***Analysis by the Legislative Reference Bureau***

This bill requires a person who commercially sells or transfers a firearm to provide the purchaser or transferee with either a secure, lockable container that is designed to store a firearm or a trigger lock for the firearm. A seller or transferor who violates this requirement is subject to a fine of up to \$500 or imprisonment for up to 30 days, or both.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.
