a sponsor decides to terminate a contract, the governing board may,
 <u>if requested by the charter school</u>, proceed to mediation or binding
 arbitration or both as provided for in subsection G of Section 3-134
 of this title.

<u>G. Beginning in the 2016-2017 school year, the State Board of</u>
<u>Education shall establish a list of public schools ranked from top</u>
<u>to bottom, as determined pursuant to Section 1210.545 of this title,</u>
<u>and identify charter schools in the state that are ranked in the</u>
<u>bottom five percent (5%) of all schools.</u>

10 <u>1. At the time of its charter renewal, based on an average of</u>
11 <u>the current year and the two (2) prior operating years, a sponsor</u>
12 <u>may close a public charter school site identified as being among the</u>
13 <u>bottom five percent (5%) of public schools in the state. The</u>
14 <u>average of the current year and two (2) prior operating years shall</u>
15 <u>be calculated by using the percentage ranking for each year divided</u>
16 by three, as determined by this subsection.

17 2. If there is a change to the calculation described in Section
18 1210.545 of this title that results in a charter school site that
19 was not ranked in the bottom five percent (5%) being ranked in the
20 bottom five percent (5%), then the sponsor shall use the higher of
21 the two rankings to calculate the ranking of the public charter
22 school site.
23 3. In the event that a sponsor fails to close a public charter

24 school site consistent with this subsection, the sponsor shall

1	appear before	the State Board of Education to provide support for
2	its decision.	The State Board of Education may, by majority vote,
3	uphold or ove	rturn the sponsor's decision. If the sponsor's
4	decision is o	verturned by the State Board of Education, the State
5	Board of Educ	ation may implement one of the following actions:
6	<u>a.</u>	transfer the sponsorship of the charter school
7		identified in this paragraph to another sponsor,
8	<u>b.</u>	order the closure of the charter school identified in
9		this paragraph at the end of the current school year,
10		or
11	<u>C.</u>	order the reduction of any administrative fee
12		collected by the sponsor that is applicable to the
13		charter school identified in this paragraph. The
14		reduction shall become effective at the beginning of
15		the month following the month of the sponsor's hearing
16		before the State Board of Education.
17	<u>A charter</u>	school that is closed by the State Board of Education
18	pursuant to this paragraph may not be granted a charter by any other	
19	sponsor.	
20	<u>4. The r</u>	equirements of this subsection shall not apply to a
21	public charter school that has been designed by the State Department	
22	of Education	as implementing an alternative education program
23	throughout the public charter school.	
2.4		

1	5. In ma	king a school site closure decision, the State Board of
2	Education sha	ll consider the following:
3	<u>a.</u>	enrollment of students with special challenges such as
4		drug or alcohol addiction, prior withdrawal from
5		school, prior incarceration or other special
6		circumstances,
7	b.	high mobility of the student population resulting from
8		the specific purpose of the charter school,
9	<u>C.</u>	annual improvement in the performance of students
10		enrolled in the charter school compared with the
11		performance of students enrolled in the charter school
12		in the immediately preceding school year, and
13	<u>d.</u>	whether a majority of students attending the charter
14		school under consideration for closure would likely
15		revert to attending public schools with lower academic
16		achievement, as demonstrated pursuant to Section
17		1210.545 of this title.
18	6. If th	e State Board of Education has closed or transferred
19	authorization	of at least twenty-five percent (25%) of the charter
20	schools chart	ered by one sponsor pursuant to paragraph 3 of this
21	subsection, t	he sponsor's authority to authorize new charter schools
22	may be suspended by the State Board of Education until the State	
23	Board of Educ	ation approves the sponsor to authorize new charter

1	sponsor's authority to authorize new charter schools shall identify
2	the deficiencies that, if corrected, will result in the approval of
3	the sponsor to authorize new charter schools.
4	H. If a sponsor terminates a contract or the public charter
5	school is closed, the closure shall be conducted in accordance with
6	the following protocol:
7	1. Within two (2) calendar weeks of a final closure
8	determination, the sponsor shall meet with the governing board and
9	leadership of the public charter school to establish a transition
10	team composed of school staff, applicant staff, and others
11	designated by the applicant that will attend to the closure,
12	including the transfer of students, student records, and school
13	<u>funds;</u>
14	2. The sponsor and transition team shall communicate regularly
15	and effectively with families of students enrolled in the public
16	charter school, as well as with school staff and other stakeholders,
17	to keep them apprised of key information regarding the closure of
18	the school and their options and risks;
19	3. The sponsor and transition team shall ensure that current

2 organizations; and

3 5. The governing board of the public charter school shall 4 continue to meet as necessary to take actions needed to wind down 5 school operations, manage school finances, allocate resources, and 6 facilitate all aspects of closure. I. A sponsor shall develop revocation and nonrenewal processes 7 that are consistent with this act and that: 8 9 1. Provide the public charter school with a timely notification 10 of the prospect of revocation or nonrenewal and of the reasons for 11 such possible closure; 12 2. Allow the public charter school a reasonable amount of time in which to prepare a response; 13 3. Provide the public charter school with an opportunity to 14 submit documents and give testimony in a public hearing challenging 15 16 the rationale for closure and in support of the continuation of the school at an orderly proceeding held for that purpose and prior to 17 taking any final nonrenewal or revocation decision related to the 18 19 school; 4. Allow the public charter school access to representation by 20 counsel to call witnesses on its behalf; 21 5. Permit the recording of the proceedings; and 22 6. 3 SECTION 5. AMENDATORY 70 O.S. 2011, Section 3-140, as 4 last amended by Section 2, Chapter 212, O.S.L. 2013 (70 O.S. Supp. 5 2014, Section 3-140), is amended to read as follows:

6 Section 3-140. A. Except for a charter school sponsored by the State Board of Education, a charter school shall enroll those 7 students whose legal residence is within the boundaries of the 8 9 school district in which the charter school is located and who 10 submit a timely application, or those students who transfer to the 11 district in which the charter school is located in accordance with 12 Section 8-103 or 8-104 of this title, unless the number of applications exceeds the capacity of a program, class, grade level, 13 or building. Students who reside in a school district where a 14 15 charter school is located shall not be required to obtain a transfer in order to attend a charter school in the school district of 16 residence. If capacity is insufficient to enroll all eligible 17 students, the charter school shall select students through a lottery 18 selection process. Except for a charter school sponsored by the 19 State Board of Education, a charter school shall give enrollment 20 preference to eligible students who reside within the boundaries of 21 the school district in which the charter school is located. Except 22 for a charter school sponsored by the State Board of Education, a 23 charter school created after the effective date of this act November 24

1 1, 2010, shall give enrollment preference to eligible students who reside within the boundaries of the school district in which the 2 charter school is located and who attend a school site that has been 3 identified as in need of improvement by the State Board of Education 4 5 pursuant to the Elementary and Secondary Education Act of 1965, as amended or reauthorized. A charter school may limit admission to 6 7 students within a given age group or grade level. A charter school sponsored by the State Board of Education when the applicant of the 8 9 charter school is the Office of Juvenile Affairs shall limit 10 admission to youth that are in the custody or supervision of the Office of Juvenile Affairs. 11

12 B. Except for a charter school sponsored by the State Board of Education, a charter school shall admit students who reside in the 13 attendance area of a school or in a school district that is under a 14 15 court order of desegregation or that is a party to an agreement with the United States Department of Education Office for Civil Rights 16 directed towards mediating alleged or proven racial discrimination 17 unless notice is received from the resident school district that 18 admission of the student would violate the court order or agreement. 19

C. A charter school may designate a specific geographic area within the school district in which the charter school is located as an academic enterprise zone and may limit admissions to students who reside within that area. An academic enterprise zone shall be a geographic area in which sixty percent (60%) or more of the children

who reside in the area qualify for the free or reduced school lunch
 program.

D. Except as provided in subsections B and C of this section, a charter school shall not limit admission based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measures of achievement, aptitude, or athletic ability.

E. A sponsor may not restrict the number of students a public 8 9 charter school may enroll. The capacity of the public charter 10 school shall be determined annually by the governing board of the public charter school based on the public charter school's ability 11 12 to facilitate the academic success of its students, to achieve the other objectives specified in the charter contract, and to ensure 13 that its student enrollment does not exceed the capacity of its 14 15 facility or site.
