18 (2)(a) From July 1, 1995, until June 30, 1999, a county, group of counties or intergovernmental  
 19 corrections entity may make application requesting funding for the construction, acquisition, ex-  
 20 pansion or remodeling of correctional facilities to serve the county, group of counties or intergov-  
 21 ernmental corrections entity. The department shall review the application for funding of

 23 ing efficiency and viability based on the county's, group of counties' or intergovernmental cor-  
 24 rections entity's ability to provide for ongoing operations.

25 (b)(A) If the application is approved, the department shall present the application with a request  
 26 to finance the facility with financing agreements to the State Treasurer and the Director of the  
 27 Oregon Department of Administrative Services. Except as otherwise provided in subparagraph (B)  
 28 of this paragraph, upon approval of the request by the State Treasurer and the Director of the  
 29 Oregon Department of Administrative Services, the facility may be financed with financing agree-  
 30 ments, and certificates of participation issued pursuant thereto, as provided in ORS 283.085 to  
 31 283.092. All decisions approving or denying applications and requests for financing under this sec-  
 32 tion are final. No such decision is subject to judicial review of any kind.

33 (B) If requests to finance county correctional facility projects are submitted after February 22,  
 34 1996, and the requests have not been approved by the department on the date a session of the  
 35 Legislative Assembly convenes, the requests are also subject to the approval of the Legislative As-  
 36 sembly.

37 (c) After approval but prior to the solicitation of bids or proposals for the construction of a  
 38 project, the county, group of counties or intergovernmental corrections entity and the department  
 39 shall enter into a written agreement that determines the procedures, and the parties responsible, for

 41 correctional facility. If the parties are unable to agree on the terms of the written agreement, the  
 42 Governor shall decide the terms of the agreement. The Governor's decision is final.

43 (d) After approval of a construction project, the administration of the project shall be conducted  
 44 as provided in the agreement required by paragraph (c) of this subsection. The agreement must re-  
 45 quire at a minimum that the county, group of counties or intergovernmental corrections entity shall

1 submit to the department any change order or alteration of the design of the project that, singly or  
2 in the aggregate, reduces the capacity of the correctional facility or materially changes the services  
3 or functions of the project. The change order or alteration is not effective until approved by the  
4 department. In reviewing the change order or alteration, the department shall consider whether the  
5 implementation of the change order or alteration will have any material adverse impact on the  
6 parties to any financing agreements or the holders of any certificates of participation issued to fund  
7 county correctional facilities under this section. In making its decision, the department may rely on  
8 the opinions of the Department of Justice, bond counsel or professional financial advisers.

12 nancing agreement for the financing of a correctional facility. The state is not required to own or  
13 operate a correctional facility in order to finance it under ORS 283.085 to 283.092 and this section.  
14 The state, an intergovernmental corrections entity, county or group of counties may enter into any  
15 agreements, including, but not limited to, leases and subleases, that are reasonably necessary or  
16 generally accepted by the financial community for purposes of acquiring or securing financing as  
17 authorized by this section. In financing county correctional facilities under this section, “property  
18 rights” as used in ORS 283.085 includes leasehold mortgages of the state’s rights under leases of  
19 correctional facilities from counties.

20 (4) Notwithstanding any other provision of state law, county charter or ordinance, a county may  
21 convey or lease to the State of Oregon, acting by and through the Department of Corrections, title  
22 to interests in, or a lease of, any real property, facilities or personal property owned by the county  
23 for the purpose of financing the construction, acquisition, expansion or remodeling of a correctional  
24 facility. Upon the payment of all principal and interest on, or upon any other satisfaction of, the  
25 financing agreement used to finance the construction, acquisition, expansion or remodeling of a  
26 correctional facility, the state shall reconvey its interest in, or terminate and surrender its leasehold  
27 of, the property or facilities, including the financed construction, acquisition, expansion or remod-  
28 eling, to the county. In addition to any authority granted by ORS 283.089, for the purposes of ob-  
29 taining financing, the state may enter into agreements under which the state may grant to trustees  
30 or lenders leases, subleases and other security interests in county property conveyed or leased to  
31 the state under this subsection and in the property or facilities financed by financing agreements.

32 (5) In connection with the financing of correctional facilities, the Director of the Oregon De-  
33 partment of Administrative Services may bill the Department of Corrections, and the Department  
34 of Corrections shall pay the amounts billed, in the same manner as provided in ORS 283.089. As  
35 required by ORS 283.091, the Department of Corrections and the Oregon Department of Adminis-  
36 trative Services shall include in the Governor’s budget [*request to the Legislative Assembly*] all  
37 amounts that will be due in each fiscal period under financing agreements for correctional facilities.  
38 Amounts payable by the state under a financing agreement for the construction, acquisition, ex-  
39 pansion or remodeling of a correctional facility are limited to available funds as defined in ORS  
40 283.085, and no lender, trustee, certificate holder or county has any claim or recourse against any  
41 funds of the state other than available funds.

14 in the consideration of the state lottery budget and any accompanying measures.

15 **SECTION 70.** ORS 462.265 is amended to read:

16 462.265. (1) The Oregon Racing Commission is subject to the provisions of ORS 291.201 to  
17 291.222, including but not limited to the provisions of those sections relating to changes and re-  
18 visions by the Governor in [*budget estimates and requests*] **agency request budgets**.

19 (2) The commission and its officers and employees are subject to the provisions of ORS 291.232

25 (2) The commission and its officers and employees are subject to the provisions of ORS 291.232  
26 to 291.260 and 291.990.

27 **SECTION 72.** ORS 469.421 is amended to read:

28 469.421. (1) Subject to the provisions of ORS 469.441, any person submitting a notice of intent,  
29 a request for exemption under ORS 469.320, a request for an expedited review under ORS 469.370,  
30 a request for an expedited review under ORS 469.373, a request for the State Department of Energy  
31 to approve a pipeline under ORS 469.405 (3), an application for a site certificate or a request to  
32 amend a site certificate shall pay all expenses incurred by the Energy Facility Siting Council and  
33 the department related to the review and decision of the council. These expenses may include legal  
34 expenses, expenses incurred in processing and evaluating the application, issuing a final order or  
35 site certificate, commissioning an independent study by a contractor, state agency or local govern-  
36 ment under ORS 469.360, and changes to the rules of the council that are specifically required and  
37 related to the particular site certificate.

38 (2) Every person submitting a notice of intent to file for a site certificate, a request for ex-  
39 emption or a request for expedited review shall submit the fee required under the fee schedule es-  
40 tablished under ORS 469.441 to the department when the notice or request is submitted to the  
41 council. To the extent possible, the full cost of the evaluation shall be paid from the fee paid under  
42 this subsection. However, if costs of the evaluation exceed the fee, the person submitting the notice  
43 or request shall pay any excess costs shown in an itemized statement prepared by the council. In  
44 no event shall the council incur evaluation expenses in excess of 110 percent of the fee initially paid  
45 unless the council provides prior notification to the applicant and a detailed projected budget the

1 council believes necessary to complete the project. If costs are less than the fee paid, the excess  
2 shall be refunded to the person submitting the notice or request.

3 (3) Before submitting a site certificate application, the applicant shall request from the depart-  
4 ment an estimate of the costs expected to be incurred in processing the application. The department  
5 shall inform the applicant of that amount and require the applicant to make periodic payments of  
6 the costs pursuant to a cost reimbursement agreement. The cost reimbursement agreement shall  
7 provide for payment of 25 percent of the estimated costs when the applicant submits the application.  
8 If costs of the evaluation exceed the estimate, the applicant shall pay any excess costs shown in an  
9 itemized statement prepared by the council. In no event shall the council incur evaluation expenses  
10 in excess of 110 percent of the fee initially estimated unless the council provided prior notification  
11 to the applicant and a detailed projected budget the council believes is necessary to complete the  
12 project. If costs are less than the fee paid, the council shall refund the excess to the applicant.

13 (4) Any person who is delinquent in the payment of fees under subsections (1) to (3) of this  
14 section shall be subject to the provisions of subsection (11) of this section.

15 (5) Subject to the provisions of ORS 469.441, each holder of a certificate shall pay an annual fee,  
16 due every July 1 following issuance of a site certificate. For each fiscal year, upon approval of the  
17 department's budget authorization by an odd-numbered year regular session of the Legislative As-  
18 sembly or as revised by the Emergency Board meeting in an interim period or by the Legislative  
19 Assembly meeting in special session or in an even-numbered year regular session, the Director of  
20 the State Department of Energy promptly shall enter an order establishing an annual fee based on  
21 the amount of revenues that the director estimates is needed to fund the cost of ensuring that the  
22 facility is being operated consistently with the terms and conditions of the site certificate, any order  
23 issued by the department under ORS 469.405 (3) and any applicable health or safety standards. In  
24 determining this cost, the director shall include both the actual direct cost to be incurred by the  
25 council and the department to ensure that the facility is being operated consistently with the terms  
26 and conditions of the site certificate, any order issued by the department under ORS 469.405 (3) and  
27 any applicable health or safety standards, and the general costs to be incurred by the council and  
28 the department to ensure that all certificated facilities are being operated consistently with the  
29 terms and conditions of the site certificates, any orders issued by the department under ORS 469.405  
30 (3) and any applicable health or safety standards that cannot be allocated to an individual, licensed  
31 facility. Not more than 35 percent of the annual fee charged each facility shall be for the recovery  
32 of these general costs. The fees for direct costs shall reflect the size and complexity of the facility  
33 and its certificate conditions.

34 (6) Each holder of a site certificate executed after July 1 of any fiscal year shall pay a fee for  
35 the remaining portion of the year. The amount of the fee shall be set at the cost of regulating the  
36 facility during the remaining portion of the year determined in the same manner as the annual fee.

37 (7) When the actual costs of regulation incurred by the council and the department for the year,  
38 including that portion of the general regulation costs that have been allocated to a particular fa-  
39 cility, are less than the annual fees for that facility, the unexpended balance shall be refunded to  
40 the site certificate holder. When the actual regulation costs incurred by the council and the de-  
41 partment for the year, including that portion of the general regulation costs that have been allo-  
42 cated to a particular facility, are projected to exceed the annual fee for that facility, the director  
43 may issue an order revising the annual fee.

44 (8)(a) In addition to any other fees required by law, each energy resource supplier shall pay to  
45 the department annually its share of an assessment to fund the programs and activities of the

1 council and the department.

2 (b) Prior to filing [*budget forms*] **an agency request budget** under ORS 291.208 for purposes  
3 related to the compilation and preparation of the Governor's budget under ORS 291.216, the director  
4 shall determine the projected aggregate amount of revenue to be collected from energy resource  
5 suppliers under this subsection that will be necessary to fund the programs and activities of the  
6 council and the department for each fiscal year of the upcoming biennium. After making that de-  
7 termination, the director shall convene a public meeting with representatives of energy resource  
8 suppliers and other interested parties for the purpose of providing energy resource suppliers with  
9 a full accounting of:

10 (A) The projected revenue needed to fund each department program or activity; and

11 (B) The projected allocation of moneys derived from the assessment imposed under this sub-  
12 section to each department program or activity.

13 (c) Upon approval of the budget authorization of the council and the department by an odd-  
14 numbered year regular session of the Legislative Assembly, the director shall promptly enter an  
15 order establishing the amount of revenues required to be derived from an assessment pursuant to  
16 this subsection in order to fund programs and activities that the council and the department are  
17 charged with administering and authorized to conduct under the laws of this state, including those  
18 enumerated in ORS 469.030, for the first fiscal year of the forthcoming biennium. On or before June  
19 1 of each even-numbered year, the director shall enter an order establishing the amount of revenues  
20 required to be derived from an assessment pursuant to this subsection in order to fund the programs  
21 and activities that the council and the department are charged with administering and authorized  
22 to conduct under the laws of this state, including those enumerated in ORS 469.030, for the second  
23 fiscal year of the biennium. The order shall take into account any revisions to the biennial budget  
24 of the council and the department made by the Emergency Board meeting in an interim period or  
25 by the Legislative Assembly meeting in special session or in an even-numbered year regular session.

26 (d) Each order issued by the director pursuant to paragraph (c) of this subsection shall allocate  
27 the aggregate assessment set forth in the order to energy resource suppliers in accordance with  
28 paragraph (e) of this subsection.

29 (e) The amount assessed to an energy resource supplier shall be based on the ratio which that  
30 supplier's annual gross operating revenue derived within this state in the preceding calendar year  
31 bears to the total gross operating revenue derived within this state during that year by all energy  
32 resource suppliers. The assessment against an energy resource supplier shall not exceed 0.375 per-  
33 cent of the supplier's gross operating revenue derived within this state in the preceding calendar  
34 year. The director shall exempt from payment of an assessment any individual energy resource  
35 supplier whose calculated share of the annual assessment is less than \$250.

36 (f) The director shall send each energy resource supplier subject to assessment pursuant to this  
37 subsection a copy of each order issued by registered or certified mail or through use of an electronic  
38 medium with electronic receipt verification. The amount assessed to the energy resource supplier  
39 pursuant to the order shall be considered to the extent otherwise permitted by law a government-  
40 imposed cost and recoverable by the energy resource supplier as a cost included within the price  
41 of the service or product supplied.

42 (g) The amounts assessed to individual energy resource suppliers pursuant to paragraph (e) of  
43 this subsection shall be paid to the department as follows:

44 (A) Amounts assessed for the first fiscal year of a biennium shall be paid not later than 90 days  
45 following adjournment sine die of the odd-numbered year regular session of the Legislative Assem-

1 bly; and

2 (B) Amounts assessed for the second fiscal year of a biennium shall be paid not later than July  
3 1 of each even-numbered year or 90 days following adjournment sine die of the even-numbered year  
4 regular session of the Legislative Assembly, whichever is later.

5 (h) An energy resource supplier shall provide the director, on or before May 1 of each year, a  
6 verified statement showing its gross operating revenues derived within the state for the calendar  
7 or fiscal year that was used by the energy resource supplier for the purpose of reporting federal  
8 income taxes for the preceding calendar or fiscal year. The statement must be in the form prescribed  
9 by the director and is subject to audit by the director. The statement must include an entry showing  
10 the total operating revenue derived by petroleum suppliers from fuels sold that are subject to the  
11 requirements of Article IX, section 3a, of the Oregon Constitution, and ORS 319.020 with reference  
12 to aircraft fuel and motor vehicle fuel, and ORS 319.530. The director may grant an extension of not  
13 more than 15 days for the requirements of this subsection if:

14 (A) The energy supplier makes a showing of hardship caused by the deadline;

15 (B) The energy supplier provides reasonable assurance that the energy supplier can comply with  
16 the revised deadline; and

17 (C) The extension of time does not prevent the council or the department from fulfilling its  
18 statutory responsibilities.

19 (i) As used in this section:

20 (A) "Energy resource supplier" means an electric utility, natural gas utility or petroleum sup-  
21 plier supplying, generating, transmitting or distributing electricity, natural gas or petroleum pro-  
22 ducts in Oregon.

23 (B) "Gross operating revenue" means gross receipts from sales or service made or provided  
24 within this state during the regular course of the energy supplier's business, but does not include  
25 either revenue derived from interutility sales within the state or revenue received by a petroleum  
26 supplier from the sale of fuels that are subject to the requirements of Article IX, section 3a, of the  
27 Oregon Constitution, or ORS 319.020 or 319.530.

28 (C) "Petroleum supplier" has the meaning given that term in ORS 469.020.

29 (j) In determining the amount of revenues that must be derived from any class of energy re-  
30 source suppliers by assessment pursuant to this subsection, the director shall take into account all  
31 other known or readily ascertainable sources of revenue to the council and department, including,  
32 but not limited to, fees imposed under this section and federal funds, and may take into account any  
33 funds previously assessed pursuant to ORS 469.420 (1979 Replacement Part) or section 7, chapter  
34 792, Oregon Laws 1981.

35 (k) Orders issued by the director pursuant to this section shall be subject to judicial review  
36 under ORS 183.484. The taking of judicial review shall not operate to stay the obligation of an en-  
37 ergy resource supplier to pay amounts assessed to it on or before the statutory deadline.

38 (9)(a) In addition to any other fees required by law, each operator of a nuclear fueled thermal  
39 power plant or nuclear installation within this state shall pay to the department annually on July  
40 1 an assessment in an amount determined by the director to be necessary to fund the activities of  
41 the state and the counties associated with emergency preparedness for a nuclear fueled thermal  
42 power plant or nuclear installation. The assessment shall not exceed \$461,250 per year. Moneys  
43 collected as assessments under this subsection are continuously appropriated to the department for  
44 this purpose.

45 (b) The department shall maintain and cause other state agencies and counties to maintain time

1 and billing records for the expenditure of any fees collected from an operator of a nuclear fueled  
2 thermal power plant under paragraph (a) of this subsection.

3 (10) Reactors operated by a college, university or graduate center for research purposes and  
4 electric utilities not connected to the Northwest Power Grid are exempt from the fee requirements  
5 of subsections (5), (8) and (9) of this section.

6 (11)(a) All fees assessed by the director against holders of site certificates for facilities that have  
7 an installed capacity of 500 megawatts or greater may be paid in several installments, the schedule  
8 for which shall be negotiated between the director and the site certificate holder.

9 (b) Energy resource suppliers or applicants or holders of a site certificate who fail to pay a fee  
10 provided under subsections (1) to (9) of this section or the fees required under ORS 469.360 after it  
11 is due and payable shall pay, in addition to that fee, a penalty of two percent of the fee a month for  
12 the period that the fee is past due. Any payment made according to the terms of a schedule nego-  
13 tiated under paragraph (a) of this subsection shall not be considered past due. The director may  
14 bring an action to collect an unpaid fee or penalty in the name of the State of Oregon in a court  
15 of competent jurisdiction. The court may award reasonable attorney fees to the director if the di-  
16 rector prevails in an action under this subsection. The court may award reasonable attorney fees  
17 to a defendant who prevails in an action under this subsection if the court determines that the di-  
18 rector had no objectively reasonable basis for asserting the claim or no reasonable basis for ap-  
19 pealing an adverse decision of the trial court.

20 **SECTION 73.** ORS 477.777 is amended to read:

21 477.777. (1) As part of the preparation of the [*budget forms*] **agency request budget** submitted  
22 to the Oregon Department of Administrative Services pursuant to ORS 291.208 for the State  
23 Forestry Department, the State Forester shall prepare, in addition to any amounts budgeted for  
24 forest protection districts pursuant to ORS 477.205 to 477.281, a [*budget*] request for a General Fund  
25 appropriation for the following purposes:

26 (a) Providing funds for the purchase of emergency fire suppression costs insurance under ORS  
27 477.775.

28 (b) Acquiring and placing centrally managed fire suppression resources for statewide use.

29 (c) Acquiring fast-mobilizing, short-term contingency resources to be used based on predictions  
30 of severe fire weather, widespread lightning events or serious resource shortage due to a heavy fire  
31 season in this state, in the western region of the United States or nationally.

32 (d) Enhancing forest protection district resources in cases where land productivity or other  
33 economic factors seriously limit the ability of the forester to perform fire protection responsibilities.

34 (e) Mitigating forest patrol assessment rates in cases where land productivity or other economic  
35 factors seriously limit the ability of the owners of forestlands in the forest protection district to  
36 comply with ORS 477.210 (1).

37 (2) The State Forester shall utilize critical discretion in the expenditure of the funds provided

28 171.557. (1) The Legislative Assembly finds that there is a need for a comprehensive, specific  
29 budget format available to all members of the Legislative Assembly so that:

30 (a) Effective policy decisions can be made;

31 (b) Line items in agency budgets can be identified by program function;

32 (c) Decisions to increase or decrease agency budgets can be made with knowledge as to policy  
33 and programmatic impact; and

34 (d) A more objective comparison can be made to the Governor's budget.

35 (2) The Legislative Assembly also finds that the goal of the legislative budgeting process is to  
36 afford members a thorough understanding of:

38 (b) What program functions are necessary to state operations and the cost of these functions;  
39 and

40 (c) The means whereby these policies and programs are administered.

41 (3) The goal of the Legislative Assembly is to decide, as a body, which policies and programs  
42 are necessary to discharge its public responsibilities. Consequently, the Legislative Assembly finds  
43 that there is a need to examine the legislative budgeting process so that:

44 (a) Policy decisions are made by the Legislative Assembly as a whole;

45 (b) Program functions are more closely identified with line items in agency budgets;

1 (c) Funding options and priorities are defined in terms of policies; and
