rates, shall bear such date or dates, and shall mature within 2086
thirty years following the date of issuance and in such amount, 2087
at such time or times, and in such number of installments, as 2088

may be provided in or pursuant to the resolution authorizing 2089
their issuance. Any original issue of revenue bonds shall mature 2090
not later than thirty years from their date of issue. Such 2091
resolution also shall provide for the execution of the bonds, 2092
which may be by facsimile signatures unless prohibited by the 2093

other terms and conditions relative to the issuance, sale, and 2096
retirement of the bonds that the board of trustees in its 2097
discretion determines to be reasonable and proper. 2098

bonds, that the useful life of all of the property, other than 2108
interests in land, refinanced with proceeds of the bonds will 2109
have expired. The refunding bonds shall be sold and the proceeds 2110
applied to the purchase, redemption, or payment of the bonds to 2111
be refunded and the costs of issuance of the refunding bonds. 2112
The bonds and notes issued under this section, their transfer, 2113
and the income therefrom, shall at all times be free from 2114
taxation within the state. 2115

(E) A joint recreation district described in this section 2116
may do all of the following: 2117

~~service.~~ 3066

~~(c)~~ No new director, or former director who is elected or 3067
appointed to the board after an interruption in service, shall 3068
be elected or appointed ~~in violation of~~ if it causes the total 3069

and the director's office is then vacant. 3084

Sec. 1105.03. (A) To qualify as a director, each person 3085
elected or appointed to the board of directors shall, within 3086
sixty days after election or appointment, take and subscribe an 3087

person's election or appointment, the oath shall be filed with 3093
the secretary of the state bank. 3094

Sec. 1105.04. Each officer and employee of a state bank, 3095

the size of the bank and nature of its business. The board of 3101
directors are not required to provide a bond covering their 3102
duties as directors. 3103

Sec. 1105.08. (A) (1) A state bank's board of directors 3104
shall meet monthly unless the bank's code of regulations 3105
provides for a different frequency of meetings, which shall not 3106

(2) Division (A) (1) of this section does not prohibit 3108
either of the following: 3109

frequently than required by division (A) (1) of this section or 3111
the bank's code of regulations; 3112

(b) The superintendent of financial institutions requiring 3113
a state bank's board of directors to meet more frequently than 3114
required by division (A) (1) of this section or the bank's code 3115

meetings are appropriate because of circumstances regarding the 3117
bank. 3118

(B) Unless prohibited by the articles of incorporation, 3119
the code of regulations, or, in the case of a committee of the 3120
board of directors, an order of the board of directors, meetings 3121
of the board of directors or a committee of the board of 3122
directors may be held ~~through~~ in any manner permitted by the 3123
laws of this state, including by communications equipment, if 3124
all persons participating can communicate with each of the 3125
others. Participation in a meeting in accordance with this 3126
division constitutes presence at the meeting. 3127

(C) Minutes shall be kept of all meetings of a state 3128
bank's board of directors and of any committees of the board of 3129
directors, and shall be recorded in a readable and reproducible 3130
form and kept at the bank. The minutes shall show the action of 3131
the board of directors or any committee of the board of 3132

board of directors or any committee of the board of directors 3135
was in executive session. The minutes of all committees of the 3136
board of directors shall be submitted to the board of directors 3137
for review at each meeting of the board of directors. 3138

Sec. 1105.10. (A) Once elected or appointed, a director 3139

(1) By the board of directors or the superintendent of 3141
financial institutions if ~~either~~ any of the following applies: 3142

~~(1)~~ (a) The director has filed for relief or is a debtor 3143

(c) The director has been removed in accordance with 3147
federal law. 3148

(2) By the board of directors for any of the grounds set 3149
forth in the state bank's code of regulations or bylaws; 3150

(3) By a majority of the disinterested directors if they 3151
determine the director has a conflict of interest. 3152

(B) (1) (a) Except as provided in division (B) (1) (b) of this 3153
section, unless the articles of incorporation or the code of 3154
regulations of the state bank expressly provide that removal of 3155
members of the board of directors shall require a greater vote, 3156
the shareholders or members may remove all the directors, all 3157
the directors of a particular class, or any individual director 3158
from office, without assigning any cause, by the vote of the 3159
holders of a majority of the voting power entitling them to 3160

elect directors in place of those to be removed. 3161

(b) If the shareholders or members have the right to vote 3162
cumulatively in the election of directors of the bank, unless 3163
all the directors or all the directors of a particular class are 3164
removed, the vote of shareholders or members does not remove an 3165
individual director if the votes cast against the director's 3166
removal, if cumulatively voted at an election of all the 3167
directors or all the directors of a particular class, as the 3168

division (B)(1) of this section, the shareholders or members may 3171
elect a new director at the same meeting for the unexpired term 3172
of each director removed. Failure of the shareholders or members 3173
to elect a director to fill the unexpired term of any director 3174
removed is deemed to create a vacancy in the board. 3175

(C) Unless the articles of incorporation or the code of 3176
regulations otherwise provide, the remaining directors, though 3177
less than a majority of the whole authorized number of 3178
directors, may, by the vote of a majority of their number, fill 3179
any vacancy in the board for the unexpired term. 3180

(1) A vacancy exists if the shareholders or members 3181
increase the authorized number of directors but fail at the 3182
meeting at which the increase is authorized, or an adjournment 3183
of the meeting, to elect the additional directors provided for, 3184
or if the shareholders or members fail at any time to elect the 3185
whole authorized number of directors. 3186

(2) The office of a member of the board of directors 3187
becomes vacant if the director dies ~~or~~, resigns, or is removed. 3188
A resignation takes effect immediately unless the director 3189

specifies another time. 3190

(D) If a vacancy created on the board of directors causes 3191
the number of directors to be less than that fixed by the 3192
articles of incorporation or code of regulations, the vacancy 3193
shall not be required to be filled until such time as an 3194
appropriate candidate is identified and duly appointed or 3195
elected. 3196

(E) Notwithstanding divisions (B) and (C) of this section, 3197

rules adopted under those chapters, including any civil money 3209
penalties, unless it can be shown that the director, officer, 3210
employee, or other institution-affiliated party knowingly 3211
violated or failed to comply with that provision of law. 3212

(B) Nothing in this section shall be construed to deprive 3213

(C) The terms of any option granted in connection with the 3245
issuance of debt securities or any right to convert debt 3246

or to any of their related interests, except as authorized by 3864
this section and, with respect to executive officers, as 3865
authorized by section 1109.24 of the Revised Code. 3866

(B) (1) A state bank may extend credit to any of its 3867
executive officers, directors, or principal shareholders, or to 3868
any of their related interests, only if all of the following 3869
apply to the extension of credit: 3870

(a) The extension of credit is made on substantially the 3871
same terms, including interest rates and collateral, as those 3872
terms prevailing at the time for comparable transactions by the 3873
bank with persons who are not executive officers, directors, 3874
principal shareholders, or employees of the bank. 3875

(b) The extension of credit does not involve more than the normal risk of repayment or present other unfavorable features.

(c) The bank follows credit underwriting procedures that are not less stringent than those applicable to comparable transactions by the bank with persons who are not executive officers, directors, principal shareholders, or employees of the bank.

(2) Nothing in division (B) (1) of this section shall be construed to prohibit any extension of credit made pursuant to a benefit or compensation program that meets both of the following conditions:

(a) The program is ~~widely~~ available to all employees of the bank;

(b) The program does not give preference to any officer, director, or principal shareholder of the bank, or to any related interest of an officer, director, or principal shareholder, over other employees of the bank.

(C) A state bank may extend credit to any of its executive officers, directors, or principal shareholders, or to any of their related interests, in an amount that, when aggregated with the amount of all outstanding extensions of credit by the bank to the executive officer, director, or principal shareholder and that person's related interests, would exceed an amount prescribed by the superintendent of financial institutions, only if both of the following conditions are met:

(1) The extension of credit has been approved in advance by a majority vote of the bank's entire board of directors.

(2) The executive officer, director, or principal shareholder, who or whose related interest would be obligated on

the extension of credit, has abstained from participating, 3905
directly or indirectly, in the deliberations or voting on the 3906
extension of credit. 3907

(D) A state bank may extend credit to any of its executive 3908
officers, directors, or principal shareholders, or to any of 3909
their related interests, only if the extension of credit is in 3910
an amount that, when aggregated with the amount of all 3911
outstanding extensions of credit by the bank to the executive 3912
officer, director, or principal shareholder and that person's 3913
related interests, would not exceed the limit on loans to a 3914
single borrower established by section 1109.22 of the Revised 3915
Code. 3916

(E) (1) A state bank may extend credit to any of its 3917
executive officers, directors, or principal shareholders, or to 3918

an amount that, when aggregated with the amount of all 3920
outstanding extensions of credit by the bank to all of its 3921
executive officers, directors, principal shareholders, and their 3922
related interests, would not exceed the bank's unimpaired 3923

section. 3927

(3) The superintendent may make exceptions to division (E) 3928
(1) of this section for state banks with less than one hundred 3929
million dollars in deposits, if the superintendent determines 3930
that the exceptions are important to avoid constricting the 3931
availability of credit in small communities or to attract 3932
directors to those banks. In no case may the aggregate amount of 3933
all outstanding extensions of credit by a state bank to all of 3934

its executive officers, directors, principal shareholders, and 3935
their related interests, be more than two times the bank's 3936
unimpaired capital. 3937

(F) (1) If any executive officer or director of a state 3938
bank has an account at the bank, the bank may not pay from that 3939

(2) Division (F) (1) does not prohibit the bank from paying 3941
funds in accordance with either of the following: 3942

(a) A written, preauthorized, interest-bearing extension 3943
of credit specifying a method of repayment; 3944

(b) A written preauthorized transfer of funds from another 3945
account of the executive officer or director at that bank. 3946

(G) No executive officer, director, or principal 3947
shareholder shall knowingly receive, or knowingly permit any of 3948
that person's related interests to receive, from a state bank, 3949
directly or indirectly, any extension of credit not authorized 3950
under this section. 3951

(H) (1) Subject to division (H) (2) of this section, for 3952
purposes of this section, any executive officer, director, or 3953
principal shareholder of any company of which the state bank is 3954

shareholder, respectively, of the bank. 3957

(2) The superintendent may make exceptions to the 3958
application of division (H) (1) of this section for any person 3959
who is an executive officer or director of a subsidiary of a 3960
company that controls a state bank, if both of the following 3961

(5) Any other reasonable criteria the superintendent may establish.

(E) (1) If the superintendent determines, upon 8004

(b) If the superintendent determines, as a result of 8037
findings made under division (E)(2)(a) of this section, that a 8038
bank is not in compliance with its affirmative action lending 8039
program, the superintendent shall order the bank to comply 8040
within a period of time determined by the superintendent. 8041
Failure to comply with that order shall be a violation of a 8042
condition imposed by the superintendent for purposes of sections 8043

place. The hearing shall be confidential, unless the 9147
superintendent of financial institutions determines that holding 9148
an open hearing would be in the public interest. Within twenty 9149
days after service of the notice of a hearing, a respondent may 9150
file a written request for a public hearing with the 9151
superintendent. A respondent's failure to file such a request 9152
constitutes a waiver of any objections to a confidential 9153
hearing. Within ninety days after the hearing, the 9154

thirty days after service of the superintendent's order as 9162
provided in division (B) of this section, and until the record 9163
of the administrative hearing has been filed, the superintendent 9164
may, at anytime, upon the notice and in the manner the 9165
superintendent considers proper, modify, terminate, or set aside 9166
the superintendent's order. After filing the record, the 9167
superintendent may modify, terminate, or set aside the 9168
superintendent's order with permission of the court. 9169

administrative hearing governed by this section, the 9171

superintendent, or a person designated by the superintendent to 9172
conduct the hearing, may administer oaths and affirmations, take 9173
or cause depositions to be taken, and issue, revoke, quash, or 9174
modify subpoenas and subpoenas duces tecum. At any 9175
administrative hearing required by section 1121.32, 1121.33, 9176

power to order and require compliance with the subpoena. 9192

and mileage provided for under section 119.094 of the Revised 9194

whom the superintendent issues an order upon the record of a 9197
hearing under the authority of section 1121.32, 1121.33, 9198
1121.35, or 1121.41 of the Revised Code may obtain a review of 9199
the order by filing a notice of appeal in the court of common 9200
pleas in the county in which the principal place of business of 9201
the bank, trust company, or regulated person, or residence of 9202

the regulated person, is located, or in the court of common 9203

order issued by the superintendent. If it appears to the court 9220
an unusual hardship to the appellant bank, trust company, or 9221
regulated person will result from the execution of the 9222
superintendent's order pending determination of the appeal, and 9223
the interests of depositors and the public will not be 9224
threatened by a stay of the order, the court may grant a stay 9225
and fix its terms. 9226

(C) The superintendent may, in the sole discretion of the 9227
superintendent, apply to the court of common pleas of the county 9228
in which the principal place of business of the bank, trust 9229

pursuant to this division to enforce an order assessing a civil 9237
penalty issued under section 1121.35 of the Revised Code, the 9238
validity and appropriateness of the civil penalty is not subject 9239
to review. 9240

otherwise, the issuance or enforcement of an order issued under 9242

Revised Code or to review, modify, suspend, terminate, or set 9244
aside an order issued under section 1121.32, 1121.33, 1121.34, 9245
1121.35, or 1121.41 of the Revised Code, except as provided in 9246
this section, in division (G) of section 1121.32 of the Revised 9247
Code for an order issued pursuant to division (C) (3) or (4) of 9248
section 1121.32 of the Revised Code, or in division (A) (3) of 9249
section 1121.34 of the Revised Code for an order issued pursuant 9250
to division (A) (1) of section 1121.34 of the Revised Code. 9251

of the secretary of state, and thereafter no person shall obtain 9794
a lien or charge upon any assets of the state bank for any 9795
payment, advance, clearance, or liability thereafter made or 9796
incurred, nor shall the directors, officers, or agents of the 9797
bank thereafter have authority to act on behalf of the bank or 9798
to convey, transfer, assign, pledge, mortgage, or encumber any 9799
of the bank's assets. 9800

(B) The filing of the certificate of appointment in 9801
accordance with this section shall not be a condition to either 9802
the superintendent's taking possession of the property and 9803
business of a state bank or appointing a conservator for a state 9804
bank. 9805

Sec. 1125.12. (A) A conservator, under the supervision of 9806
the superintendent of financial institutions and subject to any 9807
limitations imposed by the superintendent, shall have all of the 9808
following powers: 9809

- (1) To take possession of all books, records of account, 9810
and assets of the state bank; 9811
- (2) To have and exercise, in the name and on behalf of the 9812
bank, all the rights, powers, and authority of the officers and 9813
directors of the bank and all voting rights of its shareholders 9814
or members; 9815
- (3) To collect all debts, claims, and judgments belonging 9816
to the bank and to take any other action, including the lending 9817
of money, necessary to the operation of the bank during the 9818
conservatorship; 9819
- (4) To execute in the name of the bank any instrument 9820
necessary or proper to effectuate the conservator's powers or 9821

- (5) To initiate, pursue, compromise, and defend litigation 9823
involving any right, claim, interest, or liability of the bank; 9824
- (6) To exercise all fiduciary functions of the bank as of 9825
the date of appointment as conservator; 9826
- (7) To borrow money as necessary in the operation of the 9827
bank, and to secure those borrowings by the pledge or mortgage 9828
of the assets of the bank; 9829
- (8) To abandon or convey title to any holder of a deed of 9830
trust, mortgage, or similar lien against property in which the 9831
bank has an interest, whenever the conservator determines that 9832
continuing to claim that interest is burdensome and of no 9833
advantage to the bank or its account holders, creditors, ~~or~~ 9834
shareholders, or members; 9835
- (9) If done in good faith within the ordinary course of 9836
business or financial affairs of the bank and according to 9837

ordinary business terms, to sell any and all assets, to 9838
compromise any debt, claim, obligation, or judgment due to the 9839
bank, to discontinue any pending action or other proceeding, and 9840
to implement a restructuring of the bank in accordance with this 9841
chapter. 9842

(B) Title to any assets of the bank does not vest in the 9843
conservator. 9844

Sec. 1125.13. During the period of the conservatorship, 9845
all of the following apply: 9846

(A) The conservator may permit the state bank to continue 9847
to conduct its usual business, including the acceptance of 9848
deposits. 9849

(B) The obligations of the state bank shall continue to 9850
bear interest at the rate contracted. 9851

(C) The conservator shall make whatever reports to the 9852
superintendent of financial institutions the superintendent may 9853
from time to time require. 9854

Sec. 1125.14. (A) The conservator shall evaluate the 9855
business and assets of the state bank and, after conducting 9856
whatever investigations the circumstances may require, shall 9857
recommend to the superintendent of financial institutions that 9858
either the conservatorship of the bank be terminated or the 9859
superintendent appoint a receiver and the bank be liquidated as 9860
otherwise provided in this chapter. The conservator shall 9861
consult with the board of directors of the bank before making 9862
the recommendation. 9863

(B) The conservator of the bank may submit a plan to the 9864
superintendent for approval to restructure the bank in a manner 9865
designed to return the bank to the control of its shareholders 9866

or members. As part of the plan, the conservator may take any 9867
steps the superintendent approves regarding the management, 9868
operations, or assets of the bank, including the sale of some or 9869
all of the bank's assets. The conservator shall consult with the 9870
board of directors of the bank regarding any proposed sale of 9871
all or substantially all of the bank's assets. 9872

(C) The superintendent may require the conservator to 9873
submit the plan to the shareholders or members of the bank as 9874
provided in division (D) of this section or to submit a new or 9875
revised plan for consideration by the superintendent. 9876

(D) If the conservator's plan is submitted to the 9877
shareholders or members pursuant to division (C) of this 9878
section, the superintendent shall designate the contents of 9879
notice of the vote that is to be forwarded from the conservator 9880
to the shareholders or members and shall designate the date upon 9881
which notice is to be forwarded. The date of the shareholder or 9882
member vote shall be determined by the superintendent, but shall 9883
not occur earlier than seven days or later than forty-five days 9884
after the date of the notice. 9885

If the majority of the shareholders or members do not 9886
approve the plan, the superintendent may request submission of a 9887
new plan or proceed to appoint a receiver without regard to the 9888
grounds for appointment of a receiver as otherwise provided in 9889
this chapter. If the majority of the shareholders or members 9890
approve the plan, the superintendent may terminate the 9891
conservatorship, and the shareholders or members shall elect 9892
directors to manage the bank. 9893

(E) The superintendent, at any time, including after the 9894
date notice of a vote is provided to shareholders or members of 9895
the bank under division (D) of this section, may revoke a 9896

previously approved plan of the conservator and either provide 9897
for, or request submission of, a new plan or proceed with 9898
receivership under this chapter. 9899

Sec. 1125.17. This chapter provides the full and exclusive 9900
powers and procedures for the liquidation of state banks under 9901
the laws of this state, and no receiver or other liquidating 9902
agent shall be appointed for that purpose except as expressly 9903
provided in this chapter. 9904

Sec. 1125.18. The superintendent of financial institutions 9905
may take possession of the property and business of a state bank 9906
if the superintendent finds any one or more of the following 9907
conditions: 9908

(A) The bank is in an unsafe or unsound condition to 9909
continue the business of banking. 9910

(B) The bank is insolvent, in that it has ceased to pay 9911
its debts in the ordinary course of business, it is incapable of 9912
paying its debts as they mature, or it has liabilities in excess 9913
of its assets. 9914

(C) The bank has refused to submit its records or affairs 9915
to the inspection or examination of any federal bank regulatory 9916
agency or the superintendent. 9917

(D) The bank has failed to pay its deposits or obligations 9918
in accordance with the terms under which the deposits were taken 9919
or the obligations were incurred. 9920

(E) A majority of the board of directors of the bank has 9921
requested the superintendent to appoint a receiver to take 9922
possession of the bank for the benefit of account holders, 9923
creditors, ~~or~~ shareholders, or members. 9924

(F) The bank has violated any order of a court or of the superintendent, any statute, rule, or regulation, or its articles of incorporation, and the superintendent determines the continued control of its own affairs threatens injury to any of the public, the banking industry, or the bank's depositors or other creditors.

(G) The bank's status as an insured institution has been terminated by the federal deposit insurance corporation.

~~(H) The~~ (1) In the case of a stock state bank, the bank has an impairment of paid-in capital.

Sec. 1125.19. (A) Upon issuing a written finding that any one or more of the conditions set forth in section 1125.18 of the Revised Code for taking possession of a state bank exists and taking possession of the state bank, the superintendent of financial institutions shall file a certified copy of the finding and the notice of possession with the court.

(B) Upon the appointment of a receiver, the superintendent shall file a certified copy of the certificate of appointment in the office of the secretary of state and with the court.

(C) After the superintendent files the finding of the superintendent or the certificate of appointment of the receiver, whichever occurs first, no person shall obtain a lien or charge upon any assets of the bank for any payment, advance, clearance, or liability thereafter incurred, nor shall the directors, officers, or agents of the bank have authority to act on behalf of the bank or to convey, transfer, assign, pledge, mortgage, or encumber any assets of the bank.

(D) Upon taking possession of the bank, the superintendent 9954
shall post or cause to be posted an appropriate notice of 9955
closing at the main entrance of each of the bank's banking 9956
offices. 9957

(E) Neither filing nor posting of notice in accordance 9958
with this section shall be a condition to either the 9959
superintendent's taking possession of the property and business 9960
of a state bank or appointing a receiver for a state bank. 9961

Sec. 1125.20. (A) If it appears to the superintendent of 9962
financial institutions that any one or more of the conditions 9963
set forth in section 1125.18 of the Revised Code exists as to 9964
any state bank, the superintendent shall tender appointment as 9965
receiver to the federal deposit insurance corporation if any 9966
deposits in the state bank are insured by the federal deposit 9967
insurance corporation, and may tender appointment as receiver to 9968
the federal deposit insurance corporation in any other case. 9969
Upon acceptance of the appointment as receiver, the federal 9970
deposit insurance corporation shall not be required to post a 9971
bond. In addition to the powers of a receiver set forth in this 9972
chapter, the federal deposit insurance corporation, as receiver, 9973
may exercise any other liquidation or receivership powers 9974
authorized by state or federal law for a receiver of a bank. 9975

(B) If the federal deposit insurance corporation declines 9976
to accept the tendered appointment or if the superintendent is 9977
not required to tender appointment as receiver to the federal 9978
deposit insurance corporation, the superintendent may appoint, 9979
and thereafter dismiss or replace, any other receiver, including 9980
the superintendent, the superintendent determines to be 9981
necessary or advisable. The superintendent may fix the 9982
compensation to be paid the receiver and the amount of the bond 9983

or other security, if any, to be required. 9984

(C) The superintendent may, from time to time, appoint one 9985
or more special deputy superintendents as agent or agents to 9986
assist in the duties of receivership or of liquidation and 9987
distribution. No agent so appointed shall be subject to section 9988
1181.05 of the Revised Code. 9989

(D) The superintendent, any special deputy 9990
superintendents, or a receiver may employ and procure whatever 9991
assistance or advice is necessary in the receivership or 9992
liquidation and distribution of the assets of the bank, and, for 9993
that purpose, may retain officers or employees of the bank as 9994
needed. 9995

(E) All expenses of a receivership and liquidation shall 9996
be paid out of the assets of the bank, and shall be a lien on 9997
the bank's assets, which lien shall be prior to any other lien. 9998

Sec. 1125.21. Upon the superintendent of financial 9999
institutions' appointment of a receiver, title to all of the 10000
state bank's assets shall vest in the receiver without the 10001
execution of any instrument of conveyance, assignment, transfer, 10002
or endorsement. 10003

Sec. 1125.22. (A) A receiver shall have all of the 10004
following powers: 10005

(1) To take possession of all books, records of account, 10006
and assets of the state bank; 10007

(2) To collect all debts, claims, and judgments belonging 10008
to the bank and to take any other action, including the lending 10009
of money, necessary to preserve and liquidate the assets of the 10010
bank; 10011

(3) To execute in the name of the bank any instrument	10012
necessary or proper to effectuate the receiver's powers or	10013
perform its duties as receiver;	10014
(4) To initiate, pursue, compromise, and defend litigation	10015
involving any right, claim, interest, or liability of the bank;	10016
(5) To exercise all fiduciary functions of the bank as of	10017
the date of appointment as receiver;	10018
(6) To borrow money as necessary in the liquidation of the	10019
bank, and to secure those borrowings by the pledge or mortgage	10020
of assets of the bank;	10021
(7) To abandon or convey title to any holder of a deed of	10022
trust, mortgage, or similar lien against property in which the	10023
bank has an interest, whenever the receiver determines that	10024
continuing to claim that interest is burdensome and of no	10025
advantage to the bank or its account holders, creditors, or	10026
shareholders, <u>or members</u> ;	10027
(8) To sell any and all assets, to compromise any debt,	10028
claim, obligation, or judgment due to the bank, to discontinue	10029
any pending action or other proceeding, and to sell or otherwise	10030
transfer all or a substantial portion of the assets or	10031
liabilities of the bank;	10032
(9) To establish ancillary receiverships in any	10033
jurisdiction the receiver determines necessary;	10034
(10) To distribute assets in accordance with this chapter;	10035
(11) To take any other action incident to the powers set	10036
forth in division (A) of this section.	10037
(B) Unless specifically indicated to the contrary, the	10038
powers conferred upon a receiver under this section may be	10039

exercised without court approval. However, nothing in this 10040
section shall be construed to prevent a receiver from obtaining 10041
court approval when the receiver determines approval is 10042
appropriate under the circumstances. 10043

Sec. 1125.23. (A) The receiver shall promptly cause notice 10044
of the claims procedure to be published, in print or in a 10045
comparable electronic format, once a month for two consecutive 10046
months in a local newspaper of general circulation and to be 10047
mailed to each person whose name appears as a creditor upon the 10048
books of the state bank, at the last address of record. 10049

(B) (1) All parties having claims of any kind against the 10050
bank, including prior judgments and claims of security, 10051
preference, priority, and offset, shall present their claims 10052
substantiated by legal proof to the receiver within one hundred 10053
eighty days after the date of the first publication of notice of 10054
the claims procedure or after actual receipt of notice of the 10055
claims procedure, whichever occurs first. 10056

(2) Within one hundred eighty days after receipt of a 10057
claim, the receiver shall notify the claimant in writing whether 10058
the claim has been allowed or disallowed. The receiver may 10059
reject any claim in whole or in part, or may reject any claim of 10060
security, preference, priority, or offset against the bank. Any 10061
claimant whose claim has been rejected by the receiver shall 10062
petition the court for a hearing on the claim within sixty days 10063
after the date the notice was mailed or be forever barred from 10064
asserting the rejected claim. 10065

(C) Any claims filed after the claim period and 10066
subsequently accepted by the receiver or allowed by the court, 10067
shall be entitled to share in the distribution of assets only to 10068
the extent of the undistributed assets in the hands of the 10069

receiver on the date the claims are accepted or allowed. 10070

Sec. 1125.24. (A) All claims against the state bank's 10071
estate and expenses, proved to the receiver's satisfaction or 10072
approved by the court, shall be paid in the following order: 10073

(1) Expenses of liquidation and receivership, including 10074
money borrowed under authority of division (A) (6) of section 10075
1125.22 or division (A) (7) of section 1125.12 of the Revised 10076
Code and interest on it, and claims for fees and assessments due 10077
the superintendent of financial institutions; 10078

(2) Claims given priorities under other provisions of 10079
state or federal law; 10080

(3) Wages and salaries, or commissions, including 10081
vacation, severance, and sick leave pay, of officers and 10082
employees earned during the one-month period preceding the date 10083
of the bank's closing in an amount, before applicable taxes and 10084
other withholdings, that does not exceed one thousand dollars 10085
for any one person; 10086

(4) Deposit obligations; 10087

(5) Other general liabilities; 10088

(6) Obligations subordinated to deposits and other general 10089
liabilities. 10090

(B) Interest shall be given the same priority as the claim 10091
on which it is based, but no interest shall be paid on any claim 10092
until the principal of all claims within the same class has been 10093
paid or provided for in full. 10094

(C) Any funds remaining after satisfying the requirements 10095
of divisions (A) and (B) of this section shall be paid to the 10096
shareholders or members. 10097

(D) Payment on claims shall be made pro rata among claims 10098
of the kind specified in each class set forth in division (A) of 10099
this section. 10100

(E) Subject to the approval of the court, the receiver may 10101
designate a separate class of claims consisting only of every 10102
unsecured claim that is less than, or reduced to, an amount the 10103
court approves for payment as reasonable and necessary for 10104
administrative convenience. 10105

(F) Subject to the approval of the court, the receiver may 10106
make periodic and interim liquidating dividends or payments. 10107

Sec. 1125.25. (A) Within one hundred days after the date 10108
of the closing of a state bank, a receiver may reject any 10109
executory contract to which the bank is a party without any 10110
further liability on the part of the bank or the receiver. The 10111
receiver's election to reject an executory contract creates no 10112
claim for compensation other than compensation accrued to the 10113
date of termination or for actual damages. 10114

(B) A receiver may ratify and assign any executory 10115
contract to which the bank is a party notwithstanding the 10116
existence of a provision in the contract permitting the 10117
termination of the executory contract, or prohibiting, 10118
conditioning, or requiring consent to any assignment of the 10119
executory contract, upon the insolvency of the bank or the 10120
appointment of a receiver. 10121

Sec. 1125.26. Whenever the federal deposit insurance 10122
corporation pays or makes available for payment the insured 10123
deposit liabilities of a state bank, the federal deposit 10124
insurance corporation, whether or not it acts as receiver, shall 10125
be subrogated to the extent of the payments to all rights of 10126

depositors against the bank. 10127

Sec. 1125.27. (A) The receiver may appoint a successor to 10128
all rights, obligations, assets, deposits, agreements, and 10129
trusts held by the closed state bank as trustee, administrator, 10130
executor, guardian, agent, or in any other fiduciary or 10131
representative capacity. The successor's duties and obligations 10132
commence upon appointment to the same extent they are binding 10133
upon the former bank and as though the successor had originally 10134
assumed the duties and obligations. Specifically, the successor 10135
shall succeed to and be entitled to administer all trusteeships, 10136
administrations, executorships, guardianships, agencies, and all 10137
other fiduciary or representative proceedings to which the 10138
closed bank is named or appointed in wills, whenever probated, 10139
or to which it is appointed by any other instrument, court 10140
order, or operation of law. 10141

(B) Within sixty days after appointment, the successor 10142
shall give written notice, insofar as practicable, to all 10143
interested parties named in the books and records of the bank or 10144
in trust documents held by it, that the successor has been 10145
appointed in accordance with state law. 10146

(C) Nothing in this section shall be construed to impair 10147
any right of the grantor or beneficiaries of trust assets to 10148
secure the appointment of a substituted trustee or manager. 10149

Sec. 1125.28. (A) The filing with the court of the finding 10150
of the superintendent of financial institutions or the 10151
certificate of appointment of the receiver, whichever occurs 10152
first, operates as an automatic stay from the date of the 10153
filing, subject to the court granting a motion for relief from 10154
the stay, applicable to all entities persons, of both of the 10155
following: 10156

(1) The commencement or continuation, including the 10157
issuance or employment of process, of a judicial, 10158
administrative, or other action or proceeding against the state 10159
bank that was or could have been commenced before the filing; 10160

(2) The enforcement against the bank of a judgment or 10161
other claim obtained before the filing, including claims of 10162
security, preference, priority, and offset. 10163

(B) Upon the filing with the court of the finding of the 10164
superintendent or the certificate of appointment of the 10165
receiver, whichever occurs first, any other pending judicial, 10166
administrative, or other action or proceeding against the bank 10167
shall, upon motion of the receiver, be consolidated into one 10168
action or transferred as a separate matter before the presiding 10169
judge of the court having jurisdiction of the receivership, 10170
subject, however, to the automatic stay provided in division (A) 10171
of this section. Subject to the receiver's option to have an 10172
action later consolidated or transferred, any action commenced 10173
after the superintendent's filing shall be filed as a separate 10174
matter before the presiding judge in the court having 10175
jurisdiction over the receivership. 10176

(C) The superintendent, prior to the appointment of a 10177
receiver, or the receiver, after its appointment, shall be the 10178
only party named in an action involving a state bank subject to 10179
this chapter. 10180

(D) Any action seeking to enjoin the superintendent's 10181
order appointing a receiver of a state bank shall be brought 10182
prior to the date the receiver sells all or substantially all of 10183
the assets of the bank, prior to the date the receiver transfers 10184
all or substantially all of the insured deposits to an assuming 10185
institution, or within ten days after the issuance of the order, 10186

whichever is earliest. 10187

Sec. 1125.29. (A) When a receiver has completed the 10188
liquidation of a state bank, the receiver shall, with notice to 10189
the superintendent of financial institutions, petition the court 10190
for an order declaring the bank properly wound up and dissolved. 10191

(B) After whatever notice and hearing, if any, the court 10192
may direct, the court may make an order declaring the bank 10193
properly wound up and dissolved. The order shall do both of the 10194
following, to the extent applicable: 10195

(1) Declare all of the following: 10196

(a) The bank has been properly wound up. 10197

(b) All known assets of the bank have been distributed 10198
according to the distribution priorities set forth in this 10199
chapter. 10200

(c) The bank is dissolved. 10201

(2) If there are known debts or liabilities, describe the 10202
provision made for their payment, setting forth whatever 10203
information may be necessary to enable the creditor or other 10204
person to whom payment is to be made to appear and claim payment 10205
of the debt or liability. 10206

(C) The order shall confirm a plan by the receiver for the 10207
disposition or maintenance of any remaining real or personal 10208
property or other assets, whether held in trust or otherwise and 10209
including the contents of safe deposit boxes or vaults, held by 10210
the bank for its account holders, creditors, lessees, ~~or~~ 10211
shareholders, or members. The plan shall include written notice 10212
to all known owners or beneficiaries of the assets, to be sent 10213
by first class mail to each individual's address as shown on the 10214

records of the bank. 10215

(D) The court may make whatever additional orders and 10216
grant whatever further relief it determines proper upon the 10217
evidence submitted. 10218

(E) Once the order is made declaring the bank dissolved, 10219
the corporate existence of the bank shall cease, except for 10220
purposes of any necessary additional winding up. 10221

(F) Once the order is made declaring the bank dissolved, 10222
the receiver shall promptly file a copy of the order, certified 10223
by the clerk of the court, with both the secretary of state and 10224
the superintendent. 10225

Sec. 1125.30. Subject to the approval of the court, the 10226
receiver may destroy the records of the state bank in accordance 10227
with section 1109.69 of the Revised Code after the receiver 10228
determines there is no further need for them. However, the 10229
receiver shall not destroy the records earlier than six months 10230
after the date the bank is declared dissolved by the court. 10231

Sec. 1125.33. (A) No damages may be awarded in a 10232
proceeding brought pursuant to this chapter challenging any 10233
action by the superintendent of financial institutions, special 10234
deputy superintendent, receiver, or conservator, or any employee 10235
of any of them, or any person retained for services under this 10236
chapter. Any action for damages shall be brought in the court as 10237
a separate action. 10238

(B) The superintendent, special deputy superintendent, 10239
receiver, conservator, or any employee of any of them, or any 10240
person retained for services under this chapter, is not subject 10241
to any civil liability or penalty, or to any criminal 10242
prosecution, for any error in judgment or discretion made in 10243

(c) In considering whether subsidized housing is a public nuisance, the judge shall construe the standards set forth in

division (A) (2) (b) of this section in a manner consistent with 12305
department of housing and urban development and judicial 12306
interpretations of those standards. The judge shall deem that 12307
the property is not a public nuisance if during the twelve 12308
months prior to the service of the notice that division (B) (1) 12309
(b) of this section requires, the department of housing and 12310

division (B) (1) of this section finds at the hearing required by 12320
division (B) (2) of this section that the building involved is a 12321
public nuisance, if the judge additionally determines that the 12322
owner of the building previously has not been afforded a 12323
reasonable opportunity to abate the public nuisance or has been 12324
afforded such an opportunity and has not refused or failed to 12325
abate the public nuisance, and if the complaint of the municipal 12326
corporation, township, neighbor, tenant, or nonprofit 12327
corporation commencing the action requested the issuance of an 12328
injunction as described in this division, then the judge may 12329
issue an injunction requiring the owner of the building to abate 12330
the public nuisance or issue any other order that the judge 12331
considers necessary or appropriate to cause the abatement of the 12332
public nuisance. If an injunction is issued pursuant to this 12333
division, the owner of the building involved shall be given no 12334
more than thirty days from the date of the entry of the judge's 12335

(B) (1) of this section finds at the hearing required by division 12339

nuisance, if the judge additionally determines that the owner of 12341
the building previously has been afforded a reasonable 12342
opportunity to abate the public nuisance and has refused or 12343
failed to do so, and if the complaint of the municipal 12344
corporation, township, neighbor, tenant, or nonprofit 12345
corporation commencing the action requested relief as described 12346
in this division, then the judge shall offer any mortgagee, 12347
lienholder, or other interested party associated with the 12348
property on which the building is located, in the order of the 12349
priority of interest in title, the opportunity to undertake the 12350
work and to furnish the materials necessary to abate the public 12351
nuisance. Prior to selecting any interested party, the judge 12352
shall require the interested party to demonstrate the ability to 12353
promptly undertake the work and furnish the materials required, 12354
to provide the judge with a viable financial and construction 12355
plan for the rehabilitation of the building as described in 12356
division (D) of this section, and to post security for the 12357
performance of the work and the furnishing of the materials. 12358

If the judge determines, at the hearing, that no 12359
interested party is willing or able to undertake the work and to 12360
furnish the materials necessary to abate the public nuisance, or 12361
if the judge determines, at any time after the hearing, that any 12362
party who is undertaking corrective work pursuant to this 12363
division cannot or will not proceed, or has not proceeded with 12364
due diligence, the judge may appoint a receiver pursuant to 12365
division (C) (3) of this section to take possession and control 12366

of the building. 12367

(3) (a) The judge in a civil action described in division 12368
(B) (1) of this section shall not appoint any person as a 12369
receiver unless the person first has provided the judge with a 12370
viable financial and construction plan for the rehabilitation of 12371
the building involved as described in division (D) of this 12372
section and has demonstrated the capacity and expertise to 12373
perform the required work and to furnish the required materials 12374
in a satisfactory manner. An appointed receiver may be a 12375
financial institution that possesses an interest of record in 12376
the building or the property on which it is located, a nonprofit 12377
corporation as described in divisions (B) (1) and (C) (3) (b) of 12378
this section, including, but not limited to, a nonprofit 12379
corporation that commenced the action described in division (B) 12380
(1) of this section, or any other qualified property manager. 12381

(b) To be eligible for appointment as a receiver, no part 12382
of the net earnings of a nonprofit corporation shall inure to 12383
the benefit of any private shareholder or individual. Membership 12384
on the board of trustees of a nonprofit corporation appointed as 12385
a receiver does not constitute the holding of a public office or 12386
employment within the meaning of sections 731.02 and 731.12 or 12387
any other section of the Revised Code and does not constitute a 12388
direct or indirect interest in a contract or expenditure of 12389
money by any municipal corporation. A member of a board of 12390
trustees of a nonprofit corporation appointed as a receiver 12391
shall not be disqualified from holding any public office or 12392
employment, and shall not forfeit any public office or 12393
employment, by reason of membership on the board of trustees, 12394
notwithstanding any law to the contrary. 12395

(D) Prior to ordering any work to be undertaken, or the 12396

furnishing of any materials, to abate a public nuisance under 12397
this section, the judge in a civil action described in division 12398
(B) (1) of this section shall review the submitted financial and 12399
construction plan for the rehabilitation of the building 12400
involved and, if it specifies all of the following, shall 12401
approve that plan: 12402

(1) The estimated cost of the labor, materials, and any 12403
other development costs that are required to abate the public 12404
nuisance; 12405

(2) The estimated income and expenses of the building and 12406
the property on which it is located after the furnishing of the 12407
materials and the completion of the repairs and improvements; 12408

(3) The terms, conditions, and availability of any 12409
financing that is necessary to perform the work and to furnish 12410
the materials; 12411

(4) If repair and rehabilitation of the building are found 12412
not to be feasible, the cost of demolition of the building or of 12413
the portions of the building that constitute the public 12414
nuisance. 12415

(E) Upon the written request of any of the interested 12416
parties to have a building, or portions of a building, that 12417
constitute a public nuisance demolished because repair and 12418
rehabilitation of the building are found not to be feasible, the 12419
judge may order the demolition. However, the demolition shall 12420
not be ordered unless the requesting interested parties have 12421
paid the costs of demolition and, if any, of the receivership, 12422
and, if any, all notes, certificates, mortgages, and fees of the 12423
receivership. 12424

(F) Before proceeding with the duties of receiver, any 12425

receiver appointed by the judge in a civil action described in 12426
division (B) (1) of this section may be required by the judge to 12427
post a bond in an amount fixed by the judge, but not exceeding 12428
the value of the building involved as determined by the judge. 12429

The judge may empower the receiver to do any or all of the 12430
following: 12431

(1) Take possession and control of the building and the 12432
property on which it is located, operate and manage the building 12433
and the property, establish and collect rents and income, lease 12434
and rent the building and the property, and evict tenants; 12435

(2) Pay all expenses of operating and conserving the 12436
building and the property, including, but not limited to, the 12437
cost of electricity, gas, water, sewerage, heating fuel, repairs 12438
and supplies, custodian services, taxes and assessments, and 12439
insurance premiums, and hire and pay reasonable compensation to 12440
a managing agent; 12441

(3) Pay pre-receivership mortgages or installments of them 12442
and other liens; 12443

(4) Perform or enter into contracts for the performance of 12444
all work and the furnishing of materials necessary to abate, and 12445
obtain financing for the abatement of, the public nuisance; 12446

(5) Pursuant to court order, remove and dispose of any 12447
personal property abandoned, stored, or otherwise located in or 12448
on the building and the property that creates a dangerous or 12449
unsafe condition or that constitutes a violation of any local 12450
building, housing, air pollution, sanitation, health, fire, 12451
zoning, or safety code, ordinance, or regulation; 12452

(6) Obtain mortgage insurance for any receiver's mortgage 12453
from any agency of the federal government; 12454

(7) Enter into any agreement and do those things necessary 12455
to maintain and preserve the building and the property and 12456
comply with all local building, housing, air pollution, 12457
sanitation, health, fire, zoning, or safety codes, ordinances, 12458
resolutions, and regulations; 12459

(8) Give the custody of the building and the property, and 12460
the opportunity to abate the nuisance and operate the property, 12461
to its owner or any mortgagee or lienholder of record; 12462

(9) Issue notes and secure them by a mortgage bearing 12463
interest, and upon terms and conditions, that the judge 12464
approves. When sold or transferred by the receiver in return for 12465
valuable consideration in money, material, labor, or services, 12466
the notes or certificates shall be freely transferable. Any 12467
mortgages granted by the receiver shall be superior to any 12468
claims of the receiver. Priority among the receiver's mortgages 12469
shall be determined by the order in which they are recorded. 12470

(G) A receiver appointed pursuant to this section is not 12471
personally liable except for misfeasance, malfeasance, or 12472
nonfeasance in the performance of the functions of the office of 12473
receiver. 12474

(H) (1) The judge in a civil action described in division 12475
(B) (1) of this section may assess as court costs, the expenses 12476
described in division (F) (2) of this section, and may approve 12477
receiver's fees to the extent that they are not covered by the 12478
income from the property. Subject to that limitation, a receiver 12479
appointed pursuant to divisions (C) (2) and (3) of this section 12480
is entitled to receive fees in the same manner and to the same 12481
extent as receivers appointed in actions to foreclose mortgages. 12482

(2) (a) Pursuant to the police powers vested in the state, 12483

all expenditures of a mortgagee, lienholder, or other interested party that has been selected pursuant to division (C) (2) of this section to undertake the work and to furnish the materials necessary to abate a public nuisance, and any expenditures in connection with the foreclosure of the lien created by this division, is a first lien upon the building involved and the property on which it is located and is superior to all prior and subsequent liens or other encumbrances associated with the building or the property, including, but not limited to, those for taxes and assessments, upon the occurrence of both of the following:

(i) The prior approval of the expenditures by, and the entry of a judgment to that effect by, the judge in the civil action described in division (B) (1) of this section;

(ii) The recordation of a certified copy of the judgment entry and a sufficient description of the property on which the building is located with the county recorder in the county in which the property is located within sixty days after the date of the entry of the judgment.

(b) Pursuant to the police powers vested in the state, all expenses and other amounts paid in accordance with division (F) of this section by a receiver appointed pursuant to divisions (C) (2) and (3) of this section, the amounts of any notes issued by the receiver in accordance with division (F) of this section, all mortgages granted by the receiver in accordance with that division, the fees of the receiver approved pursuant to division (H) (1) of this section, and any amounts expended in connection with the foreclosure of a mortgage granted by the receiver in accordance with division (F) of this section or with the foreclosure of the lien created by this division, are a first

lien upon the building involved and the property on which it is 12514
located and are superior to all prior and subsequent liens or 12515
other encumbrances associated with the building or the property, 12516
including, but not limited to, those for taxes and assessments, 12517
upon the occurrence of both of the following: 12518

(i) The approval of the expenses, amounts, or fees by, and 12519
the entry of a judgment to that effect by, the judge in the 12520
civil action described in division (B) (1) of this section; or 12521
the approval of the mortgages in accordance with division (F) (9) 12522
of this section by, and the entry of a judgment to that effect 12523
by, that judge; 12524

(ii) The recordation of a certified copy of the judgment 12525
entry and a sufficient description of the property on which the 12526
building is located, or, in the case of a mortgage, the 12527
recordation of the mortgage, a certified copy of the judgment 12528
entry, and such a description, with the county recorder of the 12529
county in which the property is located within sixty days after 12530
the date of the entry of the judgment. 12531

(c) Priority among the liens described in divisions (H) (2) 12532
(a) and (b) of this section shall be determined as described in 12533
division (I) of this section. Additionally, the creation 12534
pursuant to this section of a mortgage lien that is prior to or 12535
superior to any mortgage of record at the time the mortgage lien 12536
is so created, does not disqualify the mortgage of record as a 12537
legal investment under Chapter 1107. or ~~1151.~~ or any other 12538
chapter of the Revised Code. 12539

(I) (1) If a receiver appointed pursuant to divisions (C) 12540
(2) and (3) of this section files with the judge in the civil 12541
action described in division (B) (1) of this section a report 12542
indicating that the public nuisance has been abated, if the 12543

judge confirms that the receiver has abated the public nuisance, 12544
and if the receiver or any interested party requests the judge 12545
to enter an order directing the receiver to sell the building 12546
and the property on which it is located, the judge may enter 12547
that order after holding a hearing as described in division (I) 12548
(2) of this section and otherwise complying with that division. 12549

(2) (a) The receiver or interested party requesting an 12550
order as described in division (I) (1) of this section shall 12551
cause a notice of the date and time of a hearing on the request 12552
to be served on the owner of the building involved and all other 12553
interested parties in accordance with division (B) (2) (a) of this 12554
section. The judge in the civil action described in division (B) 12555
(1) of this section shall conduct the scheduled hearing. At the 12556
hearing, if the owner or any interested party objects to the 12557
sale of the building and the property, the burden of proof shall 12558
be upon the objecting person to establish, by a preponderance of 12559
the evidence, that the benefits of not selling the building and 12560
the property outweigh the benefits of selling them. If the judge 12561
determines that there is no objecting person, or if the judge 12562
determines that there is one or more objecting persons but no 12563
objecting person has sustained the burden of proof specified in 12564
this division, the judge may enter an order directing the 12565
receiver to offer the building and the property for sale upon 12566
terms and conditions that the judge shall specify. 12567

(b) In any sale of subsidized housing that is ordered 12568
pursuant to this section, the judge shall specify that the 12569
subsidized housing not be conveyed unless that conveyance 12570
complies with applicable federal law and applicable program 12571
contracts for that housing. Any such conveyance shall be subject 12572
to the condition that the purchaser enter into a contract with 12573
the department of housing and urban development or the rural 12574

housing service of the federal department of agriculture under 12575
which the property continues to be subsidized housing and the 12576
owner continues to operate that property as subsidized housing 12577
unless the secretary of housing and urban development or the 12578
administrator of the rural housing service terminates that 12579
property's contract prior to or upon the conveyance of the 12580
property. 12581

(3) If a sale of a building and the property on which it 12582
is located is ordered pursuant to divisions (I) (1) and (2) of 12583
this section and if the sale occurs in accordance with the terms 12584
and conditions specified by the judge in the judge's order of 12585
sale, then the receiver shall distribute the proceeds of the 12586
sale and the balance of any funds that the receiver may possess, 12587
after the payment of the costs of the sale, in the following 12588
order of priority and in the described manner: 12589

(a) First, in satisfaction of any notes issued by the 12590
receiver pursuant to division (F) of this section, in their 12591
order of priority; 12592

(b) Second, any unreimbursed expenses and other amounts 12593
paid in accordance with division (F) of this section by the 12594
receiver, and the fees of the receiver approved pursuant to 12595
division (H) (1) of this section; 12596

(c) Third, all expenditures of a mortgagee, lienholder, or 12597
other interested party that has been selected pursuant to 12598
division (C) (2) of this section to undertake the work and to 12599
furnish the materials necessary to abate a public nuisance, 12600
provided that the expenditures were approved as described in 12601
division (H) (2) (a) of this section and provided that, if any 12602
such interested party subsequently became the receiver, its 12603
expenditures shall be paid prior to the expenditures of any of 12604

the other interested parties so selected; 12605

(d) Fourth, the amount due for delinquent taxes, 12606
assessments, charges, penalties, and interest owed to this state 12607
or a political subdivision of this state, provided that, if the 12608
amount available for distribution pursuant to division (I) (3) (d) 12609
of this section is insufficient to pay the entire amount of 12610
those taxes, assessments, charges, penalties, and interest, the 12611
proceeds and remaining funds shall be paid to each claimant in 12612
proportion to the amount of those taxes, assessments, charges, 12613
penalties, and interest that each is due. 12614

(e) The amount of any pre-receivership mortgages, liens, 12615
or other encumbrances, in their order of priority. 12616

(4) Following a distribution in accordance with division 12617
(I) (3) of this section, the receiver shall request the judge in 12618
the civil action described in division (B) (1) of this section to 12619
enter an order terminating the receivership. If the judge 12620
determines that the sale of the building and the property on 12621
which it is located occurred in accordance with the terms and 12622
conditions specified by the judge in the judge's order of sale 12623
under division (I) (2) of this section and that the receiver 12624
distributed the proceeds of the sale and the balance of any 12625
funds that the receiver possessed, after the payment of the 12626
costs of the sale, in accordance with division (I) (3) of this 12627
section, and if the judge approves any final accounting required 12628
of the receiver, the judge may terminate the receivership. 12629

(J) (1) A receiver appointed pursuant to divisions (C) (2) 12630
and (3) of this section may be discharged at any time in the 12631
discretion of the judge in the civil action described in 12632
division (B) (1) of this section. The receiver shall be 12633
discharged by the judge as provided in division (I) (4) of this 12634

section, or when all of the following have occurred: 12635

(a) The public nuisance has been abated; 12636

(b) All costs, expenses, and approved fees of the 12637
receivership have been paid; 12638

(c) Either all receiver's notes issued and mortgages 12639
granted pursuant to this section have been paid, or all the 12640
holders of the notes and mortgages request that the receiver be 12641
discharged. 12642

(2) If a judge in a civil action described in division (B) 12643
(1) of this section determines that, and enters of record a 12644
declaration that, a public nuisance has been abated by a 12645
receiver, and if, within three days after the entry of the 12646
declaration, all costs, expenses, and approved fees of the 12647
receivership have not been paid in full, then, in addition to 12648
the circumstances specified in division (I) of this section for 12649
the entry of such an order, the judge may enter an order 12650
directing the receiver to sell the building involved and the 12651
property on which it is located. Any such order shall be 12652
entered, and the sale shall occur, only in compliance with 12653
division (I) of this section. 12654

(K) The title in any building, and in the property on 12655
which it is located, that is sold at a sale ordered under 12656
division (I) or (J) (2) of this section shall be incontestable in 12657
the purchaser and shall be free and clear of all liens for 12658
delinquent taxes, assessments, charges, penalties, and interest 12659
owed to this state or any political subdivision of this state, 12660
that could not be satisfied from the proceeds of the sale and 12661
the remaining funds in the receiver's possession pursuant to the 12662
distribution under division (I) (3) of this section. All other 12663

liens and encumbrances with respect to the building and the 12664
property shall survive the sale, including, but not limited to, 12665
a federal tax lien notice properly filed in accordance with 12666
section 317.09 of the Revised Code prior to the time of the 12667
sale, and the easements and covenants of record running with the 12668
property that were created prior to the time of the sale. 12669

(L) (1) Nothing in this section shall be construed as a 12670
limitation upon the powers granted to a court of common pleas, a 12671
municipal court or a housing or environmental division of a 12672
municipal court under Chapter 1901. of the Revised Code, or a 12673
county court under Chapter 1907. of the Revised Code. 12674

(2) The monetary and other limitations specified in 12675
Chapters 1901. and 1907. of the Revised Code upon the 12676
jurisdiction of municipal and county courts, and of housing or 12677
environmental divisions of municipal courts, in civil actions do 12678
not operate as limitations upon any of the following: 12679

(a) Expenditures of a mortgagee, lienholder, or other 12680
interested party that has been selected pursuant to division (C) 12681
(2) of this section to undertake the work and to furnish the 12682
materials necessary to abate a public nuisance; 12683

(F) of this section; 12685

(c) Any mortgage granted by a receiver in accordance with 12686
division (F) of this section; 12687

(d) Expenditures in connection with the foreclosure of a 12688
mortgage granted by a receiver in accordance with division (F) 12689
of this section; 12690

(e) The enforcement of an order of a judge entered 12691
pursuant to this section; 12692

(f) The actions that may be taken pursuant to this section 12693
by a receiver or a mortgagee, lienholder, or other interested 12694
party that has been selected pursuant to division (C) (2) of this 12695
section to undertake the work and to furnish the materials 12696
necessary to abate a public nuisance. 12697

(3) A judge in a civil action described in division (B) (1) 12698
of this section, or the judge's successor in office, has 12699
continuing jurisdiction to review the condition of any building 12700
that was determined to be a public nuisance pursuant to this 12701
section. 12702

(4) Nothing in this section shall be construed to limit or 12703
prohibit a municipal corporation or township that has filed with 12704
the superintendent of insurance a certified copy of an adopted 12705
resolution, ordinance, or regulation authorizing the procedures 12706
described in divisions (C) and (D) of section 3929.86 of the 12707
