4 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

5 SECTION 1. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 2902.5 of Title 68, unless there  
7 is created a duplication in numbering, reads as follows:

8 A. For all qualifying manufacturing concerns that become  
9 eligible for the exemption authorized by Section 6B of Article X of  
10 the Oklahoma Constitution and pursuant to Section 2902 of Title 68  
11 of the Oklahoma Statutes for the first time on or after January 1,  
12 2016, or the assets of a qualifying manufacturing concern which  
13 become eligible for the exemption for the first time on or after  
14 January 1, 2016, the Oklahoma Tax Commission, the county assessor of  
15 the county or counties in which the real or personal property of the  
16 qualifying manufacturing concern is located (or both such real and  
17 personal property), and the qualifying manufacturing concern shall  
18 mutually agree upon a valuation method for the real and personal  
19 property which is eligible for the exemption, including a method for  
20 depreciation.

21 B. The agreement among the parties described in subsection A of  
22 this section shall be in writing upon such form as the Tax  
23 Commission may prescribe for such purpose or contained in an  
24 agreement as mutually agreed to by the parties. The agreement

1 shall contain a description of the valuation method to be used with  
2 respect to the assets described in the agreement for the period of  
3 time the exemption described in subsection A of this section is in  
4 effect, including any method for the depreciation of such property.  
5 Such agreement shall be binding upon successors in public office and  
6 upon any successor in interest if the entity which owns the assets  
7 is acquired by any other entity pursuant to purchase of its equity  
8 interests.

9 C. The agreement shall be signed by authorized representatives  
10 of the parties or by the parties in their official capacities. The  
11 agreement shall be kept in the records of the Tax Commission for the  
12 period of time the qualifying manufacturing concern is eligible for  
13 the exemption described in subsection A of this section and for such  
14 additional period of time as the Commission shall determine. The  
15 agreement shall also be kept in the records of the applicable county  
16 assessor for the period of time the qualifying manufacturing concern  
17 is eligible for the exemption described in subsection A of this  
18 section and for such additional period of time as the assessor shall  
19 determine.

20 D. If the county assessor, the Tax Commission and the  
21 qualifying manufacturing concern cannot reach a mutual agreement  
22 regarding valuation methods or depreciation methods or any other  
23 matter relevant to the agreement prior to the time the exemption  
24 period begins or not later than the date prescribed by Section 2902

1 of Title 68 of the Oklahoma Statutes for filing an application for  
2 the exempt treatment, the Tax Commission shall have the authority to  
3 select a valuation method, including a method for depreciation,  
4 which is consistent with the provisions of the Ad Valorem Tax Code  
5 regarding determinations of fair cash value and such method shall be  
6 binding on the county assessor and the qualifying manufacturing  
7 concern for the duration of the exemption.

8 E. With respect to the valuation method described in the  
9 agreement or selected by the Tax Commission pursuant to subsection D  
10 of this section, the Tax Commission shall perform the valuation of  
11 the real or personal property or both such real and personal  
12 property using the valuation method described in the agreement,  
13 including the depreciation method, and shall not use any other  
14 method for valuation or depreciation.

15 F. Except as provided by subsection G of this section, after  
16 the expiration of the exemption period, the valuation method as  
17 memorialized in the agreement among the parties or the valuation  
18 method selected by the Tax Commission if the parties were not able  
19 to reach a mutual agreement or a valuation method agreed to by both  
20 the county assessor and the qualifying manufacturing concern shall  
21 continue to be the valuation method used to establish the fair cash  
22 value of the real or personal property or both such real and  
23 personal property for all assessment years after the expiration of  
24 the period of exemption.

1 G. If a county assessor modifies the fair cash value of real or  
2 personal property or both such real and personal property in any  
3 assessment year subsequent to the last year of the exemption period  
4 in an amount which represents a significant increase or decrease  
5 from the fair cash value that would otherwise be determined  
6 according to the method described in the agreement or the method  
7 selected by the Tax Commission if the parties were not able to reach  
8 a mutual agreement, the taxpayer may protest the fair cash value as  
9 determined by the county assessor and the valuation method,  
10 including any depreciation methods, used by the county assessor to  
11 make the determination in the manner authorized by the Ad Valorem  
12 Tax Code.

13 H. In any proceeding involving an issue regarding the method by  
14 which the fair cash value of the relevant assets is being determined  
15 as provided by subsection G of this section, there shall be an  
16 evidentiary presumption, which may only be overcome by clear and  
17 convincing evidence to the contrary, that the fair cash value which  
18 would be determined using the valuation methodology in the agreement  
19 or the valuation methodology as selected by the Tax Commission if  
20 the parties were unable to reach agreement is the correct fair cash  
21 value for the real or personal property or both such real and  
22 personal property.

23 I. The evidentiary presumption described by subsection H of  
24 this section shall govern any proceedings in district court in

1 appeals from final determinations of the county board of  
2 equalization.

3 J. Upon the appeal of a judgment of a district court in cases  
4 arising as a result of modifications to fair cash value of assets by  
5 a county assessor after the expiration of the exemption period, the  
6 findings and conclusions or judgment of the district court shall  
7 only be reversed if the appellate court finds that the evidentiary  
8 presumption described by subsection H of this section was rebutted  
9 by the presentation of relevant and admissible evidence and that the  
10 evidence was clear and convincing.

11 K. The Tax Commission shall have the authority and duty to  
12 prescribe forms and to promulgate rules as may be necessary to carry  
13 out and administer the terms and provisions of this section.

14 SECTION 2. AMENDATORY 68 O.S. 2011, Section 2902, as  
15 last amended by Section 1, Chapter 306, O.S.L. 2012 (68 O.S. Supp.  
16 2014, Section 2902), is amended to read as follows:

17 Section 2902. A. Except as otherwise provided by subsection H  
18 of Section 3658 of this title pursuant to which the exemption  
19 authorized by this section may not be claimed, a qualifying  
20 manufacturing concern, as defined by Section 6B of Article X of the  
21 Oklahoma Constitution, and as further defined herein, shall be  
22 exempt from the levy of any ad valorem taxes upon new, expanded or  
23 acquired manufacturing facilities, including facilities engaged in  
24 research and development, for a period of five (5) years. The

1 provisions of Section 6B of Article X of the Oklahoma Constitution  
2 requiring an existing facility to have been unoccupied for a period  
3 of twelve (12) months prior to acquisition shall be construed as a  
4 qualification for a facility to initially receive an exemption, and  
5 shall not be deemed to be a qualification for that facility to  
6 continue to receive an exemption in each of the four (4) years  
7 following the initial year for which the exemption was granted.  
8 Such facilities are hereby classified for the purposes of taxation  
9 as provided in Section 22 of Article X of the Oklahoma Constitution.

10 B. For purposes of this section, the following definitions  
11 shall apply:

8 state buyer or consumer. Eligibility as a  
9 manufacturing facility pursuant to this subparagraph

11 Oklahoma Tax Commission, by annually filing an  
12 affidavit with the Tax Commission stating that the  
13 facility so qualifies and such other information as  
14 required by the Tax Commission. For purposes of  
15 determining whether annual gross revenues are derived  
16 from sales to out-of-state buyers, all sales to the  
17 federal government shall be considered to be an out-  
18 of-state buyer,

- 19 d. for which the investment cost of the construction,  
20 acquisition or expansion of the manufacturing facility

19 of construction.

20 Eligibility as a manufacturing facility pursuant to this  
21 subparagraph shall be established, subject to review by the Tax  
22 Commission, by annually filing an affidavit with the Tax Commission

18 1. A manufacturing concern shall be entitled to the exemption  
19 herein provided for each new manufacturing facility constructed,  
20 each existing manufacturing facility acquired and the expansion of  
21 existing manufacturing facilities on the same site, as such terms  
22 are defined by Section 6B of Article X of the Oklahoma Constitution  
23 and by this section;

1           2. Except as otherwise provided in paragraph 5 of this  
2 subsection, no manufacturing concern shall receive more than one  
3 five-year exemption for any one manufacturing facility unless the  
4 expansion which qualifies the manufacturing facility for an  
5 additional five-year exemption meets the requirements of paragraph 4  
6 of this subsection and the employment level established for any  
7 previous exemption is maintained;

8           3. Any exemption as to the expansion of an existing  
9 manufacturing facility shall be limited to the increase in ad  
10 valorem taxes directly attributable to the expansion;

11           4. Except as provided in paragraphs 5 and 6 of this subsection,

2 requirement of this subparagraph shall be waived for  
3 claims for exemptions, including claims previously  
4 denied or on appeal on March 3, 2010, for all initial  
5 applications for exemption filed on or after January  
6 1, 2004, and on or before March 31, 2009, and all  
7 subsequent annual exemption applications filed related  
8 to the initial application for exemption, for an  
9 applicant, if the facility has been located in  
10 Oklahoma for at least fifteen (15) years engaged in  
11 marine engine manufacturing as defined under U.S.  
12 Industry Number 333618 of the NAICS Manual, latest  
13 revision, and has maintained an average employment of  
14 five hundred (500) or more full-time-equivalent  
15 employees over a ten-year period. Any applicant that  
16 qualifies for the payroll requirement waiver as  
17 outlined in the previous sentence and subsequently  
18 closes its Oklahoma manufacturing plant prior to  
19 January 1, 2012, may be disqualified for exemption and  
20 subject to recapture. For an applicant engaged in  
21 paperboard manufacturing as defined under U.S.  
22 Industry Number 322130 of the NAICS Manual, latest  
23 revision, union master payouts paid by the buyer of  
24 the facility to specified individuals employed by the

1 facility at the time of purchase, as specified under  
2 the purchase agreement, shall be excluded from payroll  
3 for purposes of this section.

4 The Tax Commission shall verify payroll information  
5 through the Oklahoma Employment Security Commission by  
6 using reports from the Oklahoma Employment Security  
7 Commission for the calendar year immediately preceding  
8 the year for which initial application is made for  
9 base-line payroll, which must be maintained or  
10 increased for each subsequent year; provided, a  
11 manufacturing facility shall have the option of  
12 excluding from its payroll, for purposes of this  
13 section, payments to sole proprietors, members of a  
14 partnership, members of a limited liability company  
15 who own at least ten percent (10%) of the capital of  
16 the limited liability company or stockholder-employees  
17 of a corporation who own at least ten percent (10%) of  
18 the stock in the corporation. A manufacturing  
19 facility electing this option shall indicate such  
20 election upon its application for an exemption under  
21 this section. Any manufacturing facility electing  
22 this option shall submit such information as the Tax  
23 Commission may require in order to verify payroll  
24 information. Payroll information submitted pursuant

1 to the provisions of this paragraph shall be submitted  
2 to the Tax Commission and shall be subject to the  
3 provisions of Section 205 of this title, and

4 b. the facility offers, or will offer within one hundred  
5 eighty (180) days of the date of employment, a basic  
6 health benefits plan to the full-time-equivalent  
7 employees of the facility, which is determined by the  
8 Department of Commerce to consist of the elements  
9 specified in subparagraph b of paragraph 1 of  
10 subsection A of Section 3603 of this title or elements  
11 substantially equivalent thereto.

13 increased payroll shall be measured from the start of initial  
14 construction or expansion to the completion of such construction or  
15 expansion or for three (3) years from the start of initial  
16 construction or expansion, whichever occurs first. The amount of  
17 increased payroll shall include payroll for full-time-equivalent  
18 employees in this state who are employed by an entity other than the  
19 facility which has previously or is currently qualified to receive  
20 an exemption pursuant to the provisions of this section and who are  
21 leased or otherwise provided to the facility, if such employment did  
22 not exist in this state prior to the start of initial construction  
23 or expansion of the facility. The manufacturing concern shall  
24 submit an affidavit to the Tax Commission, signed by an officer,

1 stating that the construction, acquisition or expansion of the  
2 facility will result in a net increase in the annualized payroll as  
3 required by this paragraph and that full-time-equivalent employees  
4 of the facility are or will be offered a basic health benefits plan  
5 as required by this paragraph. If, after the completion of such  
6 construction or expansion or after three (3) years from the start of  
7 initial construction or expansion, whichever occurs first, the  
8 construction, acquisition or expansion has not resulted in a net  
9 increase in the amount of annualized payroll, if required, or any  
10 other qualification specified in this paragraph has not been met,  
11 the manufacturing concern shall pay an amount equal to the amount of  
12 any exemption granted, including penalties and interest thereon, to  
13 the Tax Commission for deposit to the Ad Valorem Reimbursement Fund;

14 5. If a facility fails to meet the payroll requirement of  
15 subparagraph a of paragraph 4 of this subsection, the payroll  
16 requirement shall be waived for claims for exemptions, including  
17 claims previously denied or on appeal on June 1, 2009, for all  
18 initial applications for exemption filed on or after January 1,  
19 2004, and on or before March 31, 2009, and all subsequent annual  
20 exemption applications filed related to such initial application for  
21 exemption, for an applicant, if the facility:

22 a. has been located for at least five (5) years as of  
23 March 31, 2009, in a county in Oklahoma with a  
24 population of six hundred thousand (600,000) or more~~+~~

2                    manufacturing as defined under U.S. Industry Numbers  
3                    323110, 323111, 323121 and 323122 of the NAICS Manual,  
4                    latest revision~~+~~+
- 5           c.    is owned by an applicant that maintains a workforce of  
6                    at least three hundred (300) employees on June 1,  
7                    2009~~+~~+
- 8           d.    is owned by an applicant that has filed multiple  
9                    applications for exemption pursuant to this section~~+~~+  
10                   and
- 11           e.    is owned by an applicant that operates at least one  
12                    facility in this state of at least seven hundred  
13                    thirty thousand (730,000) square feet on June 1, 2009.

14 In the event that any applicant obtaining a waiver of the payroll  
15 requirement pursuant to this paragraph ceases to operate all of its  
16 facilities in this state on or before a date that is four (4) years  
17 after any initial application for an exemption is filed by such  
18 applicant, all sums of property taxes exempted under this paragraph  
19 through a waiver of the payroll requirement that relate to such  
20 application shall become due and payable as if such sums were  
21 assessed in the year in which the applicant ceases to operate all of  
22 its facilities in the state~~+~~;

23           6. Any new, acquired or expanded automotive final assembly  
24 manufacturing facility which does not meet the requirements of

1 paragraph 4 of this subsection shall be granted an exemption only if

3 investment cost of the construction, acquisition or expansion of the  
4 manufacturing facility is Three Hundred Million Dollars  
5 (\$300,000,000.00) or more and the manufacturing facility retains an  
6 average employment of one thousand seven hundred fifty (1,750) or  
7 more full-time-equivalent employees in the year in which the  
8 exemption is initially granted and in each of the four (4)  
9 subsequent years only if an average employment of one thousand seven  
10 hundred fifty (1,750) or more full-time-equivalent employees is  
11 maintained in the subsequent year. Any property installed to  
12 replace property damaged by the tornado or natural disaster that  
13 occurred May 8, 2003, may continue to receive the exemption provided  
14 in this paragraph for the full five-year period based on the value  
15 of the previously qualifying assets as of January 1, 2003. The  
16 exemption shall continue in effect as long as all other  
17 qualifications in this paragraph are met. If the average employment  
18 of one thousand seven hundred fifty (1,750) or more full-time-  
19 equivalent employees is reduced as a result of temporary layoffs  
20 because of a tornado or natural disaster on May 8, 2003, then the  
21 average employment requirement shall be waived for year 2003 of the  
22 exemption period. Calculation of the number of employees shall be  
23 made in the same manner as required under Section 2357.4 of this  
24 title for an investment tax credit. As used in this paragraph,

1 "expand" and "expansion" shall mean and include any increase to the  
2 size or scope of a facility as well as any renovation, restoration,

11 new, acquired, or expanded capital improvements to the facility are  
12 made if:

- 13 a. there is a net increase in annualized payroll of the  
14 applicant at any facility or facilities of the  
15 applicant in this state of at least Two Hundred Fifty  
16 Thousand Dollars (\$250,000.00), which is attributable  
17 to the capital improvements, or a net increase of  
18 Seven Million Dollars (\$7,000,000.00) or more in  
19 capital improvements, while maintaining or increasing  
20 payroll at the facility or facilities in this state  
21 which are included in the application, and  
22 b. the facility offers, or will offer within one hundred  
23 eighty (180) days of the date of employment of new  
24 employees attributable to the capital improvements, a

1 basic health benefits plan to the full-time-equivalent  
2 employees of the facility, which is determined by the  
3 Department of Commerce to consist of the elements  
4 specified in subparagraph b of paragraph 1 of  
5 subsection A of Section 3603 of this title or elements  
6 substantially equivalent thereto; ~~and~~

15 while maintaining or increasing payroll; and

16 9. An entity which has been granted an exemption for a time  
17 period which included calendar year 2009 but which did not meet the  
18 base-line payroll requirements of subparagraph a of paragraph 4 of  
19 this subsection during calendar year 2009, shall be allowed an  
20 exemption, to begin on January 1 of the first calendar year after  
21 January 1, 2012, for the number of years, including calendar year  
22 2009, remaining in the entity's five-year exemption period, provided  
23 such entity attains or increases payroll at or above the base-line

4 the five-year period of exemption from ad valorem taxes for any  
5 qualifying manufacturing facility property shall begin on January 1  
6 following the initial qualifying use of the property in the  
7 manufacturing process.

12 Development Act by a county having a population of at least five  
13 hundred thousand (500,000), according to the most recent Federal  
14 Decennial Census, shall begin on January 1 following the expiration  
15 or termination of the ad valorem exemption, abatement, or other  
16 incentive provided through the tax incentive district.

17 E. Any person, firm or corporation claiming the exemption  
18 herein provided for shall file each year for which exemption is

2 of valuation increase, whichever is later. In a case where  
3 completion of the facility or facilities will occur after January 1  
4 of a given year, a facility may apply to claim the ad valorem tax  
5 exemption for that year. If such facility is found to be qualified

18 to be rendered by the district court.

19 B. Notice of appeal shall be filed with the county clerk as

4 the district court to the Supreme Court, as provided for in the Code  
5 of Civil Procedure, but no matter shall be reviewed on such appeal  
6 which was not presented to the district court. The findings and  
7 conclusions or the judgment of the district court with respect to  
8 determinations of fair cash value of real or personal property or  
9 both such real and personal property of qualifying manufacturing  
10 concerns may only be reversed according to the standard of review as  
11 prescribed by subsection J of Section 1 of this act.

12 D. In such appeals to the district court and to the Supreme  
13 Court and in requests for declaratory judgment it shall be the duty  
14 of the district attorney to appear for and represent the county  
15 assessor. The General Counsel or an attorney for the Tax Commission  
16 may appear in such appeals or requests for declaratory judgment on  
17 behalf of the county assessor, either upon request of the district  
18 attorney for assistance, or upon request of the county assessor. It  
19 shall be the mandatory duty of the board of county commissioners and  
20 the county excise board to provide the necessary funds to enable the  
21 county assessor to pay the costs necessary to be incurred in
