of this section would be 24730
inequitable, the court may select dates that it considers 24731
equitable in determining marital property. If the court selects 24732
dates that it considers equitable in determining marital property, 24733
"during the marriage" means the period of time between those dates 24734
selected and specified by the court. 24735

(3)(a) "Marital property" means, subject to division 24736
(A)(3)(b) of this section, all of the following: 24737

| (6)(a) "Separate property" means all real and personal property and any interest in real or personal property that is found by the court to be any of the following: | 24775 24776 24777 |

court may, determine what constitutes marital property and what 24804
constitutes separate property. In either case, upon making such a 24805
determination, the court shall divide the marital and separate 24806
property equitably between the spouses, in accordance with this 24807
section. For purposes of this section, the court has jurisdiction 24808
over all property, excluding the social security benefits of a 24809
spouse other than as set forth in division (F)(9) of this section, 24810
in which one or both spouses have an interest. 24811

(C)(1) Except as provided in this division or division (E) of 24812
this section, the division of marital property shall be equal. If 24813
an equal division of marital property would be inequitable, the 24814
court shall not divide the marital property equally but instead 24815
shall divide it between the spouses in the manner the court 24816
determines equitable. In making a division of marital property, 24817
the court shall consider all relevant factors, including those set 24818
forth in division (F) of this section. 24819

(2) Each spouse shall be considered to have contributed 24820
equally to the production and acquisition of marital property. 24821

(3) The court shall provide for an equitable division of 24822
marital property under this section prior to making any award of 24823
spousal support to either spouse under section 3105.18 of the 24824
Revised Code and without regard to any spousal support so awarded. 24825

(4) If the marital property includes a participant account, 24826
as defined in section 148.01 of the Revised Code, the court shall 24827
not order the division or disbursement of the moneys and income 24828
described in division (A)(3)(a)(iv) of this section to occur in a 24829
manner that is inconsistent with the law, rules, or plan governing 24830
the deferred compensation program involved or prior to the time 24831
that the spouse in whose name the participant account is 24832
maintained commences receipt of the moneys and income credited to 24833
the account in accordance with that law, rules, and plan. 24834

(D) Except as otherwise provided in division (E) of this section or by another provision of this section, the court shall disburse a spouse's separate property to that spouse. If a court does not disburse a spouse's separate property to that spouse, the court shall make written findings of fact that explain the factors that it considered in making its determination that the spouse's separate property should not be disbursed to that spouse.

(E)(1) The court may make a distributive award to facilitate, effectuate, or supplement a division of marital property. The court may require any distributive award to be secured by a lien on the payor's specific marital property or separate property.

(2) The court may make a distributive award in lieu of a division of marital property in order to achieve equity between the spouses, if the court determines that a division of the marital property in kind or in money would be impractical or burdensome.

(3) The court shall require each spouse to disclose in a full and complete manner all marital property, separate property, and other assets, debts, income, and expenses of the spouse.

(4) If a spouse has engaged in financial misconduct, including, but not limited to, the dissipation, destruction, concealment, nondisclosure, or fraudulent disposition of assets, the court may compensate the offended spouse with a distributive award or with a greater award of marital property.

(5) If a spouse has substantially and willfully failed to ~~12~~ disclose marital property, separate property, or other assets, ~~13~~ debts, income, or expenses as required under division (E)(3) of ~~14~~ this section, the court may compensate the offended spouse with ~~15~~ a distributive award or with a greater award of marital property ~~16~~ not to exceed three times the value of the marital property, ~~17~~ separate property, or other assets, debts, income, or expenses ~~18~~

that are not disclosed by the other spouse. 24866

(F) In making a division of marital property and in 24867
determining whether to make and the amount of any distributive 24868
award under this section, the court shall consider all of the 24869
following factors: 24870

(1) The duration of the marriage; 24871

(2) The assets and liabilities of the spouses; 24872

(3) The desirability of awarding the family home, or the 24873
right to reside in the family home for reasonable periods of time, 24874
to the spouse with custody of the children of the marriage; 24875

(4) The liquidity of the property to be distributed; 24876

(5) The economic desirability of retaining intact an asset or 24877
an interest in an asset; 24878

(6) The tax consequences of the property division upon the 24879
respective awards to be made to each spouse; 24880

(7) The costs of sale, if it is necessary that an asset be 24881
sold to effectuate an equitable distribution of property; 24882

(8) Any division or disbursement of property made in a 24883
separation agreement that was voluntarily entered into by the 24884
spouses; 24885

(9) Any retirement benefits of the spouses, excluding the 24886
social security benefits of a spouse except as may be relevant for 24887
purposes of dividing a public pension; 24888

(10) Any other factor that the court expressly finds to be 24889
relevant and equitable. 24890

(G) In any order for the division or disbursement of property 24891
or a distributive award made pursuant to this section, the court 24892
shall make written findings of fact that support the determination 24893
that the marital property has been equitably divided and shall 24894

specify the dates it used in determining the meaning of "during
the marriage." 24895
24896

(H) Except as otherwise provided in this section, the holding 24897
of title to property by one spouse individually or by both spouses 24898
in a form of co-ownership does not determine whether the property 24899
is marital property or separate property. 24900

(I) A division or disbursement of property or a distributive 24901
award made under this section is not subject to future 24902
modification by the court except upon the express written consent 24903
or agreement to the modification by both spouses. 24904

(J) The court may issue any orders under this section that it 24905
determines equitable, including, but not limited to, either of the 24906
following types of orders: 24907

(1) An order granting a spouse the right to use the marital 24908
dwelling or any other marital property or separate property for 24909
any reasonable period of time; 24910

(2) An order requiring the sale or encumbrancing of any real 24911
or personal property, with the proceeds from the sale and the 24912
funds from any loan secured by the encumbrance to be applied as 24913
determined by the court. 24914

this section or other orders described in this section, the court 24980
or agency shall issue one or more of the following types of 24981
notices or orders, as appropriate, for payment of the support and 24982
also, if required by the Revised Code or the court, to pay any 24983

arrearages: 24984

(A)(1) If the court or the child support enforcement agency 24985

court or agency shall require the payor to do all of the 24987
following: 24988

(a) Withhold from the obligor's income a specified amount for 24989
support in satisfaction of the support order and begin the 24990

date the notice is mailed or transmitted to the payor under 24992
section 3121.035, 3123.021, or 3123.06 of the Revised Code and 24993
division (A)(2) of this section or, if the payor is an employer, 24994

(c) Continue the withholding at intervals specified in the 25002
notice until further notice from the court or child support 25003

To the extent possible, the amount specified to be withheld 25005

plus any arrearages owed by the obligor under any prior support 25007
order that pertained to the same child or spouse, notwithstanding 25008
any applicable limitations of sections 2329.66, 2329.70, 2716.02, 25009
2716.041, and 2716.05 of the Revised Code. However, in no case 25010
shall the sum of the amount to be withheld and any fee withheld by 25011
the payor as a charge for its services exceed the maximum amount 25012
permitted under section 303(b) of the "Consumer Credit Protection 25013
Act," 15 U.S.C. 1673(b). 25014

(2) A court or agency that imposes an income withholding requirement shall, within the applicable time specified in section 3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised Code, send to the obligor's payor by regular mail or via secure federally managed data transmission interface a notice that contains all of the information applicable to withholding notices set forth in section 3121.037 of the Revised Code. The notice is final and is enforceable by the court.

(B)(1) If the court or child support enforcement agency determines that the obligor has funds that are not exempt under the laws of this state or the United States from execution, attachment, or other legal process and are on deposit in an account in a financial institution under the jurisdiction of the court that issued the court support order, or in the case of an administrative child support order, under the jurisdiction of the common pleas court of the county in which the agency that issued or is administering the order is located, the court or agency may require any financial institution in which the obligor's funds are on deposit to do all of the following:

(a) Deduct from the obligor's account a specified amount for support in satisfaction of the support order and begin the deduction no later than fourteen business days following the date the notice was mailed or transmitted to the financial institution under section 3121.035 or 3123.06 of the Revised Code and division

(c) Provide the date on which the amount was deducted;

(d) Continue the deduction at intervals specified in the

notice until further notice from the court or child support enforcement agency. 25046
25047

To the extent possible, the amount to be deducted shall 25048
satisfy the amount ordered for support in the support order plus 25049
any arrearages that may be owed by the obligor under any prior 25050
support order that pertained to the same child or spouse, 25051
notwithstanding the limitations of sections 2329.66, 2329.70, and 25052
2716.13 of the Revised Code. 25053

(2) A court or agency that imposes a deduction requirement 25054
shall, within the applicable period of time specified in section 25055
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 25056
to the financial institution by regular mail or via secure 25057
federally managed data transmission interface a notice that 25058
contains all of the information applicable to deduction notices 25059
set forth in section 3121.037 of the Revised Code. The notice is 25060
final and is enforceable by the court. 25061

(C) With respect to any court support order it issues, a 25062
court may issue an order requiring the obligor to enter into a 25063
cash bond with the court. The court shall issue the order as part 25064
of the court support order or, if the court support order has 25065
previously been issued, as a separate order. The cash bond shall 25066
be in a sum fixed by the court at not less than five hundred nor 25067
more than ten thousand dollars, conditioned that the obligor will 25068
make payment as previously ordered and will pay any arrearages 25069
under any prior court support order that pertained to the same 25070
child or spouse. 25071

The order, along with an additional order requiring the 25072
obligor to immediately notify the child support enforcement 25073
agency, in writing, if the obligor begins to receive income from a 25074
payor, shall be attached to and served on the obligor at the same 25075
time as service of the court support order or, if the court 25076
support order has previously been issued, as soon as possible 25077

after the issuance of the order under this section. The additional 25078
order requiring notice by the obligor shall state all of the 25079
following: 25080

(1) That when the obligor begins to receive income from a 25081
payor the obligor may request that the court cancel its bond order 25082
and instead issue a notice requiring the withholding of an amount 25083
from income for support in accordance with this section; 25084

(2) That when the obligor begins to receive income from a 25085
payor the court will proceed to collect on the bond if the court 25086
determines that payments due under the court support order have 25087
not been made and that the amount that has not been paid is at 25088
least equal to the support owed for one month under the court 25089
support order and will issue a notice requiring the withholding of 25090
an amount from income for support in accordance with this section. 25091
The notice required of the obligor shall include a description of 25092
the nature of any new employment, the name and business address of 25093
any new employer, and any other information reasonably required by 25094
the court. 25095

The court shall not order an obligor to post a cash bond 25096
under this section unless the court determines that the obligor 25097
has the ability to do so. 25098

A child support enforcement agency may not issue a cash bond 25099
order. If a child support enforcement agency is required to issue 25100
a withholding or deduction notice under this section with respect 25101
to a court support order but the agency determines that no 25102
withholding or deduction notice would be appropriate, the agency 25103
may request that the court issue a cash bond order under this 25104
section, and upon the request, the court may issue the order. 25105

(D)(1) If the obligor under a court support order is 25106
unemployed, has no income, and does not have an account at any 25107
financial institution, or on request of a child support 25108

enforcement agency under division (D)(1) or (2) of this section, 25109
the court shall issue an order requiring the obligor, if able to 25110
engage in employment, to seek employment or participate in a work 25111
activity to which a recipient of assistance under Title IV-A of 25112
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 25113
as amended, may be assigned as specified in section 407(d) of the 25114
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 25115
shall include in the order ~~a requirement~~ requirements that the 25116
obligor register with OhioMeansJobs and to notify the child 25117
support enforcement agency on obtaining employment, obtaining any 25118
income, or obtaining ownership of any asset with a value of five 25119
hundred dollars or more. The court may issue the order regardless 25120
of whether the obligee to whom the obligor owes support is a 25121
recipient of assistance under Title IV-A of the "Social Security 25122
Act." The court shall issue the order as part of a court support 25123
order or, if a court support order has previously been issued, as 25124
a separate order. If a child support enforcement agency is 25125
required to issue a withholding or deduction notice under this 25126
section with respect to a court support order but determines that 25127
no withholding or deduction notice would be appropriate, the 25128
agency may request that the court issue a court order under 25129
division (D)(1) of this section, and, on the request, the court 25130
may issue the order. 25131

(2) If the obligor under an administrative child support 25132
order is unemployed, has no income, and does not have an account 25133
at any financial institution, the agency shall issue an 25134
administrative order requiring the obligor, if able to engage in 25135
employment, to seek employment or participate in a work activity 25136
to which a recipient of assistance under Title IV-A of the "Social 25137
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 25138
may be assigned as specified in section 407(d) of the "Social 25139
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 25140
include in the order ~~a requirement~~ requirements that the obligor 25141

register with OhioMeansJobs and to notify the agency on obtaining 25142
employment or income, or ownership of any asset with a value of 25143
five hundred dollars or more. The agency may issue the order 25144
regardless of whether the obligee to whom the obligor owes support 25145
is a recipient of assistance under Title IV-A of the "Social 25146
Security Act." If an obligor fails to comply with an 25147
administrative order issued pursuant to division (D)(2) of this 25148
section, the agency shall submit a request to a court for the 25149
court to issue an order under division (D)(1) of this section. 25150

Sec. 3301.078. (A) No official or board of this state, 25151
whether appointed or elected, shall enter into any agreement or 25152
memorandum of understanding with any federal or private entity 25153
that would require the state to cede any measure of control over 25154
the development, adoption, or revision of academic content 25155
standards. 25156

(B) No funds appropriated from the general revenue fund shall 25157
be used to purchase an assessment developed by the partnership for 25158

prescribed by divisions (A) and (B)(1) of section 3301.0710 of the 25185
Revised Code, a school district or building shall be considered to 25186

students attain a score of proficient or higher on the assessment. 25188
A school district or building shall be considered to have met the 25189
indicator for the assessments prescribed by division (B)(1) of 25190
section 3301.0710 of the Revised Code and only as administered to 25191
eleventh grade students, if at least eighty-five per cent of the 25192

The state board shall adopt rules pursuant to Chapter 119. of the 25219

Code for each of the two most recent consecutive school years. 25367

As used in this division, "high mobility school district or 25368
building" means a school district or building where at least 25369
twenty-five per cent of its total enrollment is made up of 25370
students who have attended that school district or building for 25371
less than one year. 25372

(2) In addition to the graded measures in division (B)(1) of 25373
this section, the department shall include on a school district's 25374
or building's report card all of the following without an assigned 25375
letter grade: 25376

(a) The percentage of students enrolled in a district or 25377
building participating in advanced placement classes and the 25378
percentage of those students who received a score of three or 25379

and state-approved career-technical courses offered through dual 25385
enrollment or statewide articulation, that appear on a student's 25386
transcript or other official document, either of which is issued 25387
by the institution of higher education from which the student 25388
earned the college credit. The credits earned that are reported 25389
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 25390

include any that are remedial or developmental and shall include 25391
those that count toward the curriculum requirements established 25392
for completion of a degree. 25393

(c) The percentage of students enrolled in a district or 25394
building who have taken a national standardized test used for 25395
college admission determinations and the percentage of those 25396
students who are determined to be remediation-free in accordance 25397
with standards adopted under division (F) of section 3345.061 of 25398
the Revised Code; 25399

(d) The percentage of the district's or the building's 25400

(3) Not later than December 31, 2013, the state board shall 25411
adopt rules in accordance with Chapter 119. of the Revised Code 25412
that prescribe the methods by which the performance measures under 25413
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 25414
and assigned a letter grade, including performance benchmarks for 25415
each grade. 25416

At least forty-five days prior to the state board's adoption 25417
of rules to prescribe the methods by which the performance 25418
measures under division (B)(1) of this section shall be assessed 25419
and assigned a letter grade, the department shall conduct a public 25420
presentation before the standing committees of the house of 25421

representatives and the senate that consider education legislation 25422
describing such methods, including performance benchmarks. 25423

(4) There shall not be an overall letter grade for a school 25424
district or building for the 2013-2014, 2014-2015, and 2015-2016 25425
school ~~year~~ years. 25426

(C)(1) For the ~~2014-2015~~ 2016-2017 school year and each 25427
school year thereafter, the department shall issue grades as 25428
described in division (E) of this section for each of the 25429
performance measures prescribed in division (C)(1) of this section 25430
and an overall letter grade based on an aggregate of those 25431
measures, except for the performance measure set forth in division 25432
(C)(1)(h) of this section. The graded measures are as follows: 25433

(a) Annual measurable objectives; 25434

(b) Performance index score for a school district or 25435
building. Grades shall be awarded as a percentage of the total 25436
possible points on the performance index system as created by the 25437
department. In adopting benchmarks for assigning letter grades 25438
under division (C)(1)(b) of this section, the state board shall 25439
designate ninety per cent or higher for an "A," at least seventy 25440
per cent but not more than eighty per cent for a "C," and less 25441
than fifty per cent for an "F." 25442

(c) The extent to which the school district or building meets 25443
each of the applicable performance indicators established by the 25444
state board under section 3302.03 of the Revised Code and the 25445
percentage of applicable performance indicators that have been 25446
achieved. In adopting benchmarks for assigning letter grades under 25447

designate ninety per cent or higher for an "A." 25449

(d) The four- and five-year adjusted cohort graduation rates; 25450

(e) The overall score under the value-added progress 25451
dimension, or another measure of student academic progress if 25452

adopted by the state board, of a school district or building, for 25453
which the department shall use up to three years of value-added 25454
data as available. 25455

In adopting benchmarks for assigning letter grades for 25456
overall score on value-added progress dimension under division 25457
(C)(1)(e) of this section, the state board shall prohibit the 25458
assigning of a grade of "A" for that measure unless the district's 25459
or building's grade assigned for value-added progress dimension 25460
for all subgroups under division (C)(1)(f) of this section is a 25461
"B" or higher. 25462

For the metric prescribed by division (C)(1)(e) of this 25463
section, the state board may adopt a student academic progress 25464
measure to be used instead of the value-added progress dimension. 25465
If the state board adopts such a measure, it also shall prescribe 25466
a method for assigning letter grades for the new measure that is 25467
comparable to the method prescribed in division (A)(1)(e) of this 25468
section. 25469

(f) The value-added progress dimension score of a school 25470
district or building disaggregated for each of the following 25471

ability and specific academic ability fields under Chapter 3324. 25473
of the Revised Code, students with disabilities, and students 25474
whose performance places them in the lowest quintile for 25475
achievement on a statewide basis, as determined by a method 25476
prescribed by the state board. Each subgroup shall be a separate 25477
graded measure. 25478

The state board may adopt student academic progress measures 25479
to be used instead of the value-added progress dimension. If the 25480
state board adopts such measures, it also shall prescribe a method 25481
for assigning letter grades for the new measures that is 25482
comparable to the method prescribed in division (A)(1)(e) of this 25483
section. 25484

(g) Whether a school district or building is making progress 25485
in improving literacy in grades kindergarten through three, as 25486
determined using a method prescribed by the state board. The state 25487
board shall adopt rules to prescribe benchmarks and standards for 25488
assigning grades to a district or building for purposes of 25489
division (C)(1)(g) of this section. The state board shall 25490
designate for a "C" grade a value that is not lower than the 25491
statewide average value for this measure. No grade shall be issued 25492
under division (C)(1)(g) of this section for a district or 25493
building in which less than five per cent of students have scored 25494
below grade level on the kindergarten diagnostic assessment under 25495
division (B)(1) of section 3313.608 of the Revised Code. 25496

(h) For a high mobility school district or building, an 25497
additional value-added progress dimension score. For this measure, 25498
the department shall use value-added data from the most recent 25499
school year available and shall use assessment scores for only 25500
those students to whom the district or building has administered 25501
the assessments prescribed by section 3301.0710 of the Revised 25502
Code for each of the two most recent consecutive school years. 25503

As used in this division, "high mobility school district or 25504
building" means a school district or building where at least 25505
twenty-five per cent of its total enrollment is made up of 25506
students who have attended that school district or building for 25507
less than one year. 25508

(2) In addition to the graded measures in division (C)(1) of 25509
this section, the department shall include on a school district's 25510
or building's report card all of the following without an assigned 25511
letter grade: 25512

(a) The percentage of students enrolled in a district or 25513
building who have taken a national standardized test used for 25514
college admission determinations and the percentage of those 25515
students who are determined to be remediation-free in accordance 25516

with the standards adopted under division (F) of section 3345.061 25517
of the Revised Code; 25518

(b) The percentage of students enrolled in a district or 25519
building participating in advanced placement classes and the 25520
percentage of those students who received a score of three or 25521
better on advanced placement examinations; 25522

(c) The percentage of a district's or building's students who 25523
have earned at least three college credits through advanced 25524
standing programs, such as the college credit plus program under 25525
Chapter 3365. of the Revised Code and state-approved 25526
career-technical courses offered through dual enrollment or 25527
statewide articulation, that appear on a student's college 25528
transcript issued by the institution of higher education from 25529
which the student earned the college credit. The credits earned 25530
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 25531
section shall not include any that are remedial or developmental 25532
and shall include those that count toward the curriculum 25533
requirements established for completion of a degree. 25534

(d) The percentage of the district's or building's students 25535
who receive an honor's diploma under division (B) of section 25536
3313.61 of the Revised Code; 25537

(e) The percentage of the district's or building's students 25538
who receive industry-recognized credentials; 25539

(f) The percentage of students enrolled in a district or 25540
building who are participating in an international baccalaureate 25541
program and the percentage of those students who receive a score 25542
of four or better on the international baccalaureate examinations; 25543

(g) The results of the college and career-ready assessments 25544
administered under division (B)(1) of section 3301.0712 of the 25545
Revised Code. 25546

(3) The state board shall adopt rules pursuant to Chapter 25547

119. of the Revised Code that establish a method to assign an 25548
overall grade for a school district or school building for the 25549
2014-2015 school year and each school year thereafter. The rules 25550
shall group the performance measures in divisions (C)(1) and (2) 25551
of this section into the following components: 25552

(a) Gap closing, which shall include the performance measure 25553
in division (C)(1)(a) of this section; 25554

(b) Achievement, which shall include the performance measures 25555
in divisions (C)(1)(b) and (c) of this section; 25556

(c) Progress, which shall include the performance measures in 25557
divisions (C)(1)(e) and (f) of this section; 25558

(d) Graduation, which shall include the performance measure 25559
in division (C)(1)(d) of this section; 25560

(e) Kindergarten through third-grade literacy, which shall 25561
include the performance measure in division (C)(1)(g) of this 25562
section; 25563

(f) Prepared for success, which shall include the performance 25564
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 25565
this section. The state board shall develop a method to determine 25566
a grade for the component in division (C)(3)(f) of this section 25567
using the performance measures in divisions (C)(2)(a), (b), (c), 25568
(d), (e), and (f) of this section. When available, the state board 25569
may incorporate the performance measure under division (C)(2)(g) 25570
of this section into the component under division (C)(3)(f) of 25571
this section. When determining the overall grade for the prepared 25572
for success component prescribed by division (C)(3)(f) of this 25573
section, no individual student shall be counted in more than one 25574
performance measure. However, if a student qualifies for more than 25575
one performance measure in the component, the state board may, in 25576
its method to determine a grade for the component, specify an 25577
additional weight for such a student that is not greater than or 25578

equal to 1.0. In determining the overall score under division 25579
(C)(3)(f) of this section, the state board shall ensure that the 25580
pool of students included in the performance measures aggregated 25581
under that division are all of the students included in the four- 25582
and five-year adjusted graduation cohort. 25583

In the rules adopted under division (C)(3) of this section, 25584
the state board shall adopt a method for determining a grade for 25585
each component in divisions (C)(3)(a) to (f) of this section. The 25586
state board also shall establish a method to assign an overall 25587
grade of "A," "B," "C," "D," or "F" using the grades assigned for 25588
each component. The method the state board adopts for assigning an 25589
overall grade shall give equal weight to the components in 25590
divisions (C)(3)(b) and (c) of this section. 25591

At least forty-five days prior to the state board's adoption 25592
of rules to prescribe the methods for calculating the overall 25593
grade for the report card, as required by this division, the 25594
department shall conduct a public presentation before the standing 25595
committees of the house of representatives and the senate that 25596
consider education legislation describing the format for the 25597
report card, weights that will be assigned to the components of 25598
the overall grade, and the method for calculating the overall 25599
grade. 25600

(D) ~~Not later~~ On or after than July 1, 2015, the state board 25601
~~shall~~ may develop a measure of student academic progress for high 25602
school students using only data from assessments in English 25603
language arts and mathematics. ~~For the 2014-2015 school year, the~~ 25604
~~department shall include this measure on a school district or~~ 25605
~~building's report card, as applicable, without an assigned letter~~ 25606
~~grade. Beginning with the report card for the 2015-2016 school~~ 25607
~~year~~ If the state board develops this measure, each school 25608
district and applicable school building shall be assigned a 25609
separate letter grade for ~~this measure and the~~ if not sooner than 25610

the 2017-2018 school year. The district's or building's grade for 25611
that measure shall not be included in determining the district's 25612
or building's overall letter grade. ~~This measure shall be included~~ 25613
~~within the measure prescribed in division (C)(3)(c) of this~~ 25614
~~section in the calculation for the overall letter grade.~~ 25615

(E) The letter grades assigned to a school district or 25616
building under this section shall be as follows: 25617

(1) "A" for a district or school making excellent progress; 25618

(2) "B" for a district or school making above average 25619
progress; 25620

(3) "C" for a district or school making average progress; 25621

(4) "D" for a district or school making below average 25622
progress; 25623

(5) "F" for a district or school failing to meet minimum 25624
progress. 25625

(F) When reporting data on student achievement and progress, 25626
the department shall disaggregate that data according to the 25627
following categories: 25628

(1) Performance of students by grade-level; 25629

(2) Performance of students by race and ethnic group; 25630

(3) Performance of students by gender; 25631

(4) Performance of students grouped by those who have been 25632
enrolled in a district or school for three or more years; 25633

(5) Performance of students grouped by those who have been 25634
enrolled in a district or school for more than one year and less 25635
than three years; 25636

(6) Performance of students grouped by those who have been 25637
enrolled in a district or school for one year or less; 25638

(7) Performance of students grouped by those who are 25639

| (12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well. | 25650 25651 25652 25653 25654 25655 25656 25657 25658 |

To the extent possible, the department shall disaggregate data on student performance according to any combinations of two or more of the categories listed in divisions (F)(1) to (13) of this section that it deems relevant. | 25662 25663 25664 25665 25666 25667 |
| In reporting data pursuant to division (F) of this section, the department shall not include in the report cards any data | 25668 25669 |

statistical in nature that is statistically unreliable or that 25670
could result in the identification of individual students. For 25671
this purpose, the department shall not report student performance 25672
data for any group identified in division (F) of this section that 25673
contains less than ten students. If the department does not report 25674
student performance data for a group because it contains less than 25675
ten students, the department shall indicate on the report card 25676
that is why data was not reported. 25677

(G) The department may include with the report cards any 25678
additional education and fiscal performance data it deems 25679
valuable. 25680

(H) The department shall include on each report card a list 25681
of additional information collected by the department that is 25682
available regarding the district or building for which the report 25683
card is issued. When available, such additional information shall 25684
include student mobility data disaggregated by race and 25685
socioeconomic status, college enrollment data, and the reports 25686
prepared under section 3302.031 of the Revised Code. 25687

The department shall maintain a site on the world wide web. 25688
The report card shall include the address of the site and shall 25689
specify that such additional information is available to the 25690
public at that site. The department shall also provide a copy of 25691
each item on the list to the superintendent of each school 25692
district. The district superintendent shall provide a copy of any 25693
item on the list to anyone who requests it. 25694

(I) Division (I) of this section does not apply to conversion 25695
community schools that primarily enroll students between sixteen 25696
and twenty-two years of age who dropped out of high school or are 25697
at risk of dropping out of high school due to poor attendance, 25698
disciplinary problems, or suspensions. 25699

(1) For any district that sponsors a conversion community 25700

school under Chapter 3314. of the Revised Code, the department 25701
shall combine data regarding the academic performance of students 25702
enrolled in the community school with comparable data from the 25703
schools of the district for the purpose of determining the 25704
performance of the district as a whole on the report card issued 25705
for the district under this section or section 3302.033 of the 25706
Revised Code. 25707

(2) Any district that leases a building to a community school 25708
located in the district or that enters into an agreement with a 25709
community school located in the district whereby the district and 25710
the school endorse each other's programs may elect to have data 25711
regarding the academic performance of students enrolled in the 25712
community school combined with comparable data from the schools of 25713
the district for the purpose of determining the performance of the 25714
district as a whole on the district report card. Any district that 25715
so elects shall annually file a copy of the lease or agreement 25716
with the department. 25717

(3) Any municipal school district, as defined in section 25718
3311.71 of the Revised Code, that sponsors a community school 25719
located within the district's territory, or that enters into an 25720
agreement with a community school located within the district's 25721
territory whereby the district and the community school endorse 25722
each other's programs, may exercise either or both of the 25723
following elections: 25724

(a) To have data regarding the academic performance of 25725
students enrolled in that community school combined with 25726
comparable data from the schools of the district for the purpose 25727
of determining the performance of the district as a whole on the 25728
district's report card; 25729

(b) To have the number of students attending that community 25730
school noted separately on the district's report card. 25731

The election authorized under division (I)(3)(a) of this section is subject to approval by the governing authority of the community school.

Any municipal school district that exercises an election to combine or include data under division (I)(3) of this section, by the first day of October of each year, shall file with the department documentation indicating eligibility for that election, as required by the department.

(J) The department shall include on each report card the percentage of teachers in the district or building who are highly qualified, as defined by the No Child Left Behind Act of 2001, and a comparison of that percentage with the percentages of such teachers in similar districts and buildings.

(K)(1) In calculating English language arts, mathematics, social studies, or science assessment passage rates used to determine school district or building performance under this section, the department shall include all students taking an assessment with accommodation or to whom an alternate assessment is administered pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code.

(2) In calculating performance index scores, rates of achievement on the performance indicators established by the state board under section 3302.02 of the Revised Code, and annual measurable objectives for determining adequate yearly progress for school districts and buildings under this section, the department shall do all of the following:

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any assessment prescribed by division (A)(1) or (B)(1) of section

3301.0710 or division (B) of section 3301.0712 of the Revised Code 25763
that is administered to the student's grade level; 25764

(b) Include cumulative totals from both the fall and spring 25765

2001, exclude for each district or building any limited English 25769
proficient student who has been enrolled in United States schools 25770
for less than one full school year. 25771

(L) Beginning with the 2015-2016 school year and at least 25772
once every three years thereafter, the state board of education 25773
shall review and may adjust the benchmarks for assigning letter 25774
grades to the performance measures and components prescribed under 25775
divisions (C)(3) and (D) of this section. 25776

Sec. 3302.05. The state board of education shall adopt rules 25777
freeing school districts from specified state mandates if one of 25778
the following applies: 25779

(A) For the 2011-2012 school year, the school district was 25780
declared to be excellent under section 3302.03 of the Revised 25781
Code, as that section existed prior to ~~the effective date of this~~ 25782
~~section~~ March 22, 2013, and had above expected growth in the 25783
overall value-added measure. 25784

(B) For the 2012-2013 school year, the school district 25785
received a grade of "A" for the number of performance indicators 25786

(4) "Annexation agreement" means an agreement entered into 26991
under division (F) of this section that has been approved by the 26992
state board of education or an agreement entered into prior to 26993
September 24, 1986, that meets the requirements of division (F) of 26994
this section and has been filed with the state board. 26995

(B) The territory included within the boundaries of a city, 26996
local, exempted village, or joint vocational school district shall 26997
be contiguous except where a natural island forms an integral part 26998
of the district, where the state board of education authorizes a 26999
noncontiguous school district, as provided in division (E)(1) of 27000
this section, or where a local school district is created pursuant 27001
to section 3311.26 of the Revised Code from one or more local 27002
school districts, one of which has entered into an agreement under 27003
section 3313.42 of the Revised Code. 27004

(C)(1) When all of the territory of a school district is 27005
annexed to a city or village, such territory thereby becomes a 27006
part of the city school district or the school district of which 27007
the village is a part, and the legal title to school property in 27008
such territory for school purposes shall be vested in the board of 27009
education of the city school district or the school district of 27010
which the village is a part. 27011

(2) When the territory so annexed to a city or village 27012
comprises part but not all of the territory of a school district, 27013
the said territory becomes part of the city school district or the 27014
school district of which the village is a part only ~~upon approval~~ 27015
~~by the state board of education~~ if the board of education of both 27016
of the districts affected adopts a resolution approving the 27017
change, unless the district in which the territory is located is a 27018
party to an annexation agreement with the city school district. 27019

Any urban school district that has not entered into an 27020
annexation agreement with any other school district whose 27021
territory would be affected by any transfer under this division 27022
and that desires to negotiate the terms of transfer with any such 27023
district shall conduct any negotiations under division (F) of this 27024
section as part of entering into an annexation agreement with such 27025
a district. 27026

Any school district, except an urban school district, 27027
desiring state board approval of a transfer under this division 27028
shall make a good faith effort to negotiate the terms of transfer 27029
with any other school district whose territory would be affected 27030
by the transfer. Before the state board may approve any transfer 27031
of territory to a school district, except an urban school 27032
district, under this section, it must receive the following: 27033

(a) A resolution requesting approval of the transfer, passed 27034
by at least one of the school districts whose territory would be 27035
affected by the transfer; 27036

(b) Evidence determined to be sufficient by the state board 27037
to show that good faith negotiations have taken place or that the 27038
district requesting the transfer has made a good faith effort to 27039
hold such negotiations; 27040

(c) If any negotiations took place, a statement signed by all 27041
boards that participated in the negotiations, listing the terms 27042
agreed on and the points on which no agreement could be reached. 27043

(D) The state board of education shall adopt rules governing 27044
negotiations held by any school district except an urban school 27045
district pursuant to division (C)(2) of this section. The rules 27046
shall encourage the realization of the following goals: 27047

(1) A discussion by the negotiating districts of the present 27048
and future educational needs of the pupils in each district; 27049

(2) The educational, financial, and territorial stability of 27050

each district affected by the transfer; 27051

(3) The assurance of appropriate educational programs, 27052
services, and opportunities for all the pupils in each 27053
participating district, and adequate planning for the facilities 27054
needed to provide these programs, services, and opportunities. 27055

Districts involved in negotiations under such rules may agree 27056
to share revenues from the property included in the territory to 27057
be transferred, establish cooperative programs between the 27058
participating districts, and establish mechanisms for the 27059
settlement of any future boundary disputes. 27060

(E)(1) If territory annexed after September 24, 1986, is part 27061
of a school district that is a party to an annexation agreement 27062
with the urban school district serving the annexing city, the 27063
transfer of such territory shall be governed by the agreement. If 27064
the agreement does not specify how the territory is to be dealt 27065
with, the boards of education of the district in which the 27066
territory is located and the urban school district shall negotiate 27067
with regard to the transfer of the territory which shall be 27068
transferred to the urban school district unless, not later than 27069
ninety days after the effective date of municipal annexation, the 27070
boards of education of both districts, by resolution adopted by a 27071
majority of the members of each board, agree that the territory 27072
will not be transferred and so inform the state board of 27073
education. 27074

If territory is transferred under this division the transfer 27075
shall take effect on the first day of July occurring not sooner 27076
than ninety-one days after the effective date of the municipal 27077
annexation. Territory transferred under this division need not be 27078
contiguous to the district to which it is transferred. 27079

(2) Territory annexed prior to September 24, 1986, by a city 27080
served by an urban school district shall not be subject to 27081

transfer under this section if the district in which the territory 27082
is located is a party to an annexation agreement or becomes a 27083
party to such an agreement not later than ninety days after 27084
September 24, 1986. If the district does not become a party to an 27085
annexation agreement within the ninety-day period, transfer of 27086
territory shall be governed by division (C)(2) of this section. If 27087
the district subsequently becomes a party to an agreement, 27088
territory annexed prior to September 24, 1986, other than 27089
territory annexed under division (C)(2) of this section prior to 27090
the effective date of the agreement, shall not be subject to 27091
transfer under this section. 27092

(F) An urban school district may enter into a comprehensive 27093
agreement with one or more school districts under which transfers 27094
of territory annexed by the city served by the urban school 27095
district after September 24, 1986, shall be governed by the 27096
agreement. Such agreement must provide for the establishment of a 27097
cooperative education program under section 3313.842 of the 27098
Revised Code in which all the parties to the agreement are 27099
participants and must be approved by resolution of the majority of 27100
the members of each of the boards of education of the school 27101
districts that are parties to it. An agreement may provide for 27102
interdistrict payments based on local revenue growth resulting 27103
from development in any territory annexed by the city served by 27104
the urban school district. 27105

An agreement entered into under this division may be altered, 27106
modified, or terminated only by agreement, by resolution approved 27107
by the majority of the members of each board of education, of all 27108
school districts that are parties to the agreement, except that 27109
with regard to any provision that affects only the urban school 27110
district and one of the other districts that is a party, that 27111
district and the urban district may modify or alter the agreement 27112
by resolution approved by the majority of the members of the board 27113

of that district and the urban district. Alterations, 27114
modifications, terminations, and extensions of an agreement 27115
entered into under this division do not require approval of the 27116
state board of education, but shall be filed with the board after 27117
approval and execution by the parties. 27118

If an agreement provides for interdistrict payments, each 27119
party to the agreement, except any school district specifically 27120
exempted by the agreement, shall agree to make an annual payment 27121
to the urban school district with respect to any of its territory 27122
that is annexed territory in an amount not to exceed the amount 27123
certified for that year under former section 3317.029 of the 27124
Revised Code as that section existed prior to July 1, 1998; except 27125
that such limitation of annual payments to amounts certified under 27126
former section 3317.029 of the Revised Code does not apply to 27127
agreements or extensions of agreements entered into on or after 27128
June 1, 1992, unless such limitation is expressly agreed to by the 27129
parties. The agreement may provide that all or any part of the 27130
payment shall be waived if the urban school district receives its 27131
payment with respect to such annexed territory under former 27132
section 3317.029 of the Revised Code and that all or any part of 27133
such payment may be waived if the urban school district does not 27134
receive its payment with respect to such annexed territory under 27135
such section. 27136

With respect to territory that is transferred to the urban 27137
school district after September 24, 1986, the agreement may 27138
provide for annual payments by the urban school district to the 27139
school district whose territory is transferred to the urban school 27140
district subsequent to annexation by the city served by the urban 27141
school district. 27142

(G) In the event territory is transferred from one school 27143
district to another under this section, an equitable division of 27144
the funds and indebtedness between the districts involved shall be 27145

made under the supervision of the state board of education and 27146
that board's decision shall be final. Such division shall not 27147
include funds payable to or received by a school district under 27148
Chapter 3317. of the Revised Code or payable to or received by a 27149
school district from the United States or any department or agency 27150
thereof. In the event such transferred territory includes real 27151
property owned by a school district, the state board of education, 27152
as part of such division of funds and indebtedness, shall 27153
determine the true value in money of such real property and all 27154
buildings or other improvements thereon. The board of education of 27155
the school district receiving such territory shall forthwith pay 27156
to the board of education of the school district losing such 27157
territory such true value in money of such real property, 27158
buildings, and improvements less such percentage of the true value 27159
in money of each school building located on such real property as 27160
is represented by the ratio of the total enrollment in day classes 27161
of the pupils residing in the territory transferred enrolled at 27162
such school building in the school year in which such annexation 27163
proceedings were commenced to the total enrollment in day classes 27164
of all pupils residing in the school district losing such 27165
territory enrolled at such school building in such school year. 27166
The school district receiving such payment shall place the 27167
proceeds thereof in its sinking fund or bond retirement fund. 27168

(H) The state board of education, before approving such 27169
transfer of territory, shall determine that such payment has been 27170
made and shall apportion to the acquiring school district such 27171
percentage of the indebtedness of the school district losing the 27172
territory as is represented by the ratio that the assessed 27173
valuation of the territory transferred bears to the total assessed 27174
valuation of the entire school district losing the territory as of 27175
the effective date of the transfer, provided that in ascertaining 27176
the indebtedness of the school district losing the territory the 27177
state board of education shall disregard such percentage of the 27178

par value of the outstanding and unpaid bonds and notes of said 27179
school district issued for construction or improvement of the 27180
school building or buildings for which payment was made by the 27181
acquiring district as is equal to the percentage by which the true 27182
value in money of such building or buildings was reduced in fixing 27183
the amount of said payment. 27184

(I) No transfer of school district territory or division of 27185
funds and indebtedness incident thereto, pursuant to the 27186
annexation of territory to a city or village shall be completed in 27187
any other manner than that prescribed by this section regardless 27188
of the date of the commencement of such annexation proceedings, 27189
and this section applies to all proceedings for such transfers and 27190
divisions of funds and indebtedness pending or commenced on or 27191
after October 2, 1959. 27192

Sec. 3311.063. If an annexation agreement is entered into or 27193
renewed under section 3311.06 of the Revised Code on or after the 27194
effective date of this section, it shall include a stipulation 27195
that any change to the boundaries of a school district that is a 27196
party to the annexation agreement that affects the boundaries of 27197
one or more other school districts that are parties to the 27198
annexation agreement shall not be effective unless the board of 27199
education of each of the districts affected by the change adopts a 27200
resolution approving the change. 27201

Sec. 3311.19. (A) The management and control of a joint 27202
vocational school district shall be vested in the joint vocational 27203
school district board of education which, beginning on ~~the~~ 27204

which the territory of the joint vocational school district is 27222

the members of the board shall reside in or be employed within the 27224
territory of the joint vocational school district board upon which 27225
the member serves. 27226

school district on file with the department of education. An 27230
individual shall not be a member of an appointing board, unless 27231
the individual meets the criteria in division (C)(2) of this 27232
section. 27233

in the region served by the joint vocational school district who 27245
are qualified to consider the state's workforce needs with an 27246

current and future employment opportunities in the state. The 27248
appointing board may give preference to individuals who have 27249
served as members on a joint vocational school business advisory 27250
committee who meet the qualifications in division (C)(2) of this 27251
section. 27252

(D) The vocational schools in the joint vocational school 27253
district shall be available to all youth of school age within the 27254

(2) At the same time that a district board makes the offer 27333
required under division (B)(1) of this section, the board also 27334
may, but shall not be required to, offer that property for sale or 27335
lease to the governing authorities of community schools with 27336
plans, stipulated in their contracts entered into under section 27337
3314.03 of the Revised Code, either to relocate their operations 27338

(B) of this section accepts the offer to lease or buy the property 27374
within sixty days after the offer is made, the district board may 27375
offer the property to any other entity in accordance with 27376
divisions (A) to (F) of section 3313.41 of the Revised Code. 27377

(D) Notwithstanding division (B) of this section, a school 27378

Nothing in this section shall affect the leasehold arrangements 27382
between the district board and that other entity. 27383

(E)(1) Except as provided in division (E)(2) of this section, 27384
the governing authority of a community school or the board of 27385
trustees of a college-preparatory boarding school shall not sell 27386
any property purchased under division (B) of this section within 27387
five years of purchasing that property. 27388

(2) The governing authority or board of trustees may sell a 27389
property purchased under division (B) of this section within five 27390

of the following shall apply: 27402

(1) The board shall cause to be prepared the plans, 27403
specifications, and related information as required in divisions 27404
(A)(1), (2), and (3) of section 153.01 of the Revised Code unless 27405
the board determines that other information is sufficient to 27406
inform any bidders of the board's requirements. However, if the 27407
board determines that such other information is sufficient for 27408
bidding a project, the board shall not engage in the construction 27409
of any such project involving the practice of professional 27410
engineering, professional surveying, or architecture, for which 27411
plans, specifications, and estimates have not been made by, and 27412

in trade papers or other publications designated by it or to be 27420
distributed by electronic means, including posting the notice on 27421
the board's internet web site. If the board posts the notice on 27422
its web site, it may eliminate the second notice otherwise 27423

within the school district, provided that the first notice 27425
published in such newspaper meets all of the following 27426

| | |

(8) When two or more bids are equal, in the whole, or in any 27459
part thereof, and are lower than any others, either may be 27460
accepted, but in no case shall the work be divided between such 27461
bidders. 27462

(9) When there is reason to believe there is collusion or 27463
combination among the bidders, or any number of them, the bids of 27464
those concerned therein shall be rejected. 27465

division (A)(1) of section 3301.079 of the Revised Code and the 27613
academic content standards for financial literacy and 27614
entrepreneurship adopted under division (A)(2) of that section, 27615
into one or more existing social studies credits required under 27616
division (C)(7) of this section, or into the content of another 27617
class, so that every high school student receives instruction in 27618
those concepts. In developing the curriculum required by this 27619
paragraph, schools shall use available public-private partnerships 27620
and resources and materials that exist in business, industry, and 27621
through the centers for economics education at institutions of 27622

States Code, or English language arts, mathematics, science, or 27634
social studies courses not otherwise required under division (C) 27635

of this section. 27636

Ohioans must be prepared to apply increased knowledge and 27637
skills in the workplace and to adapt their knowledge and skills 27638
quickly to meet the rapidly changing conditions of the 27639
twenty-first century. National studies indicate that all high 27640
school graduates need the same academic foundation, regardless of 27641
the opportunities they pursue after graduation. The goal of Ohio's 27642
system of elementary and secondary education is to prepare all 27643
students for and seamlessly connect all students to success in 27644
life beyond high school graduation, regardless of whether the next 27645
step is entering the workforce, beginning an apprenticeship, 27646
engaging in post-secondary training, serving in the military, or 27647
pursuing a college degree. 27648

The requirements for graduation prescribed in division (C) of 27649
this section are the standard expectation for all students 27650
entering ninth grade for the first time at a public or chartered 27651
nonpublic high school on or after July 1, 2010. A student may 27652
satisfy this expectation through a variety of methods, including, 27653
but not limited to, integrated, applied, career-technical, and 27654
traditional coursework. 27655

Whereas teacher quality is essential for student success when 27656
completing the requirements for graduation, the general assembly 27657
shall appropriate funds for strategic initiatives designed to 27658
strengthen schools' capacities to hire and retain highly qualified 27659
teachers in the subject areas required by the curriculum. Such 27660
initiatives are expected to require an investment of \$120,000,000 27661
over five years. 27662

Stronger coordination between high schools and institutions 27663
of higher education is necessary to prepare students for more 27664
challenging academic endeavors and to lessen the need for academic 27665
remediation in college, thereby reducing the costs of higher 27666
education for Ohio's students, families, and the state. The state 27667

board and the ~~chancellor of the Ohio board of regents~~ director of 27668
higher education shall develop policies to ensure that only in 27669
rare instances will students who complete the requirements for 27670
graduation prescribed in division (C) of this section require 27671
academic remediation after high school. 27672

School districts, community schools, and chartered nonpublic 27673
schools shall integrate technology into learning experiences 27674
across the curriculum in order to maximize efficiency, enhance 27675
learning, and prepare students for success in the 27676
technology-driven twenty-first century. Districts and schools 27677
shall use distance and web-based course delivery as a method of 27678
providing or augmenting all instruction required under this 27679
division, including laboratory experience in science. Districts 27680
and schools shall utilize technology access and electronic 27681
learning opportunities provided by the broadcast educational media 27682
commission, ~~chancellor~~ director of higher education, the Ohio 27683
learning network, education technology centers, public television 27684
stations, and other public and private providers. 27685

(D) Except as provided in division (E) of this section, a 27686
student who enters ninth grade on or after July 1, 2010, and 27687
before July 1, 2016, may qualify for graduation from a public or 27688
chartered nonpublic high school even though the student has not 27689
completed the requirements for graduation prescribed in division 27690
(C) of this section if all of the following conditions are 27691
satisfied: 27692

(1) During the student's third year of attending high school, 27693
as determined by the school, the student and the student's parent, 27694
guardian, or custodian sign and file with the school a written 27695
statement asserting the parent's, guardian's, or custodian's 27696
consent to the student's graduating without completing the 27697
requirements for graduation prescribed in division (C) of this 27698
section and acknowledging that one consequence of not completing 27699

those requirements is ineligibility to enroll in most state 27700
universities in Ohio without further coursework. 27701

(2) The student and parent, guardian, or custodian fulfill 27702
any procedural requirements the school stipulates to ensure the 27703
student's and parent's, guardian's, or custodian's informed 27704
consent and to facilitate orderly filing of statements under 27705
division (D)(1) of this section. Annually, each district or school 27706
shall notify the department of education of the number of students 27707
who choose to qualify for graduation under division (D) of this 27708
section and the number of students who complete the student's 27709
success plan and graduate from high school. 27710

(3) The student and the student's parent, guardian, or 27711
custodian and a representative of the student's high school 27712
jointly develop a student success plan for the student in the 27713
manner described in division (C)(1) of section 3313.6020 of the 27714
Revised Code that specifies the student matriculating to a 27715
two-year degree program, acquiring a business and 27716
industry-recognized credential, or entering an apprenticeship. 27717

(4) The student's high school provides counseling and support 27718
for the student related to the plan developed under division 27719
(D)(3) of this section during the remainder of the student's high 27720
school experience. 27721

(5)(a) Except as provided in division (D)(5)(b) of this 27722
section, the student successfully completes, at a minimum, the 27723
curriculum prescribed in division (B) of this section. 27724

(b) Beginning with students who enter ninth grade for the 27725
first time on or after July 1, 2014, a student shall be required 27726
to complete successfully, at the minimum, the curriculum 27727
prescribed in division (B) of this section, except as follows: 27728

(i) Mathematics, four units, one unit which shall be one of 27729
the following: 27730

| | |
|---|-------|
| (I) Probability and statistics; | 27731 |
| (II) Computer programming; | 27732 |
| (III) Applied mathematics or quantitative reasoning; | 27733 |
| (IV) Any other course approved by the department using | 27734 |
| standards established by the superintendent not later than October | 27735 |
| 1, 2014. | 27736 |
| (ii) Elective units, five units; | 27737 |
| (iii) Science, three units as prescribed by division (B) of | 27738 |
| this section which shall include inquiry-based laboratory | 27739 |
| experience that engages students in asking valid scientific | 27740 |
| questions and gathering and analyzing information. | 27741 |
| The department, in collaboration with the chancellor <u>director</u> | 27742 |
| <u>of higher education</u> , shall analyze student performance data to | 27743 |
| determine if there are mitigating factors that warrant extending | 27744 |
| the exception permitted by division (D) of this section to high | 27745 |
| school classes beyond those entering ninth grade before July 1, | 27746 |
| 2016. The department shall submit its findings and any | 27747 |
| recommendations not later than December 1, 2015, to the speaker | 27748 |
| and minority leader of the house of representatives, the president | 27749 |
| and minority leader of the senate, the chairpersons and ranking | 27750 |
| minority members of the standing committees of the house of | 27751 |
| representatives and the senate that consider education | 27752 |
| legislation, the state board of education, and the superintendent | 27753 |
| of public instruction. | 27754 |
| (E) Each school district and chartered nonpublic school | 27755 |
| retains the authority to require an even more challenging minimum | 27756 |
| curriculum for high school graduation than specified in division | 27757 |
| (B) or (C) of this section. A school district board of education, | 27758 |
| through the adoption of a resolution, or the governing authority | 27759 |
| of a chartered nonpublic school may stipulate any of the | 27760 |
| following: | 27761 |

(1) A minimum high school curriculum that requires more than 27762
twenty units of academic credit to graduate; 27763

(2) An exception to the district's or school's minimum high 27764
school curriculum that is comparable to the exception provided in 27765
division (D) of this section but with additional requirements, 27766
which may include a requirement that the student successfully 27767
complete more than the minimum curriculum prescribed in division 27768
(B) of this section; 27769

(3) That no exception comparable to that provided in division 27770
(D) of this section is available. 27771

(F) A student enrolled in a dropout prevention and recovery 27772
program, which program has received a waiver from the department, 27773
may qualify for graduation from high school by successfully 27774
completing a competency-based instructional program administered 27775
by the dropout prevention and recovery program in lieu of 27776
completing the requirements for graduation prescribed in division 27777
(C) of this section. The department shall grant a waiver to a 27778
dropout prevention and recovery program, within sixty days after 27779
the program applies for the waiver, if the program meets all of 27780
the following conditions: 27781

(1) The program serves only students not younger than sixteen 27782
years of age and not older than twenty-one years of age. 27783

(2) The program enrolls students who, at the time of their 27784
initial enrollment, either, or both, are at least one grade level 27785
behind their cohort age groups or experience crises that 27786
significantly interfere with their academic progress such that 27787
they are prevented from continuing their traditional programs. 27788

(3) The program requires students to attain at least the 27789
applicable score designated for each of the assessments prescribed 27790
under division (B)(1) of section 3301.0710 of the Revised Code or, 27791
to the extent prescribed by rule of the state board under division 27792

(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 27793
of that section. 27794

(4) The program develops a student success plan for the 27795
student in the manner described in division (C)(1) of section 27796
3313.6020 of the Revised Code that specifies the student's 27797
matriculating to a two-year degree program, acquiring a business 27798
and industry-recognized credential, or entering an apprenticeship. 27799

(5) The program provides counseling and support for the 27800
student related to the plan developed under division (F)(4) of 27801
this section during the remainder of the student's high school 27802
experience. 27803

(6) The program requires the student and the student's 27804
parent, guardian, or custodian to sign and file, in accordance 27805
with procedural requirements stipulated by the program, a written 27806
statement asserting the parent's, guardian's, or custodian's 27807
consent to the student's graduating without completing the 27808
requirements for graduation prescribed in division (C) of this 27809
section and acknowledging that one consequence of not completing 27810
those requirements is ineligibility to enroll in most state 27811
universities in Ohio without further coursework. 27812

(7) Prior to receiving the waiver, the program has submitted 27813
to the department an instructional plan that demonstrates how the 27814
academic content standards adopted by the state board under 27815
section 3301.079 of the Revised Code will be taught and assessed. 27816

(8) Prior to receiving the waiver, the program has submitted 27817
to the department a policy on career advising that satisfies the 27818
requirements of section 3313.6020 of the Revised Code, with an 27819
emphasis on how every student will receive career advising. 27820

(9) Prior to receiving the waiver, the program has submitted 27821
to the department a written agreement outlining the future 27822
cooperation between the program and any combination of local job 27823

training, postsecondary education, nonprofit, and health and 27824
social service organizations to provide services for students in 27825
the program and their families. 27826

Divisions (F)(8) and (9) of this section apply only to 27827
waivers granted on or after July 1, 2015. 27828

If the department does not act either to grant the waiver or 27829
to reject the program application for the waiver within sixty days 27830
as required under this section, the waiver shall be considered to 27831
be granted. 27832

(G) Every high school may permit students below the ninth 27833
grade to take advanced work. If a high school so permits, it shall 27834
award high school credit for successful completion of the advanced 27835
work and shall count such advanced work toward the graduation 27836
requirements of division (B) or (C) of this section if the 27837
advanced work was both: 27838

(1) Taught by a person who possesses a license or certificate 27839
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 27840
Code that is valid for teaching high school; 27841

(2) Designated by the board of education of the city, local, 27842
or exempted village school district, the board of the cooperative 27843
education school district, or the governing authority of the 27844
chartered nonpublic school as meeting the high school curriculum 27845
requirements. 27846

Each high school shall record on the student's high school 27847
transcript all high school credit awarded under division (G) of 27848
this section. In addition, if the student completed a seventh- or 27849
eighth-grade fine arts course described in division (K) of this 27850
section and the course qualified for high school credit under that 27851
division, the high school shall record that course on the 27852
student's high school transcript. 27853

(H) The department shall make its individual academic career 27854

plan available through its Ohio career information system web site 27855
for districts and schools to use as a tool for communicating with 27856
and providing guidance to students and families in selecting high 27857
school courses. 27858

(I) Units earned in English language arts, mathematics, 27859
science, and social studies that are delivered through integrated 27860
academic and career-technical instruction are eligible to meet the 27861
graduation requirements of division (B) or (C) of this section. 27862

(J)(1) The state board, in consultation with the ~~chancellor~~ 27863
director of higher education, shall adopt a statewide plan 27864
implementing methods for students to earn units of high school 27865
credit based on a demonstration of subject area competency, 27866
instead of or in combination with completing hours of classroom 27867
instruction. The state board shall adopt the plan not later than 27868
March 31, 2009, and commence phasing in the plan during the 27869
2009-2010 school year. The plan shall include a standard method 27870
for recording demonstrated proficiency on high school transcripts. 27871
Each school district and community school shall comply with the 27872
state board's plan adopted under this division and award units of 27873
high school credit in accordance with the plan. The state board 27874
may adopt existing methods for earning high school credit based on 27875
a demonstration of subject area competency as necessary prior to 27876
the 2009-2010 school year. 27877

(2) Not later than December 31, 2015, the state board shall 27878
update the statewide plan adopted pursuant to division (J)(1) of 27879
this section to also include methods for students enrolled in 27880
seventh and eighth grade to meet curriculum requirements based on 27881
a demonstration of subject area competency, instead of or in 27882
combination with completing hours of classroom instruction. 27883
Beginning with the 2017-2018 school year, each school district and 27884
community school also shall comply with the updated plan adopted 27885
pursuant to this division and permit students enrolled in seventh 27886

and eighth grade to meet curriculum requirements based on subject 27887
area competency in accordance with the plan. 27888

(K) This division does not apply to students who qualify for 27889
graduation from high school under division (D) or (F) of this 27890
section, or to students pursuing a career-technical instructional 27891
track as determined by the school district board of education or 27892
the chartered nonpublic school's governing authority. 27893
Nevertheless, the general assembly encourages such students to 27894
consider enrolling in a fine arts course as an elective. 27895

Beginning with students who enter ninth grade for the first 27896
time on or after July 1, 2010, each student enrolled in a public 27897
or chartered nonpublic high school shall complete two semesters or 27898
the equivalent of fine arts to graduate from high school. The 27899
coursework may be completed in any of grades seven to twelve. Each 27900
student who completes a fine arts course in grade seven or eight 27901
may elect to count that course toward the five units of electives 27902
required for graduation under division (C)(8) of this section, if 27903
the course satisfied the requirements of division (G) of this 27904
section. In that case, the high school shall award the student 27905
high school credit for the course and count the course toward the 27906
five units required under division (C)(8) of this section. If the 27907
course in grade seven or eight did not satisfy the requirements of 27908
division (G) of this section, the high school shall not award the 27909
student high school credit for the course but shall count the 27910
course toward the two semesters or the equivalent of fine arts 27911
required by this division. 27912

(L) Notwithstanding anything to the contrary in this section, 27913
the board of education of each school district and the governing 27914
authority of each chartered nonpublic school may adopt a policy to 27915
excuse from the high school physical education requirement each 27916
student who, during high school, has participated in 27917
interscholastic athletics, marching band, or cheerleading for at 27918

least two full seasons or in the junior reserve officer training 27919
corps for at least two full school years. If the board or 27920
authority adopts such a policy, the board or authority shall not 27921
require the student to complete any physical education course as a 27922
condition to graduate. However, the student shall be required to 27923
complete one-half unit, consisting of at least sixty hours of 27924
instruction, in another course of study. In the case of a student 27925
who has participated in the junior reserve officer training corps 27926
for at least two full school years, credit received for that 27927
participation may be used to satisfy the requirement to complete 27928
one-half unit in another course of study. 27929

(M) It is important that high school students learn and 27930
understand United States history and the governments of both the 27931
United States and the state of Ohio. Therefore, beginning with 27932
students who enter ninth grade for the first time on or after July 27933
1, 2012, the study of American history and American government 27934
required by divisions (B)(6) and (C)(6) of this section shall 27935
include the study of all of the following documents: 27936

(1) The Declaration of Independence; 27937

(2) The Northwest Ordinance; 27938

(3) The Constitution of the United States with emphasis on 27939
the Bill of Rights; 27940

(4) The Ohio Constitution. 27941

The study of each of the documents prescribed in divisions 27942
(M)(1) to (4) of this section shall include study of that document 27943
in its original context. 27944

The study of American history and government required by 27945
divisions (B)(6) and (C)(6) of this section shall include the 27946
historical evidence of the role of documents such as the 27947
Federalist Papers and the Anti-Federalist Papers to firmly 27948
establish the historical background leading to the establishment 27949

of the provisions of the Constitution and Bill of Rights. 27950

Sec. 3313.608. (A)(1) Beginning with students who enter third 27951
grade in the school year that starts July 1, 2009, and until June 27952
30, 2013, unless the student is excused under division (C) of 27953
section 3301.0711 of the Revised Code from taking the assessment 27954
described in this section, for any student who does not attain at 27955
least the equivalent level of achievement designated under 27956
division (A)(3) of section 3301.0710 of the Revised Code on the 27957
assessment prescribed under that section to measure skill in 27958
English language arts expected at the end of third grade, each 27959
school district, in accordance with the policy adopted under 27960
section 3313.609 of the Revised Code, shall do one of the 27961
following: 27962

(a) Promote the student to fourth grade if the student's 27963
principal and reading teacher agree that other evaluations of the 27964
student's skill in reading demonstrate that the student is 27965
academically prepared to be promoted to fourth grade; 27966

(b) Promote the student to fourth grade but provide the 27967
student with intensive intervention services in fourth grade; 27968

(c) Retain the student in third grade. 27969

(2) Beginning with students who enter third grade in the 27970
2013-2014 school year, unless the student is excused under 27971
division (C) of section 3301.0711 of the Revised Code from taking 27972
the assessment described in this section, no school district shall 27973
promote to fourth grade any student who does not attain at least 27974
the equivalent level of achievement designated under division 27975
(A)(3) of section 3301.0710 of the Revised Code on the assessment 27976
prescribed under that section to measure skill in English language 27977
arts expected at the end of third grade, unless one of the 27978
following applies: 27979

- (a) The student is a limited English proficient student who 27980
has been enrolled in United States schools for less than three 27981
full school years and has had less than three years of instruction 27982
in an English as a second language program. 27983
- (b) The student is a child with a disability entitled to 27984

Revised Code and the student's individualized education program 27986
exempts the student from retention under this division. 27987
- (c) The student demonstrates an acceptable level of 27988
performance on an alternative standardized reading assessment as 27989

- (i) The student is a child with a disability entitled to 27992
special education and related services under Chapter 3323. of the 27993
Revised Code. 27994

arts achievement assessment prescribed under section 3301.0710 of 27996
the Revised Code. 27997
- (iii) The student's individualized education program or plan 27998
under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 27999
355, 29 U.S.C. 794, as amended, shows that the student has 28000
received intensive remediation in reading for two school years but 28001
still demonstrates a deficiency in reading. 28002
- (iv) The student previously was retained in any of grades 28003
kindergarten to three. 28004
- (e)(i) The student received intensive remediation for reading 28005
for two school years but still demonstrates a deficiency in 28006

this section shall continue to receive intensive reading 28010
instruction in grade four. The instruction shall include an 28011
altered instructional day that includes specialized diagnostic 28012
information and specific research-based reading strategies for the 28013
student that have been successful in improving reading among 28014
low-performing readers. 28015

(B)(1) Beginning in the 2012-2013 school year, to assist 28016
students in meeting the third grade guarantee established by this 28017
section, each school district board of education shall adopt 28018
policies and procedures with which it annually shall assess the 28019
reading skills of each student, except those students with 28020
significant cognitive disabilities or other disabilities as 28021
authorized by the department on a case-by-case basis, enrolled in 28022
kindergarten to third grade and shall identify students who are 28023
reading below their grade level. Each district shall use the 28024
diagnostic assessment to measure reading ability for the 28025
appropriate grade level adopted under section 3301.079 of the 28026
Revised Code, or a comparable tool approved by the department of 28027
education, to identify such students. The policies and procedures 28028
shall require the students' classroom teachers to be involved in 28029
the assessment and the identification of students reading below 28030
grade level. The assessment may be administered electronically 28031
using live, two-way video and audio connections whereby the 28032
teacher administering the assessment may be in a separate location 28033
from the student. 28034

The notification shall specify that the assessment under section 3301.0710 of the Revised Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(b) Provide intensive reading instruction services and regular diagnostic assessments to the student immediately following identification of a reading deficiency until the development of the reading improvement and monitoring plan required by division (C) of this section. These intervention services shall include research-based reading strategies that have been shown to be successful in improving reading among low-performing readers and instruction targeted at the student's identified reading deficiencies.

(3) For each student retained under division (A) of this section, the district shall do all of the following:

(a) Provide intense remediation services until the student is able to read at grade level. The remediation services shall include intensive interventions in reading that address the areas

prescribed under that section to measure skill in English language 28134
arts expected by the end of third grade, the student may be 28135
retained in third grade. 28136

Each student with a reading improvement and monitoring plan 28137

designated under division (B)(1) of section 3301.0710 of the 28359

demonstration of mastery that is equivalent or greater to the 28362

section 3301.0710 of the Revised Code. The rules shall include the 28364

to the district under sections 321.24 and 323.156 of the Revised 29885
Code an amount equal to the following: 29886

(The number of the district's students reported by the 29887
community school under division (B)(2)(e) of this section X the 29888
formula amount X .20) 29889

(D) A board of education sponsoring a community school may 29890
utilize local funds to make enhancement grants to the school or 29891
may agree, either as part of the contract or separately, to 29892
provide any specific services to the community school at no cost 29893
to the school. 29894

(E) A community school may not levy taxes or issue bonds 29895
secured by tax revenues. 29896

(F) No community school shall charge tuition for the 29897
enrollment of any student who is a resident of this state. A 29898
community school may charge tuition for the enrollment of any 29899
student who is not a resident of this state. 29900

(G)(1)(a) A community school may borrow money to pay any 29901
necessary and actual expenses of the school in anticipation of the 29902
receipt of any portion of the payments to be received by the 29903
school pursuant to division (C) of this section. The school may 29904
issue notes to evidence such borrowing. The proceeds of the notes 29905
shall be used only for the purposes for which the anticipated 29906
receipts may be lawfully expended by the school. 29907

(b) A school may also borrow money for a term not to exceed 29908
fifteen years for the purpose of acquiring facilities. 29909

(2) Except for any amount guaranteed under section 3318.50 of 29910
the Revised Code, the state is not liable for debt incurred by the 29911
governing authority of a community school. 29912

(H) The department of education shall adjust the amounts 29913
subtracted and paid under division (C) of this section to reflect 29914
any enrollment of students in community schools for less than the 29915
equivalent of a full school year. The state board of education 29916
within ninety days after April 8, 2003, shall adopt in accordance 29917
with Chapter 119. of the Revised Code rules governing the payments 29918
to community schools under this section including initial payments 29919
in a school year and adjustments and reductions made in subsequent 29920
periodic payments to community schools and corresponding 29921
deductions from school district accounts as provided under 29922
division (C) of this section. For purposes of this section: 29923

(1) A student shall be considered enrolled in the community 29924
school for any portion of the school year the student is 29925
participating at a college under Chapter 3365. of the Revised 29926
Code. 29927

(2) A student shall be considered to be enrolled in a 29928
community school for the period of time beginning on the later of 29929
the date on which the school both has received documentation of 29930
the student's enrollment from a parent and the student has 29931
commenced participation in learning opportunities as defined in 29932
the contract with the sponsor, or thirty days prior to the date on 29933
which the student is entered into the education management 29934
information system established under section 3301.0714 of the 29935
Revised Code. For purposes of applying this division and divisions 29936
(H)(3) and (4) of this section to a community school student, 29937
"learning opportunities" shall be defined in the contract, which 29938
shall describe both classroom-based and non-classroom-based 29939
learning opportunities and shall be in compliance with criteria 29940
and documentation requirements for student participation which 29941
shall be established by the department. Any student's instruction 29942
time in non-classroom-based learning opportunities shall be 29943
certified by an employee of the community school. A student's 29944

enrollment shall be considered to cease on the date on which any 29945
of the following occur: 29946

(a) The community school receives documentation from a parent 29947
terminating enrollment of the student. 29948

(b) The community school is provided documentation of a 29949
student's enrollment in another public or private school. 29950

(c) The community school ceases to offer learning 29951
opportunities to the student pursuant to the terms of the contract 29952
with the sponsor or the operation of any provision of this 29953
chapter. 29954

Except as otherwise specified in this paragraph, beginning in 29955
the 2011-2012 school year, any student who completed the prior 29956
school year in an internet- or computer-based community school 29957
shall be considered to be enrolled in the same school in the 29958
subsequent school year until the student's enrollment has ceased 29959
as specified in division (H)(2) of this section. The department 29960
shall continue subtracting and paying amounts for the student 29961
under division (C) of this section without interruption at the 29962
start of the subsequent school year. However, if the student 29963
without a legitimate excuse fails to participate in the first one 29964
hundred five consecutive hours of learning opportunities offered 29965
to the student in that subsequent school year, the student shall 29966
be considered not to have re-enrolled in the school for that 29967
school year and the department shall recalculate the payments to 29968
the school for that school year to account for the fact that the 29969
student is not enrolled. 29970

(3) The department shall determine each community school 29971
student's percentage of full-time equivalency based on the 29972
percentage of learning opportunities offered by the community 29973
school to that student, reported either as number of hours or 29974
number of days, is of the total learning opportunities offered by 29975

the community school to a student who attends for the school's 29976
entire school year. However, no internet- or computer-based 29977
community school shall be credited for any time a student spends 29978
participating in learning opportunities beyond ten hours within 29979
any period of twenty-four consecutive hours. Whether it reports 29980
hours or days of learning opportunities, each community school 29981
shall offer not less than nine hundred twenty hours of learning 29982
opportunities during the school year. 29983

(4) With respect to the calculation of full-time equivalency 29984
under division (H)(3) of this section, the department shall waive 29985
the number of hours or days of learning opportunities not offered 29986
to a student because the community school was closed during the 29987
school year due to disease epidemic, hazardous weather conditions, 29988
law enforcement emergencies, inoperability of school buses or 29989
other equipment necessary to the school's operation, damage to a 29990
school building, or other temporary circumstances due to utility 29991
failure rendering the school building unfit for school use, so 29992
long as the school was actually open for instruction with students 29993
in attendance during that school year for not less than the 29994
minimum number of hours required by this chapter. The department 29995
shall treat the school as if it were open for instruction with 29996
students in attendance during the hours or days waived under this 29997
division. 29998

(I) The department of education shall reduce the amounts paid 29999
under this section to reflect payments made to colleges under 30000
section 3365.07 of the Revised Code. 30001

(J)(1) No student shall be considered enrolled in any 30002
internet- or computer-based community school or, if applicable to 30003
the student, in any community school that is required to provide 30004
the student with a computer pursuant to division (C) of section 30005
3314.22 of the Revised Code, unless both of the following 30006
conditions are satisfied: 30007

(a) The student possesses or has been provided with all 30008
required hardware and software materials and all such materials 30009
are operational so that the student is capable of fully 30010
participating in the learning opportunities specified in the 30011
contract between the school and the school's sponsor as required 30012
by division (A)(23) of section 3314.03 of the Revised Code; 30013

(b) The school is in compliance with division (A) of section 30014
3314.22 of the Revised Code, relative to such student. 30015

(2) In accordance with policies adopted jointly by the 30016
superintendent of public instruction and the auditor of state, the 30017
department shall reduce the amounts otherwise payable under 30018
division (C) of this section to any community school that includes 30019
in its program the provision of computer hardware and software 30020
materials to any student, if such hardware and software materials 30021
have not been delivered, installed, and activated for each such 30022
student in a timely manner or other educational materials or 30023
services have not been provided according to the contract between 30024
the individual community school and its sponsor. 30025

The superintendent of public instruction and the auditor of 30026
state shall jointly establish a method for auditing any community 30027
school to which this division pertains to ensure compliance with 30028
this section. 30029

The superintendent, auditor of state, and the governor shall 30030
jointly make recommendations to the general assembly for 30031
legislative changes that may be required to assure fiscal and 30032
academic accountability for such schools. 30033

(K)(1) If the department determines that a review of a 30034
community school's enrollment is necessary, such review shall be 30035
completed and written notice of the findings shall be provided to 30036
the governing authority of the community school and its sponsor 30037
within ninety days of the end of the community school's fiscal 30038

year, unless extended for a period not to exceed thirty additional 30039
days for one of the following reasons: 30040

(a) The department and the community school mutually agree to 30041
the extension. 30042

(b) Delays in data submission caused by either a community 30043
school or its sponsor. 30044

(2) If the review results in a finding that additional 30045
funding is owed to the school, such payment shall be made within 30046
thirty days of the written notice. If the review results in a 30047
finding that the community school owes moneys to the state, the 30048
following procedure shall apply: 30049

(a) Within ten business days of the receipt of the notice of 30050
findings, the community school may appeal the department's 30051
determination to the state board of education or its designee. 30052

(b) The board or its designee shall conduct an informal 30053
hearing on the matter within thirty days of receipt of such an 30054
appeal and shall issue a decision within fifteen days of the 30055
conclusion of the hearing. 30056

(c) If the board has enlisted a designee to conduct the 30057
hearing, the designee shall certify its decision to the board. The 30058
board may accept the decision of the designee or may reject the 30059
decision of the designee and issue its own decision on the matter. 30060

(d) Any decision made by the board under this division is 30061
final. 30062

(3) If it is decided that the community school owes moneys to 30063
the state, the department shall deduct such amount from the 30064
school's future payments in accordance with guidelines issued by 30065
the superintendent of public instruction. 30066

(L) The department shall not subtract from a school 30067
district's state aid account and shall not pay to a community 30068

school under division (C) of this section any amount for any of 30069
the following: 30070

(1) Any student who has graduated from the twelfth grade of a 30071
public or nonpublic high school; 30072

(2) Any student who is not a resident of the state; 30073

(3) Any student who was enrolled in the community school 30074
during the previous school year when assessments were administered 30075
under section 3301.0711 of the Revised Code but did not take one 30076
or more of the assessments required by that section and was not 30077
excused pursuant to division (C)(1) or (3) of that section, unless 30078
the superintendent of public instruction grants the student a 30079
waiver from the requirement to take the assessment and a parent is 30080
not paying tuition for the student pursuant to section 3314.26 of 30081
the Revised Code. The superintendent may grant a waiver only for 30082
good cause in accordance with rules adopted by the state board of 30083
education. 30084

(4) Any student who has attained the age of twenty-two years, 30085
except for veterans of the armed services whose attendance was 30086
interrupted before completing the recognized twelve-year course of 30087
the public schools by reason of induction or enlistment in the 30088
armed forces and who apply for enrollment in a community school 30089
not later than four years after termination of war or their 30090
honorable discharge. If, however, any such veteran elects to 30091
enroll in special courses organized for veterans for whom tuition 30092
is paid under federal law, or otherwise, the department shall not 30093
subtract from a school district's state aid account and shall not 30094
pay to a community school under division (C) of this section any 30095
amount for that veteran. 30096

Sec. 3314.091. (A) A school district is not required to 30097
provide transportation for any native student enrolled in a 30098
community school if the district board of education has entered 30099

into an agreement with the community school's governing authority 30100
that designates the community school as responsible for providing 30101
or arranging for the transportation of the district's native 30102
students to and from the community school. For any such agreement 30103
to be effective, it must be certified by the superintendent of 30104
public instruction as having met all of the following 30105
requirements: 30106

(1) It is submitted to the department of education by a 30107
deadline which shall be established by the department. 30108

(2) In accordance with divisions (C)(1) and (2) of this 30109
section, it specifies qualifications, such as residing a minimum 30110
distance from the school, for students to have their 30111
transportation provided or arranged. 30112

(3) The transportation provided by the community school is 30113
subject to all provisions of the Revised Code and all rules 30114
adopted under the Revised Code pertaining to pupil transportation. 30115

(4) The sponsor of the community school also has signed the 30116
agreement. 30117

(B)(1) For the school year that begins on July 1, 2007, a 30118
school district is not required to provide transportation for any 30119
native student enrolled in a community school, if the community 30120
school during the previous school year transported the students 30121
enrolled in the school or arranged for the students' 30122
transportation, even if that arrangement consisted of having 30123
parents transport their children to and from the school, but did 30124
not enter into an agreement to transport or arrange for 30125
transportation for those students under division (A) of this 30126
section, and if the governing authority of the community school by 30127
July 15, 2007, submits written notification to the district board 30128
of education stating that the governing authority is accepting 30129
responsibility for providing or arranging for the transportation 30130

of the district's native students to and from the community 30131
school. 30132

(2) Except as provided in division (B)(4) of this section, 30133
for any school year subsequent to the school year that begins on 30134
July 1, 2007, a school district is not required to provide 30135
transportation for any native student enrolled in a community 30136
school if the governing authority of the community school, by the 30137
thirty-first day of January of the previous school year, submits 30138
written notification to the district board of education stating 30139
that the governing authority is accepting responsibility for 30140
providing or arranging for the transportation of the district's 30141
native students to and from the community school. If the governing 30142
authority of the community school has previously accepted 30143
responsibility for providing or arranging for the transportation 30144
of a district's native students to and from the community school, 30145
under division (B)(1) or (2) of this section, and has since 30146
relinquished that responsibility under division (B)(3) of this 30147
section, the governing authority shall not accept that 30148
responsibility again unless the district board consents to the 30149
governing authority's acceptance of that responsibility. 30150

(3) A governing authority's acceptance of responsibility 30151
under division (B)(1) or (2) of this section shall cover an entire 30152
school year, and shall remain in effect for subsequent school 30153
years unless the governing authority submits written notification 30154
to the district board that the governing authority is 30155
relinquishing the responsibility. However, a governing authority 30156
shall not relinquish responsibility for transportation before the 30157
end of a school year, and shall submit the notice relinquishing 30158
responsibility by the thirty-first day of January, in order to 30159
allow the school district reasonable time to prepare 30160
transportation for its native students enrolled in the school. 30161

(4)(a) For any school year that begins on or after July 1, 30162

2014, a school district is not required to provide transportation 30163
for any native student enrolled in a community school scheduled to 30164
open for operation in the current school year, if the governing 30165
authority of the community school, by the fifteenth day of April 30166
of the previous school year, submits written notification to the 30167
district board of education stating that the governing authority 30168
is accepting responsibility for providing or arranging for the 30169
transportation of the district's native students to and from the 30170
community school. 30171

(b) The governing authority of a community school that 30172
accepts responsibility for transporting its students under 30173
division (B)(4)(a) of this section shall comply with divisions 30174
(B)(2) and (3) of this section to renew or relinquish that 30175
authority for subsequent school years. 30176

(C)(1) A community school governing authority that enters 30177
into an agreement under division (A) of this section, or that 30178
accepts responsibility under division (B) of this section, shall 30179
provide or arrange transportation free of any charge for each of 30180
its enrolled students who is required to be transported under 30181
section 3327.01 of the Revised Code ~~or who would otherwise be~~ 30182
~~transported by the school district under the district's~~ 30183
~~transportation policy.~~ The governing authority shall report to the 30184
department of education the number of students transported or for 30185
whom transportation is arranged under this section in accordance 30186
with rules adopted by the state board of education. 30187

(2) The governing authority may provide or arrange 30188
transportation for any other enrolled student who is not eligible 30189
for transportation in accordance with division (C)(1) of this 30190
section and may charge a fee for such service up to the actual 30191
cost of the service. 30192

(3) Notwithstanding anything to the contrary in division 30193
(C)(1) or (2) of this section, a community school governing 30194

authority shall provide or arrange transportation free of any 30195
charge for any disabled student enrolled in the school for whom 30196
the student's individualized education program developed under 30197
Chapter 3323. of the Revised Code specifies transportation. 30198

(D)(1) If a school district board and a community school 30199
governing authority elect to enter into an agreement under 30200
division (A) of this section, the department of education shall 30201
make payments to the community school according to the terms of 30202
the agreement for each student actually transported under division 30203
(C)(1) of this section. 30204

If a community school governing authority accepts 30205
transportation responsibility under division (B) of this section, 30206
the department shall make payments to the community school for 30207
each student actually transported or for whom transportation is 30208
arranged by the community school under division (C)(1) of this 30209
section, calculated as follows: 30210

(a) For any fiscal year which the general assembly has 30211
specified that transportation payments to school districts be 30212
based on an across-the-board percentage of the district's payment 30213
for the previous school year, the per pupil payment to the 30214
community school shall be the following quotient: 30215

(i) The total amount calculated for the school district in 30216
which the child is entitled to attend school for student 30217
transportation other than transportation of children with 30218
disabilities; divided by 30219

(ii) The number of students included in the district's 30220
transportation ADM for the current fiscal year, as calculated 30221
under section 3317.03 of the Revised Code, plus the number of 30222
students enrolled in the community school not counted in the 30223
district's transportation ADM who are transported under division 30224
(B)(1) or (2) of this section. 30225

(b) For any fiscal year which the general assembly has specified that the transportation payments to school districts be calculated in accordance with section 3317.0212 of the Revised Code and any rules of the state board of education implementing that section, the payment to the community school shall be the amount so calculated on a per rider basis that otherwise would be paid to the school district in which the student is entitled to attend school by the method of transportation the district would have used. The community school, however, is not required to use the same method to transport that student.

(c) Divisions (D)(1)(a) and (b) of this section do not apply to fiscal years 2012 and 2013. Rather, for each of those fiscal years, the per pupil payment to a community school for transporting a student shall be the total amount paid under former section 3306.12 of the Revised Code for fiscal year 2011 to the school district in which the child is entitled to attend school divided by that district's "qualifying ridership," as defined in that section for fiscal year 2011.

As used in this division "entitled to attend school" means entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

(2) The department shall deduct the payment under division (D)(1) of this section from the state education aid, as defined in section 3314.08 of the Revised Code, and, if necessary, the payment under sections 321.14 and 323.156 of the Revised Code, that is otherwise paid to the school district in which the student enrolled in the community school is entitled to attend school. The department shall include the number of the district's native students for whom payment is made to a community school under division (D)(1) of this section in the calculation of the district's transportation payment under section 3317.0212 of the Revised Code and the operating appropriations act.

(3) A community school shall be paid under division (D)(1) of this section only for students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, and whose transportation to and from school is actually provided, who actually utilized transportation arranged, or for whom a payment in lieu of transportation is made by the community school's governing authority. To qualify for the payments, the community school shall report to the department, in the form and manner required by the department, data on the number of students transported or whose transportation is arranged, the number of miles traveled, cost to transport, and any other information requested by the department.

(4) A community school shall use payments received under this section solely to pay the costs of providing or arranging for the transportation of students who are eligible as specified in section 3327.01 of the Revised Code and division (C)(1) of this section, which may include payments to a parent, guardian, or other person in charge of a child in lieu of transportation.

(E) Except when arranged through payment to a parent, guardian, or person in charge of a child, transportation provided or arranged for by a community school pursuant to an agreement under this section is subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to the construction, design, equipment, and operation of school buses and other vehicles transporting students to and from school. The drivers and mechanics of the vehicles are subject to all provisions of the Revised Code, and all rules adopted under the Revised Code, pertaining to drivers and mechanics of such vehicles. The community school also shall comply with sections 3313.201, 3327.09, and 3327.10 of the Revised Code, division (B) of section 3327.16 of the Revised Code and, subject to division (C)(1) of this section, sections 3327.01 and 3327.02 of the

Revised Code, as if it were a school district. 30290

Sec. 3314.10. (A)(1) The governing authority of any community 30291
school established under this chapter may employ teachers and 30292
nonteaching employees necessary to carry out its mission and 30293
fulfill its contract. 30294

(2) Except as provided under division (A)(3) of this section, 30295
employees hired under this section may organize and collectively 30296
bargain pursuant to Chapter 4117. of the Revised Code. 30297
Notwithstanding division (D)(1) of section 4117.06 of the Revised 30298
Code, a unit containing teaching and nonteaching employees 30299
employed under this section shall be considered an appropriate 30300
unit. ~~As applicable~~ Except as provided in division (B)(2)(b) of 30301
section 3307.01 and in section 3309.011 of the Revised Code, 30302
employment under this section is subject to either Chapter 3307. 30303
or 3309. of the Revised Code. 30304

(3) If a school is created by converting all or part of an 30305
existing public school rather than by establishment of a new 30306
start-up school, at the time of conversion, the employees of the 30307
community school shall remain part of any collective bargaining 30308
unit in which they were included immediately prior to the 30309
conversion and shall remain subject to any collective bargaining 30310
agreement for that unit in effect on the first day of July of the 30311
year in which the community school initially begins operation and 30312
shall be subject to any subsequent collective bargaining agreement 30313
for that unit, unless a petition is certified as sufficient under 30314
division (A)(6) of this section with regard to those employees. 30315
Any new employees of the community school shall also be included 30316
in the unit to which they would have been assigned had not the 30317
conversion taken place and shall be subject to the collective 30318
bargaining agreement for that unit unless a petition is certified 30319
as sufficient under division (A)(6) of this section with regard to 30320

those employees. 30321

Notwithstanding division (B) of section 4117.01 of the 30322
Revised Code, the board of education of a school district and not 30323
the governing authority of a community school shall be regarded, 30324
for purposes of Chapter 4117. of the Revised Code, as the "public 30325
employer" of the employees of a conversion community school 30326

of Chapter 4117. of the Revised Code. 30384

(6) Upon receipt of a petition under division (A)(4) or (5) 30385
of this section, the state employment relations board shall check 30386
the sufficiency of the signatures on the petition. If the 30387

sufficiency of the petition and so notify the parties involved, 30389
including the board of education, the governing authority of the 30390
community school, and any exclusive representative of the 30391

shall take effect on the first day of the month immediately 30393
following the date on which the sufficiency of the petition is 30394
certified under division (A)(6) of this section. 30395

(B)(1) The board of education of each city, local, and 30396
exempted village school district sponsoring a community school and 30397
the governing board of each educational service center in which a 30398
community school is located shall adopt a policy that provides a 30399
leave of absence of at least three years to each teacher or 30400
nonteaching employee of the district or service center who is 30401
employed by a conversion or new start-up community school 30402
sponsored by the district or located in the district or center for 30403
the period during which the teacher or employee is continuously 30404
employed by the community school. The policy shall also provide 30405
that any teacher or nonteaching employee may return to employment 30406
by the district or service center if the teacher or employee 30407
leaves or is discharged from employment with the community school 30408
for any reason, unless, in the case of a teacher, the board of the 30409
district or service center determines that the teacher was 30410
discharged for a reason for which the board would have sought to 30411
discharge the teacher under section 3311.82 or 3319.16 of the 30412
Revised Code, in which case the board may proceed to discharge the 30413
teacher utilizing the procedures of that section. Upon termination 30414
of such a leave of absence, any seniority that is applicable to 30415

the person shall be calculated to include all of the following: 30416
all employment by the district or service center prior to the 30417

the leave of absence; and all employment by the district or 30419
service center after the leave of absence. The policy shall also 30420
provide that if any teacher holding valid certification returns to 30421
employment by the district or service center upon termination of 30422
such a leave of absence, the teacher shall be restored to the 30423
previous position and salary or to a position and salary similar 30424
thereto. If, as a result of teachers returning to employment upon 30425
termination of such leaves of absence, a school district or 30426
educational service center reduces the number of teachers it 30427
employs, it shall make such reductions in accordance with section 30428
3319.171 of the Revised Code. 30429

Unless a collective bargaining agreement providing otherwise 30430

pursuant to division (A)(3) of this section, an employee on a 30432
leave of absence pursuant to this division shall remain eligible 30433
for any benefits that are in addition to benefits under Chapter 30434
3307. or 3309. of the Revised Code provided by the district or 30435
service center to its employees provided the employee pays the 30436
entire cost associated with such benefits, except that personal 30437
leave and vacation leave cannot be accrued for use as an employee 30438
of a school district or service center while in the employ of a 30439
community school unless the district or service center board 30440
adopts a policy expressly permitting this accrual. 30441

(2) While on a leave of absence pursuant to division (B)(1) 30442
of this section, a conversion community school shall permit a 30443
teacher to use sick leave accrued while in the employ of the 30444
school district from which the leave of absence was taken and 30445
prior to commencing such leave. If a teacher who is on such a 30446
leave of absence uses sick leave so accrued, the cost of any 30447

salary paid by the community school to the teacher for that time 30448
shall be reported to the department of education. The cost of 30449
employing a substitute teacher for that time shall be paid by the 30450
community school. The department of education shall add amounts to 30451
the payments made to a community school under this chapter as 30452
necessary to cover the cost of salary reported by a community 30453
school as paid to a teacher using sick leave so accrued pursuant 30454
to this section. The department shall subtract the amounts of any 30455
payments made to community schools under this division from 30456
payments made to such sponsoring school district under Chapter 30457
3317. of the Revised Code. 30458

A school district providing a leave of absence and employee 30459
benefits to a person pursuant to this division is not liable for 30460
any action of that person while the person is on such leave and 30461
employed by a community school. 30462

Sec. 3317.01. As used in this section, "school district," 30463
unless otherwise specified, means any city, local, exempted 30464
village, joint vocational, or cooperative education school 30465

This chapter shall be administered by the state board of 30467
education. The superintendent of public instruction shall 30468
calculate the amounts payable to each school district and shall 30469
certify the amounts payable to each eligible district to the 30470
treasurer of the district as provided by this chapter. As soon as 30471
possible after such amounts are calculated, the superintendent 30472
shall certify to the treasurer of each school district the 30473
district's adjusted charge-off increase, as defined in section 30474
5705.211 of the Revised Code. Certification of moneys pursuant to 30475
this section shall include the amounts payable to each school 30476
building, at a frequency determined by the superintendent, for 30477
each subgroup of students, as defined in section 3317.40 of the 30478

Revised Code, receiving services, provided for by state funding, 30479
from the district or school. No moneys shall be distributed 30480
pursuant to this chapter without the approval of the controlling 30481
board. 30482

The state board of education shall, in accordance with 30483
appropriations made by the general assembly, meet the financial 30484
obligations of this chapter. 30485

Moneys distributed to school districts pursuant to this 30486
chapter shall be calculated based on the annual enrollment 30487

basis, beginning with the first day of July and extending through 30490
the thirtieth day of June. In any given fiscal year, prior to 30491
school districts submitting the first report required under 30492
section 3317.03 of the Revised Code, enrollment for the districts 30493
shall be calculated based on the third report submitted by the 30494
districts for the previous fiscal year. The moneys appropriated 30495
for each fiscal year shall be distributed periodically to each 30496
school district unless otherwise provided for. The state board, in 30497
June of each year, shall submit to the controlling board the state 30498
board's year-end distributions pursuant to this chapter. 30499

Except as otherwise provided, payments under this chapter 30500
shall be made only to those school districts in which: 30501

hours school must be open for instruction with pupils in 30517
attendance, for individualized parent-teacher conference and 30518
reporting periods, and for professional meetings of teachers. 30519

A school district shall not be considered to have failed to 30520
comply with this division because schools were open for 30521
instruction but either twelfth grade students were excused from 30522
attendance for up to the equivalent of three school days or only a 30523
portion of the kindergarten students were in attendance for up to 30524
the equivalent of three school days in order to allow for the 30525
gradual orientation to school of such students. 30526

A board of education or governing board of an educational 30527
service center which has not conformed with other law and the 30528

30674
30675

~~(E)(1) For each school district for which the tax exempt value of the district, as certified under division (A)(4) of section 3317.021 of the Revised Code, equals or exceeds thirty per cent of the potential value of the district, the department shall calculate the difference between the district's tax exempt value and thirty per cent of the district's potential value. (B) The department shall determine the district's income 30735
factor as follows: 30736

(1) If the district's median income index is less than or 30737
equal to 1.0, the district's income factor shall be equal to its 30738
median income index. 30739

(2) If the district's median income index is greater than 1.0 30740
but less than 1.5, the district's income factor shall be 30741
calculated as follows: 30742

(a) First, calculate the following quotient: 30743

{[(the district's median income index - 1) X 0.315] / 0.5} 30744

(b) Next, multiply the quotient calculated in division 30745
(B)(2)(a) of this section by 0.5, for fiscal year 2016, or 0.6, 30746
for fiscal year 2017; 30747

(c) Finally, determine the district's income factor by adding 30748
1 to the product calculated in division (B)(2)(b) of this section. 30749

(3) If the district's median income index is greater than or 30750
equal to 1.5, the district's income factor shall be equal to the 30751
