24

1 The procedures, protections and orders for alleging and
2 determining whether a person is an assisted outpatient, including
3 petition, rights, notice, prehearing detention, mental health
4 evaluation and hearings, shall be the same as those for a person
5 requiring treatment provided in Section 5-410 et seq. of Title 43A
6 of the Oklahoma Statutes. Assisted outpatient programs shall be
7 ordered as provided in Section 5-416 of Title 43A of the Oklahoma
8 Statutes.

9 SECTION 7. AMENDATORY 43A O.S. 2011, Section 5-416, is
10 amended to read as follows:

11 Section 5-416. A. The court, in considering a commitment
12 petition filed under Section 5-410 ~~or Section 9-102~~ of this title,
13 shall not order hospitalization without a thorough consideration of
14 available treatment alternatives to hospitalization, or without
15 addressing the competency of the consumer to consent to or refuse
16 the treatment that is ordered including, but not limited to, the
17 rights of the consumer:

- 18 1. To be heard concerning the treatment of the consumer; and
- 19 2. To refuse medications.

20 B. 1. If the court, in considering a commitment petition filed
21 under Section 5-410 ~~or Section 9-102~~ of this title, finds that a
22 program other than hospitalization, including an assisted outpatient
23 treatment program, is adequate to meet the treatment needs of the
24 individual and is sufficient to prevent injury to the individual or

1 to others, the court may order the individual to receive whatever
2 treatment other than hospitalization is appropriate for a period set
3 by the court. During this time the court:

- 4 a. shall have continuing jurisdiction over the individual
5 as a person requiring treatment or an assisted
6 outpatient, and
- 7 b. shall periodically, no less often than annually,
8 review the treatment needs of the individual and
9 determine whether or not to continue, discontinue, or
10 modify the treatment.

11 2. If at any time it comes to the attention of the court from a
12 person competent to file or request the filing of a petition,
13 pursuant to subsection A of Section 5-410 of this title, that the
14 individual ordered to undergo a program of alternative treatment to
15 hospitalization is not complying with the order or that the
16 alternative treatment program has not been sufficient to prevent
17 harm or injury which the individual may be inflicting upon himself
18 or others, the court may order the person to show cause why the
19 court should not:

- 20 a. implement other alternatives to hospitalization,
21 modify or rescind the original order or direct the
22 individual to undergo another program of alternative
23 treatment, if necessary and appropriate, based on
24 written findings of the court, or

1 b. enter an order of admission pursuant to the provisions
2 of this title, directing that the person be committed
3 to inpatient treatment and, if the individual refuses
4 to comply with this order of inpatient treatment, the
5 court may direct a peace officer to take the
6 individual into protective custody and transport the
7 person to a public or private facility designated by
8 the court.

9 3. The court shall give notice to the person ordered to show
10 cause and hold the hearing within seventy-two (72) hours of the
11 notice. The person ordered to undergo a program of alternative
12 treatment shall not be detained in emergency detention pending the
13 show cause hearing unless, prior to the emergency detention, the
14 person has undergone an initial examination and a determination is
15 made that emergency detention is warranted.

16 4. If an order of alternative treatment will expire without
17 further review by the court and it is believed that the individual
18 continues to require treatment, a person competent to file or
19 request the filing of a petition, pursuant to subsection A of
20 Section 5-410 of this title, may file or request the district
21 attorney file either an application for an extension of the court's
22 previous order or an entirely new petition for a determination that
23 the individual is a person requiring treatment or an assisted
24 outpatient.

1 5. A hearing on the application or petition filed pursuant to
2 paragraph 4 of this subsection shall be held within ten (10) days
3 after the application or petition is filed, unless the court extends
4 the time for good cause. In setting the matter for hearing, the
5 court shall consider whether or not the prior orders of the court
6 will expire during the pendency of the hearing and shall make
7 appropriate orders to protect the interests of the individual who is
8 the subject of the hearing.

9 C. Prior to ordering the inpatient treatment of an individual,
10 the court shall inquire into the adequacy of treatment to be
11 provided to the individual by the facility, and inpatient treatment
12 shall not be ordered unless the facility in which the individual is
13 to be treated can provide such person with treatment which is
14 adequate and appropriate to such person's condition.

15 D. Nothing in this section shall prohibit the Department of
16 Mental Health and Substance Abuse Services or the facility or
17 program providing the alternative treatment from discharging a
18 person admitted pursuant to this section, at a time prior to the
19 expiration of the period of alternative treatment, or any extension
20 thereof. The facility or program providing the alternative
21 treatment shall file a report with the court outlining the
22 disposition of each person admitted pursuant to this section within
23 forty-eight (48) hours after discharge.

24

1 E. Notice of any proceedings pursuant to this section shall be
2 given to the person, the person's guardian, the person's attorney,
3 and the person filing the petition or application.

4 F. If the petition alleges the person to be an assisted
5 outpatient as provided in Section 6 of this act, the court shall not
6 order assisted outpatient treatment unless a licensed mental health
7 professional, in consultation with an assisted outpatient treatment
8 program, develops and provides to the court a proposed written
9 treatment plan. All service providers included in the treatment
10 plan shall be notified regarding their inclusion in the written
11 treatment plan. Where deemed advisable, the court may make a
12 finding that a person is an assisted outpatient and delay the
13 treatment order until such time as the treatment plan is provided to
14 the court. Such plan shall be provided to the court no later than
15 the date set by the court pursuant to subsection J of this section.

16 G. The licensed mental health professional who develops the
17 written treatment plan shall provide the following persons with an
18 opportunity to actively participate in the development of such plan:

19 1. The assisted outpatient;

20 2. The treating physician, if any;

21 3. The treatment advocate as defined in Section 1-109.1 of this
22 title, if any; and

23 4. An individual significant to the assisted outpatient,
24 including any relative, close friend or individual otherwise

1 concerned with the welfare of the assisted outpatient, upon the
2 request of the assisted outpatient.

3 H. The licensed mental health professional shall make a
4 reasonable effort to gather relevant information for the development
5 of the treatment plan from a member of the assisted outpatient's
6 family or significant other. If the assisted outpatient has
7 executed an advance directive for mental health treatment, the
8 physician shall consider any directions included in such advance
9 directive for mental health treatment in developing the written
10 treatment plan.

11 I. The court shall not order assisted outpatient treatment
12 unless a licensed mental health professional testifies to explain
13 the proposed written treatment plan; provided the parties may
14 stipulate upon mutual consent that such licensed mental health
15 professional need not testify. Such licensed mental health
16 professional shall state facts which establish that such treatment
17 is the least restrictive alternative. If the assisted outpatient
18 has executed an advance directive for mental health treatment, the
19 licensed mental health professional shall state the consideration
20 given to any directions included in such advance directive for
21 mental health treatment in developing the written treatment plan.
22 Such testimony shall be given on the date set by the court pursuant
23 to subsection J of this section.

1 J. If the court has yet to be provided with a written treatment
2 plan at the time of the hearing in which the court finds a person to
3 be an assisted outpatient, the court shall order such treatment plan
4 and testimony no later than the third day, excluding Saturdays,
5 Sundays and holidays, immediately following the date of such hearing
6 and order; provided the parties may stipulate upon mutual consent
7 that such testimony need not be provided. Upon receiving such plan
8 and any required testimony, the court may order assisted outpatient
9 treatment as provided in this section.

10 K. A court may order the patient to self-administer
11 psychotropic drugs or accept the administration of such drugs by
12 authorized personnel as part of an assisted outpatient treatment
13 program. Such order may specify the type and dosage range of such
14 psychotropic drugs and such order shall be effective for the
15 duration of such assisted outpatient treatment.

16 L. A copy of any court order for assisted outpatient treatment
17 shall be served personally, or by mail, facsimile or electronic
18 means, upon the assisted outpatient, the assisted outpatient
19 treatment program and all others entitled to notice under the
20 provisions of subsection D of Section 5-412 of this title.

21 M. The initial order for assisted outpatient treatment shall be
22 for a period of one (1) year. Within thirty (30) days prior to the
23 expiration of the order, any person listed in Section 5-410 of this
24 title as a person who may file a petition may petition to extend the

1 order of outpatient treatment. Notice shall be given in accordance
2 with Section 5-412 of this title. The court shall hear the
3 petition, review the treatment plan and determine if the assisted
4 outpatient continues to meet the criteria for assisted outpatient
5 treatment and such treatment is the least restrictive alternative.
6 If the court finds the assisted outpatient treatment should continue
7 it will make such an order extending the assisted treatment an
8 additional year and order the treatment plan updated as necessary.
9 Subsequent extensions of the order may be obtained in the same

13 such disposition.

14 N. In addition to any other right or remedy available by law
15 with respect to the order for assisted outpatient treatment, the
16 assisted outpatient or anyone acting on the assisted outpatient's
17 behalf may petition the court on notice to the assisted outpatient
18 treatment program, the original petitioner and all others entitled
19 to notice under Section 5-412 of this title to stay, vacate or
20 modify the order.

21 O. The assisted outpatient treatment program shall petition the
22 court for approval before instituting a proposed material change in
23 the assisted outpatient treatment plan, unless such change is
24 authorized by the order of the court. Such petition shall be filed

2 this title. Not later than five (5) days after receiving such
3 petition, excluding Saturdays, Sundays and holidays, the court shall

5 outpatient informs the court that he or she agrees to the proposed
6 material change, the court may approve such change without a
7 hearing. Nonmaterial changes may be instituted by the assisted

3 Failure or refusal to comply with assisted outpatient treatment
4 shall include, but not be limited to, a substantial failure to take
5 medication, to submit to blood testing or urinalysis where such is
6 part of the treatment plan, failure of such tests or failure to
7 receive treatment for alcohol or substance abuse if such is part of
8 the treatment plan.

9 Q. Failure to comply with an order of assisted outpatient
10 treatment shall not be grounds for involuntary civil commitment or a
11 finding of contempt of court.

12 R. The Board of Mental Health and Substance Abuse Services
13 shall promulgate rules and standards for certification of facilities
14 or organizations that desire to be certified as an assisted
