 2 same or similar services.

3 (2) Educational services for which a district operating a community college may contract include

 37 comparable students in the state to the community college;

38 (b) The state in which the students reside agrees to permit and permits one-for-one full-time
 39 enrollment exchange arrangements that allow an equal number of Oregon residents to be admitted
 40 to community colleges or comparable institutions in the state at the same tuition rate assessed
 41 against residents of the state and community colleges or comparable institutions in the state in
 42 which the students reside agree to admit and admit approved Oregon residents without assessing
 43 nonresident tuition; or

44 (c) The board of the community college determines out-of-state residents are essential to pro-

1 (2) The [Department of Community Colleges and Workforce Development] **Higher Education Co-**
 2 **ordinating Commission** shall enter into agreements with such other states as are willing to agree
 3 to the provisions of this section to establish reimbursement procedures or one-for-one exchange
 4 procedures.

5 (3) In cases described in subsection (1)(a) of this section, the [Department] **Office** of Community
 6 Colleges and Workforce Development shall pay from funds available therefor to the state that agrees
 7 to pay and does pay its per capita state aid to eligible Oregon community colleges to the credit of
 8 the community college or comparable institution educating the Oregon resident an amount equal to
 9 the amount that would be available under ORS 341.626 if the Oregon resident were enrolled in a

 20 Higher Education Coordinating Commission of the lack of payment. The termination is effective 30
 21 days after the commission notifies the appropriate agency of the other state that the agreement is
 22 terminated if no payment is received by the end of the academic period for which tuition is assessed
 23 and no payment is received at that time. The agreement may be reinstated by mutual consent of the
 24 parties.

25 (5) The Higher Education Coordinating Commission shall adopt rules governing attendance in
 26 community colleges or comparable institutions in other states for purposes of the reimbursement
 27 authorized under subsections (1) and (2) of this section to [assure] **ensure** that Oregon residents

 39 obtaining financial aid.

40 (3) The Higher Education Coordinating Commission may adopt rules necessary for the adminis-

 44 local government.

45 **SECTION 23.** ORS 341.551 is amended to read:

1 341.551. (1) Notwithstanding any provision of ORS chapter 238 or 238A, the [Department] **Office**
2 of Community Colleges and Workforce Development may establish and administer an optional re-

6 (2) An administrative employee may make an election to participate in the optional retirement
7 plan if the community college district that employs the employee is participating in the plan. The
8 election must be made in the following manner:

9 (a) An administrative employee who is an active member of the Public Employees Retirement
10 System may make an election to participate in the plan within 180 days after the community college
11 district commences participation in the plan, effective on the first day of the month following the
12 election.

13 (b) An administrative employee who is hired after the community college district commences
14 participation in the plan may make an election to participate in the plan within the first six months
15 of employment, effective on the first day of the month following six full months of employment.

16 (3) An administrative employee who does not elect to participate in the optional retirement plan
17 remains or becomes a member of the Public Employees Retirement System in accordance with ORS
18 chapters 238 and 238A.

19 (4) An administrative employee may elect to participate in the optional retirement plan only if
20 at the time the election becomes effective the employee is not concurrently employed in a position
21 with any participating public employer other than the community college district in a position that
22 entitles the employee to membership in the Public Employees Retirement System. Except as pro-
23 vided in subsection (9) of this section, employees who elect to participate in the optional retirement
24 plan are ineligible for active membership in the Public Employees Retirement System for as long as
25 those employees are employed by a community college district that participates in the plan, whether
26 by reason of employment by the district or any other participating public employer.

27 (5)(a) An administrative employee who elects to participate in the optional retirement plan, who
28 has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is not vested shall
29 be considered by the Public Employees Retirement Board to be a terminated member under the
30 provisions of ORS 238.095 as of the effective date of the election, and the amount credited to the

32 Public Employees Retirement Board in the manner provided by subsection (6) of this section.

33 (b) An administrative employee who elects to participate in the optional retirement plan, who
34 has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is vested shall
35 be considered to be an inactive member by the Public Employees Retirement Board and shall retain
36 all the rights, privileges and options under ORS chapter 238 unless the employee makes a written
37 request to the Public Employees Retirement Board for a transfer of the amounts credited to the
38 member account of the member to the optional retirement plan. A request for a transfer must be
39 made at the time the member elects to participate in the optional retirement plan. Upon receiving
40 the request, the Public Employees Retirement Board shall transfer all amounts credited to the
41 member account of the member directly to the optional retirement plan and shall terminate all
42 rights, privileges and options of the employee under ORS chapter 238.

43 (c) An administrative employee who elects to participate in the optional retirement plan and
44 who is not a vested member of the pension program of the Oregon Public Service Retirement Plan
45 as described in ORS 238A.115 on the date that the election becomes effective shall be considered to

5 described in ORS 238A.115 on the date that the election becomes effective shall be considered an
6 inactive member of the pension program by the Public Employees Retirement Board as of the ef-
7 fective date of the election. An employee who is subject to the provisions of this paragraph retains
8 all the rights, privileges and options of an inactive member of the pension program. If the actuarial
9 equivalent of the employee's benefit under the pension program at the time that the election be-
10 comes effective is \$5,000 or less, the employee may make a written request to the Public Employees
11 Retirement Board for a transfer of the employee's interest under the pension program to the optional
12 retirement plan. The request must be made at the time the member elects to participate in the op-
13 tional retirement plan. Upon receiving the request, the Public Employees Retirement Board shall
14 transfer the amount determined to be the actuarial equivalent of the employee's benefit under the
15 pension program directly to the optional retirement plan and shall terminate the membership of the
16 employee in the pension program.

17 (e) An administrative employee who elects to participate in the optional retirement plan and
18 who is a vested member of the individual account program of the Oregon Public Service Retirement
19 Plan as described in ORS 238A.320 on the date that the election becomes effective shall be consid-
20 ered an inactive member of the individual account program by the Public Employees Retirement
21 Board as of the effective date of the election. An employee who is subject to the provisions of this
22 paragraph retains all the rights, privileges and options of an inactive member of the individual ac-
23 count program. An administrative employee who elects to participate in the optional retirement plan
24 and who is a member of the individual account program of the Oregon Public Service Retirement
25 Plan may make a written request to the Public Employees Retirement Board that all amounts in the
26 member's employee account, rollover account and employer account, to the extent the member is
27 vested in those accounts under ORS 238A.320, be transferred to the optional retirement plan. The
28 request must be made at the time the member elects to participate in the optional retirement plan.
29 Upon receiving the request, the Public Employees Retirement Board shall transfer the amounts di-
30 rectly to the optional retirement plan and shall terminate the membership of the employee in the
31 individual account program.

32 (f) Notwithstanding paragraphs (b), (d) and (e) of this subsection, the Public Employees Retire-
33 ment Board shall not treat any employee as an inactive member under the provisions of this sub-
34 section for the purpose of receiving any benefit under ORS chapter 238 or 238A that requires that
35 the employee be separated from all service with participating public employers and with employers
36 who are treated as part of a participating public employer's controlled group under the federal laws
37 and rules governing the status of the Public Employees Retirement System and the Public Employees
38 Retirement Fund as a qualified governmental retirement plan and trust.

39 (6) Any amounts transferred from the Public Employees Retirement Fund under subsection (5)
40 of this section shall be transferred directly to the optional retirement plan by the Public Employees
41 Retirement Board and shall not be made available to the employee.

42 (7) An employee participating in the optional retirement plan shall contribute monthly an
43 amount equal to the percentage of the employee's salary that the employee would otherwise have
44 contributed as an employee contribution to the Public Employees Retirement System if the employee
45 had not elected to participate in the optional retirement plan.

1 (8) A participating community college district shall contribute monthly to the optional retire-
 2 ment plan the percentage of salary for each employee participating in the plan that is equal to the
 3 percentage of salary that is required to be made as the employer contribution under ORS 238A.220,
 4 less any contributions made by reason of unfunded liabilities. The district may make contributions
 5 under this subsection only during periods of time in which the employee would be eligible for
 6 membership in the Public Employees Retirement System if the employee had not elected to partic-
 7 ipate in the optional retirement plan.

8 (9) An administrative employee who elects to participate in the optional retirement plan may
 9 make an election to withdraw from the plan. An employee may make an election under this sub-
 10 section only once. Upon withdrawing from the plan:

11 (a) All contributions made to the plan before the effective date of the withdrawal remain cred-
 12 ited to the employee;

13 (b) The employee becomes a member of the Public Employees Retirement System under ORS
 14 chapter 238A if the member meets all requirements for membership under ORS chapter 238A; and

15 (c) The employee is barred from ever again electing to participate in the optional retirement
 16 plan.

17 (10) For the purposes of this section, “administrative employee” means a president, vice presi-
 18 dent or dean, or a person holding a position that is the equivalent of a president, vice president or
 19 dean.
