

1st Sub. H.B. 220

Public Safety Data Amendments

House Amendments

Amendment 1

January 22, 2026 04:27 PM

Representative **Ryan D. Wilcox** proposes the following amendments:

1. Line 284 through 290:

- 284 (e) a protocol for real-time audit capability of all data accessed from the public safety
285 portal by participating data source, data use entities, and regulators[-];
286 (f) a protocol for de-identifying the data described in Subsection (4) for public use;
287 (g) { a searchable website } a searchable portion of the public safety portal described in
Subsection (4) available to the public that displays the de-identified data as
288 described in Subsection (3)(f); and
289 (h) subject to the restrictions in this section, a policy concerning the use and
290 dissemination of data obtained under this section.
