
SENATE BILL 6072

State of Washington

66th Legislature

2020 Regular Session

By Senators Rolfes and Braun; by request of Department of Fish and Wildlife

Prefiled 12/12/19.

1 AN ACT Relating to dividing the state wildlife account into the
2 fish, wildlife, and conservation account and the limited fish and
3 wildlife account; amending RCW 46.68.435, 77.12.170, 77.12.177,
4 77.12.184, 77.12.190, 77.12.210, 77.12.230, 77.12.240, 77.12.323,
5 77.12.380, 77.12.390, 77.12.670, 77.12.690, 77.32.050, 77.32.430,
6 77.32.460, 77.32.470, 77.32.530, 77.32.560, 77.36.070, 77.36.170,
7 77.44.050, 79A.55.090, 79A.80.090, and 82.27.070; reenacting and
8 amending RCW 9.41.070 and 43.84.092; creating a new section; and
9 providing an effective date.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11 NEW SECTION. **Sec. 1.** In 2017, the legislature directed the
12 department of fish and wildlife to conduct a budget and performance
13 assessment.

14 That assessment identified a structural deficit in the current
15 state wildlife account, which does not differentiate between
16 restricted use revenues and nonrestricted revenues.

17 The legislature intends to increase transparency and
18 accountability to the public by clearly dividing restricted and
19 nonrestricted revenues into two separate accounts.

20 This act does not alter any current legal restrictions on revenue
21 uses or alter the amounts of revenue collected.

1 **Sec. 2.** RCW 9.41.070 and 2019 c 249 s 1, 2019 c 135 s 1, and
2 2019 c 46 s 5004 are each reenacted and amended to read as follows:

3 (1) The chief of police of a municipality or the sheriff of a
4 county shall within thirty days after the filing of an application of
5 any person, issue a license to such person to carry a pistol
6 concealed on his or her person within this state for five years from
7 date of issue, for the purposes of protection or while engaged in
8 business, sport, or while traveling. However, if the applicant does
9 not have a valid permanent Washington driver's license or Washington
10 state identification card or has not been a resident of the state for
11 the previous consecutive ninety days, the issuing authority shall
12 have up to sixty days after the filing of the application to issue a
13 license. The issuing authority shall not refuse to accept completed
14 applications for concealed pistol licenses during regular business
15 hours.

16 The applicant's constitutional right to bear arms shall not be
17 denied, unless:

18 (a) He or she is ineligible to possess a firearm under the
19 provisions of RCW 9.41.040 or 9.41.045, or is prohibited from
20 possessing a firearm under federal law;

21 (b) The applicant's concealed pistol license is in a revoked
22 status;

23 (c) He or she is under twenty-one years of age;

24 (d) He or she is subject to a court order or injunction regarding
25 firearms pursuant to chapter 7.90, 7.92, or 7.94 RCW, or RCW

27 26.10.040, 26.10.115, 26.26B.020, 26.50.060, 26.50.070, or
28 26.26A.470;

29 (e) He or she is free on bond or personal recognizance pending
30 trial, appeal, or sentencing for a felony offense;

31 (f) He or she has an outstanding warrant for his or her arrest
32 from any court of competent jurisdiction for a felony or misdemeanor;
33 or

34 (g) He or she has been ordered to forfeit a firearm under RCW
35 9.41.098(1)(e) within one year before filing an application to carry
36 a pistol concealed on his or her person.

37 No person convicted of a felony may have his or her right to
38 possess firearms restored or his or her privilege to carry a
39 concealed pistol restored, unless the person has been granted relief

1 from disabilities by the attorney general under 18 U.S.C. Sec.
2 925(c), or RCW 9.41.040 (3) or (4) applies.

3 (2) (a) The issuing authority shall conduct a check through the
4 national instant criminal background check system, the Washington
5 state patrol electronic database, the health care authority
6 electronic database, and with other agencies or resources as
7 appropriate, to determine whether the applicant is ineligible under
8 RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from
9 possessing a firearm under federal law, and therefore ineligible for
10 a concealed pistol license.

11 (b) The issuing authority shall deny a permit to anyone who is
12 found to be prohibited from possessing a firearm under federal or
13 state law.

14 (c) (a) and (b) of this subsection apply whether the applicant is
15 applying for a new concealed pistol license or to renew a concealed
16 pistol license.

17 (d) A background check for an original license must be conducted
18 through the Washington state patrol criminal identification section
19 and shall include a national check from the federal bureau of
20 investigation through the submission of fingerprints. The results
21 will be returned to the issuing authority. The applicant may request
22 and receive a copy of the results of the background check from the
23 issuing authority. If the applicant seeks to amend or correct their
24 record, the applicant must contact the Washington state patrol for a
25 Washington state record or the federal bureau of investigation for
26 records from other jurisdictions.

27 (3) Any person whose firearms rights have been restricted and who
28 has been granted relief from disabilities by the attorney general
29 under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec.
30 921(a)(20)(A) shall have his or her right to acquire, receive,
31 transfer, ship, transport, carry, and possess firearms in accordance
32 with Washington state law restored except as otherwise prohibited by
33 this chapter.

34 (4) The license application shall bear the full name, residential
35 address, telephone number at the option of the applicant, email
36 address at the option of the applicant, date and place of birth,
37 race, gender, description, a complete set of fingerprints, and
38 signature of the licensee, and the licensee's driver's license number
39 or state identification card number if used for identification in
40 applying for the license. A signed application for a concealed pistol

1 license shall constitute a waiver of confidentiality and written
2 request that the health care authority, mental health institutions,
3 and other health care facilities release information relevant to the
4 applicant's eligibility for a concealed pistol license to an
5 inquiring court or law enforcement agency.

6 The application for an original license shall include a complete
7 set of fingerprints to be forwarded to the Washington state patrol.

8 The license and application shall contain a warning substantially
9 as follows:

10 CAUTION: Although state and local laws do not differ, federal
11 law and state law on the possession of firearms differ. If
12 you are prohibited by federal law from possessing a firearm,
13 you may be prosecuted in federal court. A state license is
14 not a defense to a federal prosecution.

15 The license shall contain a description of the major differences
16 between state and federal law and an explanation of the fact that
17 local laws and ordinances on firearms are preempted by state law and
18 must be consistent with state law.

19 The application shall contain questions about the applicant's
20 eligibility under RCW 9.41.040 and federal law to possess a pistol,
21 the applicant's place of birth, and whether the applicant is a United
22 States citizen. If the applicant is not a United States citizen, the
23 applicant must provide the applicant's country of citizenship, United
24 States issued alien number or admission number, and the basis on
25 which the applicant claims to be exempt from federal prohibitions on
26 firearm possession by aliens. The applicant shall not be required to
27 produce a birth certificate or other evidence of citizenship. A
28 person who is not a citizen of the United States shall, if
29 applicable, meet the additional requirements of RCW 9.41.173 and
30 produce proof of compliance with RCW 9.41.173 upon application. The
31 license may be in triplicate or in a form to be prescribed by the
32 department of licensing.

33 A photograph of the applicant may be required as part of the
34 application and printed on the face of the license.

35 The original thereof shall be delivered to the licensee, the
36 duplicate shall within seven days be sent to the director of
37 licensing and the triplicate shall be preserved for six years, by the
38 authority issuing the license.

1 The department of licensing shall make available to law
2 enforcement and corrections agencies, in an online format, all
3 information received under this subsection.

4 (5) The nonrefundable fee, paid upon application, for the
5 original five-year license shall be thirty-six dollars plus
6 additional charges imposed by the federal bureau of investigation
7 that are passed on to the applicant. No other state or local branch
8 or unit of government may impose any additional charges on the
9 applicant for the issuance of the license.

10 The fee shall be distributed as follows:

11 (a) Fifteen dollars shall be paid to the state general fund;

29 in the general fund; and

31 notification account created in RCW 43.79.540.

32 (7) The nonrefundable fee for replacement of lost or damaged
33 licenses is ten dollars to be paid to the issuing authority.

34 (8) Payment shall be by cash, check, or money order at the option
35 of the applicant. Additional methods of payment may be allowed at the
36 option of the issuing authority.

37 (9) (a) A licensee may renew a license if the licensee applies for
38 renewal within ninety days before or after the expiration date of the
39 license. A license so renewed shall take effect on the expiration
40 date of the prior license. A licensee renewing after the expiration

1 date of the license must pay a late renewal penalty of ten dollars in
2 addition to the renewal fee specified in subsection (6) of this
3 section. The fee shall be distributed as follows:

4 (i) Three dollars shall be deposited in the ((state)) limited
5 fish and wildlife account and used exclusively first for the printing
6 and distribution of a pamphlet on the legal limits of the use of
7 firearms, firearms safety, and the preemptive nature of state law,
8 and subsequently the support of volunteer instructors in the basic
9 firearms safety training program conducted by the department of fish
10 and wildlife. The pamphlet shall be given to each applicant for a
11 license; and

12 (ii) Seven dollars shall be paid to the issuing authority for the
13 purpose of enforcing this chapter.

14 (b) Beginning with concealed pistol licenses that expire on or
15 after August 1, 2018, the department of licensing shall mail a
16 renewal notice approximately ninety days before the license
17 expiration date to the licensee at the address listed on the
18 concealed pistol license application, or to the licensee's new
19 address if the licensee has notified the department of licensing of a
20 change of address. Alternatively, if the licensee provides an email
21 address at the time of license application, the department of
22 licensing may send the renewal notice to the licensee's email
23 address. The notice must contain the date the concealed pistol
24 license will expire, the amount of renewal fee, the penalty for late
25 renewal, and instructions on how to renew the license.

26 (10) Notwithstanding the requirements of subsections (1) through
27 (9) of this section, the chief of police of the municipality or the
28 sheriff of the county of the applicant's residence may issue a
29 temporary emergency license for good cause pending review under
30 subsection (1) of this section. However, a temporary emergency
31 license issued under this subsection shall not exempt the holder of
32 the license from any records check requirement. Temporary emergency
33 licenses shall be easily distinguishable from regular licenses.

34 (11) A political subdivision of the state shall not modify the
35 requirements of this section or chapter, nor may a political
36 subdivision ask the applicant to voluntarily submit any information
37 not required by this section.

38 (12) A person who knowingly makes a false statement regarding
39 citizenship or identity on an application for a concealed pistol

13 or her license under subsections (6) and (9) of this section because
14 of the person's assignment, reassignment, or deployment for out-of-
15 state military service may renew his or her license within ninety
16 days after the person returns to this state from out-of-state
17 military service, if the person provides the following to the issuing

3 condition such leases at the request of the department to protect
4 wildlife and its habitat.

5 If the commission determines that real or personal property held
6 by the department cannot be used advantageously by the department,
7 the director may dispose of that property if it is in the public
8 interest.

9 If the state acquired real property with use limited to specific
10 purposes, the director may negotiate terms for the return of the
11 property to the donor or grantor. Other real property shall be sold
12 to the highest bidder at public auction. After appraisal, notice of
13 the auction shall be published at least once a week for two
14 successive weeks in a newspaper of general circulation within the

23 assessments for projects that may benefit wildlife or wildlife-
24 oriented recreation made against lands held by the state for
25 department purposes. The payments may be made from money appropriated
26 from the ((~~state-wildlife~~) fish, wildlife, and conservation account
27 created in RCW 77.12.170(3) to the department.

28 **Sec. 11.** RCW 77.12.240 and 2009 c 333 s 63 are each amended to

37 ~~wildlife~~) fish, wildlife, and conservation account created in RCW
38 77.12.170(3)).

2 read as follows:

3 (1) There is established in the state (~~(wildlife account created~~
4 ~~in RCW 77.12.170)~~) treasury a special wildlife account. Moneys
5 received under RCW 77.12.320 as now or hereafter amended as
6 compensation for wildlife losses shall be deposited in the state
7 treasury to be credited to the special wildlife account.

8 (2) The state treasurer may invest and reinvest the surplus as
9 provided by RCW 43.84.080.

10 **Sec. 13.** RCW 77.12.380 and 2009 c 333 s 36 are each amended to
11 read as follows:

12 Upon receipt of a request under RCW 77.12.360, the commissioner
13 of public lands shall determine if the withdrawal would benefit the
14 people of the state. If the withdrawal would be beneficial, the
15 commissioner shall have the lands appraised for their lease value.
16 Before withdrawal, the department shall transmit to the commissioner
17 a voucher authorizing payment from the (~~(state wildlife)~~) fish,
18 wildlife, and conservation account created in RCW 77.12.170(3) in
19 favor of the fund for which the lands are held. The payment shall
20 equal the amount of the lease value for the duration of the
21 withdrawal.

22 **Sec. 14.** RCW 77.12.390 and 2009 c 333 s 37 are each amended to
23 read as follows:

24 Upon receipt of a voucher under RCW 77.12.380, the commissioner
25 of public lands shall withdraw the lands from lease. The commissioner
26 shall forward the voucher to the state treasurer, who shall draw a
27 warrant against the (~~(state wildlife)~~) fish, wildlife, and
28 conservation account created in RCW 77.12.170(3) in favor of the fund
29 for which the withdrawn lands are held.

30 **Sec. 15.** RCW 77.12.670 and 2011 1st sp.s. c 21 s 15 are each
31 amended to read as follows:

32 (1) Beginning July 1, 2011, the department, after soliciting
33 recommendations from the public, shall select the design for the
34 migratory bird stamp.

35 (2) All revenue derived from the sale of migratory bird license
36 validations or stamps by the department to any person hunting
37 waterfowl or to any stamp collector shall be deposited in the

1 ((state)) limited fish and wildlife account and shall be used only
2 for that portion of the cost of printing and production of the stamps
3 for migratory waterfowl hunters as determined by subsection (4) of
4 this section, and for those migratory waterfowl projects specified by
5 the director of the department for the acquisition and development of
6 migratory waterfowl habitat in the state and for the enhancement,
7 protection, and propagation of migratory waterfowl in the state.
8 Migratory bird license validation and stamp funds may not be used on
9 lands controlled by private hunting clubs or on private lands that
10 charge a fee for public access. Migratory bird license validation and
11 stamp funds may be used for migratory waterfowl projects on private
12 land where public hunting is provided by written permission or on
13 areas established by the department as waterfowl hunting closures.

14 (3) All revenue derived from the sale of the license validation
15 and stamp by the department to persons hunting solely nonwaterfowl
16 migratory birds shall be deposited in the ((state)) limited fish and
17 wildlife account and shall be used only for that portion of the cost
18 of printing and production of the stamps for nonwaterfowl migratory
19 bird hunters as determined by subsection (4) of this section, and for
20 those nonwaterfowl migratory bird projects specified by the director
21 for the acquisition and development of nonwaterfowl migratory bird
22 habitat in the state and for the enhancement, protection, and
23 propagation of nonwaterfowl migratory birds in the state.

24 (4) With regard to the revenue from license validation and stamp
25 sales that is not the result of sales to stamp collectors, the
26 department shall determine the proportion of migratory waterfowl
27 hunters and solely nonwaterfowl migratory bird hunters by using the
28 yearly migratory bird hunter harvest information program survey
29 results or, in the event that these results are not available, other
30 similar survey results. A two-year average of the most recent survey
31 results shall be used to determine the proportion of the revenue
32 attributed to migratory waterfowl hunters and the proportion
33 attributed to solely nonwaterfowl migratory bird hunters for each
34 fiscal year. For fiscal year 1998-99 and for fiscal year 1999-2000,
35 ninety-six percent of the stamp revenue shall be attributed to
36 migratory waterfowl hunters and four percent of the stamp revenue
37 shall be attributed to solely nonwaterfowl migratory game hunters.

38 (5) Acquisition shall include but not be limited to the
39 acceptance of gifts of real estate or any interest therein or the
40 rental, lease, or purchase of real estate or any interest therein. If

1 the department acquires any fee interest, leasehold, or rental
2 interest in real property under this section, it shall allow the
3 general public reasonable access to that property and shall, if
4 appropriate, ensure that the deed or other instrument creating the
5 interest allows such access to the general public. If the department
6 obtains a covenant in real property in its favor or an easement or
7 any other interest in real property under this section, it shall
8 exercise its best efforts to ensure that the deed or other instrument
9 creating the interest grants to the general public in the form of a
10 covenant running with the land reasonable access to the property. The
11 private landowner from whom the department obtains such a covenant or
12 easement shall retain the right of granting access to the lands by
13 written permission, but may not charge a fee for access.

14 (6) The department may produce migratory bird stamps in any given
15 year in excess of those necessary for sale in that year. The excess
16 stamps may be sold to the public.

17 **Sec. 16.** RCW 77.12.690 and 2011 1st sp.s. c 21 s 16 are each
18 amended to read as follows:

19 (1) The director is responsible for the selection of the annual
20 migratory bird stamp design. The department shall create collector
21 art prints and related artwork, utilizing the same design. The
22 administration, sale, distribution, and other matters relating to the
23 prints and sales of stamps with prints and related artwork shall be
24 the responsibility of the department.

25 (2) The total amount brought in from the sale of prints and
26 related artwork shall be deposited in the (~~state~~) limited fish and
27 wildlife account created in RCW 77.12.170(1). The costs of producing
28 and marketing of prints and related artwork shall be paid out of the
29 total amount brought in from sales of those same items. Net funds
30 derived from the sale of prints and related artwork shall be used by
31 the director to contract with one or more appropriate individuals or
32 nonprofit organizations for the development of waterfowl propagation
33 projects within Washington which specifically provide waterfowl for
34 the Pacific flyway. The department shall not contract with any
35 individual or organization that obtains compensation for allowing
36 waterfowl hunting except if the individual or organization does not
37 permit hunting for compensation on the subject property.

2 read as follows:

3 (1) All recreational and commercial licenses, permits, tags,
4 stamps, and raffle tickets shall be issued under the authority of the
5 commission. The commission shall adopt rules for the issuance of
6 licenses, permits, tags, stamps, and raffle tickets, and for the
7 collection, payment, and handling of license fees, including terms
8 and conditions to govern dealers, and dealer fees. A transaction fee
9 on commercial and recreational documents issued through an automated
10 licensing system may be set by the commission and collected from
11 licensees. The department may authorize all or part of such fee to be
12 paid directly to a contractor providing automated licensing system
13 services. The department and dealers shall collect and retain dealer
14 fees of at least two dollars for purchase of a standard hunting or
15 fishing recreational license document or commercial license document,
16 except that the commission may set a lower dealer fee for issuance of
17 tags or when a licensee buys a license that involves a stamp or
18 display card format rather than a standard department licensing
19 document form. Dealer fees must be uniform throughout the state.

20 (2) ~~((Until September 1, 2011, the department shall charge an
21 additional transaction fee of ten percent on all recreational
22 licenses, permits, tags, stamps, or raffle tickets. These transaction
23 fees must be deposited into the state wildlife account, created in
24 RCW 77.12.170, for funding fishing and hunting opportunities for
25 recreational license holders.~~

26 ~~(3))~~) The application fee is waived for all commercial license
27 documents that are issued through the automated licensing system.

3 cost no more than three dollars when purchased for a temporary
4 combination fishing license authorized under RCW 77.32.470(3)(a).

5 (3) Catch record cards issued with affixed temporary short-term
6 charter stamp licenses are neither subject to the ten-dollar charge
7 nor to the Dungeness crab endorsement fee provided for in this
8 section. Charter boat or guide operators issuing temporary short-term
9 charter stamp licenses shall affix the stamp to each catch record
10 card issued before fishing commences. Catch record cards issued with
11 a temporary short-term charter stamp are valid for one day.

12 (4) A catch record card for halibut may not cost more than five

25 Dungeness crab endorsement must be used for the removal and disposal
26 of derelict shellfish gear either directly by the department or under
27 contract with a third party. The department is required to maintain a
28 separate accounting of these funds and provide an annual report to
29 the commission and the legislature by January 1st of every year.

30 (B) The remaining portion of the funds received from the sale of
31 each Dungeness crab endorsement must be used for education, sampling,
32 monitoring, and management of catch associated with the Dungeness
33 crab recreational fisheries.

34 (ii) Funds received from the sale of halibut catch record cards
35 must be used for monitoring and management of recreational halibut
36 fisheries, including expanding opportunities for recreational
37 anglers.

38 (b) Moneys allocated under this section shall supplement and not
39 supplant other federal, state, and local funds used for Dungeness
40 crab recreational fisheries management.
