6 SECTION 17. AMENDATORY Section 2, Chapter 175, O.S.L.
7 2014 (63 O.S. Supp. 2014, Section 1-746.2), is amended to read as
8 follows:

9 Section 1-746.2 No abortion shall be performed or induced or
10 attempted to be performed or induced without the voluntary and

19 is to perform the abortion or the physician's agent:

- 20 a. that perinatal hospice services are available,
21 b. this service is an alternative to abortion,
22 c. that she has the right to review the printed materials
23 described in this section,

24

1 d. that these materials are available on a state-
2 sponsored website, and

3 e. what the website address is where she can access this
4 information.

5 The information required by this paragraph may be provided by a tape
6 recording if provision is made to record or otherwise register
7 specifically whether the female does or does not choose to have the
8 printed materials given or mailed to her;

9 2. The physician or the physician's agent shall orally inform
10 the female that the materials have been provided by the State of
11 Oklahoma and that they list the places which offer perinatal hospice
12 services both in her state and nationally. If the female chooses to

17 addressee, which means the postal employee can only deliver the mail
18 to the addressee;

19 3. The female certifies in writing, prior to the abortion, that
20 the information described in paragraphs 1 and 2 of this section has
21 been furnished her, and that she has been informed of her
22 opportunity to review the information referred to in paragraph 2 of
23 this section; and

1 4. Prior to the performance of the abortion, the physician who
2 is to perform the abortion or the physician's agent receives a copy
3 of the written certification prescribed by paragraph 3 of this
4 section. This certification shall be maintained in the female
5 patient's file for not less than five (5) years.

6 SECTION 18. AMENDATORY Section 6, Chapter 175, O.S.L.
7 2014 (63 O.S. Supp. 2014, Section 1-746.6), is amended to read as
8 follows:

9 Section 1-746.6 A. Within ninety (90) days after this act is
10 enacted, the State Board of Medical Licensure and Supervision shall
11 prepare a reporting form for physicians containing a reprint of this
12 act and listing:

13 1. The number of females to whom the physician or an agent of
14 the physician provided the information described in paragraph 1 of
15 Section 2 of this act; of that number, the number provided by
16 telephone and the number provided in person; of each of those
17 numbers, the number provided in the capacity of a referring
18 physician and the number provided in the capacity of a physician who
19 is to perform the abortion; and of each of those numbers, the number
20 provided by the physician and the number provided by an agent of the
21 physician;

22 2. The number of females who availed themselves of the
23 opportunity to obtain a copy of the printed information described in
24 Section 3 of this act other than on the website, and the number who

1 did not; and of each of those numbers, the number who, to the best
2 of the reporting physician's information and belief, went on to
3 obtain the abortion; and

4 3. The number of abortions performed by the physician in which
5 information otherwise required to be provided at least ~~twenty-four~~
6 ~~(24)~~ seventy-two (72) hours before the abortion was not so provided
7 because an immediate abortion was necessary to avert the female's
8 death, and the number of abortions in which such information was not
9 so provided because a delay would create serious risk of substantial
10 and irreversible impairment of a major bodily function.

11 B. The Board shall ensure that copies of the reporting forms
12 described in subsection A of this section are provided:

13 1. Within one hundred twenty (120) days after this act is
14 enacted, to all physicians licensed to practice in this state;

15 2. To each physician who subsequently becomes newly licensed to
16 practice in this state, at the same time as official notification to
17 that physician that the physician is so licensed; and

18 3. By December 1 of each year, other than the calendar year in
19 which forms are distributed in accordance with paragraph 1 of this
20 subsection, to all physicians licensed to practice in this state.

21 C. By February 28 of each year following a calendar year in any
22 part of which this act was in effect, each physician who provided,
23 or whose agent provided, information to one or more females in
24 accordance with Section 2 of this act during the previous calendar

1 year shall submit to the Board a copy of the form described in
2 subsection A of this section, with the requested data entered

8 overdue. Any physician required to report in accordance with this
9 section who has not submitted a report, or has submitted only an
10 incomplete report, more than one (1) year following the due date,
11 may, in an action brought by the Board, be directed by a court of
12 competent jurisdiction to submit a complete report within a period
13 stated by court order or be subject to sanctions for civil contempt.

14 E. By June 30 of each year the State Board of Medical Licensure
15 and Supervision shall issue a public report providing statistics for
16 the previous calendar year compiled from all of the reports covering
17 that year submitted in accordance with this section for each of the
18 items listed in subsection A of this section. Each such report
19 shall also provide the statistics for all previous calendar years,
20 adjusted to reflect any additional information from late or
21 corrected reports. The Board shall take care to ensure that none of
22 the information included in the public reports could reasonably lead
23 to the identification of any individual provided information in
24 accordance with paragraph 1 of Section 2 of this act.

1 F. The Board may by rule alter the dates established by
2 paragraph 3 of subsection B or subsection C or E of this section or
3 consolidate the forms or reports described in this section with
4 other forms or reports to achieve administrative convenience or
5 fiscal savings or to reduce the burden of reporting requirements, so
6 long as reporting forms are sent to all licensed physicians in the
7 state at least once every year and the report described in
8 subsection E of this section is issued at least once every year.
