1 **An Act to amend the definition of law enforcement officer to include tribal law**  
 2 **enforcement officers.**

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 **Section 1. That § 22-1-2 be AMENDED:**

5 **22-1-2.** Terms used in this title mean:

6 (1) If applied to the intent with which an act is done or omitted:

7 (a) The words, "malice, maliciously," and all derivatives thereof import a wish  
 8 to intentionally vex, annoy, or injure another person, established either by  
 9 proof or presumption of law;

10 (b) The words, "intent, intentionally," and all derivatives thereof, import a  
 11 specific design to cause a certain result or, if the material part of a charge  
 12 is the violation of a prohibition against conduct of a certain nature,  
 13 regardless of what the offender intends to accomplish thereby, a specific  
 14 design to engage in conduct of that nature;

15 (c) The words, "knowledge, knowingly," and all derivatives thereof, import only  
 16 a knowledge that the facts exist which bring the act or omission within the  
 17 provisions of any statute. A person has knowledge if that person is aware  
 18 that the facts exist which bring the act or omission within the provisions of  
 19 any statute. Knowledge of the unlawfulness of such act or omission is not  
 20 required;

21 (d) The words, "reckless, recklessly," and all derivatives thereof, import a  
 22 conscious and unjustifiable disregard of a substantial risk that the offender's  
 23 conduct may cause a certain result or may be of a certain nature. A person  
 24 is reckless with respect to circumstances if that person consciously and  
 25 unjustifiably disregards a substantial risk that such circumstances may  
 26 exist;

- 1 (e) The words, "neglect, negligently," and all words derived thereof, import a  
2 want of attention to the nature or probable consequences of an act or  
3 omission which a prudent person ordinarily bestows in acting in his or her  
4 own concerns;
- 5 (f) If the section defining an offense provides that negligence suffices to  
6 establish an element thereof, then recklessness, knowledge, intent, or  
7 malice also constitutes sufficient culpability for such element. If  
8 recklessness suffices to establish an element of the offense, then  
9 knowledge, intent or malice also constitutes sufficient culpability for such  
10 element. If knowledge suffices to establish an element of an offense, then  
11 intent or malice also constitutes sufficient culpability for such element. If  
12 intent suffices to establish an element of an offense, then malice also  
13 constitutes sufficient culpability for such element;

17 some credible evidence. If the issue involved in an affirmative defense is raised,
