(1) receives a Uniform Physical Condition Standards (UPCS) score of 60 or less; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but do not apply to such units assisted under section 8(o)(13) (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial order of specific performance requiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other related party to stabilize the property in an attempt to preserve the property through compliance, transfer of ownership, or an infusion of capital provided by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

(2) evaluate any barriers to voluntary commercial arrangements in which non-Federal users could provide access to Federal entities.

**SEC. 611. UNLICENSED SERVICES IN GUARD BANDS.**

(a) **IN GENERAL.**—After public notice and comment, and in consultation with the Assistant Secretary of Commerce for Communications and Information and the head of each affected Federal agency (or a designee thereof), with respect to frequencies allocated for Federal use, the Commission shall adopt rules that permit unlicensed services where feasible to use any frequencies that are designated as guard bands to protect frequencies allocated after the date of enactment of this Act by competitive bidding under section 309(j) of the Communications Act of 1934 (47 U.S.C. 309(j)), including spectrum that acts as a duplex gap between transmit and receive frequencies.

(b) RULEMAKING.—

H. R. 1625—764

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Commission shall initiate a rule-making proceeding to assess whether to establish a program, or modify existing programs, under which a licensee that receives a license for the exclusive use of spectrum in a specific geographic area under section 301 of the Communications Act of 1934 (47 U.S.C. 301) may partition or disaggregate the license by sale or long-term lease—

(A) in order to—

(i) provide services consistent with the license; and

(ii) make unused spectrum available to—

(I) an unaffiliated covered small carrier; or

(II) an unaffiliated carrier to serve a rural area; and

(B) if the Commission finds that such a program would promote—

(i) the availability of advanced telecommunications services in rural areas; or

(ii) spectrum availability for covered small carriers.

(2) CONSIDERATIONS.—In conducting the rulemaking proceeding under paragraph (1), the Commission shall consider, with respect to the program proposed to be established under that paragraph—

(A) whether reduced performance requirements with respect to spectrum obtained through the program would facilitate deployment of advanced telecommunications services in the areas covered by the program;

(B) what conditions may be needed on transfers of spectrum under the program to allow covered small carriers that obtain spectrum under the program to build out the spectrum in a reasonable period of time;

(C) what incentives may be appropriate to encourage licensees to lease or sell spectrum, including—

(i) extending the term of a license granted under section 301 of the Communications Act of 1934 (47 U.S.C. 301); or

(ii) modifying performance requirements of the license relating to the leased or sold spectrum; and

(ii) other incentives considered by the Commission that further the goals of this section.

(3) FORFEITURE OF SPECTRUM.—If a party fails to meet any build out requirements set by the Commission for any spectrum sold or leased under this section, the right to the spectrum shall be forfeited to the Commission unless the Commission finds that there is good cause for the failure of the party.

(4) REQUIREMENT.—The Commission may offer a licensee incentives or reduced performance requirements under this section only if the Commission finds that doing so would likely result in increased availability of advanced telecommunications services in a rural area.

**SEC. 617. UNLICENSED SPECTRUM POLICY.**

(a) STATEMENT OF POLICY.—It is the policy of the United States—

(1) to maximize the benefit to the people of the United States of the spectrum resources of the United States;

(2) to advance innovation and investment in wireless broadband services; and

(3) to promote spectrum policy that makes available on an unlicensed basis radio frequency bands to address consumer demand for unlicensed wireless broadband operations.

(b) COMMISSION RESPONSIBILITIES.—The Commission shall ensure that the efforts of the Commission related to spectrum allocation and assignment made available on an unlicensed basis radio frequency bands to address demand for unlicensed wireless broadband operations if doing so is, after taking into account the future needs of homeland security, national security, and other spectrum users—

(1) reasonable; and

(2) in the public interest.

(c) RULE OF CONSTRUCTION.—Nothing in this section confers any additional rights on unlicensed users or users licensed by rule under part 96 of title 47, Code of Federal Regulations, to protection from harmful interference.

(c) REQUIREMENTS.—The plan developed under this section shall—

(1) identify an approach that ensures that consumers have access to additional spectrum to conduct unlicensed or licensed by rule operations in a range of radio frequencies to meet consumer demand;

(2) recommend specific actions by the Commission and the NTIA to permit unlicensed or licensed by rule operations in additional radio frequency ranges that the Commission finds—

(A) are consistent with the statement of policy under section 617(a) of this title;

(B) will—

## **TITLE X—TAYLOR FORCE ACT**

### **SEC. 1001. SHORT TITLE.**

This title may be cited as the “Taylor Force Act”.

### **SEC. 1002. FINDINGS.**

Congress makes the following findings:

(1) The Palestinian Authority’s practice of paying salaries to terrorists serving in Israeli prisons, as well as to the families of deceased terrorists, is an incentive to commit acts of terror.

(2) The United States does not provide direct budgetary support to the Palestinian Authority. The United States does pay certain debts held by the Palestinian Authority and funds programs for which the Palestinian Authority would otherwise be responsible.

(3) The United States Government supports community-based programs in the West Bank and Gaza that provide for basic human needs, such as food, water, health, shelter, protection, education, and livelihoods, and that promote peace and development.

(4) Since fiscal year 2015, annual appropriations legislation has mandated the reduction of Economic Support Fund aid for the Palestinian Authority as a result of their payments for acts of terrorism including, in fiscal year 2017, a reduction “by an amount the Secretary determines is equivalent to the amount expended by the Palestinian Authority, the Palestine Liberation Organization, and any successor or affiliated organizations with such entities as payments for acts of terrorism by individuals who are imprisoned after being fairly tried and convicted for acts of terrorism and by individuals who died committing acts of terrorism during the previous calendar year”.

**SEC. 1003. SENSE OF CONGRESS.**

Congress—

(1) calls on the Palestinian Authority, the Palestine Liberation Organization, and any successor or affiliated organizations to stop payments for acts of terrorism by individuals who are imprisoned after being fairly tried and convicted for acts of terrorism and by individuals who died committing acts of terrorism and to repeal the laws authorizing such payments;

(2) calls on all donor countries providing budgetary assistance to the Palestinian Authority to cease direct budgetary support until the Palestinian Authority stops all payments incentivizing terror;

(3) urges the Palestinian Authority to develop programs to provide essential public services and support to any individual in need within its jurisdictional control, rather than to provide payments contingent on perpetrating acts of violence;

(4) urges the United States Permanent Representative to the United Nations to use the voice, vote, and influence of the United States at the United Nations to highlight the issue of Palestinian Authority payments for acts of terrorism and to urge other Member States to apply pressure upon the Palestinian Authority to immediately cease such payments; and

(5) urges the Department of State to use its bilateral and multilateral engagements with all governments and organizations committed to the cause of peace between Israel and the Palestinians to highlight the issue of Palestinian Authority payments for acts of terrorism and to urge such governments and organizations to join the United States in calling on the Palestinian Authority to immediately cease such payments.

**SEC. 1004. LIMITATION ON ASSISTANCE TO THE WEST BANK AND GAZA.**

(a) LIMITATION.—

(1) IN GENERAL.—Funds authorized to be appropriated or otherwise made available for assistance under chapter 4 of part II of the Foreign Assistance Act of 1961 (22 U.S.C. 2346 et seq.; relating to Economic Support Fund) and available for assistance for the West Bank and Gaza that directly benefits the Palestinian Authority may only be made available for such purpose if, except as provided in subsection (d), not later than 30 days after the date of the enactment of this Act, and every 180 days thereafter, the Secretary of State certifies in writing to the appropriate congressional committees that the Palestinian Authority, the Palestine Liberation Organization, and any successor or affiliated organizations—

(A) are taking credible steps to end acts of violence against Israeli citizens and United States citizens that are perpetrated or materially assisted by individuals under their jurisdictional control, such as the March 2016 attack that killed former United States Army officer Taylor Force, a veteran of the wars in Iraq and Afghanistan;

(B) have terminated payments for acts of terrorism against Israeli citizens and United States citizens to any individual, after being fairly tried, who has been imprisoned for such acts of terrorism and to any individual who died committing such acts of terrorism, including to a family member of such individuals;

H. R. 1625—798

(C) have revoked any law, decree, regulation, or document authorizing or implementing a system of compensation for imprisoned individuals that uses the sentence or period of incarceration of an individual imprisoned for an act of terrorism to determine the level of compensation paid, or have taken comparable action that has the effect of invalidating any such law, decree, regulation, or document; and

(D) are publicly condemning such acts of violence and are taking steps to investigate or are cooperating in investigations of such acts to bring the perpetrators to justice.

(2) ADDITIONAL CERTIFICATION REQUIREMENT.—The Secretary of State shall include in the certification required under paragraph (1) the definition of “acts of terrorism” that the Secretary used for purposes of making the determination in subparagraph (B) of such paragraph.

Except as provided in paragraph (3), such funds may not be made available for any purpose other than for assistance for the West Bank and Gaza that directly benefits the Palestinian Authority.

H. R. 1625—799

(A) 50 percent for purposes of assistance other than that deemed benefiting the Palestinian Authority; and

## **DIVISION V—CLOUD ACT**

### **SEC. 101. SHORT TITLE.**

This division may be cited as the “Clarifying Lawful Overseas Use of Data Act” or the “CLOUD Act”.

### **SEC. 102. CONGRESSIONAL FINDINGS.**

Congress finds the following:

(1) Timely access to electronic data held by communications-service providers is an essential component of government efforts to protect public safety and combat serious crime, including terrorism.

(2) Such efforts by the United States Government are being impeded by the inability to access data stored outside the United States that is in the custody, control, or possession of communications-service providers that are subject to jurisdiction of the United States.

(3) Foreign governments also increasingly seek access to electronic data held by communications-service providers in the United States for the purpose of combating serious crime.

(4) Communications-service providers face potential conflicting legal obligations when a foreign government orders production of electronic data that United States law may prohibit providers from disclosing.

(5) Foreign law may create similarly conflicting legal obligations when chapter 121 of title 18, United States Code (commonly known as the “Stored Communications Act”), requires disclosure of electronic data that foreign law prohibits communications-service providers from disclosing.

(6) International agreements provide a mechanism for resolving these potential conflicting legal obligations where the United States and the relevant foreign government share a common commitment to the rule of law and the protection of privacy and civil liberties.

### **SEC. 103. PRESERVATION OF RECORDS; COMITY ANALYSIS OF LEGAL PROCESS.**

(a) **REQUIRED PRESERVATION AND DISCLOSURE OF COMMUNICATIONS AND RECORDS.**—

(1) AMENDMENT.—Chapter 121 of title 18, United States Code, is amended by adding at the end the following:

**“§ 2713. Required preservation and disclosure of communications and records**

“A provider of electronic communication service or remote computing service shall comply with the obligations of this chapter to preserve, backup, or disclose the contents of a wire or electronic communication and any record or other information pertaining to a customer or subscriber within such provider’s possession, custody, or control, regardless of whether such communication, record, or other information is located within or outside of the United States.”.

(2) TABLE OF SECTIONS.—The table of sections for chapter 121 of title 18, United States Code, is amended by inserting after the item relating to section 2712 the following:

“2713. Required preservation and disclosure of communications and records.”.

(b) COMITY ANALYSIS OF LEGAL PROCESS SEEKING CONTENTS OF WIRE OR ELECTRONIC COMMUNICATION.—Section 2703 of title 18, United States Code, is amended by adding at the end the following:

“(h) COMITY ANALYSIS AND DISCLOSURE OF INFORMATION REGARDING LEGAL PROCESS SEEKING CONTENTS OF WIRE OR ELECTRONIC COMMUNICATION.—

“(1) DEFINITIONS.—In this subsection—

“(A) the term ‘qualifying foreign government’ means a foreign government—

“(i) with which the United States has an executive agreement that has entered into force under section 2523; and

“(ii) the laws of which provide to electronic communication service providers and remote computing service providers substantive and procedural opportunities similar to those provided under paragraphs (2) and (5); and

“(B) the term ‘United States person’ has the meaning given the term in section 2523.

“(2) MOTIONS TO QUASH OR MODIFY.—(A) A provider of electronic communication service to the public or remote computing service, including a foreign electronic communication service or remote computing service, that is being required to disclose pursuant to legal process issued under this section the contents of a wire or electronic communication of a subscriber or customer, may file a motion to modify or quash the legal process where the provider reasonably believes—

“(i) that the customer or subscriber is not a United States person and does not reside in the United States; and

“(ii) that the required disclosure would create a material risk that the provider would violate the laws of a qualifying foreign government.

Such a motion shall be filed not later than 14 days after the date on which the provider was served with the legal process, absent agreement with the government or permission from the court to extend the deadline based on an application made within the 14 days. The right to move to quash is without prejudice to any other grounds to

move to quash or defenses thereto, but it shall be the sole basis for moving to quash on the grounds of a conflict of law related to a qualifying foreign government.

“(B) Upon receipt of a motion filed pursuant to subparagraph (A), the court shall afford the governmental entity that applied for or issued the legal process under this section the opportunity to respond. The court may modify or quash the legal process, as appropriate, only if the court finds that—

“(i) the required disclosure would cause the provider to violate the laws of a qualifying foreign government;

“(ii) based on the totality of the circumstances, the interests of justice dictate that the legal process should be modified or quashed; and

“(iii) the customer or subscriber is not a United States person and does not reside in the United States.

“(3) COMITY ANALYSIS.—For purposes of making a determination under paragraph (2)(B)(ii), the court shall take into account, as appropriate—

“(A) the interests of the United States, including the investigative interests of the governmental entity seeking to require the disclosure;

“(B) the interests of the qualifying foreign government in preventing any prohibited disclosure;

“(C) the likelihood, extent, and nature of penalties to the provider or any employees of the provider as a result of inconsistent legal requirements imposed on the provider;

“(D) the location and nationality of the subscriber or customer whose communications are being sought, if known, and the nature and extent of the subscriber or customer’s connection to the United States, or if the legal process has been sought on behalf of a foreign authority pursuant to section 3512, the nature and extent of the subscriber or customer’s connection to the foreign authority’s country;

“(E) the nature and extent of the provider’s ties to and presence in the United States;

“(F) the importance to the investigation of the information required to be disclosed;

“(G) the likelihood of timely and effective access to the information required to be disclosed through means that would cause less serious negative consequences; and

“(H) if the legal process has been sought on behalf of a foreign authority pursuant to section 3512, the investigative interests of the foreign authority making the request for assistance.

“(4) DISCLOSURE OBLIGATIONS DURING PENDENCY OF CHALLENGE.—A service provider shall preserve, but not be obligated to produce, information sought during the pendency of a motion brought under this subsection, unless the court finds that immediate production is necessary to prevent an adverse result identified in section 2705(a)(2).

“(5) DISCLOSURE TO QUALIFYING FOREIGN GOVERNMENT.—(A) It shall not constitute a violation of a protective order issued under section 2705 for a provider of electronic communication service to the public or remote computing service to disclose to the entity within a qualifying foreign government,

designated in an executive agreement under section 2523, the fact of the existence of legal process issued under this section seeking the contents of a wire or electronic communication of a customer or subscriber who is a national or resident of the qualifying foreign government.

“(B) Nothing in this paragraph shall be construed to modify or otherwise affect any other authority to make a motion to modify or quash a protective order issued under section 2705.”.

(c) RULE OF CONSTRUCTION.—Nothing in this section, or an amendment made by this section, shall be construed to modify or otherwise affect the common law standards governing the availability or application of comity analysis to other types of compulsory process or to instances of compulsory process issued under section 2703 of title 18, United States Code, as amended by this section, and not covered under subsection (h)(2) of such section 2703.
